- 1.02 Recognizing that future developments may be such as to make changes in the terms and conditions of employment desirable, the Parties intend that every term and condition contained within this Collective Agreement may be amended upon the agreement of the Parties.

ARTICLE 2 - RECOGNITION

- 2.01 The Union recognizes the CLRA as the sole collective bargaining agent for all unionized Employers in the construction industry as covered by Accreditation Order L.R.B. No. 392C dated January 29, 1976 covering Mainland Nova Scotia.
- 2.02 The CLRA and the Employer recognize the Union, Local 615, as the exclusive bargaining representative with respect to this trade for all its members or future members and all other Employers bound by this Agreement as covered by Accreditation Order L.R.B. No. 392C dated January 29, 1976, covering Mainland Nova Scotia.
- 2.02A The Employer recognizes the craft jurisdiction of the Union and agrees to assign all work of the Labourers' trade to the Labourers' Union Local 615.
- 2.03 For the purpose of this Agreement, the term "employee" shall mean all hourly rated employees employed by the Employer but does not include office and clerical workers; time checkers; guards and watchmen; material superintendents; technical personnel; superintendents; assistant superintendents; craft supervisors; or classifications above the rank of foreman as provided for in Craft Appendix; persons transporting materials (including concrete and gravel), equipment or supplies from a point of origin outside the site to a destination inside the site or from a point of origin inside the site to a destination outside the site.

- 2.04 The Union agrees that priority in supply of qualified work persons will be given to Employers who are bound by and to the terms and conditions as set out in this Agreement.
- 2.05 In order to bind non-CLRA Employers to the provisions of this Agreement, the Union will file any letter of agreement/recognition with the Minister of Labour in accordance with Section 28 of the Trade Union Act.

ARTICLE 3 - NO STRIKE - NO LOCKOUT

- 3.01 The Union and employees agree that there will be no strike or other collective action which will interfere with or stop the efficient operation of work of the Employer or any of them for the duration of this Agreement.
- 3.02 The Employer agrees that there will not be any lockout of employees bound by this Agreement during its term.

ARTICLE 4 - DISCRIMINATION

- 4.01 The Union agrees that membership will be granted to all employees under the same terms and conditions that prevail herein.
- 4.02 The Parties agree that there will be no discrimination against any person because of sex, race, creed, colour, nationality, ancestry, place of origin, marital status, or age.
- 4.03 The Employer shall not discriminate against any employee by reason of his membership in the Union and/or his participation in its lawful activity.

ARTICLE 5 - UNION SECURITY

5.01 When employees are required, the Employer shall request the Union to furnish competent and qualified workers and the Union shall supply, when available, competent and qualified workers as requested. For the purpose of this Agreement, the membership of Local 615 will be defined in terms of three (3) exclusive designations: Journeyman, 1st Level Apprentice and 2nd Level Apprentice. These designations will apply to all work conducted by Local 615 members within the work areas encompassed by this Agreement.

The Employer shall be permitted to hire such workers as governed by the following guidelines and provisions of Local 615 for Journeymen and Apprentices for Contractors signatory to this Agreement and for any specific construction site:

Hiring/Dispatch Formula:

1st Journeyman: Employer name hire

2nd Journeyman: Employer name hire

3rd Apprentice: Union supplied

4th Journeyman: Employer name hire

5th Journeyman: Union supplied

6th Apprentice: Employer name hire

50/50 to follow

After the 6th worker has been dispatched, the above hiring/dispatch formula shall repeat. The parties agree that one (1) Employer name hire at the Employer's discretion may come from outside the local geographic area and it is further agreed that all other workers shall be dispatched from the local geographic area as defined in Article 5.07 except when no such workers are available in the local geographic area or when the Employer in its discretion utilizes provisions of Article 5.16.

When the Employer institutes a lay-off, the ratio of Journeymen to Apprentices shall be maintained.

5.02 The following guidelines will govern the classification designation for members newly joining or transferring into Local 615 following the effective date of this Agreement:

- 1) **Journeyman:** Documented evidence of performance within the construction sector for which total accumulative hours is 3,000 hours or greater.
- 2) **2nd Level Apprentice:** Documented evidence of performance within the construction sector is less than 3,000 hours.
- 3) **1st Level Apprentice:** Documented evidence of performance within the construction sector is less than 2,000 hours.

Wages and benefits for the above classification shall be as outlined in Appendix “A” – “Schedule of Wages”.

ABOVE HOURS SUBJECT TO ANY REQUIREMENTS ESTABLISHED BY THE APPRENTICESHIP BOARD OF NOVA SCOTIA.

5.02A It is understood that the sole discretion and responsibility for determining the initial classification merits of new members will fall upon Local 615.

5.02B Once designated a classification Local 615 members will shift classification based upon the documented accumulation of the hours worked within the construction sector referred to in 5.02.

5.02C It is agreed that all Local 615 Apprentice Labourers will provide Local 615 officials with documented evidence of accumulated hours worked in the construction sector. This evidence will be documented within an hour book provided to the member by Local 615. The member will be responsible for having the Employer verify the total of accumulated hours on layoff, termination or upon request.

Furthermore, the member is responsible for providing to Local 615 officials the hour book upon the completion of the hours worked requisite for classification shifting or upon completion of employment with a given Employer, whichever comes first.

5.02D It is agreed that a Local 615 member’s position will not be terminated by an Employer on the basis of said member having accumulated the requisite hours for completion of apprenticeship. Upon attainment of Journeyman status, an Employee shall receive the appropriate rate of pay from the first day worked following the attainment of Journeyman status.

5.02E PROBATIONARY WORKERS

- (a) The category of probationary worker shall apply to new entrants of the trade and also to persons recruited from the non-union sector and whose skill level is yet to be determined.
 - (b) In order to be competitive, the parties agree that a probationary worker under this agreement shall not be paid either the Health & Welfare payments or Pension Fund payments normally established for work under this collective agreement. In addition, no contributions as mandated to a variety of Industry Improvement Funds or Training Funds or Union Funds under this agreement shall be paid on behalf of hours worked for probationary workers.
 - (c) The minimum rate for a probationary worker shall be the applicable hourly rate as paid to an apprentice working under Appendix A of this agreement. In addition, the probationary employer shall be entitled to a four percent (4%) vacation allowance. Alternatively, if a higher hourly rate can be agreed between the employer and the employee, then that rate shall apply.
 - (d) A probationary employee must be assessed by an employer no later than between two and four weeks after the date of initial hiring. Such employee must then make application for union membership or be dismissed from employment immediately following the assessment.
- 5.03 If after a period of twenty-four (24) hours, excluding Saturday, Sunday and holidays as contained herein, the Union is unable to supply the quantity of competent qualified work persons as requested, the Employer may procure such persons elsewhere. The Employer shall notify the Union in writing the name of the employee prior to employee commencing work with the Employer.
- 5.04 The ratio of Journeymen and Apprentices will be governed by the hiring regulations outlined in Article 5.01 and shall not exceed the ratio of two (2) Journeymen to one (1) Apprentice.

In order to maintain and promote this productivity on the construction site, the following provisions shall apply:

- (A) After hiring an employee from the Hall, an Employer, without prejudice, shall be entitled to terminate the employee's employment and refer him back to the Union, if after a reasonable period on site (normally two (2) to five (5) working days), the Employer has determined that the employee's productivity is unsatisfactory. After 12 consecutive months of compliance with the provisions of this Article, the Trustees or the parties shall relinquish the bond to the Employer.

(B) In the event that an employer is delinquent and the Trustees or the parties hereto have to initiate collection actions against the employer, the Union, in its absolute discretion, may require a bond in a form satisfactory to the Union, such bond to be made payable to the Trustees, in the amount of \$10,000. This bond shall be in place until such time as the employer maintains 12 consecutive months of timely remittances, such timely remittance in accordance with this Article.

- (C) If an employer who has been placed on a bond is delinquent within the aforementioned 12 months, the bond shall be increased to \$15,000 and the employer shall be required to maintain that bond at the \$15,000 level for a period of 24 consecutive months, and the bond shall only be released if the employer has met his obligations under the Trade Appendices and provided his contributions in a timely fashion for the aforementioned 24 consecutive months.

It shall also be understood that employees of the Contractor who receive a higher hourly rate than stated in the Agreement will not have pay lowered and any raise shall be added to the higher of their existing rate and the published rate.

ARTICLE 6 - HIRING PROCEDURE - CEMENT FINISHING CONTRACTORS

6.01 Upon becoming bound to the Union, the Cement Finishing Contractor shall provide the Union with a list of employees who constitute the Contractor's Basic Work Force (BWF) and throughout their employment with that Cement Finishing Contractor, the BWF shall be provided first opportunities of work. Any member of the Contractor's BWF shall immediately apply for membership in the Union if not already a member. The Union agrees to accept such applicants as members. The Union will appoint one member of the BWF as a Union Steward.

In the event a member of the BWF leaves the employment of a particular Cement Finishing Contractor, said Contractor may replace the BWF member with a worker of their choice on the basis that said worker is or becomes a member of the Union before they commence working.

6.02 In the event that the Cement Finishing Contractor requires workers beyond the members of its BWF, or if it wishes to increase its BWF, the following procedure shall apply:

(a) The Cement Finishing Contractor shall contact the Union during working hours (Monday-Friday, 8:30 am - 4:00 pm) and provide it with 24 hours' notice (exclusive of weekends & holidays) as to the number of workers (and the classification in which each worker should fall and safety training requirements) it requires.

(b) The Union shall provide such workers within the 24 hour notice period and the Contractor shall hire those workers for the period of time required.

(c) In the event that the Union cannot provide such qualified workers by the end of the 24 hour notice period, the Cement Finishing Contractor may hire any worker it wishes on the conditions that:

(i) It pays the worker the applicable hourly rate and makes the applicable contributions and remittances pursuant to Article 5.06 of this Appendix.

(ii) It provides the Union with the name, date of birth, phone number and address of the worker.

(iii) Agrees that if worker is hired to become a member of the BWF, such worker will become a member of the Union within seven (7) working days of being hired. If the worker is hired on a temporary basis (i.e. does not become a member of the BWF), the worker does not have to become a member of the Union.

Amendment #1 – March 28, 2013

- 6.03** **After hiring a worker, a Cement Finishing Contractor has the right to terminate the members' employment in accordance with Article 9A - Productivity Clause, of the Collective Agreement.**
- 6.04** **For purposes of this Appendix it is agreed that all work shall be performed by Union members, including working foremen. The Union shall agree that up to two members of Management may perform work by joining Labourers Local 615, however, they will not be required to remit benefits and/or working dues on their hours. They will only be responsible for the monthly dues.**

It shall also be understood that employees of the Contractor who receive a higher hourly rate than stated in the Agreement will not have pay lowered and any raise shall be added to the higher of their existing rate and the published rate.

ARTICLE 6 - HIRING PROCEDURE - CEMENT FINISHING CONTRACTORS

6.01 Upon becoming bound to the Union, the Cement Finishing Contractor shall provide the Union with a list of employees who constitute the Contractor's Basic Work Force (BWF) and throughout their employment with that Cement Finishing Contractor, the BWF shall be provided first opportunities of work. Any member of the Contractor's BWF shall immediately apply for membership in the Union if not already a member. The Union agrees to accept such applicants as members. The Union will appoint one member of the BWF as a Union Steward.

In the event a member of the BWF leaves the employment of a particular Cement Finishing Contractor, said Contractor may replace the BWF member with a worker of their choice on the basis that said worker is or becomes a member of the Union before they commence working.

6.02 In the event that the Cement Finishing Contractor requires workers beyond the members of its BWF, or if it wishes to increase its BWF, the following procedure shall apply:

(a) The Cement Finishing Contractor shall contact the Union during working hours (Monday-Friday, 8:30 am - 4:00 pm) and provide it with 24 hours' notice (exclusive of weekends & holidays) as to the number of workers (and the classification in which each worker should fall and safety training requirements) it requires.

(b) The Union shall provide such workers within the 24 hour notice period and the Contractor shall hire those workers for the period of time required.

(c) In the event that the Union cannot provide such qualified workers by the end of the 24 hour notice period, the Cement Finishing Contractor may hire any worker it wishes on the conditions that:

(i) It pays the worker the applicable hourly rate and makes the applicable contributions and remittances pursuant to Article 5.06 of this Appendix.

(ii) It provides the Union with the name, date of birth, phone number and address of the worker.

(iii) Agrees that if worker is hired to become a member of the BWF, such worker will become a member of the Union within seven (7) working days of being hired. If the worker is hired on a temporary basis (i.e. does not become a member of the BWF), the worker does not have to become a member of the Union.

6.03 After hiring a worker, a Cement Finishing Contractor has the right to terminate the members' employment in accordance with Article 9A - Productivity Clause, of the Collective Agreement.

6.04 For purposes of this Appendix it is agreed that all work shall be performed by Union members, including working foremen. The Union shall agree that up to two members of Management may perform work by joining Labourers Local 615, however, they will not be required to remit benefits and/or working dues on their hours.
