## **ARTICLE 1** **Recognition**

- 1.1 (a) The Employer recognizes the Union as the exclusive bargaining agent for all employees in the classifications shown in the Salary and Classification Schedule appended hereto save and except those classifications set out in Appendix 1. The Employer agrees to review with the Union, any new excluded classifications before commencing recruiting/posting procedures. Should the parties disagree as to whether such new classifications are to be excluded, the matter shall be referred to the Ontario Labour Relations Board and the criteria for exclusions as per the Ontario Labour Relations Act shall determine the status of such classifications.
- (b) Solely for the matters dealt with in Article 31, Casuals, the Employer recognizes the Union as the exclusive bargaining agent for employees employed as casuals. The parties also agree that this provision continues to apply to casual employees, during any period of time they retain seasonal status in accordance with the terms set out in the appendix applicable to seasonal employees.

**ARTICLE 5**  
**Job Security**

- 5.1 Where a lay-off may occur for a period in excess of ninety (90) calendar days by reason of shortage of work or funds

or the abolition of a position or other material change in organization, the identification of a surplus employee in an establishment and subsequent assignment, displacement or lay-off shall be in accordance with seniority subject to the conditions set out in this article.

5.2 For the purpose of this Article:

- (a) An “establishment” is an employee’s headquarters at or from which an employee normally performs his/her duties.
- (b) (i) A “work area” includes all Employer establishments within the geographic posting area of any given establishment.
  - (ii) In the event that there are fewer than five (5) establishments in the work area defined under (i) above, the five (5) establishments nearest the given establishment shall constitute that establishment’s work area.
  - (iii) The current geographic posting areas shall not be altered by the Employer during the term of this agreement unless otherwise agreed between the parties.
- (c) It is understood that when it is necessary to assign surplus employees in accordance with this article, the provisions of Article 21 shall not apply.

- 5.3 (a) Where an employee is identified as surplus, he/she shall be assigned on the basis of his/her seniority to a vacancy in his/her work area, provided he/she is qualified to perform the work and the salary maximum of the vacancy is not greater than two percent (2%) above nor sixteen percent (16%) below

the maximum salary of his/her class in the following sequence:

- a vacancy which is in the same class or position as the employee's class or position;
- a vacancy in a class or position in which the employee has served since his/her appointment date;
- another vacancy.

(b) Where an employee is assigned under (a) above to a position in a class with a lower maximum salary than the maximum salary for the class of the position from which he/she was assigned, he/she shall continue to be entitled to salary progression in accordance with Article 21.1 to the maximum salary of the higher classification, including any revision of the maximum salary of the higher classification that takes effect during the salary cycle in which the assignment takes effect.

5.4 With mutual consent (employee and Employer), a surplus employee shall be assigned on the basis of his/her seniority to a vacant position in another work area provided he/she is qualified to perform the work and the salary maximum of the vacancy is not greater than two percent (2%) above nor sixteen percent (16%) below the maximum salary of his/her class. In those cases where the employee accepts a position outside of his/her work area and the distance from his/her residence is greater than fifty (50) kilometres the Employer agrees to the reimbursement of approved relocation expenses up to five thousand dollars (\$5,000.00). Approved relocation expenses are identified in the Employer's Administration Manual.

- 5.5 An employee who does not accept an assignment in accordance with Article 5.3, shall be laid off and the provisions of Article 5.7 shall not apply.
- 5.6 Where an employee has not been assigned to a vacancy in accordance with Articles 5.3 or 5.4, he/she shall be subject to lay-off in accordance with the following applicable provisions.
- 5.7 An employee who has completed his/her probationary period and who is subject to lay-off as a surplus employee shall have the right to displace an employee who shall be identified by the Employer in the following manner and sequence:
- (a) Within the surplus employee's work area, the Employer will identify the employee with the least seniority in the same class in which the surplus employee is presently working and if such employee has less seniority than the surplus employee, he/she shall be displaced by the surplus employee, provided that the surplus employee is qualified to perform the work of such employee.
  - (b) Failing the opportunity for displacement under (a) above, the Employer will review the classes in the same class series within the surplus employee's work area, in descending order, until a class is found in which the employee with the least seniority in the class has less seniority than the surplus employee. Such employee shall be displaced by the surplus employee, provided that the surplus employee is qualified to perform the work of such employee.
  - (c) Failing the opportunity for displacement under (b) above, the Employer will review the classes in any other class series in which the surplus employee

has served since his/her appointment date within the surplus employee's work area, in descending order, until a class is found in which the employee with the least seniority in the class has less seniority than the surplus employee. Such employee shall be displaced by the surplus employee, provided the surplus employee is qualified to perform the work of such employee.

- (d) Failing the opportunity for displacement under (c) above, the Employer will review any permanent part-time positions within the surplus employee's work area in descending order of hours until a position is found where the surplus employee has more seniority than the employee occupying the position. Such employee shall be displaced by the surplus employee, provided the surplus employee is qualified to perform the work of such employee.
- (e) In logistics facilities where seasonal employees exist, and failing the opportunity for displacement under (c) above, the Employer will identify any seasonal employees within the surplus employee's work area. The surplus employee will displace the seasonal employee with the least seniority provided that the surplus employee is qualified to perform the work of such employee. Article 5.16 will apply in the event a permanent full-time employee is assigned to seasonal employment under this provision.
- 9 (i) Failing the opportunity for displacement under (d) above, the Employer shall review casual work requirements in the surplus employee's work area until a work site is found where the surplus employee's seniority exceeds the casual employee's seniority. Such employee(s) shall be displaced by the surplus employee provided

that the surplus employee agrees to such a placement.

(ii) A permanent full-time employee who displaces a permanent part-time employee shall retain his/her permanent full-time seniority during his/her status as a permanent part-time employee.

(iii) A permanent full-time employee who displaces a seasonal or casual employee shall retain his/her permanent full-time seniority during his/her status as a seasonal or casual employee.

(g) An employee may elect to waive one (1) or more of their displacement rights under Article 5.7 for the purpose of avoiding the need to travel to a new establishment.

5.8 Where no displacement is possible under Article 5.7 or where an employee chooses not to exercise those rights, he/she shall be laid off.

5.9 An employee who intends to exercise his/her rights under Article 5.7 must notify the Employer as far in advance as possible but not later than two (2) weeks from the date the employee is notified of being surplus. Where the employee fails to notify the Employer within the two (2) weeks specified, he/she shall be deemed to have opted to be laid off.

5.10 An employee who is displaced by an employee who exercises his/her rights under Article 5.7 shall be declared surplus and the provisions of this article shall apply.

5.11 An employee shall receive a notice of lay-off or pay in lieu thereof as follows:

- 5.13 An employee on the recall list, or an employee ~~who~~ has exercised his/her rights under Articles 5.7(d) or 5.7(e), shall be notified of all vacancies, including those posted in accordance with Article 21. Notices shall be forwarded by registered mail to the employee's last known address. Such employee shall be assigned to the vacancy if:
- (a) he/she applies therefore within fourteen (14) days, and
  - (b) he/she has the greatest seniority amongst the eligible applicants, including those who are being considered in accordance with Article 21.5(a) and he/she is qualified to perform the work.
  - (c) Employees assigned under this article shall not be required to serve a probationary period.
- 5.14 Except as specified in Article 5.4, relocation expenses resulting from any assignments under this article shall be the responsibility of the employee.
- 5.15 Where an employee who has been laid off is assigned under this article to the same position or a position in the same class as the position he/she occupied at the time of lay-off, he/she shall be assigned to the step within the salary range applicable to the position, equivalent to the step at which he/she was paid at the time of lay-off.

- 5.16 Where an employee is assigned under this article to a position with a classification having a different maximum salary than the maximum salary of the employee's position prior to assignment or lay-off, the employee shall be paid at the rate closest to but not greater than the rate he/she was receiving prior to the assignment or lay-off. This provision shall not apply to an employee promoted under Article 5.13.
- 5.17 Where an employee who has been laid off or who has displaced a seasonal or casual employee is reassigned to a permanent position his/her seniority shall be deemed to be continuous.
- 5.18 An employee shall be removed from the recall list after two (2) years of continuous lay-off.
- 5.19 In no case will the Employer train a new employee for a vacancy or a new position where there is a surplus employee who has not been assigned under any other provision of this Article or any person who has rights under Article 5.13 who could qualify for the vacancy through the same training program, and where that surplus employee or other person agrees to accept retraining in lieu of all other rights set out in this Article.
- 5.20 The Employer shall provide the Union with recall lists and amendments thereto.
- 5.21 Where an employee resigns from his/her employment with the Employer within two (2) weeks after receiving notice of lay-off under Article 5.11 he/she shall be entitled to a separation allowance as follows:

- (c) three thousand dollars (\$3,000.00) for ten (10) years of seniority or more, but less than fifteen (15) years.
- (d) four thousand dollars (\$4,000.00) for fifteen (15) years of seniority or more, but less than twenty (20) years.
- (e) five thousand dollars (\$5,000.00) for twenty (20) years of seniority or more.

- 4-1.1 Toronto Warehouse, Thunder Bay Warehouse, Ottawa Warehouse, London Warehouse, Durham Warehouse, Vintages (Department 738), Department 739 and the Security Desk at Head Office/Freeland Street.
- 4-1.2 Subject to Appendix 4, the seasonal periods of employment and the scheduling of employees will be subject to change by the Employer from year to year as determined by the unique needs of each warehouse. Accordingly, the number of employees who attain, or lose seasonal status, as defined below, will be subject to change.

**SECTION 2 – SCHEDULING OF HOURS OF WORK**

- 4-2.1 In Logistics facilities, hours of work will be assigned by Department in the following order:
  - first to employees who have attained seasonal status commencing with the seasonal employee with the earliest seasonal attainment date, and then

- 4-2.2 It is understood that these available hours of work are hours of work required after hours of work for permanent full-time employees have been scheduled.
- 4-2.3 Should two (2) or more seasonal employees have the same seasonal attainment date their casual seniority date shall be the determining factor with the employee with the greatest seniority coming first. Should a further determination be required the casual appointment dates shall be the determining factor with the employee with the earliest casual appointment date coming first.

**SECTION 3 -

In addition the previous period of seasonal status including any accumulation of service shall not be credited to any subsequent period of employment should the former employee be rehired. (For example, a termination may occur when an employee resigns voluntarily or when the employment of such employee is terminated for just cause by the Employer subject to the employee's right to grieve such termination.)

- 4-6.2 For the purpose of Section 3, Articles 5.7 (e), 5.17 and 6.6(b) where seasonal employees have the same seniority date, the seasonal employee's casual appointment date shall be the determining factor.

**on a Full-Time Basis**

This will confirm the Employer's agreement with respect to a leave of absence for a Board employee, in order that the employee may perform the duties and responsibilities of a position with the Union on a full-time basis.

Permanent employees transferred from Department 739 shall not be required to rotate through the shifts at Department 941 (i.e. afternoon shift employees will be permanently on that shift while day shift employees would remain in their current day shift). The Employer, where necessary, may temporarily assign the above grandfathered employees to a different shift for the purposes of training, absentee relief, or other unforeseeable emergencies. Such assignments will be of such a temporary nature so as not to extend beyond a two (2) week period.

Should a current 739 employee so request, the LCBO shall not transfer such employee to a regular LCBO store once he/she has been reassigned to the new facility. The exception to this would be in the event of a surplus/layoff situation. This is an ongoing grandfathering arrangement not available to new employees nor employees who opt to accept transfer.

### **Re: Allocation of Overtime Hours in the Retail Stores and Depots**

This proposal is only applicable to the allocation of scheduled overtime hours ("overtime") in the retail stores throughout Ontario and is intended to clarify Article 6.6 (b) of the Collective Agreement for retail store employees only.

It is understood that this Agreement is not applicable to the Letter of Agreement "Sunday Openings" and situations of unscheduled overtime which, for purposes of this Agreement, is overtime that cannot be anticipated and therefore cannot be scheduled in advance. Without limiting the generality of the foregoing and by way of example only this would include emergencies such as response to alarms.

1. Where there is a requirement for overtime work, the overtime opportunity shall be offered on a voluntary basis in the following manner and sequence:

Overtime work opportunities shall be first offered to qualified permanent full-time employees in each retail store on a voluntary basis in a rotating cycle.

For further clarity, this means the first overtime opportunity following the execution of this Memorandum of Agreement will be offered sequentially to the most senior qualified permanent full-time employee on the seniority list at each retail store until the overtime opportunity has been filled.

When the next overtime opportunity arises, the employer will offer that overtime opportunity to the next qualified permanent full-time employee who appears on the seniority list immediately following the employee who accepted the previous overtime opportunity and continue sequentially down the list until that overtime opportunity has been filled. When the end of the seniority list has been reached the cycle will repeat itself.

2. Where all qualified permanent full-time employees on the seniority list at a retail store have been offered the overtime opportunity and said opportunity still exists, such overtime shall then be offered to the qualified permanent part-time employees in the retail store and then to the qualified casual employees. Failing sufficient volunteers, overtime will be assigned to the least senior qualified employee.
3. The employer shall maintain an updated seniority list in each retail store which contains an updated notation of which permanent full-time employee accepted the last available overtime opportunity so as to ensure the proper allocation of the next overtime opportunity.
4. Permanent full-time employees transferred to another retail store shall be dovetailed into the seniority list

at such store. Transferred employees will become eligible to accept the next overtime opportunity at the retail store they are transferred to based on their respective position on the seniority list and the position of the overtime allocation cycle, provided they are qualified.

5. An employee who is or will be on vacation shall be eligible to work overtime opportunities on the Saturday immediately prior to, during or following his/her vacation period, provided he/she provides a written statement indicating his/her availability for such overtime and a contact number prior to the posting of the applicable schedule, provided he/she is qualified . Otherwise, should an overtime opportunity become available, he/she is ineligible to work overtime during said vacation period and the offer will be made to the next most senior qualified employee on the seniority list.
  
6. It is agreed that the Union and the Employer shall meet upon the request of either party, but not later than thirteen (13) months following the first day of the implementation of this agreement, to review this Memorandum of Agreement and make any changes agreed to be necessary.

The Employer will use the following Logistics Call In Protocol

**Unforeseen Work for Casual/Seasonal Employees**

The Parties agree that this protocol will be used to call in casual and seasonal employees in Logistics Facilities for work that is unforeseen when the schedule is posted.

1. An employee who is not scheduled must advise the Employer of his/her shift availability for unforeseen work;
2. An employee is to call the telephone number(s) as provided by the Employer by 4:00 p.m. Thursday for unforeseen work that may occur the following week;
3. Unforeseen work that becomes available shall be offered to an employee who has indicated he/she is available as per (1) above, in order of seniority, provided the employee is qualified to perform the work and no overtime is incurred;
4. The Employer shall only make one attempt to contact an employee who has complied with (1) above.
5. If the Employer does not establish contact with an employee or if the employee does not accept the offer at the time of the Employer's contact, the next

- 
- most senior employee who has complied with (1) above may be offered the work;

### **Re: Shift Rotation For Logistics Facilities**

This proposal is applicable to permanent full time employees working in Durham, London, Toronto, Ottawa and Thunder Bay logistics facilities only and is intended to replace **Article 6.14** of the Collective Agreement for Logistics employees only.

Regular shifts will be fixed (non-rotational), on a semi-annual basis January 1st to June 30th and July 1st to December 31st.

For the purposes of this agreement Warehouse Worker 3 and Warehouse Worker 4 classifications will be one classification.

For departments outside of Warehouse Operations specifically maintenance, Controls and Security:

The employees in these departments who were hired prior to **January 1st, 2005** will be excluded from the terms of this agreement and will follow a regular shift rotation. Any employee hired into one of these departments after January 1st, 2005, will be subject to the terms of this agreement as detailed below.

- 1) The Employer shall determine the necessary shift requirements based upon operational needs and required skills and permanent full time employees will be assigned to regular shifts on the following basis:
  - a) Qualified permanent full time employees will be solicited first by seniority on a voluntary basis to fulfill the requirements in 1 above.
  - b) Failing sufficient volunteers, the employer will fill the remaining shift requirements – Casual employees starting with the junior most Casual. (Note: For the purposes of this clause Seasonal employees will be considered to be Casual employees.)
  - c) Where there are no qualified Casual Employees, the employer will fill the remaining shift requirements by assigning qualified permanent full time employees starting with the junior most permanent full time employee.
- 2) Employees requesting a change to their regular shift must forward their request in writing to their Manager on or before December 1st for the January 1st to June 30th period, or on or before May 1st for the July 1st to December 31st period.

- 3) It is understood that no PFT employees will be assigned to a shift other than day shift while a Casual is scheduled to the same job task on the day shift.

### **Re: Overtime Equalization For Logistics Facilities**

This proposal is applicable to permanent full time employees working in Durham, London, Toronto, Ottawa and Thunder Bay logistics facilities only and is intended to replace **Article 6.6(b)** of the Collective Agreement for Logistics employees only.

Overtime will be distributed under the terms of this agreement to permanent full time employees by the classification that normally performs the work, except for Warehouse Worker 3 and Warehouse Worker 4 classifications which will be deemed to be one classification for the purpose of overtime distribution.

1. Overtime hours shall be calculated using a multiplier rate equal to that for which the Employee would be paid for the hours offered or worked. This would be applicable to all lists.
2. Where there is a requirement for overtime, work shall be offered on a voluntary basis in the following manner and sequence.
  - a) Overtime shall be offered first to permanent full time employees with the least number of accumulated overtime hours in the department,

at work, by shift, by the classification that normally performs the work for which such overtime is required based on the employer's most recent list.

- b) Where sufficient full time personnel do not volunteer, such overtime will be offered to seasonal employees in accordance with Appendix 4 Section 2 of the Collective Agreement.
  - c) Where sufficient Seasonal personnel do not volunteer such overtime will be offered to Casual employees in order of seniority in the department, at work, by shift, by the classification that normally performs the work for which such overtime is required.
  - d) Failing sufficient volunteers, overtime shall be assigned to the least senior qualified employee beginning with Casual employees, then Seasonal employees and then permanent full time employees.
- **Note:** For the purposes of this clause, the most recent list shall mean the employer's daily adjusted list and not the weekly posted list.
  - **Note:** Where there are more employees with the same number of accumulated overtime hours than are required, such overtime will be allocated in order of seniority.
3. The Employer shall maintain a daily list of all overtime hours worked and offered, by shift. A weekly summary will be posted in each department, by shift, not later than 4 p.m. on the first working day of the new work week. Such lists shall contain the following:

- a) all hours worked and offered for the previous week;
- b) the total accumulated hours worked and offered to date;
- c) all hours declined and the reasons that they were declined.

A copy shall also be provided to the local Union Representative.

- 4. A separate list shall be maintained for weekend and statutory holiday solicitation.

**NOTE: Item 4 above will not apply to employees working in Maintenance, Controls and Security, who were hired prior to January 1, 2005.**

#### Weekend and Statutory Holiday Solicitation

Overtime that has a starting time between 12:01 a.m. Saturday and 11:59 p.m. Sunday will be offered first to permanent full time employees with the least number of accumulated hours, based on the weekend and statutory holiday solicitation list, in the department, by the classification that normally performs the work. It is understood that the employee with the least number of hours shall be solicited from amongst all shifts for that classification.

Where the solicitation of overtime, as defined above, commences with less than 2 calendar days, of the starting time of said overtime, management will solicit permanent full time employees not on shift by phone.

Employees have 10 calendar days to raise queries regarding the accuracy of the posted list except where an employee has been absent and in such cases must be made within 10 calendar days following his/her return to work. Failing the submission of any queries, the employer's record shall be deemed to be accurate.

Overtime hours will be charged to employees where:

- a) hours are offered and refused;
- b) they are absent due to any reason including vacation

For the purposes of this agreement, vacation days shall be considered to fall between Monday and Friday. Employees who are on vacation shall be eligible to work on any Saturday or Sunday immediately prior to, during, or following their vacation period, provided they sign a form indicating their availability for such overtime prior to the commencement of their vacation.

- c) hours that are offered and accepted by an employee who subsequently does not work for any reason
- d) the requirements of the work fall outside of the employee's abilities as per information within the employer's possession

Where it is necessary to call in employees who are not at work because it is not their regular shift, then, in the event an employee's availability cannot be confirmed at the time of offer, the employee will be charged, and the next employee on the list will be offered the work.

Overtime hours shall be reconciled and turned back to "zero" (0) January 1 and July 1 of each year. Where all employees in a

classification have “zero” accumulated overtime hours, overtime will be offered in order of seniority.

Employees who are assigned to a different classification within a department (eg: promotion, transfer, demotion, etc.) shall have their hours adjusted to be one hour greater than the hours of the employee with the most hours in that different classification.

Shift Changes:

- a) Employees who request assignment to a different shift, and maintain their classification shall also have their hours adjusted to be one hour greater than the hours of the employee with the most hours for that classification, on that shift in the same department. The most hours plus one shall be calculated using the daily list.
- b) Where an employee's shift is changed by management, due to operational requirements, the Employee's overtime hours shall be reconciled at the time of the shift change and their hours for the new shift adjusted to be one hour greater than the hours of the employee with the most hours for that classification, on that shift in the same department.

Reviews of equalization records shall be held between local Union and Management on a quarterly basis.

The LCBO will equalize overtime to a maximum difference of 15 hours among those employees within a department, classification and shift, as defined in Appendix A.

Equalization will be determined by comparing the overtime hours of an employee with the overtime hours of that employee in the same department, classification and shift who has the greatest number of overtime hours.

Where the difference between their overtime hours exceeds 15 then the amount by which their difference exceeds 15 will be all that is paid to the employee being equalized.

<b>Employee</b>	<b>Total hours worked or offered</b>
John Smith	300
Tina Jones	275
	<hr/>
Difference	25
	- 15
	<hr/>

Overtime equalization records shall be reconciled January 1 and July 1 of each year. The weekend and statutory holiday solicitation list shall be reconciled at the same time but independently of the regular overtime list. Any equalization adjustments shall be paid to Employees at their regular hourly rate in effect June 30th and December 31st of the equalization period. These adjustments shall be paid in the pay period closest to the first of the month following reconciliation.

Overtime hours will not be offered to an employee where such hours will result in the employee working more than two (2) full shifts in any 24 hour period. To clarify, each employee must have a minimum of 1 shift off, (not working), in any 24 hour period. Accordingly, the employee will not be charged.

It is agreed that the Union and the Employer shall meet upon the request of either party, but not later than thirteen (13) months following the first day of the implementation of this agreement,

to review this Memorandum of Agreement and make any changes that the parties agree to be necessary.
