RE: NO STRIKE - NO LOCKOUT AGREEMENT

WHEREAS the Union and the Association have entered into a Collective Agreement, which is effective on its face from May 1, 2001 to April 30, 2004; and

WHEREAS the Union and the Association contemplate entering into successor collective agreements, which will be effective on their face from May 1, 2004, to April 30, 2007 and thereafter from May 1, 2007 to April 30, 2010 (the "successor collective agreements"); and

WHEREAS the Union and the Association are desirous of ensuring that the Concrete & Drain division of the construction industry in the geographic area covered by the Collective Agreement will not be subject to strikes and lockouts in future years;

NOW THEREFORE the Union and the Association agree as follows with respect to the renewal of the two above-noted successor collective agreements:

1. If the Union and the Association are unable to agree upon the terms and conditions of both or either of the above-noted successor collective agreements, then on or about the 30th day of April in both or either 2004 and 2007, either party may refer the settlement of the new collective agreement to final and binding arbitration;
2. The Union and the Association agree that in view of the final and binding arbitration provisions set out herein there will not be, and they will not cause there to be a strike or lockout following the expiry of the relevant collective agreements in either 2004 and 2007;
3. The Parties agree that, in order to meet the need for expedition in the construction industry, they will agree upon a mutually acceptable arbitrator by no later than April 30, of each bargaining year, although it is understood that simply agreeing to an arbitrator in no way means that the agreement(s) must be settled by arbitration;
4. Upon the issuing of a written notice of desire to proceed to final and binding arbitration to both the other party and the arbitrator, the arbitrator will commence a hearing with respect to the arbitration within 30 days of the date of notice or thereafter if mutually agreed to by the Parties;
5. It is agreed that the arbitrator will hear, and will have the necessary jurisdiction to determine, all lawful proposal and positions which are put before him/her by either party, and there is no restriction upon the number of issues which may be put to the arbitrator. Further, the parties agree that the arbitration process will not be one of final selection;

6. With respect to the agreement set out in paragraph 5 above, the parties agree that they may mutually agree to modify the arbitration proceedings such that the number of issues proceeding to arbitration may be limited and/or that final offer selection may be utilized for all or part of the arbitration procedures in either or both of the bargaining years;
7. It is agreed that the arbitrator will issue his/her decision within five (5) days of the date of hearing and that any aspect of the decision may be retroactive to May 1st of the appropriate year if the arbitrator so determines;
8. It is agreed that any arbitrations which are required as between the Union and the Association will be the "industry arbitration" and accordingly, pursuant to the terms and provisions of the Collective Agreement, including but not limited to this Letter of Understanding, agree that such decisions will be final and binding upon any Employer bound to this or any similar independent collective agreement, for all purposes;
9. **The Parties** agree ~~the~~ **agreements, duties, obligations and rights** set out in this Letter of understanding form part of the **Collective** Agreement which is binding upon them and in addition constitute a settlement of the proceeding under the **Act** which is enforceable under Section 96 (7) of the **Act**, which is enforceable under Section 96(7) of the **Act** and accordingly are enforceable both as a term and provision of this Collective Agreement and under the provisions of the **Act** with respect to settlement of proceedings.

THE PARTIES agree that where an Employer has repeatedly violated the terms and provisions of the Collective Agreement with respect to the payment of wages, the remittances required by the Collective Agreement to be paid to the Union and/or others and/or the contracting and sub-contracting restrictions, the Union may request a complete financial audit of the Employer's books and records by a qualified accountant to be chosen by the Union. APPENDIX "C"

ENFORCEMENT SYSTEM

Between:

Ontario Concrete & Drain Contractors' Association
(the "Association")

-and-

Universal Workers Union, L.I.U.N.A. Local 183
(the "Union")

WHEREAS, the parties have agreed that they will establish an expedited method of arbitration.

NOW THEREFORE the parties agree to the following Enforcement Mechanism for incorporation into the Collective Agreement binding between the parties.

I. EXPEDITED ARBITRATION

(A) Arbitrator

Robert Herman or an arbitrator who is mutually agreeable to both parties will be the arbitrator for this Enforcement System.

(B) Expedited Arbitration Procedure

1. The term "Grievance", wherever used in this Enforcement System, shall mean a grievance concerning the interpretation, application, administration or alleged violations of a provision of the Collective Agreement including but not limited to:

- payment for hours worked;**
- rates of pay;
- overtime premiums;
- travelling expenses;
- room and board allowances;
- reporting allowances;
- welfare, pension, industry fund and any other funds, dues or other form of compensation to or on behalf of an employee and/or the Union.

2. Any party bound by this Enforcement System may initiate the Expedited Arbitration process by service of a Grievance, in writing, by facsimile transmission, registered mail, regular mail or courier (including Canada Post Courier) on the affected Contractor. Service shall be deemed to be achieved if the grievance is received at the last known address of the Contractor; whether listed in the original Collective Agreement or not, at an alternate address for which written notification has been forwarded to the Union.

3. The Union may refer any grievance concerning a violation of the Collective Agreement to Expedited Arbitration. Notice of such referral to Expedited Arbitration shall be served by facsimile transmission, registered mail, regular mail or courier (including Canada Post Courier) upon the Contractor, the Association, and the Arbitrator.
4. Service shall be effective on receipt, if facsimile transmission, courier, registered mail or regular mail is used and all parties, shall be deemed to have been properly notified.
5. The Arbitrator shall commence the Expedited Arbitration Hearings no **sooner than five (5) days from the date of service of the Referral** to Expedited Arbitration. Counsel, if retained by a party, must be able to accommodate the hearing schedule as set by the Arbitrator. Adjournments will not be granted because of the unavailability of counsel, for business demands or because a party asks for additional time to prepare.
6. Subject to the discretion of the Arbitrator the Expedited Arbitration Hearings shall be held at the Union offices, and may be scheduled by the Arbitrator to commence after normal business hours including Saturdays and Sundays.
7. Where the Arbitrator finds the Contractor in breach of the Collective Agreement, the Arbitrator shall order the Contractor to **pay** all amounts owing with respect to violations of the Collective Agreement. For the following specific types of violations the following terms will apply:

- (a) for payment of hours of work, rates of pay, overtime premiums, travel expenses, room and board allowances or any other form of compensation to an employee in accordance with the following;
- (i) where the Grievance is initiated between 1-60 days after the circumstances giving rise to the Grievance became known or ought reasonably to have become known to the affected employee(s) the Arbitrator shall award the affected employee(s) recovery of one hundred percent (100 %) of the unpaid amounts; or
 - (ii) where the Grievance is initiated at any time beyond 61 days after the circumstances giving rise to the grievance became known or ought reasonably to have become known, to the affected employee(s), the Arbitrator shall award recovery of seventy-five (75%) percent of unpaid amounts to be paid to the affected employee(s) and twenty-five (25%) percent of the unpaid amount to be paid to the Union in the form of damages.
- (b) For payments in respect of Welfare, Pension, Prepaid Legal, Health and Safety, Training, Union Dues, Working Dues, and Industry Fund or any other fund referred to in the Collective Agreement, or any other form of compensation payable on behalf of an employee or to the Union and any interest or penalty payments provided for in the Collective Agreement, the Arbitrator shall award recovery of 100% of the unpaid amounts.

8. The Arbitrator shall have the power to make the Arbitrator's costs (fees and expenses) an Award or part of any Award against any party and to be payable to the Union and the Association equally in trust for the Arbitrator.

9.
 - (a) This arbitration process shall be in addition to and without prejudice to any other procedures and remedies that the parties may enjoy including applications to a court; or to the *Ontario Labour Relations Board* pursuant to section 96 of the *Labour Relations Act, 1995*, as amended; or the *Construction Lien Act*; or any other operative legislation; or as provided for under ~~the Collective Agreement~~.

 - (b) Any Grievance concerning the interpretation, application, administration or alleged violation of the Collective Agreement may be processed through the grievance/arbitration procedure outlined in the Collective Agreement or under this Enforcement System or referred to arbitration pursuant to section 133, or any other applicable section, of the *Labour Relations Act, 1995*, provided however that any Grievance may not be processed under more than one of these arbitration mechanisms.

 - (c) Where a Grievance has been properly referred under the procedure provided for in this Enforcement System, it is understood and agreed that all of the parties shall be deemed to have waived any right to refer the Grievance to arbitration under section 133 of the *Labour Relations Act, 1995* or pursuant to the appropriate Articles of the Collective Agreement and any such referral shall be null and void.

- (d) In the alternative, should a grievance which has been or could have been referred to arbitration under this system be referred to arbitration under section 133 of the Labour Relations Act, 1995 or under the appropriate articles of the Collective Agreement, and should the Ontario *Labour Relations Board*, or any other Arbitrator determine it has jurisdiction, then the parties agree that the terms of this Enforcement System form part of the Collective Agreement and will be applied as such and will be varied solely to reflect the different method of referral.
- (e) ***It is understood and*** agreed that *the* Arbitrator's **decision is** final and binding with respect to those matters referred to the Arbitrator. The Arbitrator shall have all the powers of an arbitrator under the Labour Relations Act, 1995, as amended, including but not limited to the power to require records and/or documents to be produced prior to and/or at the hearing and the power to issue summons to witness and to thereby compel attendance. The decision of the Arbitrator, inclusive of orders for payment of any monies in respect of damages, costs, Arbitrator's fees and/or penalties, is deemed to be a decision of an Arbitrator pursuant to the Labour Relations Act, 1995, as amended, and enforceable as such.

10. At Expedited Arbitration the Arbitrator shall not have any power to alter or change any of the provisions of this Enforcement System or substitute any new provisions for any existing provisions nor give any decision inconsistent with the provisions of this Enforcement System and the Collective Agreement.

3. The Union Investigation Committee shall have the power to recommend that charges under the Union Constitution be brought against the Union Business Representative(s) and/or Union Member(s) in respect of the allegations brought to its attention.

4. The Union Investigation Committee shall prepare a report of the results of any investigation of complaints including its conclusions as to the validity of the complaints and any action taken to deal with the matters raised.

5. A copy of the report prepared by the Union Investigation Committee will be provided to the Labour-Management Joint Committee.
6. In the event that the Labour-Management Joint Committee is not satisfied with the report of the Union Investigation Committee, in that it is not satisfied with the appropriateness of the Union's response, or is deadlocked over the issue, any member of the Labour-Management Joint Committee may refer a complaint to the Arbitrator for a determination.
7. Any reports or investigations are to be strictly confidential and are to **be used only in reference to Article II herein.**

III. LABOUR-MANAGEMENT JOINT COMMITTEE

1. The Labour-Management Joint Committee shall be established consisting of the following persons:
 - (a) the Business Manager or his designate; and
 - (b) the Union Sector Co-ordinators or their designates; and
 - (c) a representative designated by the Toronto Residential Construction Labour Bureau; and
 - (d) a representative designated by the applicable Contractors' Associations.
2. A quorum of the Labour-Management Joint Committee shall be the duly appointed members or their proxies.

3. The Labour-Management Joint Committee will meet to discuss matters of joint interest, including the interests of the Industry, problem solving, monitoring and evaluating compliance with the Collective Agreement and this Enforcement System within seven(7) working days of notice, in writing, of a request for a meeting by any Committee Member. The Union Business Manager shall schedule all such meetings after consultation with the other Labour-Management Joint Committee Members.
4. Decisions of the Labour-Management Joint Committee shall be taken by **consensus** and with ~~the unanimous support of all~~ members of the committee.
5. In the event the Labour- Management Joint Committee is unable to agree on a course of action to deal with a matter, the Arbitrator shall attempt to mediate any disagreement. Failing resolution of the matter at mediation, the Arbitrator shall cast a deciding vote.
6. The Labour-Management Joint Committee may augment and improve the Enforcement System only upon unanimous agreement of the Committee members. The deciding vote of the Arbitrator shall not apply to any issues involving any such improvements to this Enforcement System. The Labour-Management Joint Committee shall not have the power to derogate in any material fashion from this Enforcement System.
7. The Labour-Management Joint Committee shall have no power to order the Union, its Business Representatives and/or its members to

post a bond or Letter of Credit to secure payment of damages or levies or impose discipline, fines, suspensions or expulsions. Such proceedings must occur under the Union Constitution. Any complaint that may warrant such remedial action may be initiated by any party in writing to the Union Investigation Committee.

8. The Labour-Management Joint Committee may initiate proceedings before the Ontario Relations Board on behalf of the Union and the T.R.C.L.B. and the Association to compel compliance with the Collective Agreement and this Enforcement System, in circumstances where it is satisfied that there is a deliberate concerted effort to **undermine, evade and/or avoid the provisions of the** Collective Agreement and this Enforcement System.
