In the event that such negotiations do not result in agreement upon a legal replacement for such provision within seven (7) days of commencement of negotiations, or such longer period as may be mutually agreed between the parties, the matter shall be resolved in accordance with the Grievance Procedure.

ARTICLE 3 UNION RECOGNITION AND UNION SECURITY

3.1 The Employer recognizes the Union as the sole bargaining authority for all employees covered by this Agreement and coming within the jurisdiction of the Union.

the eighth (8) day following the beginning of such employment, or the effective date of this Agreement, whichever is later, acquire and maintain membership in the Union during the term of their employment. Acceptance into membership shall be entirely at the discretion of the Local Union.

3.4 As a condition of hiring each employee shall sign the proper authorization form which authorizes the Employer to deduct monthly dues, working dues, advancement dues, initiation fees, and assessments from the employee's pay. The Union will notify the Association and the Employer in writing as to the amounts of fees, dues and assessments to be deducted from the wages of employees from time to time.

3.5 All Local Union dues, fees and assessments so deducted shall be remitted to the Local Union not later than the fifteenth (15) of the month following, together with a list showing the amount deducted for each employee.

3.6 The Union shall select one of its Members who shall be recognized as Job Steward. If the Steward selected by the Union is objected to by the Employer for a valid reason, the Union shall select another Steward to whom the Employer has no reasonable objection. The Steward shall perform his duties the same as any other employee and shall not be discharged for Union activities. The Steward shall be allowed a reasonable amount of time during the working hours to perform the work of the Union and shall not abuse the privilege. There shall be no non-working Steward or Stewards.

3.13 The Association, as exclusive bargaining agent for the Employer, shall co-operate with and support the Union in any initiative to institute multi-employer certification and the Union shall co-operate with and support the Association in any application for accreditation, designation or registration where such is provided for by law.

3.14 It is recognized that traditionally all work relating to pipeline construction as defined in Article I hereof, comes solely within the trade jurisdiction of four (4) International Unions, commonly referred to as the "pipeline craft unions" namely: the Laborers International Union of North America; the International Union of Operating Engineers; the International Brotherhood of Teamsters; and the United Association of Journeymen and Apprentices of the Plumbing and Pipefitting Industry of the United States and Canada. The recognition of this historical precedent is hereby reaffirmed.

ARTICLE 4 JOB NOTIFICATION AND ENFORCEMENT

4.1 The Employer shall forward a job notification to the appropriate International Union Representative designated by the Union for the area involved and a copy for the Local Union(s) having territorial jurisdiction, immediately upon his

knowledge of all work to be done by the Employer and all subcontractors under the terms and conditions of this Agreement. The Union will designate the Local Union(s) which will have territorial jurisdiction. The job notification form to be used is attached to this Agreement as Addendum A.

4.2 The Employer, its appointed sub-contractor(s) covered by this Agreement, and the Union shall hold a Pre-job Conference before the start of the job, and the Local Union Representative at such conference shall be authorized by the Union to represent the Local Union for the entire area covered by the job within the territorial jurisdiction of the Local Union. The purpose of the Pre-job Conference shall be to define those matters outlined in the Pre-job Conference Report which is attached to this Agreement as Addendum B, but not including the changing of any of the conditions of this Agreement nor any interpretation of any of its clauses; it being agreed that any interpretation of this Agreement shall be made between the prime parties hereto so that proper application thereof may be made on the job.

4.3 On work of insufficient volume to warrant a Pre-job Conference, those matters outlined in the Pre-job Conference Report may, by mutual agreement, be communicated between the Employer and the Union Representative prior to the commencement of work.

4.4 Prior to recommencement of work in any area, the Employer shall contact the Local Union Business Representative to review the anticipated startup times and manning requirements.

4.5 The Union will send a copy of this Agreement to each of its Local Unions having pipeline jurisdiction and the terms of this Agreement and none other shall be recognized by each Local Union and each Employer engaged in the same or similar work as defined in Article 1 hereof.

6.5 After due warning any refusal by an employee to abide by any applicable accident prevention regulation of any governmental or appropriate regulatory body having jurisdiction, shall be cause for discharge.

6.6 The Job Steward shall represent the Union as a member of any Job Safety Committee and he, or another committee member representing one of the Unions, depending upon the nature of the inspection, shall be made freely available by the Employer to accompany any authorized governmental representative on project inspection.

6.11 The Employer shall provide drinking water in approved sanitary containers and paper cups where no running tap water is available.

In the event that any Employer is delinquent in his contributions to the above funds for more than thirty (30) days, the Employer and the Association shall be notified of such delinquency. If after five (5) days from such notice such delinquency has not been paid, the Employer shall pay to the applicable funds, as liquidated damages and not as a penalty, an amount equal to ten percent (10%) of the arrears for the month, or part thereof, in which the Employer is in default. Members of the Union who are not in receipt of a retirement pension shall be rehired before members who are in receipt of a retirement pension.

A5.2 The Local Union shall be given forty-eight (48) hours exclusive of Saturdays, Sundays, and holidays to supply the required employees but shall advise the Employer of expected delays in dispatching any employees within forty-eight (48) hours. Employees shall be entitled to Reporting Time upon arrival at the jobsite on the day designated by the Employer for arrival, if no work is provided.

A5.3 All employees shall be in possession of a referral slip from the Local Union for identification purposes unless the Local Union otherwise clears an employee for hire by telegram, telex, facsimile transmission, or other means of written communication.

A5.4 Subject to the terms and conditions of this Agreement, the Employer shall have the right to refuse any referral provided the cause of such refusal is stated and shall not be unreasonable.

The Employer shall ensure the replacement of the inventoried tools and/or tool boxes when lost by fire, flood or theft by forcible entry.

A6.9 The Employer shall provide gloves and overalls to each employee who normally comes in contact with hot dope and gloves for all mechanics, welders and servicemen.

A6.10 In the event that an employee is sued in conjunction with the Employer for any action taken or omitted at the express direction of the Employer, then the Employer shall have the right to select legal counsel and shall cover all reasonable expense incurred in the preparation and filing of a statement of defense on behalf of the employee.

A12.4 Upon receipt of the matter complained of in writing, the Executive Director and the International Representative shall take such steps within forty-eight (48) hours as they deem necessary to attempt to adjust such difference of opinion or dispute. A12.7 In the event that the parties do not agree to the Panel procedure or the Panel arrives at a majority decision which either party to the dispute is unwilling to accept, or the Panel is unable to arrive at a decision within the prescribed

time limits, the matter shall be referred, within forty-eight (48) hours, to an Arbitrator selected by the Employer and the Union. If no Arbitrator can be agreed upon within forty-eight (48) hours, then application shall be made to the appropriate governmental authority over labour matters for the appointment of an Arbitrator. The Arbitrator shall render his decision within fourteen (14) days, however, this time limit may be extended by mutual consent.

A12.8 The decision of the Arbitrator shall be final and binding.

A12.9 The Arbitrator shall have the right to determine whether any matter referred to him is arbitrable. He shall also have the authority to award compensation or any other relief he deems advisable to an aggrieved employee. He shall not alter, amend or change the terms of this Agreement. Each party shall equally share the expense of the Arbitrator.

ARTICLE B12
GRIEVANCE PROCEDURE

B12.1 Where a difference arises between the Employer and the Union or a Local Union relating to the interpretation, application or administration of this Agreement or where an allegation is made that discharge of an employee is unjust or that this Agreement has been otherwise violated, the difference of opinion or dispute, including any question as to whether a matter is arbitrable, shall be resolved without stoppage of work in the following matter.

B12.2 The Job Steward or Business Manager of the Local Union shall attempt to resolve the difference on the job with the Foreman or Superintendent of the Employer.

B12.3 If the difference is not resolved within forty-eight (48) hours of the occurrence, the aggrieved party shall submit the difference and the remedy sought in writing to the Executive Director of the Association and the International Representative of the Union within sixty (60) days of occurrence, or in the case of alleged unjust discharge, within ten (10) days of occurrence. Failure to submit the difference in writing within the specified time periods shall result in the matter being deemed to be waived. The foregoing time limitations shall not apply where there has been failure or refusal to remit employer contributions or deductions from employees as provided for in this Agreement.

B12.4 Upon receipt of the matter complained of in writing, the Executive Director and the International Representative shall take such steps within forty-eight (48) hours as they deem necessary to attempt to adjust such difference of opinion or dispute. If the difference is not resolved within five (5) days of receipt of written submission, either of the parties may, after exhausting any grievance procedure established by this Agreement notify the other party in writing of its desire to submit the difference or allegation to arbitration and the notice shall contain the name of the first party's appointee to an arbitration board. The recipient of the notice shall within five (5) days inform the other party of the name of its appointee to the arbitration board. The two

B12.5 The arbitration board shall hear and determine the difference or allegation and shall issue a decision and the decision is final and binding upon the parties and upon any employee or employer affected by it. The decision of a majority is the decision of the arbitration board, but if there is no majority the decision of the chairman governs.

B12.6 Pending settlement of any grievance, it is agreed that the work shall be prosecuted without slowdown, work stoppage or lockout.

IN WITNESS WHEREOF, we, the undersigned hereby attach our hands and seals to this Agreement concluded at the City of Mississauga, in the Province of Ontario, the 9th day of July AD., 2010.
