ARTICLE 1 - RECOGNITION

1:01 The Employer recognizes the Union as the sole bargaining agent for those of its employees covered by the Certificates issued by the Ontario Labour Relations Board on March 5th, 2001, and described more particularly as follows:

"All employees of Hotel-Dieu Grace Hospital, in the City of Windsor, save and except Supervisors and persons above the ranks of Supervisor, Professional medical Staff, Registered Nurses, Graduate Nurses, Registered Practical Nurses, Pharmacists, Graduate Dieticians, Pastoral Care Workers, Technical and Paramedical Personnel, co-operative students and students employed during the school vacation periods and persons covered by subsisting Collective Agreements".

1:02 The phrase "part-time employee" when used in this Agreement shall mean an employee who is regularly scheduled to work less than twenty-four (24) hours per week.

ARTICLE 2 - DISCRIMINATION

2:01 There shall be no discrimination, interference, intimidation, restraint or coercion by the Union or any member thereof or any agent thereof or by the Employer or by the officers thereof regarding any employee because of his membership or non-membership in the Union. Union activities or meetings shall not be held on Employer's time or premises except as hereinafter provided without the consent of the Employer.

2:02 In accordance with the provisions of the Labour Relations Act of Ontario and the Ontario Human Rights Code, the parties agree that there shall be no discrimination, interference, intimidation, restraint or coercion against any employee with regard to any term or condition of employment because of race, religious affiliation, creed, colour, age, sex, disability, marital status, nationality, ancestry, place of origin, ethnic origin, citizenship, sexual orientation or family status or because any employee was or is a member of the Union or was or is exercising any rights under either of these statutes or under this Agreement.

2:03 Workplace Harassment

The parties are committed to providing a harassment free workplace. To that end, it is agreed that there will be no discrimination by either party or by any of the members covered by this agreement on the basis of race, creed, colour, national origin, sex, sexual orientation, marital status, family status, age, handicap, religious affiliation or any other factor which is not pertinent to the employment relationship. Ref: *Ontario Human Rights Code*.

- a) Every person who is an employee has a right to freedom from harassment in the workplace by the employer or agent of the employer or by another employee because of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, age, record of offences, marital status, family status or handicap. Ref: Ontario Human Rights Code, Sec. 5(2).
- b) Every person who is an employee has a right to freedom from harassment in the workplace because of sex by his or her employer or agent of the employer or another employee. Ref: Ontario Human Rights Code Sec. 7(2).
- c) Every person has a right to be free from:
 - i) A sexual solicitation or advance made by a person in a position to confer, grant or deny a benefit or advancement to the person where the person making the solicitation or advance knows or ought reasonably to know that it is unwelcome; or
 - ii) A reprisal or threat of reprisal for the rejection of a sexual solicitation or advance where the reprisal is made or threatened by a person in a position to confer, grant or deny a benefit or advancement to the person. Ref: Ontario Human Rights Code, Sec 7(3).
- d) A member who believes that she has been harassed or discriminated against contrary to this provision, may file a grievance under article 5 of this agreement or follow the procedure as outlined in the Hospitals' Policy on a Harassment Free Workplace. In the alternative, the employee may pursue the matter through the Ontario Human Rights Commission. Harassment means engaging in a course of vexatious comment or conduct that is known or ought reasonably to be known to be unwelcome. Ref: *Ontario Human Rights Code, Sec. 10(1)*.
- e) The Hospital and the Union recognize their joint duty to accommodate handicapped employees in accordance with the provisions of the Ontario Human Rights Code.”

2:04 Where the term spouse is used in this agreement, it shall also mean same-sex or common-law spouse. It is understood that this clause will be interpreted consistent with the Pension Act of Ontario and the Family Law Act.

ARTICLE 3 - RESERVATIONS OF MANAGEMENT

3:01 Subject to the provisions of article 3:02 hereof, and the right of employees to lodge their grievances hereinafter provided, the Union acknowledges that it is the exclusive function of the Employer to operate and manage the Hospital in all

respects in accordance with its obligations, and in the interest of its patients, service to them and the welfare of the community at large, and:

- a) To direct the working force, including the right to hire, rehire, suspend, transfer, classify, promote, layoff, recall, schedule work, assign work, to increase or decrease the workforce, discipline and discharge, provided that a claim by an employee that he/she has been discharged or disciplined without just cause, may be the subject of a grievance and dealt with as herein after provided. A probationary employee may be discharged at the sole discretion of the Hospital and the discharge of a probationary employee shall not be subject to the grievance or arbitration procedure. However, the Union reserves the right to grieve the termination of a probationary employee, if the termination is discriminatory, arbitrary or in bad faith.
 - b) To maintain order, discipline and efficiency; and
 - c) To establish and enforce rules and regulations, in an equitable and reasonable manner.
 - d) To safeguard the health and interests of the patients in the Hospital and the establishment of standards of care and quality.
- 3:02 The Employer shall not exercise its rights herein and/or enforce rules and regulations in an unreasonable manner and/or in a manner that is inconsistent with the provisions of this Agreement.
- 3:03 The parties agree that any disciplinary action will be imposed upon an employee within fourteen (14) calendar days of the employees' Supervisor or designate being made aware of the incident giving rise to the discipline. The parties further agree to extend such time frame if an active investigation into the incident is on-going.

A copy of such discipline shall be given to the Union and the employee. A letter of reprimand or suspension or other sanction shall be removed from the record of an employee eighteen (18) months following receipt of such letter.

ARTICLE 4 - REPRESENTATION

- 4:01 The Employer shall recognize up to eight (8) committeepersons from the bargaining unit one (1) of whom shall be Chairperson and one (1) of whom shall be the Vice-Chairperson. Each committeeperson shall be an employee with at least one (1) year's seniority. Further, it is understood not more than two (2) committeepersons from any one (1) department will attend at meetings between the Hospital and the Union, unless agreed to otherwise.
- 4:02 The duties of the committeepersons are as follows:

- (a) The committeepersons, together with the Chairperson and the National Representatives or Local Officer, shall negotiate with the Employer the renewal of this Agreement or the making of a new Agreement as herein provided. The Committeeperson shall be paid his regular rate for all regular scheduled working hours lost due to attending negotiating meetings with the Employer.
- (b) The Committeepersons will assist employees on all shifts in presenting their grievances to the representatives of the Employer. A Committeeperson or Chairperson shall be given time off from his regular duties for the purpose of attending to any grievance that may arise out of this Agreement, provided however that such Committeeperson or Chairperson shall first request and obtain the permission of his or her supervisor before leaving the job. Such permission shall not be unreasonably withheld.

4:03 The Chairperson shall be assigned to the day shift.

4:04 The Employer shall also recognize a Negotiation Committee comprised of not more than five (5) employees from the Bargaining Unit, with at least one (1) year's seniority. All of the members of the Negotiating Committee shall be paid their regular rate of pay for all regular scheduled working hours lost due to attending meetings with the Employer. The Union shall have the right to have the assistance of Representatives of CAW-Canada and its Local 2458 when negotiating with the Hospital.

4:05 Negotiating Committee members who are scheduled to work 11:00 pm, to 7:00 am., or 3:00 pm., to 11:00 pm., on the day of negotiations shall have their shift changed to the day shift for the purpose of attending negotiations. If negotiations are scheduled on a day off, for any committee member, they shall be paid as if they worked that day and be scheduled for an alternate day off at a mutually agreeable time. Such change shall not be subject to premium payment. Further, days upon which negotiations occur shall be considered as days of work for all Negotiating Committee members.

4:06 The Union shall advise the Hospital of the names of the employees when they have been elected as committeepersons and/or members of the negotiating committee.

ARTICLE 5 - GRIEVANCE PROCEDURE

5:01 The parties to this Agreement are agreed that it is of the utmost importance to adjust grievances as quickly as possible. No grievance shall be considered where the circumstances giving rise to it occurred or originated more than ten (10) days before the filing of the grievance.

5:02 Grievances properly arising under the Agreement shall be adjusted and settled as follows:

Step No. 1

The aggrieved employee shall present his/her grievance in writing to his/her Director/Manager within ten (10) working days after such grievance has arisen. The aggrieved employee may be accompanied by his/her committeeperson or Chairperson at the request of the aggrieved employee. The Director/Manager shall give an answer in writing within five (5) working days after the presentation of such grievance. Should no settlement satisfactory to the aggrieved employee be reached within five (5) working days of the presentation aforesaid, the next step in the grievance procedure may be taken within five (5) working days thereafter.

Step No. 2

The grievance shall be presented in writing by the aggrieved employee or their committeeperson to the Director of Human Resources or designate. The Director of Human Resources or designate and not more than three (3) representatives of the Hospital shall within seven (7) working days from such presentation meet with the aggrieved employee, a committeeperson or the Chairperson and the Local Officer of the Union. A representative of the National Union may also attend, if requested to do so by either the aggrieved employee, the Union or the Employer.

The Director of Human Resources or designate shall render his/her decision in writing within five (5) working days from such meeting and a copy thereof shall be mailed or delivered forthwith to the aggrieved employee and to the Union Office.

Failing settlement under the foregoing procedure of any difference between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether the matter is arbitrable, such difference or question may be submitted to arbitration as hereinafter provided and if no written request for arbitration is made within ten (10) days after the decision is given in Step 2, it shall be deemed to have been settled.

5:03 In the case of a grievance alleging improper discharge of any employee employed within the bargaining unit described in Article 1:01 of this Agreement, the discharged employee shall submit his grievance in writing to the Director of Human Resources or designate within ten (10) working days after the date of his discharge. The Director of Human Resources or designate shall convene a meeting with the aggrieved employee, a committeeperson, the Chairperson and the Local Officer of the Union within ten (10) days after the date on which the Director of Human Resources or designate received the written grievance. The purpose of this meeting shall be to discuss and consider the grievance. The Director of Human Resources or designate shall deliver his decision in writing to the Chairperson within three (3) days after the date of the meeting and a copy shall be mailed to the Union Office. If

the written decision of the Director of Human Resources or designate is not satisfactory to the Union, the grievance may be taken to arbitration in accordance with the provisions of this Article and Article 6 of this Collective Agreement.

- 5:04 Any time limits referred to in the grievance and arbitration procedures within which any procedure is required to be taken, or notice to be given, shall be calculated exclusive of Saturdays, Sundays and the religious and statutory holidays hereinafter recognized, and, for the aggrieved employee, his or her scheduled days off.
- 5:05 A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or violation of the Agreement, which may be considered policy matters shall be originated in writing at Step 2 within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. It is expressly understood, however, that the provisions of this article may not be used with respect to a grievance directly affecting an employee which such employee could himself institute and the regular grievance procedure shall not be thereby bypassed. If the decision of the Director of Human Resources or designate is not satisfactory to the Union the grievance may be taken to arbitration in accordance with Article 6 of this Agreement.
- 5:06 Where a number of employees have identical grievances and each employee would be entitled to grieve separately, they may present a group grievance in writing signed by each employee who is grieving to the Director/Manager or designate, within five (5) days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employees. The grievance shall then be treated as being initiated at Step 1 and the applicable provisions of this Article shall then apply with respect to the handling of such grievance.
- 5:07 The time limits noted above may be extended by mutual agreement between the parties.
- 5:08 When an employee is displaced from their position as a result of a grievance settlement and/or an arbitration award, (unless directed or agreed otherwise) such employee will be deemed to be laid off and the terms of articles 12:03, 12:04, 12:07, 12:08, 12:12, 12:13, and 12:15 only will apply.

ARTICLE 6 - ARBITRATION

- 6:01 The parties agree that a sole arbitrator shall resolve grievances that have been processed to arbitration in accordance with this article and all other provisions referring to an Arbitration Board shall appropriately apply.

Any grievance not satisfactorily settled through the grievance procedure may be appealed to an arbitrator, provided written notice of the party's intention to refer the

dispute to an arbitrator is given to the other party within ten (10) working days after the receipt of management's last decision

The notice shall contain a list of three (3) suggested arbitrators. The recipient of the notice shall within ten (10) working days inform the other party of agreement to one of the suggested arbitrators or provide a list of three (3) arbitrators. Should no agreement be made within twenty (20) working days of the notice referring the matter to arbitration, then either party may apply to the Ministry of Labour for the appointment of an arbitrator.

Notwithstanding the foregoing, if either party wishes to utilize a Board of Arbitration, they shall notify the other party of same and at the same time name a nominee. Within five (5) days after the receipt of such request, the other party shall select a nominee and give notice thereof to the other party.

6:02 Procedure for Arbitration Board

If within five (5) days thereafter, the nominee representing each party cannot agree upon an arbitrator, a request shall be addressed to the Minister of Labour of Ontario, who shall appoint an arbitrator. Upon the appointment of such arbitrator, he shall be the Chairman of the Board of Arbitration and the matter of the grievance shall be submitted to such Board as rapidly as possible. Each party shall pay the nominee appointed by it and the arbitrator shall be paid as to one half (1/2) by each of the parties.

6:03 No matter may be submitted to arbitration which has not been properly carried through the grievance procedure.

6:04 The Arbitrator/Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement. Any decision or penalty made or imposed by the Employer which does not involve the interpretation, application, administration or violation of this Agreement may not be dealt with in any way by the Arbitrator or Board of Arbitration.

6:05 Proceedings before the Arbitrator/Arbitration Board will be expedited by the parties hereto. The Arbitrator/Arbitration Board shall hear and determine the difference or allegation and shall issue a decision and the decision shall be final and binding upon the parties and upon any employee affected by it. In the case of an Arbitration Board the decision of a majority is the decision of the Board, but if there is no majority the decision of the Board Chairperson governs.

6:06 No person may be appointed as arbitrator who has been involved in an attempt to negotiate or settle the grievance.

6:07 Notwithstanding the provisions of this article, the parties may, upon mutual agreement, engage the services of a mediator in an effort to resolve the grievance(s)

and may extend the time limits for the request for arbitration. The parties will share equally the fees and expenses, if any, of the mediator.

ARTICLE 7 - MANAGEMENT GRIEVANCES

7:01 It is understood and agreed that the Employer may bring forward to any meeting held with the representatives of the Union any complaint with respect to the conduct of the Union, its Officers, Committeepersons, in connection with matters affecting the Employer, its Officers, Director and Employees, and that if such complaint by the employer is not settled to the satisfaction of the employer, the employer may within five (5) days from the date of the meeting submit the complaint in writing to the President of the Union and it shall be treated as a grievance and referred to arbitration in the same way and to the same extent only as the grievance of an employee.

ARTICLE 8 - LEAVE OF ABSENCE

8:01 It is mutually agreed that the Employer may grant leave of absence without pay for legitimate personal reasons and shall grant leave of absence without pay for union business, as hereinafter mentioned, to employees with one (1) or more years of seniority.

8:02 Leave of absence of personal reasons shall be applied for in writing by the employee to the Director of Human Resources or designate at least two (2) weeks prior to the contemplated commencement of the leave of absence. The written application shall clearly state the reason for the leave of absence and the contemplated length of time during which the employee will be away from his work. It is understood that while an employee is on leave of absence he shall not engage in gainful employment and that if he does engage in such gainful employment, he shall forfeit all seniority rights under this Agreement. In case of an emergency, the two (2) week prior notice shall be waived.

8:03 Leave of absence for Union business shall be applied for in writing by the employee to the Director of Human Resources or designate at least four (4) weeks prior to the contemplated commencement of the leave of absence and the application shall clearly state the length of time he/she shall be away from his/her work and the purpose of the leave of absence. In interpreting this clause, legitimate leave of absence for Union business shall include but not be limited to, conventions, seminars, educational programs and special executive board meetings. No more than two (2) employees from any one (1) department may be eligible for leave of absence for union business at any one (1) time. An employee shall be allowed to make application for leave of absence for Union business a maximum of four (4) times in any calendar year. When an employee is absent on such leave of absence,

the employer shall retain the employee on the employer's payroll and invoice the union such payment. Such invoice shall be inclusive of EI, CPP, WSIB and the Employer Health Tax and the Hospital's contribution to the employee's Pension Plan.

The parties agree that the limits will be waived provided the Hospital is given at least four weeks notice of union time off requested due to attendance at Executive Board Meetings or for the purposes of an employee who is a Trainer with the Union to attend Union sanctioned training at which the employee is delivering the training.

- 8:04 During leave of absence, except as otherwise specified in this Article, the only right which shall accumulate for an employee is that of seniority.
- 8:05 The decision of the employer in rendering or refusing applications for leaves of absence for personal reasons shall not be subject to grievance proceedings. Upon refusal of an application for a personal leave of absence, the employee will be provided in writing with the reason for the refusal from his Department Head or designate.
- 8:06 An employee who is elected or appointed to office in CAW Local 2458 or as a National Representative, upon request, shall be granted a leave of absence without loss of seniority and benefits for up to three (3) years. During such leaves of absence, salary and benefits shall be kept whole by the Hospital and the Union agrees to reimburse the Hospital for such salary and the Hospital's contribution to said benefits. The employee agrees to notify the Hospital of the employee's intention to return to work within two (2) weeks following the termination of office for which the leave was granted. At the end of such leave, any employee hired or placed as a substitute for the employee on such leave, may be terminated or laid off by the Hospital as required or may be transferred to the employee's previous position if the substitution was a transfer. An employee on leave of absence under this provision shall continue to accumulate all rights and privileges under this Agreement. It is understood that the intent of this article is that it shall apply to only two (2) employees at a time and that the Union will provide at least eight (8) weeks notice, prior to an employee commencing such leave. In addition, it is understood that any employee so elected or appointed is required to maintain their competence and/or qualifications in the event that they are to return to the workplace.

ARTICLE 9 - BEREAVEMENT LEAVE

- 9:01 (a) Seniority employees shall be entitled to a leave of absence without loss of pay for up to a maximum of three (3) scheduled working days from and including date of death to and including the day following the date of funeral in the case of death in the immediate family, that is, the death of spouse, child, father, mother, sister, brother, father-in-law, mother-in-law,

stepmother, stepfather, stepsister, stepbrother, stepchild, grandparent, grandchild, ward, brother-in-law, sister-in-law, son-in-law, or daughter-in-law. For the purposes of this clause, spouse shall mean husband, wife, common-law spouse or partner of the same sex, provided such common-law spouse or common-law partner of the same sex and the employee have co-habited for at least one (1) year or for a shorter period, in accordance with applicable legislation.

A seniority employee will be provided a leave of absence without loss of pay for a maximum of one (1) scheduled working day for the death of an employee's aunt, uncle, niece or nephew, spouses grandparent, subject to the same terms and conditions of this article.

- (b) In addition to 9.01(a) an employee may request vacation or unpaid leave and such leave requests will not be unreasonably denied by the Employer.
- (c) Where a bereavement leave occurs, pursuant to this article, immediately prior or during an employee's scheduled vacation, the employee will be allowed to substitute the affected vacation days with bereavement days. Such vacation days to be taken at a later date mutually agreed between the employee and the employer.

9:02 In order to qualify for the foregoing leaves, an employee may be required to submit reasonable proof of death (i.e. newspaper clipping, printed funeral notice).

ARTICLE 10 - JURY DUTY

10:01 An employee employed within the bargaining unit who is called to serve as a juror or who is subpoenaed as a witness in a criminal or civil court shall be granted leave of absence for such purpose. Such an employee who serves as a juror or as a witness during his scheduled working hours shall be paid the difference between the amount received for such jury or witness duty and the amount which he would have received from the Hospital had he worked his regularly scheduled working hours. To be eligible to receive payment from the Hospital, the employee must give the Hospital notice of his intention to be absent from work within twenty-four (24) hours of receipt of the subpoena or jury notice except where the employee is unable to do so due to circumstances beyond his control and he must also, at the conclusion of his jury or witness duty, obtain a certificate from the court showing the period of his jury or witness duty and the employee shall deposit this certificate together with evidence of the amount of compensation paid to her, excluding traveling allowance, with the hospital payroll office.

If an employee is scheduled to work on a weekend and that employee has been on jury duty for the entire preceding week, he will not be required to work on that weekend.

ARTICLE 11 - SENIORITY

- 11:01 Seniority shall be defined as the length of service in the Bargaining Unit as set out in Article 1 of this Agreement.
- 11:02 Full time employees shall be on probation until they have completed sixty (60) days actually worked. The probationary period may be extended for an additional 60 worked days at the discretion of the Hospital. Should such an extension be implemented the Hospital will meet with the employee and their union representative to outline the reasons for the extension and to develop a plan to assist the employee in passing the probationary period. After completion of the probationary period, seniority shall be effective from the date upon which the employee was last hired by the Hospital. Thereafter, seniority shall accumulate on the basis of continuous service.
- 11:03 Part time employees shall be on probation until they have completed four hundred and fifty (450) hours actually worked or nine (9) calendar months, whichever comes first. The probationary period may be extended for an additional 450 hours at the discretion of the Hospital. Should such an extension be implemented the Hospital will meet with the employee and their union representative to outline the reasons for the extension and to develop a plan to assist the employee in passing the probationary period. After completion of the probationary period, seniority shall be effective from the date upon which the employee was last hired by the hospital.
- 11:04 During the probationary period, the Employer will assess the performance, abilities and suitabilities of the newly hired Employee. Where the employer has concerns regarding the performance, abilities and suitabilities of the Employee, those will be shared with the Employee. Where the Employer concludes that the newly hired Employee cannot demonstrate the appropriate performance, or lacks the abilities or suitabilities necessary, then the Employer's assessment constitutes just cause for dismissal. In addition, culpable behaviour during the probationary period will constitute just cause for dismissal. The provisions of Articles 5 and 6 shall not apply to the discharge of a probationary employee nor shall the provisions of those articles be available to the Union with respect to the discharge of any probationary employee. However, the Union reserves the right to grieve the termination of a probationary employee if the termination is discriminatory, arbitrary or in bad faith.
- 11:05 Each employee shall be classified as a member of one of the following departments, Nursing, Physical Plant, Nutrition and Food Services, Environmental Services, Radiology, Nuclear Medicine, Pharmacy and Purchasing. Additional departments may be established or deleted from time to time as the Hospital deems necessary. When a new department is established, any employee, within the scope of that Department, shall retain their seniority in the Department in which they were last classified.

11:06 The hospital shall maintain and post separate seniority lists setting out the names of full time and part time seniority employees employed within the bargaining unit, their respective classifications and seniority. These lists shall be updated and posted every six (6) months (January and July) and copies of same mailed to the union office forthwith and made available to the Chairperson.

11:07 For the purpose of this agreement, seniority shall mean for full-time and part-time employees, their length of service from their date of last hire.

Notwithstanding the above, it is understood and agreed that accumulated hours worked will be the basis on which part-time employees receive wage increases and earn vacation entitlement. For these purposes, 1664 hours worked will equal one (1) year of credit. It is further understood that part-time employees may not earn more than one (1) year of credit during any one calendar year. The following formula will be used to determine credit for vacation entitlement and wage increases:

$$\frac{\text{Number of Hours Worked}}{\text{Since Date of Last Hire}} \div 1664 = \text{Years of Credit}$$

11:08 When two (2) or more employees have the same seniority than as between them seniority shall be determined in alphabetical order of their last name at their last date of hire.

11:09 In the event that a full time employee becomes a part time employee, such employee's name will be removed from the full time employees seniority list and will be added to the part time employees seniority list. Such employees shall carry with them all accumulated seniority to the date of becoming a part time employee.

11:10 In the event that a part time employee becomes a full time employee, such employee's name will be removed from the part time employees seniority list and will be added to the full time employees seniority list. Such employee will be credited with all accumulated seniority to the date of becoming a full time employee.

11:11 In the event an employee suffers a major disability in the course of their employment, exception will be made to the seniority provisions of this Agreement in favour of such employee, after consultation with the union bargaining committee.

11:12 Fundamentally, the rules respecting seniority are designed to give an employee an equitable measure of security based on length of service.

11:13 The seniority and employment of an employee shall terminate if:

- (a) the employee resigned, retires or quit. An employee shall be deemed to have quit when he gives notice of his desire to leave and leaves the Hospital's employment;
- (b) the employee is discharged for just cause and not re-instated through the grievance or arbitration procedures hereinafter provided;
- (c) the employee is laid off for more than thirty (30) months;
- (d) when notified by the Hospital of a recall after lay-off, the employee fails to inform the Hospital by registered mail of his intent to return to work within five (5) days and/or to report for duty within ten (10) days of original notification by telegram or registered mail at the employee's last known address as it appears on the hospital's records, subject only to the provisions of sub-article 12:08. It shall be the responsibility of each employee at all times to keep the Hospital informed of his or her correct home address. This clause shall not apply to a laid-off employee who is offered a short term temporary assignment and refuses same;
- (e) the employee fails to report for work upon expiration of a leave of absence without justifiable reasons;
- (f) the employee is absent from work because of illness or injury for a period longer than thirty (30) months;
- (g) the employee is absent from work due to work related injury compensable by Workers Safety and Insurance Board for a period longer than thirty (30) months.

LETTER OF UNDERSTANDING #1

RE: LABOUR MANAGEMENT MEETINGS

The parties mutually agree that in order to create an atmosphere of good labour relations, that effective and regular communication would be beneficial. To that end, the parties agree to commence regular Labour-Management Committee meetings during the term of this Agreement. The Committee shall be composed of four (4) members representing each party and shall meet at a time and place mutually satisfactory. The Committee shall meet once every two (2) months, unless agreed otherwise. An agenda of matters proposed to be discussed will be exchanged at least five (5) calendar days prior to the scheduled meeting.

LETTER OF UNDERSTANDING #2

RE: JOB SHARING

The parties agree to implement job sharing pursuant to the following provisions:

1. Job Sharing requested with respect to full-time positions shall be considered on an individual basis. There shall be only one job shared position on any unit.
2. Only full time positions shall be considered for job sharing between two (2) employees.
3. Total hours worked by the job sharers equal one (1) full time position. The division of these hours on the schedule shall be determined by mutual agreement between the two (2) employees and the Department Head, subject to the approval of Administration. Should any scheduling discrepancies between the job sharers arise, the decision of Administration shall be final.
4. Each job sharer may exchange shifts with each partner as well as with other employees, as provided by the Collective Agreement.
5. The job sharers involved will have the right to determine which partner works on scheduled paid holidays and job sharers will only be required to work the number of paid holidays that a full time employee would be required to work. It is agreed that for the Christmas/New Year holiday provision, it is the position that rotates and not the individual.
6. Posted schedules for the job sharers shall be used on the schedules that would apply to a full time employee holding that position. Such schedules shall conform with the scheduling provisions of the Collective Agreement.

Job sharers shall not be required, but may consent to work any shifts outside of the shifts of the full time position. It is understood that this is not meant to reduce the hours of other part time employees.

7. The employees involved in the job sharing arrangement will be classified as regular part time.
8. It is expected that both job sharers will cover each other's incidental illnesses. If, because of unavoidable circumstances, one cannot cover the other, the department head must be notified to book coverage. Job Sharers are not required to cover for their partner in the case of prolonged or extended absences.
9. Job Sharers will receive part time vacation entitlement as outlined in the collective agreement and will be required to cover for each other during scheduled vacation absence.
10. In the event that one (1) member of the job sharing arrangement goes on a leave of absence, the coverage will be negotiated with the department head, but it is hoped that the remaining member of the position would be prepared to cover the leave of absence as much as possible.

11. Implementation

Any employee wishing to share her position may do so without having her half of the position posted. The other half of the job sharing position will be posted and the selection will be made on the criteria set out in the posting provisions of the Collective Agreement.

If one of the job sharers leaves the arrangement, and the Hospital decides to continue such job sharing position, her position will be posted. If there is no successful applicant to the position, or if the hospital decides not to continue the job sharing arrangement, the shared position must revert to a full time position. The remaining employee will have the option of continuing the full time position or reverting to a part time position if one is available for which she is qualified. If she does not continue full time, the position must be posted in accordance with the Collective Agreement.

12. Discontinuation

- (i) Either the Hospital or the Union may discontinue any job sharing arrangement with sixty (60) calendar days notice.
- (ii) Upon receipt of such notice, a meeting shall be held between the parties with fifteen (15) days to discuss the discontinuation.

13. Consideration for job share postings will be given to full time employees only. However, should full time employees not apply, or are not qualified for such postings, part time applicants shall then be considered.

Further, the parties agree to recognize a Women's Advocate who shall be a female CAW member who can be called upon to meet with members who are experiencing a domestic abuse situation as required, discuss problems with them and make necessary referrals. The Hospital agrees to provide a confidential phone line that employees can access to contact the Women's Advocate and a private room in which to meet (arrangements to be made through Human Resources). The Union will fund the training registration fee and the Hospital will fund up to three (3) days pay for such advocate to be trained, the balance of which will be paid by the CAW.
