Opening Statement

The Prairie Spirit School Division Board of Education and Prairie Spirit Teachers' Association have developed a positive and collaborative partnership to support the interests of teachers and the interests of the Board of Education. Together we support our common mission of "learning without limits in a world of possibilities" and our vision of creating "learners for life."

Prairie Spirit Interests

This Local Collective Bargaining Agreement is based on interests that were developed by the PSSD-PSTA Local Negotiations Team. These interests formed the basis for developing shared understandings related to the many topics brought forth for dialogue. The interests were also used as the criteria for the determination of solutions, and consensus was reached on solutions presented in this agreement.

This Local Collective Bargaining Agreement represents the shared values of Prairie Spirit teachers, Division administration and the Board of Education. Throughout the process, the PSSD-PSTA Local Negotiations Team spent time in dialogue learning together, demonstrating transparent and open relationships characterized by the sharing of information and exploration of ideas, and developing collaborative, cooperative and trusting relationships. We are hopeful and optimistic that this new Local Collective Bargaining Agreement continues to support a strong culture of collaboration within Prairie Spirit School Division.
