COLLECTIVE AGREEMENT

BETWEEN

ROYAL VICTORIA HOSPITAL OF BARRIE
(hereinafter called the "Employer")
OF THE FIRST PART

and

SERVICE EMPLOYEES INTERNATIONAL UNION, LOCAL 204
A.F. of L., C.I.O., C.L.C.
(hereinafter called the "Union")
OF THE SECOND PART

WHEREAS THE Ontario Labour Relations Board did on the 10th day of August, 1965, certify the Union as the bargaining agent for certain employees of the Employer;

AND WHEREAS the parties hereto have agreed to enter into a Collective Bargaining Agreement upon the terms hereinafter set forth;

NOW THEREFORE THIS AGREEMENT WITNESSETH

ARTICLE 1 - PURPOSE

1.01 The purpose of this Agreement is to establish mutually satisfactory relations between the Employer and the employees concerned, and to provide machinery for the prompt and equitable disposition of grievances, and to establish and maintain satisfactory working conditions, hours of work and wages for all the employees who are subject to the provisions of this Agreement.

ARTICLE 2 - SCOPE AND RECOGNITION

2.01 The Employer recognizes the Union as the sole Collective Bargaining agent for all its employees in Barrie save and except professional medical staff, graduate nursing staff, undergraduate nurses, graduate pharmacists, undergraduate pharmacists, graduate dietitians, student dietitians, technical personnel, (which shall include laboratory technicians, student laboratory technicians, physiotherapists, X-ray technicians, laboratory assistants), food supervisors, foreman, and persons above that rank, stationary

engineers and persons primarily engaged as their helpers employed in the boiler room, office staff, persons regularly employed for not more than twenty-four hours per week and students employed during the school vacation period.

ARTICLE 3 - MANAGEMENT RIGHTS

3.01 **The** Union acknowledges it is the exclusive function of the Employer to:

- (a) Maintain order, discipline and efficiency;
- (b) Hire, discharge, classify, transfer, promote, demote, lay-off, suspend or otherwise discipline employees for just and sufficient cause provided that the claim by an employee who has acquired seniority when he believes that he has been discharged or disciplined without just and sufficient cause, may be the subject of a grievance and dealt with as hereinafter provided.

3.02 The Union further recognizes the right of the Employer to operate and manage the Hospital in all respects in accordance with its commitments and its obligations and responsibilities. The right to decide on the number of employees needed by the Employer at any time, the right to use modern methods, machinery and equipment, and jurisdiction over all operations, building and equipment at the Hospital are solely and exclusively the responsibility of the Employer. The Employer also has the right to make and alter from time to time rules and regulations to be observed by the employees, but before altering any such rules, the Employer will discuss same with the Union Grievance Committee or the steward in the Department affected and the chief steward and give them an opportunity of making representation with regard to such proposed alterations. The Employer agrees that any such rules shall not conflict with the provisions of this Agreement. It is agreed that such amended Work Rules are not subject to the grievance procedure.

ARTICLE 4 - DEFINITIONS

4.01 Temporary Employees

Employees may be hired for a specified term, not to exceed six (6) months, to replace an employee on leave or to perform a special

non-recurring task. This term may be extended a further six (6) months on mutual agreement of the Union, employee and Hospital or by the Hospital on its own up to 12 months where the leave of the person being replaced extends that far. The period of employment of such persons will not exceed the absentee's leave. The release or discharge of such persons shall not be the subject of a grievance or arbitration.

This clause would not preclude such employees from using the job posting provision under the Collective Agreement and any successful applicant who has completed his probationary period will be credited with the appropriate seniority.

The Hospital will outline to employees selected to fill such temporary vacancies and the Union, the circumstances giving rise to the vacancy, and the special conditions relating to such employment.

4.02 (a) Where the masculine or singular pronoun is used herein, it shall mean and include the feminine or the plural pronoun where the context so requires, and vice versa.

(b) Continuous service for the purpose of entitlement towards vacation with pay and other accumulated benefits shall mean service of a regular nature excluding any unpaid leave of absence or lay off or unpaid sickness or long term disability in excess of thirty (30) days, or pregnancy leave.

(c) An afternoon shift, or a night shift shall be any shift which commences or ends between 2200 hours and 0200 hours.

4.03 Part-time employees interested in such temporary full time work may record such interest in writing with the Hospital. Consideration shall be given to such requests prior to hiring new employees.

ARTICLE 5 - UNION SECURITY

5.01 Union Dues

As a condition of employment, the Hospital will deduct from each employee covered by this Agreement an amount equal to the regular monthly Union dues designated by the Union.

Such dues shall be deducted from the first pay of each month for full-time employees, and may be deducted from every pay for part-time employees. In the case of newly hired employees, such deductions shall commence in the month following their date of hire.

The amount of the regular monthly dues shall be those authorized by the Union and the Union shall notify the Hospital of any changes therein and such notification shall be the Hospital's conclusive authority to make the deductions specified.

In consideration of the deducting of Union dues by the Hospital, the Union agrees to indemnify and save harmless the Hospital against any claims or liabilities arising or resulting from the operation of this Article.

Dues deducted by the 15th of the month shall be remitted monthly to the Union, no later than the end of the month in which the dues were deducted.

5.02 Interview Period

It is mutually agreed that a Union representative shall be given the opportunity of interviewing each new employee after completion of two months service for the purpose of informing such employee of the existence of the Union in the Hospital, and to ascertain whether or not the employee wishes to become a member of the Union. The Employer may designate a representative to be present at any such interview.

The Employer shall send each month to the Union (addressed to the Union office) the names of the persons to be interviewed and shall designate the time and place of such interview, the duration of which shall not exceed fifteen (15) minutes. The interview shall take place on the Employer's premises in a room designated by the Employer, and the employee shall as a condition of employment report to this room for interview during the interview period unless sick or on a day off, in which case other arrangements will be made by the Union.

5.03 Employee Lists

The Employer will, when forwarding Union dues, submit a list of names of those employees for whom deduction has been made, the names of those employees who have terminated employment and the

names and reasons for those employees whom no deduction has been made.

The Hospitals are agreeable to including Social Insurance Numbers in check off lists and/or seniority lists currently being supplied to the Union pursuant to the provisions of the Collective Agreement where such information is presently available on computer. During the term of the Agreement, the Hospitals will attempt to make such information available for each bargaining unit. To the extent that this cannot be reasonably accommodated through the computer system or, where the Hospital is on a manual system, the Union will be provided on a "one time basis only" with the Social Insurance Number for each employee in the bargaining unit and such information will be updated with respect to new employees subsequently hired. In addition to the foregoing, the Hospital will supply the Union with the addresses of new employees when they are placed on the checkoff list for the first time.

5.04 The Union shall hold the Hospital harmless with respect to all dues so deducted and remitted and with respect to any liability which the Hospital might incur as a result of such deduction and remittance.

ARTICLE 6 - NO STRIKE/LOCKOUT

6.01 Because of the orderly procedure for the settlement of all grievances under the terms and provisions of this Agreement, and in keeping with the terms of Bill 41, an Act to provide for the Settlement by Arbitration of Labour Disputes in Hospitals, dated April 14, 1965, the Union agrees it will not cause, authorize or encourage any strike.

6.02 The Employer agrees that there will be no lock-out of the employees employed by the Employer at any time.

ARTICLE 7 - UNION REPRESENTATION AND COMMITTEES

7.01 Grievance Committee

- (a) The Hospital will recognize a Grievance Committee composed of the Chief Steward and not more than eight (8) employees selected by the Union who have completed their probationary period. A general representative of the Union may be present at any meeting of the Committee.

The purpose of the Committee is to deal with complaints or grievances as set out in this Collective Agreement.

- (b) The Union shall keep the Hospital notified in writing of the names of the members of the Grievance Committee appointed or selected under this Article as well as the effective date of their respective appointments.
- (c) A Committee member shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending grievance meetings with the Hospital up to, but not including arbitration. The number of employees on the Grievance Committee shall be determined locally.
- (d) Not more than three (3) Committee members shall meet with management at one time.

7.02 Union Stewards

- (a) The Hospital agrees to recognize Union stewards to be elected or appointed from amongst employees in the bargaining unit who have completed their probationary period for the purpose of dealing with Union business as provided under this Collective Agreement.
- (b) A Chief Steward may be appointed or elected. The Chief Steward may, in the absence of any steward, assist in the presentation of any grievance, or with any steward function.
- (c) The Union shall keep the Hospital notified in writing of the names of Union stewards appointed or selected under this Article as well as the effective date of their respective appointments.
- (d) It is agreed that Union stewards have their regular duties and responsibilities to perform for the Hospital and shall not leave their regular duties without first obtaining permission from their immediate supervisor. If, in the performance of his duties, a Union steward is required to enter an area within the Hospital in which he is not originally employed, he shall report his presence to the supervisor in the area immediately upon entering it. Such permission shall not be unreasonably withheld. When resuming his regular duties and responsibilities, such steward shall again report to his immediate

supervisor. A Union steward shall suffer no loss of earnings for time spent in performing the above duties during his regular scheduled working hours.

- (e) Nothing in this Article shall preclude full-time stewards from representing part-time employees and vice versa.
- (f) The number of stewards and the areas which they represent, are to be determined locally.
- (g) The Employer will recognize a chief steward and one stewards from each of the following departments of the Hospital:

Dietary
Housekeeping
Maintenance
Laundry
and two (2) from Nursing
Technical Aides
and two (2) Ambulance

Each steward shall be a regular employee of the Hospital who has completed his probationary period.

7.03 Central Bargaining Committee

In future central bargaining between the Service Employees International Union and the participating Hospitals, an employee serving on the Union's Central Negotiating Committee shall be paid for time lost from his normal straight time working hours at his regular rate of pay and without loss of leave credits for attending central negotiating meetings with the Hospital Central Negotiating Committee in direct negotiations up to the point of Arbitration. Upon reference to Arbitration, the Negotiating Committee members shall receive unpaid time off for the purpose of attending Arbitration hearings.

It is understood and agreed that the maximum number of Union Central Negotiating Committee members entitled to payment under this provision shall be seven (7), and in no case will more than one (1) employee from a Hospital be entitled to such payment.

The Union shall advise the Hospitals' Central Negotiating Committee, before negotiations commence, of those employees to be

paid under this provision. The Hospital's Central Negotiating Committee shall advise the seven (7) Hospitals accordingly.

7.04 Local Negotiating Committee

- (a) The Hospital agrees to recognize a Negotiating Committee comprising of five (5) members to be elected, or appointed from amongst employees in the bargaining unit, who have completed their probationary period.
- (b) Where the Hospital participates in central bargaining, the purpose of the Negotiating Committee shall be to negotiate local issues as defined.
- (c) Where the Hospital does not participate in central bargaining, the purpose of the Negotiating Committee shall be to negotiate a renewal of this Collective Agreement.
- (d) The Hospital agrees that the members of the Negotiating Committee shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending such negotiating meetings with the Hospital up to, but not including, arbitration.
- (e) Nothing in this provision is intended to preclude the Union Negotiating **Committee** from having the assistance of any representatives of the Union when negotiating with the Hospital.
- (f) The number of employees on the Negotiating Committee shall be determined locally.
- (g) Not more than one employee from any one department on the negotiating Committee, except where the Chief Steward is a member of that Department and nursing, where there shall be one from the orderlies and one member from the balance of the nursing staff.
- (h) It is agreed that full-time General Representatives of Local 204 may act as members of such Negotiating Committee.

ARTICLE 8 - GRIEVANCE AND ARBITRATION

8.01 For the purposes of this Agreement, a grievance or complaint is defined as a difference arising either between a member of the bargaining unit and the Hospital or between the parties hereto relating to the interpretation, applications, administration or alleged violation of the Agreement.

8.02 The grievance shall identify the nature of the grievance, the remedy sought, and should, where possible, specify the provisions of the Agreement which are alleged to have been violated.

8.03 At the time formal discipline is imposed or at any stage of the grievance procedure an employee shall have the right, to the presence of his/her steward. In the case of suspension or discharge, the Hospital shall notify the employee of this right in advance.

Where the Hospital deems it necessary to suspend or discharge an employee, the Hospital shall notify the Union of such suspension or discharge in writing, within three (3) days.

8.04 It is the mutual desire of the parties hereto that complaints shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until he has first giving his **immediate supervisor the opportunity of adjusting his complaint.** The grievor may have the assistance of a union steward if he so desires.

Such complaint shall be discussed with his immediate supervisor within five (5) days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee.

Failing settlement within the five (5) days, it shall then be taken up as a grievance within five (5) days following his immediate supervisor's decision in the following manner and sequence:

Step 1

The employee shall submit the grievance, in writing, and signed by him, to his immediate supervisor. The employee may be accompanied by a Union steward. The immediate supervisor will deliver his decision in writing within five (5) days following the

day on which the written grievance as presented to him. Failing settlement, then:

Step 2

Within five (5) days following the decision under Step 1 the employee, accompanied by a union steward, or the union steward shall submit the written grievance to his Department Head, who will deliver his decision in writing within five (5) days following the day on which the grievance was presented to him.

This step may be omitted where the employee's immediate supervisor and Department Head are the same person. Failing settlement then:

Step 3

Within five (5) days following the decision in the immediately preceding step, the grievance shall be submitted in writing to the Chief Executive Officer of the Hospital or the designated Hospital representative.

A meeting will then be held between the Chief Executive Officer or the designated Hospital representative and the designated union representatives who may be accompanied by the general representative of the Union, within five (5) days of the submission of the grievance at Step 3, unless extended by mutual agreement of the parties.

The decision of the Hospital shall be delivered in writing within ten (10) days following the date of such meeting.

8.05 Policy Grievance

A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step 3 within ten (10) days following the circumstances giving rise to the grievance.

It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which he could have instituted himself and the regular grievance procedure shall not be thereby by-passed.

Where the grievance is a Hospital grievance it shall be filed with the Grievance Committee.

8.06 Group Grievance

Where a number of employees have identical grievances, and each one would be entitled to grieve separately, they may present a group grievance, in writing identifying each employee who is grieving, to the Department Head, or his designate, within ten (10) days after the circumstances giving rise to the grievance have occurred. The grievance shall then be treated as being initiated at Step 2 and the applicable provisions of this Article shall then apply with respect to the handling of such grievance.

8.07 Discharge Grievance

If an employee, who has completed his probationary period, claims that he has been unjustly discharged, such claim must be submitted by the employee, who may be accompanied by a union steward, or by the union steward at Step 3 of the grievance procedure to the Hospital within five (5) days following the date the discharge is effective.

Such grievance may be settled under the Grievance and Arbitration procedure by:

- (a) confirming the Hospital's action in discharging the employee, or
- (b) reinstating the employee with up to full seniority for time lost and up to full compensation for time lost,
- (c) any other arrangement which may be deemed just and equitable.

8.08 Failing settlement under the foregoing procedure, any grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within ten (10) days after the decision under Step 3 is given, the grievance shall be deemed to have been abandoned.

8.09 All agreements reached, under the grievance procedure, between the representatives of the Hospital and representatives of the Union will be final and binding upon the Hospital, the Union and the employee(s).

8.10 When either party requests that any matter be submitted to Arbitration as provided in this Article, it shall make such request in writing addressed to the other party to this Agreement, and at

the same time appoint a nominee. Within five (5) days thereafter, the other party shall appoint its nominee, provided however, that if such party fails to appoint its nominee as herein required, the Minister of Labour for the Province of Ontario shall have the power to make such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees shall attempt to agree upon a chairman of the Arbitration Board. If they are unsuccessful in agreeing upon such a chairman within a period of ten (10) days of the appointment of the second nominee, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.

8.11 No person may be appointed to the Arbitration Board who has been involved in an attempt to negotiate or settle the grievance.

8.12 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.

8.13 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.

8.14 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority, and where there is no majority, the decision of the Chairman, will be final and binding upon the parties hereto and the employee or employees concerned.

8.15 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the Chairman of the Arbitration Board.

8.16 Saturdays, Sundays and Holidays are not to be counted in the time limits as set out in this Article.

8.17 Wherever Arbitration Board is referred to in the Agreement, the parties hereto may mutually agree in writing, to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

ARTICLE 9 - SENIORITY

9.01 Probationary Period

(a) A new employee will be considered on probation until he has completed forty-five (45) days of work within any twelve (12) calendar months. Upon completion of the probationary period he shall be credited with seniority equal to forty-five (45) working days. With the written consent of the Hospital, the probationary employee, and the President of the Local Union or designate, such probationary period may be extended. Any extension agreed to will be in writing and will specify the length of the extension. The release or discharge of an employee during the probationary period shall not be the subject of a grievance or Arbitration and is at the sole discretion of the Hospital.

(b) Part-time

A new employee will be considered on probation until he has completed 337.5 hours of work within any twelve (12) calendar months. Upon completion of the probationary period he shall be credited with seniority equal to 337.5 worked hours. With the written consent of the Hospital, the probationary employee, and the President of the Local Union or designate, such probationary period may be extended. Any extension agreed to will be in writing and will specify the length of the extension. The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration and is at the sole discretion of the Hospital.

9.02 Definition of Seniority

Full-time employees will accumulate seniority on the basis of their continuous service in the bargaining unit from the last date of hire, except as otherwise provided herein.

Seniority will operate on a bargaining unit wide basis.

Notwithstanding the above, employees hired prior to October 10, 1986 will be credited with the seniority they held under the Agreement expiring November 15, 1985 and will thereafter accumulate seniority in accordance with this Article.

9.03 Transfer of Service and Seniority

Effective October 10, 1986 and for employees who transfer subsequent to October 10, 1986 an employee whose status is changed from full-time to part-time shall receive credit for his full service and seniority. An employee whose status is changed from part-time to full-time shall receive credit for seniority and service on the basis of one (1) year equals 1725 hours worked, and will be enrolled in the employee benefit plans subject to meeting any waiting period or other requirements of those plans.

Employees hired prior to October 10, 1986, will be credited with the service and seniority they held under the collective agreement expiring November 15, 1985.

9.04 Loss of Seniority

An employee shall lose all seniority and shall be deemed terminated if:

- (a) employee quits;
- (b) employee is discharged and the discharge is not reversed through the grievance and arbitration procedure;
- (c) employee is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Hospital of such absence and providing a reason satisfactory to the Hospital.

- (e) employee has been laid off twenty-four (24) months;
- (f) employee fails upon being notified of a recall to signify his intention to return within five (5) working days after he has received the notice of recall, and fails to report to work within ten (10) working days after he has received the notice of recall;
- (g) employee is absent due to illness or disability which absence continues for thirty (30) calendar months from the time the disability or illness commenced.

9.05 Effect of Absence

- (a) It is understood that during an approved unpaid absence not exceeding thirty (30) continuous days or any approved absence paid by the Hospital, both seniority and service will accrue.
- (b) During an unpaid absence exceeding thirty (30) continuous calendar days, credit for service for purposes of salary increment, vacation, sick leave, or any other benefits under any provisions of the Collective Agreement or elsewhere, shall be suspended for the period of the absence in excess of thirty (30) continuous calendar days, the benefits concerned appropriately reduced on a pro rata basis and the employee's anniversary date adjusted accordingly. In addition, the Employee will become responsible for full payment of subsidized employee benefits in which he/she is participating for the period of absence, except that the Hospital will continue to pay its share of the premiums for up to eighteen (18) months while an employee is in receipt of W.C.B. benefits. Notwithstanding this provision, service shall accrue for a period of fifteen (15) weeks if an employee's absence is due to a disability resulting in W.C.B. benefits.
- (c) It is further understood that during such unpaid absence, credit for seniority for the purposes of promotion, demotion transfer or lay-off shall be suspended and not accrue during the period of absence. Notwithstanding this provision, seniority shall accrue for a period of eighteen (18) months if an employee's absence is due to a disability resulting in W.C.B. benefits or LTD benefits or for a period of one (1) year if an employee's unpaid absence is due to an illness.

9.06 The Employer agrees to recognize the seniority of employees in all cases of lay-offs, recalls, promotions, demotions and transfers to higher paid jobs.

9.07 The Employer agrees to forward to the Union seniority lists by department which shall show date of employment, social insurance number, department and job classification for all employees within the bargaining unit, within a reasonable time following the completion of this Agreement. The Employer further agrees to

revise and amend the said seniority list, forward copies to the Union every six months thereafter.

9.08 If an employee is permanently transferred from one department to another, he shall, following the completion of the probationary period in his new job, transfer all his acquired seniority from his previous department and thereafter his original seniority date shall be his seniority date in the new department for all matters excepting for vacation choice in the first year of transfer if the vacation lists have already been posted, in which case he shall have last choice for this first year of transfer and thereafter shall have preference choice in accordance with his regular seniority standing.

Part-time employees shall accrue seniority for a period of eighteen (18) months and service for a period of fifteen (15) weeks if absent due to a disability resulting in WCB benefits, on the basis of what the employee's normal regular hours of work would have been.

ARTICLE 10 - JOB SECURITY

10.01(a) With respect to the development of any operating or re-structuring plan which may affect the bargaining unit, the Union shall be involved in the planning process as soon as practicable and, in any event, in advance of such plans or proposals being finalized and notices of layoff being issued or other actions taken that would adversely affect the bargaining unit and through to the final phases of the process.

(b) Staff Planning Committee

In addition to that, and to any other planning Committee in the Hospital of a more broadly representational make-up, there shall be immediately established a Staff Planning Committee for the bargaining unit, which shall meet during the term of this agreement every three months, unless otherwise mutually agreed by the parties. It shall be the function of the Staff Planning Committee to consider possible ways and means of avoiding or minimizing potential adverse effects upon employees in the bargaining unit, including:

(i) identifying and proposing possible alternatives to any action that the Hospital may propose taking;

(ii) identifying and seeking ways to address the retraining needs of employees;

(iii) identifying vacant positions within the Hospital for which surplus members of the bargaining unit might qualify, or such positions which are currently filled but which are expected to become vacant within a twelve (12) month period.

Composition and Meetings

The Committee shall be comprised of equal numbers of representatives of the hospital and from the Union. The number of representatives is to be determined locally and shall consist of at least two representatives from each party.

Meetings of the Committee shall be held during normal working hours. Representatives attending such meetings during their regularly-scheduled hours of work shall not lose regular earnings as a result of such attendance. The Hospital shall make typing and other such clerical assistance as required.

Each party shall appoint a co-chair for the Committee. Co-chairs shall chair alternate meetings of the Committee and will be jointly responsible for establishing the agenda of the Committee meetings, preparing minutes and writing such correspondence as the Committee may direct.

Disclosure

To allow the Staff Planning Committee to carry out its mandated role under this Article, the Hospital will provide the Committee with pertinent financial and staffing information and with a copy of any reorganization plans which impact on the bargaining unit.

Accountability

The Committee shall submit its written recommendations to the Chief Executive Officer of the Hospital and the Board of Trustees. Where there is no consensus within the

Committee, the individual members of the Committee shall be entitled to submit their own recommendations. Any agreement between the Hospital and the Union resulting from the above review concerning the method of implementation will take precedence over the other provisions of this agreement.

10.02 Notice of Lay-off

(a) In the event of a proposed lay-off at the Hospital of a permanent or long-term nature or the elimination of a position within the bargaining unit, the Hospital shall:

(i) provide the Union with no less than five (5) months, written notice of the proposed layoff or elimination of position; and

(ii) provide to the affected employee(s), if any, who will be laid off with no less than five (5) months, written notice of layoff, or pay in lieu thereof.

Note: Where a proposed layoff results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided in (i) above shall be considered notice to the Union of any subsequent layoff.

(b) A layoff shall not include a reassignment of an employee from her or his classification or area of assignment who would otherwise be entitled to notice of layoff provided:

(i) the reassignment of the employee is to an appropriate permanent job with the employer having regard to the employee's skills, abilities, qualification and training or training requirements;

(ii) the reassignment of the employee does not result in a reduction of the employee's wage rate or hours of work;

(iii) the job to which the employee is reassigned is located at the employees original work site or at a nearby site in terms of relative accessibility for the employee;

(iv) the job to which the employee is reassigned is on the same or substantially similar shift or shift rotations; and

(v) where more than one employee is to be reassigned in accordance with this provision, the reassigned employees shall be entitled to select from the available appropriate vacancies to which they are being reassigned in order of seniority provided no such selection causes or would cause a layoff or bumping.

The Hospital bears the onus of demonstrating that the foregoing conditions have been met in the event of a dispute. The Hospital shall also reasonably accommodate any reassigned employee who may experience a personal hardship arising from being reassigned in accordance with this provision.

- (c) Any vacancy to which an employee is reassigned pursuant to paragraph (b) need not be posted.

10.03 Severance and Retirement Options

(a) Severance Pay

(i) Where an employee resigns within 30 days after receiving notice of layoff pursuant to article 10.02(a)(ii) that his or her position will be eliminated, he or she shall be entitled to a separation allowance of two (2) weeks' salary for each year of continuous service to a maximum of twelve (12) weeks' pay, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of three thousand (\$3,000) dollars.

(ii) Where an employee resigns later than 30 days after receiving notice pursuant to Article 10.02(a)(ii) that his or her position will be eliminated, he or she shall be entitled to a separation allowance of four (4) weeks' salary, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of one thousand, two hundred and fifty (\$1,250) dollars.

(b) Retirement Allowance

Prior to issuing notice of layoff pursuant to Article 10.02(a)(ii) in any classification(s), the Hospital will offer early-retirement allowance to a sufficient number of employees eligible for early retirement under HOOPP within the classification(s) in order of seniority, to the extent that the maximum number of employees within a classification who elect early retirement is equivalent to the number of employees within the classification(s) who would otherwise receive notice of layoff under Article 10.02(a)(ii).

Within thirty (30) days from the date of notice of lay-off, an employee who has received notice of lay-off of a permanent or long-term nature may retire provided that the employee is eligible to retire under the terms of the Hospitals of Ontario Pension Plan. An employee who chooses this option forfeits her right to notice and will receive severance pay on the basis of two (2) week's pay for each year of service with the Hospital to a maximum of twenty-six (26) weeks on the basis of the employees normal weekly earnings. In addition, full-time employees will receive a lump sum payment equal to \$1,000.00 for every year less than age 65, to a maximum of \$5,000.00.

Note: The Hospital may offer any employee a retirement option as provided above, in order to avoid potential lay-offs in the unit.

(c) A full-time employee who has completed one year of service and

(i) whose layoff is permanent, or

(ii) who is laid off for 26 weeks in any 52 week period, and who has not elected to receive a severance payment under either (a) or (b) of this Article,

shall be entitled to severance pay equal to the greater of two weeks' pay, or one week's pay per year of service to a maximum of 26 week's pay. This entitlement shall not be in addition to any entitlement to severance pay under the Employment Standards Act, but at the same time, shall not preclude an employee from claiming any greater

entitlement which that Act may at some point come to provide.

An employee may elect to defer receipt of this severance payment while his or her recall rights are still in effect. Once an employee does opt to receive the severance payment, he or she shall be deemed to have resigned, and his or her recall rights shall be extinguished.

10.04 Regional Staff Planning Committees

The central parties agree to establish Regional Staff Planning Committees to facilitate the redeployment of laid off employees among the Participating Hospitals.

To achieve this objective the Hospital Staff Planning Committee will forward to the Regional Staff Planning Committee a list of the names and addresses of laid off employees who have expressed an interest in working at other Participating Hospitals and who have undertaken skills assessment procedures provided by any government training agency, such as HTAP, that may be in place.

In filling vacancies not filled by bargaining unit members the Hospitals are encouraged to give first consideration to laid off employees who are on the list and who are qualified to perform the work. For benefit-entitlement purposes, it is recognized that hospitals shall be free to grant to any employees hired through this process full credit for service earned with another hospital.

The size, structure, composition, and activities of each Committee will be mutually determined by the parties, and application will be made to any available funding source for the funding of administrative expenses.

10.05 Lay-off and Recall

- (a) In the event of lay-off, the Hospital shall lay off employees in the reverse order of their seniority within their classification, providing that there remain on the job employees who then have the ability to perform the work.
- (b) An employee who is subject to lay-off shall have the right to either:

(i) accept the lay-off; or

(ii) displace an employee who has lesser bargaining-unit seniority and who is the least senior employee in a lower or identical paying classification in the bargaining unit if the employee originally subject to lay-off can perform the duties of the lower or identical classification without training other than orientation. Such employee so displaced shall be laid off.

Note: An identical paying classification shall include any classification where the straight time hourly wage rate at the level of service corresponding to that of the laid off employee is within 1% of the laid off employee's straight time hourly wage rate.

In the event that there are no employees with lesser seniority in lower or identical paying classifications as defined in this Article, a laid off employee will have the right to displace an employee with lesser seniority, who is the least senior employee in a classification where the straight time hourly rate at the level of service corresponding to that of the laid off employee is within 5% of the laid off employee's straight time hourly rate provided he can perform the duties without training other than orientation. Such employee so displaced shall be laid off.

(iii) The decision of the employee to choose (a) or (b) above shall be given in writing to the designated hospital representative within ten (10) working days (excluding Saturday, Sunday and Holidays) following the notification of the lay-off. Employees failing to do so will be deemed to have accepted lay-off.

(c) An employee shall have opportunity of recall from a lay-off to an available opening, in order of seniority, provided he has the ability to perform the work before such opening is filled on a regular basis under a job posting procedure. The posting procedure in the collective agreement shall not apply until the recall process has been completed.

(d) In determining the ability of an employee to perform the work for the purposes of the paragraphs above, the Hospital shall not act in an arbitrary or unfair manner.

- (e) An employee recalled to work in a different classification from which he was laid off shall have the privilege of returning to the position he held prior to the lay-off should it become vacant within six (6) months of being recalled.
- (f) No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.
- (g) It is the sole responsibility of the employee who has been laid off to notify the Hospital of his intention to return to work within five (5) working days (exclusive of Saturdays, Sundays and paid holidays) after being notified to do so by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to have been received on the second day following the date of mailing) and to return to work within ten (10) working days after being notified. The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his proper address being on record with the Hospital.
- (h) Employees on lay-off or notice of lay-off shall be given preference for temporary vacancies which are expected to exceed (10) working days. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay-off,
- (i) No full-time employee within the bargaining unit shall be laid off by reason of his/her duties being assigned to one or more part-time employees.
- (j) In the event that a lay-off commenced on the day immediately following a paid holiday, an employee otherwise qualified for holiday pay shall not be disentitled thereto solely because of the day on which the lay-off commenced.
- (k) A laid off employee shall retain the rights of recall for a period of twenty-four (24) months from the date of lay-off.

10.06 Benefits on Lay-off

In the event of a lay-off of a full-time employee, the Hospital shall pay its share of insured benefits premium up to three (3) months from the end of the month in which the lay-off occurs or until the laid off employee is employed elsewhere, whichever occurs first.

ARTICLE 11 - JOB POSTING

11.01 Where a permanent vacancy occurs in a classification within the bargaining unit or a new position within the bargaining unit is established by the Hospital, such vacancy shall be posted by the Hospital for a period of seven (7) days excluding Saturday, Sundays and holidays. Vacancies created by the filling of an initial permanent vacancy within the bargaining unit shall be posted for a period of three (3) consecutive days excluding Saturday, Sunday and holidays. All applications are to be made in writing within the posting period.

11.02 The postings referred to in Article .01 shall stipulate the qualifications, classification, rate of pay, department and shift and a copy shall be provided to the Chief Steward.

11.03 Employees shall be selected for positions under Article .01 on the basis of their ability, experience and qualifications. Where these factors are relatively equal amongst the employees considered, seniority shall govern providing the successful applicant, if any, is qualified to perform the available work. The name of the successful applicant will be posted on the bulletin board and unsuccessful applicants will be notified.

11.04 Where there are no successful applicants from within this bargaining unit for positions referred to in Article .01 employees in other SEIU service bargaining units at the Hospital will be considered for such positions prior to considering persons not employed by the Hospital. The employees eligible for consideration shall be limited to those employees who have applied for the position in accordance with Article .01 and selection shall be made in accordance with Article .03 above.

11.05 Vacancies which are not expected to exceed six (6) months will not be posted and may be filled at the discretion of the Hospital. In filling such vacancies consideration shall be given to part-time employees in SEIU service bargaining units who have

recorded their interest in writing, prior to considering persons not employed by the Hospital. In considering such part-time employees the criteria for selection in .03 shall apply. Part-time employees selected to fill a vacancy under this Article will continue to maintain their part-time status and upon completion of the assignment the employee will return to his former position.

11.06 The Hospital shall have the right to fill any vacancy on an interim basis until the posting procedure or the Request for Transfer procedure provided herein has been complied with, and arrangement have been made to assign the employee selected to fill the vacancy to the job. No grievance may be filed concerning such temporary arrangements.

11.07 The successful applicant will be placed on the vacancy for a trial period not exceeding forty-five (45) working days and if the employee proves satisfactory, then he shall be considered permanently assigned to the vacancy. If the employee proves unsatisfactory during that time, or if the employee feels he is unable to perform the duties of the vacancy to which he is posted, the employee will be returned to his former position at his former salary or rate of pay, as will any other employee in the Bargaining Unit who was promoted or transferred by reason of such placing. Newly hired employees shall be terminated and such termination shall not be subject to the grievance and arbitration procedure.

11.08 Successful applicants and newly hired employees will not be permitted to apply for job postings or any subsequent vacancies for a period of six (6) months, unless otherwise mutually agreed.

ARTICLE 12 - NO CONTRACTING OUT

12.01 The Hospital shall not contract out any work usually performed by members of the bargaining unit, if as a result of such contracting out, a layoff of any employees other than casual part-time employees results from such contracting out.

12.02 Notwithstanding the foregoing the hospital may contract out work usually performed by members of the bargaining unit without such contracting out constituting a breach of this provision if the hospital provides in its commercial arrangement contracting out work that the contractor to whom the work is being contracted, and any subsequent such contractor, agrees:

- (1) to employ the employees thus displaced from the hospital;
and
- (2) in doing so to stand, with respect to that work, in the place of the hospital for the purposes of the hospital's collective agreement with the Union, and to execute into an agreement with the Union to that effect.

In order to ensure compliance with this provision, the Hospital agrees that it will withdraw the work from any contractor who has failed to meet the aforesaid terms of the contracting-out arrangement.

12.03 On request by the Union the Hospital will undertake to review contracted services which fall within the work of the bargaining unit. The purpose of the review will be to determine the practicality of increasing the degree to which bargaining unit employees maybe utilized to deliver such services in the future. The Hospital further agrees that the results of their review will be submitted to the Staff Planning Committee for its consideration.

ARTICLE 13 - WORK OF THE BARGAINING UNIT

13.01 Work of the Bargaining Unit

Employees not covered by the terms of this Agreement will not perform duties normally assigned to those employees who are covered by this Agreement, except for the purpose of instruction, experimentation, or in emergencies when regular employees are not readily available.

Note: The purpose of this clause is the protection of the work of the Bargaining Unit employees and not the broadening of that work to other areas.

13.02 Employment Agencies

Prior to enlisting the services of an employment agency, the Hospital will attempt to contact part-time staff who would normally perform the duties in question.

13.03 Volunteers

Where the Hospital plans a drive to increase the number of volunteers, the Union must be given at least thirty (30) days

notice of these plans and a special meeting of the Local Joint Job Security Committee must be convened at least three (3) weeks prior to the initiation of such a drive.

The use of volunteers to perform bargaining unit work shall not be expanded beyond the extent of existing practice as of June 1, 1986.

13.04 Ratio of R.N.'s to R.P.N.'s

At the time of considering whether or not to alter the ratio of R.N.'s to R.P.N.'s in any department, the Hospital agrees to consult with the Union in advance of any decision being made and, again in advance of any decision being made, the senior administrator of the Hospital agrees to meet with and to entertain submissions from the Union with respect to the merits of maintaining the existing ratio.

In addition to the above process and apart from it where a change in the ratio is planned by the Hospital and it does not arise because of employee retirement, resignation or death then it can only be carried out following a full and complete disclosure to the Union of the plan of the Hospital and the reasons for it. After full and complete disclosure to the Union the Hospital and Union are to meet and discuss the plan and the reasons with a view to possibly modifying them including maintaining the existing ratio. The planned change in the ratio cannot be implemented by the Hospital for a period of forty-five (45) days from the date of full and complete disclosure to the Union; and only implemented if there has been the consultative process required by this clause carried out in good faith by the Hospital.

13.05 The Hospital agrees that RNA's/RPN's will be allowed and encouraged to fully employ all of the skills set out as the minimum level requirements of RNA's/RPN's by the College of Nurses of Ontario Standards of Nursing Practice, 1990.

ARTICLE 14 - TECHNOLOGICAL CHANGE

14.01 Technological Change means the automation of equipment, or the mechanization or automation of operations, or the replacement of existing equipment or machinery with new equipment or machinery which results in the displacement of an employee from his/her regular job.

14.02 Where the Hospital has decided to introduce a technological change which will significantly alter the status of an employee within the bargaining unit, the Hospital undertakes to meet with the Union to consider the minimizing of adverse effects (if any) upon the employees concerned.

14.03 Where new or greater skills are required than are already possessed by affected employees under the present methods of operation, such employees shall be given a period of training, with due consideration being given to the employee's age and previous educational background, during which they may perfect or acquire the skills necessitated by the new method of operation. The employer will assume the cost of tuition and travel. There shall be no reduction in wage or salary rates during the training period of any such employee. Training shall be given during the hours of work whenever possible and may extend for up to six (6) months.

14.04 Employees with one (1) or more years of continuous service who are subject to layoff under conditions referred to above, will be given notice of the impending change in employment status at the earliest reasonable time in keeping with the notification to the Union as set out above and the requirements of the applicable legislation.

14.05 Employees who are pregnant shall not be required to operate VDTs. At their request, the Employer shall temporarily relocate such employees to other appropriate work without loss of employment benefits, but at the wage rate of the job in which the employee is relocated. The determination of the appropriate alternative work shall be at the discretion of the Employer and such discretion shall not be exercised in an arbitrary or discriminatory manner. If such work is not available or if the employee does not wish to accept the alternative work, the employee may be placed on unpaid leave of absence.

14.06 Each employee required to use a VDT more than four (4) hours per day, shall be given eye examinations at the beginning of employment or assignment to VDTs and every twelve (12) months thereafter. The eye examinations shall be paid for by the Hospital where not covered by OHIP.

ARTICLE 15 - LEAVES OF ABSENCE

15.01 Bereavement Leave

An employee who notifies the Hospital as soon as possible following a bereavement shall be granted up to three (3) consecutive days off, without loss of his regular pay for his scheduled hours from the date of death up to and including the date of the funeral of a member of his immediate family. Immediate family means parent, brother, sister, spouse, son, daughter, son-in-law, daughter-in-law, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparent, grandchild, guardian or step-parent.

- (b) A leave of absence, without pay, to take further education related to the employee's work with the Hospital may be granted upon written application by the employee to the administration of the Hospital. It is further understood and agreed that the Employer will, wherever its operational requirements permit, endeavour to arrange the shifts of employees attending courses or seminars to permit such attendance.
- (c) Where employees are required by the Hospital to take courses to upgrade or acquire new employment qualifications, the Employer shall pay the full costs associated with the courses.

15.03 Jury and Witness Duty

- (a) If an employee is required to serve as a juror in any court of law, or is required to attend as a witness in a court proceeding in which the Crown is a party, or is required by subpoena to attend a court of law or coroner's inquest in connection with a case arising from the employee's duties at the Hospital, the employee shall not lose regular pay because of such attendance provided that the employee:

(i) notifies the Hospital immediately on the employee's notification that he will be required to attend at court;

(ii) presents proof of service requiring the employee's attendance;

(iii) deposits with the Hospital the full amount of compensation received excluding mileage, travelling and meal allowances and an official receipt thereof.

- (b) In addition to the foregoing, where an employee is required by subpoena to attend a court of law or coroner's inquest, in connection with a case arising from the employee's duties at the Hospital on his regularly scheduled day off, the Hospital will attempt to reschedule the employee's regular day off, it being understood that any rescheduling shall not result in the payment of any premium pay. Where the Hospital is unable to reschedule the employee, and, as a result, he is required to attend on a regular day off, he shall be paid for all hours actually spent at such hearing at the rate of time and one-half (1 1/2) his regular straight time hourly rate subject to (i), (ii), and (iii) above.
- (c) Where the employee's attendance is required during a different shift than he is scheduled to work that day, the Hospital will attempt to reschedule the shift to include the time spent at such hearing. It is understood that any rescheduling shall not result in the payment of any premium pay.

Where the Hospital is unable to reschedule the employee and, as a result, he is required to attend during other than his regularly scheduled paid hours, he shall be paid for all hours actually spent at such hearing at his straight time hourly rate subject to (i), (ii), and (iii) above.

15.04 Pregnancy Leave

- (d) An employee who is on pregnancy leave as provided under this Agreement who has applied for and is in receipt of Employment Insurance pregnancy benefits pursuant to Section 22 of the Employment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between ninety-three percent (93%) of her regular weekly earnings and the sum of her weekly Employment Insurance benefits and any other earnings. such payment shall commence following completion of the two week Employment Insurance waiting period, and receipt by the Hospital of the employee's Employment Insurance cheque stub as proof that she is in receipt of Employment Insurance pregnancy benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of fifteen (15) weeks. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours plus any wage increase or salary increment that she would be entitled to if she were not on pregnancy leave.

The Hospital will pay the employee ninety-three percent (93%) of her normal weekly earnings during the first two (2) week period of the leave while waiting to receive Employment Insurance Benefits.

The employee does not have any vested right except to receive payments for the covered unemployment period. - (f) The Hospital will continue to pay its share of the contributions of the pension plan, in which the employee is participating for a period of up to seventeen weeks while the employee is on pregnancy leave.

The Hospital will also continue to pay the percentage in lieu of benefits and will register these benefits as part of the Supplemental Unemployment Insurance Benefit Plan with the Canada Employment Insurance Commission.

- (g) Subject to any changes to the employee's status which would have occurred had she not been on pregnancy leave, the employee shall be reinstated to her former duties, on the same shift in the same department, and at the same rate of pay.

An employee who is an adoptive parent may extend the parental leave for such greater time as may be required

Seniority and service shall accumulate during such leave to the maximum provided, if any, under the provisions of the Collective Agreement. It will become the responsibility of the employee for full payment of any applicable benefits in which the employee is participating during such leave of absence.

- (a) The Hospital shall grant leave of absence without pay to employees to attend Union conventions, seminars, education classes or other Union business provided that such leave will not interfere with the efficient operation of the Hospital.

- (b) In requesting such leave of absence for an employee or employees, the Union must give at least twenty-one (21) days clear notice in writing to the Hospital.
- (c) The cumulative total leave of absence, the number of employees that may be absent at any one (1) time and from any one (1) area and the number of days shall be as provided elsewhere in the current local sections of the Agreement, (unless altered by Local Negotiations).

ARTICLE 16 - HOURS OF WORK

16.01 It is understood normal hours include those required to accommodate the change from Daylight Saving Time to Standard Time and vice versa to which the other provisions of the Articles dealing with Hours of Work and Overtime do not apply. It is further understood that the amount of regular pay for a full normal shift worked shall not be affected by reason of the change in the number of normal hours worked in consequence of such change from Daylight Saving Time to Standard Time and vice versa. The provisions of this Article are intended only to provide a basis for calculating time worked and shall not constitute a guarantee of hours of work per shift or per week or for any period whatsoever nor a guarantee of working schedules.

16.01 Daily and Weekly Hours of Work

- (a) The working day for all full-time employees shall consist of seven and one-half (7 1/2) hours excluding the meal period. The said seven and one-half (7 1/2) hours shall be completed within an eight-hour period after commencing work. Employees shall not be required to work more than eight (8) consecutive days.
- (b) The work week for all full-time employees over a two-week cycle shall be an average of five working days per work week.
- (c) For the purposes of this Article and all related Articles governing scheduling and benefit entitlement calculations, where an Ambulance Department has elected by majority vote of the effected employees and with the consent of the Trade Union and the Hospital to voluntarily adopt an extended shift, all provisions under this Article will be so amended.

16.02 Rest Periods

- (a) All employees will be allowed two (2) rest periods per day of fifteen (15) minutes duration without reduction in pay and without increasing the regular working hours. The fifteen (15) minutes rest period shall be calculated from the time the employees leave their station of work, until they return to their station of work.

Part-time employees shall be entitled to a paid rest period of fifteen (15) minutes for each three and three-quarters (3 3/4) hours of work during their shift.

- (b) When an employee performs authorized overtime work of at least three (3) hours duration, the Hospital will schedule a rest period of fifteen (15) minutes duration.

16.03 Time Off Between Shifts

In the case of departments where employees are required to rotate on the day, evening and/or night shifts, the Employer will endeavour to arrange shifts such that there will be a minimum of twenty-three (23) hours between the beginning of shifts and change over of shifts and of thirty-nine (39) hours if there is one (1) day off and of sixty-three (63) hours if there are two (2) days off between the change over of shifts.

In scheduling shifts the Hospital will endeavour to arrange schedules so as to provide for a minimum of eight (8) weekends off in every twenty-four (24) week period, and, in any event, at least one (1) weekend off in each three (3) week period. Where a weekend off is not granted within a three (3) week period, time worked on such third weekend but not subsequent weekends shall be paid at the rate of time and one-half (1 1/2) unless the Hospital, notwithstanding its best efforts, was unable to meet this standard. This standard shall not apply where:

- (i) Such weekend work was performed by the employee to satisfy specific days off requested by such employee; or
- (ii) Such employee has requested weekend work, or was advised at the time of hire or when the job was posted that the regular schedule normally requires continuous weekend work; or

The foregoing shall have no application where other scheduling arrangements are provided acceptable to the Employer and the employees affected and approved by the Union.

16.05 It is agreed that the intent of this Agreement is to provide as far as possible, work schedules for full-time employees with five work days in each week and ten work days in each two weeks, with the time off in each week being given, wherever possible, on consecutive days. It is further agreed that the arrangement of the work schedule is governed by the efficient operation of the Hospital, and by the decision of the Employer as to the number of staff required to be on duty at any one time.

16.06 Shift Schedules: Shift schedules shall be posted at least one week in advance of their taking effect. Once posted, employees' work schedules shall not be altered without the mutual agreement of the Department Head and the employee(s) concerned, provided that in respect of a shift exchange requested and signed by employees concerned and approved by the Department Head, the Employer will not be responsible for or liable for overtime rate claims nor for any infringement of this Article which might accrue or arise consequent upon such an exchange of shift.

16.07 Employees must report to their respective supervisors in uniform at the commencement of their shift and remain in uniform for the full working shift, if uniforms are required by the Employer to be worn.

16.08 Each employee shall conform to the time-keeping requirements of the Hospital. Failure to do so may be a cause of disciplinary action.

- (f) It is understood and agreed that the employee shall work overtime when requested by the Employer. Employees will not be requested to take time off in lieu of overtime worked.

ARTICLE 20 - PAID HOLIDAYS

20.01 The recognized holidays with pay for this Agreement shall be:

New Year's Day	Thanksgiving Day
Canada Day	Christmas Day
Good Friday	Boxing Day
Civic Holiday	*Employee's Birthday
Victoria Day	3rd Monday in February
Labour Day	November 11

Due to the nature of the service necessary in a hospital, many of the employees may be required to work on these holidays. If during the life of this Agreement, the Federal or Provincial Governments declare by statute or proclamation an additional holiday, the said holiday will replace the 3rd Monday in February in this Article in the existing agreement dealing with the Paid Holidays.

20.02 In general, employees will alternate with each other in being absent from work on holidays - for instance, an employee having Christmas Day off might not be allowed off on New Year's Day.

20.03 Employee's preferences shall be considered before posting of schedules for any paid holiday, provided there is no delay in stating the preference.

20.04 To qualify for paid holiday with pay as above, an employee must work his or her full regularly required shift immediately preceding and his or her full regularly required shift immediately succeeding the holiday unless excused by the Hospital or on Paid Leave of Absence. 20.06 An employee required to work on any of the foregoing holidays shall be paid at time and one-half his regular straight time rate of pay for time worked on such holiday in addition to any holiday pay to which he might have been entitled or at the option of the Hospital the employee may be paid time and one-half for time worked and a day off in lieu thereof, or as a further option of the Hospital the employee may be paid his regular straight time rate plus a day and one-half off in lieu thereof. Failure to report for work assigned on such holiday shall disqualify an employee for holiday pay.

20.07 For the purpose of clarity, the regular holiday pay as defined in this Article will be computed on the basis of the number of hours the employee would otherwise have worked had there been no holiday, at his regular rate of pay.

*20.08 The employee may celebrate the birthday with a day off by mutual agreement with the Supervisor at any time within five (5) days either side of the actual date, or on the actual date itself.

20.09 A shift that begins or ends during the twenty-four (24) hour period of the above holidays, where the majority of hours worked falls within the holiday, shall be deemed to be work performed on the holiday for the full period of the shift.

20.10(a) When an employee has entitlement to lieu days off, compensating time off may, by request in writing and by mutual agreement between an employee and his Department Head, be accumulated up to a total of five (5) days, if such accumulated time is taken in the months of October, November, February, March, April or May and may be added to paid vacations during such months.

Any such claim shall be accompanied by verification of previously related experience. The Hospital shall then evaluate such experience during the probationary period. Where, in the Hospital's opinion such experience is relevant, the employee shall be slotted in the step of the wage progression consistent with one (1) year's service for every one (1) years of related experience in the classification on the completion of the employee's probationary period. It is understood and agreed that this shall not constitute a violation of the wage schedule in the Collective Agreement.

25.02 Promotion to a Higher Classification

An employee who is promoted to a higher rated classification within the Bargaining Unit will be placed in the range of the higher rated classification so that he shall receive no less an increase in wage rate than the equivalent of one step in the wage rate of his previous classification (provided that he does not exceed the wage rate of the classification to which he has been promoted).

25.03 Temporary Transfer

When an employee is assigned temporarily to perform the duties and assume the responsibilities of a higher paying position in the bargaining unit, for a period in excess of one-half of a shift, he shall be paid the rate immediately above his current rate in the higher classification to which he was assigned from the commencement of the shift on which he was assigned the job.

25.04 Job Classification

- (a) When a new classification (which is covered by the terms of this Collective Agreement) is established by the Hospital, the Hospital shall determine the rate of pay for such new classification and notify the local Union of the same within seven (7) days. If the local Union challenges the rate, it shall have the right to request a meeting with the Hospital to endeavour to negotiate a mutually satisfactory rate. Such request will be made within ten (10) days after the receipt of notice from the Hospital of such new occupational classification and rate. Any change mutually agreed to resulting from such meeting shall be retroactive to the date that notice of the new rates was given by the Hospital. If the parties are unable to agree, the dispute concerning the new rate may be submitted to arbitration as provided in the Agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classification.
- (b) When the Hospital makes a substantial change during the term of this Agreement in the job content of an existing classification which in reality causes such

classification to become a new classification, the Hospital agrees to meet with the Union if requested to permit the Union to make representation with respect to the appropriate rate of pay.

- (c) If the matter is not resolved following the meeting with the Union the matter may be referred to arbitration as provided in the Agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classifications.
- (d) The parties further agree that any change mutually agreed to or awarded as a result of arbitration shall be retroactive only to the date that the Union raised the issue with the Hospital.

25.05 Wages and Classification Premiums

- (a) During the lifetime of this Agreement the Employer agrees to pay and the Union agrees to accept the scales of wages as set out in Schedule "A" attached hereto, which is hereby made a part of this Agreement.
- (b) The Employer agrees that wages shall be paid by cheque on a regular pay day every two weeks, except when interfered with by the occurrence of a paid holiday. In this case, the regular pay day shall be advanced one day. The bi-weekly pay shall be computed by multiplying the monthly rate by twelve and dividing by twenty-six.
- (c) Employees will be paid during working hours.

25.06 Transfer to a Lower Classification

Where an employee is transferred to a lower paid job, he or she shall receive in his or her new classification not less than the wage rates in his or her new group next below his or her present rate of pay, and if he or she is at the maximum level in his or her present classification, he or she shall receive not less than the maximum level of the lower rated classification.

ARTICLE 26 - RELATIONSHIP

26.01 The parties hereto agree that any employee of the Employer covered by this Agreement may become a member of the Union if he wishes to do so and may refrain from becoming a member of the Union if he so desires.

26.02 The Union will not engage in Union activities during working hours or hold meetings at any time on the premises of the Employer without permission of the Administrator.

ARTICLE 27 - BULLETIN BOARDS

27.01 The Employer will provide bulletin boards in mutually satisfactory locations for the convenience of the Union in posting notices of Union activity. All such notices must be signed by the proper officer of the Local Union and be submitted to the Administrator or his authorized representative for approval before being posted.

ARTICLE 28 - PRINTING COLLECTIVE AGREEMENT

28.01 The Employer will share with the Union the cost of printing of the Collective Agreement on an equal basis in a form mutually agreed upon.

ARTICLE 29 - ACCESS TO FILES

29.01 Each employee upon request, shall have access to his/her file for the purpose of reviewing any evaluations or formal disciplinary notations contained therein in the presence of his/her supervisor and the union steward if he/she so requests. Each employee upon request, shall be given a copy of his/her evaluation.

Any letter of reprimand or suspension will be removed from the record of an employee twenty-four (24) months following the receipt by the employee of such letter or suspension provided that the employee's record has been discipline free for such twenty-four (24) month period.

ARTICLE 30 - IN-SERVICE TRAINING

30.01(a) Both the Hospital and the Union recognize their joint responsibility and commitment to provide, and to participate in, In-Service and continuing education. The Hospital, will endeavour to provide programs; programs will be posted as to their availability.

(b) No payment, only when mandatory.

ARTICLE 31 - AMBULANCE BASE

31.01 Housekeeping of a light nature, required daily, will be done by the Ambulance personnel. Heavy cleaning such as stripping floors, washing walls or painting, will be done by the Housekeeping Department.

31.02 If a new location for an Ambulance Base is established outside the City Limits, will be discussed prior to change.

31.03 Payment on base meetings only when mandatory.

ARTICLE 32 - DURATION

32.01 Notwithstanding the foregoing provisions, in the event the parties to this Agreement agree to negotiate for its renewal through the process of central bargaining, either party to this Agreement may give notice to the other party of its desire to bargain for amendments on local matters proposed for incorporation in the renewal of this Agreement not earlier than six (6) calendar months nor later than three (3) calendar months prior to the normal termination date of this Agreement. Upon receipt of such notice by one party from the other, both parties will meet within fifteen (15) days thereafter for the purpose of bargaining on local matters.

32.02 This agreement shall continue in effect until October 10, 2001 and shall continue automatically thereafter from year to year unless either party gives notice in writing to the other party within 90 days prior to the expiration date that it desires to amend or terminate this agreement.

It is understood and agreed that "local matters" means those matters which have been determined by mutual agreement between the

Central Negotiating Committees respectively representing each of the parties to this Agreement as being subjects for local bargaining directly between the parties to this Agreement. It is also agreed that local bargaining shall be submitted to such procedures as may be determined by mutual agreement between the Central Negotiating Committees referred to above.

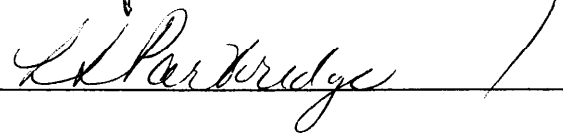

IN WITNESS WHEREOF the party of the First Part has hereby affixed its corporate seal under the hand of its proper officer, and the party of the Second Part has caused its proper officers to affix their signatures the date and year first above written.

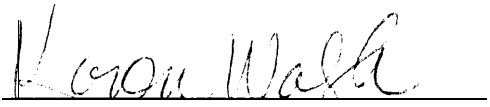

SIGNED THIS 13th day of October 2000.

ADDENDUM TO THE COLLECTIVE AGREEMENT
COVERING THE PART-TIME BARGAINING UNIT

Between:

ROYAL VICTORIA HOSPITAL OF BARRIE
(Hereinafter called the "Employer")
OF THE FIRST PART

And:

SERVICE EMPLOYEES INTERNATIONAL UNION, LOCAL 204
A.F.L., C.I.O., C.L.C.
(Hereinafter called the "Union")
OF THE SECOND PART

WHEREAS THE Ontario Labour Relations Board did on the 21st day of April, 1980, certify the Union as the Bargaining Agent for certain employees of the Employer;

AND WHEREAS the parties hereto have agreed to enter into a Collective Bargaining Agreement upon the terms hereinafter set forth;

NOW THEREFORE THIS AGREEMENT WITNESSETH:

The terms and conditions of the full-time Bargaining Unit Collective Agreement attached to this Addendum will apply to the part-time unit, save and except as modified by this Addendum in the following manner:

1. Recognition

The Employer recognizes the Union as the sole Collective Bargaining Agent for all its employees in Barrie, Ontario regularly employed for not more than twenty-four (24) hours per week and students employed during the school vacation period, save and except professional medical staff, graduate nurses, undergraduate nurses, graduate pharmacists, graduate dietitians, student dietitians, technical personnel, supervisors, persons above the rank of supervisor, office staff and persons covered by subsisting Collective Agreements.

2. Deduction of Union Dues and Interview System

As set out in Article 5 of the Collective Agreement.

3. Definition of Seniority

Part-time employees will accumulate seniority on the basis of one (1) year's seniority for each 1725 hours worked in the bargaining unit as of the last date of hire, except as otherwise provided herein.

Seniority will operate on a bargaining unit wide basis.

Notwithstanding the above, employees hired prior to October 10, 1986 will be credited with the seniority they held under the Agreement expiring November 15, 1985 and will thereafter accumulate seniority in accordance with this Article.

For purposes of accumulation of seniority, transfer of seniority and service, progression on the wage grid and progression on the vacation schedule, all part-time employees' service and seniority shall be converted as at October 10, 1986 on the following basis:

$$\frac{\text{Employees' hours of service}}{1950} \times 1725 = \text{Converted hours of service}$$

4. Job Security

- .01 (a) With respect to the development of any operating or re-structuring plan which may affect the bargaining unit, the Union shall be involved in the planning process as soon as practicable and, in any event, in advance of such plans or proposals being finalized and notices of layoff being issued or other actions taken would adversely affect the bargaining unit and through to the final phases of the process.

(b) Staff Planning Committee

In addition to that, and to any other planning Committee in the Hospital of a more broadly representational make-up, there shall be immediately established a Staff Planning Committee for the bargaining unit, which shall meet during the term of this agreement every three months, unless otherwise mutually agreed by the parties. It shall be the function of the Staff Planning Committee to consider possible ways and means of avoiding or minimizing potential adverse effects upon employees in the bargaining unit, including:

(i) identifying and proposing possible alternatives to any action that the hospital may propose taking;

(ii) identifying and seeking ways to address the retraining needs of employees;

(iii) identifying vacant positions within the Hospital for which surplus members of the bargaining unit might qualify, or such positions which are currently filled but which are expected to become vacant within a twelve (12) month period.

Composition and Meetings

The Committee shall be comprised of equal numbers of representatives of the hospital and from the Union. The number of representatives is to be determined locally, and shall consist of at least two representatives from each party.

Meetings of the Committee shall be held during normal working hours. Representatives attending such meetings during their regularly-scheduled hours of work shall not lose regular earnings as a result of such attendance. The Hospital shall make typing and other such clerical **assistance available as required.**

Each party shall appoint a co-chair for the Committee. Co-chairs shall chair alternate meetings of the Committee and will be jointly responsible for establishing the agenda of the Committee meetings, preparing minutes and writing such correspondence as the Committee may direct.

Disclosure

To allow the Staff Planning Committee to carry out its mandated role under this Article, the Hospital will provide the Committee with pertinent financial and staffing information and with a copy of any reorganization plans which impact on the bargaining unit.

Accountability

The Committee shall submit its written recommendations to the Chief Executive Officer of the Hospital and the Board of Trustees. **Where there** is no consensus within the

Committee, the individual members of the Committee shall be entitled to submit their own recommendations. Any agreement between the Hospital and the Union resulting from the above review concerning the method of implementation will take precedence over the other provisions of this agreement.

10.02 Notice

(a) In the event of a proposed lay-off at the Hospital of a permanent or long-term nature or the elimination of a position within the bargaining unit, the Hospital shall:

(i) provide the Union with no less than five (5) months' written notice of the proposed layoff or elimination of position; and

(ii) provide to the affected employee(s), if any, who will be laid off with no less than five (5) months' written notice of layoff, or pay in lieu thereof.

Note: Where a proposed layoff results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided in (i) above shall be considered notice to the Union of any subsequent layoff.

(b) A layoff shall not include a reassignment of an employee from her or his classification or area of assignment who would otherwise be entitled to notice of layoff provided:

(i) the reassignment of the employee is to an appropriate permanent job with the employer having regard to the employee's skills, abilities, qualification and training or training requirements;

(ii) the reassignment of the employee does not result in a reduction of the employee's wage rate or hours of work;

(iii) the job to which the employee is reassigned is located at the employees original work site or at a nearby site in terms of relative accessibility for the employee;

(iv) the job to which the employee is reassigned is on the same or substantially similar shift or shift rotations; and

(v) where more than one employee is to be reassigned in accordance with this provision, the reassigned employees shall be entitled to select from the available appropriate vacancies to which they are being reassigned in order of seniority provided no such selection causes or would cause a layoff or bumping.

The Hospital bears the onus of demonstrating that the foregoing conditions have been met in the event of a dispute. The Hospital shall also reasonably accommodate any reassigned employee who may experience a personal hardship arising from being reassigned in accordance with this provision.

(c) Any vacancy to which an employee is reassigned pursuant to paragraph (b) need not be posted.

.03 Severance and Retirement Options

(a) Severance Pay

(i) Where an employee resigns within 30 days after receiving notice of layoff pursuant to article 10.02(a)(ii) that his or her position will be eliminated, he or she shall be entitled to a separation allowance of two (2) weeks' salary for each year of continuous service to a maximum of twelve (12) weeks' pay, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of three thousand (\$3,000) dollars.

(ii) Where an employee resigns later than 30 days after receiving notice pursuant to Article 10.02(a)(ii) that his or her position will be eliminated, he or she shall be entitled to a separation allowance of four (4) weeks' salary, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of one thousand, two hundred and fifty (\$1,250) dollars.

(b) Retirement Allowance

Prior to issuing notice of layoff pursuant to Article 10.02(a)(ii) in any classification(s), the Hospital will offer early retirement allowance to a sufficient number of employees eligible for early retirement under HOOPP within the classification(s) in order of seniority, to the extent that the maximum number of employees within a classification who elect early retirement is equivalent to the number of employees within the classification(s) who would otherwise receive notice of layoff under Article 10.02(a)(ii).

Within thirty (30) days from the date of notice of lay-off, an employee who has received notice of lay-off of a permanent or long-term nature may retire provided that the employee is eligible to retire under the terms of the Hospitals of Ontario Pension Plan. An employee who chooses this option forfeits her right to notice and will receive severance pay on the basis of two (2) week's pay for each year of service with the Hospital to a maximum of twenty-six (26) weeks on the basis of the employees normal weekly earnings. In addition, full-time employees will receive a lump sum payment equal to \$1,000.00 for every year less than age 65, to a maximum of \$5,000.00.

Note: The Hospital may offer any employee a retirement option as provided above, in order to avoid potential layoffs in the unit.

(c) A full-time employee who has completed one year of service and

(i) whose layoff is permanent, or

(ii) who is laid off for 26 weeks in any 52 week period, and who has not elected to receive a severance payment under either (a) or (b) of this Article,

shall be entitled to severance pay equal to the greater of two weeks' pay, or one week's pay per year of service to a maximum of 26 week's pay. This entitlement shall not be in addition to any entitlement to severance pay under the Employment Standards Act, but at the same time, shall not preclude an employee from claiming any greater

entitlement which that Act may at some point come to provide.

An employee may elect to defer receipt of this severance payment while his or her recall rights are still in effect. Once an employee does opt to receive the severance payment, he or she shall be deemed to have resigned, and his or her recall rights shall be extinguished.

.04 Regional Staff Planning Committees

The central parties agree to establish Regional Staff Planning Committees to facilitate the redeployment of laid off employees among the Participating Hospitals.

To achieve this objective the Hospital Staff Planning Committee will forward to the Regional Staff Planning Committee a list of the names and addresses of laid off employees who have expressed an interest in working at other Participating Hospitals and who undertaken skills assessment procedures provided by any government training agency, such as HTAP, that may be in place.

In filling vacancies not filled by bargaining unit members the Hospitals are encouraged to give first consideration to laid off employees who are on the list and who are qualified to perform the work. For benefit-entitlement purposes, it is recognized that hospitals shall be free to grant to any employees hired through this process full credit for service earned with another hospital.

The size structure, composition, and activities of each Committee will be mutually determined by the parties, and application will be made to any available funding source for the funding of administrative expenses.

.05 Lay-off and Recall

- (a) In the event of lay-off, the Hospital shall lay off employees in the reverse order of their seniority within their classification, providing that there remain on the job employees who then have the ability to perform the work.
- (b) An employee who is subject to lay-off shall have the right to either:

(i) accept the lay-off; or

(ii) displace an employee who has lesser bargaining-unit seniority and who is the least senior employee in a lower or identical paying classification in the bargaining unit if the employee originally subject to lay-off can perform the duties of the lower or identical classification without training other than orientation. Such employee so displaced shall be laid off.

Note: An identical paying classification shall include any classification where the straight time hourly wage rate at the level of service corresponding to that of the laid off employee is within 1% of the laid off employee's straight time hourly wage rate.

In the event that there are no employees with lesser seniority in lower or identical paying classifications as defined in this Article, a laid off employee will have the right to displace an employee with lesser seniority, who is the least senior employee in a classification where the straight time hourly rate at the level of service corresponding to that of the laid off employee is within 5% of the laid off employee's straight time hourly rate provided he can perform the duties without training other than orientation. Such employee so displaced shall be laid off.

(iii) The decision of the employee to choose (a) or (b) above shall be given in writing to the designated hospital representative within ten (10) working days (excluding Saturday, Sunday and Holidays) following the notification of the lay-off. Employees failing to do so will be deemed to have accepted lay-off.

(c) An employee shall have opportunity of recall from a lay-off to an available opening, in order of seniority, provided he has the ability to perform the work before such opening is filled on a regular basis under a job posting procedure. The posting procedure in the collective agreement shall not apply until the recall process has been completed.

(d) In determining the ability of an employee to perform the work for the purposes of the paragraphs above, the Hospital shall not act in an arbitrary or unfair manner.

- (e) An employee recalled to work in a different classification from which he was laid off shall have the privilege of returning to the position he held prior to the lay-off should it become vacant within six (6) months of being recalled.
- (f) No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.
- (g) It is the sole responsibility of the employee who has been laid off to notify the Hospital of his intention to return to work within five (5) working days (exclusive of Saturdays, Sundays and paid holidays) after being notified to do so by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to have been received on the second day following the date of mailing) and to return to work within ten (10) working days after being notified. The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his proper address being on record with the Hospital.
- (h) Employees on lay-off or notice of lay-off shall be given preference for temporary vacancies which are expected to exceed (10) working days. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay-off.
- (i) No full-time employee within the bargaining unit shall be laid off by reason of his/her duties being assigned to one or more part-time employees.
- (j) In the event that a lay-off commenced on the day immediately following a paid holiday, an employee otherwise qualified for holiday pay shall not be **disentitled** thereto solely because of the day on which the lay-off commenced.
- (k) A laid off employee shall retain the rights of recall for a period of twenty-four (24) months from the date of lay-off.

.06 Benefits on Lay-off

In the event of a lay-off of a full-time employee, the Hospital shall pay its share of insured benefits premium up to three (3) months from the end of the month in which the lay-off occurs or until the laid off employee is employed elsewhere, whichever occurs first.

5. Hours of Work

The Hours of Work and Overtime shall be as set out in Article 16.

The standard daily hours of work shall be reduced to seven and one half not including a one half hour unpaid meal break. Hospitals where employees currently work less than seven and one half hours shall maintain the existing provisions.

6. Uniform Allowance

Chosen, maintained, and paid for by the Employer, and will remain the property of the Employer. This article does not apply to R.P.N.'s.

7. Paid Holidays

The recognized Holidays for this Agreement shall be:

New Year's Day	Labour Day
Canada Day	Thanksgiving Day
Good Friday	Christmas Day
Civic Holiday	Boxing Day
Victoria Day	3rd Monday in February
Employees Birthday	November 11

Employees who are required to work on a Holiday will be paid at time and one-half (1 1/2) his regular straight time rate of pay for all hours worked.

A shift that begins or ends during the twenty-four (24) hour period of the above Holidays, where the majority of hours worked falls within the Holiday, shall be deemed to be work performed on the Holiday for the full period of the shift.

8. Vacations

Effective October 10, 1986, and subject to maintaining any superior conditions concerning entitlement, vacation entitlement shall be as follows:

(a) Part-time Vacation Pay

Vacations with pay will be granted in accordance with the following:

Vacation periods, calculations of pay, continuous service and pay distributions will be based on a vacation fiscal year. This fiscal year will be from April 1st to March 31st.

- (b) A part time employee who has completed less than 3,450 hours of continuous service, as of March 31st, shall receive four percent (4%) of gross earnings.

For the purpose of this article, gross earnings include, in part, percentage in lieu of benefits and exclude vacation pay.

- (c) Employees who have completed three thousand, four hundred and fifty hours (3,450) or more of continuous service by March 31st, of any year, shall receive an annual vacation of three (3) weeks vacation at six percent (6%) of their total earnings.
