ARTICLE 1

Intent

- 1.1** It is the purpose of this Agreement to recognize a common interest between the Authority and the Union in the production of English and French programs and learning materials in the educational and broadcasting fields, marketing, administration and support for these endeavours, which the parties acknowledge to be different in some respects from general commercial broadcasting. The Authority and the Union, with the utmost cooperation and friendly spirit and consistent with the rights of the parties, set forth conditions covering rates of pay, hours of work and conditions of employment to be observed between the parties and to provide a procedure for prompt and equitable adjustment of grievances. These conditions and procedures are established in order that there shall be no impeding of work or interference in the activities of the Authority in general, and that there shall be no work stoppages, strikes or lockouts, as defined by the Labour Relations Act of Ontario, for as long as this Agreement continues to operate.

ARTICLE 2

2.1 Employee - The term “employee” as used in this Agreement shall mean any person employed by the Authority in a classification included within the Local 72M bargaining unit referred to in Article 2.2, and shall include any job created in the future which the parties, by mutual consent, decide to include within the Local 72M bargaining unit. In the event that mutual consent is not reached, such failure shall not become the subject of a grievance under this Agreement, but may be referred to the Ontario Labour Relations Board.

2.2 Bargaining Unit - The Authority recognizes the National Union as the exclusive bargaining agent for all person defined by the Ontario Labour Relations Board in its decision of July 9, 1971 and October 16, 1972 with the exception of:

Payroll Administrator	Legal Assistant
Financial Analyst	
Administrative Assistant	

Maximum two Secretaries to each of:

Chairman
 Director General

2.3 Employee Categories - All employees covered by this Agreement shall be considered full-time employees of the Authority, except as hereinafter provided. They shall be probationary employees for a period of three (3) months from the date of their employment. The Authority may extend the probationary period up to a total of six (6) months from the date of hiring, in which event, the employee and the Union will be given written notice prior to the end of the probationary period stating the reason(s) for such extension. The probationary period shall be extended by a number of working days equal to any period(s) of absence. Each new employee shall be afforded sufficient time for job orientation purposes (including familiarization with the Collective Agreement and TVOntario's Policies and Procedures) at the beginning of the probationary period. During the probationary period or any extension of the probationary period, the Authority may release the employee at any time provided that such release has not been arbitrary, discriminatory nor exercised in bad faith.

2.3.1 Freelancers - A freelancer is defined as one who is hired for a particular project or projects not to exceed sixty (60) consecutive working days in length and is covered by the OECA/CEP Local 700 Freelance Agreement as negotiated by the parties. The Authority agrees to hire such freelancers in accordance with the terms of the OECA/CEP Local 700 Agreement, as long as such Agreement continues to operate.

2.3.2 Temporary Employees - The Authority agrees that the hiring of contract employees is for the purpose of specific projects with a limited time span and to cover extended absences of regular employees (i.e., sick leave, maternity leave, annual vacations, etc.).

Temporary employees (either contract or agency) shall be subject to all provisions of this Agreement, except as hereinafter provided:

1. Article 7
2. Article 8

(a) However, a contract employee who is subsequently hired on staff without a break in service of more than twenty (20) working days between contracts, the employee's service date for vacation and seniority purposes shall be considered from the date of original hiring. Authorized absences of more than twenty (20) working days shall not represent a break in service for lock-step progression and seniority if the employee is on renewed continuous short-term contracts with breaks of no more than forty (40) working days between contracts.

(b) Contract employees hired on staff as provided in (a) above, in the same position, shall be on probation for a one (1) month period, provided that the employee has been on contract for two (2) months or more.

(c) Contract employees hired on staff as provided in (a) above, in a different position, shall be on probation for three (3) months.

(d) In lieu of Articles 8.3 and 8.4, when the employment of a contract employee hired for more than three (3) months is terminated prior to the expiry date, the employee shall be given two (2) weeks notice, or two (2) weeks pay in lieu thereof, or be paid for the remainder of the contract, whichever is the lesser.

(e) The Authority will endeavour to advise a contract employee of the status of his or her contract two (2) weeks prior to its expiry.

(f) Agency employees, who are subsequently hired on staff without a break in service of more than twenty (20) working days, shall have as a service date for vacation purposes the commencement date of their last contract and shall be on probation for a period of three (3) months.

3. Article 9.2

4. Article 11, except that reasonable sick or bereavement leave will not be denied to contract employees after three (3) months of continuous employment without a break of more than ten (10) working days.

5. Article 13.1 shall apply except that contract employees shall be eligible for one (1) floating holiday after each four month period of continuous employment without a break of more than ten (10) working days. However, should an additional holiday be proclaimed by the federal or Ontario government as being applicable to employees, contract employees shall be eligible for one floating holiday after each six (6) month period of continuous employment without a break of ten (10) working days.

6. Article 13.2 will not apply, but contract employees shall receive six percent (6%) of gross contract earnings in lieu of vacation. However, if a contract employee is subsequently hired on permanent staff without a break in service, the six percent (6%) vacation pay shall be deducted from the employee's regular vacation entitlement, as defined by Article 13.2, for the initial period of vacation eligibility.

7. The parties agree that the hiring of agency staff is to cover emergencies, short-term absences, casual employment or to facilitate the recruiting of staff employees. They shall not be subject to the requirements of Article 4.2.

2.3.3 Student Temporaries - The parties recognize the existence of educational and social obligations to students regarding the provisions of temporary employment and work opportunities. Nothing in this Agreement shall preclude the Authority from providing temporary work opportunities as the result of participation in government-sponsored programs, where the Authority is not the employer.

The Union agrees to the employment of students on the following basis:

1. The student is enrolled in a recognized educational institution.
2. Duration of employment with the Authority shall not be in excess of five (5) months in any twelve (12) month period, unless a longer period of employment is required by a cooperative study program work term.
3. The Authority will provide the name of the student, the start and finish dates and the name of the educational institution involved, stated objectives of the placement, and a description of the work the student will be involved in to the Union prior to the student commencing the assignment. If this is not done, the student placement will be cancelled.
4. Where the Authority assigns a student to assist a member of the bargaining unit in their function, the Authority shall designate members of the bargaining unit with whom such students work.
5. Should a student in a cooperative study program receive an assignment to work without the guidance of a full-time employee, qualified in the classification, the student will be paid not less than the start rate of the classification to which he/she is assigned. However, such assignments shall not exceed one-third (1/3) of the total time during which the student is with the Authority.
6. Full-time student temporaries in bargaining unit functions (other than in classifications appearing in the Local 700/TVO Agreement) may not be hired at less than the start rate of the classification of the position they occupy.
7. All provisions of this Agreement shall apply except Articles 7, 8, 9.2 and 11. Article 13.2 will not apply, but six percent (6%) of gross earnings will be paid in lieu of vacation.

2.3.4 The Authority will not hire freelancers, temporary employees or students for the purpose of eliminating or displacing an available full-time, or regular employee or to avoid the hiring or recall of a regular or full-time employee.

ARTICLE 3

Should action be brought against the Authority in such cases, the Union will indemnify the Authority against such action.
- 4.2 Dues Checkoff** - During the term of this Agreement, the Authority agrees to deduct an amount equal to the uniform dues and/or assessments as levied by the Union for each pay period. The deductions are to be based on the gross earnings for the pay period of every employee in the bargaining unit, beginning with the date of hiring in the bargaining unit. The present rate of deductions is equal to one and two thirds percent (1.666%) of basic pay, and the same percentage shall be deducted on all additional earnings. The Authority will be notified by registered mail of any duly authorized changes in the present rate of deductions.
- 4.2.1** The Authority agrees to remit the monies so deducted to the Union monthly by cheque. The Authority shall endeavour to remit such dues by the fifteenth (15th) of the month following the month for which the dues are deducted. The Authority shall provide the Union with a monthly computer disc in an ASCII format detailing the following information:

- 4.5 Bulletin Boards** - The Authority agrees to the posting by the Union of signed announcements regarding elections, meetings, negotiations and internal affairs of the Union on the Authority's bulletin boards and the CEP Local 72M electronic forum. Other postings will be subject to the same conditions of approval now practiced by the Authority.
- 4.6 Leave for Union Activities** - Leave without pay will be granted to an employee duly authorized to represent employees at Executive Council meetings or Conventions of the Union, as defined by the Constitution of the Union; at recognized annual meetings of the Ontario Federation of Labour and/or the Canadian Labour Congress; recognized Regional Council and Regional Advisory Board meetings of the Union; or attend educational seminars of the Union. A request for such leave shall be submitted at least fifteen (15) days in advance. Such leave(s) shall be limited to a total of thirty (30) working days every two (2) calendar years, but no more than twenty (20) working days may be taken in any one (1) calendar year.
- 4.6.1** Upon request by the Local Union, the Authority shall release without loss of pay or leave credits up to three (3) Union representatives to attend grievance

meetings. Upon request by the Union, the Authority shall release without loss of pay or leave credits up to five (5) representatives to attend negotiating sessions with Management. A request for leave for negotiations shall be submitted seven (7) days in advance of the first day of such sessions. Leave will be limited to twenty-five (25) days cumulative in a non-negotiating year. In a negotiating year, the five (5) representatives shall be released for up to twenty (20) days each to attend negotiating sessions with Management without loss of pay or leave credits. These leave limits may be extended by mutual agreement. Upon request by the Union, the Authority shall release without loss of pay or benefits up to five (5) employees for one (1) day for the purpose of pre-negotiation meetings. For meetings tied to ratification of proposals and the ratification of the agreement of up to two (2) hours' duration, and upon request by the Union with reasonable notice to the Authority, the Authority will make every reasonable effort to facilitate attendance of all members of the bargaining unit as long as there are no costs or disruptions to operations.

- 4.6.2** In the event an employee desires a leave of absence without pay for a determinate period for the purpose of accepting a position with the Local or Union, such leave shall be granted by the Authority on receipt of a written request from the employee and the president of the Union. This leave may, with the permission of the Authority, be extended.
- 4.6.3** The Authority will maintain the salary of an employee who is granted leave without pay, in accordance with Article 4.6, upon request by the Union. The Authority will deduct the gross salary for the period of such leave from the monthly dues remission sent to the Union. A statement of account showing the date(s) and name(s) of the employee(s) who were on such leave will accompany the remittance of the Union dues cheque from which this recovery is made. The statement shall also identify if the leave was for "Local" or "National" business.
- 4.7** **Non-Discrimination** - The Authority and the Union agree not to discriminate against any employee in accordance with the Ontario Human Rights Code as it relates to matters of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, religion, sex, age, record of offences, marital status, family status or handicap, or to discriminate against any employee on the basis of sexual orientation or political affiliation.
- 4.7.1** The Authority will not discriminate against any employee for anything said, written or done legally in furtherance of the aims or policies of the Union, or in exercising the rights accorded an employee by law and this Collective Agreement. The Authority will not discourage membership in the Union or attempt to encourage membership in another union.

- 4.8 Harassment** - Employees who believe they have been the subject of harassment contrary to the Ontario Human Rights Code may file a grievance in accordance with Article 6 or, in the alternative, file a complaint in accordance with the Authority's Policy on Workplace Harassment. Once the Grievance Procedure or the Policy on Workplace Harassment has been invoked, the complainant shall be precluded from utilizing the alternate appeal procedure. However, if the Policy is invoked and the complaint is not to be considered settled on the basis of the answer provided under the Policy, the complaint shall be put in the form of a grievance and the grievance shall be submitted by the Union to final and binding arbitration in accordance with Article 6. In such cases, the arbitrator shall exercise only those powers listed in Article 6 of this Agreement. The Arbitrator shall not have the power to change, modify, extend or amend the provisions of the Authority's Policy on Workplace Harassment. Nothing in the present article shall preclude the complainant from filing a complaint under the Ontario Human Rights Code.

ARTICLE 5

No Strikes, Lockouts or Strike-Breaking

- 5.1** The Authority will not assign, transfer, or require employees to go to any radio station, television station, transmitter, studios or property not owned or operated by the Authority, where a legal strike or lockout of any persons whose functions are similar to those covered by this Agreement is in progress, or to originate a program or programs expressly for the purpose of strike breaking.
- 5.2** The Union shall not refuse to feed a facility transmitting the programming of the Authority where that facility is undergoing a strike or job action, providing this Agreement between the Union and the Authority is in force.
- 5.3** The National and/or the Local Union will not cause or permit its members to cause, nor will any member of the Union take part in any strike, either sit-down or stay-in, or any other kind of strike or interference, or any other stoppage, total or partial, of any of the Authority's operations as long as this Agreement continues to operate. The Authority will not cause or permit a lockout, as defined by the Ontario Labour Relations Act, of any of its operational locations affecting the bargaining unit as long as this Agreement continues to operate.

ARTICLE 6

Grievance Procedure

- 6.1** It is mutually agreed that it is the spirit and intent to adjust as quickly as possible grievances arising from the application of this Agreement. In the event of a dispute between any member(s) of the bargaining unit and the Authority, in reference to any condition of employment, the following shall be the procedure for adjustment thereof:

Step 1: Any dispute to be recognized as a grievance must first be discussed with the grievor's immediate supervisor and Union Steward. An oral answer shall be provided to the grievor before the end of the next work day.

Step 2: Failing a satisfactory settlement at Step 1, the grievance shall within fifteen (15) days of the arising of such a grievance, be submitted in writing to Management who shall meet with the Local Grievance Committee, consisting of not more than three (3) members, to attempt to resolve the grievance. Such meeting shall take place within fifteen (15) days of submission of the grievance. Following discussions with the Grievance Committee, Management shall provide a written answer within ten (10) days.

Step 3: If the grievance is not to be considered settled on the basis of the answer provided in Step 2, the grievance shall, by written notice delivered to the Management within fifteen (15) days of the Step 2 answer, be submitted to final and binding arbitration. The notice shall contain the complete grievance, settlement requested, and a list of all clauses by specific number alleged to have been violated. Prior to selecting a mutually acceptable arbitrator, a representative of the Union and the Local Grievance Committee may meet with a representative(s) of Management in a further attempt to solve the grievance. If the parties do not settle the grievance at this meeting, and if the parties cannot agree on the selection of a mutually acceptable arbitrator within ten (10) days, a copy of such notice shall be forwarded to the Ontario Ministry of Labour with a request that the Ministry designate an arbitrator.

- 6.2** The arbitrator so designated shall conduct a hearing and render a decision which shall be final and binding on both parties. The arbitrator shall not have the power to change, modify, extend or amend the provisions of the Agreement, but shall have the power to direct, if he or she sees fit, that any employee who has been wrongfully suspended, discharged or otherwise disciplined shall be reinstated with pay, and all benefits under this Agreement which may have been lost. Any fees and/or expenses of the arbitrator shall be borne equally by the Authority and the Union.
- 6.3** If either of the parties to this Agreement considers that this Agreement is being misunderstood, misinterpreted or violated in any respect by the other party, the

matter will be put in the form of a policy grievance and discussed by representatives of the Authority and the Union. If not satisfactorily settled, either party may refer the matter to arbitration as a policy grievance in accordance with Step 3 of Article 6.1.

- 6.4 Time Limits** - Any time limits mentioned under the grievance procedure shall exclude Saturdays, Sundays and Statutory Holidays, and may be extended by mutual consent.

ARTICLE 7

Reports on Performance

- 7.1** An employee, the Local and the Union shall be notified in writing of any expression of dissatisfaction concerning the employee's work, within ten (10) working days of cause for dissatisfaction becoming known to the employee's supervisor. Such expression of dissatisfaction shall constitute a report on performance and shall contain facts relevant to the complaint, allegation or accusation which may be detrimental to the employee's advancement or standing within the Authority, when the complaint or accusation is made. If this procedure is not followed, such expression of dissatisfaction shall not become part of the record for use against the employee at any time.
- 7.2** The employee's reply to a report on performance if received within ten (10) working days after the employee has been given the notice referred to in 7.1, shall become part of the record. If such reply is not so received, it will not be part of the record for use by the employee at any time.
- 7.3** An employee shall have access to his or her personnel file in the presence of a Human Resources Representative during office hours.
- 7.4** An employee has the right to have a Union Steward present at any meeting with Management where disciplinary action is contemplated.
- 7.5** All references to disciplinary action shall be removed from the employee's personnel file within twenty-four (24) months of the date of such action being taken provided that the employee does not incur any further disciplinary actions of a similar nature within the twenty-four (24) month period.

ARTICLE 8

Seniority Rights

- 8.1 Seniority** - Authority seniority shall be deemed to have commenced on the date of hiring by the Authority or on the date the employee was hired by ETV Department of Education of the Government of Ontario, whichever is earlier and shall be equal to the length of continuous service. It shall relate, within each classification as specified in Article 10, to layoffs, recall from layoff, promotions, and to the length and preference of vacation periods.
- 8.1.1** Authority seniority shall continue to exist but will not accrue while an employee is on leave granted by the Authority to a maximum period of one (1) year. However, leave granted to an employee under Articles 4.6, 4.6.1. and 4.6.2 will not interrupt the accrual of Authority seniority.
- 8.2 Promotions and Transfers** - Of the qualified employees who apply for a position, the employee who in the opinion of the Authority best meets the qualifications and requirements it has set for the position, shall be promoted to fill a vacancy in a higher classification or transferred laterally to the classification within the bargaining unit. In the event that the qualifications and abilities to meet the requirements are judged to be equal by the Authority, the employee with the most Authority seniority shall be promoted or transferred laterally. Nothing in this Article precludes the Authority from hiring applicants from outside where no qualified employee applies and is accepted. A vacancy shall be posted a minimum of ten (10) calendar days prior to filling the position. The posting shall clearly state the qualifications and requirements for the job. A copy of the posting shall be forwarded to the Union at the time of posting.
- 8.2.1** An employee promoted to fill a vacancy in a higher classification or who accepts a transfer to fill a vacancy in another job classification shall be on a trial basis in such classification for a period of up to three (3) months. Notice of such promotion or transfer shall be given in writing to the employee. Any time during this trial period an employee may elect, or the Authority may direct the employee to return to the former classification with no loss of seniority. At the conclusion of a successful trial period, the employee will be advised in writing that the promotion or transfer has been made permanent.
- 8.2.2** Nothing in this Agreement shall entitle an employee to a promotion to a Senior position where the previous incumbent attained that position as a result of merit.
- 8.2.3** The Authority recognizes that employees are engaged for work in particular job classifications and it will make reasonable effort to so assign him or her. Notwithstanding, it is recognized by the parties that an employee may be otherwise assigned on a temporary or occasional basis, providing that the employee is, in the opinion of the Authority qualified, or is given adequate training

for such assignment. During such training, an employee will not be disciplined for errors. Removal from the assignment shall not be considered as discipline.

- 8.2.4 Secondments** - Positions within the bargaining unit identified by the Authority as being open to secondment shall be posted in accordance with Article 8.2. Bargaining unit members are eligible to apply for posted secondments to positions outside the bargaining unit and where the bargaining unit member is successful the salary shall be agreed upon by the employee and the Authority.

An employee will be considered for secondment only after one (1) year in his or her current classification and may not have more than one (1) secondment in any two (2) year period.

Secondments shall be voluntary for a defined term, usually not to exceed one (1) year and subject to termination by either the Authority or the employee giving reasonable notice to the other. Prior to an extension of any secondment, the parties shall review the need to continue the seconded position. The employee shall have the right to return to his or her former or equivalent position at the conclusion or termination of the term of secondment.

The employee shall progress through the former classification salary range in the normal manner and there shall be no change in anniversary date. However, in no case will the employee be paid less than the minimum rate for the seconded classification.

The Authority agrees that any vacancy created in the bargaining unit as a result of an employee's secondment may be filled by another secondment or by a temporary employee.

The Union shall be notified of secondment of an employee once the Authority has filled the seconded position.

- 8.3 Discharge, Demotion and Suspension** - The discharge, demotion or suspension of any employee shall be only for just and sufficient cause. An employee discharged for just and sufficient cause shall receive two (2) weeks' pay in lieu of notice.

- 8.3.1** Where an employee has been discharged for gross misconduct, nothing in this Agreement confers on the employee a right to any length of notice of dismissal or to salary in lieu of notice. The term "gross misconduct" is limited to such action as would be an offense under the Criminal Code of Canada.

8.4 Layoffs - When the layoff of employees is anticipated, the Authority shall determine the positions to be eliminated and/or the number of employees to be laid off. It is the intention of the Authority to give the Union as much advance notice of layoffs as is practicable in order that discussions may be held to provide an orderly and equitable layoff procedure.

8.4.1 If it becomes necessary for the Authority to lay off employees, the Authority shall provide to the employee(s) affected:

- i) at least four (4) weeks' notice in writing in advance of the proposed layoff; or
- ii) pay in lieu of notice, provided that the pay in lieu, or combination of notice and pay in lieu equals four (4) weeks.

Notice or a combination of notice and pay in lieu shall be such length of time as prescribed by legislation if it is longer than four (4) weeks.

8.4.2 (a) For layoff purposes the Authority will, unless otherwise determined by mutual agreement of the parties, attempt to place a displaced employee through the following process:

- 1) an employee to be laid off will be given first opportunity, consistent with his or her qualifications, to fill any existing vacancies within the bargaining unit;
- 2) an employee to be laid off will be given preferential consideration for existing vacancies within the Authority outside the bargaining unit provided that, in the opinion of the Authority, he or she is qualified;
- 3) if there is more than one qualified candidate for a vacancy, the Authority will choose the most senior candidate.

(b) In the event of lay off, failing placement in a vacancy as described above, the Authority shall, unless otherwise determined by mutual agreement of the parties, lay off in the inverse order of Authority seniority within the classification involved.

(c) Where an employee would otherwise be laid off from employment and has recognized occupational qualifications in another classification, the employee may apply his or her Authority seniority to displace the most junior employee in a classification in the same or lesser salary group.

(d) It is recognized that should an employee exercise his/her rights under 8.4.2 (c), the employee may require a short period of refamiliarization in the new classification.

8.4.3 An employee who has reverted to a lower salary group as a result of bumping,

and whose salary is higher than the maximum of this group, shall continue to receive the higher salary which shall be frozen (red-circled) until such time as the salary in the lower rated job classification reaches the employee's salary, and then such employee will proceed on the scale in accordance with Article 19 Wages.

8.4.4 The Authority shall, if requested in writing by a laid off employee, pay one hundred percent (100%) of the premiums for the accidental death or dismemberment, basic life insurance, major medical, vision and dental care plans as provided in Article 11.1.1 for a period of up to six (6) months after layoff. If an employee otherwise has similar benefits during the said period through spousal coverage or through other employment, this provision shall not apply.

8.4.5 An employee to be laid off will be entitled to severance pay on the following basis:

a) after one (1) year of completed service one (1) week's salary for each six (6) months of service. With respect to incomplete years, the severance pay shall be on a pro-rata basis calculated to the nearest month;

b) at the time of layoff, the employee may choose to receive severance payment and forfeit recall rights thereby terminating employment with the Authority or retain recall rights as indicated in Article 8.5 and on completion of recall, severance pay under this Article will be paid out;

c) the employee shall notify the Authority in writing of his/her intention to elect severance and forfeit recall rights as early as possible, but in any event no later than his last day of work. Severance will be paid out no later than four (4) weeks following his/her last day of work;

d) laid off employees on recall may forfeit recall rights at any time by advising the Authority in writing of such request and will receive severance pay in accordance with this Article within four (4) weeks.

8.4.6 Severance pay shall not be subject to checkoff for union dues.

8.5 Re-Engagement of Laid-Off Employees - Laid off employees who have at least one (1) year of Authority seniority will retain their seniority and have recall rights for a period of eighteen (18) months provided that the laid off employees inform the Authority in writing at one (1) year of layoff that they wish to continue recall rights for a further six (6) months.

8.5.1 When the Authority determines a vacancy exists, subject to the prior application of 8.4.2 (a), the Authority will recall former employees in order of Authority seniority within the classification who have recall rights in accordance with Article 8.5 and who have the occupational qualifications to fill the vacancy. Employees

accepting a recall in other than their previous job classification shall be paid the wage appropriate to the new classification.

Notwithstanding the above, employees who had exercised their Authority seniority and moved to another job classification at the time of layoff in accordance with Article 8.4.2, shall have first recall rights to their previous classification when a vacancy occurs therein.

8.5.2 a) The Authority's responsibility will be considered fulfilled if the Authority gives notice of recall in writing and ensures delivery by hand or registered mail to the laid off employee's last known address. If the laid off employee does not advise the Authority of his/her intentions within five (5) business days of the notice being delivered and return to work within a further seven (7) calendar days of the date of the recall notice, or the date specified in the recall notice, whichever is later, the laid off employee will have waived the recall and his/her seniority will cease.

b) A laid off employee who is unable to return to work for just and sufficient cause within the timeframe set out in 8.5.2 a) may decline one (1) recall offer, retaining his/her seniority and will become the next available employee on the re-hiring list, subject to the limitations of Article 8.5.

8.6 Computation of Seniority After Interrupted Service - In the event an employee is recalled or reengaged prior to the expiry of recall rights, as indicated above, seniority shall be considered unbroken but shall not accrue during the period of layoff. Further, movement to the next salary level, if any, shall be at an anniversary date adjusted by an amount of time equal to the time of layoff.

ARTICLE 9

9.2 New Devices - The Authority will provide instructions and training when new equipment or procedures are introduced or when procedures are changed. Should the introduction, replacement, supplementation or modification of any machinery, equipment or device which is, or would fall under the jurisdiction of the bargaining unit result in a layoff of employees (as distinguished from layoffs caused by change in programming or other normal factors), the Authority recognizes additional moral obligations to such employees and agrees to the following conditions in fulfillment of such obligations.

- 9.2.1** Upon written application by the employee(s), the Authority agrees to exert every effort to find other positions within the organization for any such affected employee(s). Provided that such affected employee(s) meet the qualifications set for positions by the Authority, the Authority agrees to give preferential consideration of employment for vacancies that exist at that time within the bargaining unit, without a reduction in pay.

The posting and seniority requirements of the Agreement shall not apply where such employees are reassigned and/or relocated within the bargaining unit. If other positions cannot be found within the organization, the Authority will further provide such employees reasonable time off to be interviewed for positions outside the Authority.

- 9.2.2** Employees will be given a minimum of six (6) months' notification of such layoff and should they obtain other employment prior to the end of the notice period, they shall be compensated to their last working day, and receive severance pay as prescribed in Article 8.4.5 (a).

Such notice shall be in writing and shall state the nature of the changes contemplated and the number of positions likely to be affected. Upon receipt of such notice by the Union the parties shall arrange a meeting(s), for the purpose of achieving an understanding to assure that any hardship to the employees affected shall be minimized. This shall be done by providing wherever possible alternative employment within the Authority for employees whose jobs have been eliminated, by joint efforts on the part of the Authority and the Union to obtain employment with other employers for any employees who cannot be relocated within the Authority, and by any other means that the parties may, by mutual agreement, decide upon.

- 9.3** The Authority recognizes the value of training programs that develop and maintain the skills of employees, and will undertake to provide such training as is permitted by available funds.

- 9.3.1** In accordance with its educational policy, the Authority undertakes to train employees when it is a job requirement, in order to encourage employees to develop and improve their job performance, or when, in the view of the Authority, it is required to meet the changing priorities and requirements of the Authority.

- 9.3.2** Where the Authority assigns employees to participate in training courses or seminars, etc., such time will be considered as regular working time, with a maximum credit of 7/8 hours per day.

- 9.3.3** Compensatory time off will be granted for the time spent when an employee travels or attends a training session on a scheduled day(s) off or on a statutory holiday. Such compensatory time shall be assigned on the work day(s) immediately following the employee's return to the home location and/or normal work assignment, unless otherwise mutually agreed between the employee and the Authority.

The Authority recognizes that it is the right of the Union to negotiate salary rates for all new or amended job classifications that fall within the scope of the bargaining unit.

Notwithstanding the above, the parties have agreed to establish a Joint Job Evaluation Committee for the purpose of evaluating and rating new or amended job classifications within the scope of the bargaining unit. The parties further agree to meet within ninety (90) days of ratification for the purpose of setting out the terms of reference for the Joint Job Evaluation Committee.

The job descriptions which have formerly been reproduced in the body of this Agreement shall be appended to the back of the Agreement as job summaries and shall remain an integral part of the Agreement. Upon satisfactory evidence of completion of the approved course, the employee will be reimbursed by the Authority as soon as practicable, in the following manner:

- 12.1.4** Employees not reporting to the main office of the Authority shall be provided with access to personnel services (e.g., benefit forms, cheques, notice of vacancies) upon request at the location. Pay stubs and petty cash will also be made available at the location.

eight dollars (\$8) for breakfast;
 twelve dollars (\$12) for lunch;
 twenty dollars (\$20) for supper; and
 ten dollars (\$10) for miscellaneous expenses.

Where, in the Authority's opinion, exceptional conditions require higher per diems, the Authority agrees to pay the additional expenses upon documentation of such need and subsequent presentation of receipts. Further it is understood that per diem allowances will not be paid when employees are assigned in isolated locations where the Authority provides lodging and appropriate meals. In such circumstances the ten dollars (\$10) miscellaneous allowance will continue to be paid.

(b) Employees on out-of-town assignments who do not receive a per diem allowance, in accordance with the aforementioned paragraphs, shall receive a meal allowance for each meal to which the employees are entitled under Article 16, in accordance with the following schedule:

For classifications 101-120, the tour of duty may be assigned on any five (5) days within a seven (7) day period. For the purposes of calculation of pay the first day of the work week is Monday.

15.1.1 For classifications referred to in Article 15.1, there shall be two (2) consecutive days off. These two (2) consecutive days off may be in separate work weeks, e.g., Sunday and Monday. The movement into such days off can only be accomplished by the assignment of the two (2) days off as Saturday and Sunday in the week immediately preceding the week in which the days off are split. The pattern of Sunday-Monday as days off may then continue but may only be exited from by scheduling Monday and Tuesday as days off in the week following the last week in which the days off were split, e.g.:

D/O	D/O	out				

The Authority shall make every scheduling effort to provide the two (2) consecutive days off on weekends as frequently as possible. The two (2) consecutive days off may be separated by a holiday, provided that no work is performed on the holiday by the employee.

When notice of change of hours is not received, as required herein, the employee shall be credited with all hours originally assigned plus any additional hours. Any such agreement will be put in writing and signed by both parties, in the form of Attachment No. 1, consistent with Management's Rights under Article 3. Signed copies of agreed to schedules are to be forwarded to the Manager, Industrial Relations or designate and the CEP Local 72M Union President or designate prior to the implementation of such schedule. - 17.5** Article 15.6 (b) shall not apply as employees are scheduled on-call time to be readily available for work. However, unscheduled overtime shall be paid for a continuation of a scheduled tour of duty with no break in hours worked.
- 17.6** Article 15.8 shall not apply when employees perform work from their residence. However, turnaround shall apply in all other situations.
- 17.7** The on-call assignment shall be removed from any employee who reports to his supervisor that he is ill or fatigued, in which case Article 11 shall apply.

ARTICLE 18

General Wage Provisions

- 18.1** Employees shall be paid according to the wage schedules in Article 19 in the classifications to which they are assigned, with credit for years of service within the classification and any credit for industry experience recognized by the Authority at time of hiring. Employees on salary continuance or maternity leave shall have their contract and anniversary increments recognized as being applicable on the scheduled dates provided for in this Agreement.
- 18.1.1** Temporary employees other than those hired under the CEP/OECA Freelance Agreement may be hired at the start rate in any classification plus six percent (6%) in lieu of vacation.
- 18.1.2** When an agency is contracted to provide temporary personnel services, rates paid for such services will be competitive. However, it is not the Authority's intention to pay rates for such services that would undermine the contractual starting rates for similar classifications in the bargaining unit. The Authority further agrees that such contracting of services will not displace or eliminate full-time or regular employees or avoid the hiring of a regular or full-time employee.
- 18.2** Progression within the salary group from one level to another shall automatically occur at the start of the pay period nearest the employee's semi-annual or annual anniversary date of appointment, transfer or promotion, to the salary level and group as a result of service within that salary group. Therefore if the anniversary date occurs within the first week of a pay period, the new rate will be applied from the start of that pay period; if the anniversary date occurs within the second week of the pay period, the new rate will be applied from the start of the next pay period.
- 18.3** A promotion is movement to a higher wage group. When an employee is promoted into a higher pay classification, the employee shall move into the higher salary group on the first day of the next complete pay period and receive a salary increase which would place the employee on the next higher wage step in the new group, and shall automatically progress upward on the annual or semi-annual anniversary date of the promotion.
- 18.4** Twice the net weekly salary (i.e., salary after a reasonable portion of the total monthly deductions have been made) plus any approved overtime and penalty payments for the preceding pay period will be paid not later than 1200 hours each second Friday via direct deposit. Where a legal bank holiday occurs on a Friday, direct deposit will be available by 1200 hours the previous day.
- 18.4.1** Employees whose time sheets are amended by the Authority shall receive a copy of the amended time sheet.

- 18.5** In the event payday(s) occurs during an employee's vacation period, the employee shall submit a written request fifteen (15) days in advance, in order to receive their vacation pay prior to going on vacation.
- 18.6** Any employee returning to work in his or her classification after layoff or leave of absence, shall return at the pay rate according to seniority at the time of the said layoff or leave. However, an employee returning to work after maternity leave shall be credited with full service for the purpose of this clause, provided that leave is not extended beyond six (6) months. Should the employee request and receive a leave of absence to extend the period of maternity leave beyond six (6) months, such extension shall not earn seniority credits.

ARTICLE 19

Wages

19.1 All staff and contract employees employed in the bargaining unit shall have their salary adjusted upwards by an amount equal to two per cent (2%) effective July 1, 2000, and by a further one per cent (1%) effective July 1, 2001.

Employees who are currently “red-circled” shall receive a lump-sum payment equivalent to a two per cent (2%) increase in wages, but their salary shall not be adjusted, except that those who are within two per cent (2%) of the top of the current scale shall be placed at the new top and receive the balance of the wage increase as a lump sum.

Effective July 1, 2001, employees who are “red-circled” shall receive a lump-sum payment equivalent to a one per cent (1%) increase in wages, but their salary shall not be adjusted, except that those who are within one per cent (1%) of the top of the scale as at July 1, 2001 shall be placed at the new top and receive the balance of the wage increase as a lump sum.
