Re: Reduction of Hours and Posting of Temporary Positions

1. In an effort to minimize the possibility of reduction in employees' hours of work, and in order to adopt a method of effecting any required reductions, the Division shall not be required to post temporary positions that either become vacant or are created after November 1 of any particular school year. For the purpose of this clause, the term "temporary position" shall refer to any temporary position that is not expected to last beyond the end of the school year in which it is being posted.
2. In the event that the Division finds it **necessary** to reduce employee hours, then the Division will proceed as follows:
 - (a) The employee who would be directly affected will be given the option of accepting the reduced hours. If she declines to accept such reduced hours, then the reduced assignment will be offered to the least senior employee who is within that classification and within that school. For the purposes of this clause, the phrase "least senior" will be determined on the basis of seniority within the Division rather than within the school.
 - (b) If the least senior employee does not accept the reduced assignment, then she will be moved to another available position within the Division. For the purpose of this clause, such position is one that is in the same classification and has the same or greater number of hours.
 - (c) In the event that two or more employees are being moved to other available positions in accordance with the preceding clause, then they shall be placed in positions within their classification on the basis of their Divisional seniority.
 - (d) The Division will endeavour to allow affected employees to restore their hours prior to hiring others to fill comparable positions.
 - (e) The Division will not effect any lay offs (including any reductions in hours other than on a cas-by-case basis) without first engaging in meaningful consultation with the Association.
