When resuming his regular duties and responsibilities, such steward shall again report to his immediate supervisor. A union steward shall suffer no loss of earnings for time spent in performing the above duties during his regular scheduled working hours.

The number of stewards, the areas which they represent, are to be determined locally and will be set out in article 8.01 (b).

(b) (See Article 8.01 (a))

A request for a meeting hereunder will be made in writing at least fourteen (14) days prior to the date proposed and accompanied by an agenda of matters proposed to be discussed. Where a Hospital has two or more agreements with OPSEU, then a joint committee shall represent all units unless otherwise agreed.
- (b) The following provision applies to any reorganization or restructuring which occurs on or after July 21, 1994.

ARTICLE 10 - GRIEVANCE & ARBITRATION PROCEDURE

(The following clauses will appear in all collective agreements replacing any provisions related to Grievance Procedure that existed in the Hospital's expiring collective agreement::

- 10.01 Employees shall have the right, upon request, to the presence of a Union Steward at any stage of the grievance procedure, including the complaint stage, or at any time when formal discipline is imposed.
- 10.02 For purposes of this Agreement, a grievance is defined as a difference arising between a member of the bargaining unit and the Hospital relating to the interpretation, application, administration or alleged violation of the Agreement.
- 10.03 It is the mutual desire of the parties hereto that complaints shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until he has first given his immediate supervisor the opportunity of adjusting his complaint. Such complaint shall be discussed with his immediate supervisor within seven (7) calendar days from the event giving rise to the grievance, or from when the employee should have reasonably become aware of the event giving rise to the grievance and, failing settlement within seven (7) calendar days, it shall then be taken up as a grievance within the seven (7) calendar days following his immediate supervisor's decision in the following manner and sequence:

Step No. 1

The employee must submit the grievance in writing signed by him to his immediate supervisor and may be accompanied, if he so desires, by his union steward. The grievance shall identify the nature of the grievance, the remedy sought, and should specify the provisions of the Agreement which are alleged to have been violated. The immediate supervisor will deliver his decision in writing within seven (7) calendar days following the day on which the grievance was presented to him. Failing settlement, then:

Step No. 2

Within seven (7) calendar days following the decision under Step No. 1, the employee who, if he so desires: may be accompanied by his union steward, may submit the written grievance to his Department Head who will deliver his decision in writing within seven (7) calendar days from the date on which the written grievance was presented. This step may be omitted where the employee's immediate supervisor and Department Head are the same person. Failing settlement, then:

Step No. 3

Within seven (7) calendar days following the decision in the immediately preceding step, the grievance may be submitted in writing to the Chief Executive Officer of the Hospital or his designate. A meeting will then be held between the Chief Executive Officer or his designate and the Grievance Committee within seven (7) calendar days of the submission of the grievance at Step No. 3 unless extended by agreement of the parties. It is further understood that either party may have such assistance as they may desire, at such meeting. The decision of the Hospital shall be delivered in writing within fourteen (14) calendar days following the date of such meeting.

10.04 Policy Grievance

A grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 3 within fourteen (14) calendar days following the circumstances giving rise to the grievance.

It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which he could have instituted himself and the regular grievance procedure shall not be thereby bypassed. Where the grievance is a Hospital grievance it shall be filed with the Local Union President or designate.

10.05 Group Grievance

Where a number of employees have identical grievances and each one would be entitled to grieve separately, they may present a group grievance in writing, signed by each employee who is grieving, to the Department Head or his designate within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred. The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the handling of such grievance.

10.06 Discharge/Annulment

Pursuant to Section 43.1 subsection (2) of the Labour Relations Act, the parties confirm that the release of a probationary employee shall not be the subject of a grievance or arbitration. A claim by an employee who has completed his probationary period that he has been unjustly discharged shall be treated as a grievance if a written statement of such grievance is lodged by the employee with the Hospital at Step No. 3 within seven (7) calendar days after the date the discharge is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:

- (a) confirming the Hospital's action in dismissing the employee, or
- (b) reinstating the employee with or without loss of seniority and with or without full compensation for the time lost, or
- (c) by any other arrangement which may be deemed just and equitable.

The Hospital agrees that it will not discharge, without just cause, an employee who has completed his probationary period.

- 10.07 The Hospital agrees that it will not discipline an employee without just cause.
- 10.08 Failing settlement under the foregoing procedure, any grievance, including a question as to whether the grievance is arbitrable, may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within fourteen (14) calendar days after the decision under Step No. 3 is given, the grievance shall be deemed to have been abandoned.
- 10.09 All agreements reached under the grievance procedure between the representatives of the Hospital, the representatives of the Union and the grievor(s) will be final and binding upon the Hospital, the Union, and the employee(s).
- 10.10 When either party requests that any matter be submitted to arbitration as provided in this Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time appoint a nominee. Within seven (7) calendar days thereafter, the other party shall appoint its nominee, provided however, that if such party fails to appoint its nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to make such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees shall attempt to agree upon a chairman of the Arbitration Board. If they are unable to agree upon such a chairman within a period of fourteen (14) calendar days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.
- 10.11 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 10.12 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.

- 10.13 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 10.14 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority, and where there is no majority, the decision of the chairman will be final and binding upon the parties hereto and the employee or employees concerned.
- 10.15 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chairman of the Arbitration Board.
- 10.16 The time limits set out in this Article are mandatory and failure to comply strictly with such time limits, except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned.
- 10.17 Wherever arbitration board is referred to in the agreement, the parties may mutually agree in writing to substitute a single arbitrator for the arbitration board at the time of reference to arbitration and the other provisions referring to arbitration board shall appropriately apply.

ARTICLE 11 - LETTERS OF REPRIMAND AND ACCESS TO FILES

(The following clauses will appear in all collective agreements replacing any provisions related to **Letters** of Reprimand and Access to Files that **existed** in the Hospital's expiring collective agreement:)

- 11.01 Any letter of reprimand or suspension will be removed from the record of an employee eighteen (18) months following the receipt by the employee of such letter or suspension provided that the employee's record has been discipline free for such eighteen (18) month period.
- 11.02 Each employee shall have reasonable access to his file for the purposes of reviewing any evaluations or formal disciplinary notations contained therein in the presence of the Employer. A copy of the evaluation will be provided to the employee at his request.

ARTICLE 12 - SENIORITY

(The following clause will appear in all collective agreements replacing any provisions related to Probationary Period that existed in the Hospital's expiring collective agreement:;

12.01 Newly hired employees shall be considered to be on probation for a period of sixty (60) tours worked from date of last hire (450 hours of work for employees whose regular hours of work are other than the standard work day). If retained after the probationary period, the employee shall be credited with seniority from date of last hire. With the written consent of the Hospital, the probationary employee and the President of the Local Union or his designate, such probationary period may be extended.

It is understood and agreed that any extension to the probationary period will not exceed an additional sixty (60) tours (450 hours of work for employees whose regular hours of work are other than the standard work day) worked or such lesser period as may be agreed by the parties. The release of a probationary employee shall not be the subject of a grievance or arbitration.

(The following clause will appear in all collective agreements replacing any provision related to Seniority Lists that existed in the Hospital's expiring collective agreement:)

12.02 A seniority list will be maintained for each department. The Hospital shall post such list and provide the Union with a copy, indicating bargaining unit seniority, twice per year.

(The following clause will appear in all collective agreements replacing any provision related to the manner of expressing Part-time Seniority that existed in the Hospital's expiring collective agreement:)

12.03 (a) Part-time employees shall have their seniority expressed on the basis of number of hours worked.

(b) Notwithstanding Article 12.03 (a) seniority shall accrue during a pregnancy leave or parental leave. For the purposes of pregnancy leave and parental leave, seniority accrual shall be determined by multiplying the normal weekly hours times the number of weeks the employee is absent due to a pregnancy leave up to a maximum of 17 weeks and/or the number of weeks the employee is absent due to a parental leave up to a maximum of 18 weeks, whichever is applicable.

(The following clause will appear in collective agreements when both full-time and part-time employees are represented by O.P.S.E.U. replacing any provision related to Transfer of Seniority that existed in the Hospital's expiring collective agreement:)

12.04 Seniority shall be retained by an employee in the event he is transferred from full-time to part-time or vice versa. For the purposes of the application of seniority under the agreement but not for the purposes of service under any provisions of the agreement, an employee whose status is changed from full-time to part-time shall receive credit for his seniority on the basis of 1650 hours worked for each year of full-time seniority. For the purposes of the application of seniority, under the agreement but not for the purposes of service under any provisions of the agreement, an employee whose status is changed from part-time to full-time shall receive credit for his seniority on the basis of one(l) year of seniority for each 1650 hours worked. Any time worked in excess of an equivalent shall be pro-rated at the time of transfer.

NOTE: Those Hospital contracts currently with a lesser hourly requirement shall continue.

(The following clause will appear in all collective agreements but will apply only to full-time employees. It will replace any provision related to Effect of Absence that existed in the Hospital's expiring collective agreement:)

(NOTE:: Article 12.05 is applicable to Full-Time Employees only).

12.05 (a) Effect of Absence

- (i) It is understood that during an approved unpaid absence not exceeding thirty (30) continuous days or any approved absence paid by the Hospital, both seniority and service will accrue.

During an unpaid absence exceeding 'thirty (30) continuous calendar days, credit for service for purposes of salary increments, vacation, sick leave, or any other benefit under any provision of the Collective Agreement or elsewhere, shall be suspended; the benefits concerned appropriately reduced on a pro rata basis and the employee's anniversary date adjusted accordingly.

In addition, the employee will become responsible for full payment of subsidized employee benefits in which he is participating for the period of the absence. The employee may arrange with the Hospital to prepay the full premium of any applicable subsidized benefits in which he is participating during the period of leave in excess of thirty (30) continuous days to ensure continuing coverage.

It is further understood that during such absence, credit for seniority shall be suspended and not accrue during the period of absence. Notwithstanding this provision, seniority shall accrue for a period of thirty (30) months if an employee's absence is due to disability resulting in WCB or LTD benefits.

- (ii) Notwithstanding Article 12.05 (a) (i), service and seniority will accrue for a maximum period of seventeen (17) weeks if an employee's absence is due to a pregnancy leave, and for a maximum period of eighteen (18) weeks if an employee's absence is due to a parental leave. In addition, the Hospital will continue to pay its share of the premiums of the subsidized employee benefits in which the employee is participating for up to seventeen (17) weeks from the commencement of the leave while the employee is on pregnancy leave, and for up to eighteen (18) weeks from the commencement of the leave while the employee is on parental leave, unless the employee does not intend to pay her contributions.

- (b) The Hospital agrees to provide, in response to an employee's request, his service and/or anniversary date.

(The following clause will appear in all collective agreements replacing any provision related to Application of Seniority on Layoff and Recall that existed in the Hospital's expiring collective agreement:)

12.06 For purposes of layoff and recall, seniority shall operate on a department-wide basis, i.e., laboratory, radiology or such other departments which exist in the individual hospitals where the employees are covered by this Agreement.

(The following clause will appear in all collective agreements replacing any provision related to Layoff and Recall Rights for Part-time and Full-time Employees that existed in the Hospital's expiring collective agreement:)

12.07 Seniority lists and layoff and recall rights for full-time employees shall be separate from seniority lists and layoff and recall rights for part-time employees.

(The following clause will appear in all collective agreements replacing any provision related to Retention & Accumulation of Seniority on Transfer Outside the Bargaining Unit that existed in the Hospital's expiring collective agreement:)

12.08 An employee who is transferred to a position outside the bargaining unit for:

- (a) a period of less than eighteen (18) months or such longer period as the parties may agree upon or;
- (b) a specific term of appointment, including temporarily replacing an employee outside the bargaining unit

shall retain but not accumulate seniority held at the time of transfer. In the event: the employee is returned to a position in the bargaining unit within the time periods noted in (a) or (b) above he shall be credited with the seniority held at the time of transfer and shall resume accumulation from the date of his return to the bargaining unit.

(The following clause will appear in all collective agreements replacing any provision related to Loss of Seniority, Service and Deemed Termination that existed in the Hospital's expiring collective agreement:)

12.09 An employee shall lose all service and seniority and shall be deemed to have terminated if he:

- (a) leaves of his own accord;
- (b) is discharged and the discharge is not reversed through the grievance or arbitration procedure;
- (c) has been laid off without recall pursuant to Article 13.06 for twenty-four (24) months.

- (e) fails to return to work (subject to the provisions of (d)) upon termination of an authorized leave of absence without satisfactory reason or utilizes a leave of absence, without permission, for purposes other than that for which the leave was granted;

- (f) fails upon being notified of a recall to signify his intention to return within five (5) calendar days after he has received the notice of recall mailed by registered mail to the last known address according to the records of the Hospital and fails to report to work within ten (10) calendar days after he has received the notice of recall or such further period of time as may be agreed upon by the parties;
- (g) is absent due to illness or disability for a period of thirty (30) months, unless he has less than six (6) months' service at the time the illness or disability commenced and is not eligible for long-term disability benefits. If the employee has less than six months' service at the time the illness or disability commenced and is not eligible for long-term disability benefits, this provision will apply after an absence equal to his length of service at the time the absence commenced.

(NOTE: Any other provision (s) related to seniority that existed in the expiring Collective Agreement will be continued and numbered in sequence as provisions of this Article.)

ARTICLE 13 - LAYOFF AND RECALL

(The following clauses will appear in all collective agreements replacing any provisions related to Layoff and Recall that existed in the Hospital's expiring collective agreement:)

NOTE: Article 13 applies to Full-Time and Regular Part-Time Employees only.

13.01 In the event of a proposed layoff at the Hospital of a permanent or long term (in excess of 13 weeks) nature, the Hospital will:

- (a) provide the Union with no less than 30 calendar days' notice of long-term layoffs and no less than 5 months' notice of permanent layoff;
- (b) meet with the Union through the Labour Management Committee to review the following:
 - (i) the reason causing the layoff
 - (ii) the service the Hospital will undertake after the layoff
 - (iii) the method of implementation including the areas of cut-back and employees to be laid off
 - (iv) ways the Hospital can assist employees to find alternate employment.

This provision applies to notice of layoff given on or after July 21, 1994. Where notice of layoff is given prior to July 21, 1994, the previous notice requirements apply.

13.02 Any agreement between the Hospital and the Union resulting from the above review concerning the method of implementation will take precedence over the terms of layoff in this Agreement.

13.03 In the event of layoff, the Hospital shall lay off employees in the reverse order of their seniority within their classification, providing that those employees who remain on the job have the qualifications and ability to perform the work. Employees shall be entitled to 3 months' notice of permanent layoff. In the event of a long-term layoff, the employee shall be entitled to notice in accordance with the provisions of the **Employment Standards Act**. It is agreed and understood that Regulation 327, Section 7, of the **Employment Standard Act** applies. It is further agreed that notice to both the Union and the employees may run concurrently.

This provision applies to notice of layoff: given on or after July 21, 1994. Where notice of layoff is given prior to July 21, 1994, the previous notice requirements apply.

13.04 Art employee who is subject to layoff shall have the right to either:

- (a) accept the layoff and be placed on a recall list for twenty-four (24) months; or
- (b) displace an employee who has lesser bargaining unit seniority and who is the least senior employee in a lower or identical paying classification in the department, if the employee originally subject to layoff can perform the duties of the lower or identical classification without training other than orientation.

If the employee cannot displace an employee in her department, the employee may displace an employee who has lesser bargaining unit seniority and who is the least senior employee in a lower or identical paying classification in another department, if the employee subject to layoff can perform the duties of the lower or identical classification without training other than orientation.

For purposes of layoff under this Article, the clinical laboratory department would include the sub-disciplines of laboratory medicine.

- 13.05 An employee who displaces an employee in a lower paying classification will be placed on the salary grid of the lower classification consistent with the level he would have achieved in the lower classification based on his service and experience with the Hospital.
- 13.06 An employee shall have opportunity of recall from a layoff to an available opening, in order of seniority, provided he has the qualifications and ability to perform the work, before such opening is filled on a regular basis under a job posting procedure. The posting procedure in the collective agreement shall not apply until the recall process has been completed. An employee who is recalled shall be credited with the seniority he had at the time of the layoff.
- 13.07 An employee recalled to work in a different classification from which he was laid off, or an employee who has displaced an employee in a lower classification shall be entitled to return to the position he held prior to the layoff should it become vacant within twenty-four (24) months of the layoff, provided that the employee remains qualified and able to perform the duties of his former position.

Letter of Intent

Re: Pay Equity

Recognizing that the Participating Hospitals and Local Unions have developed, or are developing, their individual pay equity plans, the Central Parties confirm the inter-relationship of the negotiated wage rates with those plans as follows:

- (i) a pay equity adjustment will not result in the maximum rate for a classification exceeding the rate for that classification's comparator;
- (ii) a negotiated increase in pay may result in the maximum rate for a classification exceeding the rate for that classification's comparator.

(The following letter of Understanding will be appended to the collective agreements:)

Applicable to Full-time Employees Only

LETTER OF UNDERSTANDING

The central parties agree to establish a Benefits Review Subcommittee which will include four representatives from the Union and four representatives from the Participating Hospitals to discuss the terms of the benefit plans (other than pensions) provided under the collective agreement with a view of increasing the efficiency and effectiveness of the plans. As part of that review, the Committee will be provided with copies of the plan texts that pertain to these benefit plans. The Committee will report its findings to the Central Negotiating Teams on or before October '1, 1995.

The Union members elected or appointed from the bargaining unit shall suffer no loss of earnings for time spent during their regular scheduled working hours while attending meetings of this Subcommittee.
