If more layoffs are implemented the lowest senior employee in the said classification shall be the next laid off.

162 In order that the operation of the Union will not become disorganized when temporary layoffs are being made, the President and Stewards shall be the last persons to be laid off during their term of office, so long as full- or part-time work which they are **qualified** to perform at their own or at a lower wage level, is available.

100 Full-time employees in the **Food** Services Department who are laid off may exercise their seniority to displace part-time employees in any other Department provided they are capable of performing the duties of the job.

such position within six (6) months following the date of appointment to such position, he/she shall be returned to his/her former position without loss of seniority and shall be required to repay the Union dues for the period during which he/she occupied the position outside the Collective Agreement.

9:09 In the event that the Employer shall merge, amalgamate or combine any of its operations or functions with another employer, the Employer agrees to use its best efforts to secure the retention of seniority rights for all employees with the new employer.

PREPAID LEAVE PLAN

12h1

PURPOSE - The Prepaid Leave Plan has been developed to afford employees in the bargaining unit the opportunity of taking a leave of absence of between **six** (6) months and one (1) year and to finance the leave through deferral of wages in an appropriate amount which will be accumulated and together with interest, be paid out at the commencement of the leave.

ELIGIBILITY - Any employee in the bargaining unit having **three** (3) years seniority with the University is eligible to participate in the Plan in accordance with the conditions set out herein.

Application - An employee who qualifies **as** above must make written application to the Director of Human Resources of the University at least **three** (3) months in advance of the proposed commencement date of participation in the Plan, requesting permission to participate in the Plan setting out the deferral program as requested.

Approval - Approval of individual requests to participate in the Plan, the duration of the leave, the deferral **period** and the percentage of wages deferred shall rest solely with the University.

Deferral - The deferral period over which wages are deferred shall be to a maximum of **five** (5) years.

Leave - The length of the leave shall not **exceed** one (1) year.

Written Agreement - The University and the employee shall enter into **a** written agreement setting out the terms of the Plan agreed to in compliance with the conditions herein.

TERMS AND CONDITIONS - The payment of wages and benefits, and other terms and conditions, shall be as follows:

Trustee Agreement - The University of Windsor shall enter into a master trust agreement with **a** trust company licensed to do business in Canada under the Trustee Act of Ontario whereby individual employees taking part in **this** program may have their deferred wages paid into such trust accounts to be held for purposes of financing their prepaid leaves. Monies will be invested in instruments **as** prescribed by the trust agreement such that maturity dates will coincide with the commencement of the prepaid leave. The interest rate to be paid on such deferred wages will be that actually obtained by the investments as directed by the trustee per the trust agreement.

Wages - During the deferral period, preceding the leave, the employee will be paid a reduced percentage in accordance with the written agreement between the University and the employee, of his/her wages as set out in the Collective Agreement. The remaining percentage of his/her wages will be deferred and this accumulated amount plus any interest **earned** shall be retained for the participant by the University to finance the period of leave.

The percentage deferred shall not exceed an amount determined by dividing the length of the period of leave by the sum of the length of the deferral period and the length of the period of leave and multiplying by 100 (e.g. if length of deferral period = 4 years and length of leave = 1 year, then maximum deferred **salary = 20%**).

Interest Rate - A trust agreement shall be entered into on behalf of the employee whereby deferred wages will be contributed. Such deferred wages shall be invested as per the trust agreement. Monies so invested shall have a maturity date no later than the commencement of the deferred leave. Administrative costs of the trust will be deducted from the **gross** interest earned on such deferred wages.

Deferral Period (Benefits Structuring) - During the deferral period, any benefits related to the **rate** of wages shall be structured according to the wages the participant would have received during the deferral period had he/she not been in the Plan.

Employee Benefit Coverage and Premium - A participant's coverage for Life Insurance, Semi-Private coverage, L.T.D., Green Shield Drug, Dental and Vision coverage, in effect immediately prior to the leave, will be maintained by the University during his/her leave of absence, if eligibility conditions permit.

Leave Period (Benefits Structuring) - During the leave period, any benefits related to the rate of wages shall be structured according to the **rate** of wages the participant would have received immediately prior to the leave had he/she not been in the Plan.

Pension - Contributions will be maintained by both parties at nominal **salary** for pension purposes. This provision is subject to the necessary amendments being made to the Retirement Plan and being approved by Revenue Canada and the Pension Commission of **Ontario**.

Payout - At the commencement of the period of leave, the University shall pay to the participant the monies standing to his/her credit less any premiums or

contributions deducted for the year, except **as** may otherwise be mutually agreed, it being understood that interest is not **earned** for the period of leave.

Assignment on Return - On return from leave, a participant will, subject to the application of the layoff and displacement provisions of the Collective Agreement during the period leave, be assigned to the position he/she held prior to the leave. If the layoff and displacement provision of the Agreement have application during the leave, they shall apply to the employee in the same manner during the leave, except that notice to the employee may be given to an Officer of the **Local** Union and any election the employee may make under such provisions may be made on his/her behalf by an Officer of the **Local Union**.

Applicability of Benefits - The 105 days Short Term Disability benefit shall not be available during the leave. Employees shall maintain their Long Term Disability coverage. Requests for withdrawal must be submitted in writing, detailing the reason(s) for withdrawal before **three (3)** months prior to commencement of leave. The University shall maintain the request and its approval as part of University records. When a request for withdrawal is approved, the University shall pay to the employee a lump sum amount **equal** to monies deferred plus interest accrued to the date of withdrawal from the Plan. Payment shall be made as soon **as** possible, but must be made within **thirty (30)** days of approval of withdrawal from the Plan.

Leave Postponement - The University may, for **good** and sufficient reason, up to **three (3)** months prior to commencement of the leave, **postpone the period** of the leave for not longer than one (1) year. In this instance, a participant may choose to remain in the Plan, or receive payments **as** outlined under "Withdrawal Rights" above.

The participant may, for good and sufficient reason, request in writing that the leave **period** be postponed. The University may, at its discretion, grant a postponement, but under no circumstances shall the postponement exceed one (1) **year**.

Interest Accumulation - Should the above (Leave Postponement) result in a

leave of absence being taken later than the intended **period**, any monies accumulated until the intended commencement date will continue to accumulate interest until the leave is **granted**.

On Leaving Employment - Any participant who resigns, is laid **off** or otherwise terminated prior to commencement of the leave shall **cease** to be a participant in the Plan, and **shall** receive payment as outlined under "Withdrawal Rights" above.

It is understood that deferred wages invested under the trustee agreement may not be returned to the employee until such time as the maturity date of such investments under the auspices of the trust mature.

Death Clause - Should a participant die while enrolled in the Plan, any **monies** accumulated, plus interest accrued at the date of death, will be paid to his/her estate/beneficiary. Every agreement entered into under "**Written Agreement**" shall state that monies paid to the estate of an employee under this section are a "right or thing" within the meaning of the Income **Tax** Act and shall be taxable as income in the year of the employee's **death** in accordance **with** the Income **Tax** Act.

Serious Illness - Should a participant be unable to take the leave when scheduled because of serious injury or illness occurring before commencement of the leave, he/she may cancel the leave and receive payment **as** outlined under "Withdrawal Rights" or, with the consent of the University, defer **the** leave to a time mutually agreeable not to exceed one (1) **year**.

INCOME TAX - During each taxation year, the participating employee's income tax liability shall be in accordance with the Canadian Income **Tax** Act and the amount of withholding **tax** deducted at source by the University shall be based on monies actually received by the employee in each taxation year subject to the acceptance of this Plan by Revenue Canada.
