COLLECTIVE AGREEMENT

BETWEEN:

OPERATING ENGINEERS EMPLOYER
BARGAINING AGENCY
hereinafter called the "Employer"

- and

OPERATING ENGINEERS EMPLOYEE
BARGAINING AGENCY
hereinafter called the "Union"

WHEREAS the Union and the Employer are desirous of establishing a form of standard collective agreement with respect to employees of Employers engaged in the construction industry as defined in the Labour Relations Act and equipment rental within the Province of Ontario, to provide uniform interpretation, application and administration of the relationship established,

IT IS EXPRESSLY AGREED AND DECLARED BY AND BETWEEN THE PARTIES HERETO AS FOLLOWS:--

ARTICLE 1 - DURATION OF AGREEMENT

1.1 This agreement shall become effective on ~~the 1st day of May, 1992~~ and shall continue to remain in effect ~~until the 30th day of April, 1995~~, and shall continue in force from year to year thereafter unless either party shall furnish the other with notice of termination, or proposed revision of this Agreement within one hundred and twenty (120) days before the 30th day of April, 1995, or in a like period in any year thereafter.

ARTICLE 2 - RECOGNITION

2.1 The Employer recognizes the Union as the exclusive bargaining agent for all employees of the Employer for whom the Union has bargaining rights within the Province of Ontario engaged in work covered by the schedules and

classifications set out in this agreement, and any additional classifications as may be agreed to by the parties.

2.2 The on site operation, repair, maintenance and servicing of all equipment listed in this agreement shall be performed by a member of the Union including the assembly and dismantling of equipment operated by members of the Union and coming within the jurisdiction of the Union, boom, boom sections and counter-weight installation and removal and any other requirements necessary to put equipment into production or preparation for removal from operations. Additional assistance by other than Union members for the installation or removal of boom, boom sections and counterweight components shall only be used upon agreement with the Union.

2.3 When repairs are performed in the field by the Employer, this agreement shall apply and the crew of the equipment under repair will assist with the service and such repair on the job site. In the event it is not possible to employ the crew productively on such repairs they may be utilized on other work within the classifications of this agreement but they shall not replace another crew.

2.4 After the initial erection when a Climbing or Travelling Crane or other Tower Hoist is being climbed, repaired or dismantled, one of the regular operators of such crane or hoist shall form part of the crew performing such work and shall take instructions from the person directing that crew.

2.5 When equipment covered by this agreement is being moved from place to place under its own power, only employees covered by this agreement shall be used to move such equipment.

2.6 No equipment shall be operated by demonstrators on a site for more than two (2) working days without the Union being notified and a qualified Union Operator being present in order that he may familiarize himself with the equipment.

ARTICLE 3 -- UNION SECURITY

3.1 (a) The Employer shall first call the Union Office whenever personnel are required. If the Union cannot supply such

personnel within forty eight (48) hours, excluding Saturdays, Sundays and Holidays, the Employer may secure such personnel from any other source. The Employer may recall former regular employees through the Union Office who have been absent from the Employer up to twelve (12) months.

(b) Regular employees shall be defined as employees who have been on the Employer's payroll for six (6) consecutive months or more.

3.2 All personnel hired shall be required to have a clearance card issued by the Union before they start to work, unless other arrangements are made with the Union dispatcher. Such clearance cards will not be unreasonably withheld.

3.3 Employees working under this Agreement shall be members of the Union in good standing, or make application to become members of the Union within seven (7) days of hiring or be replaced upon written request by the Union.

3.4 (a) The Employer agrees to engage only those sub-contractors and equipment rentals (except equipment dealers) who are in contractual relations with the Union to perform work set out in the classifications of this agreement, dredging, or as otherwise agreed to by the parties.

(b) Without restricting in any way, the application of the sub-contracting provision contained in Article 3.4 (a) of this Agreement, an Employer who undertakes a contract with an owner to provide construction management services shall be subject to said Article 3.4 (a) unless:

- (i) The Owner solicits directly, bid(s) for work covered by this Agreement from contractor(s) not bound to this Agreement; and
- (ii) The Owner accepts bid(s) from such contractor(s); and
- (iii) The owner contracts or sub-contracts directly with such contractor(s) without contractual obligation of the Employer for the work of such contractor(s), other than for the negligent acts or omissions of the Employer.

(c) Owner-Operators who perform work covered by this Agreement shall be signatory to an Agreement with the Union and shall also be:

- (i) a member in good standing of the Union; and

- (ii) in good standing on contributions under the Health Plan, Pension Plan, Training Fund and for Working Dues, as required by this Agreement.

If the Union advises an Employer bound by this Agreement that an owner/operator engaged by such Employer is in violation of this Article, the Employer shall within twenty- four (24) hours replace such owner-operator.

3.5 (a) As a condition of employment the Employer shall require each employee to sign a form which authorizes the Employer to deduct regular monthly union dues, working dues, initiation fees and annual assessments from the employee's pay.

The regular monthly Union dues shall be deducted from each employee on the first pay period of each month.

The Union shall notify the Employer of the amounts and any changes thereto of the above-mentioned deductions.

(b) All dues, fees and assessments so deducted shall be remitted together with Pension and/or Benefit contributions set out in this Agreement on or before the 15th day of the same month in which such deductions were made. The Employer shall, when making all remittances to the Union, identify employees both by name and Social Insurance Number and indicate the amount deducted from each employee.

3.6 The Employer and the Union shall hold a pre-job meeting involving any project at the request of either party.

ARTICLE 4 – MANAGEMENT RIGHTS

4.1 The Union agrees and acknowledges that the Employer has the exclusive right to manage the business and to exercise such right without restriction, save and except such prerogatives of management as may be specifically modified by the terms and conditions of this Agreement.

Without restricting the generality of the foregoing paragraph, it is the exclusive function of the Employer:

(a) to determine qualifications, classify, transfer, hire, direct, promote, demote, lay-off, discipline and discharge employees for just cause and to increase and decrease working forces in accordance with the terms of this Agreement.

(b) to determine the materials to be used, design of the products to be handled, facilities and equipment required, scheduling of work and locations of equipment.

(c) to determine the rules and regulations to be observed by employees, violations of which may be the cause for discipline and may include discharge.

4.2 The Employer recognizes that the employee and the Union have recourse through the grievance procedure if they feel that the Employer has exercised any of the foregoing rights contrary to the terms of this Agreement.

At the request of the employee concerned, incidents of alleged discharge for cause shall be in writing.

ARTICLE 5 – JOINT LABOUR MANAGEMENT COMMITTEE

5.1 The parties hereto agree to the establishment of a Joint Labour Management Committee composed of representatives of the Employer and representatives of the Union.

The purpose of this committee will be for the effective administration of the Collective Agreement and to provide a means of communication for the resolution of any or all disputes that may arise through the application of the Agreement. Meetings will be held as deemed necessary in the interests of both parties.

5.2 This Committee may also meet to consider changes to the Collective Agreement as presented by the Union and the applicable Employer Association.

Such changes shall apply only to the geographical area affected and shall only take effect on approval by the designated Employee and Employer Bargaining Agencies.

ARTICLE 6 – GRIEVANCE PROCEDURE

6.1 There shall be an earnest effort on the part of both parties to this Agreement, to settle promptly through the procedure set out herein, any complaints, grievances, or disputes arising from the interpretation, application or administration of this Agreement.

6.2 All grievances to be dealt with under Step Two below, shall be in writing, on forms supplied by the Union and signed by the employee having such grievance.

6.3 Written grievances, to be valid, shall set out the nature of the grievance, the Article or Articles of the Agreement alleged to have been violated and the nature of the remedy sought and shall not be subject to change at later steps except by mutual agreement in writing with the Employer, or in the case of remedy, an Arbitration Board.

6.4 In determining the time which is allowed in the various steps of Articles 6 and 7, Saturday, Sunday and Statutory Holidays shall be excluded and any time limits may be extended by mutual agreement in writing.

6.5 If advantage of the provisions of Articles 6 and 7 hereof is not taken within the time limits specified therein or as extended in writing as set out above, the grievance shall be deemed to have been abandoned and may not be re-opened.

6.6 The Employer shall designate and name the official to whom a written grievance is submitted at Step #2.

6.7 (a) It is understood and agreed that an employee does not have a grievance until he has discussed the matter with his foreman or other supervisory personnel acting in this capacity and given him an opportunity to deal with the complaint. His decision shall be made known to said employee within forty-eight (48) hours. Grievances properly arising under this Agreement shall be adjusted and settled as follows:

Step 1

Within ten (10) full working days after the circumstances giving rise to the grievance occurred or originated, the aggrieved employee and/or a Union representative shall present the grievance in writing to the official of the Employer named by the Employer to handle grievances at this Step. If a settlement satisfactory to the Union and the employee concerned is not reached within two (2) full working days, the grievance may be presented as indicated in Step Two at any time within five (5) full working days thereafter **or** if the grievance involves monetary, discipline or discharge matters, not involving the interpretation of the Agreement to final and binding determination.

Step 2

At this step the grievance may be submitted to a local area Joint Committee consisting of representatives of the Union and representatives of the area Employer Association. Should no satisfactory settlement be reached within five (5) working days of the grievance being submitted to the local area Joint Committee, the grievance may be presented as indicated in Step #3.

Step 3

At this step the grievance shall be referred to the Joint labour Management Committee which shall convene a meeting within ten (10) full working days to deal with the grievance. Should no satisfactory settlement be reached within five (5) full working days after the meeting, the grievance may be submitted to arbitration.

(b) The Union may process a written grievance which involves a number of employees of an Employer or the interpretation of the Agreement. Such grievance shall be commenced at Step 3 of the above procedure.

The Employer Bargaining Agency or an Employer may process a written grievance alleging a violation of, or the interpretation of this Agreement at Step 3 of the above procedure. Such grievances shall be commenced at Step Three within ten (10) full working days after the circumstances giving rise to the grievance occurred or originated.

(c) No decision or settlement involving any grievance which has been dealt with at Step 1 or 2 above, other than grievances which have been properly referred to final and binding determination, shall be used by any party as a precedent in future cases and shall be treated as only applicable to the grievance in question.

6.8 Notwithstanding the above, a grievance concerning wages and fringe benefits may be presented within thirty (30) days after the circumstances giving rise to the grievance occurred or originated and further provided that a grievance concerning Welfare or Pension contributions may be presented within thirty (30) days after the particulars of such grievance should have reasonably become first known to a Union Representative.

ARTICLE 7 – ARBITRATION

7.1 The parties to this Agreement agree that any grievance which has been properly carried through all of the steps of the grievance procedure outlined in Article 6 may be referred to a Board of Arbitration or other final determination within twenty (20) working days after completion of Step 3 of Article 6.7.

7.2 The Board of Arbitration will be composed of one person appointed by the Employer, one person appointed by the Union and a third person to act as Chairman chosen by the other two members of the Board.

7.3 Within five (5) working days of the request by either party for a Board each party shall notify the other in writing of the name of its appointee.

7.4 Should the person chosen by the Employer to act on the Board and the person chosen by the Union fail to agree on a third member as Chairman within five (5) days of the notification mentioned above, the Minister of Labour of the Province of Ontario will be asked to appoint a Chairman.

7.5 The decisions of the Board of Arbitration or a majority of such Board constituted in the above manner shall be binding on the parties to this Agreement.

7.6 The Board of Arbitration shall not have any power to alter or change any of the provisions of this Agreement or to substitute any new provisions, for any existing provisions, nor to give any decisions inconsistent with the terms and provisions of this Agreement.

7.7 Each of the parties to this Agreement will bear the expenses of the Arbitrator appointed by it and the parties will jointly bear the expense of the Chairman.

ARTICLE 8 – NO STRIKES, NO LOCKOUTS

8.1 In view of the grievance and arbitration procedures provided in this Agreement, it is agreed that there shall be no strike, picketing, slowdown or stoppage of work, either complete or partial, and that during the term of this Agreement there shall be no lockout.

ARTICLE 9 – UNION REPRESENTATION

9.1 The Union Representative shall, in the course of his duty, have access to the work, where possible, on which members of the Union are employed and the Employer shall assist the Union Representative to obtain a pass to the premises where necessary. The Union Representative shall first make his presence known to the Employer's most senior management representative in the job office. In no instance, however, shall he interfere with the progress of the work.

9.2 The Union Representative, when on site, shall abide by all site regulations and safety rules as stipulated in the appropriate safety acts or regulations.

9.3 It is agreed that for each project the Union may appoint one employee per Employer per shift to act as Steward, and shall give the Employer notice, in writing, of such appointment and changes thereafter. The Union shall have the authority to appoint an alternate to act as Steward in the absence of the regular Steward. The Union may request the appointment of additional Stewards where considered necessary. Such request shall not be unreasonably withheld. It is further understood and agreed that on mutual agreement of the Union and Employer a steward appointed shall be considered a company-wide steward. Such request from the Union shall not be unreasonably denied. *2/6*

9.4 The Steward shall be one of the last two employees covered under the terms of this Agreement to remain working provided he is competent and capable of performing the remaining work.

9.5 No discrimination shall be shown against any Steward for carrying out his duties.

ARTICLE 10 – SAFETY, SANITATION AND SHELTER

10.1 Adequately heated enclosures or cabs for men operating, maintaining or repairing equipment shall be provided by the Employer where reasonably required.

10.2 Protective clothing and equipment required under abnormal conditions or during inclement weather will be supplied by the Employer and shall be returned after use.

10.3 The Employer, the employees and the Union agree to abide by the provisions of the Canadian Standards Association Code Z-150.

10.4 (a) The Employer agrees to supply the necessary drinking water and paper cups.

(b) The Employer agrees to provide sanitary facilities, within close proximity to the work area, with flush toilets, where practicable.

10.5 Adequately heated shelter for employees to eat their lunch shall be provided by the Employer, with table and seating space, which shall be maintained in a clean and sanitary condition by the employees and the Employer unless other arrangements are made with the Union.

10.6 (a) In the event of a fire or theft resulting in the loss of clothing or tools, the Employer will replace such items at their actual value to a maximum of Five Hundred Dollars (\$500.00) except as provided in (b) hereof, provided that such clothing and tools are kept in a place designated by the Employer. Such replacement is based on proof of loss by fire or theft being made to the Employer.

(b) Mechanics and Operators are to file with their Employers a listing of their tools showing their valuation and the Employer's liability shall be limited to such listing and the replacement value of such tools.

10.7 An employee who is injured in the course of performing his duties and requires medical attention by a physician and is certified by the physician that he is unable to continue work shall be paid his regularly assigned hours ~~on the day of injury~~; otherwise the employee shall be paid his regular wages for any lost time incurred that day due to the injury.

10.8 Tower Hoists, Climbing, Skyway, Hammerhead and Traveller type cranes shall be operated from the cab or other suitable heated enclosure and shall be equipped with windshield wipers. Where practical, they shall be equipped with an audio system from the operator to the signalman.

The Employer agrees to abide by the Occupational Health and Safety Act, 1980 and its regulations as amended from time to time.

10.9 When work is to be performed by mechanics, welders, and servicemen, outside the confines of the shop, adequate protection from weather will be provided. ⁶⁴

10.10 The Operator shall be directly responsible for the equipment and shall not handle any load if the capability of the equipment to handle the load safely is in question.

10.11 Hazardous Waste

The parties agree to be represented on a committee regarding the handling of hazardous waste.

**ARTICLE 11 - PAYMENT OF WAGES
AND LAY-OFF**

11.1 (a) Wages shall be paid by cash not later than Friday of each week during working hours or by cheque no later than Thursday of each week during working hours.

(b) Accompanying each payment of wages shall be a retainable statement identifying both the Employer and the employee, showing the pay period, total hours marked "regular" and "overtime", the hourly rate, the total earnings, the amount of vacation pay, the amount in lieu of Statutory Holiday Pay, the amount and purpose of each deduction, and the net earnings.

11.2 In the case of lay off, all employees shall be paid up to date on the job site where practical; otherwise, cheques and U.I.C. Record of Employment Certificate shall be forwarded by registered mail to his last known address within forty-eight (48) hours of the lay off. Notification to, or attempted notification of lay-off, to an employee on a Saturday, Sunday or Holiday shall not be considered proper notice unless the employee is working on such days.

11.3 When laid off, employees shall be allowed sufficient time with pay to clear up their personal and Company property on the job site.

11.4 When employees who are laid off are not paid up to date on the job site and should the Employer fail to send such wages and/or employment records as stated above, the Employer shall pay eight (8) hours pay at the regular hourly rate for each additional regular working day the employee is required to wait for his pay and records after giving notice to the Employer and giving him four (4) hours to correct such default.

ARTICLE 12 – JURISDICTIONAL DISPUTES

12.1 The Employer and the Union agree that there shall be no work stoppage resulting from jurisdictional disputes. In the case of a jurisdictional dispute the Employer agrees to assign work in accordance with the Contractors' Responsibility Section of the Procedural Rules and Regulations of the Building and Construction Trades Department AFL-CIO.

12.2 All jurisdictional disputes shall be settled and adjusted according to the present plan established by the Building and Construction Trades Department AFL-CIO or any method or procedure which may be adopted in the future by the Building and Construction Trades Department. Decisions rendered shall be final and binding and conclusive on the Employer and the Union.

12.3 Where there is any dispute or question about the operation, by Operating Engineers, of any of the equipment listed in the Schedules attached hereto, the Employer shall continue to assign operation of the equipment to such Operating Engineers.

ARTICLE 13 – STATUTORY HOLIDAYS AND VACATION PAY

371/0

13.1 All work performed on the following holidays shall be paid for at double (2X) the regular rate of wages:

- | | |
|----------------|------------------|
| New Year's Day | Civic Holiday |
| Good Friday | Labour Day |
| Victoria Day | Thanksgiving Day |
| Dominion Day | Christmas Day |
| | Boxing Day |

53
890

Note: If the Government of the Province of Ontario amends "Holiday" to include Heritage Day, such holiday shall be a holiday herein.

Should any of the above holidays occur on a Saturday or Sunday, such holiday shall be observed on the Monday and/or Tuesday following unless changed by mutual agreement between the Employer and the Union. No work shall be performed on Labour Day except to save life, limb, or property.

13.2 Vacation and Statutory Holiday Pay shall be paid weekly to each employee covered by this Collective Agreement, at the rate of ten percent (10%) of the gross wages earned, and income tax will be deducted weekly. It is understood and agreed that four percent (4%) of the gross wages is to be considered Vacation Pay and six percent (6%) of the gross wages is to be in lieu of Statutory Holiday Pay.

It is understood and agreed that the Statutory Holiday and Vacation Pay will not exceed a total of ten percent (10%) of gross wages.

13.3 Vacations may be taken at any time within the calendar year (without loss of position) and every effort shall be made to schedule vacations to benefit both the Employer and the employee.

ARTICLE 14 – I.U.O.E., LOCAL 793 TRAINING FUND

14.1 The Union and the Employer agree to maintain and recognize the I.U.O.E., Local 793 Training Trust Fund (Training Fund). The Training Fund shall be jointly trusteeed by an equal number of Trustees appointed by Employer organizations and the Union. 25 C.

14.2 Apprentices shall be indentured to the Training Fund or an Employer and the Training Fund shall have full authority over the training, education and movement of all Apprentices and the Union shall accept as members of the Union all Apprentices who are approved by the Training Fund and indentured to the Training Fund or an Employer.

14.3 The Training Fund shall be responsible for the training, education and upgrading of all trainees and Operating Engineers.

14.4 Each Employer shall contribute Seventeen Cents (\$.17) per hour to the Training Fund for each hour earned by each employee in his employ, to be submitted with the Pension and Health Fund payments herein provided, and to be remitted to the Training Fund for the purpose of developing and implementing programs established by the Training Fund. Effective November 1, 1993, this amount shall increase to Nineteen Cents (\$.19) per hour for each hour earned by each employee. Effective November 1, 1994 this amount shall increase to Twenty-Two Cents (\$.22) per hour for each hour earned by each employee.

14.5 Apprentices

(a) (i) Indentured Apprentices (except Tower Crane Apprentices) shall be paid in accordance with the following schedule:

- 1,000 to 2,000 hours worked – 50% of Licensed Journeyman Base Rate
- 2,001 to 4,000 hours worked – 65% of Licensed Journeyman Base Rate
- 4,001 to 6,000 hours worked – 80% of Licensed Journeyman Base Rate

The trustees of the Operating Engineers Training Institute of Ontario shall determine at its sole discretion the length of term, the qualifications required to progress to the next term and the scheduling of in school training, and such judgement shall not be made the subject of a grievance.

(a) (ii) Indentured Tower Crane Apprentices shall be paid in accordance with the following schedule:

- 1,000 to 2,000 hours worked – 50% of Licensed Journeyman Base Rate
- 2,001 to 4,000 hours worked – 75% of Licensed Journeyman Base Rate

The trustees of the Operating Engineers Training Institute of Ontario shall determine at its sole discretion the length of term, the qualifications required to progress to the next term and the scheduling of in school training, and such judgement shall not be made the subject of a grievance.

a) (iii) When an apprentice has accumulated 6,000 hours worked or credited (or 4,000 hours worked or credited in the case of tower crane apprentices) and has not yet attended his or her final training session at the Operating

Engineers Training Institute of Ontario the apprentice shall continue to be paid at the apprentices most recent rate of pay until the completion of formal training at the Operating Engineers Training Institute of Ontario and the receipt of his or her final results from the Operating Engineers Training Institute of Ontario.

(b) All Apprentices must register at the appropriate Union District Office in their area and also on the master list at the Training Centre.

(c) Employers shall request Apprentices through the Union District Offices who, in turn, will notify the Training Fund at 38 Commercial Road, Toronto. All dispatching of Apprentices shall be done from the appropriate Union District Office under the direction of the Training Fund.

(d) Present oiler-drivers will remain and as additional personnel are required, indentured Apprentices will be dispatched to the Employer in accordance with Article (c) above.

(e) Employers will make every effort to keep Apprentices on a steady basis in order to complete their apprenticeship hours as quickly as possible.

(f) Each Apprentice shall, as a condition of employment, be required to comply with and complete all apprenticeship requirements including completing all required hours of work under appropriate conditions including proper rates of pay, appropriate work experience and the attendance of all training courses as specified by the Training standards of the Operating Engineers Training Institute of Ontario.

(g) An Apprentice who:

- (1) Completes his hours of on-the-job training.
- (2) Completes all related training.

(a) A new Trainee entering the industry who has taken pre-employment training at the Training Institute will work for his first 1,000 hours at fifty percent (50%) of the current base rate for the machine which he is operating.

(b) When a Trainee has completed his first 1,000 hours plus all of the related training provided for in the Training Standards of the Training Fund, and after written assessment by the Employer, and the Training Fund, each Trainee will be employed for the next 1,000 hours at sixty percent (60%) of the current base rate for his classification.

^{2-5/A}(c) When a Trainee has completed 2,000 hours plus all of the related training provided for in the Training Standards of the Training Fund, and after written assessment by the Employer, and the Training Fund, each Trainee will be employed for the next 1,000 hours at seventy-five percent (75%) of the current base rate for his classification.

(d) After completion of 3,000 hour of on-the-job training and all related training as from time to time specified by the Training Fund the Trainee will then fit into the work force at the rate of pay provided for in the Collective Agreement.

(e) Employers shall request Trainees through the Union District Offices who, in turn, will notify the Training Fund at 38 Commercial Road, Toronto. All dispatching of Trainees shall be done from the appropriate Union District Office under the direction of the Training Fund.

14.7 Ratio of Apprentices and Trainees

The ratio of Apprentices and Trainees employed by the Employer may be a minimum of one (1) Apprentice or Trainee to each five (5) Journeymen Operating Engineers in his employ, but in all cases, the ratio shall be a minimum of (1) Apprentice or Trainee to each Ten (10) Journeymen Operating Engineers or as otherwise authorized in writing by the Union.

14.8 Recall of Apprentices and Trainees

Apprentices and Trainees laid off due to lack of work may be recalled by their respective Employer, through the Union District Office, at any time during a one year period provided the Apprentice or Trainee was employed by the Employer for more than ninety (90) working days and is available for work.

14.9 Log Books

Each Apprentice and Trainee will be required to keep a daily work record with each Employer and a copy will be supplied to the Training Institute every thirty (30) days. Failure to do so may result in disciplinary action by the Training Fund.

14.10 It is understood and agreed that no employee will receive a reduction in wages or other benefits because of the introduction of this Apprenticeship and Training Programme.

ARTICLE 15 - HOURS OF WORK

*34
4000*

15.1 It is understood and agreed, that the standard work week shall consist of five (5) days Monday to Friday.

Eight (8) hours shall constitute a day shift except as noted herein, the said regularly assigned hours to be from 8:00 a.m. to 4:30 p.m., with a one-half (1/2) hour lunch period without pay.

The starting time and the quitting time may be varied up to one (1) hour by agreement between the Union and the Employer. Such agreement shall not be unreasonably withheld.

Note: If the starting and quitting time is required to be varied due to job requirements, this Schedule will be used as a guide with the same principles of scheduling to apply

17.3 Applicable to Shift work on industrial Projects within the Geographic Area covered by Schedule "F" – Sarnia Area Schedule.

(a) When an employee has been scheduled by the Employer to work the entire work week but loses a day's work (or part thereof) due to a change in his shift during such work week, he will be paid that day's wages (or part thereof) up to a maximum of eight (8) hours pay as a result of the shift change.

(b) When shift work outside the normal hours is worked, payment shall be on the basis as set out in 17.2 (c).

ARTICLE 18 – MEALS AND REFRESHMENT BREAKS

39) A.C.
3-1-1

18.1 Where an employee is continually employed for more than two (2) hours beyond the normal quitting time of his shift, he shall be provided with a hot meal where practicable and allowed time at straight time rates of pay to eat, and this formula shall apply for each additional four (4) hours of work thereafter.

18.2 It is agreed that all employees of the Employer will be permitted time in each one-half (1/2) of their respective shifts to drink coffee, or like refreshments, on the job, during regular working hours and shift work. The time of these breaks is to be determined by the project superintendent or job foreman.

ARTICLE 19 – REPORTING ALLOWANCE

46/08
19.1 An employee who reports for work as usual and who, through circumstances beyond his control, cannot complete the day's work, shall be paid for eight (8) hours (or as set out in the appropriate Schedule attached hereto). However, he shall remain at work on maintenance of his machine or other equipment coming within his craft, unless released by the Foreman.

48/0
**ARTICLE 20 – RECALL AND PREMIUM TIME
CALL-OUT**

20.1 When an employee is recalled to work after completion of his normal day's work, Monday to Friday inclusive, he shall be paid a minimum of three (3) hours' pay at the applicable premium rate.

20.2 When an employee is required to report for work on a Saturday, Sunday or Holiday, he shall be paid a minimum of four (4) hours at the applicable premium rate. In the event an employee is recalled to work on a Saturday, Sunday or Holiday, he shall be paid a minimum of a further four (4) hours at the applicable premium rate.

**ARTICLE 21 – COMMUTING, INITIAL TRAVEL
AND LIVING ALLOWANCE**

21.1 Commuting, Initial Travel and Living Allowance shall be as set out in the appropriate Schedule attached hereto.

ARTICLE 22 – CAMP ACCOMMODATION

22.1 Living Allowance will not apply where employees can be accommodated at a Camp arranged for by the Employer,

in which case the Employer will pay the cost of the accommodation provided. However, an employee, if he so chooses, may accept the applicable Living Allowance in lieu of the accommodation provided by the Employer.

22.2 Where camp accommodation is not provided for in the attached Schedules, camp conditions shall be determined at a pre-job meeting.

22.3 The Employer will arrange to keep the cafeteria open for a reasonable time after work to permit employees to clean up before eating.

**ARTICLE 23 – CAMP RULES AND REGULATIONS –
(Applicable to Schedule “N” only)**

23.1 When the Parties to this Agreement are responsible for the building of a camp for board and housing accommodation, the following shall apply:

23.2 Camp accommodation, standing and mobile, will be built and installed by members of Trade Unions recognized by the Building Trades Council.

23.3 It will not be a violation of this Agreement if the members of the Union refuse to occupy camps, whether standing or mobile, if the above clause has not been adhered to.

23.4 The accepted Standard Camp Conditions governing both standing and mobile will be as follows:

Camp Site

Every camp shall be so located that good natural drainage is provided against year round climatic conditions.

Occupancy

No camp shall be occupied before inspection and sanction by the duly authorized Camp Committee. This shall apply to any and all additions.

Accommodations

The Standard accommodation shall be approximately one hundred and twelve (112) square feet of floor space per room for two (2) men. Two (2) enclosed clothes cupboards of at least six (6) square feet of floor space and of sufficient height to allow the hanging of overcoats and the like.

One light for each bed, one light (ceiling) for each room; one wall plug for each bed.

Two (2) beds per room with box spring mattresses at least six (6) feet in length.

One window per room; one mirror per room; one table and two (2) chairs per room; one waste paper basket.

There shall be individual room-controlled heat by valve or damper.

Clean linen once a week, blankets laundered out every three (3) months, or when deemed necessary. New men to be supplied with clean blankets and sheets.

Interior of bedrooms painted including washrooms.

All floors in all rooms to be covered with material other than wood, e.g., linoleum or tile.

Toilet and Washroom Facilities

1 to 15 men -	2 flush toilets
16 to 30 men -	4 flush toilets

and one (1) additional flush toilet for every additional fifteen (15) men thereafter.

There shall be sufficient urinals; one shower for every ten (10) men; one wash basin for every five (5) men; to be of the porcelain type (as in household bathrooms); one mirror to each basin.

One laundry room washing machine, a dual wash tub for every twenty-five (25) men, one separately heated dry room for every housing unit. (The foregoing to be contained in the same building as the sleeping quarters). One dryer to be located in the laundry room.

Recreation

Recreation rooms shall be supplied. Smokes and soft drinks shall be available.

Outside walls of the above to be completely closed-in cold weather.

Sidewalk to be provided between the living quarters, from living quarters to dining rooms and recreation rooms.

The above to be Standards for Stationary or Permanent type camps. In the initial construction of the above, the camp construction workers in areas where there are no hotel accommodations, shall construct such housing as is necessary for them (this is not a tent).

When bunkhouses are built to the degree that they can be occupied, the camp construction workers shall **move** into such quarters and their original buildings shall be disposed of or not used for lodging from time to time.

Mobile Camps

In the matter of mobile camps, such mobile camps are acceptable providing the Standards of accommodations equal that which are outlined below:

Only trailers that are built, conveyed to the camp site, set up, maintained by members of affiliated Unions to the various Building and Construction Trades Councils will be acceptable.

When trailers are used, they must be spaced not less than seven (7) feet apart and be staggered so that when doors are opened the hallways are not blocked.

Washrooms must be situated so that they are readily accessible by weatherproof walkways from the sleeping trailers.

There must be individual heat in each room occupied by two (2) men by propane heat or the equivalent of not less than 20,000 BTU.

Catering

Cafeteria style of serving meals will be acceptable, providing dishes are carried back by the Culinary Staff. The food shall be of good quality and have the approval of the Camp Committee of Building and Construction Trades Council of Ontario.

There shall be sufficient housekeeping staff supplied by the Culinary Workers to keep the bunkhouses clean, and beds shall be made up each day by such staff.

Kitchen facilities, equipment and food supplies shall be subject to inspection by the duly authorized Camp Committee at any and all times and further all grievances shall be dealt with by said Committee.

ARTICLE 24 – HEALTH PLAN – PENSION PLAN

24.1 The parties hereto agree that the Employee Benefit Plans shall be jointly trusteeed by an equal number of trustees appointed by Employer organizations and a like number of trustees appointed by the Union.

24.2 Effective August 19, 1992, the amount of monies to be paid by each Employer in respect of the Health and Pension Plans shall be Four Dollars and Nine Cents (\$4.09) per hour for each hour earned by each employee in the employ of the Employer. Effective May 1, 1993, this amount shall increase to Four Dollars and Forty-Nine Cents (\$4.49) per hour for each hour earned by each employee in the employ of the Employer. Effective May 1, 1994, this amount shall increase to Four Dollars and Eighty-Nine Cents (\$4.89) per hour for each hour earned by each employee in the employ of the Employer.

24.3 The allocation of the contributions specified under the terms of Article 24.2 above between the International Union of Operating Engineers, Local 793 Members Life and Health Benefit Trust of Ontario and I.U.O.E., Local 793, Members Pension Benefit Trust of Ontario shall be as mutually agreed by the Health and Pension Trustees, and shall be distributed by an independent administrator appointed by mutual agreement of the Health and Pension Trustees.

24.4 (i) These monies shall be remitted in accordance with this Collective Agreement and shall be remitted by the 15th day of the month following the month in which the hours have been earned, together with supporting information entered on a Reporting Form as designated by the Trustees and at no time shall the contributions be paid directly to the employee.

(ii) In the event an Employer fails to remit any contributions, deductions or remittances for the Health Plan, the Pension Plan, dues, fees or assessments pursuant to Article 3, I.U.O.E., Local 793 Trades Training Fund pursuant to Article 14, Working Dues Check-off or Employer Labour Relations Fund, by the 15th day of the month due, the Employer shall pay to the appropriate fund as liquidated damages and not as a penalty, an amount equal to three percent (3%) per month, compounded monthly (42-6% per annum) for any delinquent contributions, deductions or remittances fifteen (15) days in arrears calculated from the date due, provided the Employer has received five (5) days prior written notice to correct such delinquency and has not done so.

(iii) With reasonable cause, the Trustees may request an Employer to submit to them within a stipulated period a certified audited statement of payroll contributions to these

funds for a period not to exceed the period from the effective date of this Agreement until the date the audit takes place. Such statements shall reply to the questions submitted to the Employer by the Trustees.

(iv) If the Employer does not submit the certified audited statement as per Article 24.4 (iii), the Trustees may appoint an independent chartered accountant to enter upon the Employer's premises during the regular business hours to perform an audit of the Employer's records only with respect to the Employer's contributions or deductions to the required Employee Benefit Plan.

(v) Where the Trustees appoint an auditor the cost shall be borne by the appropriate plan.

24.5 In the event such audit reveals that the Employer has failed to remit contributions in accordance with the provisions of this Agreement, the Employer shall, within five (5) days of receipt of written notice from the Trustees, remit all outstanding contributions together with any liquidated damages required under the terms of Article 24.4 (ii) above and completed supporting contribution report forms as required by the Plan.

24.6 When an Employer fails to remit all delinquent contributions the provisions of 24.4 (ii) shall apply and the Union, on instructions from the Trustees, shall immediately institute proceedings against the delinquent Employers under Section 124 of the Labour Relations Act of Ontario. All costs of such actions shall be borne by the appropriate plan or fund unless otherwise recoverable.

24.7 Where the Union has taken prior proceedings and obtained a decision against an Employer for delinquent contributions, deductions or remittances, the Union may require the said Employer to post a cash bond or certified cheque not to exceed Twenty Thousand Dollars (\$20,000.00) to be held in trust by the Trustees for a period to be determined by the Trustees. In the event that the said Employer again becomes delinquent for contributions, deductions or remittances, the Union and/or the Trustees may apply the cash bond or certified cheque, or any portion thereof, to satisfy the delinquency and require the Employer to replenish the cash bond or certified cheque in a higher amount. In the event that the cash bond or certified cheque does not satisfy the full amount of the delinquency, the Union may take other proceedings to recover the balance.

24.8 If an Employer does not have any employees in his employ, he shall submit a NIL report in accordance with the provisions of 24.4.

24.9 The trustees of the employee benefit plans referred to in this Collective Agreement shall promptly notify the Union of the failure by the Employer to pay any employee benefit contributions required to be made under this Collective Agreement and which are owed under the said plans in order that the Programs Administrator of the Employee Wage Protection Program may deem that there has been an assignment of compensation under the said program in compliance with the Regulations of the Employment Standards Amendment Act, 1991 in relations to the Employee Wage Protection Program.

24.10 Working Dues Check-Off

The Employer agrees to deduct from each employee in the bargaining unit, working dues at the rate of two percent (2%) of the straight time hourly rate for each hour earned by each employee. Schedule "D" working dues shall be deducted at the rate of one and one-half percent (1-1/2%).

Such deductions shall be forwarded along with the remittances required under Article 24.2 and 24.3 and supporting information shall be as required by the Trustees on the Reporting Forms.

Such deductions shall be immediately paid to the Union by the Administrator of the Plans.

The Union agrees to hold harmless and indemnify the Employers, the Employer Bargaining Agency and the Trustees against any liability incurred as a result of deductions made under 24.10 above.

24.11 (i) Each Employer bound by this Agreement shall contribute an amount per hour, as set out in the applicable Schedule, for each hour worked by each employee covered by this Agreement as such Employer's contributions to the administrative costs of the applicable Association.

(ii) The Employer shall remit such contributions with the other contributions under Articles 24.2; 24.3 and 24.9 together with the supporting information as required by the Trustees on the Reporting Form.

(iii) Such contributions shall be immediately paid to the Local or trade Association by the Administrator of the Funds.

(iv) The Employer Bargaining Agency agrees to hold harmless and indemnify the Union and the Trustees against any liability incurred as a result of contributions made under 24.11 (i).

ARTICLE 25 – GENERAL *63-11-10-5*

25.1 An employee shall be granted a leave of absence for vital personal reasons, or to attend a Union Convention or Jury Duty. ~~Such leave~~ shall be revoked if an employee works ~~at the trade~~ during such leave. A leave of absence will be granted to a regular employee for a period of up to one (1) year to serve in a full time position with the Union. Such requests shall be in writing.

25.2 Operators required to operate equipment in more than one rate classification during the same shift shall be paid the highest classification rate for the equipment operated.

25.3 Employees involved in maintenance repair or similar work shall be allowed ten (10) minutes to store tools and wash up. *S-2, C*

25.4 Regular operators of equipment and/or crews shall not be replaced by foremen, mechanics, those above the rank of foreman and other operators, for the purpose of overtime unless the regular operator or crews voluntarily decline such work; in which case other regular operators or crews shall be given the first opportunity to perform such work.

25.5 Employees required to work under air pressure shall be governed by the time limits in the Caissons Act and shall receive not less than a full eight (8) hours pay in addition to such other pressure bonus which is in effect. *S-2, D*

25.6 Where employees are required to operate tugs or work boats their regular trade classification rate shall apply.

25.7 in the event that any equipment currently listed in the classifications set out in the Schedules attached hereto might or will be run by remote control or semi-automatic, such equipment will continue to be operated by members of Local 793.

ARTICLE 26 – MANNING OF EQUIPMENT

26.1 (a) The parties agree that the following formula will be used for the purpose of manning certain equipment set out in the Classifications 1 and 2 of the attached Schedules, save and except Schedule “C”.

(b) It is further agreed that this formula shall apply to each Employer on any one job.

(c) The following shall be manned by one (1) operator and one (1) apprentice, oiler or viler driver.

(i) **All** conventional truck mounted cranes with a manufacturers rating of 25 tons capacity and over.

(ii) **All** crawler cranes with a manufacturers rating of 70 tons capacity and over.

(iii) All truck mounted hydraulic cranes (including all terrain cranes) with a manufacturers rating of 50 tons capacity and over.

(iv) All rough terrain type cranes with a manufacturers rating of 65 tons capacity and over.

(v) All rubber mounted cranes used for pile driving.

(vi) All G.C.I. type cranes.

(vii) **All** backhoes, shovels, clams & draglines with a capacity over 1-3/4 cubic yard.

(viii) All caisson boring type equipment over 25 horsepower.

(d) The following shall require one (1) apprentice, oiler or oiler driver for each two (2) pieces of equipment on a job.

(i) Climbing, tower, traveller, hammerhead, skyway, kodiak and kangaroo type cranes.

(ii) Crawler type cranes with a manufacturers rating under 70 tons capacity.

(iii) Cranes used for piledriving, other than those in Article 26.1 (c) (v) above.

(iv) Backhoes, shovels, clams and draglines with a capacity of 1-3/4 cubic yards and under.

(e) The following shall require one (1) apprentice, oiler or oiler driver for each three (3) pieces of equipment on a job.

(i) Rough terrain type cranes with a manufacturers rating under 65 tons capacity.

- (ii) Truck mounted cranes other than those in Article 26.1 (c) (i) and (iii) above.

26.2 The classifications set out in the attached Schedules shall include all similar equipment, with or without attachments, in each group working on land or water or underground; and shall be manned and/or operated by members of I.U.O.E., Local 793. Rates for new types of equipment not presently used by the Employer shall be classified and agreed upon by the Union and the Employer as conditions indicate.

However, the Union shall be notified in advance of intended use of such equipment and said rates shall be incorporated within fifteen (15) days of such operation.

27 -- ARTICLE 27 -- PAY EQUITY

27.1 The parties agree that as of January 1st, 1990, there are no female dominated job classes within the bargaining unit and therefore, there are no pay equity adjustments required.

This statement is deemed to constitute the Pay Equity Plan for the Employer Bargaining Agency and the Employee Bargaining Agency.

ARTICLE 28 -- HUMAN RIGHTS

Whenever the masculine gender is used in this Agreement the Agreement shall be read as if the feminine gender was included, and all the terms and conditions of this Agreement shall be applied equally to all members of the Union without discrimination of any nature whatsoever because of race, sex, religious beliefs; political opinions or any other ground prohibited by the Ontario Human Rights Code.

ARTICLE 29

1.7 Employees working under classification 1.1 (a) and 1.1 (b) and who are required to transfer to a lower paid classification shall not receive a reduction of wages for the balance of the week in which the transfer occurs.

25, C/1
 1.8 Apprentices, trainees, oilers or drivers, shall not operate equipment unless a licensed engineer who is a member of the Union employed by the Employer is in attendance at all times.

1.9 Equipment operators and crews shall not be replaced by mechanics, working foremen, those above the rank of working foremen, or relatives of management for the purpose of overtime.

1.10 It shall not be considered a violation of this Agreement for employees to refuse to be transported in the cabs of cranes and the Employer shall not make this a condition of employment.

1.11 If oilers or oiler drivers are employed as signal men for other than their normal duties as part of a regular crew they shall be paid Class 1.5 rates.

1.12 Employees required to use or transport the Employer's equipment shall be paid at their classification rate including overtime rate for doing so.

1.13 Helicopters required to replace other types of hoisting equipment normally operated by members of the Union shall not be used without clearance under permit from the Union.

ARTICLE 2 – SENIORITY

2060

2.1 When a new employee has accumulated sixty (60) working days of employment within a period of three hundred and sixty-five (365) consecutive calendar days, he shall be defined as a regular employee, and his seniority will then date back to his original starting date with the Employer.

2.2 When it is necessary to lay-off regular employees or rehire regular employees who have been laid off, the employees to be laid off or rehired shall be selected on the basis of seniority combined with performance of work assigned within their classifications. Seniority records shall be maintained by the employer and shall be posted, and the Union shall be issued a copy on request.

- 2.3 A regular employee shall lose his seniority if he:-
- (a) Voluntarily quits the employ of his Employer.
 - (b) Is discharged and not re-instated through the grievance procedure.
 - (c) Is laid off and is not re-employed within 180 days from lay-off. ²⁴⁰⁰⁶
 - (d) Fails to return to work within eight (8) days after he has been notified by the Union or if he fails to advise the Union within six (6) days of receipt of notice of his intention to return.

2.4 A regular employee who is requested to return to work and who is not immediately available may be passed over and a more junior employee may be called instead, subject to displacement by the more senior employee when he does report for work within eight (8) days of notification to do so.

2.5 When a regular employee fails to report for work or is unable to report or must cease to work for personal reasons, the Employer may recall employees laid off to fulfil the work assignments of such employee and the replacement employee shall be paid for the whole of the week or for such days as he was required to replace the employee normally holding that job.

2.6 An Apprentice who obtains an operator's license and has acquired regular status with the Company shall be given the first opportunity for promotion to an operator before a probationary employee is engaged.

2.7 (a) Seniority as a journeyman licensed engineer shall be from his date of hire or assignment as an operator as the case may be, subject to the provisions of 2.1 above.

(b) Seniority as an oiler driver shall be from his date of hire as an oiler driver, subject to the provisions of 2.1 above.

(c) Licensed engineers may elect to drive or oil in keeping with their seniority status provided they accept the drivers rate. Licensed engineers shall have seniority over more junior oiler drivers but not apprentices.

(d) Seniority as an apprentice shall be from his date of hire and only apprentices shall have seniority over apprentices, subject to the provisions of 2.1 above.

ARTICLE 3 – TRAVELLING EXPENSES

3.1 If an employee is required to use his automobile in the course of his duties, he shall be paid:

Effective

August 19th, 1992 – 7.4¢/km/44.2¢ mile for each km/mile travelled.
May 1st, 1993 – 28.2 ¢/km/45.5¢ mile for each km/mile travelled.
May 1st, 1994 – 29.1 ¢/km/46.9¢ mile for each km/mile travelled.

3.2 Employees shall be paid their applicable rate for time spent travelling from yard to job, job to job and job to yard. This shall apply when employees are required to leave or return to or from their home base. For the purpose of this clause employee's home shall be considered to be one and the same as home base agreed to in Article 4.6.

3.3 If an employee is required to use his car to travel to job sites within eighty (80) kilometres (50 miles) of his home base, he shall be provided with a minimum of five (5) gallons of gasoline for each day that he is required to use his car up to a maximum of twenty (20) gallons per week. Such gasoline will be obtained from a supply source authorized by the Employer. An employee may claim either the gallonage allowance under this Article or the mileage allowance under 3.1, but not both simultaneously.

3.4 An employee boarding at an out-of-town project (outside the eighty (80) km (50) mile zone) shall be paid his car mileage (3.1) or gasoline allowance (3.3) in order to travel to job sites and return to lodgings or to follow equipment, in the same manner as if the employee was working from home base.

ARTICLE 4 – COMMUTING AND LIVING ALLOWANCE

4.1 Where the distance is greater than forty (40) kilometres (25 miles), the following commuting and living allowance shall apply based on radius from home base:

PER DAY WORKED

Kilometres	Miles	August 19th, 1992	May 1, 1993	May 1, 1994
(a) Over 40 km up to 65 km	Over 25 miles up to 40 miles	\$14.74	\$15.18	\$15.64
(b) Over 65 km up to 80 km	Over 40 miles up to 50 miles	\$18.95	\$19.52	\$20.11
(c) (i) Over 80 km up to 120 km	Over 50 miles up to 75 miles	\$37.88	\$39.02	\$40.19
(ii) Over 120 km up to 160 km	Over 75 miles up to 100 mile			

If an employee chooses to remain overnight while employed on a job in this zone the Room and Board Allowance set out in 4.1 (d) (ii) will apply. Where the employee commutes daily the provisions of 4.1 (c) (i) will apply.

(d) Over 160 kilometres (100 miles) –

(i) An employee who is required to be away for more than four (4) days between Monday and Sunday inclusive, in any week, shall be paid:

August 19th, 1992	May 1st, 1993	May 1st, 1994
\$399.82	\$411.81	\$424.16

(ii) An employee who is required to be away for four (4) or less days between Monday and Sunday, inclusive, in any week, shall be paid: (see below) each day he is required to be away.

August 19th, 1992	May 1st, 1993	May 1st, 1994
\$68.58	\$70.64	\$72.76

(e) When an employee being paid under 4.1 (d) (ii) above is required to return to home base at the applicable rate and is not required to stay away overnight, the following allowance will be paid for meals taken in lieu of Board Allowance:

BREAKFAST AND LUNCH

August 19th, 1992	May 1st, 1993	May 1st, 1994
\$7.53	\$7.76	\$7.99

SUPPER

August 19th, 1992	May 1st, 1993	May 1st, 1994
\$15.04	\$15.49	\$15.95

Where an employee is required to operate a personal vehicle, then in addition to the provisions of 4.1 (e) the employee will be paid mileage in accordance with Article 3.3 above.

4.2 Where lakes or other waterways interfere with the computation of kilometres by radius, travel mileage by shortest direct and practical automobile route will be used to compute car allowance and living allowance referred to in 4.1.

4.3 The living allowance shall be paid in advance and shall not be deducted from an employee's pay due to inclement weather or statutory holidays, provided such employee is available for work prior and immediately following such days.

4.4 Where a job is more than three hundred and twenty-two (322) kilometres (200 miles) from an employee's home base the employee shall be paid return plane fare or equivalent every four (4) weeks.

4.5 If an employee is required to report to an out-of-town project on a Friday he shall be paid (as set out below) per day on Saturday and Sunday of the first weekend or his time at the appropriate rates and in addition transportation home and return to the project.

August 19th, 1992	May 1st, 1993	May 1st, 1994
\$68.58	\$70.64	\$72.76

4.6 The employee's home base shall mean the City Hall closest to the Employer's home base or such other Town or City Hall as the parties may agree to in writing.

4.7 The Employer shall pay time at the employee's classification rates and overtime, and transportation to home and car for personnel left on the job sites without normal methods of conveyance.

4.8 If an employee is required to stay out overnight he shall be paid full expenses with the maximum being not more than as described in Paragraphs (d) and (e) of 4.1 above.

4.9 Travel, commuting and living allowance will not be payable to an employee, regardless of the distance to a job site when an employee leaves home base and returns on the same day and is being paid the applicable hourly rate while operating a Company vehicle. Where the employee is required to operate a personal vehicle mileage will be paid in accordance with Article 3.1 above.

**ARTICLE 5 - EMPLOYER LABOUR
RELATIONS FUND**

5.1 The contributions referred to in Article 24.11 (i) of the Master Portion to this Agreement shall be in the amount of Thirteen Cents (\$.13) per hour for each hour worked by each employee covered by this Schedule, with the exception of members of the Ottawa Crane Rental Association who will continue to contribute at the rate of Five Cents (\$.05) per hour for each hour worked by each employee. Effective May 1st, 1993 this amount shall be increased to Seven and One-Half Cents (\$.075) per hour.

SCHEDULE "B"

This Schedule shall cover and apply to Employers engaged in the STEEL ERECTION OR MECHANICAL INSTALLATIONS BUSINESS within the Province of Ontario.

1.7 Apprentices, trainees, oilers or drivers, shall not operate equipment unless a licensed engineer who is a member of the Union employed by the Employer is in attendance at all times.

1.8 An equipment foreman shall be employed by the Employer for every ten (10) members on site at a premium rate of Two Dollars (\$2.00) per hour over Class 1.2 (a) rates. He shall be a qualified journeyman and a member of the Union.

1.9 On equipment, when oiling and greasing cannot be performed during the regular working hours, the employee operating such equipment shall be paid for one-half (1/2) hour at his applicable rate of pay for oiling and greasing which he performs before or after the regular working day. When an employee is required to warm up equipment prior to the regular starting time he shall be paid at the applicable rate.

1.10 It will not be considered a violation of this Agreement for employees to refuse to be transported in the cab of mobile cranes and the Employer shall not make this a condition of employment.

1.11 Where employees are required to ride in the Employer's vehicles other than cranes in cold weather, such vehicles shall be adequately heated.

1.12 On request of the Engineer, a maintenance repair manual shall be supplied by the Employer.

1.13 An operator's Log Book shall be kept on every hoist for the purposes of recording repairs or adjustments and the operator shall be responsible for making the required entries.

1.14 If a signalman is requested from the Union, he shall be paid under Class 1.5 rates.

1.15 The Employer agrees that regular operators, oiler drivers and trainees will not be laid off in order to circumvent the payment of living out and travel allowance.

1.16 When Ironworkers engaged in steel erection are available on site, they may be used to assist in the installation and removal of boom, boom sections and counterweight components without seeking agreement from the Union as specified in Article 2.2 of the Master Portion.

**ARTICLE 2 – COMMUTING, TRANSPORTATION
AND TRAVEL EXPENSE ALLOWANCE**

2.1 (a) Area Union Hiring Halls are located in the following locations: –

Windsor	Belleville
Sarnia	Ottawa
London	Sudbury
Cambridge	Sault Ste. Marie
Hamilton	Thunder Bay
Toronto	Timmins (dispatched by Sudbury Office)

(b) Steel Erection Only

The commuting and board allowance as set out in 2.1 and 2.2 below will be paid from the City Hall at the Employer's home base (location of their main office in Ontario). Where additional employees are required, commuting and board allowance will be paid from City Hall in the City from which such employees are dispatched, with the mileage being computed on the basis of road miles by the most direct practical route.

(c) Mechanical Installation Only

When an employee is sent by the Employer to a project beyond the free zone, the Commuting and/or Living Allowance as set out below will be paid from the City Hall at the Employer's home base (location of their main office in Ontario). Where additional employees are required, the Employer shall call the closest area Union hiring hall to the project for his requirements. The area dispatcher will attempt to supply qualified area members to fill the Employer's needs. If no qualified area members are available, the dispatcher will then call the next closest area Union hiring hall for the required employees (this shall be done on a fan-out basis from the project). When a suitable employee is located, and if authorized by the Employer is dispatched, the Commuting and/or Living Allowance as set out below shall apply from the City Hall closest to the area Union hiring hall in which the employee is registered.

Notwithstanding Article 3.1 in the Master Portion of this Agreement, the Employer further agrees to hire only members of Local 793.

(d) **Commuting Allowance**

NO ALLOWANCE – 0 – 24 kilometres (15 Miles)

2.2 Expense Allowance

(a) The following expense allowance will be paid to an employee who is sent to a job beyond the forty (40) kilometre (25 mile) Commuting Zone.

PER DAY WORKED

Kilometres	Miles	August 19th, 1992	May 1, 1993	May 1, 1994
Over 40 km up to 80 km	25 miles up to 50 miles	\$21.08	\$21.68	\$22.33
Over 80 km up to 120 km	50 miles up to 75 miles	\$33.65	\$34.66	\$35.70
Over 120 km up to 139 km	75 miles up to 86 miles	\$39.07	\$40.24	\$41.45
Over 139 (seven days per week)	86 miles (seven days per week)	\$60.26	\$62.07	\$63.93

(b) It is also agreed that if employees are required to report to an out-of-town job on Friday, they shall receive the applicable Expense Allowance for Saturday and Sunday of the first week-end or their transportation home and return at the discretion of the Company, provided that the employee is required to and does work the following Monday at the out-of-town job.

(c) Expense Allowances will not be deducted from an employee's pay due to inclement weather or a Statutory Holiday. However, if an employee fails to report to work when work is available on the working day immediately preceding or following such bad weather days or Statutory Holidays, he shall forfeit his Expense Allowance for such absenteeism and for the bad weather days or Statutory Holiday. An employee shall forfeit Expense Allowance if he refuses to work when instructed by the Foreman on any working day,

(d) Employees required to live away from home to work on a job where an Expense Allowance is applicable, will receive, for part or ail of the first week away, Monday to Sunday inclusive, a daily allowance of the applicable Expense Allowance for the location of the job and the cost of their room, authenticated by a voucher, up to a maximum total expense; as applicable for part or all of the week. This does not apply for jobs of a duration greater than one (1) full week. If the employee is transferred to another location, necessitating new lodgings during the week, this formula will be re-applied.

\$421.79	\$434.44	\$447.47

(e) Commuting or Board Allowance is not payable, regardless of distance to the job site, when the employee leaves his home base and returns the same day and is being paid the applicable hourly rate.

2.3 Transportation and Travelling Allowance

(a) When an employee is sent to a job beyond the forty (40) kilometre (25 mile) zone as noted above, the Employer will pay:

August 19th, 1992	May 1st, 1993	May 1st, 1994
31.7¢ per kilometre	32.6¢ per kilometre	33.6¢ per kilometre
51.1¢ per mile	52.6 ¢ per mile	54.2¢ per mile

Mileage to be computed on the basis of the most direct practical route.

Where automobile travel is inappropriate the Employer will pay transportation expense of air or train travel, plus berth if necessary, plus the applicable expense allowance, provided that the employee stays on the job continuously for the duration of the job or two (2) months, whichever is the lesser.

When an employee works continuously on a project which is beyond four hundred and eighty kilometers (480) km (300 miles) from the appropriate City Hall he shall receive an amount equal to one return plane fare from the nearest airport to the project, to his home every sixty (60) calendar days.

(b) When employees are requested to use their own transportation to accompany equipment from shop to job, job to job, and return, they shall be paid:

August 19th, 1992	May 1st, 1993	May 1st, 1994
31.7¢ per kilometre 51.1¢ per mile	32.6¢ per kilometre 52.6 ¢ per mile	33.6¢ per kilometre 54.2¢ per mile

(c) The Employer will pay prevailing straight time rates of pay to an employee required to travel during regularly assigned operating hours, day shift only. No travelling time outside of these hours will be paid for except in special cases at the discretion of the Employer. If the Employer authorizes travel time outside of regularly assigned hours, such time will be paid at applicable premium rates.

(d) When employees are requested to accompany equipment to and from job sites outside of regularly assigned hours, they shall be paid at overtime rates.

(e) The Employer shall provide or pay for the transportation to the car or home if requested, for personnel left on a jobsite without their normal method of conveyance. If this travel takes place after normal working hours the employee shall be further compensated to a maximum of one (1) hour at straight time.

(f) On Industrial Plant projects or Construction Site projects the Employer and the Union will negotiate an arrangement to transport or compensate employees where excessive walking time is involved.

ARTICLE 3 – EMPLOYER LABOUR RELATIONS FUND

3.1 The contributions referred to in Article 24.11 (i) of the Master Portion to this Agreement shall be in the amount of Five (5) cents per hour for each hour worked by each employee covered by this Schedule.

SCHEDULE "C"

This Schedule shall cover and apply to Employers engaged in the FOUNDATION, PILING AND CAISSON BORING BUSINESS within the Province of Ontario.

1.5 When engineers are required to operate equipment of a lesser rate, they shall maintain their established rate.

1.6 Other types of equipment or classifications under the jurisdiction of the International Union of Operating Engineers, not appearing in this wage schedule, shall be classified as per appropriate rates, under the recognition of such classifications listed in Schedule "J".

1.7 Salaried employees, or employees who operate only part time shall not replace regular operators when overtime is to be worked.

ARTICLE 2 - NO STRIKES, NO LOCKOUTS

2.1 In view of the grievance and arbitration procedure provided in this Agreement, it is agreed by the Union that there shall be no strike or stoppage of work, either complete or partial, and the Employer agrees it shall not be considered a violation of this Agreement for an employee to refuse to cross a picket line established by the Toronto Building Trades Council, or to refuse to operate equipment rented from non- Union contractors, or to cease to work for failure of Employer to correct pay shortages, or being late in wage payments, or Health & Pension Plan contributions.

ARTICLE 3 - HOURS OF WORK AND OVERTIME

Notwithstanding the provisions of Articles 15 and 16 of the Master Agreement, the following conditions shall apply to employees working under the terms of this Schedule:

3.1 Hours of Work

The standard work week shall be fifty (50) hours from Monday to Friday inclusive. The standard work day shall

not be more than ten (10) hours per day at straight time between 7:00 a.m. and 6:00 p.m. Such starting and quitting times may be varied by mutual agreement between the Union and the Employer

3.2 Overtime

All time worked by an employee in excess of ten (10) hours per day Monday to Friday inclusive, shall be paid at time and one-half (1-1/2) the regular hourly rate.

3.3 All hours worked on Saturday and Sunday shall be paid for at double (2x) the regular rate.

ARTICLE 4 – INCLEMENT WEATHER REPORTING ALLOWANCE.

4.1 Two (2) hours' pay together with travelling expenses, whenever applicable, shall be allowed by the Employer when an employee covered by this Agreement reports for work at the Employer's shop or job but work is not available due to inclement weather provided the employee remains on the job for two (2) hours after his designated starting time.

However, no reporting pay shall be allowed where an employee has been informed not to report for work and such information has been given to him before quitting time on the previous day. If an employee is directed to work and commences to work Article 19.1 of the Master Portion of this Agreement shall apply.

ARTICLE 5 – TRAVELLING EXPENSE

5.1 (a) Toronto Area Based Employers

There shall be no travelling expense allowed for all work within an area bounded on the West by Hwy. #27, on the North by Hwy. #7 and on the East by Hwy. #48, extended to Lake Ontario.

(b) Other than Toronto Area Based Employers

There shall be no travel allowance paid for all work performed within a sixteen (16) kilometre radius from the City Hall in the City where the Employer's Head Office is located or as otherwise agreed to by the Employer and the Union, in writing.

5.2 Effective August 19th, 1992 travelling expense at the rate of Twenty-Six Point Five (26.5¢/km)/(42.8¢ mile) Cents per kilometre, each way.

Effective May 1, 1993, this amount shall be increased to Twenty-Seven Point Three (27.3¢ km)/(44.1¢ mile) Cents per kilometre each way.

Effective May 1, 1994, this amount shall be increased to Twenty-Eight Point One (28.1¢ km)/(45.4¢ mile) Cents per kilometre each way, shall be paid for all work beyond the free zone limits as described in 5.1 and up to the geographical area limits of this Agreement.

5.3 Living Out Expense shall be paid on jobs over forty kilometres (40 km) (25 miles) as follows:

		PER DAY WORKED		
Kilometres	Miles	August 19th, 1992	May 1, 1993	May 1, 1994
Over 40 km	25 miles up to			
up to 80 km	50 miles	\$14.99	\$15.44	\$15.90
Over 80 km	50 miles up to			
up to 120 km	75 miles	\$34.28	\$35.31	\$36.37
Over 120 km	75 miles up to			
up to 160 km	100 miles	\$34.28	\$35.31	\$36.37
Over 160 (seven days per week)	100 miles (seven days per week)	\$49.96	\$51.45	\$53.00

If an employee chooses to remain overnight while employed on a job in this zone, the Room and Board Allowance set out in the over one hundred and sixty kilometre (160) (100 Mile) zone will apply. Where the employee commutes daily the payment will be in accordance with the over eighty (80) kilometre (150 Mile) zone.

5.4 Living Out Expense will not be deducted from an employee's pay due to inclement weather or Statutory Holidays. However, if an employee fails to report to work when work is available on the working day immediately preceding and following such bad weather days or holidays, he shall forfeit his Living Out Expense for such absenteeism.

5.5 Employees required to use their cars to travel to job sites or following equipment other than as covered in Paragraph 4.1 above shall be paid:

Effective August 19th, 1992 travelling expense at the rate of Twenty-Six Point Five (26.5¢/km)/(42.8¢ mile) Cents per kilometre, each way.

Effective May 1, 1993, this amount shall be increased to Twenty-Seven Point Three (27.3¢ km)/(44.1¢ mile) Cents per kilometre each way.

Effective May 1, 1994, this amount shall be increased to Twenty-Eight Point One (28.1¢ km)/(45.4¢ mile) Cents per kilometre each way, shall be paid for all work beyond the free zone limits as described in 5.1 and up to the geographical area limits of this Agreement.

5.6 Transportation expenses to out-of-town sites other than as indicated above shall be paid by the Employer.

ARTICLE 6 – EMPLOYER LABOUR RELATIONS FUND

6.1 The contributions referred to in Article 24.11 (i) of the Master Portion to this Agreement shall be in the amount of Thirteen (13) Cents per hour for each hour worked by each employee covered by this Schedule.

SCHEDULE "E"

This Schedule shall cover and apply to Employers engaged in all work other than the work covered by Schedules "A", "B", "C", & "D" hereof and without limiting the generality of the foregoing BUILDING AND CONSTRUCTION WORK within the Counties of Essex and Kent.

1.9 Wellpoint and dewatering systems shall be manned only by **members** of the Union and on a twenty-four (24) hour seven (7) days per week basis when so used.

1.10 Forced air, gas, propane or oil burning temporary heating units shall be serviced and manned only by members of the Union, and shall require a regular attendant when BTU output, single or multiple – on any site – exceeds 300,000 BTU's and where more than five (5) such units are put into operation an additional attendant will be employed for such additional group under the above rating.

1.11 Where five (5) or more members of the Union are employed on any site, a member of the Union shall be assigned as Equipment Foreman. The Equipment Foreman's rate shall be Two Dollars (\$2.00) above the members rate.

1.12 When an oiler is not employed and when oiling and greasing is not performed due to lack of time, during regular working hours, the Engineer operating such equipment shall be paid one (1) hour at his regular day shift rate, for oiling and greasing which he performs before or after his regular working day.

1.13 It will not be considered a violation of this Agreement for employees to refuse to be transported in the cab of mobile cranes and the Employer shall not make this a condition of employment.

1.14 Where employees are required to ride in Company vehicles other than cranes in cold weather such vehicles shall be adequately heated.

1.15 Helicopters shall not be used to replace other methods of hoisting and placing equipment or materials on any site or project without first being cleared by permit from the Union.

1.16 Winch Operators in said helicopters shall be members of the Union.

1.17 Log Books shall be maintained for each piece of equipment and be available at the site for the purpose of recording repairs, or adjustments, maintenance records or reports of unsafe conditions of equipment. Date and time of each entry shall be shown and verified by signature of a Company official.

1.18 Repair manuals will be made available where necessary.

ARTICLE 2 – OVERTIME

2.1 All time worked by an employee before and after his regular shift on Monday to Friday inclusive, except as provided in Article 15.1 of the Master Portion of this Agreement and all hours worked on Saturday and Sunday shall be considered overtime and paid for as follows:

2.2 Time and one-half (1-1/2) the regular rate shall be paid for the first two (2) hours of overtime, Monday to Friday inclusive.

2.3 Overtime for all work performed in excess of the hours noted in 2.2 above and on Saturday and Sunday shall be paid for at double (2x) the regular rate.

ARTICLE 3 – INCLEMENT WEATHER REPORTING ALLOWANCE.

3.1 Two (2) hours' pay together with travelling expenses, whenever applicable, shall be allowed by the Employer when an employee covered by this Agreement reports for work at the Employer's shop or job but work is not available due to inclement weather provided the employee remains on the job for two (2) hours after his designated starting time. However, no reporting pay shall be allowed where an employee has been informed not to report for work and such information has been given to him before quitting time on the previous day.

If an employee is directed to work and commences to work Article 19.1 of the Master Portion of this Agreement shall apply.

ARTICLE 4 – TRAVEL TIME & EXPENSES

4.1 For the purpose of determining the Employer's obligation to supply transportation to employees, the area to which this Agreement applies is divided into zones:

(a) Essex County - Employees providing own transportation. There shall be a free zone within a twenty-four kilometres (24) (15 mile) radius of the Windsor City Hall; no travel time shall be paid to the employees working in this area.

(b) 32 kilometre (20 mile) Limit - When an employee is required to work in an area outside the above free zone up to a distance of thirty-two (32) kilometres (20 miles) in any direction, he shall be paid a travelling allowance of:

August 19th, 1992	May 1st, 1993	May 1st, 1994
\$11.59 per day	\$11.94 per day	\$12.29 per day

(c) Outside 32 kilometre (20 mile) Limit - When an employee is required to work in an area outside of the above free zone and thirty-two (32 km) kilometre area to the boundaries of Essex County he shall be paid travelling allowance of:

August 19th, 1992	May 1st, 1993	May 1st, 1994
\$16.84 per day	\$17.35 per day	\$17.87 per day

4.2 When an employee is required to use his own vehicle to commute to any site he shall receive:

Effective August 19, 1992 - 30.8¢ per Km (49.7¢ per mile) in addition to travel time allowance.

Effective May 1, 1993 - 31.7¢ per Km (51.2¢ per mile) in addition to travel time allowance.

Effective May 1, 1994 - 32.7¢ per Km (52.8¢ per mile) in addition to travel time allowance.

All the above kilometres are to be measured by the most direct automobile route.

ARTICLE 5 - LIVING ALLOWANCE AND ACCOMMODATION

5.1 Where an employee is required to work beyond one hundred and sixty (160) kilometre (100 miles) from point of hire or dispatch, the Employer shall pay expenses per day:

	August 19th, 1992	May 1st, 1993	May 1st, 1994
Minimum	\$48.91	\$50.38	\$51.89
Maximum per week	\$244.55	\$251.90	\$259.45

5.2 In the event a standard set of regulations governing camp accommodations for the Province of Ontario is adopted by the Union and Management, the Company hereby agrees to accept and apply such regulations whenever they apply to its operation.

**ARTICLE 6 – EMPLOYER LABOUR
RELATIONS FUND**

6.1 The contributions referred to in Article 24.11 (i) of the Master Portion to this Agreement shall be in the amount of Fifteen (15) Cents per hour for each hour worked by each employee covered by this Schedule.

SCHEDULE "F"

This Schedule shall cover and apply to Employers engaged in all work other than the work covered by Schedules "A", "B", "C", & "D" hereof and without limiting the generality of the foregoing BUILDING AND CONSTRUCTION WORK within the County of Lambton.

1.8 Employees working underground shall receive Seventy-Five (75) Cents per hour premium pay and their daily work hours shall be governed by the Department of Labour Schedule.

1.9 When seven (7) members of the Operating Engineers are employed on a job or project, regardless of whom the Employer is, the General Contractor shall place a working Equipment Foreman in charge. When the number of Operating Engineer's on a job or project becomes greater than ten (10) this Foreman shall become non-operating.

This shall apply to each shift. He shall also be present when two (2) or more employees are required to work overtime. This foreman will not replace any of the employees for operating or repairing except in an emergency. These foremen shall receive not less than Two Dollars (\$2.00) per hour over the hourly rate of the top rated Operating Engineer on the job.

When ten (10) operators are on the job site, this foreman shall have an assistant who will receive One Dollar and Seventy-Five Cents (\$1.75) per hour over the hourly rate of the top rated Operating Engineer. For every additional ten (10) operating Engineers, an additional assistant foreman will be required and will receive the same rate as above. These foremen must be members of the Operating Engineers Union and remain in good standing.

1.10 Permanent elevators shall not be used as man and material hoists where they have not passed inspection and been licensed under the Elevators Lifts Act, in which case the Contractor or owner concerned will assign the work to members of the Operating Engineers' Union when said elevators are licensed and are converted into man and material operation.

1.11 Wellpoint and dewatering systems shall be manned only by members of the Union.

ARTICLE 2 - INCLEMENT WEATHER REPORTING ALLOWANCE

2.1 Two (2) hours' pay together with travelling expense, whenever applicable, shall be allowed by the Employer when an employee covered by this Agreement reports for work at the Employer's shop or job but work is not available due to inclement weather provided the employee remains on the job for two (2) hours after his designated starting time. However, no reporting pay shall be allowed where an employee has been informed not to report for work and such information has been given to him before quitting time

on the previous day. If an employee is directed to work and commences to work Article 19.1 of the Master Portion of this Agreement shall apply.

ARTICLE 3 – TRAVEL ALLOWANCE AND EXPENSE

When an employee is sent to a job beyond Lambton County, the Employer shall pay transporting expenses as follows:

3.1 When automobile travel is inappropriate the Employer will pay transportation expense of air or train travel, plus berth, if necessary, plus the applicable expense allowance, provided that the employee stays on the job continuously for the duration of the job or two (2) months, whichever is the lesser.

3.2 When an employee works continuously on a project which is beyond 480 kilometres (300 miles) from the appropriate City Hall, he shall receive an amount equal to one return plane fare from the nearest airport to the project, to his home every sixty (60) days.

3.3 When employees are requested to use their own transportation to accompany equipment from shop to job, job to job, and return, they shall be paid:

Effective August 19th, 1992 Twenty-Four Point Nine Cents (24.96 per km) (40.1¢ per mile) or equivalent.

Effective May 1, 1993 this amount shall be increased to Twenty-Five Point Six Cents (25.66 per km) (41.36 per mile) or equivalent.

Effective May 1, 1994 this amount shall be increased to Twenty-Six Point Four (26.4¢ per km) (42.5¢ per mile) or equivalent.

3.4 The Employer will pay prevailing straight time rates of **pay** to an employee required to travel during regularly assigned operating hours per day shift only. No travelling time outside of these hours will be paid for except in special cases at the discretion of the Employer. If the Employer authorizes travel time outside of the regularly assigned hours, such time will be paid at applicable premium rates. This clause does not apply within a three hundred and twenty (320) kilometre (200 mile) radius of the Sarnia City Hall.

3.5 When employees are requested to accompany equipment to and from job sites outside regularly assigned hours, they shall be paid at overtime rates.

3.6 The Employer shall provide or pay for the transportation to their car or home if requested, for personnel left on a job site without their normal method of conveyance. If this travel takes place after normal working hours the employee shall be further compensated to a minimum of one (1) hour at straight time.

3.7 On Industrial Plant Projects or Construction Site Projects the Employer and the Union will negotiate an arrangement to transport or compensate employees where excessive walking time is involved.

TRAVEL ZONES

Free Zone: - Free Zone is defined as the City of Sarnia and Point Edward, east of the St. Clair River, south to the North side of the first Sombra Township road south of Canadian Industries Ltd., then easterly in a straight line to Highway #21 and North on Highway #21 to the junction of Highway #402 and #21, then north to Lake Huron on Plympton Sideroad #15, including any job or project with direct access off Highway #21 or Plympton Sideroad #15.

51.1¢/Mile	52.6¢/Mile	54.2 ¢/Mile

ARTICLE 4 – LIVING ALLOWANCE

4.1 It is understood and agreed that men sent into an area beyond eighty (80) kilometre (50 miles) from their place of residence shall be supplied with suitable free room and board, or a daily living allowance of: The Employer shall have the choice of either. The daily living allowance shall be computed in the following manner:

	August 19th, 1992	May 1st, 1993	May 1st, 1994
Over 80 Km to 160 Km (50 miles to 100 miles) Per Day Worked	\$45.97	\$47.35	\$48.77
Over 160 Km (100 miles) Seven Days per Week	\$53.52	\$55.12	\$56.78

4.2 It is further agreed if an employee travels beyond the eighty (80) kilometres (50 miles) to a job of one week duration or less from whence he does not return daily, he shall receive a living out allowance, travelling expenses, plus the cost of room authenticated by a voucher.

4.3 It is understood and agreed that room and board or living allowance will not be withheld for reasons of inclement weather, holidays, or circumstances beyond the control of the employee. Seven fifths of the daily living allowance shall be deducted from employees for shifts not worked without reason.

4.4 Under special circumstances, when mutually agreed by the parties, the employee may have the privilege of living off the camp site and elect to receive the appropriate board allowance in lieu thereof.

ARTICLE 5 – EMPLOYER LABOUR RELATIONS FUND

5.1 The contributions referred to in Article 24.11 (j) of the Master Portion to this Agreement shall be in the amount of Eight (8) Cents plus GST per hour for each hour worked by each employee covered by this Schedule

SCHEDULE "M"

This Schedule shall cover and apply to Employers engaged in all work other than the work covered by Schedules "A", "B", "C", & "D" hereof and without limiting the generality of the foregoing BUILDING AND CONSTRUCTION WORK within the District of Algoma excluding that portion lying East of a line running North from Blind River to the Southern Boundary of the District of Sudbury.

1.7 When seven (7) or more members of Local 793, I.U.O.E., are employed by the Employer having a job or project of Two Million Dollars (\$2,000,000) or more, the foreman, working or otherwise, shall be a member of the Union. The foreman's rate shall be Two Dollars (\$2.00) over Class 1.2 (a) rates.

1.8 Where punch clocks are mandatory on any job or project, employees shall be allowed punch out time.

**ARTICLE 2 - INCLEMENT WEATHER
REPORTING ALLOWANCE**

2.1 Two (2) hours' pay together with travelling expense, whenever applicable, shall be allowed by the Employer when an employee covered by this Agreement reports for work at the Employer's shop or job but work is not available due to inclement weather provided the employee remains on the job for two (2) hours after his designated starting time. However, no reporting pay shall be allowed where an employee has been informed not to report for work and such information has been given to him before quitting time on the previous day. If an employee is directed to work and commences to work Article 19.1 of the Master Portion of this Agreement shall apply.

**ARTICLE 3 - TRANSPORTATION, TRAVEL TIME,
ROOM AND BOARD**

3.1 When an employee is required to work beyond the area of amalgamated City of Sault Ste. Marie within forty-eight (48) kilometre (30 mile) limit, he shall receive a daily travelling allowance at the rate of Twenty- Nine Point One Cents (29.16) per kilometre (46.9¢ per mile) each way in lieu of travelling time. In the event the Employer does not arrange suitable transportation and the employee agrees to take his own vehicle, the employee providing the vehicle will receive an additional Twenty-Nine Point One Cents (29.16) per kilometre (46.96 per mile). The number of miles in question will be based on the distance from the boundary of the amalgamated City of Sault Ste. Marie to the jobsite. The employee should be at the jobsite at starting time and work his scheduled shift.

Effective May 1, 1993: These amounts shall be increased to Twenty-Nine Point Nine Cents (29.9¢/KM) (48.3¢/Mile).

Effective May 1, 1994: These amounts shall be increased to Thirty Point Eight Cents (30.8¢/KM) (49.7¢/Mile).

3.2 For projects located over thirty (30) miles (48 km) beyond the limits of the City of Sault Ste. Marie, the Employer shall have the sole option of either paying the travel allowance(s) as set out in Article 3.1, if suitable

accommodations are available. If the Employer chooses to pay room and board, he shall also pay the travel allowance(s) as set out in 3.1 to enable the employee to reach the job site and shall also pay his way home at the aforesaid rate(s) when the job has been completed. If the employee quits without good reason the return travel allowance(s) will not be paid. For projects extending over two (2) months the Employer shall pay for a trip home at the aforesaid rate(s) and again every two (2) months thereafter.

3.3 The actual cost of room and board shall be paid with a maximum allowance of:

PER DAY WORKED

August 19th, 1992	May 1st, 1993	May 1st, 1994
\$52.00	\$53.56	\$55.17

On out-of-town jobs on Statutory Holidays, room and board will be paid for the holiday provided the employees work a full eight (8) hours on the standard work day before and following the holiday. On jobs of one hundred and sixty (160) kilometres (100 miles) or more beyond the limits of the City of Sault Ste. Marie, room and board will be paid on a seven (7) day basis provided the employee works available hours on the day prior to and following the weekend.

When employees report for work on out-of-town jobs and are sent home due to job conditions, room and board shall be paid for the full day.

3.4 When Engineers are requested to use their own transportation from job to job and return, they shall be paid:

Per kilometre for kilometre travelled, or transportation will be supplied by the Employer.
