- 12.03 (a) Seniority will be applied on a Company wide basis in recalls, promotions, transfers from camp to camp and layoffs.

When layoffs are required due to the completion of seasonal operations, or a part thereof, each of the employees so affected will be permitted to exercise

his seniority and transfer to a job, within the same Zone, for which he is qualified, provided that, having received advance notice in accordance with Section 12.04, he advises the Company, prior to the effective date of the advance notice and in writing on forms to be supplied by the Company, of his desire to transfer or to be laid off.

The Company will provide the Union Grievance Committee, prior to the intended layoff, with a list of jobs filled in the Zone by employees with less seniority than those employees given notice.

It is understood and agreed that when layoffs are occasioned by the completion of seasonal activities, Company-wide seniority will be applied only when operations continue in other Zones for more than one (1) week, and subject to the following procedure: otherwise the zone will be the unit of application of seniority on seasonal layoffs.

An employee wishing to exercise his seniority rights in another zone must make application to the Company's Employment Office within the three (3) consecutive work days immediately following the date of layoff, either in person or by letter postmarked during that period, otherwise he forfeits his right to bump on that occasion.

The Company shall post notices in camps showing the names of successful applicants for all posted vacancies and newly created jobs.

Re: Dental Plan

This letter will confirm our understanding regarding the continuation of coverage for an employee who is off work due to lay-off or Leave of Absence.

This Company's interpretation shall be to the effect that, provided a prescribed course of treatment has commenced prior to the end of the month following the month in which lay-off or Leave of Absence has occurred, services provided under the prescribed course of treatment will be covered under the terms and benefits of the plan.
