During this sixty (60) day period, the Company will meet with the affected Unions to outline the reasons for the closure.**

**Where a closure is affected in accordance with the above, the affected employees may bid according to their seniority and qualifications to move to the terminal to which the work is being moved. Any employee who is laid-off as a result of the complete closure will be given sixty (60) days' notice of layoff or pay, in lieu thereof.**

**Section 9.2**

In the event of a partial closure of a terminal(s), highway, or city operations as a result of work being moved to another terminal(s) and which results in the reduction of employees in the department so affected, the following will apply:

- a) A meeting shall be held thirty (30) days prior to the partial closure between the Company and the affected Union(s) in an effort to reach a satisfactory agreement for all concerned in the department of the terminal from which the work is being moved;
- b) Failing agreement under Section (a), employees affected in the department shall have the opportunity of moving with the work or exercising their seniority within their own terminal. If any of these employees elect to exercise their seniority and bump into other work within their own terminal and as a result, anyone in that terminal is subject to layoff, then if work is available in the terminal to which the work is being moved, then the available vacancies shall be posted for bid and such vacancies shall only be opened to those employees subject to layoff;

### Section 32.1 - Cost of Living

All regular employees on the seniority list shall be entitled to the Cost-of-Living Allowance in accordance with this Article. Continuance of this Cost-of-Living Allowance shall be contingent upon the availability of the Index in its present form or as it may be modified by Statistics Canada and calculated on the same basis as the Index for September 1994 unless otherwise mutually agreed upon by the parties.

If during the first year of this Agreement, the Index increases by more than five percent (5%) calculated on the basis of the difference between the Base Index figure for September 1994 and the Index figure for each month up to and including September 1995, then an additional one percent (1%) increase in the Index over and above five percent (5%) will provide a Cost-of-Living Allowance of ten cents (10¢) per hour for all hours actually worked and 0.25¢ per mile for all miles actually driven from the beginning of the first pay period following the first day of each such month to the end of the pay period which included the last day of each such month.

The Cost-of-Living Allowance will be calculated using the above-mentioned formula prorated on the basis of the Index increase over and above five percent (5%) and will be payable

monthly as a lump sum payment in the pay for the pay period during which the Index was released.

#### **Cost-of-Living Allowance Fold-h**

Effective October 1, 1995, the average of the hourly Cost-of-Living Allowance rates which were paid during each month up to and including September 1996 will be determined by calculating the sum of the rate during each such month and dividing this by twelve (12). Such average rate will be added to the regular hourly rate. An identical calculation of average mileage Cost-of-Living Allowance rate and adjustment to the regular mileage rate shall be made in the same manner and at the same time as set out above.
