ARTICLE 1 - PURPOSE:

1.01 The purpose of this Agreement is to establish mutually satisfactory relations between the Employer and the employees concerned, and to provide machinery for the prompt and equitable disposition of grievances, and to establish and maintain satisfactory working conditions, hours of work and wages for all the employees who are subject to the provisions of this Agreement so that there will not be any interference with the operation of the services rendered by the Belleville General Hospital to the patients or the public.

ARTICLE 2 - SCOPE AND RECOGNITION:

2.01 - Scope Clause

This Agreement applies to all employees referred to below (2.02), and as set out in the Wage Schedules hereinafter provided.

2.02 - Recognition Clause

ARTICLE 3 - MANAGEMENT RIGHTS:

3.01 The Union acknowledges that it is the exclusive function of the Employer to:

- a) Maintain order, discipline and efficiency and to establish and enforce rules, policies and regulations to be observed by employees which are not inconsistent with the provisions of this Agreement;
- b) Hire, discharge, transfer, promote or discipline employees, provided that a claim of discriminatory promotion, demotion or transfer, or a claim that an employee has been discharged or disciplined without just cause may be the subject of a grievance and dealt with as hereinafter provided;
- c) To determine in the interest of efficient operation and highest standard of service, the hours of work, which are not inconsistent with the terms of the Agreement; work assignments and work schedules, provided always that reasonable notice shall be given to employees involved of any changes to be made.
- d) Generally to operate the Hospital and without restricting the generality of the foregoing, to determine all work procedures, kinds of equipment to be used, methods to be used, and to select and direct the use of all materials required in the operation of the Hospital, and to establish and enforce rules governing the use of materials and equipment in the interests of the safety and well-being of the patients, the public and the employees

ARTICLE 3 - MANAGEMENT RIGHTS cont'd:

- d) and all other matters concerning the Hospital's operations not otherwise specifically dealt with elsewhere in the Agreement.

ARTICLE 4 - DEFINITIONS:

4.01 - Temporary Employees

Employees may be hired for a specified term, not to exceed six (6) months, to replace an employee on leave or to perform a special non-recurring task. This term may be extended a further six (6) months on mutual agreement of the Union, employee and Hospital or by the Hospital on its own up to twelve (12) months where the leave of the person being replaced extends that far. The period of employment of such persons will not exceed the absentee's leave. The release or discharge of such persons shall not be the subject of a grievance or arbitration.

This clause would not preclude such employees from using the job posting provision under the Collective Agreement and any successful applicant who has completed his probation period will be credited with the appropriate seniority.

The Hospital will outline to employees selected to fill such temporary vacancies and the Union, the circumstances giving rise to the vacancy, and the special conditions relating to such employment.

4.02 - Definition

The use of the term 'his' throughout this Agreement shall be understood to read as 'his and/or her'.

ARTICLE 5 - UNION SECURITY:

5.01 - Union Dues

As a condition of employment, the Hospital will deduct from each employee covered by this Agreement an amount equal to the regular monthly union dues designated by the Union.

Such dues shall be deducted from the first pay of each month for full-time employees, and may be deducted from every pay for part-time employees. In the case of newly hired employees such deductions shall commence in the month following their date of hire.

The amount of the regular monthly dues shall be those **authorized** by the Union and the Union shall notify the Hospital of any changes therein and such notification shall be the Hospital's conclusive authority to make the deductions specified.

In consideration of the deducting of Union dues by the Hospital, the Union agrees to indemnify and save harmless the Hospital against any claims or liabilities arising or resulting from the operation of this Article. Dues deducted by the 15th of the month shall be remitted monthly to the Union, no later than the end of the month in which the dues were deducted.

ARTICLE 5 - UNION SECURITY cont'd:**5.02 - interview Period**

It is mutually agreed that a Union representative will be given an opportunity of interviewing each new employee during the Hospital's general orientation program for the purpose of informing such employees of the existence of the Union in the Hospital and of ascertaining whether the employee wishes to become a member of the Union. The Employer shall advise the Union monthly as to the names and addresses of the employees to be interviewed. The duration of each interview shall not exceed fifteen(15) minutes. The interview shall take place during the employee's probationary period, on the Employer's premises, in a room designated by the Employer and the employees shall report to this room for interviews during the interview period. All interviews shall be arranged with the Employer's Chief Executive Official or his representative.

5.03 - Relationship

- a) The terms and conditions of this Agreement will apply equally to all employees who are subject to the provisions thereof, and those employees who deal with the Employer on an individual basis will not receive preferential treatment over those who deal with the Employer through the Union.
- b) The Employer agrees that there will be no discrimination, intimidation, interference, restraint or coercion exercised or practiced by the Employer or any of his representatives with respect to any employee because of his membership in, or connection with the Union.
- c) The Union agrees that there will be no discrimination, intimidation, interference, restraint or coercion exercised or practiced upon the employees of the Employer by any of its members or representatives, and there will be no solicitation for membership, collection of dues, or other Union activities on the premises of the Employer during an employee's working hours, except as provided for in this Agreement.

ARTICLE 6 - NO STRIKE/LOCKOUT:

6.1 This Agreement contains an orderly procedure for final disposition of all grievances. The Union recognizes that it is essential that there should be no interference with the services of the Hospital to the public and to its patients, and agrees, therefore, that it will not cause, direct or condone a strike or any other form of collective action which would interfere to any degree with the efficient operation of the Hospital during the term of this Agreement. The Employer agrees that it will not cause or direct any lock-out of its employees.

ARTICLE 7 - UNION REPRESENTATION AND COMMITTEES:**7.01 - Grievance Committee**

- a) i) The Hospital will recognize a Grievance Committee composed of the Chief Steward and not more than three (3) employees selected by the Union who have completed their probationary period. A general representative of the Union may be present at any meeting of the Committee. The purpose of the Committee is to deal with complaints or grievances as set out in this Collective Agreement.

ARTICLE 7 - UNION REPRESENTATION AND COMMITTEES cont'd:

7.01 - Grievance Committee

- ii) At North Hastings District Hospital, the Hospital will recognize a Grievance Committee composed of not more than two(2) employees, one of whom shall be the Local steward, selected by the Union and who have completed their probationary period. A general representative of the Union may be present at any meeting of the Committee. The purpose of the Committee is to deal with complaints or grievances as set out in this Collective Agreement.
- b) The Union shall keep the Hospital notified in writing of the names of the members of the Grievance Committee appointed or selected under this Article as well as the effective date of their respective appointments.
- c) A Committee member shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending grievance meetings with the Hospital up to, but not including arbitration. The number of employees on the Grievance Committee shall be determined locally.

- c) The Union shall keep the Hospital notified in writing of the names of Union Stewards appointed or selected under this Article as well as the effective date of their respective appointments.
- d) It is agreed that Union stewards have their regular duties and responsibilities to perform for the Hospital and shall not leave their regular duties without first obtaining permission from their immediate supervisor. If, in the performance of his duties, a Union steward is required to enter an area within the Hospital in which he is not originally employed, he shall report his presence to the supervisor in the area immediately upon entering it. Such permission shall not be unreasonably withheld.

When resuming his regular duties and responsibilities, such steward shall again report to his immediate supervisor. A Union steward shall suffer no loss of earnings for time spent in performing the above duties during his regular scheduled working hours.

- e) Nothing in this Article shall preclude full-time stewards from representing part-time employees and vice-versa.
- f) The number of stewards and the areas which they represent, are to be determined locally.

RTICLE 7 - UNION REPRESENTATION AND COMMITTEES cont'd:**7.02 - Union Stewards**

- g) The Employer acknowledges the right of the Union to appoint or otherwise select ten (10) stewards, one from each of the following Departments:

Supply, Processing and Dispatch (SPD)	-	Porters	-	Laundry
Housekeeping	-	Maintenance	-	Dietary - Nursing
Ward Aides	-	Orderlies	-	North Hastings District Hospital

- h) Union stewards shall be permitted to wear an identification badge, supplied by the Union, indicating the Department they represent, and designating if they are Chief Steward.

7.03 - Central Bargaining Committee

- a) In future, central bargaining between the Service Employee's Union and the participating Hospitals, an employee serving on the Union's Central Negotiating Committee shall be paid for time lost from his normal straight time working hours at his regular rate of pay and without loss of leave credits for attending Central Negotiating meetings with the Hospital's Central Negotiating Committee in direct negotiations up to the point of arbitration. Upon reference to arbitration, the Negotiating Committee members shall receive unpaid time off for the purpose of attending Arbitration Hearings.
- b) It is understood and agreed that the maximum number of Union Central Negotiating Committee members entitled to payment under this provision shall be seven (7) and in no case will more than one (1) employee from a Hospital be entitled to such payment.
- c) The Union shall advise the Hospital's Central Negotiating Committee before negotiations commence, of those employees to be paid under this provision. The Hospitals' Central Negotiating Committee shall advise the seven (7) Hospitals accordingly.

7.04 - Local Negotiating Committee

- a) The Hospital agrees to recognize a Negotiating Committee comprising of nine (9) members to be elected, or appointed from amongst employees in the Bargaining Unit, who have completed their probationary period.
- b) Where the Hospital participates in Central Bargaining the purpose of the Negotiating Committee shall be to negotiate local issues as defined.
- c) Where the Hospital does not participate in Central Bargaining, the purpose of the Negotiating Committee shall be to negotiate a renewal of this Collective Agreement.
- d) The Hospital agrees that five (5) members of the Negotiating Committee shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending such negotiating meetings with the Hospital up to, but not including, arbitration.
- e) Nothing in this provision is intended to preclude the Union Negotiating Committee from having the assistance of any representatives of the Union when negotiating with the Hospital.

ARTICLE 7 - UNION REPRESENTATION AND COMMITTEES cont'd:

7.04 - Local Negotiating Committee

- f) The number of employees on the Negotiating Committee shall be determined locally.

ARTICLE 8 - GRIEVANCE AND ARBITRATION:

8.01 For the purposes of this Agreement, a grievance or complaint is defined as a difference arising either between a member of the Bargaining Unit and the Hospital or between the parties hereto relating to the interpretation, application, administration or alleged violation of the Agreement.

8.02 The grievance shall identify the nature of the grievance, the remedy sought, and should, where possible specify the provisions of the Agreement which are alleged to have been violated.

8.03 At the time formal discipline is imposed or at any stage of the grievance procedure an employee shall have the right, to the presence of his/her steward. In the case of suspension or discharge, the Hospital shall notify the employee of this right in advance.

Where the Hospital deems it necessary to suspend or discharge an employee, the Hospital shall notify the Union of such suspension or discharge in writing, within three (3) days.

8.04 It is the mutual desire of the parties hereto that complaints shall be adjusted as quickly **as** possible, and it is understood that an employee has no grievance until he has first given his immediate supervisor the opportunity of adjusting his complaint. The grievor may have the assistance of a Union steward if he so desires.

Such complaint shall be discussed with his immediate supervisor within five (5) days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee.

Failing settlement within the five (5) days, it shall then be taken up as a grievance within five (5) days following his immediate supervisor's decision in the following manner and sequence.

1Step

The employee shall submit the grievance, in writing, and signed by him, to his immediate supervisor. The employee may be accompanied by a Union steward. The immediate supervisor will deliver his decision in writing within five (5) days following the day on which the written grievance was presented to him. Failing settlement, then:

2Step

Within five (5) days following the decision under Step 1 the employee, accompanied by a Union steward, or the Union steward shall submit the written grievance to his Department Head, who will deliver his decision in writing within five (5) days following the day on which the grievance was presented to him.

This Step may be omitted where the employee's immediate supervisor and Department Head are the same person. Failing settlement, then:

ARTICLE 8 - GRIEVANCE AND ARBITRATION cont'd:**Step**

Within five (5) days following the decision in the immediately preceding step, the grievance shall be submitted in writing to the Chief Executive Officer of the Hospital or the designated Hospital representative.

A meeting will then be held between the Chief Executive Officer or the designated Hospital representative and the designated Union representatives who may be accompanied by the general representative of the Union, within five (5) days of the submission of the grievance at Step 3, unless extended by mutual agreement of the parties.

The decision of the Hospital shall be delivered in writing within ten (10) days following the date of such meeting.

8.05 - Policy Grievance

A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step 3 within ten (10) days following the circumstances giving rise to the grievance.

It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which he could have instituted himself and the regular grievance procedure shall not be thereby by-passed.

Where the grievance is a Hospital grievance it shall be filed with the Grievance Committee.

8.06 - Group Grievance

Where a number of employees have identical grievances, and each one would be entitled to grieve separately, they may present a group grievance, in writing identifying each employee who is grieving, to the Department Head, or his designate, within ten (10) days after the circumstances giving rise to the grievance have occurred. The grievance shall then be treated as being initiated at Step 2 and the applicable provisions of this Article shall then apply with respect to the handling of such grievance.

8.07 - Discharge Grievance

If an employee, who has completed his probationary period, claims that he has been unjustly discharged, such claim must be submitted by the employee, who may be accompanied by a Union steward, or by the Union steward at Step 3 of the grievance procedure to the Hospital within five (5) days following the date the discharge is effective.

Such grievance may be settled under the Grievance and Arbitration procedure by:

- a) confirming the Hospital's action in discharging the employee,
or
- b) reinstating the employee with up to full seniority for time lost and up to full compensation for time lost,
- c) any other arrangement which may be deemed just and equitable.

ARTICLE 8 - GRIEVANCE AND ARBITRATION cont'd:

- 8.08** Failing settlement under the foregoing procedure, any grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within ten (10) days after the decision under Step 3 is given, the grievance shall be deemed to have been abandoned.
- 8.09** All agreements reached, under the grievance procedure, between the representatives of the Hospital and representatives of the Union will be final and binding upon the Hospital, the Union and the employee(s).
- 8.10** When either party requests that any matter be submitted to Arbitration as provided in this Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time appoint a nominee within five (5) days thereafter, the other party shall appoint its nominee, provided however, that if such party fails to appoint its nominee as herein required, the Minister of Labour for the Province of Ontario shall have the power to make such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees shall attempt to agree upon a Chairman of the Arbitration Board. If they are unsuccessful in agreeing upon such a Chairman within a period of ten (10) days of the appointment of the second nominee, they shall then request the Minister of Labour for the Province of Ontario to appoint a Chairman.
- 8.11** No person may be appointed to the Arbitration Board who has been involved in an attempt to negotiate or settle the grievance.
- 8.12** The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 8.13** No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the grievance procedure.
- 8.14** The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority, and where there is no majority, the decision of the Chairman, will be final and binding upon the parties hereto and the employee or employees concerned.
- 8.15** Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the Chairman of the Arbitration Board.
- 8.16** Saturdays, Sundays and Holidays are not to be counted in the time limits as set out in this Article.
- 8.17** Wherever Arbitration Board is referred to in the Agreement the parties hereto may mutually agree in writing, to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

ARTICLE 9 - SENIORITY:**9.01 - Probationary Period**

A new employee will be considered on probation until he has completed forty-five (45) days of work within any twelve (12) calendar months. Upon completion of the probationary period he shall be credited with seniority equal to forty-five (45) working days. With the written consent of the Hospital, the probationary employee, and the President of the local Union or designate, such probationary period may be extended. Any extension agreed to will be in writing and will specify the length of the extension. The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration and is at the sole discretion of the Hospital.

9.02 - Definition of Seniority

Full-time employees will accumulate seniority on the basis of their continuous service in the Bargaining Unit from the last date of hire, except as otherwise provided herein.

Seniority will operate on a Bargaining Unit wide basis.

Notwithstanding the above, employees hired prior to October 10, 1986 will be credited with the seniority they held under the Agreement expiring November 15, 1985 and will thereafter accumulate seniority in accordance with this Article.

9.03 - Transfer of Service and Seniority

Effective October 10, 1986, and for employees who transfer subsequent to October 10, 1986, an employee whose status is changed from full-time to part-time shall receive credit for his full-time service and seniority on the basis of 1725 hours for each year of full-time service and seniority. An employee whose status is changed from part-time to full-time shall receive credit for seniority and service on the basis of one (1) year equals 1725 hours worked, and will be enrolled in the employee benefit plans subject to meeting any waiting period or other requirements of those plans.

Employees hired prior to October 10, 1986 will be credited with the service and seniority they held under the Collective Agreement expiring November 15, 1985.

9.04 - Loss of Seniority

An employee shall lose all seniority and shall be deemed terminated if:

- a) employee quits;
- b) employee is discharged and the discharge is not reversed through the grievance and arbitration procedure;
- c) employee is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Hospital of such absence and providing a reason satisfactory to the Hospital;
- d) employee fails to return to work upon the expiration of a leave of absence or utilizes a leave of absence for a purpose other than that for which it was granted;
- e) employee has been laid off for twenty-four (24) months;

ARTICLE 9 - SENIORITY cont'd:**9.04 - Loss of Seniority**

- f) employee fails upon being notified of a recall to signify his intention to return within five (5) working days after he has received the notice of recall, and fails to report to work within ten (10) working days after he has received the notice of recall;
- g) employee is absent due to illness or disability, which absence continues for thirty (30) calendar months from the time the disability or illness commenced.

NOTE: This clause shall be interpreted in a manner consistent with the provisions of the Ontario Human Rights Code.

9.05 - Effect of Absence

Unless otherwise provided in this Collective Agreement:

- a) It is understood that during an approved unpaid absence not exceeding thirty (30) continuous days or any approved absence paid by the Hospital, both seniority and service will accrue.
- b) During an unpaid absence exceeding thirty (30) continuous calendar days, credit for service for purposes of salary increment, vacation, sick leave, or any other benefits under any provisions of the Collective Agreement or elsewhere, shall be suspended for the period of the absence in excess of thirty (30) continuous calendar days, the benefits concerned appropriately reduced on a pro rata basis and the employee's anniversary date adjusted accordingly. In addition, the employee will become responsible for full payment of subsidized employee benefits in which he is participating for the period of the absence, except that the Hospital will continue to pay its share of the premiums for up to eighteen (18) months while an employee is in receipt of WCB benefits. Notwithstanding this provision, service shall accrue for a period of fifteen (15) weeks if an employee's absence is due to a disability resulting in WCB benefits.
- c) It is further understood that during such unpaid absence credit for seniority for purposes of promotion, demotion, transfer or layoff shall be suspended and not accrue during the period of absence. Notwithstanding this provision seniority shall accrue for a period of eighteen (18) months if an employee's absence is due to a disability resulting in WCB benefits or LTD benefits or for a period of one (1) year if an employee's unpaid absence is due to an illness.

9.06 - Seniority - Local Provisions

- a) Employees having less than forty-five (45) working days of service shall be considered probationary employees and will have no seniority rights during this probationary period.
- b) **Seniority lists of permanent** employees shall be maintained by the Hospital for each non-interchangeable occupational group. Each list shall show the date of hire of **each employee**.

ARTICLE 9 - SENIORITY cont'd:**9.06 - Seniority - Local Provisions**

- c) A copy of the seniority lists will be supplied to the Union in January of each year. The amount of sick leave credits (bank) accumulated to date will be indicated on the January seniority list.
- d) If an employee is transferred permanently from one non-interchangeable occupational classification to another, the seniority previously acquired shall also be transferred, but in cases of temporary transfer, the employee shall retain seniority in the original non-interchangeable classification from which transferred.

ARTICLE 10 - JOB SECURITY:**10.01**

- a) With respect to the development of any operating re-structuring plan which may affect the bargaining unit, the Union shall be involved in the planning process from the early phases through to the final phases of the process.

b) Staff Planning Committee

In addition to that, and to any other planning committee in the Hospital of a more broadly representational make-up, there shall be immediately established a Staff Planning Committee for the bargaining unit, which shall meet during the term of this agreement every three (3) months, unless otherwise mutually agreed by the parties. It shall be the function of the Staff Planning Committee to consider possible ways and means of avoiding or minimizing potential adverse effects upon employees in the bargaining unit, including:

- i) identifying and proposing possible alternatives to any action that the Hospital may propose taking;
- ii) identifying and seeking ways to address the retraining needs of employees;
- iii) identifying vacant positions within the Hospital for which surplus members of the bargaining unit might qualify or such positions which are currently filled but which are expected to become vacant within a twelve (12) month period.

Composition and Meetings

The Committee shall be comprised of equal numbers of representatives of the Hospital and from the Union. The number of representatives is to be determined locally, and shall consist of at least two (2) representatives from each party.

Meetings of the Committee shall be held during normal working hours. Representatives attending such meetings during their regularly scheduled hours of work shall not lose regular earnings as a result of such attendance. The Hospital shall make typing and other such clerical assistance available as required.

Each party shall appoint a co-chair for the Committee. Co-chairs shall chair alternate meetings of the Committee and will be jointly responsible for establishing the agenda of

ARTICLE 10 - JOB SECURITY cont'd:**Composition and Meetings**

the Committee meetings, preparing minutes and writing such correspondence as the Committee may direct.

Disclosure

To allow the Staff Planning Committee to carry out its mandated role under this Article, the Hospital will provide the Committee with pertinent financial and staffing information and with a copy of any reorganization plans which impact on the bargaining unit.

Accountability

The Committee shall submit its written recommendations to the Chief Executive Officer of the Hospital and the Board of Trustees. Where there is no consensus within the Committee, the individual members of the Committee shall be entitled to submit their own recommendations. Any agreement between the Hospital and the Union resulting from the above review concerning the method of implementation will take precedence over the other provisions of this agreement.

10.02 Notice of Layoffa) **Notice**

In the event of a proposed layoff at the Hospital of a permanent or long-term nature or the elimination of a position within the bargaining unit, the Hospital shall:

- (i) provide the Union with no less than six (6) months' written notice of the proposed layoff or elimination of position; and
- (ii) provide to the affected employee(s), if any, no less than six (6) months' written notice of layoff, or pay in lieu thereof.

Note: Where a proposed layoff results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided in (i) above shall be considered notice to the Union of any subsequent layoff.

10.03 Severance and Retirement Optionsa) **Severance Pay**

Within the lesser of thirty (30) days from the date of notice of layoff or the notice provided above an employee with more than twelve (12) months service with the Hospital who has received notice of layoff of a permanent or long-term nature may resign, forfeiting the right to notice. Such employees will receive the balance of the notice as severance pay.

NOTE: In accordance with the Mitchnick Board's supplementary award dated February 24, 1997, notwithstanding Article 10.02, notice for the purposes of severance pay under Article 10.03 (a) is to be calculated on the basis of 2 weeks per year

ARTICLE 10 - JOB SECURITY cont'd:**10.03 Severance and Retirement Options**

of service to a maximum of 12 weeks. Thus the balance of the notice referred to above will be the balance of up to 12 weeks as applicable.

b) Retirement Allowance

Prior to issuing notice of layoff pursuant to article 10.02 (a) (ii) in any classification(s), the Hospital will offer early retirement allowance to a sufficient number of employees eligible for early retirement under HOOPP within the classification(s) in order of seniority, to the extent that the maximum number of employees within a classification who elect early retirement is equivalent to the number of employees within the classification(s) who would otherwise receive notice of layoff under article 10.02 (a) (ii).

Within thirty (30) days from the date of notice of layoff an employee who has received notice of layoff of a permanent or long-term nature may retire provided that the employee is eligible to retire under the terms of the Hospitals of Ontario Pension Plan. An employee who chooses this option forfeits his right to notice and will receive severance pay on the basis of one (1) week's pay for each year of service with the Hospital to a maximum of twenty-six (26) weeks; on the basis of the employee's normal weekly earnings. In addition, full-time employees will receive a lump sum payment equal to \$1,000.00 for every year less than age 65, to a maximum of \$5,000.00.

Note: The Hospital may offer any employee a retirement option as provided above, in order to avoid potential layoffs in the unit.

c) A full-time employee who has completed one (1) year of service and

i) whose layoff is permanent, or

ii) who is laid off for twenty-six (26) weeks in any fifty-two (52) week period, and who has not elected to receive a severance payment under either a) or b) of this Article,

shall be entitled to severance pay equal to the greater of two (2) weeks' pay, or one (1) week's pay per year of service to a maximum of twenty-six (26) weeks' pay. This entitlement shall not be in addition to any entitlement to severance pay under the Employment Standards Act, but at the same time, shall not preclude an employee from claiming any greater entitlement which that Act may at some point come to provide. An employee may elect to defer receipt of this severance payment while his recall rights are still in effect. Once an employee does opt to receive the severance payment, he shall be deemed to have resigned, and his recall rights shall be extinguished.

10.04 Regional Staff Planning Committees

The central parties agree to establish Regional Staff Planning Committees to facilitate the redeployment of laid off employees among the participating Hospital.

To achieve this objective the Hospital Staff Planning Committee will forward to the Regional Staff Planning Committee a list of the names and addresses of laid off employees who have expressed an interest in working at other participating Hospitals

ARTICLE 10 - JOB SECURITY cont'd:**10.04 Regional Staff Planning Committees**

and who have undertaken skills assessment procedures provided by any government training agency, such as HSTAP, that may be in place.

In filling vacancies not filled by bargaining unit members the Hospitals are encouraged to give first consideration to laid off employees who are on the list and who are qualified to perform the work. For benefit entitlement purposes, it is recognized that Hospitals shall be free to grant to any employees hired through this process full credit for service earned with another Hospital.

The size, structure, composition and activities of each Committee will be mutually determined by the parties, and application will be made to any available funding source for the funding of administrative expenses.

10.5 Layoff and Recall

a) In the event of layoff, the Hospital shall lay off employees in the reverse order of their seniority within their classification, providing that there remain on the job employees who then have the ability to perform the work.

b) An employee who is subject to layoff shall have the right to either:

i) accept the layoff; or

ii) displace an employee who has lesser bargaining unit seniority and who is the least senior employee in a lower or identical paying classification in the bargaining unit if the employee originally subject to layoff can perform the duties of the lower or identical classification without training other than orientation. Such employee so displaced shall be laid off.

Note: An identical paying classification shall include any classification where the straight time hourly wage rate at the level of service corresponding to that of the laid off employee is within one percent (1 %) of the laid off employee's straight time hourly wage rate. In the event that there are no employees with lesser seniority in lower or identical paying classifications as defined in this Article, a laid off employee will have the right to displace an employee with lesser seniority, who is the least senior employee in a classification where the straight time hourly rate at the level of service corresponding to that of the laid off employee is within five percent (5%) of the laid off employee's straight time hourly rate provided he can perform the duties without training other than orientation. Such employee so displaced shall be laid off.

(iii) The decision of the employee to choose i) or ii) above shall be given in writing to the designated hospital representative within ten (10) working days (excluding Saturday, Sunday and Holidays) following the notification of layoff. Employees failing to do so will be deemed to have accepted layoff.

c) An employee shall have opportunity of recall from a layoff to an available opening, in order of seniority, provided he has the ability to perform the work before such opening is

ARTICLE 10 - JOB SECURITY cont'd:

- c) filled on a regular basis under a job posting procedure. The posting procedure in the collective agreement shall not apply until the recall process has been completed.
- d) In determining the ability of an employee to perform the work for the purposes of the paragraphs above, the Hospital shall not act in an arbitrary or unfair manner.
- e) An employee recalled to work in a different classification from which he was laid off shall have the privilege of returning to the position he held prior to the layoff should it become vacant within six (6) months of being recalled.
- f) No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.
- g) It is the sole responsibility of the employee who has been laid off to notify the Hospital of his intention to return to work within five (5) working days (exclusive of Saturdays, Sundays and paid holidays) after being notified to do so by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to have been received on the second day following the date of mailing) and to return to work within ten (10) working days after being notified. The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his proper address being on record with the Hospital.
- h) Employees on layoff or notice of layoff shall be given preference for temporary vacancies which are expected to exceed ten (10) working days. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on layoff.
- i) No full-time employee within the bargaining unit shall be laid off by reason of his duties being assigned to one or more part-time employees.
- j) In the event that a layoff commenced on the day immediately following a paid holiday, an employee otherwise qualified for holiday pay shall not be disentitled thereto solely because of the day on which the layoff commenced.
- k) A laid off employee shall retain the rights of recall for a period of twenty-four (24) months from the date of layoff.

10.06 Benefits on Layoff

In the event of a layoff of a full-time employee, the Hospital shall pay its share of insured benefits premium up to three (3) months from the end of the month in which the layoff occurs or until the laid off employee is employed elsewhere, whichever occurs first.

ARTICLE 11 - JOB POSTING:

11.01 Where a permanent vacancy occurs in a classification within the Bargaining Unit or a new position within the Bargaining Unit is established by the Hospital, such vacancy shall be posted by the Hospital for a period of seven (7) days excluding Saturday, Sunday and Holidays. Vacancies created by the filling of an initial permanent vacancy within the Bargaining Unit shall be posted for a period of three (3) consecutive days excluding

ARTICLE 11 - JOB POSTING cont'd:

- 11.03** Employees shall be selected for positions under Article .01 on the basis of their ability, experience and qualifications. Where these factors are relatively equal amongst the employees considered, seniority shall govern providing the successful applicant, if any, is qualified to perform the available work. The name of the successful applicant will be posted on the bulletin board and unsuccessful applicants will be notified.
- 11.04** Where there are no successful applicants from within this Bargaining Unit for positions referred to in Article .01, employees in other SEU Service Bargaining Units at the Hospital will be considered for such positions prior to considering persons not employed by the Hospital. The employees eligible for consideration shall be limited to those employees who have applied for the position in accordance with Article .01, and selection shall be made in accordance with Article .03 above.
- 11.05** Vacancies which are not expected to exceed six (6) months will not be posted and may be filled at the discretion of the Hospital. In filling such vacancies consideration shall be given to part-time employees in SEU Service Bargaining Units who have recorded their interest in writing prior to considering persons not employed by the Hospital. In considering such part-time employees the criteria for selection in .03 shall apply. Part time employees selected to fill a vacancy under this Article will continue to maintain their part-time status and upon completion of the assignment the employee will return to his former position.
- 11.06** The Hospital shall have the right to fill any vacancy on an interim basis until the Posting Procedure or the Request for Transfer Procedure provided herein has been complied with, and arrangements have been made to assign the employee selected to fill the vacancy to the job. No grievance may be filed concerning such temporary arrangements.
- 11.07** The successful applicant will be placed in the vacancy for a trial period not exceeding forty-five (45) working days and if the employee proves satisfactory, then he shall be considered permanently assigned to the vacancy. If the employee proves unsatisfactory during that time, or if the employee feels he is unable to perform the duties of the vacancy to which he is posted, the employee will be returned to his former position at his former salary or rate of pay, as will any other employee in the Bargaining Unit who was promoted or transferred by reason of such placing. Newly hired employees shall be terminated and such termination shall not be subject to the grievance and arbitration procedure.
- 11.08** Successful applicants and newly hired employees will not be permitted to apply for job posting or any subsequent vacancies for a period of six (6) months, unless otherwise mutually agreed.

ARTICLE 12 - NO CONTRACTING OUT:

12.01 The Hospital shall not contract out any work usually performed by members of the Bargaining Unit if, as a result of such contracting out, a layoff of any employees other than casual part-time employees results from such contracting out.

12.02 Notwithstanding the foregoing, the hospital may contract out work usually performed by members of the bargaining unit without such contracting-out constituting a breach of this provision if the hospital provides in its commercial arrangement contracting out the work that the contractor to whom the work is being contracted, and any subsequent such contractor, agrees:

- (1) to employ the employees thus displaced from the hospital; and
- (2) in doing so to stand, with respect to that work, in the place of the hospital for the purposes of the hospital's collective agreement with the Union, and to execute into an agreement with the Union to that effect.

In order to ensure compliance with this provision, the Hospital agrees that it will withdraw the work from any contractor who has failed to meet the aforesaid terms of the contracting-out arrangement.

12.03 On request by the Union, the Hospital will undertake to review contracted services which fall within the work of the bargaining unit. The purpose of the review will be to determine the practicality of increasing the degree to which bargaining unit employees may be utilized to deliver such services in the future. The Hospital further agrees that the results of their review will be submitted to the Staff Planning Committee for its consideration.

ARTICLE 13 - WORK OF THE BARGAINING UNIT:

13.01 Supervisors excluded from the Bargaining Unit shall not perform duties normally performed by employees in the Bargaining Unit which shall directly cause or result in the layoff, loss of seniority or service or reduction in benefits to employees in the Bargaining Unit.

13.02 - Employment Agencies

Prior to enlisting the services of an Employment Agency, the Hospital will attempt to contact part-time staff who would normally perform the duties in question.

of the Hospital agrees to meet with and to entertain submissions from the Union with respect to the merits of maintaining the existing ratio.

In addition to the above process and apart from it where a change in the ratio is planned by the Hospital and it does not arise because of employee retirement, resignation or death then it can only be carried out following a full and complete disclosure to the Union of the plan of the Hospital and the reasons for it. After full and complete disclosure to the Union, the Hospital and Union are to meet and discuss the plan and the reasons with a view to possibly modifying them including maintaining the existing ratio. The planned change in the ratio cannot be implemented by the Hospital for a period of forty-five (45) days from the date of full and complete disclosure to the Union; and only implemented if there has been the consultative process required by this clause carried out in good faith by the Hospital.

14.02 Where the Hospital has decided to introduce a technological change which will significantly alter the status of an employee within the Bargaining Unit, the Hospital undertakes to meet with the Union to consider the minimizing of adverse effects (if any) upon the employees concerned.

14.03 Where new or greater skills are required than are already possessed by affected employees under the present methods of operation, such employees shall be given a period of training, with due consideration being given to the employee's age and previous educational background, during which they may perfect or acquire the skills necessitated by the new method of operation. The Employer will assume the cost of tuition and travel. There shall be no reduction in wage or salary rates during the training period of any such employee. Training shall be given during the hours of work whenever possible and may extend for up to six (6) months.

14.04 Employees with one (1) or more years of continuous service who are subject to layoff under conditions referred to above, will be given notice of the impending change in employment status at the earliest reasonable time in keeping with the notification to the Union as set out above and the requirements of the applicable legislation.

14.05 Employees who are pregnant shall not be required to operate VDTs. At their request, the Employer shall temporarily relocate such employees to other appropriate work without loss of employment benefits, but at the wage rate of the job in which the employee is relocated. The determination of the appropriate alternative work shall be at the discretion of the Employer and such discretion shall not be exercised in any arbitrary or discriminatory manner. If such work is not available or if the employee does not wish to accept the alternative work, the employee may be placed on unpaid leave of absence.

WAGE IMPLEMENTATION NOTE

In order to comply with the requirements of the Social Contract Act, 1993 and the award, employees eligible to be paid as per Wage Schedule "A" are those employees whose earnings (as defined in the Toronto Humber Memorial Hospital settlement) are less than \$30,000 (LICO) for the calendar year, or such other locally agreed annual period for determining LICO status. Employees determined as "non-LICO" will be paid as per Wage Schedule "B".

If, at the end of the calendar year it is determined that a "non-LICO" employee's earnings as per the LICO definition were less than \$30,000 annually, the employee shall receive a retroactive wage payment to the extent that the total of the items included for the purposes of earnings under the LICO definition, including wages does not exceed \$30,000 for the calendar year.

If, at the end of the calendar year it is determined that a "LICO" employee's earnings as per the LICO definition were greater than \$30,000 annually, such employee shall repay to the Hospital the overpayment of wages received in the calendar year to the extent that to do so does not reduce annual LICO earnings below \$30,000. The Hospital may recover the money by payroll deduction, and the employee and the Union agree that this repayment is hereby consented to, for the purposes of the Employment Standards Act.
