ARTICLE 7 - GRIEVANCE PROCEDURE

- 7.01 For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is **arbitrable**.
- 7.02 At the time formal discipline is imposed or at any stage of the grievance procedure, including the complaint stage, a nurse is entitled to be represented by her or his nurse representative. In the case of suspension or discharge, the Hospital shall notify the nurse of this right in advance.
- 7.03 It is the mutual desire of the parties hereto that complaints of nurses shall be adjusted as quickly as possible, and it is understood that a nurse has no grievance until she or he has first given her or his immediate supervisor the opportunity of adjusting the complaint. Such complaint shall be discussed with her or his immediate supervisor within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the nurse and failing settlement within nine (9) calendar days, it shall then be taken up as a grievance within nine (9) calendar days following advice of the immediate supervisor's decision in the following manner and sequence:

Step No. 1

The nurse may submit a written grievance, signed by the nurse, to her or his immediate supervisor. The grievance shall be on a form referred to in Article 7.09 and shall identify the nature of the grievance and the remedy sought and should identify the provisions of the Agreement which are alleged to be violated. The immediate supervisor will deliver her or his decision in writing within nine (9) calendar days following the day on which the grievance was presented to her or him. Failing settlement, then:

Step No. 2

Within nine (9) calendar days following the decision under Step No. 1, the nurse may submit the written grievance to the Director of Nursing or designate who will deliver a decision in writing within nine (9) calendar days from the date on which the **written** grievance was presented to her or him. The parties may, if they so desire, meet to discuss the grievance at a time and place suitable to both parties. Failing settlement, then:

Step No. 3

Within nine (9) calendar days following the decision in Step No. 2, the grievance may be submitted in writing to the Hospital Administrator or designate. A meeting will then be held between the Hospital Administrator or designate and the Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 3 unless extended by agreement of the parties. It is understood and agreed that a representative of the Ontario Nurses' Association and the **grievor** may be present at the meeting. It is further understood that the Hospital Administrator or designate may have such counsel and assistance as she or he may desire at such meeting. The decision of the Hospital shall be delivered in writing within nine (9) calendar days following the date of such meeting. A copy of the third step grievance reply will be provided to the Employment Relations Officer.

- 7.04 A complaint or grievance arising directly between the Hospital and the Association concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 3 within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. A grievance by the Hospital shall be filed with the Local President or designate.
- 7.05 Where a number of nurses have identical grievances and each nurse would be entitled to grieve separately they may present a group grievance in writing signed by each nurse who is grieving to the Director of Nursing or designate within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the nurse(s). The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.
- 7.06 The release of a probationary nurse for reasons based on performance and ability to do the job, including skills, suitability and availability shall not be subject to the grievance procedure unless the probationary nurse is released for:
- (a) reasons which are arbitrary, discriminatory or in bad faith:
 - (b) exercising a right under this Agreement.

The Hospital agrees to provide written reasons for the release of a probationary nurse within seven (7) days of such release.

Such grievance shall be treated as a special grievance as set out below.

The Hospital agrees to provide written reasons within seven (7) calendar days to the affected nurse in the case of discharge or suspension and further agrees that it will not suspend, discharge or otherwise discipline a nurse who has completed her or his probationary period, without just cause.

A claim by a nurse who has completed her or his probationary period that she or he has been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged by the nurse with the Hospital at Step No. 3 within seven (7) calendar days after the date the discharge or suspension is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:

- (a) confirming the Hospital's action in dismissing the nurse; or
- (b) reinstating the nurse with or without loss of seniority and with or without full compensation for the time lost; or
- (c) by any other arrangement which may be deemed just and equitable.

7.07 Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is **arbitrable**, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within thirty-six (36) calendar days after the decision under Step No. 3 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within thirty-four (34) calendar days after the decision under Step No. 3, it will be deemed to have been received within the time limits.

7.08 All agreements reached under the grievance procedure between the representatives of the Hospital and the representatives of the Association will be final and binding upon the Hospital and the Association and the nurses.

7.09 Association grievances shall be on the form set out in Appendix 1.

7.10 The time prior to referral to arbitration may be **utilized** by the Association and/or the Hospital to suggest and possibly agree to a dispute resolution mechanism other than a three person Board of Arbitration and either party may request the appointment of a Grievance Settlement Officer other than in matters pertaining to the interpretation of central collective agreement language.

In matters pertaining to the interpretation of central collective agreement language, either party may refer the matter to the central parties for review. The central parties will make recommendations to their respective local parties with respect to the case. The central parties may be accompanied by representatives of the Hospital or the local Association at any meeting held to review such grievances.

When either party requests that any matter be submitted to arbitration as provided in the foregoing Article, it shall make such request in writing addressed to the other party to this Agreement. Unless the parties have agreed to an alternative dispute resolution mechanism prior to the time for submitting the matter to arbitration, then the party requesting arbitration shall at the same time name a nominee and within **seven (7)** calendar days thereafter the other party shall name a nominee, provided, however, that if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees, or the parties if they have agreed not to **utilize** nominees, shall attempt to select by agreement a chair of the Arbitration Board. If they are unable to agree upon such a chair within a period of **fourteen (14)** calendar days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chair.

7.11 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.

7.12 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.

7.13 The Arbitration Board shall not be **authorized** to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.

7.14 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and where there is no majority the decision of the chair will be final and binding upon the parties hereto and the nurse or nurses concerned.

- 7.15 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chair of the Arbitration Board.
- 7.16 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the written agreement of the parties, shall result in the grievance being **deemed** to have been abandoned subject only to the provisions of Section 45(8.3) of The Labour Relations Act.
- 7.17 Wherever the Arbitration Board is referred to in the Agreement, the parties may mutually agree in writing to substitute a single Arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to the Arbitration Board shall appropriately apply.

ARTICLE 8 - PROFESSIONAL RESPONSIBILITY

- 8.01 In the event that the Hospital assigns a number of patients or a workload to an individual nurse or group of nurses such that they have cause to believe that they are being asked to perform more work than is consistent with proper patient care, they shall:
- (a) i) Complain in writing to the **Association-Hospital Committee** within fifteen (15) calendar days of the alleged improper assignment. The parties agree that should a Chair be required, the Ontario Hospital Association and the Ontario Nurses' Association will be contacted. They will provide the name of the person to be **utilized** on the alphabetical listing of Chairs. The name to be provided will be the top name on the list of Chairs who has not been previously assigned.

Should the Chair who is scheduled to serve decline when requested, or it becomes obvious that she or he would not be suitable due to connections with the Hospital or community, the next person on the list will be approached to act as Chair.

- ii) Each party will bear the cost of its own nominee and will share equally the fee of the Chair and whatever other expenses are incurred by the Assessment Committee in the performance of its responsibilities as set out herein.

Where the Hospital requests an extension of the probationary period, it will provide notice to the Association at least fourteen (14) calendar days prior to the expected date of expiration of the initial probationary period. It is understood and agreed that any extension to the probationary period will not exceed an additional sixty (60) tours (450 hours) worked and, where requested, the Hospital will advise the nurse and the Association of the basis of such extension.
- (b) A nurse who transfers from casual or regular part-time to full-time status shall not be required to serve a probationary period where such nurse has previously completed one since her or his date of last hire. Where no such probationary period has been served, the number of tours worked (hours worked for nurses whose regular hours of work are other than the standard work day) during the nine months immediately preceding the transfer shall be credited towards the probationary period.

(c) A nurse who **transfers** from casual part-time or full-time to regular part-time status shall not be required to serve a probationary period where such nurse has previously completed one since her or his date of last hire. Where no such probationary period has been served, the number of tours worked (hours worked for nurses whose regular hours of work are other than the standard work day) during the nine (9) months immediately preceding the transfer shall be credited towards the probationary period.

10.02

(a) A seniority list shall be **established** for all **full-time** nurses covered by this Agreement who have completed their probationary period. For information purposes only, the names of all **full-time** probationary nurses shall be included in the seniority list.

(b) A seniority list shall be established for all regular part-time nurses covered by this Agreement who have completed their probationary period. For information purposes only, the names of all regular part-time probationary nurses shall be included in the seniority list. Seniority on such lists will be expressed in terms of total hours worked.

(c) A seniority list shall be maintained for casual part-time nurses for the purposes of Article 10.06 only. Seniority on such lists will be expressed in terms of total hours worked, and shall be established on the following basis:

i) At hospitals where casual nurses had seniority under the provisions of a Collective Agreement prior to October 23, 1981, such seniority shall continue with accumulation of hours worked since October 23, 1981.

ii) At hospitals where there was no such seniority, the seniority list in 10.02 (c) shall show accumulation of hours worked since October 23, 1981.

iii) Subsequently certified Hospitals shall establish dates for the commencement of the accumulation of seniority **by** local negotiations in accordance with the terms of the Memorandum of Conditions for Joint Bargaining.

(d) A copy of the current seniority list will be filed with the President of the Local Association, or designate, on request but not more frequently than once-every six (6) months at a time to be determined locally. A copy of the seniority list shall also be posted at the same time.

10.03 A nurse's full seniority and service shall be retained by the nurse in the event that the nurse is transferred from full-time to part-time or in the event the nurse is transferred from casual to regular part-time or **vice-versa**. A nurse whose status is changed from full-time to part time shall receive credit for her or, his full seniority and service on the basis of **1500** hours worked for each year of full-time seniority or service. A nurse whose status is changed from part-time to full-time shall receive credit for her or his full seniority and service on the basis of one year of seniority or service for each **1500** hours worked. Any time worked in excess of an equivalent shall be pro-rated at the time of transfer.

10.04 (Article **10.04** and Note 1 following Article **10.04** apply to full-time nurses only; Note 2 provides that the accrual of seniority and service on pregnancy and parental leave also applies to part time nurses; Note 3 provides that the clause (including the notes) must be interpreted in a manner consistent with the Ontario Human Rights Code),.

If a nurse's absence without pay from the Hospital including absences under Article **11**, Leaves of Absence, exceeds thirty (**30**) continuous calendar days the nurse will not accumulate seniority or service for any purposes under the Collective Agreement for the period of the absence in excess of thirty (**30**) continuous calendar days Unless otherwise provided and the nurse will become responsible for full payment of any **subsidized** employee benefits in which she or he is entitled to participate during the period of absence. In the case of unpaid approved leaves of absence in excess of thirty (**30**) continuous calendar days a nurse may arrange with the Hospital to prepay the full premium of any applicable **subsidized** benefits during the period of leave in excess of thirty (**30**) continuous calendar days to ensure continuing coverage.

Notwithstanding this provision, seniority shall accrue for a period of one year if a nurse's absence is due to disability resulting in **W.C.B.** benefits or **L.T.D.** benefits including the period of the disability program covered by Unemployment Insurance.

Notwithstanding this provision, seniority and service will accrue and the Hospital will continue to pay the premiums for benefit plans for nurses for a period of up to seventeen (**17**) weeks while a nurse is on pregnancy leave under Article **11.07** and for a period of up to eighteen (**18**) weeks while a nurse is on parental leave under Article **11.08**. Seniority and service will accrue for an adoptive parent or a natural father for a period ~~of~~ up to thirty-five (**35**) weeks while such nurse is on a parental leave under Article **11.08**.

NOTE 1: Nurses presently enjoying the accumulation of seniority for greater periods shall continue to receive such seniority benefits while employed by the Hospital.

NOTE 2: The accrual of seniority and service for nurses on pregnancy and parental leave applies to both full-time and part-time nurses.

NOTE 3: This clause shall be interpreted in a manner consistent with the Ontario Human Rights Code.

10.05 A full-time or regular part-time nurse shall lose all service and seniority and shall be deemed to have terminated if the nurse:

- (a) leaves of her or his own accord;
- (b) is discharged and the discharge is not reversed through the grievance or arbitration procedure;
- (c) has been laid off for twenty-four (24) calendar months; save that, in order to take account of the Social Contract Act, 1993, any loss of service and seniority and any termination under this clause (c) shall be deferred until March 31, 1996;
- (d) refuses to continue to work or return to work during an emergency which seriously affects the Hospital's ability to provide adequate patient care, unless a satisfactory reason is given to the Hospital;
- (e) is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Hospital of such absence and providing a satisfactory reason to the Hospital;
- (f) fails to return to work (subject to the provisions of 10.05 (e)) upon termination of an authorized leave of absence without satisfactory reason or utilizes a leave of absence for purposes other than that for which the leave was granted;
- (g) fails upon being notified of a recall to signify her or his intention to return within twenty (20) calendar days after she or he has received the notice of recall mailed by registered mail to the last known address according to the records of the Hospital and fails to report to work within thirty (30) calendar days after she or he has received the notice of recall or such further period of time as may be agreed upon by the parties;

(h) is absent from work due to illness or disability for a period of thirty (30) months from the time such absence commenced.

NOTE: This clause shall be interpreted in a manner consistent with the Ontario Human Rights Code.

10.06 (a) i) Where a permanent full-time vacancy occurs in a classification within the bargaining unit or a new full-time position within the bargaining unit is established by the Hospital, such vacancy shall be posted for a period of seven (7) consecutive calendar days. Nurses in this bargaining unit and nurses in another ONA bargaining unit at the Hospital, if any, may make written application for such vacancy within the seven (7) day period referred to herein. Subsequent vacancies created by the filling of a posted vacancy are to be posted for seven (7) consecutive calendar days.

ii) Where a permanent regular part-time vacancy occurs in a classification within the bargaining unit or a new regular part-time position within the bargaining unit is established by the Hospital, such vacancy shall be posted for a period of seven (7) consecutive calendar days. Nurses in this bargaining unit and nurses in another ONA bargaining unit at the Hospital, if any, may make written application for such vacancy within the seven (7) day period referred to herein. Subsequent vacancies created by the filling of a posted vacancy are to be posted for seven (7) consecutive calendar days.

(b) A nurse may make a written request for transfer by advising the Hospital and filing a Request for Transfer form indicating her or his name, qualifications, experience, present area of assignment, seniority and requested area of assignment. A Request for Transfer shall become active as of the date it is received by the Hospital and shall remain so until December 31 following. such requests will be considered as applications for posted vacancies and subsequent vacancies created by the filling of a posted vacancy.

A list of vacancies filled in the preceding month under Articles 10.06 (a) and (b), and the names of the successful applicants, will be posted, with a copy provided to the Association. Unsuccessful applicants will be notified.

At the request of the nurse, the Hospital will discuss with unsuccessful applicants ways in which they can improve their qualifications for future postings.

- (c) Nurses shall be selected for positions under either **10.06** (a) or (b) on the basis of their skill, ability, experience and qualifications. Where these factors are relatively equal amongst the nurses considered, seniority shall govern providing the successful applicant, if any, is qualified to perform the available work within an appropriate **familiarization** period. Where seniority governs, the most senior applicant, regardless of her or his **ONA** bargaining unit, will be selected. Where the applicant has been selected in accordance with this Article and it is subsequently determined that she or he cannot satisfactorily perform the job to which she or he was promoted, the Hospital will attempt, during the first thirty (30) tours (225 hours for nurses whose regular hours of work are other than the standard work day) worked from the date on which the nurse was first assigned to the vacancy, to return the nurse to her or his former **job**, and the filling of the subsequent vacancies will likewise be reversed.
- (d) Vacancies which are not expected to exceed sixty (60) calendar days and vacancies caused due to illness, accident, leaves of absence (including pregnancy and parental) may be filled at the discretion of the Hospital. In filling such vacancies consideration shall be given to regular part-time nurses in the bargaining unit on the basis of seniority who are qualified to perform the work in question. If the temporary vacancy is not filled by a regular part-time nurse, consideration will be given to casual part-time nurses in the bargaining unit on the basis of seniority who are qualified to perform the work in question, prior to **utilizing** non-bargaining unit nurses supplied by an agency or registry. It is understood, however, that where such vacancies occur on short notice, failure to offer part-time nurses such work shall not result in any claim for pay for time not worked while proper arrangements are made to fill the vacancy. Where part-time nurses fill temporary full-time vacancies, such nurses shall be considered regular part-time and shall be covered by the terms of the part-time collective agreement. Upon completion of the temporary vacancy, such nurse shall be reinstated to her or his former position unless the position has been discontinued, in which case the nurse shall be given a comparable job.

- (e) The Hospital shall have the right to fill any permanent vacancy on a temporary basis until the posting procedure or the Request for Transfer procedure provided herein has been complied with and arrangements have been made to permit the nurse selected to fill the vacancy to be assigned to the job.
- (f) A nurse selected as a result of a posted vacancy or a Request for Transfer need not be considered for a further permanent vacancy for a period of up to six (6) months from the date of her or his selection.

 - i) a layoff resulting from a planned temporary closure of **any** part of the Hospital's facilities during all or part of the months of July and August (a "**summer shutdown**") or during the period between December 15th and January 15th inclusive (a "**Christmas shutdown**");

Notice shall not be required in the case of a cancellation of all or part of a single scheduled

shift, provided that Article 14.12 has been complied with. In giving such notice, the Hospital will indicate to the local Association the reasons causing the layoff and the anticipated duration of the layoff, and will **identify the** nurses likely to be affected. If requested, the **Hospital, will** meet with the local Association to review the effect on nurses in the bargaining unit.

(f) The Hospital shall provide the local Association with no less than **90** calendar days' notice of a long-term layoff and shall meet with the local Association to review the following:

- i) the reasons causing the layoff;
- ii) the service which the Hospital will undertake after the layoff;
- iii) the method of implementation including the areas of cut-back and the nurses to be laid off; and
- iv) any limits which the parties may agree on the number of nurses who may be newly assigned to a unit or area.

10.08 (1) In the event of a layoff, nurses shall be laid off in the reverse order of seniority **provided that** the nurses who are entitled to remain on the basis of seniority are qualified to perform the available work. Subject to the foregoing, probationary nurses shall be first laid off.

(2) Nurses shall have the following entitlements in the event of a layoff;

(a) A nurse who has been notified of a short-term layoff may:

- i) accept the layoff; or

 - iii) elect to transfer to a vacant position provided that she or he is qualified to perform the available work; or
 - iv) displace another nurse in **any** classification who has lesser bargaining unit seniority and whose work the nurse subject to layoff is qualified to perform.
- (d) In all cases of layoff:
- i) Any agreement between the Hospital and the Association concerning the method of implementation of a layoff shall **take** precedence over the terms of **this** article. The unavailability of a representative of the Association shall not delay any meeting regarding layoffs or staff reductions.
 - ii) Where a vacancy occurs in a position following a layoff hereunder as a result of which a nurse has been transferred to another position, the affected nurse will be offered the opportunity to return to her or his former position providing such vacancy occurs within six (6) months of the date of layoff. Where the nurse returns to her or his former position there shall be no obligation to consider

the vacancy under Article 10.06. Where the nurse refuses the opportunity to return to her or his former position the nurse shall advise the Hospital in writing.

- iii) No reduction in the hours of work shall take place to prevent or reduce the impact of a layoff without the consent of the Association.
- iv) All regular part-time and full-time nurses represented by the Association who are on layoff will be given a job opportunity in the full-time and regular part-time categories before any new nurse is hired into either category.
- v) Full-time and part-time layoff and recall rights shall be separate.
- vi) Casual part-time nurses shall not be **utilized** while full-time or regular **part-time** nurses remain on layoff, unless the provisions of Article 10.09 have been complied with.
- vii) No new nurses shall be hired until all those nurses who retain the right to be recalled have been given an opportunity to return to work.
- viii) In this Article (10.08), a "vacant position" shall mean a position for which the posting process has been completed and no successful applicant has been appointed.

10.09 Full-time and regular part-time nurses shall be recalled in the order of seniority unless otherwise agreed between the Hospital and the local Association, subject to the following provisions, provided that a nurse recalled is qualified to perform the available work:

- (a) Full-time and regular part-time nurses on layoff **may** notify the Hospital of their interest in accepting occasional vacancies and/or temporary vacancies which may arise and for which they are qualified. Such notification of interest shall state any restrictions on the type of assignment which a nurse is willing to accept, and shall remain valid for six weeks. However if a nurse declines an occasional or temporary vacancy the Hospital shall not be obliged to call upon the nurse again during the balance of such six-week period.

- (b) For the purposes of this article, an "**occasional vacancy**" shall mean an assignment which is anticipated not to exceed five shifts (37.5 hours). Occasional vacancies shall be offered first to regular part-time nurses on layoff who have expressed interest, and if no such part-time nurse accepts then to full-time nurses on layoff who have expressed interest, and if no such full-time nurse accepts then to casual part-time nurses.
- (c) For the purposes of this article, a "**temporary vacancy**" shall mean an assignment which is anticipated to exceed five shifts (37.5 hours). Temporary vacancies which arise in the full-time bargaining unit shall be offered by seniority first to full-time nurses on layoff who have expressed interest, and if no such full-time nurse accepts then by seniority to regular part-time nurses on layoff who have expressed interest, and if no such part-time nurse accepts then to casual part-time nurses. Temporary vacancies which arise in the part-time unit shall be offered by seniority first to regular part-time nurses on layoff who have expressed interest, and if no such part-time nurse accepts then by seniority to full-time nurses on layoff who have expressed interest, and if no such full-time nurse accepts then to casual part-time nurses.
- (d) A nurse to whom an occasional or temporary vacancy is offered may accept or decline such vacancy and in either case shall maintain her or his position on the recall list. Acceptance of a temporary or occasional vacancy shall not constitute a recall from layoff unless the temporary vacancy is anticipated to exceed sixty (60) calendar days. A full-time nurse on layoff who accepts a temporary or occasional vacancy shall be paid her or his regular full-time rate of pay together with a percentage payment in lieu of benefits at the rate specified for part-time nurses at the Hospital; a full-time nurse who has worked for more than 600 hours in 140 calendar days as the result of accepting one or more temporary vacancies shall thereafter be eligible for benefit coverage as a full-time nurse and shall be paid accordingly, and shall continue to receive benefit coverage so long as she or he continues to fill a temporary vacancy.

- 10.10 (a) A nurse who is transferred to a position outside of the bargaining unit for a period of not more than one (1) year shall, subject to (d) below, retain, but not accumulate, her or his seniority held at the time of the transfer. In the event the nurse is returned to a position in the bargaining unit, she or he shall be credited with seniority held at the time of transfer and resume accumulation from the date of her or his return to the bargaining unit.

- (b) In the event that a nurse is transferred to a position outside of the bargaining unit for a period in excess of one (1) year, she or he will lose all seniority held at the time of transfer. In the event the nurse is returned to a position in the bargaining unit, the nurse's seniority will accrue from the date of her or his return to the bargaining unit.
- (c) In the case of nurses who are employed by the Hospital in a position outside of the bargaining unit as at May 1, 1994, such nurses shall be credited with seniority held at the time of transfer and resume accumulation from the date of their return to the bargaining unit if such return occurs prior to April 30, 1997.
- (d) In the event that a nurse is transferred out of the bargaining unit under (a) above for a period of six (6) months or an academic year and is returned to a position in the bargaining unit, she or he shall not suffer any loss of seniority, service or benefits. It is understood and agreed that a nurse may decline such offer to transfer and that the period of time referred to above may be extended by agreement of the parties.

- 10.11
- (a) Nurses who are in supervisory positions excluded from the bargaining unit shall not perform duties normally performed by nurses in the bargaining unit which shall directly cause or result in the layoff, loss of seniority or service or reduction in benefits to nurses in the bargaining unit.
 - (b) The Hospital shall not contract out the work of a bargaining unit nurse if, as a result of such contracting out, any bargaining unit nurse other than a casual part-time nurse is laid off, displaced or loses hours of work or pay. Prior to contracting out any available work, the Hospital will first offer the work on the basis of seniority to regular part-time nurses in the bargaining unit. Contracting out to an employer who is **organized** and who will employ the employees of the bargaining unit who would otherwise be laid off, with similar terms and conditions of employment, is not a breach of this provision. This clause will not apply to the ad hoc use of agency or registry nurses for single shift coverage of vacancies due to illness Or leaves of absence.

- 10.12 In the event of a **rationalization** or consolidation of any part of the services of the Hospital with those of another hospital or hospitals, the Hospital and the Association agree to implement the Guidelines for Employee **Transfer Arrangements in Hospital Service Rationalization** established by the Ontario Hospital Industry Labour Management Committee, to the extent possible within the

terms of this collective agreement. In implementing the Guidelines the parties will be guided by the following:

- (a) the Hospital shall notify affected nurses and the Association as soon as a formal decision to **rationalize** is taken (**ref:** Guidelines, paragraph 2);
- (b) the Hospital and the Association shall begin discussions concerning the specifics of the **rationalization** forthwith after a decision to **rationalize** is taken (**ref:** Guidelines, paragraph 3);
- (c) as soon as possible in the course of developing a plan for the implementation of the **rationalization** the Hospital shall notify affected nurses and the Association of the projected staffing needs, and their location, which are anticipated to result (**ref:** Guidelines, paragraph 6); notice to affected nurses and the Association shall include the estimated number and types of positions anticipated to be available, and their location, as the result of the **rationalization** (**ref:** Guidelines, paragraph 7);
- (d) if services in the Hospital are to be reduced or eliminated as the result of a **rationalization**, or if the employment of nurses is otherwise to be affected, the Hospital shall prepare a list of the affected nurses in order of seniority by jobs for which it considers such nurses are eligible. This list will be updated to reflect any changes due to employees leaving or entering the unit (**ref:** Guidelines, paragraph 7);
- (e) if a **rationalization** is anticipated to result in a loss of employment for nurses at another hospital by reason of the establishment of a new unit or the enlargement or extension of services at the Hospital:
 - i) in the period before a **rationalization** takes place, where a permanent vacancy occurs and has not been filled after Article 10.06 has been complied with, the vacancy shall be filled by the senior qualified employee of the other hospital who wishes to make an early transfer. A nurse taking such a position shall be treated as a transferring employee and not as a new hire (**ref:** Guidelines, paragraph 5);
 - ii) when the **rationalization** takes place, and when nurses formerly employed by the other hospital or hospitals involved are transferred to the Hospital, such nurses shall maintain their seniority dates and shall be placed on seniority lists at the Hospital accordingly.

Thereafter they shall exercise seniority rights in accordance with this agreement (**ref: Guidelines, paragraph 13**). Following implementation of the **rationalization**, no nurse who has been transferred to the Hospital shall suffer a reduction in wages. If the wage grid in effect at the Hospital does not correspond to the grid in effect at the hospital at which such nurses were formerly employed, nurses whose wages were not identical to a wage step on the Hospital's grid shall be moved to the next higher step. Where the transferring nurse's salary exceeds the range maximum, the nurse's salary will be maintained (**ref: Guidelines, paragraph 14**);

- iii) nurses who have been transferred to the Hospital shall be subject to the benefit plans of the Hospital in the manner provided under the collective agreement. The retention, modification or abandonment of superior conditions and the provisions of sick leave plans, to which nurses who have been transferred to the Hospital were formerly subject, shall be negotiated between the Association and the Hospital. Nurses who have been transferred to the Hospital shall retain their former level of vacation entitlement or shall be entitled to the level provided by this agreement, whichever is the greater (**ref: Guidelines, paragraph 15**);
- (iv) Hours of work shall be those of the Hospital (**ref: Guidelines, paragraph 16**);
- (v) A nurse who has been transferred to the Hospital and who has not completed her or his probationary period at the hospital where she or he was formerly employed shall receive credit for her service during such probationary period, and shall complete the balance of the probationary period required by this agreement. No new probationary period shall be served by a nurse who has been transferred to the Hospital (**ref: Guidelines, paragraph 17**).

NOTE 1: In the bargaining units where full-time and part-time nurses are both employed, seniority lists and layoff and recall rights of part-time nurses shall be separate from full-time nurses.

NOTE 2: The seniority list referred to in Article 10.02 shall include any other information that is currently provided to the Association.

The nurse agrees to notify the Hospital of her or his intention to return to work at least two (2) weeks prior to the date of such return.

11.05 Bereavement Leave

A full-time or regular part-time nurse who notifies the Hospital as soon as possible following a bereavement shall be granted three (3) consecutive working days off without loss of regular pay for scheduled hours, in conjunction with the day of the funeral of a member of her or his immediate family. **"Immediate family"** means parent, brother, sister, spouse, son, daughter, **son-in-law**, daughter-in-law, mother-in-law, father-in-law, brother-in-law, sister-in-law, **grandparent or grandchild**. **"Spouse"** for the purposes of bereavement leave will include a partner of the same sex. The nurse shall be credited with tours worked (hours worked for nurses whose regular hours of work are other than the standard work day) towards the probationary period provided in Article 10.01 (a) to a maximum of 30 tours (225 hours for nurses whose regular hours of work are other than the standard work day).

The Hospital will outline to nurses hired to fill such temporary vacancies the circumstances giving rise to the vacancy and the special conditions relating to such employment.

- (e) The Hospital may request a nurse to commence pregnancy leave at such time as the duties of her position cannot reasonably be performed by a pregnant woman or the performance or non-performance of her work is materially affected by the pregnancy.
- (f) On confirmation by the Unemployment Insurance Commission of the appropriateness of the Hospital's Supplemental Unemployment Benefit (SUB) Plan, a nurse who is on pregnancy leave as provided under this Agreement who has applied for and is in receipt of Unemployment Insurance pregnancy benefits pursuant to Section 18 of the Unemployment Insurance Act shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between seventy-five percent (75%) of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits and any other earnings. Such payment shall commence following completion of the two week Unemployment Insurance waiting period, and receipt by the Hospital of the nurse's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance pregnancy benefits, and shall continue while the nurse is in receipt of such benefits for a maximum period of fifteen (15) weeks. The nurse's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

11.08 Parental Leave

- (a) A nurse who becomes a parent of a child is eligible to take a parental leave in accordance with the provisions of the Employment Standards Act, except where amended in this provision.
- (b) A nurse who has taken a pregnancy leave under Article 11.07 is eligible to be granted a parental leave of up to eighteen (18) weeks' duration, in accordance with the Employment Standards Act. A nurse who is eligible for a parental leave who is the natural father or is an adoptive parent may extend the parental leave for a period of up to twelve (12) months duration, consideration being

given to any requirements of adoption **authorities**. In cases of adoption, the nurse shall advise the hospital as far in advance as possible with respect to a prospective adoption and shall request the leave of absence, in writing, upon receipt of confirmation of the pending adoption. If, because of late receipt of confirmation of the pending adoption, the nurse finds it impossible to request the leave of absence in writing, the request may be made verbally and subsequently verified in writing.

- (c) The nurse shall be reinstated to her or his former position, unless that position has been discontinued, in which case the nurse shall be given a comparable job.
- (d) Nurses newly hired to replace nurses who are on approved parental leave may be released and such release shall not be the subject of a grievance or arbitration. If retained by the Hospital, in a permanent position, the nurse shall be credited with seniority from date of hire subject to successfully completing her or his probationary period. The nurse shall be credited with tours worked (hours worked for nurses whose regular hours of work are other than the standard work day) towards the probationary period provided in Article 10.01 (a) to a maximum of 30 tours (225 hours for nurses whose regular hours of work are other than the standard work day).

The Hospital will outline to nurses hired to fill such temporary vacancies, the circumstances giving rise to the vacancy and the special conditions relating to such employment.

- (e) On confirmation by the Unemployment Insurance Commission of the appropriateness of the Hospital's Supplemental Unemployment Benefit (SUB) Plan, a nurse who is on parental leave as provided under this Agreement who has applied for and is in receipt of Unemployment Insurance parental benefits pursuant to Section 20 of the Unemployment Insurance Act shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between seventy-five percent (75%) of the nurse's regular weekly earnings and the sum of her or his weekly Unemployment Insurance benefits and any other earnings. Such payment shall commence following completion of the two week Unemployment Insurance waiting period, and receipt by the Hospital of the nurse's Unemployment Insurance cheque stub as proof that she or he is in receipt of Unemployment Insurance parental benefits and shall continue while the nurse is in receipt of such benefits for

a maximum period of ten (10) weeks. The nurse's regular weekly earnings shall be determined by multiplying her or his regular hourly rate on her or his last day worked prior to the commencement of the leave times her or his normal weekly hours.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

11.09 Education Leave

- (a) Leave of absence, without pay, for the purposes of further education directly related to the nurse's employment with the Hospital may be granted on written application by the nurse to the Director of Nursing or designate. Requests for such leave will not be unreasonably denied.
- (b) A full-time or regular part-time nurse shall be entitled to leave of absence without loss of earnings from her or his regularly scheduled working hours for the purpose of writing any examinations required in any **recognized** course in which nurses are enrolled to upgrade their nursing qualifications.
- (c) Leave of absence without loss of regular earnings from regularly scheduled hours for the purpose of attending short courses, workshops or seminars directly related to the nurse's employment at the hospital may be granted at the discretion of the Hospital upon written application by the nurse to the Director of Nursing or designate.

11.11 Pre-Paid Leave Plan

Effective April 1, 1989, the Hospital agrees to introduce a **pre-paid** leave program, funded solely by the nurse, subject to the following terms and conditions:

- (a) The plan is available to nurses wishing to spread four (4) years' salary over a five (5) year period, in accordance with Part **LXVIII** of the Income Tax Regulations, Section **6801**, to enable them to take a one (1) year leave of absence following the four (4) years of salary deferral.
- (b) The nurse must make written application to the Director of Nursing at least six (6) months prior to the intended commencement date of the program (i.e., the salary deferral portion), stating the intended purpose of the leave.
- (c) The number of nurses that may be absent at any one time shall be determined by **local** negotiations. The year for purposes of the program shall be September 1 of one year to August 31 the following year or such other twelve (12) month period as may be agreed upon by the nurse, the local Association and the Hospital.
- (d) Written applications will be reviewed by the Director of Nursing or designate. Leaves requested for the purpose of pursuing further formal nursing education will be given priority. Applications for leaves requested for other purposes will be given the next level of priority on the basis of seniority.
- (e) During the four (4) years of salary deferral, 20% of the nurse's gross annual earnings will be deducted and held for the nurse and will not be accessible to her or him until the year of the leave or upon withdrawal from the plan.
- (f) The manner in which the deferred salary is held shall be at the discretion of the Hospital.

Full-time nurses will not be eligible to participate in the disability income plan during the year of leave.
- (i) A nurse may withdraw from the plan at any time during the deferral portion provided three (3) months notice is given to the Director of Nursing. Deferred salary, plus accrued interest, if any, will be returned to the nurse, within a reasonable period of time.
- (j) If the nurse terminates employment, the deferred salary held by the Hospital plus accrued interest, if any, will be returned to the nurse within a reasonable period of time. In case of the nurse's death, the funds will be paid to the nurse's estate.
- (k) The Hospital will endeavour to find a temporary replacement for the nurse as far in advance as practicable. If the Hospital is unable to find a suitable replacement, it may postpone the leave. The Hospital will give the nurse as much notice as is reasonably possible. The nurse will have the option of remaining in the Plan and rearranging the leave at a mutually agreeable time or of withdrawing from the Plan and having the deferred salary, plus accrued interest, if any, paid out to the nurse within a reasonable period of time.
- (l) The nurse will be reinstated to her or his former position unless the position has been discontinued, in which case the nurse shall be given a comparable job.
- (m) Final approval for entry into the pre-paid leave program will be subject to the nurse entering into a formal agreement with the Hospital in order to authorize the Hospital to make the appropriate deductions from the nurse's pay. Such agreement will include:
- (a) A statement that the nurse is entering the pre-paid leave program in accordance with Article 11.11 of the Collective Agreement.

(b) The period of salary deferral and the period for which the leave is requested.

Notwithstanding Article 10.04 there shall be no loss of seniority or service during such leave. Subject to the agreement of the agency to which the nurse is seconded, the nurse's salary and applicable benefits shall be maintained by the hospital and the hospital shall be reimbursed for the full cost of salary and applicable benefits by the agency to which the nurse is seconded. The nurse agrees to notify the Hospital of her or his intention to return to work at least two (2) weeks prior to the date of such return.

NOTE 1: (Note 1 applies to full-time nurses only)

ARTICLE 12 - SICK LEAVE AND LONG-TERM DISABILITY

(Articles 12.01 to 12.14 apply to full-time nurses only)

12.01 The Hospital will assume total responsibility for providing and funding a short-term sick leave plan at least equivalent to that described in the 1980 Hospitals of Ontario Disability Income Plan brochure.

The Hospital will pay 75% of the billed premium towards coverage of eligible employees under the long-term disability portion of the Plan (HOODIP or an equivalent plan). The employee will pay the balance of the billed premium through payroll deduction. For the purpose of transfer to the short-term portion of the disability program, employees on the payroll as of the effective date of the transfer with three (3) months or more of service shall be deemed to have three (3) months of service. For the purpose of transfer to the long-term portion of the disability program, employees on the active payroll as of the effective date of the transfer with one (1) year or more of service shall be deemed to have one (1) year of service.

12.02 Effective the first of the month following the transfer, all existing sick leave plans in the Participating Hospitals shall be terminated and any provisions relating to such plans shall be null and void under the respective Collective Agreements except as to those provisions relating to payout of unused sick leave benefits which are specifically dealt with hereinafter.

12.03 Existing sick leave credits for each employee shall be converted to a sick leave bank to the credit of the employee. The sick leave bank shall contain the unused sick leave days to the credit of the nurse on the effective date of the transfer to the Plan set out in Article 12.01. The "sick leave bank" shall be utilized to:

- (a) supplement payment for sick leave days under the new plan which would otherwise be at less than full wages, and;
- (b) where a payout provision existed under the former sick leave plan in the Collective Agreement, payout shall be made on the termination of employment, or in the case of death, to the nurse's estate. The amount of the payout shall be a cash settlement at the nurse's then current salary rate for any unused sick credits to the maximum provided under the sick leave plan in which the nurse participated as of the date of this award;
- (c) where, as of the effective date of transfer, an employee does not have the required service to qualify for payout on termination, her or his existing sick leave credits as of that date shall nevertheless be converted to a sick leave bank in accordance with the foregoing and the nurse shall be entitled to the same cash out provisions as set out' in paragraph (b) above providing the nurse subsequently achieves the necessary service to qualify for payout under the conditions of the sick leave plan in which she or he participated as of the date of this award:

(d) where a payout provision existed under the former sick leave plan in the Collective Agreement, a nurse who, as of the date of this award, has accumulated sick leave credits and is prevented from working for the Hospital on account of an occupational illness or accident that is **recognized** by The Workers' Compensation Board as compensable within the meaning of The Workers' Compensation Act, the Hospital, on application from the nurse, will supplement the award made by The Workers' Compensation Board for loss of wages to the nurse by such amount that the award of The Workers' Compensation Board for loss of wages, together with the supplementation of the Hospital, will equal one hundred per cent (**100%**) of the nurse's net earnings to the limit of the nurse's accumulated sick leave credits. Nurses may **utilize** such sick leave credits while awaiting approval of a claim for Worker's Compensation.

- 12.04 When a nurse has completed any portion of her or his regularly scheduled tour prior to going on sick leave benefits or Workers' Compensation benefits, the nurse shall be paid for the balance of the tour at her or his regular straight time hourly rate. This provision will not **disentitle** the nurse to a lieu day under Article 15.05 if she or he otherwise qualifies.
- 12.05 Nurses returning to work from an illness or injury compensable under Workers' Compensation will be assigned light work as necessary, if available.
- 12.06 A nurse who transfers from full-time to part-time may elect to retain her or his accumulated sick leave credits to be **utilized** during part-time or subsequent full-time employment as provided under the sick leave plan in which the nurse participates as of October 23, 1981.
- 12.07 Any dispute which may arise concerning a nurse's entitlement to short-term or long-term benefits under **HOODIP** may be subject to grievance and arbitration under the provisions of this Agreement.
- 12.08 Nurses presently employed who are covered by a long-term disability plan in effect as of the date of this award, may elect to be covered by **HOODIP** or to continue their present coverage.
- 12.09 The Hospital further agrees to pay employees an amount equal to any loss of benefits under **HOODIP** for the first two days of the fourth and subsequent period of absence in any calendar year.

- 12.10 During the term of operation. of this Collective Agreement, the Hospitals will meet and consult with the Association with the view to assisting the parties in the **next** set of negotiations to improve the benefit coverage provided by **HOODIP**.
- 12.11 The Hospital will notify each nurse of the 'amount of unused sick leave in her or his bank annually.
- 12.12 For nurses whose regular hours of work are other than the standard work day, the short term sick leave plan will provide payment for the number of hours of absence according to the scheduled tour to a total of **562.5** hours. All other provisions of the existing plan shall apply **mutatis mutandis**.
- 12.13 Absences due to pregnancy related illness shall be considered as sick leave under the sick leave plan.
- 12.14 A nurse who is absent from work as a result of an illness or injury sustained at work and who has been awaiting approval of a claim for Worker's Compensation for a period longer than one complete pay period may apply to the Hospital for payment equivalent to the lesser of the benefit the nurse would receive from Workers' Compensation if the nurse's claim was approved, or the benefit to which the nurse would be entitled under the short term sick portion of the disability income plan (**HOODIP** or equivalent plan). Payment will be provided only if the nurse provides evidence of disability satisfactory to the Hospital and a written undertaking satisfactory to the Hospital that any payments will be refunded to the Hospital following final determination of the claim by The Workers' Compensation Board. If the claim for Workers' Compensation is not approved, the monies paid as an advance will be applied towards the benefits to which the nurse would be entitled under the short term portion of the disability income plan. **Any** payment under this provision will continue for a maximum of fifteen (**15**) weeks.
- (Articles **12.15** and **12.16** apply to part time nurses only)
- 12.15 Part-time nurses returning to work from an illness or injury compensable under Workers' Compensation will be assigned light work as necessary, if available.
- 12.16 A nurse who transfers from full-time to part-time **may** elect to retain her or his accumulated sick leave credits to be **utilized** during part-time or subsequent full-time employment as-provided under the sick leave plan in which the nurse participates as of October **23, 1981**.

ARTICLE 13 - HOURS OF WORK

13.01 The following provision designating regular hours on a daily tour and regular daily tours over the nursing schedule determined by the Hospital shall not be construed to be a guarantee of the hours of **work** to be performed on each tour or during each tour schedule.

Subject to Article **13.02** below:

- (a) The normal daily tour shall be seven and one-half (**7 1/2**) consecutive hours in any twenty-four (**24**) hour period exclusive of an unpaid one-half (**1/2**) hour meal period, it being understood that at the change of tour there will normally be additional time required for reporting which shall be considered to be part of the normal daily tour, for a period of up to fifteen (**15**) minutes duration. Should the reporting time extend beyond fifteen (**15**) minutes, however, the entire period shall be considered overtime for the purposes of payment under Article **14**
- (b) Nurses shall be entitled, subject to the exigencies of patient care, to relief periods during the tour on the basis of fifteen (**15**) minutes for each half tour. The scheduling of meal periods and relief periods shall be determined by local negotiations.
- (c) The regular daily tours of duty of a full-time nurse shall average five (**5**) days per week over the nursing schedule determined by the Hospital. Full-time nursing schedules shall be determined by local negotiation. Full-time nurses in the bargaining unit engaged in teaching in Schools for **R.P.N.'s** shall work a flexible schedule, Monday to Friday, averaging **37 1/2** hours per week over the schedule to be determined by local negotiations.
- (d) Where a nurse notifies her or his supervisor that she or he has been or will be unable to take the normal lunch break due to the requirement of providing patient care, such nurse shall be paid time and one half (**1 1/2**) her or his regular straight time hourly rate for all time worked in excess of her or his normal daily hours.

13.02 Where nurses are now working a longer daily tour, the provisions set out in this Article governing the regular hours of work on a daily tour shall be adjusted accordingly.

The normal daily extended tour shall be **11.25** consecutive hours in any **24-hour** period, exclusive of a total of forty-five (**45**) minutes of unpaid meal time.

Nurses shall be entitled, subject to the exigencies of patient care, to relief periods during the tour of a total of forty-five (45) minutes.

The scheduling of meal and relief periods shall be determined by local negotiations.

The introduction or discontinuance of longer daily tours shall be determined by local negotiations.

NOTE: Hospitals that have extended tours that are presently different than the above, shall maintain those conditions.

ARTICLE 14 - PREMIUM PAYMENT

14.01 (a) (Article 14.01(a) applies to full-time nurses only)

If a nurse is **authorized** to work in excess of the hours referred to in Article 13.01 (a) or (c), she or he shall receive overtime premium of one and one-half (1 1/2) times her or his regular straight time hourly rate. Notwithstanding the foregoing, no overtime premium shall be paid for a period of less than fifteen (15) minutes of overtime work where the nurse is engaged in reporting functions at the end of her or his normal daily tour. If **authorized** overtime amounts to fifteen (15) minutes or more, overtime premium shall be paid for the total period in excess of the normal daily tour. Overtime premium will not be duplicated for the same hours worked under Article 13.01 (a) and (c) nor shall there be any pyramiding with respect to any other premiums payable under the provisions of this Collective Agreement. Nothing herein will **disentitle** the nurse to payment of the normal tour differential provided herein. For purpose of clarity, a nurse who is required to work on her or his scheduled day off shall **receive** overtime premium of one and one-half (1 1/2) times her or his regular straight time hourly rate. The Hospital agrees that if the Collective Agreement provided a greater overtime premium for overtime work immediately prior to this Agreement, the Hospital will continue to pay such greater overtime premium. This is not intended to entitle the nurse to be paid for work performed while engaged in the reporting functions as provided herein.

(b) (Article 14.01(b) applies to part-time nurses only.)

If a part-time nurse is **authorized** to work in excess of the hours referred to in Article 13.01 (a), she or he shall receive overtime premium of

one and one-half ($1 \frac{1}{2}$) times her or his regular straight time hourly rate. A part-time nurse (including casual nurses but not including part-time nurses who are filling temporary full-time vacancies) who works in excess of seventy-five (75) hours in a two (2) week period shall receive time and one-half ($1 \frac{1}{2}$) her or his regular straight time hourly rate for all hours worked in excess of seventy-five (75). A part-time nurse who is filling a temporary full-time vacancy shall receive time and one-half ($1 \frac{1}{2}$) her or his regular straight time hourly rate for all hours worked in excess of an average of $37 \frac{1}{2}$ hours per week over the full-time nursing schedule determined by the Hospital. Such averaging will commence at the conclusion of the two week period following the nurse's transfer to the temporary full-time position and will end at the conclusion of the two week period-prior to the nurse's return to her or his former position. Notwithstanding the foregoing, no overtime premium shall be paid for a period of less than fifteen (15) minutes of overtime work where the nurse is engaged in reporting functions at the end of her or his normal daily tour. If authorized overtime amounts to fifteen (15) minutes or more, overtime premium shall be paid for the total period in excess of the normal daily tour. Overtime premium will not be duplicated for the same hours worked under Article 13.01 (a) nor shall there be any pyramiding with respect to any other premiums payable under the provisions of this Collective Agreement. Nothing herein will disentitle the nurse to payment of the normal tour differential provided herein. The Hospital agrees that if the Collective Agreement provided a greater premium for overtime work immediately prior to this Agreement, the Hospital will continue to pay such greater overtime premium. This is not intended to entitle the nurse to be paid for work performed while engaged in the reporting functions as provided herein.

- 14.02 Notwithstanding the foregoing, overtime will not be paid for additional hours worked during a twenty-four (24) hour period either as a result of change in tour on the request of a nurse or a change-over to daylight saving from standard time or vice versa or an exchange of tours by two nurses.
- 14.03 Work scheduled by the Hospital to which a premium is attached under scheduling regulations contained in the Collective Agreement and set out in the Appendix of Local Provisions shall be paid at one and one-half ($1 \frac{1}{2}$) times the nurse's regular straight time hourly rate or as otherwise provided.

- 14.04** Where a nurse is required to work on a paid holiday or on an overtime tour or on a tour that is paid at the rate of time and one-half (**1 1/2**) the nurse's regular straight time hourly rate as a result of **14.03** above and the nurse is required to work additional hours following her or his full tour on that day (but not including hours on a subsequent regularly scheduled tour for such nurse) such nurse shall receive two (**2**) times her or his regular straight time hourly rate for such additional hours worked.
- 14.05** A nurse who reports for work as scheduled, unless otherwise notified by the Hospital, shall receive a minimum of four (**4**) **hours'** pay at her or his **regular** straight time hourly rate. The nurse shall be required to perform any nursing duties assigned by the Hospital which she or he is capable of doing, if her or his regular duties are not available.
- 14.06** Where a full-time or regular part-time nurse has completed her or his regularly scheduled tour and left the hospital and is called in to work outside her or his regularly scheduled working hours, or where a nurse is called back from standby, such nurse shall receive time and one-half (**1 1/2**) her or his regular straight time hourly rate for all hours worked with a minimum guarantee of four (**4**) **hours'** pay at time and one-half (**1 1/2**) her or his regular straight time hourly rate except to the extent that such four (**4**) hour period overlaps or extends into her or his regularly scheduled shift. In such a case, the nurse will receive time and one-half (**1 1/2**) her or his regular straight time hourly rate for actual hours worked up to the commencement of her or his regular shift.
- 14.07** A nurse who is required to remain available for duty on standby outside her or his regularly scheduled working hours shall receive standby pay in the amount of two dollars and fifty cents (**\$2.50**) per hour for the period of standby scheduled by the Hospital. Where such standby duty falls on a paid holiday, as set out in the Appendix of Local Provisions, the nurse shall receive standby pay in the amount of three dollars (**\$3.00**) per hour. Standby pay shall, however, cease where the nurse is called in to work under Article **14.06** above and works during the period of standby.
- 14.08** (a) In computing a full-time nurse's regular straight time hourly rate under this Collective Agreement such rate shall be established by dividing the product of the nurse's regular monthly salary exclusive of any allowance or premium pay times **twelve (12)** by the regular average weekly hours times fifty-two (**52**).

(b) The regular straight time hourly rate for a **part-time** nurse will be the hourly rate in the wage schedule set forth in Article **19.01** (a).

14.09 (Article **14.09** applies to full-time nurses only)

Where a nurse has worked and accumulated approved hours for which she or he is entitled to be paid premium pay (other than hours relating to working on paid holidays) such nurse shall have the option of electing payment at the applicable premium rate or time off equivalent to the applicable premium rate (i.e., where the applicable rate is time and one-half (**1 1/2**) then time off shall be at time and one-half (**1 1/2**)). Where a nurse chooses equivalent time off such time off must be taken within the period set out in the Appendix of Local Provisions or payment in accordance with the former option shall be made. Nurses in the bargaining unit engaged in teaching in Schools for **R.P.N.'s** working overtime in excess of their average weekly hours referred to in Article **13.01** (c) which have been **authorized** in advance by the Director of the School, shall **be entitled** to compensating time off in accordance with the foregoing.

14.10 A nurse shall be paid a shift premium of one dollar (**\$1.00**) per hour for each hour worked which falls within the hours defined as an evening shift and one dollar and twenty-five cents (**\$1.25**) for each hour worked which falls within the hours defined as a night shift provided that such hours exceed two (**2**) hours if worked in conjunction with the day shift. Tour differential will not form part of the nurse's straight time hourly rate. For purposes of this provision, the night shift and the evening shift each consist of **7.5** hours. The defined hours of a night and evening shift shall be a matter for local negotiation.

14.11 Ambulance Escort

Where a nurse is assigned to provide patient care for a patient in transit, the following provisions shall apply:

(a) (i) Where a full-time nurse performs such duties during her or his regular shift, the full time nurse shall be paid her or his regular rate of **pay**. Where a full-time nurse performs such duties outside her or his regular shift or on a day off, she or he shall be paid the appropriate overtime rate.

(ii) Where a part-time nurse performs such duties during an assigned shift, she or he shall be paid her or his regular rate of pay. Where a part-time nurse continues to perform such duties in excess of her or his assigned shift, she or he shall be paid the appropriate overtime rate.

- (b) Where such duties extend beyond the nurse's regular shift, the Hospital will not require the nurse to return to regular duties at the Hospital without at least eight (8) hours of time off. Where such time off extends into the nurse's next -regularly scheduled shift she or he will maintain her or his regular earnings for that full shift.
- (c) Hours spent between the time the nurse is relieved of patient care responsibilities and the time the nurse returns to the hospital or to such other location agreed upon between the Hospital and the nurse will be paid at straight time or at appropriate overtime rates, if applicable under Article 14.01. It is understood that the nurse shall return to the hospital or to such other location agreed upon between the Hospital and the nurse at the earliest opportunity. Prior to the nurse's departure on escort duty, or at such other time as may be mutually agreed upon between the Hospital and the nurse, the Hospital will establish with the nurse arrangements for return travel.
- (d) The nurse shall be reimbursed for reasonable out of pocket expenses including room, board and return transportation and consideration will be given to any special circumstances not dealt with under the foregoing provisions.

NOTE 1: (Note 1 applies to full-time nurses only)

The Hospital agrees to continue to pay any greater monetary benefit for ambulance escort duty if such greater benefit has been paid by the Hospital immediately prior to this Agreement. This note applies at Hospitals where this superior condition exists as of December 14, 1987.

NOTE 2: (Note 2 applies to part-time nurses only)

The Hospital agrees to continue to pay any greater monetary benefit for ambulance escort duty if such greater benefit was paid by the Hospital under a Collective Agreement immediately prior to this Agreement. This note applies at Hospitals where this superior condition exists as of December 14, 1987.

14.12 (a) (Article **14.12(a)** applies to full-time nurses only)

The posting of work schedules shall be as set out in the Appendix of Local Provisions. It shall be the responsibility of the nurse to consult posted work schedules. The Hospital will endeavour to provide as much advance notice as is practicable of a change in the posted schedule. Changes to the posted work schedule shall be brought to the attention of the nurse. Where less than **forty-eight (48)** hours' notice is given personally to the nurse, time and one-half (**1 1/2**) of the nurse's regular straight time hourly rate will be paid for all hours worked on the first shift of the nurse's new schedule.

(b) (Article **14.12(b)** applies to part-time nurses only)

- i) The posting of work **schedules** for regular part-time nurses shall be determined by local negotiations. It **shall** be the responsibility of the regular part-time nurse to consult posted work schedules. The Hospital will endeavour to provide as much advance notice as is practicable of a change in the posted schedule. Changes to the posted work schedule shall be brought to the attention of the regular part-time nurse.
- ii) Where less than twenty-four (**24**) hours' notice is given personally to the regular part-time nurse, time and one-half (**1 1/2**) of the nurse's regular straight time hourly rate will be paid for all hours worked on the first shift of the nurse's new schedule. Such changes shall not be considered a lay-off.
- iii) Where a nurse is called in to work a regular shift less than two (**2**) hours prior to the commencement of the shift, and arrives within one (**1**) hour of the commencement, then the nurse will be paid for a full tour provided that the nurse works until the normal completion of the tour.
- iv) Casual part-time nurses whose work schedule has been **pre-scheduled** and whose schedule is changed with less than twenty-four (**24**) hours notice then paragraph **(b)** - shall apply to casual part-time nurses.

If requested, the Hospital agrees to meet with the Association to permit it to make representations with respect to the appropriate rate of pay providing any such meeting shall not delay the implementation of the new classification. If the matter is not resolved in the Grievance Procedure, it may be referred to Arbitration in accordance with Article 7, it being understood that any Arbitration Board shall be limited to establishing an appropriate rate based on the relationship existing amongst other nursing classifications within the Hospital and duties and responsibilities involved.

Any change in the rate established by the Hospital either through meetings with the Association or by a Board of Arbitration shall be made retroactive to the time at which the new or changed classification was first filled.

I/we do not believe this response was adequate to resolve our concerns. I/we therefore request our local president/executive committee refer these concerns to the AAC. Failing resolution of the nurses' concerns, the association may consider these issues under the professional responsibility clause.

Nous croyons que les mesures prises sont insuffisantes pour régler la situation. Nous demandons au président de la section locale ou au comité exécutif de porter la question devant le CAC. Ces démarches n'aboutissent pas, l'association pourrait considérer ces questions sous le régime de dispositions liées à la responsabilité professionnelle.
