ARTICLE I

PURPOSE OF AGREEMENT

1.01 The purpose of this Agreement is to maintain harmonious and mutually beneficial relationships between the Employer, the Employees and the Alliance, to set forth certain terms and conditions of employment relating to pay, hours of work, employee benefits and general working conditions affecting employees covered by this Agreement and to ensure that all reasonable measures are provided for the safety and occupational health of the employees.

1.02 The parties to this Agreement share a desire to improve the quality, to promote well-being and increase the productivity of the employees of the Mint. Accordingly, the parties are determined to establish, within the framework provided by law, an effective working relationship at all levels in which members of the bargaining unit are employed.

ARTICLE 2

INTERPRETATION AND DEFINITIONS

2.01 For the purpose of this Agreement:

(a) "Alliance" means the Public Service Alliance of Canada;

(b) "Allowance" means compensation payable for the performance of special or additional duties, including but not restricted to acting pay at a higher level, meal allowances, or taxi allowances;

(c) "Component" means the Government Services Union of the Public Service Alliance of Canada;

(d) "Continuous employment" unless otherwise stated in this Agreement means:

(i) For the purpose of determining paid leave entitlement, continuous employment includes uninterrupted service in the Canadian Forces, the Royal Canadian Mounted Police, other Crown Corporations or the Federal Public Service. The foregoing is effective only if the employee elected to count such service as pensionable service pursuant to Section 25 of the Public Service Superannuation Act. For purposes of determining severance pay
entitlements, continuous employment includes a minimum of 10 years of uninterrupted service including service with employers that have reciprocal transfer agreements with the Public Service;

(ii) uninterrupted employment in the Royal Canadian Mint will include all service in any of the aforementioned providing there is no break in service of more than three (3) calendar months. Where an employee has been laid off in excess of three (3) months and recalled under the provision of Clause 37.11 his continuous employment shall include his service prior to lay-off;

(Month — means from a given date up to but not including the corresponding date in the next following month, e.g. January 20 to February 19 inclusive.)

(iii) with reference to an employee who was subject to the Public Service Terms and Conditions of Employment Regulations and becomes subject to the Collective Agreement, his prior employment in the Public Service shall, subject to Sections 3 and 4 of the Public Service Terms and Conditions of Employment Regulations, constitute continuous employment;

(e) "Daily rate of pay" means:

(i) in the case of an employee who is paid by the hour, the employee's hourly rate of pay times his normal number of hours of work per day; and

(ii) in the case of an employee who is paid an annual salary, his annual rate of pay divided by 260.88;

(9) "Day of rest" in relation to an employee means a day, other than a holiday, on which that employee is not ordinarily required to perform the duties of his position other than by reason of his being on leave of absence;

(g) "Employee" means a person of either sex who is a member of the bargaining unit as defined in Article 7;

(h) "Employer" means the Royal Canadian Mint;

(i) "Grand-fathered employee" means for the purposes of Article 22, an employee who was a full-time employee and member of the bargaining unit on April 19, 1999 who will retain their normal work week of Monday to Friday and Saturday and Sunday as their days of rest.
"Holiday" means the twenty-four (24) hour period commencing at 12:01 a.m. on a day designated as a paid holiday in this Agreement;

"Lay-off" means the termination of employment of an employee because of lack of work or because of the discontinuance of a function;

"Leave of absence" means permission to be absent from duty;

"Leave year" for the purpose of calculating and granting vacation leave, the leave year shall be January 1 to December 31;

"Locals" means the National Capital Local (70024) and the Winnipeg Local (50057) of the Government Services Union;

"Membership dues" means the dues established pursuant to the constitution of the Alliance as the dues payable by its members as a consequence of their membership in the Alliance, and shall not include any initiation fee, insurance premium or special levy;

"Probationary period" means the first ninety (90) worked days in which the employee is in full-time attendance at the Royal Canadian Mint except for employees who have been promoted or changed jobs during this initial period. Such employees will be required to serve a trial period equivalent to the greater of sixty-five (65) worked days or the number of worked days remaining in their probationary period at the time of promotion or change of jobs.

On completion of his probationary period, the employee shall be placed on the service list and shall be credited with service retroactive to ninety (90) worked days from the date of completion of his probationary period. In the case of employees who have been promoted or changed jobs during their probationary period, they shall be credited retroactively, on the successful completion of their trial period, with service equal to the total number of worked days since their initial appointment. In the event that an employee is deemed to be unsuitable for the position into which he was promoted or changed to, he will be considered to be rejected on probation.

Grievances shall not be presented in connection with the discharge or lay-off of probationary employees, unless the discharge or lay-off is rightfully claimed to be a discrimination for union activity;
"Spouse" will be interpreted to include common-law spouse. A common-law spouse relationship exists when, for a continuous period of at least one-year, an employee has lived with a person, publicly represented that person to be his/her spouse and continues to live with the person as if that person were his/her spouse.

"Trial period" means the amount of time referred to in Articles 37.09 and 37.1a;

"Weekly rate of pay" means an employee's daily rate of pay multiplied by five (5);

"Worked days" means a period during which the employee is in full-time attendance at the Mint. Lay-offs and authorized or unauthorized leave of absence from the Mint shall not be considered as worked days.

2.02 Except as otherwise provided for in this Agreement, expressions used in this Agreement, if defined in the Canada Labour Code, have the same meaning as given to them in that Code.

THE COLLECTIVE AGREEMENT

Upon a written request from the Union to this effect, the Mint shall meet with the Union in order to discuss the inclusion or exclusion of this position in the bargaining unit.

15.02 When an employee who is in receipt of acting pay is granted leave with pay, he is entitled during his period of leave to receive the allowance if the special or extra duties in respect of which he is paid the allowance were assigned to him on a continuing basis for a period of one (1) or more months prior to the period of leave.

15.03 Leave balances (special leave, sick leave and vacation leave) will be updated in the Leave and Attendance System at least every two months.

15.04 If at the end of a leave year an employee's entitlement to vacation leave with pay includes a fractional entitlement of less or more than one-half (1/2) day, the entitlement shall be increased as follows:

(e) two and one-half \((2-1/2)\) days per month commencing with the month in which his twenty-fifth \((25th)\) anniversary of continuous employment occurs (maximum six (6) weeks).

16.02 An employee who has not received at least ten \((10)\) days' pay for each calendar month will earn vacation leave at one-twelfth \((1/12)\) of the rate referred to in Clause 16.01 for each calendar month for which he receives at least ten \((10)\) days' pay. All leave granted under the provisions of Article 9 hereof, will be considered as paid days for the purpose of calculations under this Clause 16.02.

(c) to comply with any request made in writing by an employee, in exceptional circumstances, that he be permitted to use in the following
year the vacation leave earned by him in the current year only. Except in the case of the exceptional circumstances mentioned above, and for the amount of vacation leave mentioned above, employees shall take all of their vacation leave during the leave year in which it is earned;

(d) to grant the employee his vacation leave when specified by the employee if:

(i) the period of vacation leave requested is less than a week; and
(ii) the employee gives the Employer at least two (2) days advance notice for any period of less than a week of vacation leave requested.

(e) The Employer undertakes to inform the employee within twenty-four (24) hours after his written request has been received whether the period of vacation leave requested has been approved or not. In the event that the request is received on a Friday, the Employer will render his decision not later than the end of the day shift on the following Monday.

16.04 The Employer may for good and sufficient reason grant vacation leave on shorter notice than that provided for in Clause 16.03.

16.05 An employee earns but is not entitled to receive vacation leave with pay during his first six (6) months of continuous employment.

the period of maternity leave without pay defined in paragraph (a) may be extended beyond the date falling seventeen (17) weeks after the date of termination of pregnancy by a period equal to that portion of the period of the child’s hospitalization during which the employee was not on maternity leave, to a maximum of seventeen (17) weeks.

(c) the extension described in paragraph (b) shall end not later than fifty-two (52) weeks after the termination date of pregnancy.

\[
\text{(allowance received) \times \frac{\text{(remaining period to be worked following her return to work)}}{\text{[total period to be worked as specified in section (B)]}}} \]

however, an employee whose specified period of employment expired and who is rehired by the same Employer within a period of five days or less is not indebted for the amount if her new period of employment is sufficient to meet the obligations specified in section (B).

(d) At the employee’s request, the payment referred to in subparagraph 20.05(c) (i) will be estimated and advanced to the employee. Adjustments will be made once the employee provides proof of receipt of Employment Insurance pregnancy benefits.

(f) The weekly rate of pay referred to in paragraph (c) shall be:

(i) for a full-time employee, the employee’s rate of pay on the day immediately preceding the commencement of maternity leave without pay,

(ii) for an employee who has been employed on a part-time or on a combined full-time and part-time basis during the six (6) month period preceding the commencement of maternity leave, the rate obtained by multiplying the weekly rate of pay in subparagraph (i) by the fraction obtained by dividing the employee’s straight time earnings by the straight time earnings the employee would have earned working full-time during such period.

(g) The weekly rate of pay referred to in paragraph (g) shall be the rate to which the employee is entitled for her substantive level to which she is appointed.

(h) Notwithstanding paragraph (g), and subject to subparagraph (f)(ii), if on the day immediately preceding the commencement of maternity leave without pay an employee has been on an acting assignment for at least four (4) months, the weekly rate shall be the rate she was being paid on that day.

(b) An employee shall be paid an allowance under this clause and under clause 20.05 for a combined period of no more than the number of weeks during which she would have been eligible for pregnancy benefits pursuant to Section 22 of the Employment Insurance Act had she not been disqualified from Employment Insurance pregnancy benefits for the reasons described in subparagraph (a)(i).

(d) An employee who intends to request parental leave without pay shall notify the Employer at least four (4) weeks in advance of the expected date of the birth of the employee’s child (including the child of a common-law spouse), or the date the child is expected to come into the employee’s care pursuant to paragraphs (a) and (b).

disabled as defined in the *Public Service Superannuation Act*, he or he will be indebted to the Employer for an amount determined as follows:

\[(\text{allowance received}) \times \frac{\text{remaining period to be worked}}{\text{following her/his return to work}}\]

22.01 The normal work week shall be Monday through Friday for all grand-fathered employees as defined in Article 2.

22.02 Employees, other than grand-fathered employees, as defined in Article 2, may be scheduled to work on an irregular and rotating basis. Hours of work shall be scheduled so that employees obtain 2 consecutive days of rest in each 7 day period except where they may be separated by a designated paid holiday which is not worked.

22.03 The standard shift schedule will be 12 midnight to 8 a.m., 8 a.m. to 4 p.m., 4 p.m. to 12 midnight. (In certain operational areas this shift schedule could be varied following joint consultation between the Local Executive Committee and local Management).
22.04 The Employer will make every reasonable effort:

(a) not to schedule the commencement of a shift within sixteen (16) hours of the completion of the employee's previous shift; and

(b) to avoid excessive fluctuation in hours of work.

22.05 The Employer shall set up a master weekly shift work schedule and post it six (6) working days in advance. This schedule will cover the normal shift requirements for the work area. An employee who is required to work a shift that he was not scheduled to work shall be paid at time and one-half \((1-\frac{1}{2})\) for all unscheduled hours worked, unless his shift change was because of death, sickness or accident of another employee, in which case he shall be paid at time and one-half \((1-\frac{1}{2})\) for the first day of his unscheduled shift only and no further penalty will be paid by the Mint for any day beyond the first day that the employee works on the unscheduled shift.

22.06 Provided sufficient advance notice is given, and with the approval of the Employer, employees may exchange shifts if there is no increase in cost to the Employer.

22.07 Employees shall be entitled to a rest period with pay of fifteen (15) minutes duration commencing on or about the mid-point of the first half of the shift, and they shall be entitled to a rest period with pay of fifteen (15) minutes duration commencing on or about the mid-point of the second half of the shift. An employee may absent himself from his work station during such rest periods, but for each such rest period shall not be absent with pay from his work station for more than the allowed time, nor shall an employee fail to resume performance of his duties assigned to him by the Mint within fifteen (15) minutes of the time a given rest period commences. The time of commencement of such rest periods shall be determined by the Manager of the area to which the employee is assigned.

(c) When the first and second or subsequent day of rest are consecutive, second or subsequent day of rest is defined as the period immediately following expiration of the first day of rest and ending at the time of commencement of the employee's next regular shift.

22.10 Subject to the operational requirements of the Mint, the Employer shall make every reasonable effort:

22.13 An employee's work schedule shall not be changed to avoid payment of overtime.
General

22.15 An employee who is required to work a minimum of three (3) hours overtime following his scheduled hours of work and where it is not practical for him to enjoy his usual mealtime before commencing such work shall be granted one-half (1/2) hour with pay in order that he may take a meal break in the Mint cafeteria. Under such conditions he shall be reimbursed his expenses for one (1) meal in the amount of seven dollars except where free meals are provided. However, this Clause shall not apply to an employee who is in travel status which entitles him to claim expenses for lodging and/or meals.

22.16 (a) Subject to operational requirements, an employee who has completed twenty (20) or more years of Mint service will be scheduled to work on days only unless he chooses to work on a rotational basis.

(b) If operational requirements do not allow every employee who has twenty (20) or more years of Mint service to work on days, the Employer will schedule those employees on a rotational basis giving preference for day shift assignments to the most senior of those employees who have expressed the wish to be scheduled on day shifts.

Compensatory Leave
22.17 At the employee's request, overtime hours worked may be converted to annual leave credits as compensatory leave. The duration of such leave shall be equivalent to the overtime worked multiplied by the applicable overtime rate. The Employer shall grant compensatory leave at times convenient to both the employee and the Employer. The compensatory annual leave earned shall be taken during the calendar year in which it was earned but should this not be possible, it will be carried beyond six (6) months following the end of the calendar year in which it was earned at which time such credits will be converted to cash payment.

32.04 An employee who feels that he has been treated unjustly or considers himself aggrieved is entitled to present a grievance in the manner prescribed, except that where the grievance relates to the interpretation or application of this collective agreement or an arbitral award, he is not entitled to present the grievance unless he has the approval of and is represented by the Alliance.

32.05 Step No. 1

Subject to Clause 32.04, an employee is granted the right to present a grievance in writing at the first step of the grievance procedure at any time within fifteen (15) working days from the date on which he was informed (or otherwise became aware) of the decision, situation, or circumstance that is the subject of his grievance. The representative of Management who receives the grievance must sign the form as indicated in the instructions.

32.09 The Employer will notify the Local Executive of any immediate discharge of an employee in writing, together with the reasons therefor, within forty-eight (48) hours.

32.10 When the Employer discharges an employee, the grievance procedure will apply except that the grievance may be presented at the first or second step.

The arbitration board shall hear and determine the difference or allegation and shall issue a decision and the decision is final and binding upon the parties and upon any employee affected by it. The decision of a majority is the decision of the arbitration board, but if there is no majority the decision of the chairman governs.

32.18 The Board shall not have the authority to alter or amend any of the provisions of this Agreement, or to substitute any new provisions in lieu thereof, or to render any decision contrary to the terms and provisions of this Agreement, or to increase or decrease wages, provided however that the Board may nevertheless determine whether an employee has been dismissed or suspended for other than proper cause. In which case, the Board may direct the Employer to reinstate the employee and pay to the employee a sum equal to his wages lost by reason of his dismissal or suspension.

32.19 The Employer and the Alliance shall each pay one-half (1/2) of the remuneration and expenses of the Chairman of the Board and each party shall bear its own expenses of every such arbitration.
When a party has failed to comply with any of the terms of the decision of the Board of Arbitration, either party or employee affected by the decision may, after the expiration of fourteen (14) days from the date of the release of the decision or the date provided in the decision for compliance, whichever is later, file in the office of the Registrar of the Federal Court of Canada a copy of the decision, exclusive of the reasons therefor, in the prescribed form, whereupon the decision may be entered in the same way as a judgment or order of that court and may be enforceable as such.

Lay-Off

37.06 Should it become necessary to reduce the number of employees in an area, the employee with the least Mint service assigned to the position in the Section (where applicable) affected by the lay-off will be subject to lay-off.

37.07 Such employee will have the right to displace in his area, by location, an employee with less Mint service provided such employee is assigned to a
position within an equivalent or lower classification level and has the basic qualifications to fulfill the normal requirements of the alternate position.

37.08 An employee who is not capable of displacing another employee by virtue of Clause 37.07 will have the right to displace in his location or in a location in which he previously held a position an employee with less Mint service provided such employee is assigned to a position within an equivalent or lower classification level and has the basic qualifications to fulfill the normal requirements of the alternate position.

37.09 **Trial Period on Bumping**
The Employer shall place an employee who qualifies for displacement of another employee by virtue of Clauses 37.07 and 37.08 above, on a trial period of 21 days with adequate training to determine if such employee is able to fulfill the normal requirements of the job into which he is bumping. If this employee is unable to fulfill the normal requirements of the job into which he is bumping, he shall be rejected on probation. However, this employee shall be entitled to the provisions of Clause 21.02 hereof.

37.10 Where, as a result of a lay-off, employees are required to perform tasks of a lower level, the employee’s salary will be protected at the employee’s current level of pay recognizing that the employee retains the higher skills and will be expected to continue to contribute these skills in a multi-skilled workforce. The employee will be required to return to the position from which he was initially laid-off should it become available. If the employee chooses not to return to the position from which he was initially laid-off, he shall be paid at the current level of pay of the lower-level position.

**Recall**

37.11 (a) When an employee, other than a probationary employee has been laid off, he shall be entitled to recall to the position and section in which he was working at the time of his layoff in inverse order of the lay-off procedure as follows:

(iv) twelve (12) years or more of service at the date of lay-off, for a period of twenty-four (24) months from the date of lay-off;
If a former employee is recalled and rehired within the applicable period, his service shall be counted by including service prior to such lay-off. This in no manner refers to the employee's pensionable service.

During the recall period, and for the purposes of filling vacancies as described in clause 37.12, laid-off employees will be eligible to compete for these positions during their period of recall.

**Filling of Vacancies**

37.12 (a) The Employer shall post on the bulletin boards in the areas in the Region in which the vacant or newly-created position occurs for a period of five (5) working days, all vacant and newly-created positions covered by this Agreement, subject to the provisions of clause (d);

This eligible list shall not include the successful candidate. However, the intention to establish such a list shall be specified on the competition poster. An eligible list shall have an initial validity period of six (6) months and may be extended for an additional six (6) month period with the agreement of the Alliance;

(e) Where a vacancy occurs as a result of the operation of clause (a) above and a valid eligible list is in effect, that vacancy shall be filled from the eligible list described in clause (d) above.

These factors and their evaluation shall be directly related to the duties of the positions to be filled. These factors shall be equally weighted. An overall pass mark of 60% will be required in all promotional competitions. However, the successful candidate must receive 50% for each of the factors of skills and ability. Where two or more employees qualify and obtain the same total points, seniority will become the determining factor;

37.15  Any employee who was an unsuccessful applicant for that position shall have the right to grieve the Employer's decision in his case.

37.16  In the case of any grievance under the provisions of Clause 37.15, it is agreed that, notwithstanding the provisions of Clause 32.05 hereof, any grievor shall file his grievance within seven (7) working days from the date he was informed in writing by the Employer that he has been an unsuccessful candidate, and
that such grievance shall be presented in writing at the final step of the grievance procedure.

37.17 When the Employer is unable to select a qualified candidate from the applicants within the region in which the vacancy occurs, the vacant position may be filled by an appointment from outside the Royal Canadian Mint. The Employer’s decision with respect to any appointment it might make outside the Mint shall not be grievable.

**Trial Period on Promotion**

37.18 Every employee who has been promoted as a result of a promotional competition will undergo a trial period of sixty-five (65) worked days during which the Employer may assess his capability to perform the duties of the higher position. In the event that the Employer decides that the employee is not suitable for the position, he will be reverted to a position at a salary not less than the one he occupied before promotion. An employee who has been rejected during his trial period following a promotion shall have the right to grieve the rejection.

38.03 Except as provided for in Article 14, the Employer has no jurisdiction in an employee's private life and has no right to take disciplinary action for his behavior, except only when an employee is convicted with an offense punishable on summary conviction under the Summary Convictions Section (Part XXVII) of the Criminal Code of Canada or charged with an indictable offense under the Criminal Code of Canada. 41.02 Before the Mint introduces any changes involving re-organization which will have the effect of substantially reducing the number of employees in the bargaining unit, the Mint will notify the Union as far in advance as possible and, in any case, at least one hundred and twenty (120) days before its implementation. In the event of the relocation or removal of the entire Mint to another site, at least three-hundred and sixty-five (365) days advance notice will be given.

41.03 The Mint will continue the past practice of giving all reasonable consideration to continued employment in the Mint to employees whose services to the Mint would otherwise become redundant because of the discontinuance of a function by the Mint in whole or in part.

An employee who undertakes a training course outside his normal hours of work may, at the discretion of the Employer, be reimbursed in whole or in part for the direct expense of instruction, that is, the expenses which must be paid to complete the training, and which are not primarily of a personal character.

To be eligible to receive reimbursement, the employee must fulfill two conditions:

Reimbursement of 50% of the direct expenses of instruction is applicable in other cases where need is less specific, or is based more on opinion than rigorous analysis. 47.04 In certain instances, the Mint may require the employee to give a written undertaking to continue his employment with the Mint for a specified period following completion of authorized training. (a) a detailed description of the nature of the nature of the proposed technological change;
(b) the names of the employees who will initially be likely to be affected by the proposed technological change; and

LETTER OF UNDERSTANDING

TERM APPOINTMENTS

The Royal Canadian Mint and the Public Service Alliance of Canada agree that the terms and conditions outlined herein will take precedence over any terms and conditions which may deal with such matters in the RCM/PSAC collective agreement.

1. This Letter of Understanding will cover employees and positions which are affected as a result of an employee being granted an authorized leave of absence for purposes of maternity leave and education leave under these leave provisions of the collective agreement. When the Mint elects to fill a vacancy with a term appointment as a result of the granting of an authorized leave of absence for purposes of maternity leave and education leave, it will inform and obtain approval in writing from the Union prior to including the term position under this Letter of Understanding.

2. Full-time employees currently working in the Region where the vacancy occurs will be given first consideration for term appointments as per the provisions of Article 30.05 of the collective agreement. Notwithstanding the provisions of Article 30.05 c), a full-time employee chosen from the Mint to fill a term appointment will be appointed to the position on an acting basis for the duration of the authorized leave of absence subject to the employee's ability to perform the duties of the position satisfactorily. At the end of the acting appointment, the employee will revert to his former classification and retain all seniority accumulated both prior to and during the acting appointment.

3. In the event that the Employer is unable to select a suitable candidate from the full-time employees for a term appointment, a term employee may be hired from outside the Mint. The duration of the term appointment will be for the full period of the authorized leave of absence. However, the Mint reserves the right to terminate the appointment at any time for whatever reasons by giving two (2) weeks advance notice. In the event that a term employee is hired to fill a position vacated by the full-time employee who has accepted an acting appointment to another position as per paragraph 2 of this Letter of Understanding, his term of employment will end the day prior to the day the full-time employee is scheduled to revert to his substantive classification.

4. Term employees will be subject to the provisions of the collective agreement except for Articles 15.01, 21 and 37.

IMPLEMENTATION OF THE JOB EVALUATION STUDY

The terms and conditions governing the implementation of the job evaluation study are outlined in a Letter of Understanding which forms part of this collective agreement. Clause 6.01(b)(i) of the Letter of Understanding is amended as follows:

A joint job evaluation committee shall be established to evaluate positions according to the Mint Job Evaluation Plan. The committee shall be composed of six members: one representative of management and one representative of the union in each region in addition to one job evaluation specialist from the Mint and one from the Public Service Alliance of Canada. The composition of the committee will rotate as necessary to ensure that representatives do not perform evaluations of jobs in their respective areas. The Committee shall evaluate positions and reach consensus on the results of these evaluations.

Costs associated with committee members, who are employees of the Royal Canadian Mint, will be paid by the Mint.

APPENDIX E
LETTER OF UNDERSTANDING
APPRENTICESHIP TRAINING PROGRAM

In keeping with the Employer’s human resources planning objectives, the Employer will make every reasonable effort to fill trade positions through the Apprenticeship Training Program.

The Royal Canadian Mint and the Public Service Alliance of Canada agree that subject to the provisions of the collective agreement, the following conditions will govern all apprenticeship training programs.

1. Apprenticeship programs will be established in accordance with provincial requirements and regulations and registered with the respective provincial authorities.

2. Management has the sole right to decide which candidates will be selected under the apprenticeship program and Management will establish the number of employees to be selected (provided it does not exceed the ratio stipulated by the Provincial Act and Regulations). However, it is recognized that the Public Service Alliance of Canada will enjoy a consultative role in this selection process.

3. Apprentices will be placed on a 3-month probationary period, except those recruited for the engraving program who will be subject to a one year probation as per the provisions of Article 45 of the collective agreement. In the eventuality that the progress of apprentices is determined by Management as being unsatisfactory, they will be removed from the program subject to the appeal provisions of the relevant provincial regulations relating to apprenticeship programs. Prior to removing any candidates from a program, the Royal Canadian Mint undertakes to inform the Alliance of its decision in this regard.

4. If the Mint operations are closed in whole or in part, the Mint reserves the right to release the apprentices subject to the provisions of the collective agreement and provincial legislation.

5. Management retains the sole discretion to discharge apprentices for non-conformity with rules or regulations affecting the program, for want of industry and for indifference by the apprentice to his duties or improper conduct on Mint or school premises. This applies to all apprentices who have been removed from an Apprenticeship Program for cause by the respective
provincial authorities. Prior to implementing its decision, Management will inform the Alliance.

6. Management will make every reasonable effort to reintegrate trainees in the regular workforce when they have been removed from the apprenticeship program, except when the trainee has been removed for disciplinary reasons.

7. The apprentice must attend and complete related training to the satisfaction of the provincial and/or community college authorities as applicable.

Dear Mr. Legris:

Re: Collective Agreement

In previous correspondence, dated December 11, 2002, I brought to your attention the omission of a Memorandum of Agreement re Plating Plant – Winnipeg from the collective agreement signed between the parties and with an expiry date of December 31, 2004. You confirmed that the omission was due to an administrative error in the preparation of the new collective agreement and on that basis we agreed to the appropriate corrective action – confirming in writing that the MOU was to be renewed.

As you are aware, since that time a number of other administrative errors have been noted in Appendix “A” of the new contract. I have brought these items to the attention of the Mint, specifically in discussions with Mr. Dancosse and Mr. Szelestowski.

The items to be corrected are as follows:

a) delete Lead Operator – Manufacturing (WG) from Level 10  
b) delete Lead Operator – Blanking (WPG) from Level 8  
c) delete Lead Operator – Annealing (WPG) from Level 8  
d) delete Senior Plating Operator (WPG) from Level 7  
e) delete Leadhand – Mechanical Maintenance and Tooling (WG) from Level 13  
f) delete Preventive Maintenance Person (WG) from Level 5  
g) delete Preventive Maintenance Person (OTT) from Level 5  
h) delete Clark Production (WG) from Level 2  
i) delete Clerk/Typist Administration (WG) from Level 2  
j) adjust rates of pay Part-time/Temporary Employees/Summer Students as follows:

- 2002 13.47  
- 2003 13.74  
- 2004 14.02
You will note that items a) through i) reflect modification to the classifications comprising the bargaining unit as confirmed by your staff item j) reflects the proper application of the economic adjustment that was agreed to by the parties in the terms of settlement dated May 29, 2002.

The PSAC would propose that an erratum be signed by the parties, capturing the above items and forming part of the collective agreement, I would ask that you please reply to this proposal no later than March 17, 2003.

Sincerely,

Tom Clairmont
