## ARTICLE 2: RECOGNITION

- 2.01 The Employer recognizes the Union as the sole collective bargaining agent for all: its office, clerical and technical employees and teacher assistants, save and except supervisors, persons above the rank of supervisor, students employed during the school vacation period, employees covered by a subsisting collective agreement with C.U.P.E., Local 1310, executive secretaries, all persons employed in a confidential capacity in the human resources department, academic consultants, special education co-ordinator, and all persons covered by the School Boards and Teachers Collective Negotiations Act.

## ARTICLE 3: RELATIONSHIP

- 3.01 The parties hereto agree that any ~~employee~~ of the Employer covered by this Agreement ~~may become a member of the Union if he/she wishes to do so, and may refrain from becoming a member of the Union if he/she so desires.~~
- 3.02 The Employer agrees that no employee shall in any manner be discriminated against or coerced, restrained or influenced on account of membership or non-membership in the Union.
- 3.03 The Union agrees it will not discriminate against, coerce or restrain any employee because of his/her membership or non-membership, his/her activity or his/her lack of activity in the Union, and recognizes that membership in the Union is a voluntary act on the part of the employee concerned.
- 3.04 It is agreed that the Union and the employees will not engage in Union activities during working hours or hold meetings at any time on the Employer's premises without obtaining the prior permission of the Employer. Provided the normal procedure is followed, the Employer will grant a permit to the Union for the use of its premises and facilities for the purpose of membership and Executive Board Meetings without payment therefor unless extra custodial services are required.
- 3.05 During the lifetime of this Agreement and as a condition of employment the Employer shall deduct from the pay of all employees covered by this Agreement on the first pay day of each calendar month, whatever sum may from time to time be authorized by the Union as regular monthly dues and shall remit same prior to the middle of the following month to the treasurer of the Union. The said sum shall be accepted by the Union as the regular monthly dues of those employees who have or who become members of the Union and the sum so deducted from non-members

of the Union shall be treated as their contributions to the expenses of maintaining the Union.

#### ARTICLE 4: DEFINITIONS

4.01 "Full-time employee" means an employee employed on a permanent basis who works the regular hours of work per week and includes those so employed on a school year basis.

4.02 *BBK-1* "Part-time employee" means an employee employed on a permanent basis who works less than the regular hours of work per week and includes those so employed on a school-year basis.

4.03 A "temporary employee" is an employee hired on a temporary basis for:

- (a) special projects ~~or~~ during periods of heavy workload, or
- (b) in cases of emergency, or
- (c) for replacement *for* employees absent due to illness or accident, or ~~for~~ other similar purposes, or
- (d) for replacement for employees on leave of absence, or
- (e) for replacement ~~for~~ an employee temporarily transferred under Article 15.01.

It is understood and agreed that temporary employees may be employed on a full, ~~or~~ part-time basis. A temporary employee will not be employed for a period of more than ninety (90) consecutive days without the consent of both parties.

Notwithstanding Article 12.01, temporary employees shall not acquire seniority and shall **not** have any seniority for the purposes of this Agreement. They shall be entitled to the wage rates and overtime provisions set forth in this Agreement, but are not entitled to any of the benefits set forth in Articles 18 and 21.

In the event that a temporary employee becomes employed on a permanent basis, he/she will, upon completion of the probationary period, be credited with seniority dating back to the start date of his/her most recent period of employment. The aforementioned probationary period will commence as of the date of permanent transfer/assignment.

#### ARTICLE 5: NO STRIKES OR LOCKOUTS

5.01 In view of the orderly procedures established by this Agreement for the settling of disputes, and the handling of grievances, the Union agrees that during the lifetime of this Agreement there will be no strike, picketing, slowdown, or stoppage of work, either complete or partial, and the Employer agrees that there will be no lockout.

5.02 The Employer shall have the right to discharge or otherwise discipline employees who take part in, or instigate any illegal

strike, picketing, stoppage or slowdown, but a claim of unjust discharge or discipline may be the subject of a grievance and dealt with as provided in Article 8.

- 5.03 Should the Union claim that a cessation of work constitutes a lockout, it may take the matter up with the Employer as provided in Step No. 3 of Article 8.
- 5.04 The Union further agrees that it will not involve any employee of the Employer, nor the Employer itself, in any dispute which may arise between any other employer and the employees of such other employer.

#### ARTICLE 6: RESERVATION OF MANAGEMENT FUNCTIONS

- 6.01 The Union acknowledges it is the exclusive function of the Employer to:
- (a) maintain order, discipline and efficiency;
  - (b) hire, classify, transfer, promote, demote and lay off employees and also to suspend, discipline or discharge employees for just cause, provided that a claim by an employee who has acquired seniority that he/she has been discharged, suspended, or disciplined without just cause may be the subject of a grievance and dealt with as hereinafter provided.
- 6.02 The Union further recognizes the right of the Employer to operate and manage its schools and operations in all respects in accordance with its commitments and its obligations and responsibilities. The right to decide on the number of employees needed by the Employer at any time, the right to use modern methods, machinery and equipment, and jurisdiction over all operations, buildings and equipment are solely and exclusively the responsibility of the Employer. The Employer also has the right to make and alter from time to time rules and regulations to be observed by the employees, but before altering any such rules the Employer will discuss same with the Union Grievance Committee and give them an opportunity of making representations with regard to such proposed alterations. The Employer agrees that any such rules shall not conflict with the provisions of this Agreement.

7.03 The Union undertakes to secure from its officers, stewards and members their cooperation with the Employer and with all persons representing the Employer in any supervisory capacity.

7.04 The privilege of stewards and members of the Grievance Committee to leave their work without loss of basic pay to attend to Union business is granted on the following conditions:

(b) No grievance shall be considered where the circumstances giving rise to it occurred or originated more than ten (10) full working days before the filing of the grievance.

The immediate supervisor shall give his/her answer in writing within a period of five (8) days of the said meeting. - 9.01 Both parties to this Agreement agree that any dispute or grievance concerning the interpretation, application, administration or alleged violation of this Agreement, which has been properly carried through all the steps of the grievance procedure outlined in Article 8, and which has not been settled, will be referred to a Board of Arbitration at the request in writing of the party which initiated the grievance.
- 9.02 The Board of Arbitration will be composed of one person appointed by the Employer, one person appointed by the Union, and a third person to act as Chairman chosen by the other two members of the Board.

of the discharge, except where a case is taken to arbitration. A claim by an employee, who has attained seniority, that he/she has been unjustly discharged from his/her employment shall be treated as a grievance if a written statement of such grievance is lodged with the Human Resources Manager within five (5) days after the employee is notified of the discharge or within five (5) days after the employee ceases to work for the Employer, whichever is the earlier. All steps of the Grievance Procedure prior to Step No. 3 may be omitted in such cases.

- 10.03 Such special grievances may be settled by confirming the Employer's action in dismissing the employee, or by reinstating the employee with full compensation for time lost, or by any other arrangement which is just and equitable in the opinion of the conferring parties or the Board of Arbitration, as the case may be.

#### ARTICLE 11: MANAGEMENT GRIEVANCES

- 11.01 It is understood that the Employer may file with the steward and a Union Representative any complaint with respect to the conduct of the Union, its officers or stewards, or any complaint that a contractual obligation undertaken by the Union has been violated, and that if such complaint by the Employer is not settled to the mutual satisfaction of the conferring parties, it may be treated as a grievance and referred to arbitration in the same way as the grievance of an employee.

A Union grievance may be filed directly at Step No. 2 by the Union alleging a general violation of the Agreement by the employer and such grievance shall be processed as specified in this Article, substituting the appropriate management personnel where Union personnel are named.

17.12 Union Education Seminars

62D3  
A leave of absence without pay and without loss of seniority may be granted to attend Union education seminars. A written request is to be made to the Human Resources Manager. The request should be made at least two (2) weeks in advance of the date of the seminar. Not more than one (1) employee shall be granted this leave of absence from any one work location at the same time.

17.13 Leave for Public Duties

63E-3  
The Employer recognizes the rights of employees to participate in public affairs. Therefore, upon written request, the Employer will grant leave of absence without loss of seniority and without pay so that employees may be candidates in a Federal, Provincial, or Municipal election.

17.14 Professional Development and In-Service Training

25A-1  
(a) An employee may, upon written application and with the approval of the Human Resources Manager, be granted leave without loss of salary or sick leave credits to participate in professional development programs. Application should be made at least two weeks in advance of the effective date of the leave.

(b) The opportunities to participate in professional development programs, and in-service training programs, shall be distributed fairly amongst employees but solely at the discretion of the Board and the decisions of the Board in this regard are not grievable.

(c) Information about professional development programs, and in-service training programs, shall be distributed to all work locations.

(d) Employee suggestions regarding suitable professional development programs, and in-service training programs, shall be considered.

17.14 Jury or Witness Duty:

63 B.C-1  
The Employer shall grant leave of absence without loss of seniority to an employee who serves as a juror or is subpoenaed to appear as a witness in any Court, other than on his/her own behalf. The Employer shall pay such employee the difference between his/her normal earnings and the payment he/she received for jury service or court witness, excluding payment for travelling, meals or other expenses. The employee will present proof of service and the amount of pay received.

17.15 Executive Officers of the Union

A union member who is elected to an executive office of the union may be granted a leave of absence in accordance with the following:

(a) The leave will be at no cost to the Board.

(b) The Union will be invoiced monthly for the employees salary and all benefits including statutory deductions - eg. U.I.C.

635-3  
(c) The Union shall reimburse the Board within fifteen (15) days of the billing date.

(d) The employee will continue to accumulate seniority and sick leave credits during the period of leave.

(e) Upon the termination of a leave which does not exceed twenty-four (24) calendar months, the employee will be reassigned to his/her original position and work location providing the position still exists.

(f) In the event that the leave is extended beyond 24 calendar months or the original position referred to in (e) above does not exist, the employee will be reassigned to a comparable position in accordance with Article 13.

17.16 Inclement Weather

480-1  
Although employees are expected to report for work even on stormy days, the Board recognizes that it is sometimes unreasonable to expect employees to risk their own safety driving to work in extreme weather conditions. If the weather conditions are extreme, and an employee attempts to travel to work but is forced back by unsafe conditions, he/she should telephone the principal in the school, or the department head in other offices, to report his/her inability to attend. The principal or department head must report this absence to the Board office in the regular way at the end of the month, explaining that, in his opinion, the absence was justifiable because of the unsafe travelling conditions. The Board office will deduct ~~a day's sick leave credit~~ for these absences. If, in the principal's or department head's opinion, the absence was not justified, there will be a day's deduction of salary.

**ARTICLE 18: SICK LEAVE**

73-  
26 260

18.01 The provisions of this Article apply only to permanent employees and are pro-rated in accordance with time worked. Sick leave will be allowed for sickness for such permanent employees after three (3) continuous months service on the basis of one-half (1/2) day per week to a total of twenty (20) days sick leave after one year's service for those so employed on a school year basis, and to a total of twenty-six (26) days for all other employees entitled to sick leave. ~~It is understood and agreed that no sick leave will be allowed during the employee's first three (3) continuous months of service.~~

Normal pregnancy is not an illness under the terms of the Sick Leave Plan. There is no entitlement to Sick Leave except for complications of pregnancy or illness unrelated to pregnancy which may occur while the employee is still working.

18.02 The unused portion of sick leave in any year of service will be accumulated up to a maximum of two hundred (200) days for employees employed on a school-year basis and up to a maximum of two hundred sixty (260) days for all other employees entitled to sick leave.

18.03 An employee who has been given reasonable notice that it will be required, may be required to produce proof of sickness in the form of a medical certificate.

18.04 In order to qualify for sick leave an employee must notify his/her superior as soon as possible prior to the beginning of the employee's shift. When an employee has exhausted his/her accumulated sick leave, unused vacation, and overtime credits, and where the employee desires to remain covered under the welfare provisions of Article 21 of this Agreement, then the employee shall pre-pay the premium of such plans to the Employer.

✓

18.05 An employee absent due to accident compensable by the Worker's Compensation Board who has accumulated sick leave credits, may draw upon the accumulated sick leave credits for the difference between his/her regular pay and the amount payable by the Worker's Compensation Board. The Board agrees to continue to permit employees with accumulated sick leave credits to draw upon the said credits pending settlement of the compensable claim and adjust the amount of the credits following settlement of the claim and payment to the Board.

76E-1

18.06 An employee who has had five (5) continuous years service with the Board or a predecessor Board on retirement at age 65, or on retirement due to permanent total disability, or upon becoming eligible for and receiving an OMERS pension, shall be entitled, or in the event of his/her death, his/her personal representatives shall be entitled to a gratuity calculated as follows:

N	X	S
200		2

For all other employees

$$\frac{N \times S}{260 \times 2}$$

where **N** is the number of accumulated sick leave credit days at the time of the employee's separation from the Board, the **S** is the average of the last five (5) years of the employee's salary at the date of his/her separation from the Board. In any event, the gratuity shall not exceed the amount of one-half year's earnings at the employee's wage rate received by him/her immediately prior to retirement or death.

- 18.07 Employees who have had service with a predecessor Board and who, by reason of the sick leave policy of that predecessor Board, had accumulated sick leave credits in excess of 200 days as of December 31, 1968, shall continue to have the total so accumulated as their future maximum accumulation. They will be credited with sick leave in accordance with this Article but no accumulation will be permitted beyond their respective maxima.

Upon death, or permanent disability or upon becoming eligible for and receiving an OMERS pension or retirement at age 65, the gratuity formula for them will be:

$$\frac{N}{A} \times \frac{S}{2}$$

"A" being the maximum allowed accumulation for such individual. In any event, the gratuity shall not exceed the amount of one-half year's earnings at the employee's wage rate received by him/her immediately prior to retirement or death.

(c) A statement of vacation pay earned and paid during the year will be included together with the last June salary payment. Any overpayment of vacation pay made in accordance with 19.08 (a) will be deducted from regular earnings at that time.
