SERVICE EMPLOYEES INTERNATIONAL UNION, LOCAL 204
A.F. of L., C.I.O., C.L.C.
SERVICE AGREEMENT
Hereinafter referred to as the "Union"
OF THE SECOND PART

ARTICLE 1 - PURPOSE

1.01 To maintain the existing harmonious relations, goodwill and settled conditions of employment between the Hospital and the Union;

1.02 To recognize the mutual value of joint discussion and negotiations in all matters pertaining to working conditions;

1.03 To encourage efficiency in operation;

1.04 To promote the morale, well-being and security of all the employees in the Bargaining Unit of the Union;

1.05 To recognize the common dependence of the Hospital and of its employees upon the welfare of the Hospital as a whole; recognizing that mutual respect between the Hospital and the employee can contribute greatly to that welfare.

ARTICLE 2 - SCOPE AND RECOGNITION

2.01 The Hospital recognizes the Union as the sole bargaining agent of all employees of Etobicoke General Hospital in Rexdale, Ontario save and except professional Medical Staff, Graduate Nursing staff, undergraduate nursing staff, graduate pharmacists, graduate dietitians, student dietitians, technical personnel, supervisors, persons above the rank of supervisors, office and clerical staff, security guards, persons regularly employed for not more than 24 hours per week and students employed during the school vacation period and persons covered under existing collective agreements.

ARTICLE 3 - MANAGEMENT RIGHTS

3.01 The Union recognizes that the management of the Hospital and the direction of the working force are fixed exclusively in the Hospital and shall remain solely with the Hospital except as specifically limited by the express provisions of this Agreement. Without restricting the generality of the foregoing, the Union acknowledges that it is the exclusive function of the Hospital to:

- (a) Maintain order, discipline and efficiency;
- (b) Hire, discharge, lay-off and suspend or otherwise discipline employees for cause provided that a claim of discriminatory classification, promotion, demotion, or transfer or a claim that an employee has been unjustly discharged or disciplined may be the subject of a grievance and dealt with in accordance with the Grievance Procedure.
- (c) Establish and enforce rules and regulations to be observed by employees, provided that they are not inconsistent with the provisions of this Agreement;
- (d) Generally to manage and operate the Hospital in all respects in accordance with its obligations and without restricting the generality of the foregoing, to determine the kinds and locations of machines, equipment to be used, the allocation and number of employees required from time to time, the standards of performance for all employees and all other matters concerning the Hospital's operations, not otherwise specifically dealt with elsewhere in this Agreement.

ARTICLE 4 - DEFINITIONS

4.01 Temporary Employees

Employees may be hired for a specified term, not to exceed six (6) months, to replace an employee on leave or to perform a special non-recurring task. This term may be extended a further six (6) months on mutual agreement of the Union, employee and Hospital, or by the Hospital on its own up to 12 months where the leave of the person being replaced extends that far. The period of employment of such persons will not exceed the absentee's leave. The release

or discharge of such persons shall not be the subject of a grievance or arbitration.

This clause would not preclude such employees from using the job posting provision under the Collective Agreement and any successful applicant who has completed his probation period will be credited with the appropriate seniority.

The Hospital will outline to employees selected to fill such temporary vacancies and the Union, the circumstances giving rise to the vacancy, and the special conditions relating to such employment.

4.02 Where the masculine or singular pronoun is used, it shall mean and include the feminine or the plural pronoun where the context so requires, and vice versa.

ARTICLE 5 - UNION SECURITY

5.01 Union Dues

As a condition of employment, the Hospital will deduct from each employee covered by this Agreement an amount equal to the regular monthly Union dues designated by the Union.

Such dues shall be deducted from the first pay of each month for full-time employees, and may be deducted from every pay for part-time employees. In the case of newly hired employees, such deductions shall commence in the month following their date of hire.

The amount of the regular monthly dues shall be those authorized by the Union and the Union shall notify the Hospital of any changes therein and such notification shall be the Hospital's conclusive authority to make the deductions specified.

In consideration of the deducting of Union dues by the Hospital, the Union agrees to indemnify and save harmless the Hospital against any claims or liabilities arising or resulting from the operation of this Article.

Dues deducted by the 15th of the month shall be remitted monthly to the Union, no later than the end of the month in which the dues were deducted.

5.02 Interview Period

It is mutually agreed that arrangements will be made for a Union Representative to interview each new employee who is not a member of the Union once during the second calendar month of employment for the purpose of informing such employee of the existence of the Union in the Hospital and of ascertaining whether the employee wishes to become a member of the Union. The Employer shall advise the Union monthly as to the names of the new employees, along with their hiring date. The Union Representative shall be permitted to interview each new employee for a period of fifteen (15) minutes during the orientation period without loss of pay.

5.03 Employee Lists

The Employer shall deduct the Union dues from the first pay cheque of each employee each month and shall send all of the monies so collected to the Secretary-Treasurer of the Union on or before the 25th day of the month in which the deductions were made together with a list of the names of the employees from whose pay cheques deductions have been made and also the names **of** any employees terminated since the last payment.

Seniority lists shall be established for all employees who have completed their probationary period based on each employee's last day **of** hiring. A copy **of** the seniority list will be filed with the Union and the Chief Steward, within thirty (30) days of the execution of this Agreement. Thereafter seniority lists, including Social Insurance Number will be supplied to the Union and the Chief Steward twice yearly. (March and September). In addition to the foregoing, the Hospital will supply the Union and the Chief Steward with the addresses of new employees when they are placed on the checkoff list for the first time.

5.04 The Union will save the Hospital harmless from any and all claims against it for the deductions made as set out above.

ARTICLE 6 - NO STRIKES/LOCKOUT

6.01 The Union agrees that there will be **no** strikes and the Hospital agrees that there will be no lockouts. The term "strike" and "lockout" shall bear the meaning given them in the Ontario Labour Relations Act. Violation of this article shall render any employee liable to discipline or dismissal, but a claim of unjust

Dismissal or treatment may be subject of a grievance, and be dealt with under the appropriate section of this Agreement.

ARTICLE 7 - UNION REPRESENTATION AND COMMITTEES

7.01 Grievance Committee

- (a) The Hospital will recognize a Grievance Committee composed of the Chief Steward and not more than three (3) employees selected by the Union who have completed their probationary period. A general representative of the Union may be present at any meeting of the Committee. The purpose of the Committee is to deal with complaints or grievances as set out in this Collective Agreement.
- (b) The Union shall keep the Hospital notified in writing of the names of the members of the Grievance Committee appointed or selected under this Article as well as the effective date of their respective appointments.
- (c) A Committee member shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending grievance meetings with the Hospital up to, but not including arbitration.

7.02 Union Stewards

- (a) The Hospital agrees to recognize Union stewards to be elected or appointed from amongst employees in the bargaining unit who have completed their probationary period for the purpose of dealing with Union business as provided under this Collective Agreement.
- (b) A Chief Steward may be appointed or elected. The Chief Steward may, in the absence of any steward, assist in the presentation of any grievance, or with any steward function.
- (c) The Union shall keep the Hospital notified in writing of the names of Union stewards appointed or selected under this Article as well as the effective date of their respective appointments.
- (d) It is agreed that Union stewards have their regular duties and responsibilities to perform for the Hospital

and shall not leave their regular duties without first obtaining permission from their immediate supervisor. If, in the performance of his duties, a Union steward is required to enter an area within the Hospital in which he is not originally employed, he shall report his presence to the supervisor in the area immediately upon entering it. Such permission shall not be unreasonably withheld. When resuming his regular duties and responsibilities, such steward shall again report to his immediate supervisor. A Union steward shall suffer no **loss** of earnings for time spent in performing the above duties during his regular scheduled working hours.

- (e) Nothing in this Article shall preclude full-time stewards from representing part-time employees and vice versa.
- (f) The number of stewards and the areas which they represent, are to be determined locally.
- (g) The Employer will recognize a Union Administrative Committee consisting of eleven (11) Stewards, one (1) of which shall be the Chief Steward, selected by the Union, not more than three of which committee members shall meet with management at any one time. The representation by Stewards shall be structured as follows:

Registered Nursing Assistants	2
Orderlies and Porters	1
Maintenance & Purchasing	1
Housekeeping	2
Dietary	2
S.P.D.	2

- (h) The Union acknowledges that the members of the Union Administrative Committee must continue to perform their regular duties, and that as far as possible all activities of the committee will be carried on outside of the regular working hours of the member thereof, unless otherwise mutually arranged.

7.03 Central Bargaining Committee

In future central bargaining between the Service Employees International Union and the participating hospitals, an employee serving on the Union's Central Negotiating Committee shall be paid for time lost from his normal straight time working hours at his

regular rate of pay and without loss of leave credits for attending central negotiating meetings with the Hospitals' Central Negotiating Committee in direct negotiations up to the point of arbitration. Upon reference to arbitration, the Negotiating Committee members shall receive unpaid time off for the purpose of attending arbitration hearings.

It is understood and agreed that the maximum number of Union Central Negotiating Committee members entitled to payment under this provision shall be seven, and in no case will more than one employee from a hospital be entitled to such payment.

The Union shall advise the Hospitals' Central Negotiating Committee, before negotiations commence, of those employees to be paid under this provision. The Hospitals' Central Negotiating Committee shall advise the seven Hospitals accordingly.

7.04 Local Negotiating Committee

- (a) The Hospital agrees to recognize a Negotiating Committee comprising of four (4) members to be elected, or appointed from amongst employees in the bargaining unit, who have completed their probationary period.
- (b) Where the Hospital participates in central bargaining, the purpose of the Negotiating Committee shall be to negotiate local issues as defined.
- (c) Where the Hospital does not participate in central bargaining, the purpose of the Negotiating Committee shall be to negotiate a renewal of this Collective Agreement.
- (d) The Hospital agrees that the members of the Negotiating Committee shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending such negotiating meetings with the Hospital up to, but not including, arbitration.
- (e) Nothing in this provision is intended to preclude the Union Negotiating Committee from having the assistance of any representatives of the Union when negotiating with the Hospital.
- (f) The number of employees on the Negotiating Committee shall be determined locally.

ARTICLE 8 - GRIEVANCE AND ARBITRATION

8.01 For the purpose **of** this Agreement, a grievance or complaint is defined as a difference arising either between a member of the bargaining unit and the Hospital or between the parties hereto relating to the interpretation, application, administration or alleged violation of the Agreement.

8.02 The grievance shall identify the nature of the grievance, the remedy sought, and should, where possible specify the provisions of the Agreement which are alleged to have been violated.

8.03 At the time formal discipline is imposed or at any stage of the grievance procedure an employee shall have the right, to the presence of his/her steward. In the case of suspension or discharge, the Hospital shall notify the employee of this right in advance.

Where the Hospital deems it necessary to suspend or discharge an employee, the Hospital shall notify the Union **of** such suspension or discharge in writing, within three (3) days.

8.04 It is the mutual desire of the parties hereto that complaints shall be adjusted **as** quickly as possible, and it is understood that an employee has no grievance until he has first given his immediate supervisor the opportunity of adjusting his complaint. The grievor may have the assistance **of** a union steward if he **so** desires.

Such complaint shall be discussed with his immediate supervisor within five (5) days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention **of** the employee.

Failing settlement within the five (5) days, it shall then be taken up as a grievance within five (5) days following his immediate supervisor's decision in the following manner and sequence.

Step 1

The employee shall submit the grievance, in writing, and signed by him, to his immediate supervisor. The employee may **be** accompanied **by** a Union steward. The immediate supervisor will deliver his decision in writing within five (5) days following the day on which the written grievance was presented to him. Failing settlement then:

Step 2

Within five (5) days following the decision under Step 1 the employee, accompanied by a union steward, or the union steward shall submit the written grievance to his Department Head, who will deliver his decision in writing within five (5) days following the day on which the grievance was presented to him.

This step may be omitted where the employee's immediate supervisor and Department Head are the same person. Failing settlement then:

Step 3

Within five (5) days following the decision in the immediately preceding step, the grievance shall be submitted in writing to the Chief Executive Officer of the Hospital or the designated Hospital representative.

A meeting will then be held between the Chief Executive Officer **or** the designated Hospital representative and the designated union representatives who may be accompanied by the general representative of the Union, within five (5) days of the submission **of** the grievance at Step 3, unless extended by mutual agreement **of** the parties.

The decision of the Hospital shall be delivered in writing within ten (10) days following the date of such meeting.

8.05 Policy Grievance

A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step 3 within ten (10) days following the circumstances giving rise to the grievance.

It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which he could have instituted himself and the regular grievance procedure shall not be thereby by-passed.

Where the grievance is a Hospital grievance it shall be filed with the Grievance Committee.

8.06 Group Grievance

Where a number of employees have identical grievances, and each one would be entitled to grieve separately, they may present a group grievance, in writing identifying each employee who is grieving, to the Department Head, or his designate within ten (10) days after the circumstances giving rise to the grievance have occurred. The grievance shall then be treated as being initiated at Step 2 and the applicable provisions of this Article shall then apply with respect to the handling of such grievance.

8.07 Discharge Grievance

If an employee, who has completed his probationary period, claims that he has been unjustly discharged, such claim must be submitted by the employee, who may be accompanied by a union steward, or by the union steward at Step 3 of the grievance procedure to the Hospital within five (5) days following the date the discharge is effective.

Such grievance may be settled under the Grievance and Arbitration procedure by:

- (a) confirming the Hospital's action in discharging the employee, or
- (b) reinstating the employee with up to full seniority for time lost and up to full compensation for time lost,.
- (c) any other arrangement which may be deemed just and equitable.

8.08 Failing settlement under the foregoing procedure, any grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within ten (10) days after the decision under Step 3 is given, the grievance shall be deemed to have been abandoned.

8.09 All agreements reached, under the grievance procedure, between the representatives of the Hospital and representatives of the Union will be final and binding upon the Hospital, the Union and the employee(s).

8.10 When either party requests that any matter be submitted to Arbitration as provided in this Article, it shall make such request in writing addressed to the other party to this Agreement, and at

he same time appoint a nominee. Within five (5) days thereafter, the other party shall appoint its nominee, provided however, that if such party fails to appoint its nominee as herein required, the Minister of Labour for the Province of Ontario shall have the power to make such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees shall attempt to agree upon a chairman of the Arbitration Board. If they are unsuccessful in agreeing upon such a chairman within a period of ten (10) days of the appointment of the second nominee, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.

8.11 No person may be appointed to the Arbitration Board who has been involved in an attempt to negotiate or settle the grievance.

8.12 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.

8.13 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.

8.14 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority, and where there is no majority, the decision of the Chairman, will be final and binding upon the parties hereto and the employee or employees concerned.

8.15 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the Chairman of the Arbitration Board.

8.16 Saturdays, Sundays and Holidays are not to be counted in the time limits as set out in this Article.

8.17 Wherever Arbitration Board is referred to in the Agreement, the parties hereto may mutually agree in writing, to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

ARTICLE 9 - SENIORITY

9.01 Probationary Period

A new employee will be considered on probation until he has completed forty-five days of work within any twelve calendar months. Upon completion of the probationary period he shall be credited with seniority equal to forty-five working days. With the written consent of the Hospital, the probationary employee, and the President of the Local Union or designate, such probationary period may be extended. Any extension agreed to will be in writing and will specify the length of the extension. The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration and is at the sole discretion of the Hospital.

9.02 Definition of Seniority

Full-time employees will accumulate seniority on the basis of their continuous service in the bargaining unit from the last date of hire, except **as** otherwise provided herein.

Seniority will operate on a bargaining unit wide basis.

Notwithstanding the above, employees hired prior **to** October 10, 1986 will **be** credited with the seniority they held under the Agreement expiring November 15, 1985 and will thereafter accumulate seniority in accordance with this Article.

9.03 Transfer of Service and Seniority

Effective October 10, 1986, and for employees who transfer subsequent to October 10, 1986, an employee whose status is changed from full-time to part-time shall receive credit for his/her full service and seniority. **An** employee whose status is changed from part-time to full-time shall receive credit for seniority and service on the basis of one (1) year equals 1725 hours worked, and will be enrolled in the employee benefit plans subject to meeting any waiting period or other requirements of those plans.

Employees hired prior to October 10, 1986 will **be** credited with the service and seniority they held under the Collective Agreement expiring November 15, 1985.

.04 Loss of Seniority

An employee shall lose all seniority and shall be deemed terminated if:

- (a) employee quits;
- (b) employee is discharged and the discharge is not reversed through the grievance and arbitration procedure;
- (c) employee is absent from scheduled work for a period of three or more consecutive working days without notifying the Hospital of such absence and providing a reason satisfactory to the Hospital;
- (d) employee fails to return to work upon the expiration of a leave of absence or utilizes a leave of absence for a purpose other than that for which it was granted;
- (e) employee has been laid off for twenty-four (24) months;
- (f) employee fails upon being notified of a recall to signify his intention to return within five (5) working days after he has received the notice of recall, and fails to report to work within ten (10) working days after he has received the notice of recall;
- (g) employee is absent due to illness or disability which absence continues for thirty (30) calendar months from the time the disability or illness commenced.

Note: This clause shall be interpreted in a manner consistent with the provisions of the Ontario Human Rights Code.

9.05 Effect of Absence

- (a) It is understood that during an approved unpaid absence not exceeding 30 continuous days or any approved absence paid by the Hospital, both seniority and service will accrue.
- (b) During an unpaid absence exceeding 30 continuous calendar days, credit for service for purposes of salary increment, vacation, sick leave, or any other benefits under any provisions of the Collective Agreement or

elsewhere, shall be suspended for the period of the absence in excess of thirty (30) continuous calendar days, the benefits concerned appropriately reduced on a pro rata basis and the employee's anniversary date adjusted accordingly. In addition, the employee will become responsible for full payment of subsidized employee benefits in which he/she is participating for the period of the absence except that the Hospital will continue to pay its share of the premiums for up to eighteen (18) months while an employee is in receipt of W.C.B. benefits. Notwithstanding this provision, service shall accrue for a period of fifteen (15) weeks if an employee's absence is due to a disability resulting in W.C.B. benefits.

- (c) It is further understood that during such unpaid absence, credit for seniority for purposes of promotion, demotion, transfer or lay-off shall be suspended and not accrue during the period **of** absence. Notwithstanding this provision seniority shall accrue for a period of eighteen (18) months if an employee's absence is due to a disability resulting in W.C.B. benefits or LTD benefits, or for a period of one (1) year if an employee's unpaid absence is due to an illness.

9.06 Change of Address

It shall be the obligation **of** employees to notify the Hospital of any change in address or telephone number. The Hospital shall be entitled to rely on the **last** address and telephone number furnished by the employee for all purposes.

ARTICLE 10 - JOB SECURITY

- 10.01(a) With respect to the development of any operating or re-structuring plan which may affect the bargaining unit, the Union shall be involved in the planning process from the early phases through to the final phases **of** the process.

- (b) Staff Planning Committee

In addition to that, **and to** any other planning committee in the Hospital of a more broadly representational make-up there shall be immediately established a Staff

Planning Committee for the bargaining unit, which shall meet during the term of this agreement every three months, unless otherwise mutually agreed by the parties. It shall be the function of the Staff Planning Committee to consider possible ways and means of avoiding or minimizing potential adverse effects upon employees in the bargaining unit, including:

(i) identifying and proposing possible alternatives to any action that the Hospital may propose taking;

(ii) identifying and seeking ways to address the retraining needs of employees;

(iii) identifying vacant positions within the Hospital for which surplus members of the bargaining unit might qualify, or such positions which are currently filled but which are expected to become vacant within a twelve (12) month period.

Composition and Meetings

The Committee shall be comprised of equal numbers of representatives of the hospital and from the Union. The number of representatives is to be determined locally, and shall consist of at least two representatives from each party.

Meetings of the Committee shall be held during normal working hours. Representatives attending such meetings during their regularly-scheduled hours of work shall not lose regular earnings as a result of such attendance. The Hospital shall make typing and other such clerical assistance available as required.

Each party shall appoint a co-chair for the Committee. Co-chairs shall chair alternate meetings of the Committee and will be jointly responsible for establishing the agenda of the Committee meetings, preparing minutes and writing such correspondence as the Committee may direct.

Disclosure

To allow the Staff Planning Committee to carry out its mandated role under this Article, the Hospital will provide the Committee with pertinent financial and

staffing information and with a copy of any reorganization plans which impact on the bargaining unit.

Accountability

The Committee shall submit its written recommendations to the Chief Executive Officer of the Hospital and the Board of Trustees. Where there is no consensus within the Committee, the individual members of the Committee shall be entitled to submit their **own** recommendations. **Any** agreement between the Hospital and the Union resulting from the above review concerning the method of implementation will take precedence over the other provisions **of** this agreement.

10.02 Notice of Lay-off

In the event of a proposed layoff at the Hospital of a permanent or long-term nature or the elimination of a position within the bargaining unit, the Hospital shall:

(i) provide the Union with no less than six (6) months' written notice **of** the proposed layoff or elimination of position; and

(ii) provide to the affected employee(s), if any, **no** less than six (6) months' written notice of layoff, or pay in lieu thereof.

Note: Where a proposed layoff results in the subsequent displacement **of** any member(s) **of** the bargaining unit, the original notice to the Union provided in (i) above shall **be** considered notice to the Union **of** any subsequent layoff.

10.03 Severance and Retirement Options

(a) Severance Pay

Within the lesser **of** thirty (30) days from the date of notice of **layoff** or the notice provided above an employee with more than twelve (12) months service with the Hospital **who** has received notice **of layoff** of a permanent or long-term nature may resign, forfeiting the right to notice. Such employees will receive the balance of the notice as severance pay.

Note: In accordance with the Mitchnick Board's supplementary award dated February 24, 1997, notwithstanding Article 10.02, notice for the purposes of severance pay under Article 10.03(a) is to be calculated on the basis of 2 weeks per year of service to a maximum of 12 weeks. **Thus** the balance of the notice referred to above will be the balance of up to 12 weeks as applicable.

(b) Retirement Allowance

Prior to issuing notice of layoff pursuant to Article 10.02 (a) (ii) in any classification(s), the Hospital will offer early-retirement allowance to a sufficient number of employees eligible for early retirement under HOOPP within the classification(s) in order of seniority, to the extent that the maximum number of employees within a classification who elect early retirement is equivalent to the number of employees within the classification(s) who would otherwise receive notice of layoff under Article 10.02(a) (ii).

Within thirty (30) days from the date of notice of lay-off, an employee who has received notice of lay-off of a permanent or long-term nature may retire provided that the employee is eligible to retire under the terms of the Hospitals of Ontario Pension Plan. **An** employee who chooses this option forfeits her right to notice and will receive severance pay on the basis of one (1) week's pay for each year of service with the Hospital to a maximum of twenty-six (26) weeks on the basis of the employees normal weekly earnings. In addition, full-time employees will receive a lump sum payment equal to \$1,000.00 for every year less than age 65, to a maximum of \$5,000.00

Note: The Hospital may offer any employee a retirement option as provided above, in order to avoid potential lay-offs in the unit.

(c) A full-time employee who has completed one year of service and

(i) whose lay-off is permanent, or

(ii) who is laid off for 26 weeks in any 52 week period, and who has not elected to receive a severance payment under either (a) or (b) of this Article,

shall be entitled to severance pay equal to the greater of two week's pay, or one week's pay per year of service to a maximum of 26 weeks' pay. This entitlement shall not be in addition to any entitlement to severance pay under the Employment Standards Act, but at the same time, shall not preclude an employee from claiming any greater entitlement which that Act may at some point come to provide.

An employee may elect to defer receipt of this severance payment while his or her recall rights are still in effect. Once an employee does opt to receive the severance payment, he or she shall be deemed to have resigned, and his or her recall rights shall be extinguished.

10.04 Regional Staff Planning Committees

The central parties agree to establish Regional Staff **Planning** Committees to facilitate the redeployment of laid off employees among the Participating Hospitals.

To achieve this objective the Hospital Staff Planning Committee will forward to the Regional Staff Planning Committee a list of the names and addresses of laid off employees who have expressed an interest in working at other Participating Hospitals and who have undertaken skills assessment procedures provided by any government training agency, such as HSTAP, that may be in place.

In filling vacancies not filled **by** bargaining unit members the Hospitals are encouraged to give first consideration to laid off employees who are on the list and who are qualified to perform the work. For benefit-entitlement purposes, it is recognized that hospitals shall be free to grant to any employees hired through this process full credit for service earned with another hospital.

The size, structure, composition, and activities of each Committee will be mutually determined by the parties, and application will be made to any available funding source for the funding of administrative expenses.

3.05 Lay-off and Recall

- (a) In the event of lay-off, the Hospital shall lay off employees in the reverse order of their seniority within their classification, providing that there remain on the job employees who then have the ability to perform the work.
- (b) **An** employee who is subject to lay-off shall have the right to either:

- (i) accept the lay-off; or

- (ii) displace an employee who has lesser bargaining-unit seniority and who is the least senior employee in a lower or identical paying classification in the bargaining unit if the employee originally subject to lay-off can perform the duties of the lower or identical classification without training other than orientation. Such employee so displaced shall be laid off.

Note: **An** identical paying classification shall include any classification where the straight time hourly wage rate at the level of service corresponding to that of the laid off employee is within 1% of the laid off employee's straight time hourly wage rate.

In the event that there are no employees with lesser seniority in lower or identical paying classifications as defined in this Article, a laid off employee will have the right to displace an employee with lesser seniority, who is the least senior employee in a classification where the straight time hourly rate at the level of service corresponding to that of the laid off employee is within 5% of the laid off employee's straight time hourly rate provided he can perform the duties without training other than orientation. Such employee so displaced shall be laid off.

- (iii) The decision of the employee to choose (a) or (b) above shall be given in writing to the designated hospital representative within ten (10) working days (excluding Saturday, Sunday and Holidays) following the notification of lay-off. Employees failing to do so will be deemed to have accepted lay-off.

- (c) **An** employee shall have opportunity of recall from a lay-off to an available opening, in order of seniority, provided he has the ability to perform the work before such opening is filled on a regular basis under a job posting procedure. The posting procedure in the collective agreement shall not apply until the recall process has been completed.
- (d) In determining the ability of an employee to perform the work for the purposes of the paragraphs above, the Hospital shall not act in an arbitrary or unfair manner.
- (e) **An** employee recalled to work in a different classification from which he was laid off shall have the privilege of returning to the position he held prior to the lay-off should it become vacant within **six (6)** months of being recalled.
- (f) No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.
- (g) It is the sole responsibility of the employee who has been laid off to notify the Hospital of his intention to return to work within five (5) working days (exclusive of Saturdays, Sundays and paid holidays) after being notified to do so by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to have been received on the second day following the date of mailing) and to return to work within ten (10) working days after being notified. The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his proper address being on record with the Hospital.
- (h) Employees on lay-off or notice of lay-off shall be given preference for temporary vacancies which are expected to exceed (10) working days. **An** employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay-off.

- (i) No full-time employee within the bargaining unit shall be laid off by reason of his/her duties being assigned to one or more part-time employees.
- (j) In the event that a lay-off commenced on the day immediately following a paid holiday, an employee otherwise qualified for holiday pay shall not be disentitled thereto solely because of the day on which the lay-off commenced.
- (k) A laid off employee shall retain the rights of recall for a period of twenty-four (24) months from the date of lay-off.

10.06 Benefits on Lay-off

In the event of a lay-off of a full-time employee, the Hospital shall pay its share of insured benefits premium up to three (3) months from the end of the month in which the lay-off occurs or until the laid off employee is employed elsewhere, whichever occurs first.

ARTICLE 11 - JOB POSTING

11.01 Where a permanent vacancy occurs in a classification within the bargaining unit or a new position within the bargaining unit is established by the Hospital, such vacancy shall be posted by the Hospital for a period of seven (7) days excluding Saturday, Sunday and Holidays. Vacancies created by the filling of an initial permanent vacancy within the bargaining unit shall be posted for a period of three (3) consecutive days excluding Saturday, Sunday and holidays. All applications are to be made in writing within the posting period.

11.02 The postings referred to in Article 11.01 shall stipulate the qualifications, classification, rate of pay, department and shift and a copy shall be provided to the Chief Steward.

11.03 Employees shall be selected for positions under Article 11.01 on the basis of their ability, experience and qualifications. Where these factors are relatively equal amongst the employees considered, seniority shall govern providing the successful applicant, if any, is qualified to perform the available work. The name of the successful applicant will be posted on the bulletin board and unsuccessful applicants will be notified.

11.04 Where there are no successful applicants from within this bargaining unit for positions referred to in Article 11.01 employees in other SEIU service bargaining units at the Hospital will be considered for such positions prior to considering persons not employed by the Hospital. The employees eligible for consideration shall be limited to those employees who have applied for the position in accordance with Article 11.01 and selection shall be made in accordance with Article 11.03 above.

11.05 Vacancies which are not expected to exceed six (6) months will not be posted and may be filled at the discretion of the Hospital. In filling such vacancies consideration shall be given to part-time employees in SEIU service bargaining units who have recorded their interest in writing, prior to considering persons not employed by the Hospital. In considering such part-time employees the criteria for selection in 11.03 shall apply. Part-time employees selected to fill a vacancy under this Article will continue to maintain their part-time status and upon completion of the assignment the employee will return to his former position.

11.06 The Hospital shall have the right to fill any vacancy on an interim basis until the posting procedure provided herein has been complied with, and arrangements have been made to assign the employee selected to fill the vacancy to the job. No grievance may be filed concerning such temporary arrangements.

11.07 The successful applicant will be placed in the vacancy for a trial period not exceeding forty-five (45) working days and if the employee proves satisfactory, then he shall be considered permanently assigned to the vacancy. If the employee proves unsatisfactory during that time, or if the employee feels he is unable to perform the duties of the vacancy to which he is posted, the employee will be returned to his former position at his former salary or rate of pay, as will any other employee in the Bargaining Unit who was promoted or transferred by reason of such placing. Newly hired employees shall be terminated and such termination shall not be subject to the grievance and arbitration procedure.

11.08 Successful applicants and newly hired employees will not be permitted to apply for job postings or any subsequent vacancies for a period of six (6) months, unless otherwise mutually agreed.

ARTICLE 12 - NO CONTRACTING OUT

12.01 The Hospital shall not contract out any work usually performed by members of the bargaining unit if, as a result of such contracting out, a layoff of any employees other than casual part-time employees results from such contracting out.

12.02 Notwithstanding the foregoing, the hospital may contract out work usually performed by members of the bargaining unit without such contracting-out constituting a breach of this provision if the hospital provides in its commercial arrangement contracting out the work that the contractor to whom the work is being contracted, and any subsequent such contractor, agrees:

- (1) to employ the employees thus displaced from the hospital; and
- (2) in doing so to stand, with respect to that work, in the place of the hospital for the purposes of the hospital's collective agreement with the Union, and to execute into an agreement with the Union to that effect.

In order to ensure compliance with this provision, the Hospital agrees that it will withdraw the work from any contractor who has failed to meet the aforesaid terms of the contracting-out arrangement.

12.03 On request by the Union, the Hospital will undertake to review contracted services which fall within the work of the bargaining unit. The purpose of the review will be to determine the practicality of increasing the degree to which bargaining unit employees may be utilized to deliver such services in the future. The Hospital further agrees that the results of their review will be submitted to the Staff Planning Committee for its consideration.

ARTICLE 13 - WORK OF THE BARGAINING UNIT

13.01 Work of the Bargaining Unit

Employees not covered by the terms of this Agreement will not perform duties normally assigned to those employees who are covered by this Agreement, except for the purposes of instruction, experimentation, or in emergencies when regular employees are not readily available.

Note: The purpose of this clause is the protection of the work of the bargaining unit employees and not the broadening of that work to other areas.

13.02 Employment Agencies

Prior to enlisting the services of an employment agency, the Hospital will attempt to contact part-time staff who would normally perform the duties in question.

13.03 Volunteers

- (a) The use of volunteers to perform bargaining unit work shall not **be** expanded beyond the extent of existing practice as of June 1, 1986.
- (b) Where a Hospital plans a drive to increase the number of volunteers, the Union must be given at least thirty (30) days' notice of these plans and a special meeting of the local joint job security committee must be convened at least three (3) weeks prior to the initiation of such a drive.

13.04 Ratio of R.N.'s to R.P.N.'s

At the time of considering whether or not to alter the ratio of R.N.'s to R.P.N.'s in any department, the Hospital agrees to consult with the Union in advance of any decision being made and, again in advance of any decision being made, the senior administrator **of** the Hospital agrees to meet with and to entertain submissions from the Union with respect to the merits of maintaining the existing ratio.

In addition to the above process and apart from it where a change in the ratio is planned by the Hospital and it does not arise because of employee retirement, resignation or death then it can only be carried out following a full and complete disclosure to the Union of the plan of the Hospital and the reasons for it. After full and complete disclosure to the Union the Hospital and Union are to meet and discuss the plan and the reasons with a view to possibly modifying them including maintaining the existing ratio. The planned change in the ratio cannot be implemented by the Hospital for a period of forty-five (45) **days** from the date of full and complete disclosure to the Union; and only implemented if there has been the consultative process required by this clause carried **out** in good faith by the Hospital.

ARTICLE 14 - TECHNOLOGICAL CHANGE

14.01 Technological Change means the automation of equipment, or the mechanization or automation of operations, or the replacement of existing equipment or machinery with new equipment or machinery which results in the displacement of an employee from his/her regular job.

14.02 Where the Hospital has decided to introduce a technological change which will significantly alter the status of an employee within the bargaining unit, the Hospital undertakes to meet with the Union to consider the minimizing of adverse effects (if any) upon the employees concerned.

14.03 Where new or greater skills are required than are already possessed by affected employees under the present methods of operation, such employees shall be given a period of training, with due consideration being given to the employee's age and previous educational background, during which they may perfect or acquire the skills necessitated by the new method of operation. The employer will assume the cost of tuition and travel. There shall be no reduction in wage or salary rates during the training period of any such employee. Training shall be given during the hours of work whenever possible and may extend for up to six (6) months.

14.04 Employees with one (1) or more years of continuous service who are subject to lay-off under conditions referred to above, will be given notice of the impending change in employment status at the earliest reasonable time in keeping with the notification to the Union as set out above and the requirements of the applicable legislation.

14.05 Employees who are pregnant shall not be required to operate VDT's. At their request, the Employer shall temporarily relocate such employees to other appropriate work without loss of employment benefits, but at the wage rate of the job in which the employee is relocated. The determination of the appropriate alternative work shall be at the discretion of the Employer and such discretion shall not be exercised in an arbitrary or discriminatory manner. If such work is not available or if the employee does not wish to accept the alternative work the employee may be placed on unpaid leave of absence.

14.06 Each employee required to use a VDT more than four (4) hours per day, shall be given eye examinations at the beginning of employment or assignment to VDT's and every twelve (12) months

thereafter. The eye examinations shall be paid for by the Hospital where not covered by OHIP.

ARTICLE 15 - LEAVES OF ABSENCE

15.01 Bereavement Leave

An employee who notifies the Hospital as soon as possible following a bereavement shall be granted up to three (3) consecutive days off, without loss of his regular pay for his scheduled hours from the date of death up to and including the date of the funeral of a member of his immediate family. "Immediate family" means parent, brother, sister, spouse, son, daughter, son-in-law, daughter-in-law, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparent, grandchild, guardian or step-parent.

15.02 Education Leave

- (a) If required by the Employer, an employee shall be entitled to leave of absence with pay and without loss of seniority and benefits to write examinations to upgrade his or her employment qualifications.
- (b) A leave of absence, without pay, to take further education related to the employee's work with the Hospital may be granted upon written application by the employee to the administration of the Hospital. It is further understood and agreed that the Employer will, wherever its operational requirements permit, endeavour to arrange the shifts of employees attending courses or seminars to permit such attendance.
- (c) Where employees are required by the Hospital to take courses to upgrade or acquire new employment qualifications, the Employer shall pay the full costs associated with the courses.

15.03 Jury and Witness Duty

If an employee is required to serve as a juror in any court of law, or is required to attend as a witness in a court proceeding in which the Crown is a party, or is required by subpoena to attend a court of law or coroner's inquest in connection with a case arising from the employee's duties at the hospital, the employee shall not

use regular pay because of such attendance provided that the employee:

- (a) notifies the Hospital immediately on the employee's notification that he will be required to attend at court;
- (b) presents proof of service requiring the employee's attendance;
- (c) deposits with the hospital the full amount of compensation received excluding mileage, travelling and meal allowances and an official receipt thereof.

In addition to the foregoing, where an employee is required by subpoena to attend a court of law or coroner's inquest in connection with a case arising from the employee's duties at the Hospital on his regularly scheduled day off, the Hospital will attempt to reschedule the employee's regular day off, it being understood that any rescheduling shall not result in the payment of any premium pay. Where the Hospital is unable to reschedule the employee and, as a result, he is required to attend on a regular day off, he shall be paid for all hours actually spent at such hearing at the rate of time and one-half his regular straight time hourly rate subject to (a), (b), and (c) above.

Where the employee's attendance is required during a different shift than he is scheduled to work that day, the Hospital will attempt to reschedule the shift to include the time spent at such hearing. It is understood that any rescheduling shall not result in the payment of any premium pay.

Where the Hospital is unable to reschedule the employee and, as a result, he is required to attend during other than his regularly scheduled paid hours, he shall be paid for all hours actually spent at such hearing as his straight time hourly rate subject to (a), (b) and (c) above.

15.04 Pregnancy Leave

- (a) Pregnancy leave will be granted in accordance with the provisions of the Employment Standards Act, except where amended in this provision. The service requirement for eligibility for pregnancy leave shall be thirteen (13) weeks of continuous service.

At such time she shall also furnish the Hospital with the certificate of a legally qualified medical practitioner stating the expected birth date.
- (c) The employee shall reconfirm her intention to return to work on the date originally approved in subsection (b) above by written notification received by the Hospital at least two (2) weeks in advance thereof.

Effective February 28, 1995 an employee who is on pregnancy leave as provided under this Agreement who has applied for and is in receipt of Unemployment Insurance pregnancy benefits pursuant to Section 18 of the Unemployment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between ninety-three percent (93%) of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits and any other earnings. Such payment shall commence following completion of the two-week Unemployment Insurance waiting period, and receipt by the Hospital of the employee's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance pregnancy benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of fifteen (15) weeks. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours plus any wage increase or salary increment that she would be entitled to if she were not on pregnancy leave.

The Hospital will pay the employee ninety-three percent (93%) of her normal weekly earnings during the first two (2) week period of the leave while waiting to receive Unemployment Insurance Benefits.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payment in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

The following applies only to "non-LICO" employees as defined by the Social Contract Act, 1993.

Effective on confirmation by the Unemployment Insurance Commission of the appropriateness of the Hospital's Supplemental Unemployment Benefit (SUB) Plan, an employee who is on pregnancy leave as provided under this Agreement who has applied for and is in receipt of Unemployment Insurance pregnancy benefits pursuant to Section 18 of the Unemployment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between seventy-five percent (75%) of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits and any other earnings. Such payment shall commence following completion of the two-week Unemployment Insurance waiting period and receipt by the Hospital of the employee's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance pregnancy benefits and shall continue while the employee is in receipt of such benefits for a maximum period of fifteen (15) weeks. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours plus any wage increase or salary increment that she would be entitled to if she were not on pregnancy leave.

- (a) Parental leaves will be granted in accordance with the provisions of the Employment Standards Act, except where amended in this provision. The service requirement for eligibility for parental leave shall be thirteen (13) weeks of continuous service.
- (b) **An** employee, who qualified for parental leave, other than an adoptive parent, shall give written notification at least two (2) weeks in advance of the date **of** commencement **of** such leave and the expected date of return.
- (c) **An** employee who is an adoptive parent shall advise the Hospital as far in advance as possible of having qualified to adopt a child, and shall request the leave of absence, in writing, upon receipt **of** confirmation of the pending adoption. If because of late receipt of confirmation of the pending adoption, the employee finds it impossible to request the leave **of** absence in writing, the request may be made verbally and subsequently verified in writing.

An employee who **is** an adoptive parent may extend the parental leave for such greater time as may be required by the adoption agency concerned up to a maximum aggregate of **six (6)** months. Written notice by the employee for such extension will be given at least two (2) weeks prior to the termination of the initially approved leave.

- (d) **An** employee shall reconfirm his or her intention to return to work on the date originally approved in

subsection (b) above by written notification received by the Hospital at least two (2) weeks in advance thereof.

Such payment shall commence following completion of the two-week Unemployment Insurance waiting period, and receipt by the Hospital of the employee's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance parental benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of ten (10) weeks. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day **worked** prior to the commencement of the leave times her normal weekly hours plus any wage increase or salary increment that she would be entitled to if she were not on parental leave.

The Hospital will pay the employee ninety-three percent (93%) of her normal weekly earnings during the first two (2) week period of the leave while waiting to receive Unemployment Insurance Benefits.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payment in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

The followins applies only to "non-LICO" employees as defined by the Social Contract Act, 1993.

Effective on confirmation by the Unemployment Insurance Commission of the appropriateness of the Hospitals Supplemental Unemployment Benefit (SUB) Plan, any employee who is on parental leave as provided under this Agreement who has applied for and is in receipt of Unemployment Insurance parental benefits pursuant to Section 20 of the Unemployment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between seventy-five percent (75%) of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits and any other earnings. Such payment shall commence following completion of the two-week Unemployment Insurance waiting period, and receipt by the Hospital of the employee's unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance parental benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of ten (10) weeks. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours plus any wage increase or salary increment that she would be entitled to if she were not on parental leave.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payment in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

former duties, on the same shift in the same department, and at the same rate of pay.

15.06 Full-time Union Office

Upon application by the Union, in writing, the Hospital will give reasonable consideration to a request for leave of absence, without pay, to an employee elected or appointed to full time Union office. It is understood that no more than one (1) employee in the bargaining unit may be on such leave at the same time. Such leave, if granted, shall be for a period of one (1) calendar year (in the case of the Union President, two (2) calendar years from the date of appointment unless extended for a further specific period by agreement of the parties. Seniority and service shall accumulate during such leave to the maximum provided, if any, under the provisions of the Collective Agreement. It will become the responsibility of the employee for full payment of any applicable benefits in which the employee is participating during such leave of absence.

15.07 Union Leave

- (a) The Hospital shall grant leave of absence without pay to employees to attend Union conventions, seminars, education classes or other Union business provided that such leave will not interfere with the efficient operation of the Hospital.
- (b) In requesting such leave of absence for an employee or employees, the Union must give at least twenty-one (21) days clear notice in writing to the Hospital.
- (c) The cumulative total leave of absence, the number of employees that may be absent at any one time from any one area, and the number of days of absence shall be as provided elsewhere in the current local sections of the Agreement (unless altered by local negotiations).
- (d) Leave of absence shall not exceed an aggregate of thirty (30) days in the calendar year for all of the members in the bargaining unit.

15.08 Personal Leave

An Employee may be granted a general leave of absence without loss of accumulation of seniority for good and sufficient cause.

All requests for general leave must be submitted in writing to the Department Head and Director of Personnel. A general leave of absence may not exceed a period of six (6) months.

ARTICLE 16 - HOURS OF WORK

16.01 Daily and Weekly Hours of Work

The normal shift shall be composed of 7 1/2 consecutive hours exclusive of an unpaid meal period, with the normal pay period composed of 75 hours which is equalized over a four week (4) or 150 hour work schedule. It is understood, however, that this shall not be construed to be a guarantee as to the hours of work per day nor as a guarantee of working schedules nor guarantee that it will schedule 150 hours over such four (4) week period.

16.02 Rest Periods

- (a) Two (2) rest periods of fifteen minutes will be granted during each shift at a time designated by the Hospital. The Hospital will grant a lunch period of thirty (30) minutes uninterrupted as much as possible, at a time designated by the Hospital.
- (b) When an employee performs authorized overtime work of at least three (3) hours duration, the Hospital will schedule a rest period of fifteen (15) minutes duration.

16.03 Time Off Between Shifts

16.04 Weekends Off

The Hospital will endeavour to maintain and achieve the following objectives in the formation of working schedules:

- (a) The regular daily shifts of duty of an employee shall average five per seven calendar days over the Hospital's

employees schedules and employees will not normally be scheduled to work more than seven (7) consecutive shifts. In scheduling shifts, the Hospital will endeavour to arrange schedules so as to provide for a minimum of eight weekends off in every twenty- four (24) week period, and in any event, at least one (1) weekend off in each three (3) week period. Where a weekend off is not granted within a three (3) week period, time worked on such third weekend but not subsequent weekends shall be paid at the rate of time and one-half unless the Hospital, notwithstanding its best efforts, was unable to meet this standard. This standard shall not apply where:

(i) Such weekend work was performed by the employee to satisfy specific days off requested by such employee; or

(ii) such employee has requested weekend work, or was advised at the time of hire or when the job was posted that the regular schedule normally requires continuous weekend work; or

(iii) such weekend is worked as a result of an exchange of shifts with another employee; or

(iv) the Hospital is unable, to comply due to a prohibition against scheduling split days off.

It is understood and agreed that there shall be no pyramiding of overtime premiums under the provisions of the Collective Agreement arising out of the foregoing undertakings.

The foregoing shall have no application where other scheduling arrangements are provided acceptable to the employer and the employees affected and approved by the Union.

- (b) Days off shall be consecutive except wherein management considers it is not practicable to do so. "Regular straight time hourly rate" means the product of an employee's monthly salary multiplied by 12 and divided by 1950. For the purposes of calculating any benefit or money payment under this Agreement to which an employee is entitled, the regular straight time rate of pay is that prescribed in Wage Schedule A of this Agreement.

17.02 Definition of Overtime (Overtime Premium)

Authorized work performed by an employee in excess of the employee's normal daily shift, shall be paid for at the rate of time and one-half (1 ½) the employee's regular straight time hourly rate of pay for all hours worked.

It is understood and acknowledged that the Hospital has the right to require employees to perform reasonable authorized overtime work.

17.03 Reporting Pay

Full-time employees who report for any scheduled shift will be guaranteed at least four (4) hours of work; or if no work is available will be paid at least four (4) hours except when work is not available due to conditions beyond the control of the hospital. The reporting allowance outlined as herein shall not apply whenever an employee has received not less than one hour's prior notice not to report for work.

17.04 Standby

An employee who is required to remain available for duty on standby, outside the normal working hours for that particular employee, shall receive standby pay in the amount of \$2.10 per hour for all hours on standby.

Standby pay shall, however, cease where an employee is called in to work, and works during the period of standby.

17.05 Call Back

Where call back is immediately prior to the commencement of their regular shift the call back pay will only apply to the point of commencement of a regular shift at the rate of time and one-half after which they shall revert back to the regular shift.
- (b) Call back pay shall cover all calls within the minimum four (4) hour period provided for under (a). If a second call takes place after four (4) hours have elapsed from the time of the first call, it shall be subject to a second call back premium, but in no case shall an employee collect two call back premiums within one such four (4) hour period, and to the extent that a call back overlaps and extends into the hours of his regular shift, (a) shall apply.

- (c) Notwithstanding the foregoing an employee who has worked his full shift on a Holiday and is called back shall receive the greater of 2 ½ times his regular straight time hourly rate for all hours actually worked on such call back or four (4) hours pay at time and one-half his straight time hourly rate, subject to the other provisions set out above.

17.06 Shift Premium

17.08 Overtime - Lieu Time

Where an employee has worked and accumulated approved overtime hours (other than overtime hours related to paid Holidays) such employee shall have the option of electing payment at the applicable overtime rate or time off equivalent to the applicable overtime rate (i.e. where the applicable rate is time and one-half, then time off shall be at one and one-half times). Where an employee chooses the latter option, such time off must be taken within the succeeding two pay periods of the occurrence of the overtime at a time mutually agreeable to the Hospital and the employee, or payment in accordance with the former option shall be made.

17.09 Paid Time to Working Time

Employees absent on approved leave, paid by the Employer or by Workers' Compensation Board, shall for the purposes of computing overtime pay during the work schedule in which the absence occurred, be considered as having worked their regularly scheduled hours during such leave of absence. No pyramiding shall result from the application of this provision.

The foregoing shall also apply in cases of short term leaves of absence for Union business approved by the Employer under the applicable provisions of the Collective Agreement where payment is made to the employee by the Union.

17.10 Weekend Premium

Effective October 11, 1992 an employee shall be paid a weekend premium of forty-five cents (\$0.45) per hour for each hour worked between 2400 hours Friday to 2400 hours Sunday or such other forty-eight (48) hour period that the Hospital may establish. vehicle at the rate of thirty-five cents (35 cents) per mile (to a maximum of fourteen dollars (\$14.00)) or such greater amount as the Hospital may in its discretion determine for each trip between the aforementioned hours. 24.01(i)

- (a) Sick leave shall be defined as the period of time an employee is permitted to be absent from work with full pay by virtue of being ill, disabled, exposed to contagious disease or because of an accident for which compensation is not payable under the Workmen's Compensation Act. Sick leave is to be taken only for the above reasons and any illness exceeding three (3) days shall require a medical certificate.

- (e) Absences due to pregnancy related illness shall be considered as sick leave under the sick leave plan.

1. The Hospital will assume total responsibility for providing and funding a short-term sick leave plan at least equivalent to that described in the 1987 Hospitals of Ontario Disability Plan (HOODIP) brochure.
2. The Hospital will pay seventy-five percent (75%) of the billed premium towards coverage of eligible employees under the long-term disability portion of the plan (HOODIP or an equivalent plan), the employee paying the balance of the billed premium through payroll deduction. For the purpose of transfer to the short-term portion of the disability program, employees on the payroll as of

Existing sick leave credits for each employee shall be converted to a sick leave bank to the credit of the employee at the then current per diem rate of pay based on his regular straight time hourly rate. The "sick leave bank" shall be utilized to supplement payment for sick leave days under the new program or paragraph 5 below which would otherwise be at less than full wages.

4. There shall be no pay deduction from an employee's regular scheduled shift when the employee has completed any portion of the shift prior to going on sick leave benefits or Workers' Compensation benefits.

Payment will be provided only if the employee provides evidence of disability satisfactory to the Hospital and a written undertaking satisfactory to the Hospital that any payments will be refunded to the Hospital following final determination of the claim by The Workers' Compensation Board. If the claim for workers' compensation is not approved, the monies paid as an advance will be applied towards the benefits to which the employee would be entitled under the short term portion of the disability income plan. Any payment under this provision will continue for a maximum of fifteen (15) weeks.

ARTICLE 25 - COMPENSATION

25.01 Experience Pay

An employee hired by the Hospital with recent and related experience, may claim at the time of hiring on a form supplied by the Hospital consideration for such experience. Any such claim shall be accompanied by verification of previously related experience. The Hospital shall then evaluate such experience during the probationary period. Where, in the Hospital's opinion such experience is relevant, the employee shall be slotted in that step of the wage progression consistent with one (1) year's service for every one (1) years of related experience in the classification on the completion of the employee's probationary period. It is understood and agreed that this shall not constitute a violation of the wage schedule of the Collective Agreement.

25.02 Promotion to a Higher Classification

An employee who is promoted to a higher rated classification within the bargaining unit will be placed in the range of the

higher rated classification so that he shall receive no less an increase in wage rate than the equivalent of one step in the wage rate of his previous classification (provided that he does not exceed the wage rate of the classification to which he has been promoted).

When an employee is assigned temporarily to perform the duties and assume the responsibilities of a higher paying position in the bargaining unit for a period in excess of one half of a shift, he shall be paid the rate immediately above his current rate in the higher classification to which he was assigned from the commencement of the shift on which he was assigned the job.

25.04 Job Classification

- (a) When a new classification (which is covered by the terms of this Collective Agreement) is established by the Hospital, the Hospital shall determine the rate of pay for such new classification and notify the local Union of the same within seven (7) days. If the local Union challenges the rate, it shall have the right to request a meeting with the Hospital to endeavour to negotiate a mutually satisfactory rate. Such request will be made within ten (10) days after the receipt of notice from the Hospital of such new occupational classification and rate. **Any** change mutually agreed to resulting from such meeting shall be retroactive to the date that notice of the new rate was given by the Hospital. If the parties are unable to agree, the dispute concerning the new rate may be submitted to arbitration as provided in the Agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classification.
- (b) When the Hospital makes a substantial change during the term of this Agreement in the job content of an existing classification which in reality causes such classification to become a new classification, the Hospital agrees to meet with the Union if requested to permit the Union to make representation with respect to the appropriate rate of pay.

- (c) If the matter is not resolved following the meeting with the Union the matter may be referred to arbitration as provided in the Agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classifications.
- (d) The parties further agree that any change mutually agreed to or awarded as a result of arbitration shall be retroactive only to the date that the Union raised the issue with the Hospital.

25.05 Wages and Classification Premiums

The Employer agrees to pay and the Union agrees to accept for the term of this Agreement the rates of Wages as outlined in Schedule "A" attached hereto. Each employee will be advanced from his present level to the next level set out in Schedule "A" twelve (12) months after he was last advanced.

**ARTICLE 26 - RESPONSIBILITIES OF A NON-SUPERVISORY

26.01 Where an Employer temporarily assigns an employee to carry out the assigned responsibilities of a non-supervisory classification outside of the bargaining unit for a period in excess of one-half of one shift, the employee shall receive the base rate of the position he is assigned to, or his current rate of pay, whichever is higher.

ARTICLE 27 - RELATIONSHIP

ARTICLE 28 - UNION/MANAGEMENT COMMITTEE MEETING

28.01 When the parties mutually agree that there are matters that would be clarified if discussed at a Union Management Meeting during the term of this agreement the following shall apply: Representatives from the Union and Management as mutually agreed shall meet at a time and place mutually satisfactory. ARTICLE 29 - BULLETIN BOARDS

29.01 The Hospital agrees to make available to the Union for the posting of Union notices three bulletin boards to inform employees in the bargaining unit of the activities of the Union. Notwithstanding the foregoing provisions in the event the parties of this agreement agree to negotiate for its renewal through the process of central bargaining, either party to this agreement may give notice to the other party of its desire to bargain for amendment of local matters proposed for incorporation in the renewal of this agreement not earlier than six calendar months nor later than three calendar months prior to the normal termination date of this agreement. Upon receipt of such notice by one party from the other, both parties will meet within fifteen days thereafter for the purpose of bargaining on local matters.

It is understood and agreed that local matters means those matters which had been determined by mutual agreement between the central negotiating committees respectively representing each of the parties to this agreement as being subjects for local bargaining directly between the parties to this agreement.

It is also agreed that local bargaining shall be subject to such procedures as may be determined by mutual agreement between the central negotiating committees referred to above.

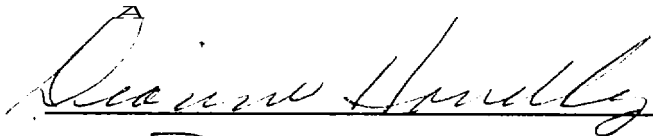

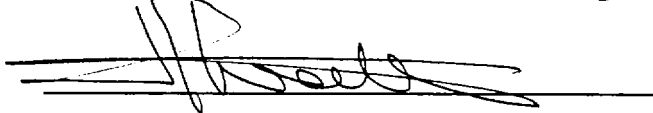

31.02 Term

This agreement shall continue in effect until October 10, 1995 and shall continue automatically thereafter from year to year unless either party gives notice in writing to the other party within 90 days prior to the expiration date that it desires to amend or terminate this agreement.

IN WITNESS WHEREOF the Parties hereto have executed this Agreement, this 15th day of May, 1998.

Age Implementation Note

In order to comply with the requirements of the Social Contract Act, 1993 and the award, employees eligible to be paid as per Wage Schedule "A" are those employees whose earnings (as defined in the Toronto Humber Memorial Hospital settlement) are less than \$30,000 (LICO) for the calendar year, or such other locally agreed annual period for determining LICO status. Employees determined as "non-LICO" will be paid as per Wage Schedule "B".

If, at the end of the calendar year it is determined that a "non-LICO" employee's earnings as per the LICO definition were less than \$30,000 annually, the employees shall receive a retroactive wage payment to the extent that the total of the items included for the purposes of earning under the LICO definition, including wages, does not exceed \$30,000 for the calendar year.

If, at the end of the calendar year it is determined that a "LICO" employee's earnings as per the LICO definition were greater than \$30,000 annually, such employee shall repay to the Hospital the overpayment of wages received in the calendar year to the extent that to do so does not reduce annual LICO earnings below \$30,000. The Hospital may recover the money by payroll deduction, and the employee and the Union agree that this repayment is hereby consented to, for the purposes of the Employment Standards Act.
