1.01 The purpose of this Agreement is to establish mutually satisfactory relations between the Hospital and the employees concerned, to provide machinery for the prompt and equitable disposition of grievances, to establish and maintain satisfactory working conditions, hours of work and wages for all the employees who are subject to the provisions of the Agreement.

**ARTICLE 2 - SCOPE AND RECOGNITION**

2.01 The Employer recognizes the Union for the duration of this Agreement as the sole and exclusive collective bargaining agent with respect to wages, hours and working conditions for all lay employees of Kirkland and District Hospital at Kirkland Lake, save and except department heads, persons above the rank of department head, professional medical staff, graduate and undergraduate nurses, graduate and undergraduate pharmacists, graduate and student dietitians, technical personnel, office staff, persons regularly employed for not more than twenty-four hours per week and students employed during the school vacation period.

- (b) Generally to manage and operate the Hospital in all respects in accordance with its obligations and without restricting the generality of the foregoing to determine the kinds and locations of machines, equipment to be used; and allocation and number of employees required from time to time, the standards of performance for all employees and all other matters concerning the Hospital's operations, not otherwise specifically dealt with elsewhere in this Agreement.
- (c) To maintain order, discipline and efficiency and to make and alter from time to time rules and regulations to be observed, provided such rules and regulations are not inconsistent with the provisions of this Agreement.

## **ARTICLE 4 - DEFINITIONS**

### **4.01 Temporary Employees**

Employees may be hired for a specified term, not to exceed six (6) months, to replace an employee on leave or to perform a special nonrecurring task. This term may be extended a further six (6) months on mutual agreement of the Union, employee and Hospital or by the Hospital on its own up to 12 months where the leave of the person being replaced extends that far. The period of employment of such persons will not exceed the absentee's leave. The release or discharge of such persons shall not be the subject of a grievance or arbitration.

This clause would not preclude such employees from using the job posting provision under the Collective Agreement and any successful applicant who has completed his probation period will be **credited** with the appropriate seniority.

The Hospital will outline to employees selected to fill such temporary vacancies and the Union, the circumstances giving rise to the vacancy, and the special conditions relating to such employment.

### **4.02 Employee**

Employee shall include only such persons coming within the scope of the certificate issued by the Ontario Labour Relations Board dated the 26th day of March, 1974.

### **4.03 Steward**

Steward shall mean an employee of the Employer who has completed six months of service with the Employer and whose name has been forwarded to the Employer by the Union in writing confirming his appointment as such, and who has not been replaced by the Union with written notice to the Employer.

### **4.04 Administrator**

Administrator shall mean the Chief Executive Officer or his appointee of Kirkland and District Hospital.

## ARTICLE 5 - UNION SECURITY

### 5.01 Union Dues

The amount of the regular monthly dues shall be those **authorized** by the Union and the Union shall notify the Hospital of any charges therein and such **notification** shall be the Hospital's conclusive authority **to** make the deductions specified.

In consideration of the deducting of Union dues by the Hospital, the Union agrees to indemnify and save harmless the Hospital against any claims or liabilities arising or resulting from the operation of this Article.

Dues deducted by the 15th of the month shall be remitted monthly to the Union, no later than the end of the month in which the dues were deducted.

### 5.02 Interview Period

It is agreed that upon commencement of employment new employees will be advised by a representative of the Personnel Department of the Employer of the existence of the Union and the conditions surrounding their employment as contained in the herein Collective Agreement, and any rules that may be formulated under its terms. It is also agreed that a representative of the Union will be given an opportunity to interview each employee once upon completion of his or her probationary period for the purpose of ascertaining the wishes of the employees concerning membership in the Union. The Employer will notify the union monthly of the names of those who complete their probationary period, and on request will arrange a time and place for such interview, the time of which shall not exceed fifteen (15) minutes. Because of these privileges of interview granted in this clause, it is expressly agreed by the Union that there shall be no solicitation for membership at any other time, nor collection of dues at any other time on the premises of the Hospital.

### 5.03 Employee Lists

The union dues deductions will be accompanied by a list showing the names of **persons** for whom deductions have been made, together with the names of

persons for whom no deductions have been made and the reasons for the absence of such deduction. Such deductions to be forwarded to the Secretary Treasurer of the Union at the address from time to time given to the Hospital.

In addition to the foregoing, the Hospital will supply the Union with the addresses and classification of new employees when they are placed on the checkoff list for the first time. Copies of the seniority list will be supplied to the Union on request. Upon the posting of the seniority list, employees shall have thirty (30) days in which to file complaints against their seniority standing, and if no complaints are filed, it is deemed that the seniority list as posted is correct.

### ARTICLE 6 - NO STRIKE/LOCKOUT

- 6.01 During the term of this Agreement neither the union nor any of its officers or officials nor any employee shall take part in or call or encourage any strike, sit-down, slowdown (which shall include any work-to-rule arrangement) or any suspension of work against the Employer, which shall in any way affect the operations of the Employer. Nor shall the Employer nor any of its officers or officials engage in any lockout.
- 6.02 It is agreed that if such action should be taken by the employees the Union will instruct the said employees to return to work, and perform their usual duties and to resort to the grievance procedures established herein for settlement of any complaint or grievance.
- 6.03 Should there be any violation of either 6.01 or 6.02 of this Article there shall be no discussion or negotiations of the matter in dispute between the Employer and the Union until normal work has been resumed.

A Union steward shall suffer no loss of earnings for time spent in performing the above duties during his regular scheduled working hours.
- (e) Nothing in this Article shall preclude full-time stewards from representing part-time employees and vice-versa.

Upon reference to arbitration, the Negotiating Committee members shall receive unpaid time off for the purpose of attending arbitration hearings.

It is understood and agreed that the maximum number of Union Central Negotiating Committee members entitled to payment under this provision shall be seven (7), and in no case will more than one (1) employee from a hospital be entitled to such payment.

The Union shall advise the Hospitals' Central Negotiating Committee, before negotiations commence, of those employees to be paid under this provision. The Hospitals' Central Negotiating Committee shall advise the seven (7) Hospitals accordingly.

- (b) In the event the parties to this Agreement agree to negotiate for its renewal through the process of central bargaining, it is agreed that one (1) representative from the bargaining unit shall be entitled to leave of absence to attend either the central negotiations (including caucuses) or only the central Union caucuses (including reasonable travel time).

It is understood and agreed that the leave of absence for attendance at such caucuses shall not be for more than one (1) day exclusive of

reasonable travel time for each scheduled negotiation session between the central negotiation committees.

#### 7.04 Local Negotiating Committee

- (a) The Hospital agrees to recognize a combined full-time and part-time Negotiating Committee comprising of four (4) members to be elected or appointed from amongst employees in the bargaining units who have completed their probationary period, and one of whom shall be a part-time employee.

- (e) Nothing in this provision is intended to preclude the Union Negotiating Committee from having the assistance of any representatives of the Union when negotiating with the Hospital.
- (f) The number of employees on the Negotiating Committee shall be determined locally.

### ARTICLE 8 - GRIEVANCE AND ARBITRATION

- 8.01 For the purposes of this Agreement, a grievance or complaint is defined as a difference arising either between a member of the bargaining unit and the Hospital or between the parties hereto relating to the interpretation, application, administration or alleged violation of the Agreement,
- 8.02 The grievance shall identify the nature of the grievance, the remedy sought, and should, where possible specify the provisions of the Agreement which are alleged to have been violated.
- 8.03 At the time formal discipline is imposed or at any stage of the grievance procedure an employee shall have the right, to the presence of his/her steward. In the case of suspension or discharge, the Hospital shall notify the employee of this right in advance.

Where the Hospital deems it necessary to suspend or discharge an employee, the Hospital shall notify the Union of such suspension or discharge in writing, within three (3) days.

**8.04** It is the mutual desire of the parties hereto that complaints shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until he has first given his immediate supervisor the opportunity of adjusting his complaint. The grievor may have the assistance of a union steward if he so desires.

Such complaint shall be discussed with his immediate supervisor within five (5) days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee.

Failing settlement within the five (5) days, it shall then be taken up as a grievance within five (5) days following his immediate supervisor's decision in the following manner and sequence:

Step

The employee shall submit the grievance, in writing, and signed by him, to his immediate supervisor. The employee may be accompanied by a Union Steward. The immediate supervisor will deliver his decision in writing within five (5) days following the day on which the written grievance was presented to him. Failing settlement, then:

Step

Within five (5) days following the decision under step 1 the employee, accompanied by a union steward, or the union steward shall submit the written grievance to his Department Head, who will deliver his decision in writing within five (5) days following the day on which the grievance was presented to him.

This step may be omitted where the employee's immediate supervisor and Department Head are the same person. Failing settlement, then:

Step

Within five (5) days following the decision in the immediately preceding step, the grievance shall be submitted in writing to the Chief Executive Officer of the Hospital or the designated Hospital representative.

A meeting will then be held between the Chief Executive Officer or the designated Hospital representative and the designated union representatives who may be accompanied by the general representative of the Union, within

five (5) days of the submission of the grievance at Step 3, unless extended by mutual agreement of the parties.

The decision of the Hospital shall be delivered in writing within ten (10) days following the date of such meeting.

#### 8.05 Policy Grievance

A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step 3 within ten (10) days following the circumstances giving rise to the grievance.

It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which he could have instituted himself and the regular grievance procedure shall not be thereby by-passed.

Where the grievance is a Hospital grievance it shall be filed with the Grievance Committee.

#### 8.06 Group Grievance

Where a number of employees have identical grievances, and each one would be entitled to grieve separately, they may present a group grievance, in writing identifying each employee who is grieving, to the Department Head, or his designate, within ten (10) days after the circumstances giving rise to the grievance have occurred. The grievance shall then be treated as being initiated at Step 2 and the applicable provisions of this Article shall then apply with respect to the handling of such grievance.

#### 8.07 Discharge Grievance

If an employee, who has completed his probationary period, claims that he has been unjustly discharged, such claim must be submitted by the employee, who may be accompanied by a Union steward, or by the Unionsteward at Step 3 of the grievance procedure to the Hospital within five (5) days following the date the discharge is effective.

Such grievance may be settled under the Grievance and Arbitration procedure by :

- (a) confirming the Hospital's action in discharging the employee, or
- (b) reinstating the employee with up to full seniority for time lost and up to full compensation for time lost,

(c) any other arrangement which may be deemed just and equitable.

- 8.08 Failing settlement under the foregoing procedure, any grievance may be submitted to arbitration as herein after provided. If no written request for arbitration is received within ten (10) days after the decision under Step 3 is given, the grievance shall be deemed to have been abandoned.
- 8.09 All agreements reached, under the grievance procedure, between the representatives of the Hospital and representatives of the Union will be final and binding upon the Hospital, the Union and the employee(s).
- 8.10 When either party requests that any matter be submitted to arbitration as provided in this Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time appoint a nominee. Within five (5) days thereafter, the other party shall appoint its nominee, provided however, that if such party fails to appoint its nominee as herein required, the Minister of Labour for the province of Ontario shall have the power to make such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees shall attempt to agree upon a chairman of the Arbitration Board. If they are unsuccessful in agreeing upon such a chairman within a period of ten (10) days of the appointment of the second nominee, they shall then request the Minister of Labour for the Province on Ontario to appoint a Chairman.
- 8.11 No person may be appointed to the Arbitration Board who has been involved in an attempt to negotiate or settle the grievance.
- 8.12 The Arbitration Board shall not be **authorized** to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 8.13 No matter may **be** submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.
- 8.14 **The** proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority, and where there is no majority, the decision of the Chairman, will be final and binding upon the parties hereto and the employee or employees concerned.
- 8.15 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any , of the Chairman of the Arbitration Board.
- 8.16 Saturdays, Sundays and Holidays are not to be counted in the time limits as set out in this Article.

8.17 Wherever Arbitration Board is referred to in the Agreement, the parties hereto may mutually agree in writing, to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

ARTICLE 9 - SENIORITY

9.01 Probationary Period

A new employee will be considered on probation until he has completed forty-five (45) days of work within any twelve calendar months. Upon completion of the probationary period he shall be credited with seniority equal to forty-five (45) working days. With the written consent of the Hospital, the probationary employee, and the President of the Local Union or designate, such probationary period may be extended. Any extension agreed to will be in writing and will specify the length of the extension. The release or discharge of any employee during the probationary period shall not be the subject of a grievance or arbitration and is at the sole discretion of the Hospital.

9.02 Definition of Seniority

Full-time employees will accumulate seniority on the basis of their continuous service in the bargaining unit from the last date of hire, except as otherwise provided herein.

Seniority will operate on a bargaining unit wide basis.

Notwithstanding the above, employees hired prior to October 10, 1986 will be credited with the seniority they held under the Agreement expiring November 15, 1985 and will thereafter accumulate seniority in accordance with this Article.

9.03 Transfer of Service and Seniority

Effective October 10, 1986, and for employees who transfer subsequent to October 10, 1986, an employee whose status is changed from full-time to part-time shall receive credit for his/her full service and seniority. An employee whose status is changed from part-time to full-time shall receive credit for seniority and service on the basis on one (1) year equals 1725 hours worked, and will be enrolled in the employee benefit plans subject to meeting any waiting period or other requirements of those plans.

Employees hired prior to October 10, 1986 will be credited with the service and seniority they held under the Collective Agreement expiring November 15, 1985.

#### 9.04 Loss of Seniority

An employee shall lose **all** seniority and shall be deemed terminated if:

- (a) employee quits;
- (b) employee is **discharged**, and the discharge is not reversed through the grievance and arbitration procedure;
- (c) employee is absent from scheduled work for a period of three **(3)** or more consecutive working days without notifying the Hospital of such absence and providing a reason satisfactory to the Hospital;
- (d) employee fails to return to **work** upon the expiration of a leave of absence or **utilizes** a leave of **absence** for a purpose other than that for which it was granted;
- (e) employee has been laid off for twenty-four **(24)** months;
- (f) employee fails upon being notified of a recall to signify his intention to return within five **(5)** working days after he has received the notice of recall, and fails to report to work within ten **(10)** working days after he has received the notice of **recall**;
- (g) employee is **absent** due to **illness** or disability, which absence continues for thirty **(30)** calendar months from the time the disability or illness commenced.

NOTE: This clause **shall** be interpreted in a manner consistent with the provisions of the Ontario Human Rights Code.

#### 9.05 Effect of Absence

Unless otherwise provided in this Collective Agreement:

- (a) It is understood that during an approved unpaid absence not exceeding thirty **(30)** continuous days or any approved absence paid by the Hospital, both seniority and service will accrue.
- (b) During an unpaid absence exceeding thirty **(30)** continuous calendar days, credit for service for purposes of salary increment, vacation, sick leave, or any other benefits under any provisions of the Collective Agreement or elsewhere, shall be suspended for the period of the absence in excess of thirty **(30)** continuous calendar days, the benefits concerned appropriately reduced on a pro rata basis and the employee's anniversary date adjusted accordingly. In addition, the employee will

become responsible for full payment of **subsidized** employee benefits in which he/she is participating for the period of absence, except that the Hospital will continue to pay its share of the premiums for **up to** eighteen (18) months while an employee is in receipt of **W.C.B.** benefits. Notwithstanding this provision, service shall accrue for a period of fifteen (15) weeks if an employee's absence is due to a disability resulting in **W.C.B.** benefits.

- (c) It is further understood that during such unpaid absence, credit for seniority for purposes of promotion, demotion, transfer or lay-off shall be suspended and not accrue during the period of absence. Notwithstanding this provision seniority shall accrue for a period of eighteen (18) months if an employee's absence is due to a disability resulting in **W.C.B.** benefits or **LTD** benefits or for a period of one (1) year if an employee's unpaid absence is due to an illness.

#### ARTICLE 10 – JOB SECURITY

- 10.01 (a) With respect to the development of any operating or restructuring plan which may affect the bargaining unit, the Union shall be involved in the planning process as soon as practicable and, in any event, in advance of such plans or proposals being finalized and notices of layoff being issued or other actions taken that would adversely affect the bargaining unit and through to the final phases of the process.

(b) Staff Planning Committee

In addition to that, and to any other planning committee in the Hospital of a more broadly representational make-up, there shall be immediately established a Staff Planning Committee for the bargaining unit, which shall meet during the term of this agreement every three months, unless otherwise mutually agreed by the parties. It shall be the function of the Staff Planning Committee to consider possible ways and means of avoiding or **minimizing** potential adverse effects upon employees in the bargaining unit, including:

- (i) identifying and proposing possible alternatives to any action that the Hospital may propose taking;
- (ii) identifying and seeking ways to address the restraining needs of employees;
- (iii) identifying vacant positions within the Hospital for which surplus members of the bargaining unit might qualify, or such positions which are currently filled but which are expected to become vacant within a twelve (12) month period

### Composition and Meetings

The Committee shall be comprised of equal numbers of representatives of the hospital and from the Union. The number of **representatives** is to be determined locally, and shall consist of at least two representatives from each party.

Meetings of the Committee shall be held during normal working hours. Representatives attending such meetings during their regularly-scheduled hours of work shall not lose regular earnings as a result of such attendance. The Hospital shall make typing and other such clerical assistance available as required.

Each party shall appoint a co-chair for the Committee. Co-chairs shall chair alternate meetings of the committee and will be jointly responsible for establishing the agenda of the committee 'meetings, preparing minutes and writing such correspondence as the committee may direct.

### Disclosure

To allow the Staff Planning Committee to carry out its mandated role under this Article, the Hospital will provide the Committee with pertinent financial and staffing information and with a copy of any reorganization plans which impact on the bargaining unit.

### Accountability

The Committee shall submit its written recommendations to the Chief Executive Officer of the Hospital and the Board of Trustees. Where there is no consensus within the **Committee**, the individual members of the Committee shall be entitled **to** submit their own recommendations. Any agreement between **the** Hospital and the Union resulting from the above review concerning the method of implementation will take precedence over the other provisions of this Agreement.

## 10.02 (a) Notice of Layoff

In the event of a proposed layoff at the Hospital of a permanent or long-term nature or the elimination of a position within the bargaining unit, the Hospital shall:

- (i) provide the Union with no less than five (5) months' written notice of the proposed layoff or elimination of position; and

- (ii) provide to the affected employee(s), if any, who will be laid off with no less than five (5) months' written notice of layoff, or pay in lieu thereof.

Note: Where a proposed layoff results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided in (i) above shall be considered notice to the Union of any subsequent layoff.

- (B) A layoff shall not include a reassignment of an employee from her or his classification or area of assignment who would otherwise be entitled to notice of layoff provided:
  - (I) the reassignment of the employee is to an appropriate permanent job with the employer having regard to the employee's skills, abilities, qualification and training or training requirements;
  - (ii) the reassignment of the employee does not result in a reduction of the employee's wage rate or hours of work;
  - (iii) the job to which the employee is reassigned is located at the employees original work site or at a nearby site in terms of relative accessibility for the employee;
  - (iv) the job to which the employee is reassigned is on the same or substantially similar shift or shift rotations; and
  - (V) where more than one employee is to be reassigned in accordance with this provision, the reassigned employees shall be entitled to select from the available appropriate vacancies to which they are being reassigned in order of seniority provided no such selection causes or would cause a layoff or bumping.

The Hospital bears the onus of demonstrating that the foregoing conditions have been met in the event of a dispute. The Hospital shall also reasonably accommodate any reassigned employee who may experience a personal hardship arising from being reassigned in accordance with this provision.

- (c) Any vacancy to which an employee is reassigned pursuant to paragraph (b) need not be posted.

### 10.03 Severance and Retirement Options

- (a) (i) Where an employee resigns within 30 days after receiving notice of layoff pursuant to Article 10.02 (a) (ii) that his or her position will be

eliminated, he or she shall be entitled to a separation allowance of two **(2)** weeks' salary for each year of continuous service to a maximum of twelve **(12)** weeks' pay, and, on production of receipts from an approved educational program, within twelve **(12)** months of resignation, may be reimbursed for tuition fees up to a maximum of three thousand **(\$3,000)** dollars.

- (ii) Where an employee resigns later than 30 days after receiving notice pursuant to Article 10.02 (a) (ii) that his or her position will be eliminated, he or she shall be entitled to a separation allowance of four **(4)** weeks' salary, and, on production of receipts from an approved educational program, within twelve **(12)** months of resignation, may be reimbursed for tuition fees up to a maximum of one thousand two hundred and fifty **(\$1,250)** dollars.
- (b) Prior to issuing notice of layoff pursuant to Article 10.02(a)(ii) in any classification(s), the Hospital will offer early-retirement allowance to a sufficient number of employees eligible for early retirement under **HOOPP** within the classification(s) in order of seniority, to the extent that the maximum number of employees within a classification who elect early retirement is equivalent to the number of employees within the classification(s) who would otherwise receive notice of layoff under Article 10.02(a)(ii).

Within thirty **(30)** days from the date of notice of lay-off, an employee who has received notice of lay-off of a permanent or long-term nature may retire provided that the employee is eligible to retire under the terms of the Hospitals of Ontario Pension Plan. An employee who chooses this option forfeits her right to notice and will receive severance pay on the basis of two **(2)** week's pay for each year of service with the Hospital to a maximum of twenty-six **(26)** weeks on the basis of the employees normal weekly earnings. In addition, full-time employees will receive a lump sum payment equal to **\$1,000.00** for every year less than age **65**, to a maximum of **\$5,000.00**.

Note: The Hospital may offer any employee a **retirement** option as provided above, in order to avoid potential lay-offs in the unit.

- (c) A full-time employee who has completed one year of service and
  - (i) whose lay-off is permanent, or
  - (ii) who is laid off for **26** weeks in any 52 week period, and who has not elected to receive a severance payment under either (a) or (b) of this Article,

shall be entitled to severance pay equal to the greater of two weeks' pay, or one week's pay per year of ~~service~~ to a maximum of 26 weeks' pay. This entitlement shall not be in addition to any entitlement to severance pay under the Employment Standards Act, but at the same time, shall not preclude an employee from claiming any greater entitlement which that Act may at some point come to provide.

An employee may elect to defer receipt of this severance payment while his or her recall rights are still in effect. Once an employee does opt to receive the severance payment, he or she shall be deemed to have resigned, and his or her recall rights shall be extinguished.

#### 10.04 Regional Staff Planning Committees

The central parties agree to establish Regional Staff Planning Committees to facilitate the redeployment of laid off employees among the Participating Hospitals.

To achieve this objective the Hospital Staff Planning Committee will forward to the Regional Staff Planning Committee a list of the names and addresses of laid off employees who have expressed an interest in working at other Participating Hospitals and who should have undertaken skills assessment procedures-provided by any government training agency, such as HTAP, that may be in place.

In filling vacancies not filled by bargaining unit members the Hospitals are encouraged to give first consideration to laid off employees who are on the list and who are qualified to perform the work. For benefit-entitlement purposes, it is **recognized** that Hospitals shall be free to grant to any employees hired through this process full credit for service earned with another hospital.

The size, structure, composition, and activities of each committee will be mutually determined by the parties, and application will be made to any available funding source for the funding of administrative expenses.

#### 10.05 Layoff and Recall

- (a) In the event of lay-off, the Hospital shall lay-off employees in the reverse order of their seniority within their classifications, providing that there remain on the job employees who then have the ability to perform the work.
- (b) An employee who is subject to lay-off shall have the right to either:
  - (i) accept the lay-off; or

- (ii) displace an employee who has lesser bargaining-unit seniority and who is the least senior employee in a lower or identical paying classification in the bargaining unit if the employee originally subject to lay-off can perform the duties of the lower or\* identical **classification** without training other than orientation. Such employee so displaced shall be laid off.

Note: An identical paying classification shall include any classification where the straight time hourly wage rate at the level of service corresponding to that of the laid off employee is with 1% of the laid off employee's straight time hourly wage rate.

In the event that there are no employees with lesser seniority in lower or identical paying classifications as defined in this Article, a laid off employee will have the right to displace an employee with lesser seniority, who is the least senior employee in a classification where the straight time hourly rate at the level of service corresponding to that of the laid off employee is within 5% of the laid off employee's straight time hourly rate provided he can perform the duties without training other than orientation. Such employee so displaced shall be laid off.

- (iii) The decision of the employee to choose (a) or (b) above shall be given in writing to the designated hospital representative within ten (10) working days (excluding Saturday, Sunday and Holidays) following the notification of lay-off. Employees failing to do so will be deemed to have accepted lay-off.
- (c) An employee shall have opportunity of recall from a lay-off to an available opening, in order of seniority, provided he has the ability to perform the work before such opening is filled on a regular basis under a job posting procedure. The posting procedure in the Collective Agreement shall not apply until the recall process has been completed.
  - (d) In determining the ability of an employee to **perform** the work for the purposes of the paragraphs above, the hospital shall not act in an arbitrary or unfair manner.
  - (e) An employee recalled to work in a different classification from which he was laid off shall have the privilege of returning to the position he held prior to the lay-off should it become vacant within six (6) months of being recalled.
  - (f) No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance

with the loss of seniority provision, or have been found unable to perform the work available.

- (g) It is the sole responsibility of the employee who has been laid off to notify the Hospital of his intention to return to work within five (5) working days (exclusive of Saturdays, Sundays and paid holidays) after being notified to do so by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to have been received on the second day following the date of mailing) and to return to work within ten (10) working days after being notified. The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his proper address being on record with the Hospital.
- (h) Employees on lay-off or notice of lay-off shall be given preference for temporary vacancies which are expected to exceed ten (10) working days. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay-off.
- (i) No full-time employee within the bargaining unit shall be laid off by reason of his/her duties being assigned to one or more part-time employees.
- (j) In the event that a lay-off commenced on the day immediately following a paid holiday, an employee otherwise qualified for holiday pay shall not be disentitled thereto solely because of the day on which the lay-off commenced.
- (k) A laid off employee shall retain the rights of recall for a period of **twenty-four (24)** months from the date of lay-off.

#### 10.06 Benefits on Lay-off

- ✓ In the event of a lay-off of a full-time employee, the Hospital shall pay its share of insured benefits premium up to three (3) months from the end of the month in which the lay-off occurs or until the laid off employee is employed elsewhere, whichever occurs first.

#### ARTICLE-II - JOB POSTING

- 11.01 Where a permanent vacancy occurs in a classification within the bargaining unit or a new position within the bargaining unit is established by the Hospital, such vacancy shall be posted by the Hospital for a period of seven (7) days excluding Saturday, Sunday and holidays. Vacancies created by the filling of

an initial permanent vacancy within the bargaining unit shall be posted for a period of three (3) consecutive days excluding Saturday, Sunday and holidays. All applications are to be made in writing within the posting period.

- 11.02 The postings referred to in Article .01 shall stipulate the qualifications; classification, rate of pay, department and shift and a copy shall be provided to the Chief Steward.
- 11.03 Employees shall be selected for positions under Article .01 on the basis of their ability, experience and qualifications. Where these factors are relatively **equal** amongst the employees considered, seniority shall govern providing the successful applicant, if any, is qualified to perform the available work. The name of the successful applicant will be posted on the bulletin board and unsuccessful applicants will be notified.
- 11.04 Where there are no successful applicants from within this bargaining unit for positions referred to in Article .01, employees in other **SEIU** service bargaining units at the Hospital will be considered for such positions prior to considering persons not employed by the Hospital. The employees eligible for consideration shall be limited to those employees who have applied for the position in accordance with Article .01, and selection shall be made in accordance with Article .03 above.
- 11.05 Vacancies which are not expected to exceed six (6) months will not be posted and may be filled at the discretion of the Hospital. In filling such vacancies consideration shall be given to part-time employees in SEIU service bargaining units who have recorded their interest in writing prior to considering persons not employed by the Hospital. In considering such part-time employees the criteria for selection in .03 shall apply. Part-time employees selected to fill a vacancy under this Article will continue to maintain their **part-time** status and upon completion of the assignment the employee will return to his former position.
- 11.06 The Hospital shall have the right to fill any vacancy on an interim basis until the posting procedure herein has been complied with, and arrangements have been made to assign the employee selected to fill the **vacancy** to the job. No grievance may be filed concerning such temporary arrangements.
- 11.07 The successful applicant will be placed in the vacancy for a trial period not exceeding forty-five (45) working days and if the employee proves satisfactory, then he shall be considered permanently assigned to the vacancy. If the employee proves unsatisfactory during that time, or if the employee feels he is unable to perform the duties of the vacancy to which he is posted, the employee will be returned to his former position at his former salary or rate of pay, as will any other employee in the Bargaining Unit who was promoted or transferred by reason of such placing. Newly hired employees shall be

terminated and such termination shall not be subject to the grievance and arbitration procedure.

- 11.08 Successful applicants and newly hired employees will not be permitted to apply for job postings or any subsequent vacancies for a period of six (6) months, unless otherwise mutually agreed.

## ARTICLE 12 - NO CONTRACTING OUT

- 12.01 The Hospital shall not contract out any work usually performed by members of the bargaining unit if, as a result of such contracting out, a lay-off of any employees other than casual part-time employees results from such contracting out.

- 12.02 Notwithstanding the foregoing, the Hospital may contract out work usually performed by members of the bargaining unit without such contracting-out constituting a breach of this provision if the Hospital provides in its commercial arrangement contracting out the work that the contractor to whom the work is being contracted, and any subsequent such contractor, agrees:

- (1) to employ the employees thus displaced from the Hospital; and
- (2) in doing so to stand, with respect to that work, in the place of the Hospital for the purposes of the Hospital's collective agreement with the Union, and to execute into an agreement with the Union to that effect.

In order to ensure compliance with this provision, the Hospital agrees that it will withdraw the work from any contractor who has failed to meet the aforesaid terms of the contracting-out arrangement.

- 12.03 On request by the Union the hospital will undertake to review contracted services which fall within the work of the bargaining unit. The purpose of the review will be to determine the practicality of increasing the degree to which bargaining unit employees may be utilized to deliver such services in the future. The Hospital further agrees that the results of their review will be submitted to the Staff Planning Committee for its consideration.

In addition to the above process and apart from it where a change in the ratio **is planned** by the Hospital and it does not arise **because** of **employee retirement**, resignation or **death** then it can only be carried out following a full and complete disclosure to the Union of **the** plan of the Hospital and the reasons for it. After full and complete **disclosure** to the Union the Hospital and Union are to meet and discuss the plan and the reasons with a **view** to possibly modifying them including maintaining **the** existing ratio. The planned change in the ratio cannot be implemented by the Hospital for a period of forty-five **(45)** days from **the** date of full and complete disclosure to the Union; and only implemented if there has been the consultative process required by this clause carried out in good faith by the Hospital.

- 14.03 Where new or greater skills are required than are already possessed by affected employees under the present methods of operation, such employees shall be given a period of training, with due consideration being given to the employee's age and previous educational background, during which they may **perfect** or acquire the skills necessitated by the new method of operation. The Employer will assume the cost of tuition and travel. There shall be no reduction in wage or salary rates during the training **period** of any such employee. Letter of Understanding – Supper Tray Classification

Following the date of signing the Memorandum of Settlement, the Hospital will hire only students into the classification of **Supper Tray Person** and these shifts will occur outside of their normal school hours only. The existing incumbents who are not students will be reclassified to casual part-time dietetic aides.

The Hospital agrees to limit the Supper Tray complement to a maximum of four (4) workers per shift to cover the current in-patient needs. Should these needs increase then the Parties agree to meet to discuss adjustments to this count.

Should circumstances require a dietetic aide to perform the supper tray assignment then the dietetic aide will be paid at the dietetic aide rate for hours worked.
