hereinafter referred to as the "Employer"

PREAMBLE

The purpose of this Agreement is to establish and maintain satisfactory working conditions, hours and wages, to provide an amicable method of settling differences or grievances which might arise, and to maintain harmonious relations between the Employer and all employees covered by this Agreement. It is agreed that such relations will assist the Employer in the most efficient operation of its business. However, this Preamble shall not conflict with contractual arrangements as set out in the body of the Agreement.

SECTION 1 - UNION RECOGNITION

1.01 The Employer recognizes the Union as the sole and exclusive bargaining agent for all its employees employed at its warehouses and retail stores in Ontario, and in Draught Equipment Service (Windsor District only) save and except office staff, and persons of a supervisory capacity

such as Foreman or Manager, those above the rank of Foreman or Manager, having the authority to employ or discharge or discipline employees.

1.02 The Employer hereby consents and agrees to recognize a negotiating committee of employees selected by the Union which may be assisted by representatives of the Union's choice and to deal with the said committee for the purpose of negotiating a new or amended Collective Agreement at the proper time or to deal with any matter properly the subject of negotiations which the parties may mutually agree to discuss during the term of the Agreement.

SECTION 2 - UNION SECURITY

2.01 All present "regular" employees employed in the bargaining unit as described above, shall, as a condition of employment, become and remain members of the Union. }-2

2.02 "Probationary" employees employed in the bargaining unit as described above, shall, as a condition of employment, obtain and maintain permit cards during their probationary period. However, upon completion of their probation, they shall apply for, and maintain, membership in the Union.

2.03 The Union agrees that any employee engaged by the Employer to work in the bargaining unit who is satisfactory to the Employer will be allowed to make application for membership in the Union on payment of the regular initiation fees and monthly dues, and will not be denied membership without just cause.

2.04 Whenever an employee is suspended or expelled, the Union will give the Employer, in writing, the reason for such action.

2-1

2.05 The Employer will accept dues deduction forms on a voluntary revocable basis for regular and probationary employees for dues. The Employer will accept on thirty (30) days' notice from recognized Local Union Officers, changes in the weekly dues for members who have submitted dues deduction forms. Such changes to not be more frequent than three (3) per year. The Union agrees to supply the Employer with a current list of recognized Union Officers.

2.06 Temporary employees will have dues deducted on the basis of ten cents (\$.10) per hour (eleven cents (\$.11) per hour in 1989, twelve cents (\$.12) per hour in 1990), for each hour worked during each week.

2.07 All funds shall be remitted to the Union Secretary not later than the twentieth (20th) day of the following month for weekly and hourly deductions; together with a list, in triplicate, of the employees covered.

SECTION 3 - HIRING PRACTICES

3.01 There will be three (3) classes of employees:

(a) "Regular" employees mean those so classified under the terms of the expired Collective Agreement.

8-1/20

(b) "Probationary" employees mean those who are undergoing a prescribed probationary period of ~~four (4) months' satisfactory service~~ with the Employer prior to becoming "Regular" employees.

(c) All other employees will be classed as "Temporary".

3.02 It is recognized by the Union and the Employer that it is to the advantage of both parties to maintain as stable a regular staff as conditions will permit. It is agreed, therefore, that the Employer must be free to employ "temporary" employees for seasonal, casual or part-time work.

**SECTION 4 - HOURS OF WORK & OVERTIME
CONDITIONS**

4.01 Conditions of the Employer's business are such that stores and warehouses must be operated for hours that are longer than the basic hours of work.

34-4000

4.02 The basic work week shall consist of five (5) ~~eight (8)~~ hour days. Any time worked in excess of basic hours in any one (1) day shall be paid for at time and one-half of the basic wage rate, and hours worked in excess of eleven (11) ~~eight (8)~~ hours in a day shall be paid for at the rate of double ~~time~~. Any time worked in excess of basic hours in any one (1) week shall be paid for at time and one-half of the basic wage rate.

37B-3

4.03 During a week in which a paid holiday occurs, the basic hours of work shall be reduced by one (1) ~~eight (8)~~ hour day for each paid holiday observed.

4.04 An employee will not be paid at the rate of double time or time and one-half and at the rate of time and one-half for the same hour worked.

4.05 Overtime is to be calculated on the following basis:

- 15 minutes and over equals 1/2 hour;
- 45 minutes and over equals 1 hour.

4.06 (a) The employees in any community will have the option of choosing the method to be used to determine the day off. There will be a rotating day off, Monday through Saturday, throughout the year for all "regular" and "probationary" employees. However, the employees will retain the present option of choosing, on the present recognized community basis, any other method to be used for determining the day off, providing such method is also agreeable to local management. The provisions of this clause shall not apply to those employees regularly employed on a night shift, Draught Equipment Service Servicemen, or to the employees of those stores that are regularly closed on **specific** days other than Sunday.

(b) In cases where more than one (1) employee's day off falls on a day observed as a paid holiday, they shall be scheduled to another day from among those days available in order of seniority within an occupational group.

4.07 Employees will be paid overtime at the rate of ~~double time for work performed on Sunday~~ ^{77D-0} for a minimum of three (3) hours.

4.08 It is agreed that it is the function of the Employer to determine when overtime is necessary and to schedule overtime work. However, both parties agree that overtime as such is undesirable, and every effort will be made to keep it to a minimum in relation to the above circumstances.

4.09 It may be necessary for the Employer to schedule an employee to work on what would have been his/her day off. When an employee is so scheduled and does not wish to work on that day, the Supervisor must be notified promptly that the employee will not be available for the particular assignment.

When it is necessary to schedule an employee to work on what would have been his/her day off, for such assignments that are known by noon the previous day, the Company will schedule the senior employee within the required classification and based in the same store or depot, providing the employee has indicated an interest in such assignments.

4.10 It is agreed that in the case of an employee, or employees scheduled to exceed a basic work day, they must then complete their work schedule. However, they may be excused on presentation of satisfactory personal reasons at the time of being requested to work overtime, or may be released from such work assignments if a satisfactory replacement is immediately available.

4.11 It is agreed that it is the function of the Employer to schedule regular hours of work. On each Friday before each employee completes his/her shift for the day, the schedule of hours to be worked on each day of the following week shall be posted with a copy to the Local Union on request. This schedule will set out the hours for store staffs or group (truck crews, etc.) within a warehouse or depot, and will give particulars of the names of those employees who are scheduled to be laid off or scheduled to report for less than full regular hours, or for work assignments other than regular working hours in lieu of layoff.

It is understood the employees scheduled for full regular hours and those regular employees who are scheduled for part time or work assignments other than their regular assignments will be paid for at least the number of hours so scheduled for the week if they are not given the opportunity to work at least the number of hours scheduled for them.

Without changing the schedules posted pursuant to the preceding paragraph where because of some emergency situation or because of illness or absence of scheduled employees, an employee may be requested to take over a work assignment different from that posted for him/her, provided he/she is given four (4) working hours' notice of such change, and further provided that at least seven (7) hours' time will elapse from the end of the posted assignment to the commencement of the new assignment.

If these two (2) conditions are not met, the employee shall be paid at the rate of time and one-half for all hours worked out of his/her regular hours on the first day worked on the new assignment. However, the penalty shall not apply when he/she reverts back to his/her regular assignment.

4.12 "Regular" and "probationary" employees who are not on layoff status will not be employed on a split shift basis, i.e. will be scheduled for nine (9) consecutive hours including lunch period.

4.13 "Regular" employees and "probationers" will be given work assignments which permit them to take one (1) hour off for lunch at a reasonable time each day. (Except by mutual agreement, the lunch period will not start earlier than the beginning of his/her fourth hour of work and will not start later than the end of his/her fifth hour of work.)

4.14 Draught Equipment Service Servicemen who are called back for overtime, or other Regular employees who are called back for overtime resulting from an emergency situation, after having gone home or on day off, will be paid at appropriate overtime rates with a minimum payment of \$25.00 for each callback.

48D-1 37F-3

SECTION 5 - WORKING CONDITIONS

5.01 Foremen and above will not physically handle goods in distributing warehouses, retail and wholesale sections, except for the purpose of spot checks, audits, inventory control, training and demonstration.

3-1

5.02 In operations having five (5) or more "regular" and "probationary" employees (excluding the Manager), the Manager will not perform any duties other than those involved in servicing the Customer, performing essential supervisory duties and maintaining necessary records.

5.03 In operations having four (4) or less "regular" and "probationary" employees (excluding the Manager), the Manager shall be free to perform any duties which may be necessary to maintain the Store operation.

5.04 The Draught Equipment Service Supervisor shall be free to perform the duties of a Serviceman during emergencies, installations, maintenance, etc.

5.05 Drivers delivering half barrels shall have help supplied to load and unload. The Employer shall endeavour, to the mutual satisfaction of all concerned, to provide extra help for trucks making deliveries to licensed premises with difficult unloading conditions. Home Consumer drivers, when considered necessary by the Employer, shall have help. Any employee - whether "regular" or "probationary" or "temporary" - shall be used as such help in all instances.

5.06 "Regular" or "probationary" employees who may be transferred for a continuous period of eight (8) hours or more to higher classifications as specified in this Agreement, will receive the higher

rate while ~~so~~ occupied. However, an employee who is transferred to a higher classification for four (4) or more hours to take over an assignment of an employee who is unable to complete his/her assignment because of illness, accident or approved leave of absence, will receive the rate of pay for the higher classification while ~~so~~ occupied.

When a "regular" or "probationary" employee, for ~~physical~~ reasons, is employed in a lower classification, he/she will receive the rate of pay for the lower classification while ~~so~~ employed.

Unless there is a mutually agreed practice, when preparing the work schedule for a store or depot in a community as per Section 4.11 on Friday for the following week or when filling predicted assignments during the week, providing they are known by noon the previous day, the Company will, if it is necessary to make assignments in a higher rated job for eight (8) hours or more, assign regular employees from that community in preference to temporary employees providing the regular employee has the ability and has expressed an interest and is not required in another assignment.

This will not constitute a requirement on the Employer to schedule overtime.

5.07 When required, "checkers", "cashiers", "clerk cashiers" and "clerk drivers" will perform, and employees in other classifications may perform, supervisory functions for normal relief periods such as the Supervisor's day off or vacation period. They shall receive \$2.00 in addition to their regular rate for each day on which they perform supervisory functions for a total of at least four (4) hours up to six (6) hours; and \$4.00 ~~for~~ each day on which they perform supervisory functions in excess of a total of ~~six~~ (6) hours. These

extra payments are to be in addition to the rate of "checker", "cashier", "clerk cashier", or "clerk driver", provided this classification is operative at their particular store. This premium shall not be used to calculate overtime, premium pay for paid holidays and insurance coverage.

5.08 For periods other than those described above, upon notification by the Employer, employees will be granted acting Supervisory status. When employees have been granted acting Supervisory status, the provisions of this Collective Agreement will not apply.

5.09 A "regular" or "probationary" employee on layoff or short time shall be recalled for the day, if his/her recall would result in an employee qualified to drive being made available to operate:

(a) available equipment owned by the Employer;

(b) other suitable equipment which the Employer can rent without a driver at a rate* which is reasonable. Where there are prevailing rates for such rental equipment in any community they shall be used to determine what is a reasonable rate.

*This rate refers to the cost of procuring the truck for the use of the Employer and has nothing to do with the cost to the Employer of the employees to whom it is assigned.

SECTION 6 - SENIORITY

6.01 The seniority of each present "regular" employee shall be as set forth in the present seniority lists.

6.02 An employee, upon completion of a probationary period of four (4) months' continuous service shall have his/her name placed on the appropriate seniority list as of the date four (4) months prior to the date of completion of such probation.

6.03 Seniority shall be recognized within seniority lists as set out in the appendix to this Agreement, but may only be changed by mutual agreement.

6.04 Should a probationer be laid off during his/her probationary period, he/she shall receive preference over a probationer on layoff with less probationary service, or any other applicant, in the matter of filling vacancies.

6.05 A probationer who is laid off and is rehired as a probationer, will be required to serve the regular probationary period of four (4) months of continuous service. However, he/she will receive an adjustment in his/her pay to the "regular" rate when he/she has served the equivalent of the unexpired portion of his/her first probationary period.

77 H.C.D.F.
6.06 Within each seniority group in the matter of promotions, demotions, layoffs and recalls after layoffs, seniority shall govern provided the senior employee has the ability and physical fitness to perform the work. The Employer shall continue its present practice with respect to job posting.

6.07 An employee shall lose his/her seniority for any of these reasons:

(a) if an employee is discharged for just cause:

(b) if an employee voluntarily leaves the employ of the Employer;

(c) if an employee fails to notify the Employer accepting return to work within seventy-two (72) hours of recall notification by registered mail at the last address on file with the Employer, and failure to report to work within seven (7) days of acceptance of recall.

6.08 An employee who is transferred from positions not subject to the provisions of this Agreement, shall, if transferred to the bargaining unit, have his/her name placed on the seniority list and shall outrank any new addition to the list made under the provisions of Section 3 and at the end of twelve (12) months will be given seniority equivalent to his/her total service with the Employer, to be effective when a vacancy exists.

However, in the case of an employee who has been in the bargaining unit and has been in a position outside the bargaining unit for one hundred and thirty-two (132) days or less, he/she will be given seniority equivalent to his/her total service with the Employer at the time of his/her transfer back into the bargaining unit.

6.09 The Guaranteed Wage Plan, which is a supplement to this Agreement, is intended to provide assistance for those eligible employees who have one (1) or more years of seniority who are laid off as a result of the application of the above clause, and it is not to be construed as authorization to alter existing layoff and recall provisions.

6.10 Persons hired as regular employees after March 21, 1988 who have achieved seniority and who are not yet eligible for participation in the Guaranteed Wage Plan will, upon permanent layoff, be eligible to receive an amount of severance pay equal to one (1) week of regular pay for each completed year of service as of the original date

of his layoff. Upon receipt of such severance pay, the employee's employment is terminated and his seniority and other rights under this Agreement are cancelled.

SECTION 7 - LAYOFF AND RECALL

7.01 In the event of the curtailment of business or in the event of changed conditions which will cause a shortage of work, the Local Union will be given reasonable notice of the Employer's intention to lay off regular employees or to schedule some of them for less than full time hours or for hours other than regular hours in lieu of layoff. 18-

This notice will permit discussion of the problem and provide an opportunity for either the Local Union or the Employer to make suggestions which could eliminate or reduce the extent of the layoff or short time situation anticipated, such as a change in the system of days off or additional paid vacation days, in lieu of vacation bonus.

Following such meeting, the Employer shall promptly advise those employees who are likely to be laid off or scheduled for short time or for other than regular hours. 28-999

7.02 Where such curtailment of business or changed conditions are likely to cause layoff or short time work assignments for employees in several seniority groups covered by this Agreement, then the Employer shall discuss the problem with the Provincial Board.

7.03 (a) A regular employee who is scheduled for less than regular hours or for assignments other than normal hours in a week must accept all reasonable short time work assignments in the seniority group unless:

(i) he/she has filed a letter indicating that he/she declines work for the period of the anticipated work shortage; in such cases

he/she will be deemed to have taken leave of absence and to have opted out of the G.W.P. until he/she indicates by letter that he/she is again available for short time work assignments, or

(ii) unless he/she has filed a letter indicating that he/she will accept limited work assignments only, specifying days and locations, and such an employee must accept all reasonable short time work assignments for which he/she has indicated that he/she will be available, and with respect to any hours for which he/she has indicated that he/she is not available he/she will be deemed to be on layoff, but not eligible for G.W.P. payments for those hours.

(b) An employee who has not filed such a letter is presumed to be available for all reasonable short time assignments within his/her seniority group. An employee who refuses to accept or fails to report for a scheduled assignment without reasonable excuse shall be struck off the schedule for the week, and will not be scheduled for any subsequent weeks until he/she notifies the Employer in writing that he/she will be available for reasonable short time work assignments, and until he/she does so he/she will be deemed on layoff but not eligible for benefits under the G.W.P.

(c) A regular employee who is laid off shall be carried on the seniority list for a period equal to the seniority he/she has accumulated at the time the layoff commences up to a maximum of two (2) years, calculated from his/her last day at work.

29-24

(d) Regular employees who are scheduled to work any hours in any week will continue to be eligible for sickness and accident benefit coverage except that the benefit for a regular employee who has filed a letter indicating that he/she will accept only limited work assignments, will be

limited to an amount not in excess of 70% of the hours for which he/she has made himself/herself available.

Employees who are laid off and who are not scheduled for any work in a week are not eligible for sickness and accident payments during any such week.

However, an employee already in receipt of weekly sickness and accident benefits before he/she is actually laid off or scheduled for short time assignments will continue to draw benefits for the duration of his/her illness or up to the maximum allowed by the Plan.

An employee's eligibility for sick days and participation in the Weekly Indemnity and Long Term Disability Plans ceases immediately upon his/her lay off and is reinstated upon his/her recall to work and completion of eight (8) hours' work in the Bargaining Unit.

Notwithstanding the above, an employee with ten (10) or more years' seniority who is laid off, and who, if recalled within two (2) weeks or less, is unable to report to work due to sickness or non-occupational accident, shall be eligible for participation in the Weekly Indemnity and Long Term Disability Plans effective the date of his/her recall.

7.04 When a vacancy is declared on a seniority list which is not otherwise filled, a regular employee on layoff or who has been scheduled for less than the regular work week may transfer under the following conditions:

(a) the employee must have the ability and physical fitness for the position that is open;

(b) the employee must transfer voluntarily at his/her own expense;

(c) the employee must accept the rate that is applicable to the vacancy;

(d) employees on layoff within the District will be contacted and the most senior employee amongst those eligible by reason of layoff or short time scheduling will be given preference;

(e) if the vacancy is not filled within seven (7) days by transferring an employee within the District then the vacancy will be offered only to those employees who have at the time of their layoff indicated in writing on a form provided that they would be interested in a transfer outside their District. ~~The most senior of any such applicant will be given preference;~~ 27B)

(f) the date of the transfer shall determine his/her ranking on the seniority list for a period of twelve (12) months. During this period the employee shall outrank any new additions to the list made under the provisions of Section 3 and he/she shall retain his/her seniority on the original list.

SECTION 8 - GRIEVANCE PROCEDURE & ARBITRATION

8.01 The Employer guarantees to every employee covered by this Agreement that their status will not be prejudiced in any manner due to the fact that they have taken the action of carrying grievances to higher management levels when there has been failure to settle their complaints or grievances satisfactorily through their immediate supervisors.

8.02 The procedure for the discussion of any questions or problems which might arise concerning working conditions shall be as follows:

Step No. 1: By discussion between the employee concerned jointly with the Shop Steward or his/her Local Union Representative, the Foreman, or Manager.

Step No. 2: The grievance shall be reduced to writing at Step 2. It shall then be discussed between the employee concerned jointly with the Chief Steward, or his/her Local Union Representative, the Foreman, the Manager and/or Group Manager or Superintendent.

Where the Manager mentioned in Step 1 reports directly to the District Manager, the Manager will act for the Company in both Steps 1 and 2, and, where mutually agreeable, both Steps may be handled at the same meeting.

Step No. 3: Between the employee concerned jointly with the Chief Steward, a Union Representative, the Foreman or Manager, the Superintendent or Group Manager, and the District Manager or his/her representative.

8.03 Should the matter not be settled within fifteen (15) days of the date the written grievance is filed or such longer time as may be mutually agreeable, the issue may be submitted to Arbitration as provided by this Agreement.

Arbitration hearings will be held in one of the following locations: Ottawa, Sudbury, Toronto, Windsor. The locality to be selected by mutual agreement, however, failing agreement, the Chairman shall set the place for the hearing.

8.04 Should the matter at issue involve the misinterpretation or alleged violation of the Agreement, either party shall have the right to submit the matter to an Arbitrator. In the event the parties fail to agree upon an Arbitrator, the Minister of Labour for the Province of Ontario shall be requested to name a person to act as Arbitrator.

The decision of the Arbitrator shall be final and binding on both parties to this Agreement.

The Arbitrator shall not have any jurisdiction to alter or change any of the provisions of this Agreement nor to substitute any new provisions in lieu thereof, nor to give any decision inconsistent with the terms and provisions of this Agreement.

The parties will jointly bear the expense of the Arbitrator.

SECTION 9 - PAID HOLIDAYS

9.01 The Company will observe the following holidays, namely:

New Year's Day	Labour Day
Good Friday	Thanksgiving Day
Victoria Day	Christmas Day
Dominion Day	Boxing Day

Civic Holiday, when it is locally observed, and any other days on which the Liquor Control Board directs the Company to close its operation.

Should the Company be allowed to remain open on Easter Monday, another day off will be scheduled on an individual basis to suit the operation (not necessarily in the same week).

53-100
-18-

9.02 A "regular" or "probationary" employee who completes at least one (1) scheduled eight (8) hour day or a total of twelve (12) hours in a week in which a holiday is observed, shall be credited eight (8) hours at straight time for the holiday if he/she does not work on the holiday.

9.03 If it is necessary for ~~any regular or probationary employee or preferred temporary~~ employee to work on any such day, he/she shall receive premium pay at the ~~rate~~ time for that day. Temporary employees shall receive double time for actual hours worked. They will be scheduled to a minimum of two (2) hours.

37E-0 ✓

9.04 A "regular" or "probationary" employee who completes at least one (1) scheduled eight (8) hour ~~shift~~ or works a total of twelve (12) hours in the first full week of November each year, including those on scheduled vacation that week, will receive one (1) day off with pay to be scheduled in the period November 1 to December 15 or January 1 to May 31 inclusive.

A "regular" or "probationary" employee who completes at least one (1) scheduled eight (8) hour ~~shift~~ or works a total of twelve (12) hours in the week that January 2nd falls, including those on scheduled vacation that week, will receive one (1) day off with pay to be scheduled during January, February or March.

SECTION 10 - VACATION PLAN

10.01 Vacation Leave

On May 1st in each year vacation leave will be established for all regular employees according to the following scale:

01 02
(a) Regular employees who achieve that status prior to October 1st of the previous year - two (2) weeks. Regular employees who achieve that status after October 1st of the previous year will be paid 4% of earnings to May 1st.

03 03
(b) Regular employees who have three (3) or more years of seniority as of May 1st - three (3) weeks.

04 04
(c) Regular employees who have eight (8) or more years of seniority as of May 1st - four (4) weeks.

15 05
(d) Regular employees who have fifteen (15) or more years of seniority as of May 1st - five (5) weeks.

20 06
(e) Regular employees who have twenty (20) or more years of seniority as of May 1st - six (6) weeks.

25 07
(f) Regular employees who have twenty-five (25) or more years of seniority as of May 1st - Seven (7) weeks.

(g) The initial establishment of the fourth, fifth, sixth and seventh week of vacation will be made with reference to the employee's seniority anniversary date occurring within the eleven (11) months after May 1st.

(h) No vacation leave will be established for those employees who are absent because of illness for more than twelve (12) months on May 1st.

10.02 Vacation Time

Summer vacation shall be limited to two (2) consecutive weeks which shall be scheduled

from the first Monday in June to September 30th. Additional vacation leave can be scheduled during the balance of the year.

Vacations are to be granted by seniority and within occupational group where applicable.

All vacation leaves must be taken within twelve (12) months after they have been established on any May 1st, and except as provided in Section 10.03, an employee is not to remain at work during a vacation leave.

If a paid holiday occurs during an employee's vacation leave he/she shall receive eight (8) hours' pay for that holiday. This payment shall not be counted as vacation payment.

10.03 Vacation Pay

For each week of vacation leave an employee shall receive forty (40) hours' pay at his/her current hourly wage rate, except that with respect to the first two (2) weeks of vacation taken after May 1st in any year payment shall be at the rate of 4% of earnings during the twelve (12) month period preceding May 1st if the employee has lost fifty (50) days or more in the said twelve (12) month period because of layoff or other absence not due to illness or accident.

Provided further that in the case of those regular employees who have less than twelve (12) but more than seven (7) months' service as regular employees on May 1st in any year the fifty (50) working days shall be prorated to their actual length of service as follows:

7 months.....	29 days
8 months.....	33 days
9 months.....	37 days
10 months.....	42 days
11 months.....	46 days

An employee who is to be paid on a percentage basis for his/her first two (2) weeks of vacation may elect to remain at work and receive the 4 1/2 payment without taking any time off.

For those regular employees who receive their initial two (2) weeks' vacation under this plan the payment therefore in the amount of forty (40) hours' pay at their current hourly rates shall include any percentage payments earned by them during the twelve (12) month period prior to May 1st.

10.04 Vacation Bonus

In addition to the normal vacation pay provided by Section 10.03, a vacation bonus for certain employees will be established on May 1st of each year when vacation leaves are established assuming that all such vacation leaves will be paid for on the basis of wage rates then in effect.

This bonus will be available for payment in a lump sum at any time during the vacation leave period as agreed between the Union and local Management.

In locations where a shortage of work is predicted, employees may be scheduled to take time off rather than the payment of cash vacation bonus by mutual agreement with the Local Union.

On May 1st a vacation bonus will be established for those who have three (3) or more years of seniority on that date. The amount of the vacation bonus is to be 20% of the normal vacation pay, with a minimum of one (1) week's pay for those regular employees who had twenty (20) years or more of seniority.

(ii) In which he/she has been on layoff and has failed to keep himself/herself registered for

employment with the Canada Manpower Centre in those cases where such registration is necessary to qualify for U.I. benefits or for reduction of U.I. waiting period.

(iii) In which he/she has failed or refused to accept employment deemed suitable for him/her by the Unemployment Insurance Commission.

(iv) In which he/she has failed to accept and report for any appropriate work assignment of at least one normal working day unless excused for reasonable cause.

(v) In which he/she is in receipt of a benefit provided by the Company's insured Weekly Indemnity or Long Term Disability Plans.

(vi) After he/she has become entitled to receive any pension under the Company or Government Pension Plan.

(vii) In respect of which he/she is qualified for compensation from the Workers' Compensation Board for any compensable accident or illness.

5. Definitions

For the purposes of this Plan:

"Wages" shall mean actual earnings for work performed and vacation pay, payment for any leave of absence with pay granted, eg. jury duty, bereavement pay, payment for statutory holidays and call-in pay.

"Week" shall mean the Company's payroll week.

"Compensated and available hours" means as applied to any particular week for any employee:

(a) All hours worked by the employee for the Company or for any other employer in such week, plus

(b) All hours not worked by the employee in such week but for which he/she receives wages from any employer, plus

(c) All hours scheduled in such week for an employee who is not on layoff and which he/she has not worked for any reason other than lack of work, plus

(d) All hours scheduled in such week for an employee who is on layoff and which he/she has not worked for any reason other than lack of work after being given reasonable notice according to the established practice of the Company that such scheduled hours were available to be worked by him/her.

"Week of layoff" means a week in which the employee's compensated and available hours are less than forty (40).

6. Benefit3 Provided for Laid Off Employees SUB 20-2

Subject to the terms and conditions of the Plan as herein set out each eligible employee who is laid off from the Bargaining Unit shall receive in addition to any wages earned in the week a benefit from the Plan for each week of layoff calculated by determining the product of items 1, 2 and 3 below and deducting from such product the sum of item 4 below.

- 1) Seventy percent (70%) for eligible employees as hereinabove defined.
- 2) The straight time hourly rate of the employee in effect as of time of layoff.

- 3) The excess of forty (40) over the compensated and available hours of the employee.
- 4) The actual benefit, if any, for which such employee is eligible under the Unemployment Insurance Act for such week.

7. Welfare Benefits During Layoff

An employee who is laid off continues to participate in the Welfare Plan of the Company applicable to employees in his/her Bargaining Unit to the end of the month following the last month in which he/she has worked in the Bargaining Unit, or until the end of the last month during which he/she has drawn a benefit under this Plan, whichever is the later. Welfare Plan, for the purpose of this section does not include the Pension Plan or the Company's insured Weekly Indemnity and Long Term Disability Plans which cover only indemnity for wages actually lost because of illness or accident.

An employee on layoff who, pursuant to the above, has ceased to participate in the Welfare Plan is restored to participation immediately upon completion of eight (8) hours' work in the Bargaining Unit.

8. Duration of Benefits

The maximum benefit entitlement of an employee at any time shall not exceed that benefit established in accordance with Table A. However, the employee's actual benefit entitlement will be less than the maximum benefit entitlement if he/she has used any benefits and has not subsequently restored them.

Weeks of benefits are restored based upon the formula of 1/10th of a week for each eight (8) full hours during which the employee earned wages from the Company up to the employee's maximum benefit entitlement set out in Table A below. NO credits towards future benefit entitlements are allowed for wages earned during any period in which the employee is already entitled to the maximum benefits set out in Table A.

TABLE A

X 908 only

<u>Years of Seniority Determined as of September 1st Immediately Preceding His/Her Layoff</u>	<u>Maximum Benefit Entitlement</u>
15 years or more	78 Weeks of Benefit
10 years <i>or more</i>	65 Weeks of Benefit
5 years or more	52 Weeks of Benefit
4 years or more	45 Weeks of Benefit
3 years or more	35 Weeks of Benefit
2 years or more	25 Weeks of Benefit
1 year or more	15 Weeks of Benefit

The maximum number of weeks of benefits which an employee may use during any twelve (12) month period commencing September 1st shall not *exceed* the Maximum Benefit Entitlement determined as of that September 1st in accordance with Table A above.

Each eligible employee's weeks of benefits shall be decreased by one week for each week in respect of which he/she is on layoff and in receipt of

benefits for more than thirty-two (32) hours; and by 4/5ths of one week for each week in which he/she is on layoff and in receipt of benefits for more than twenty-four (24) hours; and by 3/5ths of one week for each week in which he/she is on layoff and in receipt of benefits for more than sixteen (16) hours; and by 2/5ths of one week for each week in which he/she is on layoff and in receipt of benefits for more than eight (8) hours; and by 1/5th of a week in which he/she is on layoff and in receipt of benefits for eight (8) hours or less, and his/her weeks of benefits shall also be decreased by one week for each week in which he/she is on layoff but was disqualified for any of the reasons set out in subsections (i), (ii), (iii) and (iv) of Section 4.

9. Deductions

Any payment made under this Plan shall be subject to any deductions required by Federal, Provincial or Municipal authority or by the provisions of the Collective Agreement, or by voluntary authorization from the employee concerned.

10. Separation Pay *See 30-1 21A+*

An employee shall be eligible for a separation payment as set forth below if on any date during his/her layoff the hours scheduled for him/her during the previous twelve consecutive months were less than fifty percent (50%) of normal full-time hours if he/she is not eligible for any Company or Government pension or for benefits under the Company's insured Weekly Indemnity or Long Term Disability Plan.

In special cases where a laid off employee appears to have little prospect of recall to regular work within a period of six months he/she may request immediate termination and severance pay, and with the concurrence of the Company and the Union, this may be granted notwithstanding the eligibility clause above.

An employee eligible for a separation payment hereunder must apply for it not later than six months after he/she first becomes eligible therefor, otherwise his/her right to such payment shall be cancelled.

Notwithstanding the above if the Company permanently discontinues an operation, an employee laid off as a result thereof must apply for and shall receive any separation pay to which he is entitled without waiting the six months period. If an employee applies for and accepts a separation payment hereunder, his/her employment is terminated and his/her seniority and other rights under the Collective Bargaining Agreement are cancelled.

The amount of the separation payment of an eligible employee shall be equal to the sum of:

(a) ^{32-10 33-90} One week's base earnings (computed on the basis of his/her hourly rate in effect as of time of layoff) multiplied by the number of his/her completed years of seniority as of the last day he/she actively worked in the Bargaining Unit, plus

(b) \$95.00 multiplied by a number equal to the number of unused weeks of benefit entitlement, which an employee has to his/her credit at the date of his/her separation. However, an eligible employee who applies for separation pay at the time he/she first becomes eligible therefore shall have the \$95.00 supplemented by an additional \$30.00.

The Company shall be authorized to deduct from any separation pay payable to an employee hereunder the amount of any Guaranteed Wage Plan payment made to such employee which the employee was not entitled to receive.

11. Applications

Employees shall be required to observe such rules and follow such procedures and make such reports

and applications as shall be prescribed by the Company after consultation with the Union. The wilful falsification of any fact material to the determination of an employee's benefit rights under the Plan shall result in the forfeiture of any benefit rights he/she may have under the Plan for a period of twelve (12) months subsequent to the discovery of such falsifications, and this shall not preclude any other disciplinary action which may be imposed, subject to the Grievance Procedure of the Collective Agreement.

12. Reporting

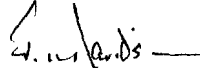

The Company will make periodic reports to the Union weekly while employees are laid off and receiving benefits under the Plan and quarterly if no employees are on layoff, giving the Union complete information as to the number of employees who have been laid off, the duration thereof, the payments made to each individual under the Plan, the number of ineligible and disqualified employees, and such other similar information as may be relevant.

13. Duration of Agreement

This Agreement shall continue until August 31, 1991. During negotiations for renewal of the relevant Collective Agreement, the Union is free to request amendments to this Agreement which shall also be part of such negotiations, but on the understanding that any amendments to this Agreement will not take effect any earlier than September 1, 1991.

IN WITNESS WHEREOF the parties hereto have
affixed their signatures this 7th day of November,

MEMORANDUM OF SUPPLEMENTARY AGREEMENT

WHEREAS the Collective Agreement between the undersigned parties provides in Appendix "A" thereto under the heading Meal Allowance that:

"Truck employees shall be paid a lunch allowance of \$3.00 on those trip; which, by local agreement in each District, are identified as country runs which normally prevent an employee from getting back to base for lunch",

AND WHEREAS the said parties have agreed upon the terms of a local agreement for the Hamilton district which is presently in effect and is not affected by this Supplementary Agreement;

AND WHEREAS the parties hereto have now agreed upon a list of "country runs" for each of the remaining districts, namely Belleville, Kitchener, North Bay, Ottawa, Sudbury, Toronto and Windsor, such lists being divided into two (2) sections showing under the heading "normally paid" those trips on which truck employees of the Company will be paid the said lunch allowance under normal conditions, and showing under the heading "not normally paid" those trips on which truck employees of the Company are not entitled to lunch money under normal circumstances;

NOW THEREFORE this Supplementary Agreement witnesseth:

1. a) The Company will pay a lunch allowance of \$3.00 to each truck employee of the Company on each day on which he/she is assigned to leave before 12:00 noon on any trip listed under the "normally paid" section of the schedule for his/her district.

b) Since it has been agreed that all country runs listed under "normally paid" are trips which usually commence before 12:00 noon, and because of distance to be travelled, or the nature of the loads, or the number of drops (deliveries), or the traffic conditions normally encountered, or any combination of these circumstances, cannot be completed and the truck returned to base before 1:00 p.m. or within 4-1/2 hours of the employee's starting time (whichever first occurs) by employees performing their work in normally industrious and efficient manner; it is therefore further agreed that these trips will continue to be listed under the "normally paid" section of the schedule until changed conditions justify the transfer of the trip to the "not normally paid" section.

c) If the parties do not mutually agree to such a change of listing the matter may be submitted to arbitration as if it were a grievance, with the onus being on the Company to establish that changed conditions justify the change in listing proposed.

2. The listing of trips in the said schedules under the section of "not normally paid" is primarily for the information of the employees and local Manager, and is not intended to be a complete exhaustive list of all the remaining possible country runs.

3. With respect to any such run listed under "not normally paid" if conditions should change so that it becomes the type of run which qualifies for regular lunch money payments by applying the tests set out in paragraph 1(b) above, then such trips shall be relisted under the "normally paid" section by mutual agreement. If such mutual agreement is not reached, the matter in issue may be submitted to arbitration as if it were a grievance, with the onus being on the party

requesting **the change** to establish that changed conditions justify the change in listing proposed.

4. With respect to any trip commenced before noon and listed under the "not normally paid" section, a truck employee of the Company may claim **a meal allowance** on particular occasions when the trip is made under abnormal conditions which made it impossible for him/her to return the truck to base before 1:00 p.m. or within 4-1/2 hours from the time he/she started work on that day, whichever first occurs. If such claim is not settled by mutual agreement then it may be treated **as a grievance**, the onus being upon the grievor to establish that he/she was entitled to lunch money on the particular occasion.

5. It is understood that lunch money is not payable on any occasion with respect to existing trip which have not been listed **unless** it can be shown that an unlisted trip was omitted **from the list** by an oversight, and that it conformed in fact with the tests set out in paragraph 1(b). New "country runs" which require the truck to proceed more than fifteen (15) miles from base and which are inaugurated after **the date of this Memorandum shall be** listed either under "normally paid" or "not normally paid" by mutual agreement, and if such agreement is not reached, they will **be** settled as provided in Section 3 above.
