It is recognized by this Collective Agreement to be the duty of the Company, the Union and the employees to cooperate fully, both individually and collectively, for the advancement of their mutual interests.

**1:03** Notwithstanding that this Agreement is reproduced in a single booklet, the parties agree that there are separate and

individual Agreements for each bargaining unit described in Article 1 hereof and that nothing herein shall be deemed to have merged or consolidated the bargaining units or the bargaining representatives.

## ARTICLE 2

### REPRESENTATION

**2:01** The Company and the Union shall **recognize** a Committee of four (4) in number, two (2) of whom shall be employees of the Company and members of the Union and two (2) of whom shall represent Management, such a Committee to be known as a "Negotiating Committee" with the purpose of concluding recommendations to the parties to the Collective Agreement. The Union and the Company encourage insofar as possible such representation to be from separate departments. This Committee may be expanded by agreement to add additional Company and/or Union personnel.

**2:02** The Company agrees to **recognize** a Grievance Committee of not more than three (3) members, duly elected or appointed by the Local, one (1) of which will be the President of the Local.

**2:03** The Union will notify the Company, in writing, of the names of the Officers and Members of the Negotiation and Grievance Committees.

**2:04** The Company will pay lost-time basic wages (if any) for two (2) members of the Union/Management Grievance Committee while such employees are attending such meetings held in conjunction with management representatives. The

foregoing will also apply to Labour/Management meetings which are mutually agreed to be held during the term of the Collective Agreement. Time periods paid by the Company will not be used when calculating overtime. The Company will not pay for any expenses for travelling or accommodations for any employee pertaining to such aforementioned Committee work. A member of the Union Negotiating Committee scheduled to work an evening shift on a negotiating day will have his/her shift changed to the day shift on said day. There will be no change of shift penalty for the negotiating team member either going to the altered or returning to the original schedule.

**2:05 Applicable to Locals 795 and 38 Only**

The Company will arrange for up to four (4) evenings or four (4) Sunday afternoons or any combination of the two in any calendar year for an employee to be relieved of standby duty so that he may attend a regularly scheduled Union meeting. Such arrangements must be requested in writing at least forty-eight (48) hours in advance by the Service Fitter concerned.

## ARTICLE 3

**3:01** The Company agrees that there shall be no lockouts and the Union agrees that there shall be no strikes. All disputes between them shall be submitted for settlement in accordance

with the Grievance and Arbitration procedure as set forth in this Collective Agreement. The parties acknowledge and agree that in the event maintenance or service of the system and its customers are inconvenienced as a result of a labour dispute not directly involving the parties hereto, efforts shall be made to avoid becoming involved in such a dispute when the employees are performing their work duties.

## ARTICLE 4

### UNION SECURITY

**4:01** All employees covered by the terms of this Collective Agreement and new employees who enter the Company service shall, as a condition of continued employment, become members of the Union on the completion of thirty (30) calendar days of continued employment and shall remain members in good standing in accordance with the Constitution and By-laws of the Union for the duration of this Collective Agreement.

**4:04** It is agreed that the employees of the Company not covered by the scope of this Collective Agreement shall not perform the work normally performed by employees in the bargaining unit except during an emergency or for training purposes. ## ARTICLE 6

### EMERGENCY OPERATIONS

**6:01** In the event of a serious disruption of service, breakdown or other emergency, employees shall unite to meet the emergency and shall, until the danger has been brought under control, perform such duties as may be required of them regardless of their occupation.

## ARTICLE 7

### GRIEVANCE PROCEDURE

#### **7:01 Step One**

Should any grievance arise involving the meaning or application of this Agreement, an employee shall, within thirty (30) calendar days from the date the grievance occurred, accompanied by a Steward, meet with and present the grievance in writing, to the Foreman or Delegate, if such employee is in a Construction and Maintenance category.

Other employees who have a grievance shall meet with their Town Supervisor or a Delegate to settle the grievance. The Foreman or Supervisor or their Delegate will render a decision, in writing, within seven (7) calendar days following the meeting.

#### **Step Two**

If the grievance is not settled in Step One, the Union may request, in writing, a meeting with the Manager, Planning and Construction or a Delegate or the Area Operations Manager or a Delegate (depending on the job category of the grieved em-

ployee). Such a request will be made within seven (7) calendar days from the date the Foreman or Town Supervisor or their Delegate made a decision in Step One. The Superintendent, or the Regional Manager, or their Delegates, as the case may be, will, with the Union, arrange to meet within seven (7) calendar days from the date the request was made by the Union. The Union's National Representative (providing such an Officer is available), may be at this meeting upon request of either party. The Company may require the Manager, industrial Relations to participate.

The Superintendent, Construction & Maintenance or the Regional Manager, Customer Service and Construction, or their Delegates, as the case may be, will render a decision, in writing, within seven (7) calendar days from the date of the meeting. If the Union is not satisfied with this decision the grievance may be referred to arbitration as herein provided.

**7:02** A grievance shall be deemed to be waived unless the grievance is referred by the employee or the Union to the Company within thirty (30) calendar days from the date of the occurrence of the grievance.

**7:03** A grievance affecting more than one (1) employee may be submitted, in writing, by the employees concerned or the Union at Step Two of the grievance procedure.

**7:04** A grievance by the Company may be submitted to the Union within thirty (30) calendar days from the date of occurrence together with a written request by the Company for a meeting with the Union's Grievance Committee. The meeting will take place within seven (7) calendar days from the date the request was initiated. The Union Grievance Committee will render their decision in writing within seven (7) calendar days from the date of the meeting. If the decision is not satisfactory to the Company, they may take the grievance to arbitration as herein provided.

**7:05** Where a grievance is not settled under the preceding Sections of this Article, including the question of whether or not a grievance is **arbitrable**, or where an allegation is made that this Agreement has been violated, either party may, within thirty (30) calendar days notify the other party, in writing, of its intention to submit the grievance or allegation to arbitration and the notice shall contain the names of the first party's appointee to the Board. The recipient of the notice shall, within seven (7) calendar days, advise the other party of its appointee to the Board.

**7:06** The two (2) appointees so selected shall, within seven (7) calendar days of the appointment of the second of them, appoint a third person who shall be the Chairperson of the Arbitration Board. If the recipient of the notice fails to appoint an Arbitrator or if the two (2) appointees fail to agree upon a Chairperson within the time limits provided, then the appointment shall be made by the Minister of Labour upon request of either party. The decision of the Arbitration Board shall be final and binding upon both parties.

**7:07** A grievance by an employee who claims to have been unjustly discharged shall be submitted, in writing, at Step Two of the grievance procedure within fifteen (15) calendar days from the date of discharge.

**7:08** Time limits involving the processing of a grievance may be extended by mutual agreement between the Company and the Union.

**7:09** Failure by the Company or the Union to comply with the time limits as provided in this Article or within any agreed upon time extension will result in the grievor or grievors being awarded the grievance if the Company is tardy. If, however, the Union is tardy, the grievance will become null and void.

**7:10** Each party shall bear the expense of its own nominee to the Board and one-half (½) the expense of the Board Chairman.

**7:11** An Arbitration Board that is required to rule upon a grievance of an employee who claims to have been unjustly discharged may rule *on* such a grievance by:

- (a) Confirming the Company's action;
- (b) Reinstating the employee with full compensation in which event there shall be no loss of seniority;
- (c) Any other arrangement the Board may deem as just and equitable.

**7:12** Grievances and reprimands shall be in writing and shall state the nature of the violation and the Article(s) and Section(s) on which the grievance(s) or reprimand(s) are based. When the Company processes a written warning or when any other disciplinary action is recorded against an employee(s) a copy will be given to the Union Secretary.

**7:13**

(a) Reprimands involving suspension shall be removed from an employee's personnel file providing there have not been any additional offence(s) within a twenty-four (24) month period.

(b) Reprimands not involving suspension shall be removed from an employee's personnel file providing there has not been any additional offence(s) within a twelve (12) month period.

**7:14** The Company or the Union may choose to have a Sole Arbitrator instead of the Board of Arbitration as provided for in this Article. The Company and the Union will endeavour to select an Arbitrator and if they are unable to agree upon such Arbitrator within fifteen (15) days after the notice to submit the grievance or allegation to arbitration, then the appointment shall be made by the Minister of Labour upon request of either party. All other provision of this article which apply to the Board of Arbitration will be applicable to the Sole Arbitrator referred to herein.

## ARTICLE 8

Probationary employees will have no seniority rights, but upon completing their probationary period their seniority shall be dated back to the date the employee was last hired by the Company.

**8:02** Probationary employees coming within Section 8:01 of this Article hereof shall, during such sixty (60) calendar day period, be on probation and must satisfy the requirements of the Company in all respects if such employees are to continue in the employ of the Company beyond such a probationary period.

**8:03** Periods of absence from work other than those enumerated in Section 8:04 of this Article shall not affect an employee's seniority.

- (d) Fails to return to work after lay-off within ten (10) calendar days of receipt of notification from the Company, by registered mail, to the employee's last known address;
- (e) Is laid off for a period in excess of fifteen (15) months if an employee has six (6) months or more of service:
- (f) If, however, an employee has less than six (6) months service and is laid off for a period in excess of the length of service since his or her last hire, such an employee's seniority would be l o s t :
- (g) Otherwise ceases to be an employee;
- (h) Fails to return from a leave of absence as provided in Article 21.
- (i) Absence of an employee from work without notice to the Company and without justifiable cause for a period of five (5) consecutive working days.

### **8:05 Lay-Off**

(a) A lay-off for the purposes of this Collective Agreement is defined as a period in excess of three (3) consecutive working days.

(b) A temporary suspension of work for a period of three (3) days or less arising from situations such as floods or other acts or occurrences beyond the direct control of the Company shall not be considered a lay-off for the purpose of this Agreement. It is agreed, however, that no employee will lose more than five (5) working days in any calendar year under this Section.

(c) The Company will endeavour to alleviate temporary suspension of work by assigning any available non-related work.

(d) For employees who have one (1) year or more seniority, the Company will consider relocating or retraining of such an employee.

#### **(e) Lay-Off Procedure**

In the event of a lay-off, the following procedure will be followed:

- (1) All probationary employees shall be laid off first.
- (2) Thereafter, employees will be laid off in the reverse order of their seniority provided there are employees who are sufficiently qualified and willing to perform the available work;
- (3) Employees with more than three (3) months' seniority with the Company but less than one (1) year service who are to be laid off due to lack of work shall be given one weeks' written notice, in advance, or two (2) weeks' basic pay in lieu of notice.

- (4) Employees with one (1) year or more of seniority with the Company who are to be laid off due to lack of work shall be given two (2) weeks' written notice, in advance, or two (2) weeks' basic pay in lieu of notice.
- (5) Employees with three (3) years' or more seniority with the Company who are to be laid off due to lack of work shall be given three (3) weeks' written notice, in advance, or three (3) weeks' basic pay in lieu of notice.
- (6) Employees with five (5) years' or more seniority with the Company who are to be laid off due to lack of work shall be given four (4) weeks' written notice, in advance, or four (4) weeks' basic pay in lieu of notice.
- (7) Employees with ten (10) years' or more seniority with the Company who are to be laid off due to lack of work shall be given eight (8) weeks' written notice, in advance, or eight (8) weeks' basic pay in lieu of notice.
- (8) The aforementioned notices in this Section shall contain the employee's home address and telephone number. A copy of these notices shall be given to the Local's President.
- (9) The Company will issue the "Employment and Immigration Canada" Record of Employment Form to a laid off employee within five (5) calendar days of the date of lay-off.

**8:06** All employees who are notified of a lay-off may have bumping rights in accordance with their seniority and qualifications in their home base geographical area before exercising their bumping rights into other geographical areas as set out in Article 1 - Union Recognition.

It is understood that all costs, including accommodations and moving expenses incurred by such employee shall be entirely at their own expense.

Employees who exercise bumping rights into another category or geographic area shall return to their regular job category in their home base area when work becomes available before other employees are recalled or hired.

**8:07** Employees who are displaced and laid off as a result of any employee exercising his/her rights under the provisions of Article 8 will be given a period of notice equal to that provided to the Company by the bumping employee, in lieu of the periods of notice or pay as specified in this Article.

**8:08 Recall after Lay-Off**

When there is a pending increase in the working force after a lay-off, the employees who were laid off and who have retained their seniority will be notified to report for work in the reverse order of seniority providing such employees have the qualifications to perform the work required and are willing to accept the work available.

**8:09** Where the Company rehires an employee who has been laid off because of lack of work before successfully completing the probationary period, an adjustment regarding the employee's rate of pay may be granted at a time applicable in respect to prior service, upon mutual agreement between the Company and the Union.

### **8:10 Seniority Lists**

Showing names, classifications and dates of seniority commencement of employees covered by this Agreement shall be posted on Bulletin Boards accessible to all employees covered by this Agreement. The seniority list, if necessary, shall be revised every four (4) months. A copy of the seniority list will be supplied to the Union. Any protest in regard to seniority standing must be submitted to the Company, in writing, within thirty (30) days from the date the seniority lists are posted. Any errors will be corrected by the Company.

## **ARTICLE 9**

### **JOB POSTING**

**9:01** In the filling of vacancies and the making of promotions within the Bargaining Unit the following factors shall be considered by the Company in choosing between employees. If factors (b) and (c) are relatively equal, seniority shall govern:

- (a) Seniority;
- (b) Ability to fill the normal requirements of the job;
- (c) Physical fitness of the individual.

### **9:02**

(a) Except as provided in Section 9:04 of this Article, the Company shall post in the Construction/Maintenance and Customer Service Departments in either Local 790 or 795 or 38, information concerning vacancies (except for the category of Labourer) which occur within the scope of this Collective Agreement so as to give employees, including those on lay-off, an opportunity to apply. Upon such posting(s) the President of the Union Local or Delegate will be permitted to notify, by telephone,

the on-site Steward(s) of the construction crew(s) assigned away from their home base, of such posting(s). The Company shall notify all laid-off employees of any posted vacancy by mail on the same day of the posting. Such application shall be made in writing within eight (8) calendar days of the posting of the notice after which, if there is no qualified employee to fill the vacancy, the Company may transfer an employee from some other location or may hire a new employee to fill such vacancy.

(b) If an employee is interested in transferring to a position with the Company which would take such an employee from the geographical scope of the employee's present bargaining unit of which the employee holds membership, the employee may file an application for such transfer, in writing, to the Company. Providing the vacancy concerned is not filled by an employee locally, the Company will decide if a transfer is acceptable.

**9:03** Vacancies shall be filled in accordance with the provisions of Article 9, Sections 9:01 and 9:02.

**9:04** Temporary Vacancies not exceeding forty-five (45) calendar days and vacation vacancies may be filled by the Company without posting. For vacancies exceeding this period the Company will post and fill same in accordance with the provisions of this Article.

**9:05** Except for periods involving training, employees temporarily assigned to a higher paid position shall be paid the higher rate for all hours worked in excess of one (1) hour while so employed in the higher paid position. Employees temporarily assigned to a lower paid position shall not suffer a reduction in pay rate.

**9:06** Copies of job postings and the names of applicants, if any, will be supplied to the Union together with a notification of the name of the successful applicant, if any.

**9:07 Moving Expenses**

It is understood that all costs, including accommodations and moving expenses, incurred by the employee in his or her effort to fill a vacancy or upon recall after a lay-off, shall be entirely at the employee's own expense. Except in the event that the transfer be made at the expressed written request of the Company, then moving of furniture and travelling expenses for an employee and family shall be paid by the Company.

**9:08 Wage Rate on Transfer or Job Vacancy**

An employee who transfers as a result of a mutual agreement between the parties from one classification to another will be placed in the new classification according to the employee's experience and ability but will not suffer a decrease exceeding ten percent (10%) of the pay rate that the employee had in the employee's previous position as a result.

Despite the foregoing, an employee who is permanently transferred or successfully bids on a vacancy in a lesser paying position than the position the employee had held shall receive the pay rate for the lesser paid position, except for mutual agreement of the two parties to this Agreement who may decide that such an employee be put into a higher progression step.

## ARTICLE 10

All Union notices except a notification of a "General Membership Meeting" must be signed by a Local Union Officer and approved by supervision prior to attaching the notice to such bulletin boards.

**10:02** The Company will supply a copy of the Collective Agreement to each employee covered by the Agreement through the Local Union President.
