9.13 Where a number of employees have identical grievances and each employee would be entitled to grieve separately they may present a group grievance in writing signed by each employee who is grieving or her designate within fourteen calendar days after the circumstances giving rise to the grievance have occurred or reasonably ought to have come to the attention of the employee(s). The grievance shall be treated as being initiated at Step 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

- c) The two (2) appointees shall select a third appointee to act as an impartial chairperson.
- 10.02 If the party receiving the notice fails to appoint an arbitrator, or if the two appointees fail to agree upon a Chairperson within fourteen (14) days of their appointment, the appointment shall be made by the Minister of Labour (Management-Labour Arbitration Commission) upon request of either party.
- 10.03 The decision of the majority shall be the decision of the Board of Arbitration. Where there is no majority decision, the decision of the Chairperson shall be the decision of the Board of Arbitration. The decision of the Board of Arbitration shall be final and binding on all parties. The Board of Arbitration shall not have the power to change this Agreement or to alter, modify or amend any of its provisions. However, the Board of Arbitration shall have the

power to dispose of a grievance by an arrangement which it deems just and equitable.

10.04 Each party shall pay:

- i) the fees and expenses of the arbitrator it appoints;
- ii) one-half (1/2) the fees and expenses of the Chairperson.

10.05 Union representatives and other witnesses whose attendance at the arbitration hearing is necessary will be paid for all regularly scheduled time lost while at the actual arbitration hearing. To be eligible for payment, the employee must submit a leave of absence form as far in advance as possible, and in any event five (5) working days before the hearing date. Approval of such leaves of absence will not be unreasonably withheld. In the case of a grievance against discharge, compensation for the grievor is at the discretion of the board of arbitration/arbitrator if the grievance succeeds.

13.01 a) Whenever the Board intends to make a permanent appointment or promotion within the bargaining unit, the Board shall post notice of the position in all locations for seven (7) working days. Re: Equivalencies in Job Postings

During negotiations, the Union made certain proposals regarding equivalencies for educational qualifications in job postings. The Board agreed to review, during the term of the current Collective Agreement, the educational qualifications required in job postings for the positions set out below. This review is in addition to the planned review of qualifications for all positions.

The positions which will be considered on a priority basis are:

LETTER OF INTENT

December 1, 1989

Mary Cook
President
CUPE Local 1996
c/o Film Department

Dear Ms. Cook:

Re: Job Evaluation Manual Negotiation and
Implementation

During negotiations the parties agreed upon a procedure to move salaries into line with positions of comparable value in other organizations and to implement a job evaluation manual. The job evaluation manual will permit comparisons with other organizations, identify any internal inequities and provide an ongoing process for job evaluation.

The parties agree upon the need to implement a new job evaluation manual and to address the salary shortfall. The purpose of the January 1, 1989 and January 1, 1990 salary adjustments is to begin to address the salary shortfall. The Board has also agreed to apply Two Hundred and Fifty Thousand dollars (\$250,000) effective September 1, 1990 for the balance of 1990 to increase the rate of pay for employees in selected job classifications.

The parties agree to negotiate a new job evaluation manual by April 30, 1990. This manual will be capable of evaluating all positions and providing an ongoing basis for evaluating new and changed positions. The basis for negotiation of the new manual will be the CELPLO manual as modified to date and the current

manual. Each party will have the option of proposing one further manual for purposes of these negotiations if the manual is proposed by January 31, 1990. The parties may also agree upon a specific manual as a fallback if agreement cannot be reached on a new manual, such as a manual currently used in another large library system, subject to the agreement of the parties. After agreement on a manual, the parties will then complete negotiations on a comprehensive list of positions of comparable value in other organizations, particularly the City of Toronto.

Once the job evaluation manual has been agreed upon, all positions will then be evaluated using the manual by no later than August 31, 1990. Where appropriate and possible, identified positions of comparable value in other organizations may be evaluated using the manual.

Following implementation of the job evaluation manual the parties will negotiate how best to allocate the \$250,000 to those classifications with salary levels below positions of comparable value which have been identified in other organizations. These negotiations are to be completed by September 30, 1990.

The subject of the remaining shortfall will be a matter for negotiations during the next round of collective bargaining. The parties agree that it is critical to the success of future negotiations on this subject that a manual be negotiated and implemented and the \$250,000 allocated before the next round of collective bargaining.

The payment of the September 1, 1990 adjustment referred to in this letter is conditional upon agreement to and implementation of a job evaluation manual as described above.

The manual, the list of positions and the allocation of the 250,000 will be negotiated by an ad hoc Committee subject to ratification by the parties. Each party will choose two (2) representatives and one alternate for the Committee.

Evaluation of the jobs will be performed by a staff Committee of up to six (6) persons. The Board and the Union will each designate one representative for the Committee. The other appointments will be mutually agreed upon by the parties and will include the new Compensation and Benefits Manager. The final results of this Committee will be discussed by the ad hoc Committee and are subject to ratification by the parties.

Yours sincerely,

Dear Mr. Aylward:

**Re: Job Evaluation Manual Negotiation and
Implementation**

The parties have agreed upon the following procedure to expedite implementation of the letter of intent "Re: Job Evaluation Manual Negotiation and Implementation" dated December 1, 1989.

- (1) The parties will agree on a manual including the factors, the benchmark ratings and the weights by October 31, 1991.
- (2) By January 31, 1992, Management will complete the following and present the results to the Union:
 - (i) evaluate Local 1996 jobs;
 - (ii) do the external comparisons;
 - (iii) prepare a proposal on allocation of the annualized \$250,000 including new salary scales; and,
 - (iv) prepare an implementation plan on how to move incumbents from the old pay structure to the new pay structure.

The external comparisons will be based upon five (5) organizations from those on the list dated August 16, 1990. Two (2) organizations will be chosen by the Union; two will be chosen by the Board, and the fifth will be the City of Toronto. The Union will be kept informed as the process continues and given

information as it becomes available.

- (3) **Beginning February 1, 1992, the parties will negotiate the results outlined in #2 and will meet often and regularly to endeavour to complete the process by March 1, 1992.**
- (4) There will be an appeal process. The appeal process will be addressed during the next round of negotiations. The appeal process will include a joint committee to consider appeals. Adjustments as a result of a successful appeal will be retroactive to September 1, 1990.
- (5) The subject of the remaining shortfall will be a matter for negotiations during the next round of collective bargaining.
- (6) Once the new manual is agreed upon it will replace the 1980 manual and will be used until a manual is implemented for pay equity.

Sincerely,

E. Les Fowlie
