BETWEEN

TIMBERJACK INC., Manufacturing Facility,
Woodstock, Ontario, hereinafter
called "the Company"

OF THE FIRST PART

and

GLASS, MOLDERS, POTTERY, PLASTICS &
ALLIED WORKERS INTERNATIONAL UNION
Local 446, Woodstock, Ontario, hereinafter called
"the Union"

OF THE SECOND PART

Wherever the singular and masculine are used herein, they shall be construed as if the plural or feminine had been used where the context so requires and the rest of the sentence shall be construed as if the grammatical and terminological changes thereby necessary had been made so long as no other change in meaning or intent results.

1 - PURPOSE

1.01 The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Company and its employees, and to provide machinery for the prompt and equitable disposition of grievances, and to establish and maintain mutually satisfactory working conditions, hours and wages for all employees who are subject to the provisions of this Agreement.

2 - RECOGNITION

2.01 The Company recognizes the Union as the sole and exclusive bargaining agent for all its employees save and

except employees expressly excluded by the Ontario Labour Relations Act, officestaff, drawing office staff, office janitors, outside service men, inspectors, foremen, and those above the rank of foreman.

3 - GENERAL CONDITIONS

3.01 Nothing in this Agreement shall be construed as a waiver of any right or obligation of the Company of any employee or of the Union under any present or future Federal or Provincial Law, unless such rights and obligations are specifically restricted by the terms of the present agreement.

3.02 The provision of this Agreement and its Schedules shall be read and construed together. Nevertheless, if any clause of this Agreement and its schedules or any part thereof becomes null and void because of the disposition of an order, decree or law of public order the other clauses of the Agreement shall not be affected by this nullity.

4 - NO STRIKE OR LOCK-OUT

4.01 The Company and the Union agree there shall be no strike or lock out during the effective life of this Agreement.

4.02 The references to "Strike" and "Lock-out" as used herein are agreed to have meanings as defined in the Ontario Labour Relations Act, and amendments thereto.

4.03 In addition to such recourse as provided by law, the Company may take any disciplinary measure which it deems appropriate against any participant in such "strike" as defined above. In such instance, any employee who believes he/she has cause for complaint following any disciplinary measure taken against him/her by the Company, may submit his/her case for investigation and settlement in accordance with the grievance procedure.

5 - NO DISCRIMINATION

5.01 The Company and the Union will not discriminate

against any employee by reason of sex, colour, race, creed, affiliation or non-affiliation with the Union.

6 • ANNULMENT OF PRECEDING AGREEMENTS

6.01 This Agreement annuls the preceding Collective Agreement. It also annuls any other agreements between the Union and the Company which involved Collective Agreement language which was changed in the new Agreement. It is binding between the parties and puts an end to all negotiations during the life of the Agreement, unless agreed otherwise by the parties from time to time.

7 • MANAGEMENT RIGHTS

7.01 Subject only to the restrictions contained in this Agreement, the Union recognizes that the customary functions of Management are vested in the Company and that these functions include, but are not limited to:

7.02 The right to manage the plant and to direct its operations;

7.03 The right to limit, change, suspend, or cease operations in whole or in part;

7.04 The right to hire, classify and direct the workforce.

7.05 The right to decide and apply decision in matters of discipline, demotion, suspension, and discharge for cause subject to the grievance procedure; as well as on the matter of requirements of a job such as job content, classification, labour standards and the qualifications of employees.

7.07 The Company agrees that the exercise of functions under paragraph 7.01 of this Article will not be inconsistent with the provisions of this Agreement. Any employee affected by the exercising of this authority, who feels that he/she has cause for dissatisfaction, may have his/her complaint dealt with in accordance with the grievance procedure as outlined in the Agreement.

7.08 The Company agrees to notify the Union thirty (30) days prior to the introduction of new rules or policies, unless such policies or rules are necessary due to legislated requirements, or as the result of a safety requirement.

9.05 It is understood and agreed that the Union will indemnify the Company and save it harmless from any and all claims which may be made by any employee or employees against the Company arising from this Article.

9.06 The Company on request from the Financial Secretary of the Local Union will deduct further initiation fees from those employees so designated by the Financial Secretary who have gone suspended through lack of dues payment during a period of sickness, or layoff.

10 - GRIEVANCE PROCEDURE

10.01 Any employee including an employee on layoff who believes he/she has cause for complaint or grievance may present his/her case for investigation and settlement by following the procedures outlined below.

10.02 No employee will suffer any prejudice for presenting a grievance in accordance with the procedures outlined below.

10.03 The Company will provide the Union with updated lists of its factory supervisory personnel with position titles.

10.04

STEP I The employee must first submit in person his/her grievance to his/her Foreman or immediate Supervisor. The employee shall be accompanied by one of the authorized representatives of the Union as defined in Article 8 of this agreement. Should the Foreman or immediate Supervisor be unable to settle the grievance through discussion, the grievance may be reduced to writing and presented by the employee and the authorized Union representative to the Foreman within 10 working days of the "event" which in the opinion of the employee involves a violation or misinterpretation of the clauses and/or working conditions set forth in this agreement. If the Foreman or immediate Supervisor does not settle the grievance within two (2) working days of its submission to him in writing, the grievance may be appealed to Step 2 within seven (7) working days following the Foreman's reply.

10.05

At this step, the grievance must be presented in writing on a form supplied by the Union and shall contain a brief statement concerning the nature of the grievance and the remedy sought.

10.06

STEP III If the Plant Manager or his/her delegate's decision does not settle the grievance, the Union Plant Committee may within five (5) working days following receipt of the Plant Manager or his/her delegate's reply submit the grievance to the Manager, Labour Relations or his/her delegate. At this meeting, either party

may request the presence of representatives. The Manager, Labour Relations or his/her delegate will give his/her written answer within five (5) working days following the said meeting. If such written disposition does not settle the grievance, the grievance may be referred to arbitration.

10.07 Grievances not appealed from one step to another, including Arbitration within the specified time limits shall be considered dropped. Time limits may be extended by mutual agreement of the parties at each step.

10.08 A grievance involving two (2) or more employees may be presented by the authorized representative of the Union as defined in Article 8, provided he/she is accompanied by not more than two employees of the group involved and has a mandate signed by the employees affected who believe they have a grievance. The mandate, signed by the Plant Chairman, shall be authorization to the Union representative named therein to sign all written proceedings on behalf of the employees and to act on their behalf at the ensuing stages of the procedure.

10.09 An employee who is on lay-off, suspension, or discharge, may give a mandate in writing to the Plant Chairman or his/her delegate to present his/her grievance in his/her name and to follow all the steps of the grievance procedure without having to be present.

10.10 Probationary employees are entitled to grievance procedure except in matters of lay-off and discharge.

10.11 If the Company has a complaint that the Union or any member(s) have violated the provisions of this Agreement, the Company may submit a complaint to the Union, and it will be processed in the same manner as a written grievance is processed by the Union. Failing settlement of the complaint to the satisfaction of both parties, it may be referred to arbitration. Complaints per this paragraph are initiated at Step III of the Grievance Procedure.

10.12 Any grievance which has not been settled in accord-

ance with the relevant foregoing procedure may be referred to arbitration by the Company or by the Union by observing the conditions stipulated below:

10.13 The party submitting a grievance to arbitration shall within ten (10) working days following the completion of relevant grievance procedure, notify the other party in writing of such intention. The notice shall clearly identify the grievance concerned and contain three (3) names of proposed arbitrators.

10.14 Within ten (10) working days of receipt of such notice, the other party will give written acceptance of one of the arbitrators or, submit their proposed list. Failing agreement, the matter will be referred to the Minister of Labour for the Province of Ontario.

10.15 As soon as possible after the Arbitrator has been selected, he/she shall fix a date for the hearing and so advise the parties.

10.16 The Arbitrator shall upon completion of the hearings (consideration of written submissions, when requested by either party) and deliberation, render his/her decision in writing on the merits of the grievance.

10.17 The decision of the Arbitrator shall be final and binding upon the parties.

10.18 However, the Arbitrator shall have no power to add to, subtract from or modify the terms of this Agreement.

10.19 No matter may be submitted to, or be maintained at arbitration which has not been properly carried through the grievance and arbitration procedure.

10.20 Each of the parties concerned shall pay an equal share of the fees and expenses of the Arbitrator.

11 - DISCHARGE - DISCIPLINE - WARNING

11.01 To ensure continuous and successful operation of

the Plant, it may be necessary for Management to exercise discipline at any time, but any action taken by Management with respect to the issuing of suspensions or warnings, must be done within three (3) working days of the Company's knowledge of such action. Written warnings will be issued to the employee in the presence of his/her steward or union committee member. All suspensions or discharges will be issued to the employee in the presence of his/her union committee member. A copy of all disciplinary notices will be given to the union committee.

11.02 Such written warnings, suspensions or counselling documentation shall remain on the employee's record until the employee has accumulated a period of six (6) clear calendar months without further warnings. In such an event, the employee's record shall be cleared, and such documentation returned to the Union. Only months in which the employee works the majority of the work days would be counted in the six month period. Vacations and paid holidays will be considered as work days for the purpose of this Article.

11.03 A claim by an employee that he/she feels he/she has been unjustly suspended or discharged without reasonable cause shall be presented initially at Step 2 of the Grievance procedure within five (5) working days of such suspension or discharge.

Upon completion of his/her probationary period, the employee shall be declared regular and his/her seniority will be dated from the date he/she commenced work with the Company and will accumulate thereafter. When more than one employee is hired to

commence work on the same day, their position on the seniority list shall be based on the records of order of the job offer acceptance.

12.02 The Company shall maintain a seniority list of all employees and shall provide the Union every 3 months with sufficient copies to supply its stewards, Local President and Plant Chairman. The Company shall advise the Plant Chairman daily whenever possible of any additions, terminations, transfers, recalls or reclassifications affecting the status of employees covered by the bargaining unit, and the Financial Secretary of hirings, terminations, recalls, and change of address, such advise shall be in written form.

LOSS OF SENIORITY

12.03 An employee's seniority will be cancelled for any of the following reasons:

12.04 If he/she voluntarily quits his/her employment with the Company.

12.05 If he/she is discharged and is not reinstated voluntarily by the Company or by order of a board of arbitration.

12.06 If while on Lay-off he/she fails to return to work within five (5) working days from the date of receipt of a registered letter or telegram recalling him/her to work, provided however that the employee shall not lose his/her seniority if he/she submits reasonable justification in writing for being unable to return to work and provided such submission is received by the company within three (3) working days from the date of receipt of his/her recall notice. In this circumstance, the employee may request either an extra delay up to ten (10) working days or the privilege of a second recall before the expiration of his/her recall rights. The Company shall grant such request wherever possible. Employees granted a second recall will be placed at the bottom of the recall list. If the recall is of a temporary nature, the employee will be so notified. If the employee elects to decline such a recall he/she will main-

tain his/her current position on the recall list, and not be placed at the bottom of the recall list.

12.07 If he/she overstays a leave of absence granted by the Company, without securing an extension of such leave from the Company in writing, unless his/her cause for not requesting such extension is through a justifiable reason.

12.08 If he/she is on layoff for a continuous period of:

- i) two years; if the employee had less than five (5) years seniority on the date of layoff.
- ii) three years; if the employee had five (5) years but less than ten (10) years seniority on the date of layoff.
- iii) five years; if the employee had more than ten (10) years seniority on the date of layoff.
- iv) six years, if an employee had more than 15 years seniority on date of layoff.

12.09 The Company may require from time to time a certificate of disability from the employee's attending physician.

12.10 If he/she is absent for five (5) consecutive working days without furnishing to Management a justifiable reason for being unable to be at work within the five (5) days; except that notice within five (5) days will be waived when the employee can clearly prove it was impossible to notify the Company.

12.11 Upon retirement under the pension plan.

LAYOFF AND RECALL PROCEDURE

12.12 In the event of a reduction in a classification for any reason, the following procedure will apply:

- a) Junior employee(s) in the classification(s) affected will be the first displaced on a departmental basis.
- b) Such displaced employees will then exercise their seniority throughout the Plant and displace the most junior employee in any job clas-

sification where they can meet all performance expectations within the specified time.

- c) Employees who have been displaced, and who have no opportunity to exercise their seniority per this Article, will be laid off from the workforce.

12.13

- a) For purposes of layoff, an employee will be eligible to exercise his/her seniority if he/she qualifies through one of the following:
 - i) has successfully held the job classification in the past three (3) years.
 - ii) has successfully held the job classification at any time previously and demonstrates in a test, if the Company requires, that it is reasonable to believe that he/she will be able to meet all performance expectations within the specified time.
 - iii) has never held the job classification, but gives the Company reason to believe that he/she will be able to meet performance expectations. It is the responsibility of the employee to provide the Company with up-to-date information pertaining to education and experience relative to this clause. The Company will determine eligibility on the basis of the information available at the time the employee's eligibility is being considered. The Company may require a test to demonstrate that it is reasonable to believe that the employee will be able to meet all performance expectations within the specified time.

12.13

- b) For the purpose of recall the following will apply:
 - A. Where there is a need to increase the number of employees in a classification, displaced active employees will be automatically recalled by that classification only, if a future opportunity exists for the employee to return to their home department, they will be offered this opportu-

nity, but if declined, their current department becomes their home department.

- B. For vacancies remaining after A, above, the Company will provide an opportunity for active employees to apply by putting a notice on the Bulletin board for two (2) days. The Company will award these positions under the terms of Article 20.03, 20.04, 20.05, 20.06 and 20.07, the same as a regular job posting.
- C. All remaining vacancies will then be offered to laid off employees as per Article 12.13 (a).
- D. Where no suitable applicant can be found, the Company will be free to hire through its normal hiring procedure.

12.14 When an employee exercises his/her seniority in accordance with this Article, he/she will be entitled to receive normal introductory instructions and a period of adaptation not to exceed five (5) working days.

12.15 Where an employee has exercised his/her seniority and displaced a more junior employee, and subsequently proves unable to perform the job, such employee will be placed on another job by the Company per 12.13, seniority permitting.

12.16

- a) In the case of layoffs due to a reduction in the workforce expected to last in excess of thirteen (13) weeks, notification will be given according to the Employment Standards Act.
- b) For layoffs of less than thirteen (13) weeks, the Union and those employees affected will receive five (5) working days notice.

12.17 When any layoff is necessitated by reason of a breakdown of plant machinery or equipment, or other cause beyond the control of the Company, such notice will be given as soon as possible prior to the layoff.

12.18 In the case of a reduction as contemplated in 12.16 (b), or 12.17, employees will be returned to the job classification they held at the time of such layoff.

12.19

- a) Active employees laid off due to a reduction in the workforce owing to the permanent discontinuance of all or part of the manufacturing operations will be eligible for severance pay provided that they have a minimum of five (5) years' service.
- b) Severance pay is calculated as one week's pay per year of employment (no maximum). Partial years of service will be pro-rated.
- c) Employees may choose between retaining recall rights and receiving severance pay. If the choice is to receive severance pay, the employee loses all recall rights.
- d) Severance pay will be payable in two (2) instalments within two (2) weeks after the Company has received written notice of forfeiture of seniority and recall rights.
- e) Entitlement and disentitlement will be per the minimum provisions of the Severance Pay section of the Employment Standards Act.

13 • SPECIAL CASES

13.01 The Company will endeavour wherever possible to find suitable employment in the plant for employees who have been permanently handicapped as a result of an accident sustained in the performance of their work, or as a result of an illness attributable to such work. Where lay-offs among the permanently handicapped is necessary, it shall be based on seniority among such persons. Both the Company and the Union will co-operate to place such an employee in a job which he/she is capable of performing.

13.02 Except in the case of a lay-off as contemplated in Article 12, employees will be able to obtain clearance

during the shift from which they are to be laid-off. Clearance procedure may involve return of tools, safety equipment and completing the necessary personnel records; but not matters pertaining to pay.

13.03 It will be the responsibility of the employee to notify the Labour Relations Department in writing by registered mail, or an initialled change on his/her personnel record, of any change of his/her address or status. 13.05 An employee who has accepted a job not covered by the bargaining unit, and who subsequently wishes to return to the bargaining unit, within the 6 month period referred to in 13.04, may do so one time. In such an event, he/she shall be returned to an available opening as close to, but not higher than, his/her original wage group and classification, provided he/she is able to perform the normal requirements of the job satisfactorily.

13.06 In the event that there are no available openings, such an employee will have the right to displace the most junior employee in the work force where the returning employee has the abilities to perform the normal requirements of the job satisfactorily, and providing the job is not of a higher wage group than that originally held by the returning employee.

14.03 Notwithstanding the preceding clause the Company, with mutual agreement, may vary the starting and stopping times for certain operations to meet particular circumstances, but in any event the regular weekly hours shall not exceed 40.

14.04 However, neither this disposition nor any other disposition of this agreement shall be interpreted as a guarantee by the Company of a minimum work week of forty (40) hours.

14.05 When the level of operations and/or nature of the work requires additional work, the Company may, with prior notice given within the preceding work week, establish:

- a) Alternating shifts, or two shift operations, where employees alternate between the two shifts

LETTER OF UNDERSTANDING

The following interpretation shall apply regarding the employee birthday provisions of Article 25.01 of the Collective Agreement.

Generally, the provisions of Article 25 will apply to this holiday except where specified in this letter.

An employee is expected to take a paid holiday on his/her birthday unless other arrangements are made. He/she may take the holiday, subject to his/her supervisor's manpower requirements, on any other regularly scheduled work day falling in the same calendar month as his/her birthday. The onus is on the employee to make a request to his/her supervisor, in writing, ten (10) or more working days prior to his/her birthday or the day desired if it is before the birthday. The supervisor will respond to the request in writing. Employees on alternating shifts who make a request for time off other than their birthday will receive pay based on the shift they were on, on the actual day of their birthday.

Employees will not be entitled to overtime rates per Article 17.10 regarding the birthday holiday.

LETTER OF UNDERSTANDING

Afternoon Shift Overtime: If the Company determines that weekend overtime is available in two (2) or more departments, to employees of the Monday to Thursday (4 x 10's) afternoon shift, the Company will schedule all such overtime on the Friday evening' rather than on the Friday evening in one department and on Saturday in another. It is recognized and agreed by the Company and the Union that there may be occasions when this arrangement is not appropriate for valid business considerations and, in such cases, it is not a mandatory requirement in offering overtime. Nothing in this letter will affect the Company's right to schedule overtime on Saturday, rather than on Friday, or to offer work on both Friday and Saturday to employees on the Monday to Thursday (4x10's) afternoon shift.

LETTER OF UNDERSTANDING

Weld Shop Summer Hours: The Parties agreed during negotiations that all employees in the Weld Shop would vote on Summer Hours (Day Shift). The vote will be held each year around the first week of June.

Summer hours would be 6:00 a.m. - 2:30 p.m. commencing on the first Monday in July and terminating on the Friday before Labour Day.

Summer hours will be presumed to be accepted by all Weld Shop employees if 75% or more vote in favour of Summer Hours.

If 75% or more vote in favour of Summer Hours, the Company will determine how many and which classifications are required as support staff. Volunteers from these classifications will be requested and should there be insufficient volunteers, junior employees from the classification will be assigned.
