2. The Union acknowledges that it is the exclusive function of the Company to:
 - a) Maintain order, discipline and efficiency.
 - b) Hire, retire (at age sixty-five (65) or under the terms and conditions of the pension plan), discharge, transfer, classify, promote, demote, layoff, suspend or otherwise disci-

pline employees for just cause provided that no such action will be in violation of an express provision of this agreement, subject to the rights of employees to grieve under the terms of this agreement.

 - Zone 7** — Shall be all other employees on the 2nd shift
 - Zone 8** — 3rd shift if and when required
- b) Only the employee appointed or elected for each of the above defined zones **will** be rec-

ognized in the handling of the complaints or grievances of the employees in his/her zone. When a steward is absent, his/her function may be temporarily carried out by the chairperson of the grievance committee or the alternate chairperson. The alternate chairperson will be from the membership of the Union Grievance committee.

2. The permanent Union Grievance committee of five (5) shall be comprised of the president of the Union, the plant chairperson and three (3) stewards from the zones listed in 1.(a) above, one of whom will represent skilled trades.
3. The Union acknowledges and agrees that each steward has regular duties to perform in connection with his/her employment, and that in the investigation and handling of complaints and grievances their activities shall not seriously interfere with production. Within this framework, the steward shall be permitted such reasonable time as may be necessary to discuss with the employee and/or the supervisor a specific complaint or grievance. This will also apply to the steward and the chairperson of the grievance committee when the steward seeks out the latter relative to such grievance; time shall also be allowed for consultation related to in-plant problems between the chairperson of the grievance committee and the president of

the local. Such time will be paid, and in addition, the above recognized Union representatives will be paid for time spent in meetings with management. Such pay shall apply during each of the above Union representative's regular working hours for the handling of complaints and grievances **up** to and including Step No. 3 of the grievance procedure in accordance with Article VII of this agreement.

4. Before leaving their regular duties to perform duties under the grievance procedure, a steward shall obtain permission from their supervisor or designate. At the time of requesting permission they shall indicate the nature of the complaint, the employee(s) involved and the estimated time required away from their job. Actual time spent on Union business must be duly recorded by swiping in and out of the Union account on the Kronos time keeping system. If the complaint is in another department other than their own, they shall request their supervisor, or designate, to contact the employee(s) supervisor or designate to set up an agreed to time to deal with the issue. On completion of performing their Union duties the steward will advise their Supervisor or designate of their availability to return to regular duties.
5. There shall be no Union meetings, petitions, collections or distributions on the Company's premises by representatives of the Union or em-

ployees in the bargaining unit without the prior permission of the Manager of Industrial Relations.

6. The Union will supply the Company with a list of the names of its stewards, grievance committee, the alternate chairperson of the grievance committee and Union officers. The Company in turn will provide the Union with a list of Supervisors and Managers showing their respective areas of responsibility. Both lists will be updated as required.
7. Meetings between the Union grievance committee and/or the Union Executive and the Company may be held at the request of either party and/or at the convenience of both. At any such meeting the Union may have present a representative(s) of the National Union.

Matters to be discussed at any such meeting, shall be listed in an agenda to be supplied by the party requesting the meeting. The agenda will be submitted as early as possible, but with reasonable notice in advance of the proposed meeting. Any authorized employee attending such meeting during their regular working hours shall be paid by the Company at their regular straight time hourly rate.

8. **Prior** to a meeting with their supervisor or manager that may result in a derogatory notation,

an employee will be advised of their right to have Union representation.

9. **The** Company will recognize an appointed member of the bargaining unit as a Workers' Compensation / Benefit Representative, whose role will be to assist employees with Workers' Compensation / Benefit claims, in conjunction with the Company Benefits Administrator and/or the Manager, Industrial Relations.
10. The Company will recognize an appointed member of the bargaining unit, with appropriate interpersonal skills, as a Substance Abuse Representative.

The role of the representative will be to work jointly with the Manager, Industrial Relations, or other company designate, to assist employees with Substance Abuse situations.

ARTICLE VII GRIEVANCE PROCEDURE

1. It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly **as** possible. If **an** employee has a complaint, s/he shall submit it to his/her supervisor within seven (7) full working days after the circumstances giving rise to the complaint have occurred. S/He may do this personally, with or without his/her steward present, or s/he may request

the steward to do it for him/her. The employee will be present when the matter is discussed by the steward and the supervisor, if either party so request. The supervisor's verbal decision 'shall be given within three (3) working days from the day the complaint was first presented to him/her.

It is understood that an employee has no grievance until the supervisor has been given the opportunity of adjusting his/her complaint. If the employee's complaint is not settled it may be taken up as a grievance within three (3) full working days after receiving the supervisor's decision, in the following manner and sequence:

STEP NO. 1 — The employee, who may request the assistance of his/her steward, will present his/her grievance in writing to his/her supervisor. The grievance shall be signed by the employee and shall set out the nature of the grievance, the remedy sought and the section or sections of the agreement allegedly violated.

The section or sections of the agreement shall be set out at this step for the purpose of clarification of the grievance and errors in such listing shall not be considered cause for rejection of the grievance at any step.

Exceptional cases that do not claim an agreement violation shall not be required to set out the section(s) violated. The decision of the su-

pervisor shall be rendered in writing within three (3) full working days following presentation of the written grievance.

Failing settlement and if the grievance arises from a dispute over the interpretation, application, administration, or alleged violation of this agreement, then:

STEP NO. 2 — Within three (3) full working days following the decision under Step No. 1, the steward shall present the written grievance to the employee's production manager or designate.

The grievance as presented shall contain corrections to errors or omissions from the listing in Step No.1 of the section or sections of the agreement allegedly violated. A meeting will then be held within three (3) full working days following the presentation of the grievance in this step, between the steward and the manager, who may or may not be accompanied by a representative of the Industrial Relations Department. If the manager is accompanied by any such representative, the steward may be accompanied by the chairperson of the grievance committee. The employee will not normally be present unless requested by the Union. In such instances the supervisor may also be present, at the discretion of the manager. The decision of the manager shall be given in writing with three (3) full working days following such meeting.

Failing settlement, then:

STEP NO. 3 — Within five (5) full working days following the decision under Step No. 2 the chairperson of the grievance committee shall present the written grievance to the Industrial Relations Department. A meeting shall be held within five (5) full working days between the grievance committee and the operations manager or equivalent, and/or any other person(s) designated by him/her. The steward related to the grievance and a national representative(s) of the Union may be present at such meeting. The decision of the operations manager or equivalent shall be given in writing within five (5) full working days following such meeting.

2. Failing settlement under Step No. 3 of any grievance arising from the interpretation, application, administration or alleged violation of this agreement, including any question as to whether a matter is arbitrable, such grievance may be taken to arbitration by either party by delivering to the other party, within ten (10) full working days after the final decision under Step No. 3, a written request for arbitration.
3. Any grievance arising from the interpretation, application, administration or alleged violation of this agreement, exclusive of grievances primarily of concern to a single employee or group of employees within a single department, may

be submitted in writing by either party at Step No. 2 within five (5) full working days after the **circumstances giving rise to the grievance have** occurred.

4. (a) If at any step in the grievance procedure a written answer is not given within the time limit specified, the grieving party shall be entitled to submit the grievance to the next step of the grievance procedure, including arbitration, within the specified time limit for such submission, computed from the first working day following the day the answer was due.
 - (b) Any grievance not submitted within any time limit stated in any step of the grievance procedure shall be considered dropped.
 - (c) Settlements arrived at in any step of the grievance procedure shall be final and binding upon all parties to the grievance.
5. (a) A claim by an employee with seniority that they have been unjustly discharged or suspended shall be treated as a grievance, if a written grievance signed by the employee is lodged within three (3) full working days after they have been advised in writing that they have been discharged or suspended, a copy of which shall be given to the plant chairperson. The Company may terminate

a probationary employee at its discretion provided only, that such discretion shall not be exercised in a manner that is in bad faith.

(b) Such special grievances may be settled under the grievance procedure, including arbitration by:

(i) Confirming the Company's action in dismissing or suspending the employee.

(ii) Reinstating the employee with full compensation for time lost less any amount of money or compensation s/he may have earned or received while on discharge or suspension without compensation.

(iii) Any other arrangement, including modification of the discharge or suspension which is, in the opinion of an Arbitrator, just and equitable.

6. Any settlement or decision made under the grievance procedure including arbitration, shall not be made retroactive prior to five (5) full working days prior to the date on which the grievance was first presented hereunder, provided, however that in the case of a pay shortage of which the employee could not have been aware before receiving his/her pay, any adjustments made shall be retroactive not beyond the

pay period preceding that pay period covered by such pay, if the employee files his/her grievance within five (5) working days after receipt of such pay.

7. By mutual agreement of the parties hereto, extension of the foregoing time limits may be arranged. Any such extension shall be in writing and signed by both parties.
8. Derogatory notations placed against the record of an employee shall automatically become null and void after twenty-four (24) months from the date of issue provided no additional notice for a similar offence appears on the employee's record for the six (6) months preceding the anniversary date of the last such notation.

ARTICLE VIII ARBITRATION

1. When either party requests that a grievance be submitted to arbitration as provided in Article VII of the Grievance procedure, the request must be made in writing to the other party within ten (10) working days or such further period as is mutually agreed upon by the Company and the Union. At this time, both parties will attempt to come to agreement on selecting an Arbitrator. In the event the parties are unable to agree on an Arbitrator, the Minister of Labour for the Province of On-

tario shall be called upon to make such appointment, provided that the Arbitrator shall be selected from other than the Civil Service and shall be chosen having regard to their impartiality, their qualifications in interpreting collective bargaining agreements, and their familiarity with the industry. If the case involves job evaluation or production standards, the Arbitrator shall be experienced in the relevant techniques. In such cases, the Arbitrator shall be limited to a determination of whether or not the job evaluation/production standard in dispute was arrived at by a consistent application of the job evaluation plan/work measurement system. They shall not have the power to establish a new job evaluation/production standard. If it is determined that this has to be done, the matter shall be referred to the Company for appropriate action. No person may be appointed as an arbitrator who has, prior to their appointment, been involved in an attempt to settle the grievance.

2. No matter may be submitted to arbitration which has not been properly carried through the required steps of the grievance procedure.
3. The Arbitrator shall not have jurisdiction to amend or add to any of the provisions of this agreement, nor to substitute any new provisions in lieu thereof, nor to give any decision inconsistent with the terms and provisions of this agreement.

4. The proceedings of the Arbitrator will be expedited by the parties hereto and the decision will be **final and binding upon the parties thereto.**
5. Each of the parties hereto will jointly bear the expenses of the Arbitrator.

ARTICLE IX SENIORITY

1. SENIORITY — ACQUISITION

- 1.1 An employee will be regarded as probationary until they acquire seniority. An employee will obtain seniority standing after having fifty (50) days worked, subsequent to their most recent date of employment, and their seniority will then date back to such date. Notwithstanding this, if an employee completes fifty (50) days worked in any six (6) consecutive months they will acquire seniority which will date back fifty (50) days from the date they acquired this seniority.
- 1.2 An employee with seniority who is assigned to any job group covered by this agreement as a result of a reduction of forces, promotion or recall shall maintain his/her full seniority.
- 1.3 Persons transferred into the bargaining unit will be credited with seniority equal to all previous seniority as of the date of his/her transfer out of the bargaining unit, provided that the period

out of the bargaining unit does not exceed twenty-four (24) months.

- 1.4 Group Leaders will accumulate seniority in the classification of the highest employee in their group for the purposes of exercising their seniority rights under this article in the event the Group Leader position is declared surplus.

2. SENIORITY — LOSS

Seniority shall be lost and the employee considered terminated if she:

- a) Resigns.
- b) Retires, or is retired at age sixty-five (65), or is retired under the terms and provisions of the pension plan.
- c) Is absent for three (3) consecutive work days without notification to the Company within such period, giving good and acceptable reasons which are beyond his/her control.
- d) Fails to advise the Company of his/her intentions, within two (2) working days of receiving a written recall notice delivered to his/her last address according to Company records or fails to return to work within five (5) working days of receiving written recall notice, unless reason acceptable *to* the Company is given. The Company will notify the Union when this type of recall is being made.

- e) Having seniority, is laid off or out of service for any reason other than Workers' Compensation or Long Term Disability for a period of time not less than six (6) months but otherwise equal to the seniority they had acquired prior to the time of going out of service up to a maximum of twenty-four (24) months.
- f) Is discharged and such discharge is not reversed through the grievance procedure.
- g) Fails to return to work upon the expiration of a leave of absence unless prevented from doing so for good and acceptable reasons which are beyond his/her control,

3. APPLICATION OF SENIORITY

3.1 Whenever changes in business conditions result in a reduction or displacement of the workforce, seniority, as defined in this Article, will be applied if one or more of the following occurs:—

- (a) there is loss of compensation
- (b) there is loss of shift protection
- (c) there is loss of employment

Other than these circumstances, redeployment of the workforce, between departments, will be conducted with regard to the principles of minimum disruption to ongoing operations and, where possible, maintenance of workteam stability.

3.2 In the application of seniority under this Article an employee must have the skill and ability, as determined by the Company, to meet all the normal requirements of the new job in ten (10) working days. During this period, management will provide the reasonable resources required by the employee for complete job instruction and familiarization. Failure to achieve satisfactory performance will result in the employee being transferred to another job in accordance with Section 4. of this Article.

4. DISPLACEMENT & LAYOFF

4.1 Employees shall be assigned to one of the following seniority groups: A, T, S or M.

“Job groups” are shown by blocks on the seniority charts and “flow” lines join connected job groups indicating the displacement route in the event of a reduction in forces. Job groups currently in existence within these seniority groups and the normal displacement flow procedure shall be displayed on seniority bulletin boards. The Company will post seniority lists and will periodically update them.

4.2 Whenever the Company determines that a reduction of the workforce is necessary, resulting in conditions (a), (b) or (c) of Section 3.1 of this Article, it will determine the number of employees to be removed in each job group. Subject to fulfilling the conditions of Section

3.2 of this Article, an employee removed from their job or workteam will exercise their seniority, within their seniority group, in the following sequence before being laid off

(a) Within the same labour grade:

(i) Opening — same job group

If a job opening exists within their job group, they will, if qualified according to Section 3.2 of this Article, be placed in the opening. If the opening is on another shift and shift protection is declared, or if the opening is in another job group, again at the same grade level, and the employee refuses it, they will displace the least senior employee in their original job group and shift, if qualified. The least senior employee being displaced in the job group will then have the same opportunity to fill the opening, if qualified.

(ii) Not qualified / no opening, same job group

If not qualified for an opening or if none exists, they will then displace the least senior employee in their job group. If the employee about to be displaced is on another shift, and shift protection is declared, they will dis-

place the least senior employee in their original job group and shift.

- (iii) Same job group — not qualified to bump

If not qualified to displace the least senior employee in their job group and/or their shift, they shall then exercise their seniority as in 4.2(b) below.

- (b) Within the next lower labour grade:

- (i) Opening, next lower grade

If a job opening exists, they will, if qualified according to Section 3.2 of this Article, be given the opportunity for placement in the opening. If the opening is on another shift and shift protection is declared, or if the employee refuses it, they will displace the least senior employee in the connected job group and shift, if qualified. The least senior employee in the connected job group will then have the same opportunity to fill the opening, if qualified.

- (ii) Not qualified for opening / no opening

If not qualified for an opening or if none exists, they will then displace the least senior employee in the connected

job group. If the employee about to be displaced is on another shift, and shift protection is declared, they will displace the least senior employee in the connected job group and shift.

(iii) Not qualified to displace

If not qualified to displace the least senior employee in the connected job group and shift, they shall then exercise their seniority with successively lower labour grades as outlined in this Section 4.2(b), until they reach the lowest labour grade and are effectively laid off.

(c) In the application of the above procedure it is understood:

- (i) When a layoff is required, the sequence will begin with the least senior employee within the bargaining unit, up to and including the Grade 8 level.
- (ii) An employee working on a temporary assignment will be considered to belong in the job group and/or department according to Company records.
- (iii) Probationary employees shall be removed from the affected job group before removal of an employee with seniority.

(iv) When an employee, who is being displaced, has declared shift protection, they will have bumping rights on their shift only.

(d) In the event that an employee changes shift as a result of the application of this section, subject to production needs, a reasonable delay in the effective date of the change in jobs will be given, if personal rearrangements such as child care or family care are required.

4.3 (a) In the application of Section 4.2 the normal procedure will apply for seniority group "T" except after any probationary employees have been removed as per 4.2(b) those employees on progression in the affected job group shall be removed in the order of seniority, provided that the employee being placed fulfills the conditions of Section 3.2 of this Article.

Following which the normal provisions of Section 4.2 shall apply to employees at job rate.

(b) An employee who is about to be laid off in seniority group "T" shall exercise seniority in seniority group "A" in accordance with Section 4.2 above, at the entry point of labour grade 5 as shown on seniority flow chart A.

5. PLACEMENT & RECALL

5.1 When it has been determined that a job opening **exists and** if, in the planned placement of employees, any of the conditions (a), (b) or (c) of Section 3.1 of this Article apply, the Company will follow the sequence set out below until the opening is filled, subject to the employee concerned fulfilling the conditions of Section 3.2 of this Article.

If none of the Section 3 conditions of this article apply, redeployment of the workforce, between departments, will be conducted with regard to the principles of minimum disruption to ongoing operations and, where possible, maintenance of workteam stability.

(a) Recall to original job group / flow line

The most senior employee who has been removed due to a reduction in forces within the last twenty-four (**24**) consecutive months from the flow line in which the job opening exists, will be given the opportunity for placement in the job, provided the job is not in a higher labour grade than their original job group from which they were removed, and provided they are not currently working on a job in an equal or higher labour grade on the same shift as the opening (unless they are performing such work on a temporary transfer basis).

- (b) Recall, same flow line, from a higher grade

If after following the procedure set out above the opening remains unfilled the most senior employee removed due to a reduction in forces from a higher labour grade, same flow line, will be given the opportunity for placement in the job.

- (c) Recall, from other flow lines

If after following the procedure set out above the job opening remains unfilled the most senior employee removed due to a reduction in forces from the same or higher labour grade but different flow line, will be given the opportunity for placement in the job.

- (d) If after following the procedure set out above, the job opening remains unfilled it shall be subject to job posting under Article X.

5.2 In the case of recall in accordance with Section 5.1 of this article, the following shall apply:

- (a) Recall of employees on layoff may be made by telephone. If contact with the employee is not made by phone, written recall notice will be delivered to the employee's last address according to Company records.
- (b) An employee on layoff who is recalled but is unable to return to work due to illness will, upon recovery be placed in a job open-

ing in accordance with Section 4.2(a)(i), of this article or displace the least senior employee recalled **in** his/her seniority **group**, provided that the recovered employee has greater seniority. Such employees may be required to pass a physical examination by the Company doctor prior to returning to work.

- (c) When it is determined that a recall from lay-off is required, and multiple classifications are available up to and including grade eight (8), the most senior employee will be placed in the higher classification, subject to Article IX, Section 3.
 - (d) An employee who refuses recall or placement under this section will not be eligible for any subsequent recalls.
6. Employees may be laid off for reasons such as emergencies or material shortages for temporary periods not to exceed five (5) consecutive working days without prior notice and without regard to seniority. Such temporary layoffs will not exceed ten (10) working days in any calendar year for any employee. Affected employees will receive one (1) day's notice or one (1) day's pay at the regular hourly rate in lieu of notice except in cases where a temporary layoff may be the result of an emergency or other circumstances beyond the control of the Company.

7. The Company agrees that in the event of a layoff of over ten (10) successive working days, employees except those on probation will be given five (5) working days' notice except where such layoff results from an emergency or other circumstances beyond the control of the Company.
8. (a) Where a reduction in the work force would result in the removal from his/her zone of a recognized steward having two (2) or more years of seniority and so long as there are employees working in his/her zone, such representative shall be considered for the purpose of layoff and displacement as having greater seniority than the least senior employee remaining in the zone whose work s/he is qualified to perform.
- (b) The incumbent in the office of the president and financial secretary shall be considered as having greater seniority than the least senior employee remaining, whose work s/he is qualified to perform.
9. Certain areas of the Company's activities are under strict security regulations as imposed by the Canadian Government and its agencies. Therefore, for the purpose of implementing the regulations, the Company may be forced to refuse access to or transfer to or from any such area coming under the jurisdiction of security regulations.

10. (a) Employees on sick leave for a period not to exceed twenty (20) working days, will return to their original job.
 - (b) Exceptions to paragraph (a) will be permitted under the following conditions:-
 - (i) the absence is of a pre-determined nature for a physical illness or injury. An emergency operation is also considered an exception.
 - (ii) the return to work date is greater than twenty (20) working days but no more than thirty (30) working days.
 - (iii) written confirmation of the return to work date is provided by the attending physician and verified by the Company doctor.
 - (iv) the absence is supported by continued satisfactory medical proof of disability when requested by the Company.
 - (c) Employees returning from these types of absence must work five (5) consecutive working days to fulfill the intent of what "return to work" means.
11. When a reduction in the workforce has caused an employee to be removed from a job/team, which was under re-evaluation, the recall rights of that employee will be adjusted, if applica-

ble, to reflect a grade increase resulting from the re-evaluation, provided:

- (a) the employee has been formally assigned to the particular job/team by Industrial Relations and
- (b) the employee had performed the particular job in excess of forty (40) working days.

**ARTICLE X
JOB POSTING**

1. The Company recognizes and agrees with the principle of job posting as a method by which employees have an opportunity to apply for and to be considered for higher graded jobs within the Factory and the Distribution Centre. The Company also recognizes that it is the privilege of any employee at any time to consult with their supervisor or the Industrial Relations Department with respect to possibilities for advancement and promotion in line with the employee's experience, ability ~~or~~ interests.
2. The decision as to the final selection of personnel to fill a job posting will be based primarily on the skill and ability for the job. Past performance and regularity of attendance will also be considered. Where qualifications are approximately equal, seniority will be the deciding fat-

tor. In **all** cases the employee selected for the job must be qualified for it.

3. (a) **When a job opening remains unfilled after** following the procedure in Article IX, a notice of the job opening will be posted for two (2) working days on bulletin boards in the Factory and the Distribution Centre. Any employee classified in a higher or lower grade, or same grade on a different shift or different location and has seniority may bid for the open job. The posting will be filled from qualified bidding employees in the seniority group in which it exists in accordance with Section 2 of this article. If the posting remains unfilled, it can be filled by qualified bidding employees in any seniority group in accordance with Section 2 of this article.
 - (b) If the posting still remains unfilled, the most senior employee on layoff, subject to Article IX Section 3, will be recalled.
 - (c) If after following the procedure set out above the posting remains unfilled, the Company may fill the job from outside.
4. Requirements for the position of Group Leader will be excluded from job posting. Group Leaders will be appointed by management when in addition to regular production activities there is

a need to provide work direction to employees in their area of responsibility.

5. The job posting notice will be accompanied by the job description for Schedule "A" openings.
6. Probationary employees may apply for a job posting. If the job is not filled by a seniority employee, the probationary employee will be considered before securing outside help.
7. The Supervisor will advise of his/her selection on a job posting within ten (10) working days of its removal from the board, unless there are extenuating circumstances which would be communicated to the Union steward.
8. When a selection on a job posting has been made both parties are committed to the following:
 - (a) If the employee changes their mind they will be moved to a Grade 9 opening.
 - (b) If the job posting is cancelled after a selection is made the selected employee will exercise their seniority at the new level.
9. Grade 9 Job Postings
 - (a) When a job opening exists at the Grade 9 level and there is a surplus employee elsewhere in the organization on the same shift, the job will be filled according to Article IX Section 3.

- (b) When a job opening exists at the Grade 9 level and there is no surplus employee elsewhere **in the organization, but there is an employee** with shift recall rights, the job will be filled in order of seniority, subject to the employee concerned fulfilling the conditions of Article IX Section 3.2. A Grade 9 opening on the 2nd shift, that is created by the employee exercising their shift recall rights, will be posted for 2nd shift employees only, if required. When this particular posting is filled by another 2nd shift employee, their opening will be filled, if required, **by** recall from layoff or a new hire,
- (c) When a job opening exists at the Grade 9 level and there are no surplus employees and there are no employees with shift recall rights, the job will be posted for all employees. The job opening created by the successful candidate will be filled, if required, by one of the following procedures.
1. If the successful candidate is from the day shift, their job will be posted and the 2nd shift only can apply. If a 2nd shift employee moves to days due to this example, their job will be filled by recall from layoff or a new hire.
 2. If the successful candidate is from the 2nd shift, their job will be posted and the 2nd shift only can apply. The job

opening created, due to this example, will be filled by recall from layoff or a new hire.

**ARTICLE XI
TRANSFERS, PROMOTIONS
AND PROGRESSIONS**

1. An employee who transfers to a job in the same labour grade as the job s/he transferred from will retain his/her rate of pay. If the employee with seniority is at the starting rate on the old job, s/he will begin the new job with his/her accumulated service applied toward his/her progression to the job rate.
2. The employee's starting rate on a job to which s/he transfers will be determined by the employee's qualifications as follows:
 - (a) Where the new job is one (1) or two (2) labour grades higher, the employee will be given the low of the rate for the new job, with the date of the rate change to be as set out in Section 4. of this article. Progression to the job rate will not exceed the maximum time frame as stated on the job evaluation for the new job. In the event the employee is unable to perform the job in a satisfying manner they will be placed in a job opening in their former labour grade, providing

they are capable of performing the work, or if no such opening exists they will return to their previous job, displacing any employee promoted, moved or hired to fill it, provided they have greater seniority. The displaced employee will exercise their seniority rights in accordance with the terms of Article IX.

- (b) Where the new job is more than two (2) labour grades higher on a transfer, or where an employee is hired at an equivalent lower rate, a review date progression schedule (six (6) month intervals or less), will be established by the supervisor in writing. This schedule will be based on the employee's qualifications and time interval, estimated by the supervisor, for the employee to meet the experience requirements set out on the specification of the new job, along with rate increases to bring the employee to the job rate. The time interval estimated by the supervisor will not exceed the maximum stated on the specification for the new job. The supervisor will review the progress of the employee on the agreed upon dates and, with satisfactory progress, will make the agreed upon rate changes effective. The supervisor may accelerate the increase, or, on one (1) occasion only, s/he may delay the increase for a second (2nd) review to be held in no longer than a further six (6) month period, to allow the employee to meet ex-

pected performance requirements. An employee on such a progression schedule who fails to meet the expected performance progression will be removed from the job. A transferred employee so removed will be placed in a job opening in his/her former labour grade, providing she is capable of performing the work, or if no such opening exists, she will return to his/her previous job, displacing any employee promoted or hired to fill it, provided s/he has greater seniority. The displaced employee will exercise his/her seniority rights in accordance with the terms of Article IX.

- (c) In the event that the employee's rate is already above the starting rate for the new job, s/he will be transferred horizontally at this rate provided it is not higher than the job rate for the new job and provided s/he has not transferred to Schedule "T".
- 3. Transfer to lower graded jobs will be affected by giving the employee the job rate for the new job.
- 4. When a transfer occurs on Monday, Tuesday, or Wednesday, the new rate if higher than the old rate, will become effective one (1) week from the Monday of the week in which the transfer is made. When a transfer occurs on a Thursday or Friday, the new rate if higher than the old rate will become effective two (2) weeks

from **the** Monday of the week in which the transfer is made. In any event if the new rate is **lower than** the **old** rate, the change will become effective two (2) weeks from the Monday of the week in which the transfer is made.

5. The employee selected will be paid the low rate for the job at time of transfer, as per Section 4, but no later than three (3) weeks from the date of employee notification.
6. Excluding the conditions described in Article IX Section 3.1, employees can be transferred within the same shift and the same labour grade, to improve the effectiveness of the work teams.

**ARTICLE XII
JOB EVALUATION
AND CLASSIFICATION**

1. The responsibility for the evaluation **of** any work rests with the Company and will be done on the basis of the Company job evaluation **plan**. When it has been determined that an employee request is valid, the re-evaluation will be conducted, in consultation with the Union Job Evaluation Specialist as required. It is the purpose of the job evaluation plan to determine classifications relative to wage structure. This is accomplished by careful analysis of each job based on various factors which are usually present to some degree in every job.

The details are set out in the "job rating plan", which will remain unchanged for the duration of this agreement.

2. Each new job, or existing job which has changed during the current agreement, will be evaluated and classified. The Union will be given a copy of the evaluation upon its being placed into effect.
3. (a) An employee may request in writing to his/her supervisor a re-evaluation of his/her job which has changed during the current agreement. **If** a job evaluation results in a grade increase, the employee will be paid the new rate of pay no later than thirty (30) working days from the date the written request for re-evaluation is received by the Supervisor.
- (b) On any new evaluation which is issued on which there is disagreement, the employee or the Union may file a grievance at Step No. 1 of the grievance procedure.
- (c) When there is no change in the grade as a result of an evaluation there is no change *to* the status of the incumbent employee(s).
- (d) When the requested evaluation results in a higher grade the incumbent receives the higher grade and the rate change is implemented as per Article XII Section 3 (a).

- (e) When the evaluation results in a lower grade the incumbent will be given the opportunity **to remain on the job and accept the** lower grade or they may exercise their seniority as per Article IX.
 - (f) All approved requests for job re-evaluations will be completed within (3) months.
4. The Company will recognize a qualified Union member of the bargaining unit to be trained in the Company's job evaluation plan as a job evaluation specialist. This specialist shall act in place of the steward on job evaluation grievances.
5. (a) When an employee regularly performs work in jobs of different labour grades during the normal course of his/her work, s/he will be classified in the job having the highest labour grade, providing the work performed on the job meets the requirements as described by the evaluation, and providing that s/he has spent fifty percent (50%) or more of his/her time during the proceeding three (3) months on the highest paid job.
- (b) Where full time occupation of another job classification is clearly of short duration (no more than forty (40) working days) reclassification will not be made.
- (c) In the case of a new employee who com-

pletes his/her probationary period, the Company shall pay the job rate provided the employee is satisfactorily performing the full requirements of the job.

**ARTICLE XIII
LATENESS AND ABSENCE
FROM WORK**

- I. Employees will be required to be at their work stations at the commencement of their shift. Lateness may be a subject for disciplinary action. Pay deductions for lateness will commence when the actual starting time is three (3) minutes after the starting time of the shift. Pay deductions for lateness will be made in six (6) minute increments. After recording their arrival the employee will report immediately to their supervisor.

2. An employee is expected to be at work or to get the permission of his/her supervisor for any foreseeable absence. When an employee is absent due to unexpected illness, accident, injury or other justifiable reasons, it shall be his/her sole responsibility to notify the Company by calling his/her shift supervisor, or other persons designated by the Company as soon as possible and not later than two (2) hours after commencement of the shift.

**ARTICLE XIV
LEAVES OF ABSENCE**

1. (a) A leave of absence with pay up to a maximum of five (5) days will be granted to an employee for time lost in arranging or attending the funeral of his/her child or step-child.

A leave of absence with pay up to a maximum of three (3) days will be granted to an employee for time lost in arranging or attending the funeral of his/her spouse, common-law spouse, parents, step-parents, common-law parents, brother, sister, mother-in-law, father-in-law, or grandchild.

- 2. Sick leaves will be arranged for and granted if requested by the employee and confirmed by the employee's doctor in connection with specific disabilities. The employee may be required to consult with the Company doctor. Certificates from the attending physician will not be required for leaves of absence for emergency illness, such as surgical operation or accident.

- (a) After an absence due to illness or injury, an employee may be asked to pass a physical examination by the Company doctor who

will determine whether the employee is capable **of** performing his/her former job or, if not, what type of work, **if any s/he is** capable of performing.

- (b) On return to work after an absence due to illness, an employee who is not assigned to his/her former job will be placed in accordance with Article IX, Section 4.2 provided such employee gives five (5) working days' notice **of** his/her intention to return to active work.
- (c) An employee who becomes pregnant may be permitted to continue her employment until a date recommended by her physician, subject to the approval of the Company's medical doctor, provided that continuation of the duties of her job are not injurious to her health and that the performance of her work is not materially affected **by** the pregnancy.

In accordance with the Employment Standards Act of Ontario, an employee who becomes pregnant and who was employed at least thirteen (**13**) weeks before her expected birth date shall be granted a leave of absence without pay not to exceed thirty five (35) weeks. Seniority will accumulate during this period.

In order to return to active employment, an employee must notify the Company **of** her

intention to do so and furnish a certificate from her physician to be approved by the Company doctor before returning to work. Upon receipt of such notification, the Company will recall the employee to active employment within fifteen (15) working days. Unless the employee indicates that she intends to return to work within thirty (30) days of the end of the thirty five (35) week period, the employee shall be deemed to have resigned from the Company.

The employee shall be allocated a job in accordance with Article IX, Section 4.2.

(Female employees with more than one (1) year of service are entitled to the six (6) months leave described in (d) above). In addition, male employees who are fathers of newborn and newly adopted children may be granted a leave of absence without pay not to exceed eighteen (18) weeks (parental leave). Seniority will accumulate during eligible parental leaves.

In order to return to active employment, the employee must notify the Company of his/her intention to do so, and unless the employee indicates that he/she intends to return to work within thirty (30) days of the

end of the 18 week period, the employee shall be deemed to have resigned from the Company.

The employee shall be allocated to a job on the following basis:

- (i) He/she shall be placed in an available job for which he/she is qualified and able to perform.
 - (ii) If no openings exist, he/she shall then exercise his/her seniority by displacing the least senior employee in his/her seniority group, providing he/she has greater seniority than that employee.
3. In the event an employee, injured at work, is sent for medical attention, and is unable to return to work that day, s/he will be paid his/her straight time earnings for the balance of the shift on which the injury occurs.

If the employee is not sent for medical attention on the day of the injury and subsequently the employee is so sent and is unable to return to work that day, the injury shall be considered as having occurred on that shift for purpose only of payment under this section.

4. (a) At the written request of the Union, the Company will grant, without pay, a leave of

- (b) The Company requires at least two (2) weeks' written notice under this section in order that replacements may be provided if necessary.
- 5. An employee with a year or more of seniority who is elected or appointed to full-time service with the National Union, shall upon written request from the Union giving a month's notice, be granted a leave of absence without pay or benefits, for a period of one (1) year. Such leave of absence will be renewed for a one (1) year period but the total period of such absence shall not exceed the length of seniority the employee had at the time of commencing their leave **of** absence.

**ARTICLE XV
HOURS OF WORK AND OVERTIME**

- 1. (a) The regular work week will be forty (40) hours, consisting of five (5), eight (8) hour days, Monday to Friday inclusive.

- (b) The first shift will normally commence at or after 7:30 A.M.
 - (c) The second shift will normally commence at or after 3:00 P.M.
 - (d) The third shift will normally commence at or after 11:00 P.M.
 - (e) The Company will consult with the Union President and the Plant Chairperson whenever a change of hours is planned.
2. It is understood that the foregoing does not constitute a guarantee of hours of work or of starting or quitting times.
3. Employees will work overtime only at the specific direction of or with the specific permission of their supervisors. In no case will an overtime premium be paid twice for the same hours worked. Overtime in all cases, will be based on the regular hourly rate exclusive of shift premium, and will be paid only for hours actually worked.
- (a) Employees will be paid overtime at the rate of time and one half their regular hourly rate. Overtime referred to in the above will be regarded as time worked in excess of eight (8) hours daily or any hours worked on Saturday provided Saturday is not a regularly scheduled work day.

- (b) Two (2) times the regular hourly rate will be paid for time worked in excess of twelve (12) hours in any one day.
 - (c) Two (2) times the regular hourly rate will be paid for all work performed between twelve (12) midnight Saturday and twelve (12) midnight Sunday, except in those cases where Sunday is a regularly scheduled work day.
4. (a) The Union recognizes the problems of distributing overtime in a factory operation composed of a wide variety of product lines, production processes and job occupations. To the extent practicable under such circumstances, the Company will distribute overtime fairly among the employees who regularly perform the work to be done.
- (b) It is the function of the Company to determine when overtime is necessary and to schedule overtime work. Both parties recognize the necessity of having to work a certain amount of overtime in order to satisfy customer demands and also to maintain the steady employment conditions which have prevailed over the years. The Union agrees to co-operate with the Company in the working of overtime. It is expected that the employees will normally agree to work overtime when requested. However, the

Company recognizes that there may be occasions when an individual employee because of domestic or other commitments may decline to work overtime, in which case the Company agrees that it will not discipline an employee for declining to work overtime for justifiable reasons.

- (c) The Company agrees to post, on a quarterly basis, overtime records for the information of employees and the Union. These records of overtime will also be accessible in the supervisor's office at all times.
 - (d) If an employee, who regularly performs the work to be done, declines overtime work or is absent when overtime is available, the overtime hours will be recorded against his/her name as if they were actually worked.
 - (e) Except in cases of emergency or circumstances beyond the control of the Company such as parts shortages, sudden changes in schedule, etc., the Company will make every effort to give twenty-four (24) hours' notice to employees scheduled to work overtime or four (4) hours' notice when scheduled overtime has been cancelled.

 - (c) The application of (a) and (b) of this section does not apply to the employee's normal working hours. The provisions of this article shall not apply when an employee is scheduled to report earlier than his/her normal starting time and continues to work into his/her normal shift.

**ARTICLE XVI
PAID HOLIDAYS**

- 1. (a) Employees who have completed their probationary period will be eligible for the following holidays with pay: New Year's Day, Good Friday, Victoria Day, Canada Day, Civic Holiday, Labour Day, Thanksgiving Day, the day before Christmas Day, Christ-

mas Day, Boxing Day, and also three (3) additional days designated as “floater type” holidays to be assigned by the parties to this agreement. To qualify for the holiday with pay, the employee must work the regular work day immediately preceding the holiday and the regular work day immediately following the holiday.

(b) Lateness up to a maximum of two and one half (2-1/2) hours on either the day preceding or day following the holiday will not affect the employee’s pay entitlement.

(c) Notwithstanding the above provisions, an employee who has worked one (1) or more of the five (5) work days prior to the paid holiday or returns to work on his/her first scheduled work day on any of the five (5) working days following the paid holiday shall receive holiday pay when s/he:

(i) is absent from work due to layoff, sick leave or other leave of absence permitted by Article XIV

or

(ii) is absent on a qualifying day and presents a doctor’s certificate verifying absence due to illness on that day,

of Canada or the Province of Ontario, if any of the aforementioned paid holidays fall on a Saturday or Sunday it will be observed on the following Monday.

3. Holiday pay under this policy will be computed on the basis of each employee's regular work day, inclusive of shift premium.
4. Any seniority employee who is required to work on any of the above listed paid holiday will receive two (2) times his/her regular hourly rate for time worked in addition to the holiday pay and will be entitled to take his/her holiday without pay at some other time mutually convenient to him/her and the Company.
5. Unused floater type holidays, up to a maximum of three (3) days, will be paid to retired employees on the basis of one (1) day for every three (3) months or part thereof worked during the year in which they retire.

 - (v) Twenty (20) but less than thirty (30) years of continuous service — twenty-five (25) working days.
 - (vi) Thirty (30) years or more of continuous service — thirty (30) working days.
- (b) The “vacation eligibility date” is July 1st except that the most recent date of hire is the “vacation eligibility date” in a year when an employee reaches his/her fifth (5th), tenth (10th), twentieth (20th) or thirtieth (30th) year of continuous service.
- (c) The Company will establish a vacation shutdown period each year. Only employees which the Company requires to do so may work during a vacation shutdown period. **An** employee who is entitled to vacation time off in excess of the vacation shutdown period or who is required to work for all or

part of the vacation shutdown period will take the remaining vacation time off to **which s/he is entitled at some other time** subject to the approval of his/her supervisor and consistent with staffing requirements. In any case his/her full vacation time off must be completed prior to the December 31st of that year. An employee who after taking his/her vacation time off becomes eligible in the same year for additional time off because s/he has reached the anniversary date of five (5), ten (10), twenty (20) or thirty (30) years of continuous service will take such additional time off at any time after the anniversary date and prior to December 31st of the same calendar year, subject to the approval of his/her supervisor and consistent with the staffing requirements of his/her department. If the time between such anniversary date and December 31st of the same year is insufficient to permit taking the additional vacation time off it may be taken prior to the anniversary date at a time acceptable to the Company. The vacation shutdown period will be determined by the Company and will normally end with the Civic Holiday (the first Monday in August). The Union will be notified any time the Company finds it necessary to make any change in the vacation shutdown period.

- (d) Employees will be granted an extra day's vacation with pay, or an additional day's pay, at the Company's option, in lieu of additional time off, if a paid holiday for which the employee would normally receive time off with pay falls during the employee's vacation period.
 - (e) In determining the vacation time off entitlement of an employee transferred from a salaried to an hourly paid job, the employee's status on December 31st of the year preceding the year in which s/he takes his/her vacation will govern.
 - (f) Time spent on layoff by employees with seniority will be considered as service with the Company under this article if the employee is subsequently recalled to work.
2. Employees of the Company will receive vacation with pay on the following basis:
- (a) Employees who have been in the continuous employ of the Company for one (1) year or more, but less than five (5) years prior to July 1st of the vacation year will be entitled to ten (10) working days' vacation with pay based on four percent (4%) of gross earnings or a minimum of eighty (80) hours times his/her current hourly rate, including shift bonus, whichever is the greater, except

in such cases where absence from work has been in excess of ninety (90) working days **during the vacation year. In such cases** vacation pay will be calculated on the basis of four percent **(4%)** of gross earnings.

- (b) Employees of the Company having completed five (5) years, but less than ten (10) years of continuous service during the calendar year concerned will be entitled to fifteen (15) working days' vacation with pay based on six percent (6%) of gross earnings or a minimum of one hundred and twenty (120) hours times his/her current hourly rate, including shift bonus, whichever is greater, except in such cases where absence from work has been in excess of ninety (90) working days during the vacation year. In such cases vacation pay will be calculated on the basis of six percent (6%) of gross earnings.

ever is the greater, except in such cases where absence from work has been in excess of ninety (90) working days during the vacation year. In such cases vacation pay will be calculated on the basis of eight percent (8%) of gross earnings.

- (d) Employees of the Company having completed twenty (20) or more years of continuous service during the calendar year concerned will be entitled to twenty-five (25) working days' vacation with pay based on ten percent (10%) of gross earnings or a minimum of two hundred (200) hours times his/her current hourly rate, including shift bonus, whichever is the greater, except in such cases where absence from work has been in excess of ninety (90) working days during the vacation year. In such cases vacation pay will be calculated on the basis of ten percent (10%) of gross earnings.
- (e) Employees of the Company having completed thirty (30) or more years of continuous service during the calendar year concerned will be entitled to thirty (30) working days' vacation with pay based on twelve percent (12%) of gross earnings or a minimum of two hundred and forty (240) hours times his/her current hourly rate, including shift bonus, whichever is the greater, except

in such cases where absence from work has been in excess of ninety (90) working days **during the vacation year**. In such cases vacation pay will be calculated on the basis of twelve percent (**12%**) of gross earnings.

- (f) Vacation pay for the third, fourth, fifth or sixth week of vacation taken by an employee who becomes eligible for it after July 1st of the current year by reason of the anniversary of his/her fifth, tenth, twentieth, or thirtieth year of continuous service will be paid at the higher percentage.
- (g) Vacation pay for an employee with less than one (1) year of continuous service as of July 1st of the current year will be paid in accordance with the Employment Standards Act.

- (i) An employee having more than one (1) year of seniority who is terminated on or after July 1st, but before s/he takes any paid va-

cation time off will receive vacation pay, computed at the appropriate percentage of his/her gross earnings earned from July 1st of the previous year to the date of his/her termination exclusive of any vacation pay already received.

(j) If a vacation pay adjustment is required, as determined by Article 2(a), 2(b), 2(c) or 2(d), vacation pay adjustment cheques will be issued to employees by the end of the first (1st) week of August.

3. With the exception of layoff stated in Article IX, Section 6, the Company will hold holiday pay until July 1 for those employees on layoff, if requested in writing by the employee at time of layoff.

ARTICLE XVIII GENERAL

1. SAFETY AND HEALTH

(a) The Company will make every reasonable provision for the safety and health of its employees during the hours of their employment through proper safety devices and other equipment deemed necessary to protect employees from injury. Employees shall use all such devices and equipment and observe all safety rules.

- (b) The Company and the Union will cooperate to the fullest extent toward the prevention of **accidents and the promotion of safety and health** among the employees of the Company.

- (d) In any case of return to work where an employee's medical fitness and continuity of service is involved the Company doctor and the employee's doctor will, when necessary, discuss the matter in the light of the information available to both doctors. In the event that they are unable to agree they will refer the employee to a mutually agreed upon third doctor for decision after examination. If they are unable to agree on a third doctor, the Ontario Medical Association will be asked to appoint one. Applicable to Articles IX Section 5.2(b) and XIV Section 2.(a) and (c).
- (e) Effective March 1, 1995, the Company will contribute up to eighty-five dollars (**\$85.00**) annually towards the cost of a pair of safety

shoes purchased in-house by employees, for work-related needs.

Employees, who work in areas designated for mandatory safety shoe wear, will be provided with two pairs of safety shoes annually, if required to maintain acceptable foot protection, subject to the Supervisor's approval.

- (f) The Company will provide, at its expense, two (2) pairs annually of either of the following, i.e. coveralls, shirts and pants, short or long workcoats, for work-related needs, to all employees in the Manufacturing Services Group.

2. WASH-UP PERIOD

- (a) A personal wash up period of three (3) minutes will be allowed at the end of each work day. The factory bell will be rung three (3) minutes before departmental quitting time, to inform employees of the commencement of the wash up period.
- (b) It is agreed that the supervisor may individually authorize a weekend station cleanup preceding the three (3) minute wash up period.

3. LUNCH AND REST PERIODS

- (a) The Company agrees to grant lunch and rest periods as follows, with the understanding

that the Company may adjust the size of the groups and may vary the times when such periods are to be taken in order to **ensure** efficient plant operation and satisfactory balance in the cafeteria schedules. The Company agrees to review such changes with the Union, before implementation.

- (i) Lunch Periods — Employees will be allowed one half (1/2) hour for lunch without pay.
- (ii) Rest Periods — Employees will be allowed a ten (10) minute rest period during each half (1/2) of a working shift, with pay.

- (c) One (1) copy of all material approved for posting on the bulletin boards must be given to the Industrial Relations Department.

5. JURY DUTY

- (a) An employee required to serve on a jury, or subpoenaed as a witness, will be excused

from his/her work for such time as is necessary and reasonable.

- (b) When called to jury duty, or subpoenaed as a witness, the employee shall advise his/her supervisor.
- (c) On termination of jury or witness duty, s/he will again notify his/her supervisor.
- (d) The Company will pay an employee the difference between the money received for jury duty or duty as a subpoenaed witness exclusive of expense money, and the amount of his/her regular pay exclusive of shift premium (up to a maximum of eight (8) hours in any one (1) day) for work lost as a result of such duty.
 - (i) To avoid hardship, the employee will receive his/her regular basic rate of pay for such time as s/he is required to be absent during his/her regular working hours for the purpose of jury duty, or if subpoenaed as a witness.
 - (ii) When the employee is paid for jury duty or witness duty, s/he will bring the endorsed cheque or other payment to the Industrial Relations Department.

6. PAY BY DEPOSIT

Employees governed by this agreement will be paid weekly by direct payroll deposit.

7. SHIFT PREMIUM

Employees working on a regular scheduled second or third shift will be paid a shift premium of fifty-five (55) cents per hour in the case of the second shift and fifty-seven (57) cents per hour in the case of the third shift.

Effective March 1, 1999 this premium will be sixty (60) cents per hour for the second shift and sixty-two (62) cents per hour for the third shift.

8. PRODUCTION STANDARDS

Production standards, either for a stand-alone work centre or within a self-directed work team, shall be set or revised on the basis of fairness and equity, while recognizing the required quality of workmanship, the efficiency of operations, reasonable working capacities of normal experienced operators and an acceptable level of participation in workteam activities.

In the event of a claim that a new or revised production standard has not been established on the basis of proper work measurement techniques, the employee shall file a grievance in accordance with Article VII.

In the event that the grievance is unresolved after Step No. 2 of the grievance procedure, the Company will, upon request, permit a National Union representative, who is a specialist in work measurement, to examine the documentation on

which the standard is based and view the operation in dispute.

9. ANNUAL INVENTORY

The Company will guarantee a minimum of four (4) hours of work for those employees called upon to work on the day of our annual inventory.

It is noted, however, that should any employee on his/her own volition, request to leave prior to having completed four(4) of work, s/he will be paid only for those hours actually worked.

**ARTICLE XIX

1. In accordance with a group insurance policy between the Company and the insurance carrier, the Company will pay for the duration of the agreement, subject to the provisions of Article XIX Sections 5, and 6., the full cost of premiums for the benefits as set forth in Section 2. and 3. below.

2. EMPLOYEES

In the event that an employee gives birth on or after commencement of a leave provided for in Article XIV, Section 2(c), second paragraph, weekly indemnity benefits will be payable for the disability-related portion of the leave following birth, in accordance with Article XIX, Section 2(d), but not for the voluntary portion of such leave.

The weekly income benefit for the Skilled Trades Group and Schedule "A" grades 1, 2 and 3 will be sixty-six and two-thirds percent (66-2/3%) of an employee's basic weekly wage, up to a maximum of seven hundred dollars (\$700).

A new employee will become eligible for coverage under this plan on the first (1st) day following the completion of his/her probationary period.

The Company will hold vacation pay for those employees on sick leave, during plant shut-down, **if** requested in writing by the employee.

3. EMPLOYEES AND DEPENDENTS

The Company agrees to pay the premium cost for employees and their dependents subject to

Article XIX, Sections 5, and 6, of the following benefit plans:

- (a) Supplemental semi-private hospital care as provided by the carrier to a maximum of the current hospital rate.
- (b) The existing extended care benefits as provided by the carrier, exclusive of any benefits provided by any Medicare Act by the Province of Ontario.
- (c) Eligibility for the above benefits will commence upon completion of the employee's probationary period.
- (d) A preventative dental insurance **plan** which incorporates a schedule of payments for specified dental services. Reimbursement will be based upon one hundred percent (100%) of dental charges for diagnostic, preventative, restorative, surgical, endodontic, periodontal and other Class I services, up to the maximum amounts specified in the 1996 Ontario Dental Association Schedule of fees.

Effective **January 1, 1999**, the 1997 Ontario Dental Association schedule **of** fees **will** be implemented.

Dental services (excluding orthodontics) will be subject to an overall \$1,200 per covered person per benefit year maximum.

Inclusion of specified dental services under a Major Restorative Plan, with a fifty percent (50%) reimbursement for qualified dental charges.

Inclusion of specified dental services for employees and dependents under age 21 (25 if a full time student) under an Orthodontic Plan with a fifty percent (50%) reimbursement (up to a \$1,500 lifetime maximum), for qualified dental charges.

A new employee will become eligible for coverage under the plan on the first (1st) day following completion of their probation period.

4. Should the payment of single and family premiums for hospital and medical insurance under the provisions of the Ontario Health Insurance Plan be reintroduced, the Company agrees to guarantee payment of those premiums, up to an amount equal to the value of those premiums that were in effect in 1992.
5. The Company will continue to pay the cost of the premiums as set out in this article while the employee is in the active employ and on the active payroll of the Company, except in the case of an employee on layoff when the Company agrees to pay the cost of the premiums (excluding weekly indemnity coverage and long term disability coverage) for the calendar month

following the month in which the layoff commenced but not thereafter.

6. In the case of an employee who **quits** or is **discharged**, all benefits shall cease immediately when such termination of employment occurs.

**ARTICLE XX
SKILLED TRADES**

1. **All** articles of this agreement shall apply to employees in the skilled trades classifications in seniority Groups S and M as follows, except to the extent that this article shall conflict with other articles of the agreement, in which case this article shall prevail.

SENIORITY GROUP S

Mould Maker A & B
Tool & Die Maker A & B
Tool Maker (E & P) A & B
E.D.M. Operator A & B
Jig Bore Operator
Tool Room Grinder
Tool Room Machinist
Tool Maker

SENIORITY GROUP M

Electrician A & B
Mechanic A & B
Welder A & B
Carpenter
Painter

2. Employees assigned to the skilled trades classification listed under Section 1. of this article as of December 1, 1965, shall have their total seniority in their respective skilled trades classification in seniority group S or seniority group M. Employees entering seniority groups S or M subsequent to December 1, 1965, shall have their seniority in the appropriate skilled trades classification from the date of entry into the seniority group.

An employee in seniority group S or M removed from his/her job classification shall exercise his/her seniority through related job classification as outlined in Article IX. The normal displacement flow procedure for seniority group S and M shall be displayed on seniority bulletin boards.

When the Company determines, in accordance with Section 4. of Article IX, that a reduction of force is necessary in seniority group S, the following step shall be applied after subsection 4.2(b) of Article IX. Apprentices in the tool room department will be laid off in order to assure a ratio of journeymen not in the excess of one (1) apprentice to six (6) journeymen.

Employees in seniority groups A and T as defined in Article IX will not carry seniority into the skilled trades classifications as listed in seniority groups S and M under Section 1. of this article, nor will skilled trades employees carry their seniority into seniority groups A and T.

However, an employee that is to be laid off from seniority group S or M shall be entitled to ~~consideration for a transfer to~~ a job vacancy which remains unfilled in seniority group A or T after Section 3.(b) of Article X. If such an employee is transferred by the Company s/he shall not carry his/her skilled trades seniority with him/her.

A skilled trades employee removed from seniority **group S** or M due to the elimination of his/her trades classification through technological change shall be given consideration for placement in a classification in seniority group A or T for which s/he is qualified. If such an employee is transferred by the Company s/he shall then have the right to displace the least senior employee in that classification, and s/he shall carry his/her full Company seniority with him/her.

3. The term "journeymen" as used in this collective agreement shall mean any person:
 - (a) who holds a journeyman's classification in a skilled trades occupation as of December 1, 1965; or
 - (b) who has served a bona-fide apprenticeship of eight thousand (8000) hours (four (4) years) and holds a certificate which substantiates his/her claim; or

(c) who has eight (8) years of practical experience in the skilled trades classification in which s/he claims journeyman's designation and can prove same. A CAW journeyman's card will be accepted as proof.

4. Any further employment in the skilled trades classification, subsequent to December 1, 1965, shall be limited to journeymen and apprentices, except as provided in Sections 5. and 6. of this article.

5. When a layoff condition develops, employees from seniority groups A and T may be transferred temporarily (for a period of less than forty (40) working days) to seniority group S or M.

In accordance with Article XI, Section 5., a temporary employee will retain his/her established rate during the period of such temporary change. This clause will not be used to circumvent the provisions of Section 6. of this article.

6. (a) During periods when journeymen are not available, non-journeymen employees may be transferred or hired on a supplemental basis to supplement the work force in a skilled trades classification.

(b) When the Company determines that a job vacancy exists in seniority group S or M (including a job that has been performed up to forty (40) consecutive working days by a temporary employee), and if it is a period

when journeymen are unavailable, the opportunity to work as a “supplemental” employee shall be offered first to employees who qualify in seniority groups **A** and **T**, then to employees on layoff in those groups. If no employees are transferred on this supplemental basis then the Company may hire new supplemental employees.

- (c) When a journeyman becomes available in the **skilled** classification to which a supplemental employee has been assigned, such journeyman will replace the supplemental employee.
- (d) A supplemental employee shall not accumulate seniority within the skilled trades classifications, **but** shall maintain and accumulate his/her seniority in seniority group **A** or **T** from which she was transferred.
- (e) If a supplemental employee who has no seniority in seniority group **A** or **T** is displaced by a journeyman, s/he will be entitled to consideration for a transfer to a job vacancy remaining unfilled in seniority group **A** or **T** after Section 3.(b) of Article X, providing she is qualified to perform the work. Such a supplemental employee shall carry his/her most recent date of hire seniority to the new job.
- (f) Supplemental employees shall receive **fifteen** (15) cents per hour below the journeyman’s job rate of the classification.

7. (a) An apprenticeship program for the classifications of tool and die maker, tool maker electrical-pneumatic, and mold maker has been established. This program is outlined in the Apprenticeship Standards.
- (b) Seniority for apprentices will begin to accumulate on date of entry to the Skilled Trades Group as an apprentice and all other seniority if any, will be subsequently frozen.
- (c) The Company will provide each apprentice with a tool reimbursement allowance of one thousand dollars (\$1,000) maximum, payable within the first year of the apprenticeship.
8. (a) The Company may appoint group leaders of skilled trades employees. Only a journeyman shall be considered as a group leader in his/her respective trade, on the understanding that this does not prohibit such group leader from providing work direction to employees in other skilled trades classifications.
- (b) The rates of group leaders are detailed in the schedule of wages attached to this collective agreement.
9. Where the Company acquires new equipment, the maintenance and operation of which is to be done by skilled trades employees, the Company wherever practicable will endeavor to assist the skilled trades employees with the nec-

essary, specifically related training, provided that the tradesmen involved have the qualifications to receive this training.

10. It is understood that the Company requires flexibility in its skilled trades work force, and has been assigning work on this basis. This will be continued in the future, and should any dispute arise regarding lines of demarcation it will be discussed with the steward, the senior Union representative of the apprentice committee and appropriate members of the Company for resolution.
11. The Union recognizes the problems of distributing overtime in a factory operation composed of a wide variety of product lines, production processes and job occupations. To the extent practicable under such circumstances, the Company will distribute overtime fairly among the employees who regularly perform the work to be done. When additional employees are required or when employees who normally perform the work are not available, employees from the related skilled trades will be given the opportunity to work overtime.
12. The Company will provide protection against loss by fire or theft, of recognized tools of the trade for skilled trades employees, up to a maximum of twenty-five hundred dollars (\$2,500).

This protection shall only cover tools, proven

to be on the premises at the time of the loss by fire or theft, and substantiated by a list which the employee must submit to his/her Supervisor, every six (6) months. Reimbursement of any such loss will be on the basis of replacement cost and will be subject to a twenty-five dollar (\$25.00) deductible per claim.

13. The Company agrees to replace tools that have been worn or broken to the point of not being able to perform their intended function.

Tools that have been worn or broken because of misuse or negligence will not be replaced.

Tools that are to be replaced must be turned in to the Department Supervisor.

14. (a) A lateral move in the S or M group is one whereby a skilled trades employee moves to another skilled trades classification. The need for this type of move is at the discretion of management as per Article X of the Agreement.

- (b) When a skilled trades employee makes this type of move their seniority will be frozen in the trade classification they left. Seniority in their new trade classification begins on the day s/he starts the new trade. If the job in his/her new trade is eliminated, then s/he can return to their former trade classification assuming the seniority that had been frozen.

15. Only skilled trades employees **that are judged** to be capable of meeting the demands of the Company's more complex and responsive manufacturing systems will be assigned to the B designation based upon demonstrated skill and ability. Assignments will be indicated on appropriate bulletin boards.

The Company will fund all agreed upon training and it is understood that employees are expected to take courses on their own time if required.

In the skilled trades classifications that have **an A and B** designation the B skilled trades employees will usually be associated with relatively complex and critical machinery and tooling. However, employees with an **A** designation may be assigned to the same type of work as a B designated employee, provided this is not abused.

Both existing and new employees in these B designated positions must continue to meet conditions and qualifications with respect to training in new technology and to sustain the skills and abilities demanded of the position.

In the event of a layoff, the employee with the least seniority in the affected skilled trades classification will be declared surplus.

**ARTICLE XXI
WAGE SCHEDULES**

1. Effective for the term of this agreement, the Company agrees to pay and the Union agrees to accept the wage rates set out in the following schedules: Appendix "A", "B", and "C", attached to and forming part of this agreement.
2. Group Leaders with the exception of those in Appendix "C", will be paid one dollar (\$1.00) per hour above the highest paid employee within their group.

**ARTICLE XXII
TERMINATION**

1. This agreement shall continue in effect until February 29, 2000, and shall continue automatically thereafter for annual periods of one (1) year each, unless either party notifies the other in writing not less than thirty (30) days and not more than sixty (60) days prior to the expiration date that it desires to amend or terminate the agreement.
2. Negotiations shall begin within fifteen (15) days or soon thereafter as possible following notification for amendment or termination as provided in the preceding paragraph.
3. If, pursuant to such negotiations, an agreement

is not reached on the renewal or amendment of this agreement, or the making of a new agreement prior to the current expiry date, this agreement shall continue in full force and effect until a new agreement is signed between the parties or until conciliation proceedings prescribed at law have been completed, whichever should first occur.

4. Termination of this Agreement does not have the effect of automatically discontinuing the Pension Plan and no pension granted prior to such termination is to be reduced, suspended, or discontinued except as specifically provided in the Pension Plan.

Dear Mr. Wick:

Re: Vacation Option

The purpose of this letter is to recognize options in taking vacation entitlement.

- A. All bargaining unit employees must take two (2) weeks of vacation entitlement during the plant shutdown. Exceptions to this must be approved by the Director, Manufacturing, with information provided to Industrial Relations.

Re: Pre-Arbitration

The Company recognizes the merits of providing the option for a pre-arbitration meeting in that it is an informal process where either party may have the opportunity to better understand the issues and concerns at hand.

This letter will confirm our discussions and understanding at the 1998 negotiations that the process is as follows:

- The representatives would be the Plant Chairperson, C.A.W. National Representative and the Manager, Industrial Relations or his/her designate;
- In the absence of the Plant Chairperson the Union President will be recognized as an alternate;
- Mutual agreement is obtained to initiate the process;
- Only cases that have been formally submitted to arbitration are eligible; and

— The intent is that this process is available by exception and not to be considered or used as the norm by either party.

It is recognized that these discussions are privileged and subsequently cannot be used at the Arbitration Hearing.

Dear Mr. Wick:

Re: Benefits

This will confirm our understanding at 1998 negotiations and summarize the Company's policy and practice with respect to the following benefits:

1. Prescription Drugs

In order to be eligible for reimbursement, the drug must:

- a) require a written prescription from a doctor in order to be obtained (may not be purchased over the counter);
- b) be required in the treatment of a specific illness.

In strict application of our policy, the carrier, as administrator of our Plan, will normally refuse all items such as Aspirin, cold remedies, vitamins, etc., because they do not require a written prescription.

In a small number of cases, written prescriptions for medication which can be bought over

the counter will be covered, if the following conditions are met. The medication must be:

- required in the treatment of a specific illness;
- usually a substitute for a more costly drug which requires a prescription;
- not generally applicable for use by the employee after recovery; and
- supported by a doctor's letter verifying these facts.

In order to assist our employees in determining these exceptions to the general rules, all rejected claims will be channelled through the Scarborough Benefits Administrator, who will provide any required counselling and advice regarding the filing of additional information. It is understood that this, like all similar information is held by the Human Resources Department in strict confidence.

2. **Weekly Indemnity and Workers' Compensation**

During the first fifty-two (52) weeks following the onset of disability, the employee may receive income replacement payments from one of the following:

- Worker's Compensation, if the sickness, ac-

cident, disability or hospitalization is related to or required as a result of the employee's occupation,

— or —

- the Weekly Indemnity Plan, if the sickness, accident, disability, or hospitalization is non-occupationally related.

At the end of this initial fifty-two (52) week period, the employee is eligible for Long Term Disability benefits if the total disability continues. Any Workers' Compensation payments still being made serve as an offset to the L.T.D. payment if the employee's total disability income equals 66-2/3% of his/her pre-disability income.

If an employee were to be occupationally disabled, receive W.C.B. payments, recover and be certified able to return to work, and following this, be struck by a totally unrelated non-occupational disability (totally unrelated to the first disability for which W.C.B. was paid) the employee would be treated as an entirely new disability case. As such, s/he would be eligible for fifty-two (52) weeks of Weekly Indemnity payments before becoming eligible for Long Term Disability Income.

In another case, an employee might be occupationally disabled and still receiving W.C.B. payments when s/he was struck by a totally unre-

lated non-occupational disability. Payments from the W.C.B. might continue for a period after the second (non-occupational) disability began. In that event, Weekly Indemnity payments would not begin until after the employee recovered from the first (W.C.B.) disability and W.C.B. payments stopped. The maximum fifty-two (52) week period for potential Weekly Indemnity payments would begin when W.C.B. payments stopped. At the end of the year following the onset of the second disability, the employee would be eligible for payments under the L.T.D. Plan if s/he were still totally disabled.

3. **Medical Certification for Absence**

It is our policy to provide payment for medically verified absence. Payment for occupational illness and disability is provided under Workers' Compensation. Payment for non-occupational sickness and disability is provided under the Company's Weekly Indemnity Plan.

At the time benefits become payable under the Weekly Indemnity Plan (first day for accidents and hospitalization, third working day for sickness) the employee must be under the care of his/her doctor in order to be eligible for payments.

Normally, this means that the employee has

seen his/her doctor within the first twenty-four (24) hours for accidents, or forty-eight (48) hours for sickness. However, the intent of this rule is not to unfairly penalize employees who, for valid reasons, have been unable to see their doctor within the allowable time. In such cases, contact with the doctor by telephone is acceptable, if made within the elimination period and provided the doctor confirms on the claim form that the employee was under his/her care from the date of contact. Telephone contact with *the* nurse or receptionist at the doctor's office is not acceptable.

In all cases, the Physician's Statement on the Weekly Indemnity claim form must be completed and signed by the employee's doctor.

Dear Mr. Wick:

Re: Drug Plan

This will confirm our discussion, during the 1998 negotiations that where the employee and their spouse each have drug coverage, benefits should always be claimed first, against the plan under which the individual who requires the drug is covered. Claims for eligible dependents must be applied under the plan of the parent with the earlier day and month of birth in the calendar year as dictated by Insurance Industry Standards for Coordination of Benefits.

Therefore, our Drug Card administration has been revised to provide for Coordination of Benefits:

- a) Employees will be given a single card that will identify the employee and any other eligible dependents, as follows:
 - employee coverage only when the spouse has their own coverage and their birth date is earlier in the year than the employee.

- employee and dependent children coverage when the spouse has their own **coverage but their birth date is later in the year than the employee.**
 - employee, spouse and dependent children coverage when the spouse does not have their own coverage.
- b) Employees will be required to notify the company of any change in family status and/or Drug benefit coverage.
- c) The \$.35 deductible per prescription remains.

A revised Drug Card administration system, as described above, was established and implemented in 1993.

Those representatives are the Manager, Industrial Relations, plus one other management representative and Plant Chairperson and the Union Worker(s) Compensation / Benefits representative.

The following conditions are applicable to employees taking part in the Modified Work Program:

- a) An eligible employee requiring a modified work assignment due to medical restrictions will be placed in a job according to the placement procedures of the modified work program.
- b) An employee on a modified work assignment is prohibited from working overtime until that assignment is complete.
- c) An employee on a modified work assign-

ment that exceeds forty (40) working days will be moved to the modified work job group, until their rehabilitation period is complete. The employee will be given recall rights to their former job group provided their modified work assignment is not in an equal or higher labour grade. W.I. cases requiring modified work will be dealt using the same procedures that are used for W.C.B. cases that required modified work.

- d) Employees who have no recall rights to a higher classification and have been on a rehabilitation program and medically cleared to return to regular duties will remain on the assigned job unless displaced through the regular seniority process or the job is declared surplus.
- e) Employees with recall rights to a higher classification and assigned to a lower classification for rehabilitation will not be considered for recall or placement to a higher classification until the rehabilitation period is completed. At that time the employee will exercise their seniority in their original classification under the Collective Agreement provisions, the same as any other employee returning to regular duties from injury or illness.

- f) All cases requiring modified duties and all cases of employees returning to regular duties, will be based on medical information by all doctors concerned as deemed necessary by the Company.

Re: Temporary Shift Change

This letter will confirm our understanding at the 1998 negotiations whereby the parties have expressed a need to clarify a temporary shift change.

At the request of the employee to their supervisor, a temporary shift change may be considered, for personal reasons. An unusual request in excess of 2-3 days would be discussed between the requesting employee(s) supervisor and the Manager of Industrial Relations.

The procedure is that the employee would request the shift change of their own supervisor. Their supervisor, if they feel they can accommodate the request, would approach the other shift supervisors to determine if they can also accommodate the employee(s) request.

If the employee(s) supervisor and / or the other shift supervisors cannot accommodate the request, it will not be granted.
