The Hospital will pay **75%** of the billed premium towards coverage of eligible employees under the long-term disability portion of the Plan (**HOODIP** or an equivalent plan). The employee will pay the balance of the billed premium through payroll deduction. For the purpose of transfer to the short-term portion of the disability program, employees on the payroll as of the effective date of the transfer with three **(3)** months or more of service shall be deemed to have three **(3)** months of service. - (c)** where, as of the effective date of transfer, an employee does not have the required service to qualify for payout on termination, her or his existing sick leave credits as of that date shall nevertheless be converted to a sick leave bank in accordance with the foregoing and the nurse shall be entitled to the same cash out provisions as set out in paragraph **(b)** above providing the nurse subsequently achieves the necessary service to qualify for payout under the conditions of the sick leave plan in which she or he participated as of the date of this award;

12.05 Nurses returning to work from an illness or injury compensable under Workers' Compensation will be assigned light work, as necessary, if available.

12.06 A nurse who transfers from full-time to part-time may elect to retain her or his accumulated sick leave credits to be **utilized** during part-time or subsequent full-time employment as provided under the sick leave plan in which the nurse participates as of October **23, 1981**.

12.07 Any dispute which may arise concerning a nurse's entitlement to short-term or long-term benefits under **HOODIP** may be subject to grievance and arbitration under the provisions of this Agreement.

12.08 Nurses presently employed who are covered by a long-term disability plan in effect as of the date of this award, may elect to be covered by **HOODIP** or to continue their present coverage.

12.09 The Hospital further agrees to pay employees an amount equal to any loss of benefits under **HOODIP** for the first two days of the fourth and subsequent period of absence in any calendar year.

. .44

12.10 During the term of operation of this Collective Agreement, the Hospitals will meet and consult with the Association with the view to assisting the parties in the **next** set of negotiations to improve the benefit coverage provided by **HOODIP**.

12.11 The Hospital will notify each nurse of the amount of unused sick leave in her or his bank annually.

12.12 For nurses whose regular hours of work are other than the standard work day, the short term sick leave plan will provide payment for the number of hours of absence according to the scheduled tour to a total of **562.5** hours, All other provisions of the existing plan **shall** apply **mutatis mutandis**.

12.13 Absences due to pregnancy related illness shall be considered as sick leave under the sick **leave** plan

12.14 A nurse who is absent from work as a result of an illness or injury sustained at work and who has been awaiting approval of a claim for Worker's Compensation for a period longer than one complete pay period may apply to the Hospital for payment equivalent to the lesser of the benefit the nurse would receive from Workers' Compensation if the nurse's claim was approved, or the benefit to which the nurse would be entitled under the short term sick portion of the disability income plan (**HOODIP** or equivalent plan), Payment will be provided only if the nurse provides evidence of disability satisfactory to the Hospital and a written undertaking satisfactory to the Hospital that any payments will be refunded to the Hospital following final determination. of the claim by The Workers' Compensation Board. If the claim for Workers' Compensation is **not** approved, the monies paid as an advance will **be** applied towards the benefits to which the nurse would **be** entitled under the short term portion of the disability income plan. ARTICLE 13 - HOURS OF WORK

13.01 The following provision designating regular hours on a daily tour and regular **daily** tours over the nursing schedule determined by the Hospital shall not be construed to be a guarantee of the hours of work to be performed on each tour or during each tour schedule.

Subject to Article **13.02** below:

- (a) The normal daily tour shall be seven and one-half (**7 1/2**) consecutive hours **in** any twenty-four (**24**) hour period exclusive of an unpaid **one-half (1/2)** hour meal period, it being understood that at **the** change of tour there will normally be additional time required for reporting which shall be considered to be part of the normal daily tour, for a period of up to fifteen (**15**) minutes duration. Should the reporting time extend beyond fifteen (**15**) minutes, however, the entire period **shall** be considered overtime for the purposes of payment under Article **14**
- (b) Nurses shall be entitled, subject to the exigencies of patient care, to relief periods during the tour on the basis of fifteen (**15**) minutes for each **half** tour. The scheduling of meal periods and relief periods shall be determined by local negotiations.
- (c) The regular daily tours of duty of a full-time nurse shall average five (**5**) days per week over the nursing schedule determined by the Hospital. Full-time nursing schedules shall be determined by local negotiation. Full-time nurses in the bargaining unit engaged in teaching in Schools for **R.P.N.'s** shall work a flexible schedule, **Monday** to Friday, averaging **37 1/2** hours per week over the schedule to be determined by local negotiations.
- (d) Where a nurse notifies her or his supervisor that she or he has been or will be unable to take the normal lunch break due to the requirement of providing patient care, such nurse shall be paid time and one half (**1 1/2**) her or his regular straight time hourly rate for all time worked in **excess** of her or his normal daily hours.

13.02 Where nurses are now working a longer daily tour, the provisions set out in this Article governing the regular hours of work on a daily tour shall be adjusted accordingly.

The normal daily extended tour shall be **11.25** consecutive hours in any **24**-hour period, exclusive of a total of forty-five (**45**) minutes of unpaid meal time.

Nurses shall be entitled subject to the exigencies of patient care, to relief periods during the tour of a total of forty-five (45) minutes.

The scheduling of meal and relief periods shall be determined by local negotiations.

The introduction or discontinuance of longer daily tours shall be determined by local negotiations.

NOTE: Hospitals that have extended tours that are presently different than the above, shall maintain those conditions.

ARTICLE 14 - PREMIUM PAYMENT

14.01 (a) (Article **14.01(a)** applies to full-time nurses only)

If a nurse is **authorized** to work in excess of the hours referred to in Article **13.01** (a) or (c), she or he shall receive overtime premium of one and one-half (**1 1/2**) times her or his regular straight time hourly rate. Notwithstanding the foregoing, no overtime premium **shall** be paid for a period of less than fifteen (**15**) minutes of overtime work where the nurse is engaged in reporting functions at the end of her or his normal daily tour. If **authorized** overtime amounts to fifteen (**15**) minutes or more, overtime premium shall be paid for the total period in excess of the normal daily tour. Overtime premium will not be duplicated for the same hours worked under Article **13.01** (a) and (c) nor shall there be any pyramiding with respect to any other premiums payable under the provisions of this Collective Agreement. Nothing herein will **disentitle** the nurse to payment of the normal tour differential provided herein. For purpose of clarity, a nurse who is required to **work** on her or his scheduled day off **shall** receive overtime premium of one and one-half (**1 1/2**) times her or his regular straight time hourly rate. The Hospital agrees that if the Collective Agreement provided a greater overtime premium for overtime work immediately prior to this Agreement, the Hospital will continue to pay such greater overtime premium. This is not intended to **entitle** the nurse to be paid for work performed while engaged in the reporting functions as provided herein.

(b) (Article 14.01(b) applies to part-time nurses only.)

If a part-time nurse is **authorized** to work in excess of the hours referred to in Article 13.01 (a), she or he shall receive overtime premium of one and one-half (**1 1/2**) times her or his regular straight time hourly rate. A part-time nurse (including casual nurses but not including part-time nurses who are filling temporary full-time vacancies) who works in excess of seventy-five (**75**) hours in a two (**2**) week period shall receive time and one-half (**1 1/2**) her or his regular straight time hourly rate for **all** hours worked in excess of seventy-five (**75**). A part-time nurse who is filling a temporary full-time vacancy shall receive time and one-half (**1 1/2**) her or his regular straight time hourly rate for all hours worked in excess of an average of **37 1/2** hours per week over the full-time nursing schedule determined by the Hospital. Such averaging will commence at the conclusion of the two week period following the nurse's transfer to the temporary full-time position and will end at the conclusion of the two week period prior to the nurse's return to her or his former position. Notwithstanding the foregoing,, no overtime premium shall be paid for a period of less than fifteen (**15**) minutes of overtime work where the nurse is engaged in reporting functions at the end of her or his normal daily tour. If **authorized** overtime amounts to fifteen (**15**) minutes or more, overtime premium shall **be paid** for the **total** period in excess of the normal daily' tour. Overtime premium will not be duplicated for the same hours worked under Article 13.01 (a) nor shall there be any pyramiding with respect to any other premiums payable under the provisions of this Collective Agreement. Nothing herein will **disentitle** the nurse to payment of the normal tour differential provided herein. The Hospital agrees that if the Collective Agreement provided a greater premium for overtime work immediately prior to this Agreement, the Hospital will continue to pay such greater overtime premium. This is not intended to entitle the nurse to be paid for work performed while engaged in the reporting functions as provided
h e r e i n .

14.02 Notwithstanding the foregoing, overtime will not be paid for additional hours worked, during a twenty-four (**24**) hour period either as a result of change in tour on the request of a nurse or a change-over to daylight saving from standard time or vice versa or an exchange of tours by two nurses.

14.03 Work scheduled by the Hospital to which a premium is attached under scheduling regulations contained in the Collective Agreement and set out in the Appendix of Local Provisions shall be paid at one and one-half (**1 1/2**) times the nurse's regular straight time hourly rate or as otherwise provided.

- 14.04** Where a nurse is required to work on a paid holiday or on an overtime tour or on a tour that is paid at the rate of time and one-half (**1 1/2**) the nurse's regular straight time hourly rate as a result of **14.03** above and the nurse is required to work additional hours following her or his full tour on that day (but not including hours on a subsequent regularly scheduled tour for such nurse) such nurse shall receive two (**2**) times her or his regular straight time hourly rate for such additional hours worked.
- 14.05** A nurse who reports for work as scheduled, unless otherwise notified by the Hospital, shall receive a minimum of four (**4**) hours' pay at her or his regular straight time hourly rate. The nurse shall be required to perform any nursing duties assigned by the Hospital which she or he is capable of doing, if her or his regular duties are not available.
- 14.06** Where a full-time or regular part-time nurse has completed her or his regularly scheduled tour and left the hospital and is called in to work outside her or his regularly scheduled working hours, or where a nurse is called back from standby, such nurse shall receive time and one-half (**1 1/2**) her or his regular straight time hourly rate for all hours worked with a minimum guarantee of four (**4**) hours' pay at time and one-half (**1 1/2**) her or his regular straight time hourly rate except to the extent that such four (**4**) hour period overlaps or extends into her or his regularly scheduled shift. In such a case, the nurse will receive time and one-half (**1 1/2**) her or his regular straight time hourly rate for actual hours worked up to the commencement of her or his regular shift.
- 14.07** A nurse who is required to remain available for duty on standby outside her or his regularly scheduled working hours shall receive standby pay in the amount of two dollars and fifty cents (**\$2.50**) per hour for the period of standby scheduled by the Hospital. Where such standby duty falls on a paid holiday, as set out in the Appendix of Local Provisions, the nurse shall receive standby pay in the amount of three dollars (**\$3.00**) per hour. Standby pay shall, however, cease where the nurse is called in to work under Article **14.06** above and works during the period of standby,
- 14.08**
- (a) In computing a full-time nurse's regular straight time hourly rate under this Collective Agreement such rate shall be established by dividing the product of the nurse's regular monthly salary exclusive of any allowance or premium pay times twelve (**12**) by the regular average weekly hours times fifty-two (**52**).
 - (b) The regular straight time hourly rate for a part-time nurse will be the hourly rate in the wage schedule set forth in Article **19.01** (a).

14.09 (Article **14.09** applies to full-time nurses only)

Where a nurse has worked and accumulated approved hours for which she or he is entitled to be paid premium pay (other than hours relating to working on paid holidays) such nurse shall have the option of electing payment at the applicable premium rate or time off equivalent to the applicable premium rate (i.e., where the applicable rate is time and one-half (**1 1/2**) then time off shall be at time and one-half (**1 1/2**)). Where a nurse chooses equivalent time off such time off must **be** taken within the period set out in the Appendix of **Local Provisions** or payment in accordance with the former option shall be made. Nurses in the bargaining unit engaged in teaching in Schools for **R.P.N.'s** working overtime in excess of their average weekly hours referred to in Article **13.01 (c)** which have been **authorized** in advance by the Director of the School, shall be entitled to compensating time off in accordance with the foregoing.

14.10 A **nurse** shall be paid a shift premium of one dollar (**\$1.00**) per hour for each hour worked which **falls** within the hours defined as an evening shift and one dollar and twenty-five cents (**\$1.25**) for each hour worked which falls within the hours defined as a night shift provided that such hours exceed two (**2**) hours if worked in conjunction **with** the day shift. Tour differential will not form part of the nurse's straight time hourly rate. For purposes of this provision, the night shift and the evening shift each consist of **7.5** hours. The defined hours of a night and evening shift shall be a matter for local negotiation.

14.11 **Ambulance Escort**

Where a nurse is assigned to provide patient care for a patient in transit, the following provisions shall apply:

- (a) (i) Where a full-time nurse performs such duties during her or his regular shift, the full time nurse shall be paid her or his regular rate of pay. Where a full-time nurse performs such duties outside her or his regular shift or on a day off, she or he shall be paid the appropriate overtime rate.
- (ii) Where a part-time nurse performs such duties during an assigned shift, she or he shall be paid her or his regular rate of **pay**. Where a part-time nurse continues to perform such duties in excess of her or his assigned shift, she or he shall be paid the appropriate overtime rate.

- (b) Where such duties extend beyond the nurse's regular shift, the Hospital will not require the nurse to return to regular duties at the Hospital without at least eight **(8)** hours of time off. Where such time off extends into the nurse's next regularly scheduled shift she or he **will** maintain her or his regular earnings for that full shift.
- (c) Hours spent between the time the **nurse** is relieved of patient care responsibilities and the time the nurse returns to the hospital or to such other location agreed upon between the Hospital and the nurse will be paid at straight time or at appropriate overtime rates, if applicable under Article **14.01**. It is understood that the nurse **shall** return to the hospital or to such other location agreed upon between the Hospital and the nurse at the earliest opportunity. Prior to the nurse's departure on escort duty, or at such other time as may be mutually agreed upon between the Hospital and the nurse, the Hospital will establish with the nurse arrangements for return travel.

(b) Where the Hospital temporarily assigns a Registered Staff Nurse to carry out the assigned responsibilities of a higher classification (whether or not such classification is included in the bargaining unit) for a period of one **(1)** full tour or more, at times when the incumbent in any such classification would otherwise be working, the nurse shall be paid a premium of one dollar and twenty cents **(\$1.20)** per hour for such duty in addition to her or his regular salary. Having established the recent related clinical experience, the Hospital will credit a new nurse with one **(1)** annual service increment for each year of experience up to a maximum of Level 6 (i.e., **5th** year increment).

If a period of more than two **(2)** years has elapsed since the nurse has occupied a full-time or a part-time nursing position, then the number of increments to be paid, if any, shall be at the discretion of the Hospital. The Hospital may also give **effect** to part-time nursing experience in special circumstances.

Currently employed nurses who were eligible to claim credit under the formula of one increment for every two years of experience may make a claim under the present provision and will have their position on the salary grid adjusted, effective April **1, 1991**, to a maximum of Level 6 (**5th** year increment).

- (b) Where a casual nurse hired between October **1, 1987** and March **31, 1988** transfers to full-time, the nurse may make a claim under (a) above at the time of the transfer, provided the transfer occurs within six **(6)** months of the nurse's date of hire.

(Article 19.05 (c) and 19.05 (d) apply to part-time nurses only)

- (c) Claim for recent related clinical experience, if any, shall be made in writing by the **part-time** nurse at the time of hiring on the application for employment form or otherwise. The part-time nurse shall cooperate with the Hospital by providing verification of previous experience so that her recent related clinical experience may be determined and evaluated during her probationary period. Having established the recent related clinical experience, the Hospital will credit a new part-time nurse with one **(1) annual service** increment for each year of experience (calculated pursuant to the formula set out in Article 16.03) up to a maximum of Level 6 (i.e., **5th** year increment). If a period of more than two **(2)** years has elapsed since the nurse has occupied a full-time or a part-time nursing position, then the number of increments to be paid, if any, shall be at the discretion of the hospital.

Currently employed nurses who were eligible to claim credit under the formula of one increment for every two years of experience may make a claim under the present provision and will have their position on the salary grid adjusted, effective April 1, 1991, to a maximum of Level 6 (**5th** year increment).

- (d) Where a casual nurse hired between October 1, 1987 and March 31, 1988 transfers to regular part-time, the nurse may make a claim under (a) above at the time of the transfer, provided the transfer occurs within six **(6)** months of the nurse's date of hire.

19.06

- (a) Each full-time nurse will be advanced from her or his present level to the next level set out in the Salary Schedule, **twelve (12)** months after she or he was last advanced on her or his service review date. If a full-time nurse's absence without pay from the Hospital exceeds thirty **(30)** continuous calendar days during each twelve **(12)** month period, the nurse's service review date will be extended by the length of such absence in excess of thirty **(30)** continuous calendar days.
- (b) Each regular part-time nurse will be advanced from her or his present level on the salary schedule to the next level on the salary schedule after **obtaining** one year's service credit, calculated in accordance with the provisions of Article 10.03.

(c) Effective November **15, 1985** casual part-time nurses will be placed on the salary grid in accordance with their service, such service to be calculated in accordance with the seniority calculation set out in Article **10.02**. Casual part-time nurses will then advance on the grid in the same manner as regular part-time nurses.

19.07

(a) A part-time nurse whose status is altered to full-time will assume her or his same level on the full-time grid. A full-time nurse whose status is altered to part-time will assume her or his same level on the **part-time** grid. In addition, a nurse who is so transferred will be given credit for service accumulated since the date of last advancement.

(b) A casual part-time nurse whose status is altered to regular part-time or vice versa will assume her or his same level on the grid. In addition, a casual part-time nurse who is so transferred will be given credit for service accumulated since the date of last advancement.

19.08

(a) When a new classification in the bargaining unit is established by the Hospital or the Hospital makes a substantial change in the job content of an existing **classification** which in reality causes such classification to become a new' classification, the Hospital shall advise the Association of such new or changed classification and the rate of pay established. If requested, the Hospital agrees to meet with the Association to permit it to make representations with respect to the appropriate rate of pay providing any such meeting shall not delay the implementation of the **new** classification. Where the Association challenges the rate established by the Hospital and the matter is not resolved following any meeting with the Association, a grievance may be filed at Step No. 3 of the Grievance Procedure within seven **(7)** calendar days following any meeting. **If** the matter is not resolved in the Grievance Procedure, it may be referred to Arbitration in accordance with Article **7**, it being understood that any Arbitration Board shall be limited to establishing an appropriate rate based on the relationship existing amongst other nursing classifications within the Hospital and duties and responsibilities involved.

Any change in the rate established by the Hospital either through meetings with the Association or by a Board of Arbitration shall be made retroactive to the time at which the new or changed classification **was first filled**.

- (b) If a nurse becomes disabled with the result that she or he is unable to carry out the regular functions of her or his position, the Hospital may establish a special classification and salary with the hope of providing an opportunity for continued employment.

19.09 Education Allowance

Provisions in existing Collective Agreements providing for educational allowances shall be continued in effect.

ARTICLE 20 - JOB SHARING

20.01 Job sharing is defined as an arrangement whereby two or more nurses share the hours of work of what would otherwise be one full-time position.

If the Hospital agrees to a job sharing arrangement, the introduction or discontinuance of such job sharing arrangements will be determined locally.

Once the Hospital has determined that a vacancy exists and has agreed to a job sharing arrangement, the vacancy or vacancies to be posted will be determined locally and will be filled in accordance with Article **10.06**.

The nurses involved in a job sharing arrangement will be classified as regular part-time and will be covered by the provisions of this agreement applicable to part-time nurses.

ARTICLE 21 - SUPERIOR CONDITIONS

21.01 Unless existing benefits, rights, privileges, practices, terms or conditions of employment which may be considered to be superior to those contained herein are specifically retained by this Agreement, they shall be deemed not to continue in effect.
