## COLLECTIVE AGREEMENT

**BETWEEN:**

**THE CORPORATION OF THE CITY OF VICTORIA**  
(hereinafter referred to as the "Employer")

**AND:**

**CANADIAN UNION OF PUBLIC EMPLOYEES LOCAL NO. 50**  
(hereinafter referred to as the "Union")

**WHEREAS** the City is an "Employer" within the meaning of the Labour Relations Code of British Columbia;

**AND WHEREAS** the Union is a "Trade Union" within the meaning of said Code;

**AND WHEREAS** it is the desire of both parties to promote and maintain harmonious industrial relations and to recognize the mutual value of joint discussions and negotiations;

**AND WHEREAS** the parties have carried out collective bargaining and have reached agreement;

**NOW THEREFORE** the parties agree with each other as follows:

### **ARTICLE 1, DEFINITIONS**

#### **1.01 Party**

Means either of the parties signatory to this Agreement.

#### **1.02 Employee**

Means any person defined as such by the Labour Relations Code of British Columbia who is employed in one of the categories listed below (Articles 1.04 through 1.07 inclusive), save and except those persons excluded from the bargaining unit by mutual agreement of the parties.

#### **1.03 Bargaining Unit**

"Bargaining Unit" shall cover those employees employed by the City of Victoria described in the certification order issued by the Labour Relations Board on October 20, 2004 as "employees except for journeymen and apprentice carpenters, journeymen and apprentice electrical workers, firefighters, firefighter inspectors, a fire master mechanic and fire alarm dispatch operators.", including any amendments thereto.

#### 1.04 Regular Full-Time Employee

Is an employee occupying a position listed in the Wage/Salary Schedule(s) attached hereto, who has successfully completed the requirements of the probationary period and who works a regular full-time work schedule.

#### 1.05 Regular Part-Time and Regular Seasonal Employee

- (i) Is an employee occupying a position listed in the Wage/Salary Schedule(s) attached hereto, who has successfully completed the requirements of the probationary period and who works less than a regular full-time employee, yet at least one-half ( $\frac{1}{2}$ ) the normal full-time work schedule per year.

NOTE: It is understood that once an employee achieves regular part-time or regular seasonal employee status, a reduction in the work available in a following year shall not result in the loss of regular status.

- (ii) *Regular part-time employees who are working an established schedule shall be offered, in order of seniority, additional available hours of work (which do not conflict with their existing schedule) over auxiliary employees provided such work is within their department, program area and job in which the employee presently works.*
- (iii) *It is agreed that clause (ii) above shall not apply to the Client Services Section of the Victoria Conference Centre, nor aquatic instructors at the Crystal Pool who require specialty skills training to provide the aquatic program.*
- (iv) *Regular seasonal employees who have not posted into a temporary vacancy, shall be offered work from the "spareboard" based on hours worked, over auxiliary employees in accordance with Letter of Understanding #8.*

#### 1.06 Auxiliary Employee

- (i) Auxiliary employee means an employee of the bargaining unit not employed as a regular employee and may be employed for:
  - (a) relief of a regular employee on vacation leave, sick leave, maternity leave, long-term disability of less than one (1) year duration, workers' compensation of less than one (1) year duration, compassionate leave, education leave or other leaves,
  - (b) non-repetitive projects of less than one (1) year duration. However, in the event the employment is extended beyond the one (1) year period, at the one (1) year anniversary date the employee shall be converted to regular status pursuant to Article 1.04 or 1.05 above.
  - (c) work of an emergency nature.

- (ii) Auxiliary employees include employees who work less than regular part-time employees.

## **1.07 Probationary Employee**

Is any employee who has not successfully completed the requirements of the probationary period pursuant to Article 12.02 or Article 1.09 (ii) (h).

## **1.08 Regular Part-Time and Regular Seasonal Employee Entitlements**

Regular part-time and regular seasonal employees shall be covered by all provisions of the Collective Agreement that apply to a regular full-time employee, except that:

- (i) The level of statutory holiday, vacation and sick leave benefits shall be prorated on the basis of hours actually worked. Credit for these benefits shall be calculated twice yearly on January 1st and July 1st of each year, with the calculation of the (half-yearly) credit for the next six (6) month period being based upon the hours actually worked during the previous six (6) month qualification period, divided by the full-time hours normally available during that period.

Notwithstanding the foregoing, regular seasonal employees working full weekly hours shall not have their statutory holiday entitlement on a pro-rata basis. A regular seasonal employee who is actively at work on a full time weekly basis shall receive the same statutory entitlement as a regular full-time employee and while on lay-off shall not receive any statutory holiday entitlement.

- (ii) For purposes of clarification, the qualification periods referred to above are the previous July 1st to December 31st period for each January calculation, and the previous January 1st to June 30th period for each July calculation.

(iv) Onus of Proof

In any arbitration pursuant to Subsection (i) above, if the Union is first able to demonstrate that the senior employee (grievor) presently has the qualifications, experience, skill and ability to do the job in question, the Employer must then establish that such qualifications, experience, skill and ability are not equal to those possessed by the successful applicant.

(v) Achievement of Certification

A regular employee applying for a posted vacancy who lacks the formal educational or technical certification required in the position shall not be rejected solely on that basis if the employee is judged by the Employer as having sufficient experience, skill and ability to otherwise satisfactorily perform the work in question, provided always that such employee is currently enrolled in an appropriate course of study or is in some other fashion acceptable to the Employer currently preparing to achieve the necessary certification and provided further that the employee can be expected to achieve such certification within a period of time deemed reasonable by the Employer. In such circumstances, the Employer shall consider the employee as having already achieved the required certification at the time of the promotional competition. The employee shall compete for the vacancy on this basis and, if successful in winning the competition over other applicants on the basis of Subsection (i) or (ii) above, the employee shall be awarded the position contingent upon successful achievement of such certification with the time limit established by the Employer for that purpose. #### **14.08 Recall Rights**

- (i) Laid-off regular employees on the recall list may make application, on the same basis as active employees, for regular vacancies posted under Article 13.01. Laid-off regular employees on the recall list who do not apply for posted vacancies shall receive no consideration when such vacancies are filled on the basis of Article 13.04.

- (ii) If the regular vacancy is not filled under clause (i) above, and in accordance with Article 14.09 below, the Employer shall then attempt to recall a former regular employee on the recall list having the required qualifications, experience, skill and ability to perform the work in question, before offering employment to a new employee. ### **Grandfather Provisions – Sick Leave Payout and Sick Leave Accrual**

#### **Article 1: Preamble**

- 1.1 This letter of Understanding establishes "grandfather" provisions for sick leave payout and sick leave accrual arising as a result of changes made to the sick leave language, Article 18, of the renewal Agreement that replaced the Collective Agreement which expired on December 31, 1982.
- 1.2 This Letter of Understanding is attached to and forms part of the current Collective Agreement between the parties.
- 1.3 Regular employees not actively employed or on the recall list on April 6, 1984, as defined in Section 2.1 below; or regular employees hired after April 6, 1984, shall not be eligible for any benefits under this Letter of Understanding.
- 1.4 "Twenty-six (26) weeks" wherever mentioned below, shall be interpreted as the number of working days or shifts in a calendar period of time of twenty-six (26) weeks, or six (6) months or one-half (½) a year.

#### **Article 2, Sick Leave Accrual**

- 2.1 Those regular employees who were on April 6, 1984 actively employed (including W.C.B., sick leave or authorized leave), or were on the recall list and eligible for recall on that date, shall be eligible to continue to accrue sick leave pursuant to Section 2.2 below. Such employees shall not continue to accrue sick leave under Article 21.04 of the Collective Agreement.

- 2.2 Regular employees, eligible under Section 2.1 above, shall earn sick leave in accordance with Article 21.02 of the Collective Agreement. The maximum cumulative sick leave being twenty-six (26) weeks. Where an eligible employee has not taken sick leave, or only a portion thereof, to which he would be entitled under the schedule set out in Article 21.02, he shall be entitled to accrue fifty percent (50%) of such unused sick leave for his future benefit; it being understood that in the event of any employee attaining the maximum accumulative sick leave, such sick leave shall, nevertheless, continue to accrue as aforesaid, but in no case shall the maximum benefits to which an employee is entitled exceed twenty-six (26) weeks in any twelve (12) month period.

### **Article 3, Sick Leave Payout**

#### **I. From April 6, 1984 to December 31, 1984 Inclusive**

- 3.1 For the period from April 6, 1984 up to and including December 31, 1984, regular employees who were on April 6, 1984 actively employed (including WCB, sick leave or authorized leave), or who were on the recall list and eligible for recall on that date, shall be eligible to receive sick leave payout on the basis of Sections 3.2 through 3.4 below.
- 3.2 From April 6, 1984 to and including December 31, 1984, regular employees, eligible under Section 3.1 above, having accrued sick leave to their credit at retirement, will receive a salary grant in lieu thereof equal to seventy-five percent (75%) of such credit; PROVIDED that in no case shall the said salary grant in lieu of accrued sick leave exceed seventy-five percent (75%) of the maximum accumulative sick leave of twenty-six (26) weeks.
- 3.3 From April 6, 1984 to and including December 31, 1984, after ten (10) years' continuous service, a regular employee eligible under Section 3.1 above, whose employment terminates shall receive a salary grant equal to seventy-five percent (75%) of any accrued sick leave acquired by him to the date of termination; PROVIDED that in no case shall this grant exceed seventy-five percent (75%) of the maximum cumulative sick leave of twenty-six (26) weeks. This Section 3.3 shall not apply in cases where an employee is discharged for cause, or in cases of retirement which are covered by Section 3.2. Employees receiving severance pay under this Section 3.3 shall not also receive severance pay under Article 14.06 of the Collective Agreement.
- 3.4 From April 6, 1984 to and including December 31, 1984, in the event of the death of a regular employee eligible under Section 3.1 above, the Employer shall grant to the estate of such employee a sum equal to an additional six (6) weeks salary or wages computed from the date of death and calculated at the rate of pay to which he was entitled at the date of his death; PROVIDED that where such employee having a least ten (10) years' continuous service dies while in service, his estate shall be entitled to either the benefits paid under Section 3.3 or under this Section 3.4, whichever is greater.

II. From December 31, 1984

- 3.5 As at the close of business on December 31, 1984, a maximum sick leave accrual level for payout purposes shall be established or "frozen" for each regular employee who was, on April 6, 1984, actively employed or on the recall list, as defined in Section 3.1, and who remained so actively employed or on the recall list on December 31, 1984.
- 3.6 The maximum sick leave accrual level for payout purposes for each regular employee covered by Section 3.5 shall be established at each such employee's actual sick leave accrual level as at the close of business on December 31, 1984, provided the maximum accrual any such employee shall have established or "frozen" is twenty-six (26) weeks.

III. Following December 31, 1984

- 3.7 From January 1, 1985 onward, only those regular employees who had a maximum sick leave accrual level for payout purposes established or "frozen" for them on December 31, 1984, in accordance with Sections 3.5 and 3.6 above, shall be eligible to receive sick leave payout, and then, only pursuant to Section 3.8 through 3.10 below.
- 3.8 A regular employee who is eligible for a sick leave payout in accordance with Section 3.7 and who retires on or after January 1, 1985, shall be eligible to receive a salary grant of seventy-five percent (75%) of the sick leave accrual such employee actually has to his credit on the date of retirement; PROVIDED always that such employee shall not receive an amount which is greater than seventy-five percent (75%) of the "frozen" maximum sick leave accrual level for payout purposes established for such employee on December 31, 1984, under Sections 3.5 and 3.6 above.

In addition to the foregoing, it is clearly understood that fifteen (15) employees each calendar year shall be entitled to claim a payout of their "frozen" sick leave accrual at the seventy-five percent (75%) level as established above. The first ten (10) employees per year shall be selected in order of greatest seniority, The next five (5) employees shall be selected in order of least seniority. Should an employee who has been offered this payout opportunity decline, then such employee will have another opportunity after all other employees have had their opportunity to receive their payout.

NOTE: This provision shall come into effect during the first 3 months of the calendar year 1993 and thereafter.

- 3.9 After ten (10) years' continuous service, a regular employee who is eligible for a sick leave payout in accordance with Section 3.7 and whose employment terminates on or after January 1, 1985, shall be eligible to receive a salary grant of seventy-five percent (75%) of the sick leave accrual such employee actually has to his credit on the date of termination, PROVIDED always that such employee shall not receive an amount which is greater than seventy-five percent (75%) of the "frozen" maximum sick leave accrual level for payout purposes established for such employee on December 31, 1984, under Sections 3.5 and 3.6 above. This Section 3.9 shall not apply in cases where an employee is discharged for cause, or in cases of retirement which are covered under Section 3.8. **LETTER OF UNDERSTANDING No. 2**

BETWEEN:

**THE CORPORATION OF THE CITY OF VICTORIA**  
*(hereinafter referred to as the "Employer")*

AND:

**THE CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 50**  
*(hereinafter referred to as the "Union")*

**JOB SHARING**

*The Employer and the Union agree that where an employee in the City of Victoria (the City) wishes to share his/her regular full-time position with another regular full-time employee in the City, that such job sharing arrangements be mutually agreed upon using the following principles; PROVIDED HOWEVER, that nothing in this Letter of Understanding shall be construed as altering the existing rights and/or obligations of either party under the collective agreement, except as specifically provided herein.*

1. **General**

- (a) *Job sharing is intended to provide accommodation for employees in the City with particular needs associated with such things as maternity leave, child care, family complications, health problems and, under some situations, special job related educational leaves. It is not intended to provide preferred paid-time employment on behalf of employees and is clearly not a right of an employee but an accommodation that may be considered where it does not create significant operational problems, result in service delivery issues, affect the rights of other employees, significantly complicate the administration of the department or increase the costs to the City.*
- (b) *Where an employee within the City occupying a regular full-time position wishes to share his/her position with another regular full-time employee in the City and has received formal approval from the City Manager or his designate and the Union, the employee(s) shall be entitled to do so in accordance with the provisions of this Letter of Understanding.*
- (c) *The number of job sharing arrangements within the City shall be limited to a maximum of three (3) affecting up to six (6) employees.*
- (d) *Employees entering into a job sharing arrangement (pairing) shall be at the same or higher pay grade and shall not originate from a position of a lower pay grade.*

## **2. Procedure**

- (a) *The employee shall apply in writing to the City Manager and provide a copy to the Union. The employee shall indicate the reason for the request, including the hours and days of the week the employee(s) wishes to share and with whom the employee contemplates entering into a job sharing arrangement and the expected duration of the job sharing arrangement.*
- (b) *The employee with whom it is contemplated the position shall be shared must possess the skills, abilities and qualifications to perform the duties and responsibilities of the position to be shared.*
- (c) *Representatives of neither the Union nor the Employer shall convey to an applicant employee the approval or denial of a job sharing application prior to discussion between the parties.*
- (d) *Where an employee's request is approved and results in an acceptable job sharing arrangement, the City Manager or his designate shall provide each affected employee with a letter covering the terms and conditions of the job sharing arrangement signed by the Employer and the Union.*
- (e) *The regular daily and weekly hours of the position being shared shall remain unchanged as a result of the job sharing arrangement unless such hours are specifically varied by the terms and conditions of the letter referred to in paragraph 2(d) above.*
- (f) *Where an employee's request is denied, the Union may request a meeting with the City Manager or his designate to discuss the matter.*
- (g) *The position vacated by the second participant in a job share shall be posted and filled in accordance with the collective agreement.*

## **3. Duration**

- (a) *Each job sharing arrangement shall be for a minimum period of one (1) year unless varied by mutual agreement between the Employer and the Union.*
- (b) *A job sharing arrangement may be terminated earlier than expected by either of the employees or by the Employer, provided ninety (90) calendar days written notice has been served to the other employee and party(ies), or as otherwise provided for in the letter referred to in paragraph 2(d) above. Other employees temporarily appointed to fill positions vacated as a direct result of job sharing shall be advised at the time of their temporary appointment that their term in the position could be abbreviated as a result of an early cancellation.*

- (c) *Upon the expiry or termination of the job sharing arrangement, the employees shall revert to working in his/her original position on a full-time basis under the terms and conditions then applicable unless some alternate job sharing arrangement has been approved in the interim.*
- (d) *Upon the termination of a job sharing arrangement, should the position from which an employee originated no longer exist, then an employee so affected shall exercise bumping rights as described in Article 14.03 of the collective agreement.*

**4. Employee Status and Working Conditions**

- (a) *An employee in a job sharing arrangement shall continue to maintain his/her original employment status during the period of time covered by the job sharing arrangement and shall accumulate seniority in accordance with the employee's scheduled hours of work in the job sharing arrangement, Such employee shall be entitled to use accumulated seniority for all applicable purposes set out in the collective agreement including layoff and recall.*
- (b) *The general principles with respect to wage rates, employee benefit entitlement and premium payments for employees in job sharing arrangements are as follows:*
  - (i) *employees shall be paid the appropriate (classified) hourly rate for all hours worked.*
  - (ii) *paid leave benefits, such as vacation, statutory holidays, and sick leave shall be earned on a proportionate basis in accordance with the ratio that the employee's scheduled hours bears to the full-time hours of the position being shared.*
  - (iii) *the employee's share of the premium payments for health and welfare benefits, such as Medical, Extended Health, Dental and Group Life, shall increase proportionately as the number of scheduled hours decrease in relation to the full-time hours of the position being shared.*
- (c) *In accordance with the general principles outlined in paragraph 4(b) above, except as otherwise provided herein, the following shall apply to employees:*

(i) **Vacation Entitlement**

*The employee's annual vacation entitlement shall be prorated according to the number of hours the employee is scheduled to work in comparison to the full-time hours of the position being shared. It is understood that the Employer shall not adjust the start date of the employee for the period of time spent in the job sharing arrangement and as such any future vacation entitlement shall not be delayed as a result of time spent in a job sharing arrangement.*

(ii) **Statutory Holidays**

*The employee's statutory holiday entitlement and pay shall be earned on a proportionate basis in accordance with the ratio that the employee's scheduled hours bears to the full-time hours of the position being shared.*

(iii) **Medical Services Plan, Dental, Extended Health and Group Life**

*The employee shall pay a prorated share of the premiums for the above-noted benefits based on the proportion of the employee's scheduled hours of work compared to the full-time hours of the position being shared relative to the premiums normally paid by the Employer for a full-time employee. The employee shall pay the balance in order to maintain full coverage (refer to attached illustration).*

(iv) **Sick Leave**

*For the period of the job sharing arrangement, the employee shall have sick leave credited on a prorated basis, calculated on the same proportionate basis as the employee's scheduled hours of work bears to the full-time hours of the position being shared.*

(v) **Pension**

*Where an employee enters into a job sharing arrangement, the employee shall be required to continue making payments toward Superannuation. The existing cost-sharing arrangement shall continue to apply on the same percentage basis applied to the reduced earnings.*

(vi) **Compassionate Leave**

The provisions of Article 26.08 of the collective agreement (Compassionate Leave) shall apply to employees participating in a job sharing arrangement, EXCEPT THAT, in normal circumstances the maximum paid leave to be granted such employees is one and one-half (7 ½) working days.

5. **Coverage Support**

When one employee of a job sharing unit (pairing) is absent (eg. sick leave, vacation, etc.) the other employee of that unit (pairing) shall make every reasonable effort to cover for such absence by working full-time, rather than employ a temporary replacement when full-time coverage is required by the Employer.

6. **Termination**

Either party may cancel this Letter of Understanding by providing at least thirty (30) calendar days written notice to the other party. Notwithstanding such cancellations, all job sharing arrangements in effect at the time of cancellation shall continue under the individual terms agreed until terminated pursuant to the terms of this Letter of Understanding.

### **SCHEDULING HOURS OF WORK FOR CLIENT SERVICES EMPLOYEES AT THE VICTORIA CONFERENCE CENTRE**

This Letter of Understanding is to set out the scheduling applicable to Client Services representatives of the Victoria Conference Centre (VCC). This Letter shall apply only to the Client Services representatives at the VCC and shall not effect other City operations. Where this Letter conflicts with other articles of the Collective Agreement, this Letter shall apply.

It is agreed that:

The available hours of work for the position of Client Services representative are determined by the nature, number and scale of events scheduled at the VCC.

2. The number of events are seasonally driven such that the number of available hours varies over a twelve month period.
3. Each event at the VCC may have unique staffing requirements. Optimal client service requires a balance between continuity of staff, the needs of the client and the nature of the event.
4. Where possible and subject to 1-3 above, 7 hour shifts will be scheduled.
5. The employment status of Client Services representatives will be determined by the standard process and per the Collective Agreement.
6. The parties will meet to review the work schedules for Client Services representatives on an as needed basis. Disputes can be referred to the grievance procedure.

Hours for auxiliary workers will be assigned in seniority order and based on the process outlined in the July 9, 2003 letter from Ron Dennis, Director of Human Resources to Susan Jansen, CUPE Local 388 (attached). Regular Client Services representatives will receive priority for the purposes of scheduling hours of work over auxiliary workers in the position of Client Services representative.

**Re: Auxiliary Employee Call-In Process**

The parties have agreed that Auxiliary Employees shall be called in according to Article 1.09 (z). The following is a proposal of how the Auxiliaries' employment will be administered in that regard.

1. Once an Auxiliary employee has completed the 910 hours they will be called in for work based upon their hours worked in the specific department, program area and position.
2. A record of hours worked by each Auxiliary employee in each respective department, program area and position will be tracked.
3. Each Department will use the same process for tracking the hours worked according to #2 above.
4. An Auxiliary employee working in one department may choose to accept work in one or more different departments provided that it does not result in overtime.
5. In the event that an employee chooses work according to #4 above the following shall apply:
  - a) The Auxiliary employee will accumulate a separate record of hours worked in each department, program area and position as per #2 above.
  - b) An Auxiliary employee may not accept work in a different department, program area and position that conflicts with the current work assignment that they have accepted.
  - c) An Auxiliary employee cannot shorten a current work commitment to accept a work assignment in another department.
  - d) An Auxiliary employee cannot carry their hours of work for the purposes of call in from one department to another.
  - e) An Auxiliary employee can use their combined hours of work from each department for the purposes of other provisions in the collective agreement where seniority for auxiliaries applies.

Please let me know if the Union concurs with this procedure.

### **Rehabilitation and Retraining Program**

1. The Employer and the Union agree to establish through the Union Management Committee (Article 9) a rehabilitation and retraining program for regular employees who are permanently partially disabled through illness, injury or handicap and are unable to carry-out their pre-disability duties.
2. The purpose of this program is to assist a disabled employee in returning to their former position or to another position with the Employer.
3. The program may augment other programs established by statute or this Collective Agreement such as the Workers' Compensation Board and the Long Term Disability Plan.
4. The Union and the Employer recognize that, subject to bona fide operational considerations, rehabilitation and retraining programs require the parties to assess their "duty to accommodate".
5. It is understood and agreed by the parties that in determining a program:
  - (a) The Employer and the Union may mutually agree to waive the posting procedures to place a disabled regular employee into a vacant position,
  - (b) An employee who is disabled may, through mutual agreement of the parties on an individual case by case basis, be permitted to bump into any position provided such disabled employee has the qualifications, experience, skill and ability to perform the work, and provided such position is occupied by a junior employee and provided further that no upward bumping shall be permitted,

- (c) Once work has been found for a disabled employee, a more senior disabled employee may not subsequently bump that employee, because the more senior employee is also seeking placement under the provisions of this Letter of Understanding.

6. This Letter of Understanding shall operate for the duration of this Collective Agreement from the date of signing and may be cancelled thereafter at any time by the Union or the Employer upon thirty (30) days written notice.

### Salary Sharing for Auxiliary Employees

The parties agree, during the life of the current Collective Agreement, that the official signing officers of the Union *may* sign jointly with the Employer applications by the Employer to a senior government to enable the Employer to receive senior government assistance in salary sharing for auxiliary workers provided the work to be performed conforms with the following provisions:

1. Persons employed under the government program shall be employed as auxiliary employees as defined in the Collective Agreement. Posting requirements will be waived by the Union if stipulated in the senior government guidelines.
2. The work involved in such projects would not have directly resulted in the recall to regular employment of any laid off regular employee currently on the recall list.
3. Each project application will be presented to the Union at least thirty (30) days prior to the deadline for the application to allow adequate time for review and/or consultation between the parties. This limit may be reduced by mutual agreement.
4. That such projects comply with the provisions of the Collective Agreement between the Employer and the Union.
5.
  - (a) That such projects provide new employment opportunities and do not displace existing jobs or regular or auxiliary employees.
  - (b) That the task involved in such projects is not one which has been done or could reasonably be expected to be undertaken by existing employees within the foreseeable future.
6. That the rates of pay and working conditions not specifically covered by the Collective Agreement between the Employer and the Union are negotiated.

7. That no changes are made to projects after they have been approved by the Union without the agreement of the Union.

### **Re-employment of Auxiliary Employees – Outside**

This is to set out the administrative guidelines applicable to the re-employment of CUPE Local 50 – Outside auxiliary employees who have completed their probationary period.

1. *Notwithstanding Article 1.05(iii)*, re-employment on the “spareboard” shall be confined to the Engineering Department and Parks Division and shall be offered to those auxiliary employees in order of hours worked.
2.
  - (a) It is understood that the intent of clause 1 is that all auxiliary employees are re-employed as labourers or refuse collectors only and to pay them for working in higher positions on a “while so employed” basis (this does not include the positions of Public Works Service Persons, Bridge Operators, positions requiring a certified trades qualification, or in a position requiring a class 1 drivers licence with air brake endorsement).
  - (b) Where the City requires auxiliary employees to work in higher paid positions *as set out in (a) above*, the Employer may post and fill the positions as per Article 13, Posting and Filling Vacancies.

  - (d) Re-employment of auxiliary employees on the “spareboard” shall be based on the principle of an auxiliary employee (on the spareboard list) with the greatest number of hours worked shall be the first employee offered available work. It is understood that an auxiliary employee on the spareboard shall be subject to re-employment according to this principle.

Where questions related to an employee's eligibility for re-employment arise and where such questions go unresolved the grievance procedure set out in Article 11 of the Collective Agreement shall apply.
