- 3.02 The Union or employees shall not hold meetings on the Company property, except as agreed to by the Company.

Article 4 - DEDUCTION OF UNION DUES:

- 4.01 The Company agrees that all employees shall become and remain members of the Union as a condition of their continued employment.
- 4.02 The Company shall deduct from the pay of each member of the bargaining unit, weekly, such Union dues, fees and assessments as prescribed by the Constitution of the Union.

The parties agree to meet on an annual basis on or about the week of April 15th to discuss alternatives to the split work week. The intent of this letter is not to provide for an individual or individuals to benefit from any particular set of circumstances, but rather to identify solutions to greater issue of the split workweek.

Should the operation have a need for additional (extra) shifts on an ongoing basis, the Company will meet with the Union Committee to investigate the possibility of filling those additional (extra) shifts with Saturday, Sunday full time employees.

New Equipment

Before the implementation of any new equipment or processes, the training needs will be reviewed and agreed upon with the Health and Safety Committee.

Placement of Spare Employees

As agreed this letter shall confirm the agreement that was reached on January 21, 1994, regarding the procedure for moving spare plant employees into current scheduled jobs. The procedure will be as follows:

2. The remaining employees currently doing the job will be able to select their shift before a spare employee, regardless of the spare employee's seniority (as per the straight shift guidelines).

Every effort will be made by the Company to place spare employees into jobs, which they are capable of doing, based on seniority.
