(hereinafter called "The Employer")
OF THE FIRST PART

- and -

SERVICE EMPLOYEES INTERNATIONAL UNION
a voluntary Union of employees affiliated with the
A.F. of L., C.I.O., C.L.C.

(hereinafter called "The Union")
OF THE SECOND PART

Whereas the Union represents a majority of the employees in the classifications outlined in Appendix A, excluding all employees regularly employed for not more than 24 hours per week and students employed for school vacation periods.

NOW THEREFORE THIS AGREEMENT WITNESSETH:

ARTICLE 1 - PURPOSE

1.01 The purpose of the Agreement is to establish an orderly collective bargaining relationship between the Employer and the classifications of employees represented by the Union which will not interfere with the successful operation of the Northwestern General Hospital as a public service institution intended to provide adequate hospital and clinical services to the general public.

ARTICLE 2 - SCOPE AND RECOGNITION

2.01 (a) This Agreement applies to all employees referred to in the recognition clause hereto, and more particular set out in the schedule of job classifications and wage rates hereinafter provided.

(b) The Union is hereby established as the sole collective bargaining agency for all employees of Northwestern General Hospital in the Metropolitan Toronto, save and except professional medical staff, graduate nursing staff, undergraduate nurses, graduate pharmacists, undergraduate pharmacists, graduate dietitians, technical personnel, supervisors and foremen, persons above the rank of supervisors and foremen, persons regularly employed for not more than 24 hours per week, students employed during the school vacation

periods, and persons covered by subsisting collective agreements.

ARTICLE 3 - MANAGEMENT RIGHTS

3.01 The Union acknowledges that it is the exclusive function of the Hospital to:

- (a) maintain order, discipline and efficiency;
- (b) hire, discharge, direct, classify, transfer, promote, demote, lay-off, and suspend or otherwise discipline employees for just cause provided that a claim of discriminatory classification, promotion, demotion or transfer or a claim that an employee has been unjustly discharged or disciplined may be the subject of a grievance and dealt with in accordance with the Grievance Procedure;
- (c) establish and enforce rules and regulations to be observed by employees, provided that they are not inconsistent with the provisions of this agreement;
- (d) Generally to manage and operate the Hospital in all respects in accordance with its obligations and without restricting the generality of the foregoing, to determine the kinds and locations of machines, equipment to be used, the allocation and number of employees required from time to time, the standards of performance for all employees and all other matters concerning the Hospital's operations, not otherwise specifically dealt with elsewhere in this agreement.

ARTICLE 4 - DEFINITIONS

4.0 1 Temporary Employees

Employees may be hired for a specific term, not to exceed six (6) months, to replace an employee on leave or to perform a special non-recurring task. This term may be extended a further six (6) months on mutual agreement of the Union, employee and Hospital. The period of employment of such persons will not exceed the absentee's leave. The release or discharge of such persons shall not be the subject of a grievance or arbitration.

This clause would not preclude such employees from using the job posting provision under the Collective Agreement and any successful applicant who has completed his probation period will be credited with the appropriate seniority.

The Hospital will outline to employees selected to fill such temporary vacancies and the Union, the circumstances giving

rise to the vacancy, and the special conditions relating to such employment.

4.02 (a) " Full Days" shall mean full calendar days exclusive of Saturdays, Sundays, and Paid Holidays.

(b) Employees regularly working more than twenty-four (24) hours per week but less than thirty-seven and one-half (37 1/2) hours per week, shall be entitled to all the conditions of this Agreement on a pro rata basis as a portion against time worked in comparison to full-time employees, e.g. thirty (30) hours per week employees will receive eighty percent (80%) of all benefits such as sick leave, vacations, paid holiday leave, etc., and the equivalent hourly rate for the applicable job classification.

4.03 Where used in this Agreement, the male pronoun shall be deemed to include the female pronoun.

ARTICLE 5 - UNION SECURITY

5.01 Union Dues

As a condition of employment, the Hospital will deduct from each employee covered by this Agreement an amount equal to the regular monthly Union dues designated by the Union.

Such dues shall be deducted from the first pay of each month for full-time employees, and may be deducted from every pay for part-time employees. In the case of newly hired employees, such deductions shall commence in the month following their date of hire.

The amount of the regular monthly dues shall be those authorized by the Union and the Union shall notify the Hospital of any changes therein and such notification shall be the Hospital's conclusive authority to make the deductions specified.

In consideration of the deducting of Union dues by the Hospital, the Union agrees to indemnify and save harmless the Hospital against any claims or liabilities arising or resulting from the operation of this Article.

Dues deducted by the 15th of the month shall be remitted monthly to the Union, no later than the end of the month in which the dues were deducted.

5.02 Interview Period

It is mutually agreed that arrangements will be made for a Union Representative to interview each new employee in the month

following the completion of his probationary period for the purpose of informing such an employee of the existence of the Union in the Hospital and the benefits accruing from membership in the Union. The Employer shall advise the Union monthly as to the names of the persons listed for interview and time and place on the premises of the Employer designated for each such interview, the duration of which shall not exceed fifteen (15) minutes.

5.03 Employee Lists

The employer shall provide the Union with Social Insurance Numbers of bargaining unit members on the check-off lists.

In addition, the employer will supply the Union with the addresses of new employees as they are placed on the check-off list for the first time.

The Employer may, if it so desires, have a representative present at any such interview.

5.04 No person shall lose his job as a result of denial of Union membership or expulsion from the Union, except by reason of his failure to pay monthly Union dues uniformly levied on the membership.

5.05 The Union will save the Employer harmless from any and all claims which may be made by employees for amounts deducted from pay as herein provided.

5.06 Each of the parties hereto agrees that there will be no discrimination, interference, restraint or coercion, exercised or **practiced** upon any employee because of membership or lack of membership in the Union which is hereby **recognized** as a voluntary act on the part of the individual concerned.

ARTICLE 6 - NO STRIKE/LOCKOUT

6.01 The Union agrees that there will be no strike, sit-down, slow-down, picketing or other interference which will stop, curtail or interfere with work and in the event of any such action taking place, it will instruct employees involved to return to work and perform their usual duties, as well as to resort to the grievance procedure, established herein. The Employer agrees that there will be no lock-out of the employees during the term of this agreement.

ARTICLE 7 - UNION REPRESENTATION

7.01 Grievance Committee

(a) The Hospital will **recognize** a Grievance Committee composed of the Chief Steward and not more than 8

employees selected by the Union who have completed their probationary period. A general representative of the Union may be present at any meeting of the Committee. The purpose of the Committee is to deal with complaints or grievances as set out in this Collective Agreement.

- (b) The Union shall keep the Hospital notified in writing of the names of the members of the Grievance Committee appointed or selected under this Article as well as the effective date of their respective appointments.
- (c) A Committee member shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending grievance meetings with the Hospital up to, but not including arbitration. The number of employees on the Grievance Committee shall be determined locally.

7.02 Union Stewards

- (a) The Hospital agrees to **recognize** Union stewards to be elected or appointed from amongst employees in the bargaining unit who have completed their probationary period for the purpose of dealing with Union business as provided under this Collective Agreement.
- (b) A Chief Steward may be appointed or elected. The Chief Steward may, in the absence of any steward, assist in the presentation of any grievance, or with any steward function.
- (c) The Union shall keep the Hospital notified in writing of the names of Union Stewards appointed or selected under this Article as well as the effective date of their respective appointments.
- (d) It is agreed that Union stewards have their regular duties and responsibilities to perform for the Hospital and shall not leave their regular duties without first obtaining permission from their immediate supervisor. If, in the performance of his duties, a Union steward is required to enter an area within the Hospital in which he is not originally employed, he shall report his presence to the supervisor in the area immediately upon entering it. Such permission shall not be unreasonably withheld. When resuming his regular duties and responsibilities, such steward shall again report to his immediate supervisor. A Union steward shall suffer no loss of earnings for time spent in performing the above duties during his regular scheduled working hours.

- (e) Nothing in this Article shall preclude full-time stewards from representing part-time employees and vice versa.
- (f) The number of stewards and the areas which they represent, are to be determined locally.
- (g) The Employer will recognize eleven (11) stewards as follows: -

Housekeeping	(2)
Dietary	(1)
Nursing Orderlies	(2)
R.N.A.'s	(2)
S.P.D.	(2)
A.C. Clerk	(1)
Plus 1 Chief Steward	

The name of the union steward will be posted in each respective Department.

7.03 Central Bargaining Committee

Notwithstanding the foregoing provisions, in the event the parties to this agreement agree to negotiate for its renewal through the process of central bargaining, either party to this agreement may give notice to the other party of its desire to bargain for amendments on local matters proposed for incorporation in the renewal of this agreement not earlier than six (6) calendar months nor later than three (3) calendar months prior to the normal termination date of this agreement. Upon receipt of such notice by one party from the other, both parties will meet within fifteen (15) days thereafter for the purpose of bargaining on local matters.

It is understood and agreed that 'local matters' means those matters which have been determined by mutual agreement between the Central Negotiating Committees respectively representing each of the parties to this agreement as being subjects for local bargaining directly between the parties to this agreement.

It is also agreed that local bargaining shall be subject to such procedures as may be determined by mutual agreement between the Central Negotiating **Comittees** referred to above.

7.04 Local Negotiating Committee

- (a) The Hospital agrees to **recognize** a Negotiating Committee comprising of 5 members to be elected, or appointed from amongst employees in the bargaining unit, who have completed their probationary period.

- (b) Where the Hospital participates in central bargaining the purpose of the Negotiating Committee shall be to negotiate local issues as defined.
- (c) Where the Hospital does not participate in central bargaining, the purpose of the Negotiating Committee shall be to negotiate a renewal of this Collective Agreement.
- (d) The Hospital agrees that the members of the Negotiating Committee shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending such negotiating meetings with the Hospital up to, but not including, arbitration.
- (e) Nothing in this provision is intended to preclude the Union Negotiating Committee from having the assistance of any representatives of the Union when negotiating with the Hospital.
- (f) The number of employees on the Negotiating Committee shall be determined locally.

7.05 Consultation and Committee Structure

- (a) The Employer agrees to discuss matters of common interest with a Union Committee which shall consist of a Chief Steward and six (6) stewards selected by the Union, not more than four (4) of which committee members shall meet with management at any one time. The Employer shall be advised of the names of members of this committee and shall be notified of any changes from time to time. All members of the committee shall be regular employees of the Hospital.
- (b) It is agreed that the matters of common interest must be referred to Department Heads for an opportunity to be resolved before being advanced as issues to the Committee level.

7.06 The Union acknowledges that the members of the Union Consultation Committee must continue to perform their regular duties, and that as far as possible, all activities of the Committee will be carried on outside of the regular working hours of the members thereof unless otherwise mutually arranged.

ARTICLE 8 - GRIEVANCE AND ARBITRATION

8.01 For the purpose of this Agreement, a grievance or complaint is defined as a difference arising either between a member of the bargaining unit and the Hospital or between the parties hereto relating to the interpretation, application, administration or alleged violation of the Agreement.

8.02 The grievance shall identify the nature of the grievance, the remedy sought, and should, where possible specify the provisions of the Agreement which are alleged to have been violated.

8.03 At the time formal discipline is imposed or at any stage of the grievance procedure an employee shall have the right, upon request, to the presence of his/her steward. In the case of suspension or discharge, the Hospital shall notify the employee of his right in advance.

Where the Hospital deems it necessary to suspend or discharge an employee, the Hospital shall notify the Union of such suspension or discharge in writing, within three (3) days.

8.04 It is the mutual desire of the parties hereto that complaints shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until he has first given his immediate supervisor the opportunity of adjusting his complaint. The grievor may have the assistance of a union steward if he so desires.

Such complaint shall be discussed with his immediate supervisor within five (5) days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee.

Failing settlement within the five (5) days, it shall then be taken up as a grievance within five (5) days following his immediate supervisor's decision in the following manner and sequence.

Step 1

The employee shall submit the grievance, in writing, and signed by him, to his immediate supervisor. The employee may be accompanied by a Union steward. The immediate supervisor will deliver his decision in writing within five (5) days following the day on which the written grievance was presented to him. Failing settlement then:

Step 2

Within five (5) days following the decision under Step 1 the employee, accompanied by a union steward, or the union steward shall submit the written grievance to his Department Head, who will deliver his decision in writing within five (5) days following the day on which the grievance was presented to him.

This step may be omitted where the employee's immediate supervisor and Department Head are the same person. Failing settlement then:

Step 3

Within five (5) days following the decision in the immediately preceding step, the grievance shall be submitted in writing to the Chief Executive Officer of the Hospital or the designated Hospital representative.

A meeting will then be held between the Chief Executive Officer or the designated Hospital representative and the designated union representatives who may be accompanied by the general representative of the Union, within five (5) days of the submission of the grievance at Step 3, unless extended by mutual agreement of the parties.

The decision of the Hospital shall be delivered in writing within ten (10) days following the date of such meeting.

8.05 Policy Grievance

A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step 3 within ten (10) days following the circumstances giving rise to the grievance.

It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which he could have instituted himself and the regular grievance procedure shall not be thereby by-passed.

Where the grievance is a Hospital grievance it shall be filed with the Grievance Committee.

8.06 Group Grievance

Where a number of employees have identical grievances, and each one would be entitled to grieve separately, they may present a group grievance, in writing identifying each employee who is grieving, to the Department Head, or his designate within ten (10) days after the circumstances giving rise to the grievance have occurred. The grievance shall then be treated as being initiated at Step 2 and the applicable provisions of this Article shall then apply with respect to the handling of such grievance.

8.07 Discharge Grievance

If an employee, who has completed his probationary period, claims that he has been unjustly discharged, such claim must be submitted by the employee, who may be accompanied by a union steward, or by the union steward at Step 3 of the grievance procedure to the Hospital within five (5) days following the date the discharge is effective.

Such grievance may be settled under the Grievance and Arbitration procedure by:

- (a) confirming the Hospital's action in discharging the employee, or
- (b) reinstating the employee with up to full seniority for time lost and up to full compensation for time lost,
- (c) any other arrangement which may be deemed just and equitable.

8.08 Failing settlement under the foregoing procedure, any grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within ten (10) days after the decision under Step 3 is given, the grievance shall be deemed to have been abandoned.

8.09 All agreements reached, under the grievance procedure, between the representatives of the Hospital and representatives of the Union will be final and binding upon the Hospital, the Union and the employee(s).

8.10 When either party requests that any matter be submitted to Arbitration as provided in this Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time appoint a nominee. Within five (5) days thereafter, the other party shall appoint its nominee, provided however, that if such party fails to appoint its nominee as herein required, the Minister of Labour for the Province of Ontario shall have the power to make such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees shall attempt to agree upon a chairman of the Arbitration Board. If they are unsuccessful in agreeing upon such a chairman within a period of ten (10) days of the appointment of the second nominee, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.

8.11 No person may be appointed to the Arbitration Board who has been involved in an attempt to negotiate or settle the grievance.

8.12 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.

8.13 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.

8.14 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority, and where there is no majority, the decision of the Chairman, will

be final and binding upon the parties hereto and the employee or employees concerned.

8.15 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the Chairman of the Arbitration Board.

8.16 Saturdays, Sundays and Holidays are not to be counted in the time limits as set out in this Article.

8.17 Wherever Arbitration Board is referred to in the Agreement, the parties hereto may mutually agree in writing, to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

ARTICLE 9 - SENIORITY

9.01 Probationary Period

A new employee will be considered on probation until he has completed forty-five (45) days of work within any twelve calendar months. Upon completion of the probationary period he shall be credited with seniority equal to forty-five (45) working days. With the written consent of the Hospital, the probationary employee, and the President of the Local Union or designate, such probationary period may be extended. Any extension agreed to will be in writing and will specify the length of the extension. The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration and is at the sole discretion of the Hospital.

9.02 Definition of Seniority

Full-time employees will accumulate seniority on the basis of their continuous service in the bargaining unit from the last date of hire, except as otherwise provided herein.

Seniority will operate on a bargaining unit wide basis.

Notwithstanding the above, employees hired prior to October 10, 1986 will be credited with the seniority they held under the Agreement expiring November 15, 1985 and will thereafter accumulate seniority in accordance with this Article.

9.03 Transfer of Service and Seniority

Effective October 10, 1986, and for employees who transfer subsequent to October 10, 1986, an employee whose status is changed from full-time to part-time shall receive credit for his/her full service and seniority. An employee whose status is changed from part-time to full-time shall receive credit for

seniority and service on the basis of one (1) year equals 1725 hours worked, and will be enrolled in the employee benefit plans subject to meeting any waiting period or other requirements of those plans.

Employees hired prior to October 10, 1986 will be credited with the service and seniority they held under the Collective Agreement expiring November 15, 1985.

9.04 Loss of Seniority

An employee shall lose all seniority and shall be deemed terminated if:

- (a) employee quits;
- (b) employee is discharged and the discharge is not reversed through the grievance and arbitration procedure;
- (c) employee is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Hospital of such absence and providing a reason satisfactory to the Hospital;
- (d) employee fails to return to work upon the expiration of a leave of absence or **utilizes** a leave of absence for a purpose other than that for which it was granted;
- (e) employee has been paid off for twenty-four (24) months;
- (f) employee fails upon being notified of a recall to signify his intention to return within five (5) working days after he has received the notice of recall, and fails to report to work within ten (10) working days after he has received the notice of recall;
- (g) employee is absent due to illness or disability which absence continues for thirty (30) calendar months from the time the disability or illness commenced.

Note: this clause shall be interpreted in a manner consistent with the provisions of the Ontario Human Rights Code.

9.05 Effect of Absence

- (a) It is understood that during an approved unpaid absence not exceeding 30 continuous days or any approved absence paid by the Hospital, both seniority and service will accrue.

- (b) During an unpaid absence exceeding 30 continuous calendar days, credit for service for purposes of salary increment, vacation, sick leave, or any other benefits under any provisions of the Collective Agreement or elsewhere, shall **be** suspended for the period of the absence in excess of thirty (30) continuous calendar days, the benefits concerned appropriately reduced on a pro rata basis and the employee's anniversary date adjusted accordingly. In addition, the employee will become responsible for full payment of **subsidized** employee benefits in which he/she is participating for the period of absence, except that the Hospital will continue to pay its share of the premiums for up to eighteen (18) months while an employee is in receipt of **W.C.B.** benefits. Notwithstanding this provision, service shall accrue for a period of fifteen (15) weeks if an employee's absence is due to a disability resulting in **W.C.B.** benefits.
- (c) It is further understood that during such unpaid absence, credit for seniority for purposes of promotion, demotion, transfer or layoff shall be **suspended** and not accrue during the period of absence. **Notwithstanding** this provision seniority shall accrue for a period of eighteen (18) months if an employee's absence is due to disability resulting in **W.C.B.** benefits or **LTD** benefits, or for a period of one (1) year if an employee's unpaid absence is due to an illness.

9.06 The Employer shall supply the Union with an up-to-date seniority list in the month of January and July of each year of this agreement. Such list is to contain names of employees and the seniority date of each employee who has completed the probationary period.

ARTICLE 10 - JOB SECURITY

10.01(a) With respect to the development of any operating or re-structuring plan which may affect the bargaining unit, the Union shall be involved in the planning process from the early phases through to the final phases of the process.

(b) Staff Planning Committee

In addition to that, and to any other planning committee in the Hospital of a more broadly representational make-up, there shall be immediately established a Staff Planning Committee for the bargaining unit, which shall meet during the term of this agreement every three months, unless otherwise

the Committee, the individual members of the Committee shall be entitled to submit their own recommendations. Any agreement between the Hospital and the Union resulting from the above review concerning the method of implementation will take precedence over the other provisions of this agreement.

10.02 Notice of Lay-off

(a) Union

There shall be at least three months' notice to the Union in the event of a proposed lay-off of a permanent or long-term nature or in the event of a substantial bed cut-back or cut-back in service which affects or could affect the bargaining unit.

(b) Employees

In the event of a lay-off of a permanent or long-term nature, the Hospital will provide affected employees with two (2) weeks' notice for each year of service to a maximum of twelve (12) weeks, provided the affected employee has more than twelve (12) months' service. Employees with less than twelve (12) months' service will be entitled to notice in accordance with the provisions of the Employment Standards Act. A copy of any notice of lay-off to an employee will be provided to the Union at the same time.

10.03 Severance and Retirement Options

(a) Severance Pay

Within the lesser of thirty (30) days from the date of notice of lay-off or the notice provided above an employee with more than twelve (12) months' service with the Hospital who has received notice of lay-off of a permanent or long-term nature **may** resign, forfeiting the right to notice. Such employees will receive the balance of the notice as severance pay.

(b) Retirement Allowance

Within thirty (30) days from the date of notice of lay-off, an employee who has received notice of lay-off of a permanent or long-term nature may retire provided that the employee is eligible to retire under the terms of the Hospitals of Ontario Pension Plan. An employee who chooses this option forfeits her right to notice and will receive severance pay on the basis of one (1) weeks' pay for each year of service with the Hospital to a maximum of twenty-six (26) weeks on

mutually agreed by the parties. It shall be the function of the Staff Planning Committee to consider possible ways and means of avoiding or minimizing potential adverse effects upon employees in the bargaining unit, including:

(i) identifying and proposing possible alternatives to any action that the hospital may propose taking;

(ii.) identifying and seeking ways to address the retraining needs of employees;

(iii) identifying vacant positions within the Hospital for which surplus members of the bargaining unit might qualify, or such positions which are currently filled but which are expected to become vacant within a twelve (12) month period.

Composition and Meetings

The Committee shall be comprised of equal numbers of representatives of the hospital and from the Union. The number of representatives is to be determined locally, and shall consist of at least two representatives from each party.

Meetings of the Committee shall be held during normal working hours. Representatives attending such meetings during their regularly-scheduled hours of work shall not lose regular earnings as a result of such attendance. The Hospital shall make typing and other such clerical assistance available as required.

Each party shall appoint a co-chair for the Committee. Co-chairs shall chair alternate meetings of the Committee and will be jointly responsible for establishing the agenda of the Committee meetings, preparing minutes and writing such correspondence as the Committee may direct.

Disclosure

To allow the Staff Planning Committee to carry out its mandated role under this Article, the Hospital will provide the Committee with pertinent financial and staffing information and with a copy of any reorganization plans which impact on the bargaining unit.

Accountability

The Committee shall submit its written recommendations to the Chief Executive Officer of the Hospital and the Board of Trustees. Where there is no consensus within

the basis of the employees normal weekly earnings. In addition, full-time employees will receive a lump sum payment equal to \$1,000.00 for every year less than age 65, to a maximum of \$5,000.00.

Note: The Hospital may offer any employee a retirement option as provided above, in order to avoid potential lay-offs in the unit.

(c) A full-time employee who has completed one year of service and

(i) whose lay-off is permanent, or

(ii) who is laid off for 26 weeks in any 52 week period, and who has not elected to receive a severance payment under either (a) or (b) of this Article,

shall be entitled to severance pay equal to the greater of two week's pay, or one week's pay per year of service to a maximum of 26 weeks' pay. This entitlement shall not be in addition to any entitlement to severance pay under the Employment Standards Act, but at the same time, shall not preclude an employee from claiming any greater entitlement which that Act may at some point come to provide.

An employee may elect to defer receipt of this severance payment while his or her recall rights are still in effect. Once an employee does opt to receive the severance payment, he or she shall be deemed to have resigned, and his or her recall rights shall be extinguished.

10.04 Regional Staff Planning Committees

The central parties agree to establish Regional Staff Planning Committees to facilitate the redeployment of laid off employees among the Participating Hospitals.

To achieve this objective the Hospital Staff Planning Committee will forward to the Regional Staff Planning Committee a list of the names and addresses of laid off employees who have expressed an interest in working at other Participating Hospitals and who have undertaken skills assessment procedures provided by any government training agency, such as HTAP, that may be in place.

In filling vacancies not filled by bargaining unit members the Hospitals are encouraged to give first consideration to laid off employees who are on the list and who are qualified to perform the work. For benefit-entitlement purposes, it is recognized that hospitals shall be free to grant to any

employees hired through this process full credit for service earned with another hospital.

The size, structure, composition, and activities of each Committee will be mutually determined by the parties, and application will be made to any available funding source for the funding of administrative expenses.

10.05 Lay-off and Recall

- (a) In the event of lay-off, the Hospital shall lay off employees in the reverse order of their seniority within their classification, providing that there remain on the job employees who then have the ability to perform the work.
- (b) An employe who is subject to lay-off shall have the right to either:
 - (i) accept the lay-off; or
 - (ii) displace an employee who has lesser bargaining-unit seniority and who is the least senior employee in a lower or identical paying classification in the bargaining unit if the employee originally subject to lay-off can perform the duties of the lower or identical classification without training other than orientation. Such employe so displaced shall be laid off.

Note: An identical paying classification shall include any classification where the straight time hourly wage rate at the level of service corresponding to that of the laid off employee is within 1% of the laid off employee's straight time hourly wage rate.

In the event that there are no employees with lesser seniority in lower or identical paying classifications as defined in this Article, a laid off employee will have the right to displace an employee with lesser seniority, who is the least senior employee in a classification where the straight time hourly rate at the level of service corresponding to that of the laid off employee is within 5% of the laid off employee's straight time hourly rate provided he can perform the duties without training other than orientation. Such employee so displaced shall be laid off.

- (c) An employee shall have opportunity of recall from a lay-off to an available opening, in order of seniority, provided he has the ability to perform the work before such opening is filled on a regular basis under a job posting procedure. The posting procedure

in the collective agreement shall not apply until the recall process has been completed.

- (d) In determining the ability of an employee to perform the work for the purposes of the paragraphs above, the Hospital shall not act in an arbitrary or unfair manner.
- (e) An employee recalled to work in a different classification from which he was laid off shall have the privilege of returning to the position he held prior to the lay-off should it become vacant within six (6) months of being recalled.
- (f) No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.
- (g) It is the sole responsibility of the employee who has been laid off to notify the Hospital of his intention to return to work within five (5) working days (exclusive of Saturdays, Sundays and paid holidays) after being notified to do so by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to have been received on the second day following the date of mailing) and to return to work within ten (10) working days after being notified. The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his proper address being on record with the Hospital.
- (h) Employees on lay-off or notice of lay-off shall be given preference for temporary vacancies which are expected to exceed (10) working days. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay-off.
- (i) No full-time employee within the bargaining unit shall be laid off by reason of his/her duties being assigned to one or more part-time employees.
- (j) In the event that a lay-off commenced on the day immediately following a paid holiday, an employee otherwise qualified for holiday pay shall not be **disentitled** thereto solely because of the day on which the lay-off commenced.

(k) A laid off employee shall retain the rights of recall for a period of twenty-four (24) months from the date of lay-off.

10.06 Benefits on Lay-off

In the event of a lay-off of a full-time employee, the Hospital shall pay its share of insured benefits premium up to three (3) months from the end of the month in which the lay-off occurs or until the laid off employee is employed elsewhere, whichever occurs first.

ARTICLE 11 - JOB POSTING

11.01 Where a permanent vacancy occurs in a classification within the bargaining unit or a new position within the bargaining unit is established by the Hospital, such vacancy shall be posted by the Hospital for a period of seven (7) days excluding Saturday, Sunday and holidays. Vacancies created by the filling of an initial permanent vacancy within the bargaining unit shall be posted for a period of three (3) consecutive days excluding Saturday, Sunday and holidays. All applications are to be made in writing within the posting period.

11.02 The postings referred to in Article .01 shall stipulate the qualifications, classification, rate of pay, department and shift and a copy shall be provided to the Chief Steward.

11.03 Employees shall be selected for positions under either Article .01 on the basis of their ability, experience and qualifications. Where these factors are relatively equal amongst the employees considered, seniority shall govern providing the successful applicant, if any, is qualified to perform the available work. The name of the successful applicant will be posted on the bulletin board and unsuccessful applicants will be notified.

11.04 Where there are no successful applicants from within this bargaining unit for positions referred to in Article .01 and .02, employees in other SEIU service bargaining units at the Hospital will be considered for such positions prior to considering persons not employed by the Hospital. The employees eligible for consideration shall be limited to those employees who have applied for the position in accordance with Article .01 and .02, and selection shall be made in accordance with Article .03 above.

11.05 Vacancies which are not expected to exceed six (6) months will not be posted and may be filled at the discretion of the Hospital. In filling such vacancies consideration shall be given to part-time employees in SEIU service bargaining units who have recorded their interest in writing, prior to considering persons not employed by the Hospital. In considering such

part-time employees the criteria for selection in .03 shall apply. Part-time employees selected to fill a vacancy under this Article will continue to maintain their part-time status and upon completion of the assignment the employee will return to his former position.

11.06 The Hospital shall have the right to fill any vacancy on an interim basis until the posting procedure or the Request for Transfer procedure provided herein has been complied with, and arrangements have been made to assign the employee selected to fill the vacancy to the job. No grievance may be filed concerning such temporary arrangements.

11.07 The successful applicant will be placed in the vacancy for a trial period not exceeding forty-five (45) working days and if the employee proves satisfactory, then he shall be considered permanently assigned to the vacancy. If the employee proves unsatisfactory during that time, or if the employee feels he is unable to perform the duties of the vacancy to which he is posted, the employee will be returned to his former position at his former salary rate of pay, as will any other employee in the Bargaining Unit who was promoted or transferred by reason of such placing. Newly hired employees shall be terminated and such termination shall not be subject to the grievance and arbitration procedure.

11.08 Successful applicants and newly hired employees will not be permitted to apply for job postings or any subsequent vacancies for a period of six (6) months, unless otherwise mutually agreed.

ARTICLE 12 - NO CONTRACTING OUT

12.01 The Hospital shall not contract out any work usually performed by members of the bargaining unit if, as a result of such contracting out, a layoff of any employees other than casual part-time employees results from such contracting out. Contracting out to an Employer who is organized and who will employ the employees of the bargaining unit who would otherwise be laid off with similar terms and conditions of employment is not a breach of this provision.

12.02 On request by the Union the Hospital will undertake to review contracted services which fall within the work of the bargaining unit. The purpose of the review will be to determine the practicality of increasing the degree to which bargaining unit employees may be utilized to deliver such services in the future. The Hospital further agrees that the results of their review will be submitted to the Staff Planning Committee for its consideration.

ARTICLE 13 - WORK OF THE BARGAINING UNIT

13.01 Work of the Bargaining Unit

Employees not covered by the terms of this Agreement will not perform duties normally assigned to those employees who are covered by this Agreement, except for the purposes of instruction, experimentation, or in emergencies when regular employees are not readily available.

Note: The purpose of this clause is the protection of the work of the bargaining unit employees and not the broadening of that work to other areas.

13.02 Employment Agencies

Prior to enlisting the services of an employment agency, the hospital will attempt to contact part-time staff who would normally perform the duties in question.

13.03 Volunteers

- (a) The use of volunteers to perform bargaining unit work shall not be expanded beyond the extent of existing practice as of June 1, 1986.
- (b) Where a Hospital plans a drive to increase the number of volunteers, the Union must be given at least thirty (30) days' notice of these plans and a special meeting of the local joint job security committee must be convened at least three (3) weeks prior to the initiations of such a drive.

13.04 Ratio of R.N.'s to R.N.A.'s

At the time of considering whether or not to alter the ratio of R.N.'s to R.N.A.'s in any department, the Hospital agrees to consult with the Union in advance of any decision being made and, again in advance of any decision being made, the senior administrator of the Hospital agrees to meet with and to entertain submissions from the Union with respect to the merits of maintaining the existing ratio.

In addition to the above process and apart from it where a change in the ratio is planned by the Hospital and it does not arise because of employee retirement, resignation or death then it can only be carried out following a full and complete disclosure to the Union of the plan of the Hospital and the reasons for it. After full and complete disclosure to the Union the Hospital and Union are to meet and discuss the plan and the reasons with a view to possibly modifying them including maintaining the existing ratio. The planned change in the ratio cannot be implemented by the Hospital for a period of forty-five (45) days from the date of full and complete disclosure to the

Union; and only implemented if there as been the consultative process required by this clause carried out in good faith by the Hospital.

ARTICLE 14 - TECHNOLOGICAL CHANGE

14.01 Technological Change means the automation of equipment, or the **mechanization** or automation of operations, or the replacement of existing equipment or machinery with new equipment or machinery which results in the displacement of an employee from his/her regular job.

14.02 Where the Hospital has decided to introduce a technological change which will significantly alter the status of an employee within the bargaining unit, the Hospital undertakes to meet with the Union to consider the **minimizing** of adverse effects (if any) upon the employees concerned.

14.03 Where new or greater skills are required than are already possessed by affected employees under the present methods of operation, such employees shall be given a period of training, with due consideration being given to the employee's age and previous educational background, during which they may perfect or acquire the skills necessitated by the new method of operation. The employer will assume the cost of tuition and travel. There shall be no reduction in wage or salary rates during the training period of any such employee. Training shall be given during the hours of work whenever possible and may extend for up to six (6) months.

14.04 Employees with one (1) or more years of continuous service who are subject to lay-off under conditions referred to above, will be given notice of the impending change in employment status at the earliest reasonable time in keeping with the notification to the Union as set out above and the requirements of the applicable legislation.

14.05 Employees who are pregnant shall not be required to operate VDTs. At their request, the employer shall temporarily relocate such employees to other appropriate work without loss of employment benefits, but at the wage rate of the job in which the employee is relocated. The determination of the appropriate alternative work shall be at the discretion of the **Employer** and such discretion shall not be exercised in an arbitrary or discriminatory manner. If such work is not available or if the employee does not wish to accept the alternative work, the employee may be placed on unpaid leave of absence.

14.06 Each employee required to use a VDT more than four (4) hours per day, shall be given eye examinations at the beginning of employment or assignment to VDTs and every twelve (12) months thereafter. The eye examinations shall be paid for by the Hospital where not covered by OHIP.

ARTICLE 15 - LEAVES OF ABSENCE

15.01 Bereavement Leave

An employee who notifies the Hospital as soon as possible following a bereavement shall be granted up to three (3) consecutive days off, without loss of his regular pay for his scheduled hours from the date of death up to and including the date of the funeral of a member of his immediate family. "Immediate family" means parent, brother, sister, spouse, son, daughter, son-in-law, daughter-in-law, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparent, grandchild, guardian or step-parent.

15.02 Education Leave

- (a) If required by the Employer, an employee shall be entitled to leave of absence with pay and without loss of seniority and benefits to write examinations to upgrade his or her employment qualifications.
- (b) A leave of absence, without pay, to take further education related to the employee's work with the Hospital may be granted upon written application by the employee to the administration of the Hospital. It is further understood and agreed that the Employer will, wherever its operational requirements permit, endeavour to arrange the shifts of employees attending courses or seminars to permit such attendance.
- (c) Where employees are required by the Hospital to take courses to upgrade or acquire new employment qualifications, the Employer shall pay the full costs associated with the courses.

15.03 Jury and Witness Duty

- .01 If an employee is required to serve as a juror in any court of law, or is required to attend as a witness in a court proceeding in which the Crown is a party, or is required by subpoena to attend a court of law or coroner's inquest in connection with a case arising from the employee's duties at the Hospital, the employee shall not lose regular pay because of such attendance provided the employee:
 - (a) notifies the Hospital immediately on the employee's notification that he will be required to attend at court;
 - (b) presents proof of service requiring the employee's attendance;

(c) deposits with the Hospital the full amount of compensation received excluding mileage, travelling and meal allowances and an official receipt thereof.

- .02 In addition to the foregoing, where an employee is required by subpoena to attend a court of law or coroner's inquest in connection with a case arising from the employee's duties at the Hospital on his regularly scheduled day off, the Hospital will attempt to reschedule the employee's regular day off, it being understood that any rescheduling shall not result in the payment of any premium pay. Where the Hospital is unable to reschedule the employee and, as a result, he is required to attend on a regular day off, he shall be paid for all hours actually spent at such hearing at the rate of time and one-half his regular straight time hourly rate subject to (a), (b) and (c) above.

Where the employee's attendance is required during a different shift than he is scheduled to work that day, the Hospital will attempt to reschedule the shift to include the time spent at such hearing. It is understood that any rescheduling shall not result in the payment of any premium pay.

Where the Hospital is unable to reschedule the employee and, as a result, he is required to attend during other than his regularly scheduled paid hours, he shall be paid for all hours actually spent at such hearing at his straight time hourly rate subject to (a), (b), and (c) above.

That benefit will be equivalent to the difference between seventy-five percent (75%) of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits and any other earnings. Such payment shall commence following completion of the two-week Unemployment Insurance waiting period, and receipt by the Hospital of the employee's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance pregnancy benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of fifteen (15) weeks. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours plus any wage increase or salary increment that she would be entitled to if she were not on pregnancy leave.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payment in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

15.05 Parental Leave

- (a) Parental leaves will be granted in accordance with the provisions of the Employment Standards Act, except where amended in this provision. The service

If, because of late receipt of confirmation of the pending adoption, the employee finds it impossible to request the leave of absence in writing, the request may be made verbally and subsequently verified in writing.

An employee who is an adoptive parent may extend the parental leave for such greater time as may be required by the adoption agency concerned up to a maximum aggregate of six (6) months. Written notice by the employee for such extension will be given at least two (2) weeks prior to the termination of the initially approved leave.

- (e) Effective on November 26, 1992 any employee who is on parental leave as provided under this Agreement who has applied for and is in receipt of Unemployment Insurance parental benefits pursuant to Section 20 of the Unemployment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between seventy-five percent (75%) of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits and any other earnings. Such payment shall commence following completion of the two-week Unemployment Insurance waiting period, and receipt by the Hospital of the employee's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance parental benefits and shall continue while the employee is in receipt of such benefits for a maximum period of ten (10) weeks. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours plus any wage increase or

salary increment that she would be entitled to if she were not on parental leave.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payment in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

Such leave, if granted, shall be for a period of one (1) calendar year from the date of appointment unless extended for a further specific period by agreement of the parties. Where leave of absence for Union business is requested, it is understood that the Union will not request leave of absence for more than two (2) employees at one time, and that the Union shall be responsible for payment of wages during the time of absence.
- (e) In addition to the leave of absence set out above, members of the Union Executive Board and/or Council employed by the Hospital will be entitled to an additional cumulative leave of absence, without pay, not to exceed ten (10) days per contract year, subject to the conditions set out above, for the purpose of attending Executive and/or Council meetings.

- (b)
 - (i) Hours of work for all employees of the Bargaining Unit shall be thirty-seven and one-half (37 1/2) hours per week, exclusive of meal periods, averaged over a bi-weekly pay period of seventy-five (75) hours.
 - (ii.) It is understood normal hours include those required to accommodate the change from Daylight Saving Time to Standard Time and vice versa to which

the other provisions of the Articles dealing with Hours of Work and Overtime do not apply.

It is further understood that the amount of regular pay for a full normal shift worked shall not be affected by reason of the change in the number of hours worked in consequence of such change from Daylight Saving Time to Standard Time and vice versa.

(iii) The provisions of this Article are intended only to provide a basis for calculating time worked and shall not constitute a guarantee of hours of work per shift or per week or for any period whatsoever nor a guarantee of working schedules.

- (c) It is understood that in allotting the hours of work, the shifts shall be scheduled on a seven and one-half (7 1/2) hour basis, exclusive of meal periods and in the assignment of days off, days off as far as possible will be consecutive unless otherwise mutually arranged.

Where a weekend off is not granted within a three (3) week period, time worked on such third weekend but not subsequent weekends shall be paid at the rate of time and

Effective the first of the month after ratification of the Memorandum of Settlement by both parties coverage will include vision care (maximum \$90.00 every 24 months) as well as a hearing aid allowance (lifetime maximum \$500.00/per individual) and the deductible will be \$15.00 (single) and \$25.00 (family).

Existing provision for private duty nursing services contained in present extended health care plans will be amended to reflect that this benefit is limited to a maximum of 90 eight-hour shifts in any calendar year.

by the employee through payroll deduction. Effective the first of the month following the date of ratification of the Memorandum of Settlement by both parties, the Hospital's contribution to the Dental Plan will be 75%.

22.03 Pension

All present employees enrolled in the Hospital's Pension Plan shall maintain their enrolment in the Plan subject to its terms and conditions. New employees and employees not yet eligible for membership in the Plan shall, as a condition of employment, enroll in the Plan when eligible in accordance with its terms and conditions.

22.04 The Hospital shall make provision with its insurers by January 18, 1993 to allow all employees who thereafter retire "early" to maintain to age 65, at the retiree's cost, his or her participation in the following group plans:

23.02 Disabled Employees

If an employee becomes disabled with the result that he is unable to carry out the regular functions of his position, the Hospital may establish a special classification and salary with the hope of providing an opportunity of continued employment.

ARTICLE 24 - SICK LEAVE

24.01 Sick Leave and Long Term Disability

.01 The Hospital will assume total responsibility for providing and funding a short-term sick leave plan at least equivalent to that described in the 1987 Hospitals of Ontario Disability Plan (HOODIP) brochure.

.02 The Hospital will pay seventy-five percent (75%) of the billed premium towards coverage of eligible employees under the long-term disability portion of the plan (HOODIP or an equivalent plan), the employee paying the balance of the billed premium through payroll deduction. For the purpose of transfer to the short-term portion of the disability program, employees on the payroll as of the effective date of the transfer with three (3) months or more of service shall be deemed to have three (3) months of service. For the purpose of transfer to the long-term portion of the disability program, employees will be credited with their actual service.

.03 Effective June 1, 1982 the existing accumulating sick leave plan shall be terminated and any provisions relating to such plan shall be null and void except as to those provisions relating to payout of unused sick leave benefits which are specifically dealt with hereinafter.

Existing sick leave credits for each employee shall be converted to a sick leave bank to the credit of the employee at the then current per diem rate of pay based on his regular straight time hourly rate. The "sick leave bank" shall be utilized to:

- (a) Supplement payment for sick leave days under the new program or paragraph 5 below which would otherwise be at less than full wages and,
- (b) where a payout provision existed under the former sick leave plan in the Collective Agreement, payout on termination of employment shall be that portion of any unused sick leave dollars under the former conditions relating to payout.
- (c) Where, as of the effective date of transfer, an employee does not have the required service to qualify for payout on termination, his existing sick leave credits as of that date shall nevertheless be converted to a sick leave bank in accordance with the foregoing and he shall be entitled, on termination, to that portion of any unused sick leave dollars providing he subsequently achieves the necessary service to qualify him for payout under the conditions relating to such payout.

(d) Where a payout provision existed under the former sick leave plan in the Collective Agreement, an employee who has accumulated sick leave credits and is prevented from working for the Hospital on account of an occupational illness or accident that is **recognized** by the Workers' Compensation Board as compensable within the meaning of the Workers' Compensation Act, the Hospital, on application from the employee, will supplement the award made by the Workers' Compensation Board for loss of wages to the employee by such amount that the award of the Workers' Compensation Board for loss of wages, together with the supplementation of the Hospital, will equal one hundred percent (100%) of the employee's net earnings to the limit of the employee's accumulated sick leave credits. Employees may **utilize** such sick leave credits while awaiting approval of a claim for Workers' Compensation.

.04 There shall be no pay deduction from an employee's regular scheduled shift when the employee has completed any portion of the shift prior to going on sick leave benefits or Workers' Compensation benefits.

.05 The Hospital further agrees to pay employees an amount equal to any loss of benefits under HOODIP for the first two days (2) of the fourth and subsequent period of absence in any calendar year.

.06 Absences due to pregnancy related illness shall be considered as sick leave under the sick leave plan.

.07 Unemployment Insurance-Rebate

The short-term sick leave plan shall be registered with the Unemployment Insurance Commission (UIC). The employees' share of the **Employer's** unemployment insurance premium reduction will be retained by the Hospital towards offsetting the cost of the benefit improvements contained in this Agreement.

.08 (a) **Employees** may be required to produce proof of sickness for any absence, in the form of a medical certificate from a duly qualified medical practitioner; and in all cases of sickness of more than three (3) working days a medical certificate is compulsory before returning to work.

(b) In order to qualify for sick leave an employee must notify his supervisor or, in his absence, the switchboard operator at least two (2) hours prior to the beginning of the employee's shift in the case of day shift and four (4) hours prior to the beginning of the employee's shift for evening and night shifts. This is to be interpreted that the Supervisor is to be informed for each day that the employee will be

absent. The Employer reserves the right to require proof of illness by medical certificate or such other form of proof as the Employer may require before sick leave is granted.

- (c) An employee returning to duty following a sick leave must so advise the Hospital not less than twelve (12) hours in advance that they intend to return, in the case of day shift, and not less than four (4) hours in advance in the case of evening and night shift.

24.02 Workers' Compensation Benefits and Sick Leave

An employee who is absent from work as a result of an illness or injury sustained at work and who has been awaiting approval of a claim for Workers' Compensation for a period longer than one complete pay period may apply to the Hospital for payment **euqivalent** to the lesser of the benefit she would receive from Workers' Compensation if her claim was approved, or the benefit to which she would be entitled under the short term sick portion of the disability income plan (HOODIP or equivalent plan). Payment will be provided only if the employee provides evidence of disability satisfactory to the Hospital and a written undertaking **satisfactory** to the Hospital that any payments will be refunded to the Hospital following final determination of the claim by the Workers' Compensation Board. If the claim for workers' compensation is not approved, the monies paid as an advance will be applied towards the benefits to which the employee would be entitled under the short term portion of the disability income plan. Any payment under this provision will continue for a maximum of fifteen (15) weeks.

24.03 Any dispute which may arise concerning an employee's entitlement to long-term disability benefits, and which is not covered by the appeal mechanism provided for under the policy of insurance, may be the subject of grievance and arbitration under the provisions of this agreement.

ARTICLE 25 - COMPENSATION

25.01 Experience Pay

An employee hired by the Hospital with recent and related experience, may claim at the time of hiring on a form supplied by the hospital consideration for such experience. Any such claim shall be accompanied by verification of previously related experience. The Hospital shall then evaluate such experience during the probationary period. Where, in the Hospital's opinion such experience is relevant, the employee shall be slotted in that step of the wage progression consistent with one (1) year's service for every one (1) years of related experience in the classification on the completion of the employee's probationary period. It is understood and agreed that this

shall not constitute a violation of the wage schedule in the collective agreement.

25.02 Promotion to a Higher Classification

An employee who is promoted to a higher rated classification within the bargaining unit will be placed in the range of the higher rated classification so that he shall receive no less an increase in wage rate than the equivalent of one (1) step in the wage rate of his previous classification (provided that he does not exceed the wage rate of the classification to which he has been promoted).

25.03 Temporary Transfer

When an employee is assigned temporarily to perform the duties and assume the responsibilities of a higher paying position in the bargaining unit for a period in excess of one half (1/2) of a shift, he shall be paid the rate immediately above his current rate in the higher classification to which he was assigned from the commencement of the shift on which he was assigned the job.

25.04 Job Classification

- (a) When a new classification (which is covered by the terms of this Collective Agreement) is established by the Hospital, the Hospital shall determine the rate of pay for such new classification and notify the local Union of the same within seven (7) days. If the local Union challenges the rate, it shall have the right to request a meeting with the Hospital to endeavour to negotiate a mutually satisfactory rate. Such request will be made within ten (10) days after the receipt of notice from the Hospital of such new occupational classification and rate. Any change mutually agreed to resulting from such meeting shall be retroactive to the date that notice of the new rate was given by the Hospital. If the parties are unable to agree, the dispute concerning the new rate may be submitted to arbitration as provided in the Agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classification.
- (b) When the Hospital makes a substantial change during the term of this Agreement in the job content of an existing classification which in reality causes such classification to become a new classification, the Hospital agrees to meet with the Union if requested to

permit the Union to make representation with respect to the appropriate rate of pay.

- (c) If the matter is not resolved following the meeting with the Union the matter may be referred to arbitration as provided in the Agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classifications.
- (d) The parties further agree that any change mutually agreed to or awarded as a result of arbitration shall be retroactive only to the date that the Union raised the issue with the Hospital.

25.05 Wages and Classification Premium

- (a) The wage rates in effect for the duration of this Collective Agreement shall be set forth in Schedule "A" attached to and forming part of this Collective Agreement.
- (b) An employee designated as a lead hand will receive an amount of 45 cents per hour in addition to his regular rate of pay while so designated.

ARTICLE 26 - BULLETIN BOARDS

26.01 The Hospital agrees to supply and make available to the Union for the posting of Union notices a bulletin board to inform all employees in the bargaining unit of the activities of the Union. It is agreed that no notice will be posted on the bulletin board without prior approval by the Vice President - Human Resources.

ARTICLE 27 - PAY DAY

27.01 The Employer agrees that wages shall be paid by bank deposit each two weeks on Thursday except when interfered with by the occurrence of a Paid Holiday. In this case the regular pay day may be delayed one day.

ARTICLE 28 - ACCOMMODATION

28.01 When employees bring their own lunch, a cafeteria will be provided. Locker facilities will be provided when they are available for employees.

29.01 The cost of printing this Agreement in a suitable or agreed form in numbers sufficient for distribution to each party shall be borne equally by the parties.

ARTICLE 30 - ACCESS TO FILES

ARTICLE 31 - DISCIPLINARY NOTATIONS

31.01 Any letter of reprimand, suspension, or other sanction will be removed from the record of an employee 24 months following the receipt of such letter, suspension or other sanction, provided that the employee's record has been discipline free for such 24 month period.

ARTICLE 32 - DURATION

32.01 Term

This Agreement shall continue in effect until October 10, 1993 and shall continue automatically thereafter during annual *periods of one year each, unless either party notifies the other in writing not earlier than three (3) calendar months prior to the termination date of this Collective Agreement that it desires to amend or terminate this Agreement.

32.02 In the event of such notification being given as to amendment of the agreement negotiations between the parties shall begin within thirty (30) days or as mutually agreed in following such notification.

32.03 Duration

If, pursuant to such negotiations, an agreement on the renewal or amendment of this agreement is not reached prior to the current expiration date, this agreement shall automatically be extended until consummation of a new agreement or completion of the proceedings prescribed under the appropriate Ontario Statutes.
