ARTICLE 2 - SCOPE AND RECOGNITION

- 2.01 The Employer **recognizes** the Union as the exclusive bargaining agent for all employees of the Kirkland and District Hospital at Kirkland Lake, Ontario, regularly employed for not more than twenty-four (**24**) hours per week and students employed during the school vacation period save and except supervisors, persons above the rank of supervisor, professional medical staff, graduate and undergraduate nurses, graduate and student dietitians, graduate and undergraduate pharmacists, technical personnel, office and clerical staff and persons covered by subsisting Collective Agreements.

ARTICLE 3 - MANAGEMENT RIGHTS

- 3.01 The Union acknowledges that it is the exclusive right and power of the Employer:
- (a) To direct the working forces, to discharge employees for just cause, subject to the use of the grievance procedure, to hire, promote, demote, transfer, lay-off, suspend or otherwise discipline employees.
 - (b) Generally to manage and operate the Hospital in all respects in accordance with its obligations and without restricting the generality of the foregoing to determine the kinds and locations of machines, equipment to be used; and allocation and number of employees required from time to time, the standards of performance for all employees and all other matters concerning the Hospital's operations, not otherwise specifically dealt with elsewhere in this Agreement;
 - (c) To maintain order, discipline and efficiency and to make and alter from time to time rules and regulations to be observed, provided such rules and regulations are not inconsistent with the provisions of this Agreement.

ARTICLE 4 - DEFINITIONS

4.01 Temporary Employees

Employees may be hired for a specified term, not to exceed six (6) months, to replace an employee on leave or to perform a special non-recurring task. This term may be extended a further six (6) months on mutual agreement of the Union, employee and Hospital or by the Hospital on its own up to twelve (12) months where the leave of the person being replaced extends that far. The period of employment of such persons will not exceed the absentee's leave. The release or discharge of such persons shall not be the subject of a grievance or arbitration.

This clause would not preclude such employees from using the job posting provision under the Collective Agreement and any successful applicant who has completed his probation period will be credited with the appropriate seniority.

The Hospital will outline to employees selected to fill such temporary vacancies and the Union, the circumstances giving rise to the vacancy, and the special conditions relating to such employment.

4.02 A Regular Part-Time employee is an employee who makes a commitment to be available for work on some predetermined basis and in respect of whom there is a predetermined schedule.

4.03 A Casual Part-Time employee is defined as an employee who is not prescheduled but is available to work any shift.

ARTICLE 5 - UNION SECURITY

5.01 Union Dues

- . As a condition of employment, the Hospital will deduct from each employee covered by this Agreement an amount equal to the regular monthly union dues designated by the Union.

Such dues shall be deducted from the first pay of each month for full-time employees, and may be deducted from every pay for part-time employees. In the case of newly hired employees, such deductions shall commence in the month following their date of hire.

The amount of the regular monthly dues shall be those authorized by the Union and the Union shall notify the Hospital of any charges therein and such

notification shall be the Hospital's conclusive, authority to make the deductions specified.

In consideration of the deducting of Union dues by the Hospital, the Union agrees to indemnify and save harmless the Hospital against any claims or liabilities arising or resulting from the operation of this Article.

Dues deducted by the 15th of the month shall be remitted monthly to the Union, no later than the end of the month in which the dues were deducted.

5.02 Interview Period

It is agreed that upon commencement of employment new employees will be advised by a representative of the Personnel Department of the Employer of the existence of the Union and the conditions surrounding their employment as contained in the herein Collective Agreement, and any rules that may be formulated under its terms. It is also agreed that a representative of the Union will be given an opportunity to interview each employee once upon completion of his or her probationary period for the purpose of ascertaining the wishes of the employees concerning membership in the Union. The Employer will notify the union monthly of the names of those who complete their probationary period, and on request will arrange a time and place for such interview, the time of which shall not exceed fifteen (15) minutes. Because of these privileges of interview granted in this clause, it is expressly agreed by the Union that there shall be no solicitation for membership at any other time, nor collection of dues at any other time on the premises of the Hospital.

5.03 Employee Lists

The Employer will supply the Union with a monthly list showing the names of the persons from whom union dues deductions have been made, including additions and deletions due to termination.

5.04 Seniority Lists

Seniority lists of employees who have completed their probationary period shall be maintained. Seniority lists of part-time employees shall be posted on the bulletin board upon the signing of this Agreement and every six months thereafter. The Hospital agrees to include Social Insurance Number in checkoff lists and/or seniority lists. In addition to the foregoing, the Hospital will supply the Union with the addresses and classification of new employees when they are placed on the checkoff list for the first time. Copies of the seniority list will be supplied to the Union on request. Upon the posting of the seniority list, employees shall have thirty (30) days in which to file complaints against their

seniority standing, and if no complaints are filed, it is deemed that the seniority list as posted is correct.

- 5.05 The ~~parties recognize~~ that it shall be the sole responsibility of the ~~employee~~ to promptly advise the Employer and the Union in writing of any changes in their address, telephone number, ~~marital~~ and/or dependent status.

ARTICLE 6 - NO STRIKE/LOCKOUT

- 6.01 During the term of this Agreement neither the union nor any of its officers or officials nor any employees shall take part in or call or encourage any strike, sit-down, (which shall include any work-to rule arrangement) or any suspension of work against the Employer, which shall in any way affect the operations of the Employer. Nor shall the Employer nor any of its officers or officials engage in any lockout.
- 6.02 It is agreed that if such action should be taken by the employees the Union will instruct the said employees to return to work, and perform their usual duties and to resort to the grievance procedures established herein for settlement of any complaint or grievance.
- 6.03 Should there be any violation of either 6.01 or 6.02 of this Article there shall be no discussion or negotiations of the matter in dispute between the Employer and the Union until normal work has been resumed.

Such permission shall not be unreasonably withheld. When resuming his regular duties and responsibilities, such steward shall again report to his immediate supervisor. A Union steward shall suffer no loss of earnings for time spent in performing the above duties during his regular scheduled working hours.

Upon reference to arbitration, the Negotiating Committee members shall receive unpaid time off for the purpose of attending arbitration hearings.

It is understood and agreed that the maximum number of Union Central Negotiating Committee members entitled to payment under this provision shall be seven (7), and in no case will more than one employee from a hospital be entitled to such payment.

- (e) Nothing in this provision is intended to preclude the Union Negotiating Committee from having the assistance of any representatives of the Union when negotiating with the Hospital.
- (f) The number of employees on the Negotiating Committee shall be determined locally.

ARTICLE 8 - GRIEVANCE AND ARBITRATION

8.01 For the purposes of this Agreement, a grievance or complaint is defined as a difference arising either between a member of the bargaining unit and the Hospital or between the parties hereto relating to the interpretation, application, administration or alleged violation of the Agreement,

8.02 The grievance shall identify the nature of the grievance, the remedy sought, and should, where possible specify the provisions of the Agreement which are alleged to have been violated.

8.03 At the time formal discipline is imposed or at any stage of the grievance procedure an employee shall have the right to the presence of his/her steward. In the case of suspension or discharge, the Hospital shall notify the employee of this right in advance,

Where the Hospital deems it necessary to suspend or discharge an employee, the Hospital shall notify the Union of such suspension or discharge in writing, within three **(3)** days.

8.04 It is the mutual desire of the parties hereto that complaints shall be adjusted as quickly as possible, and it is understood that an employee has the no grievance until he has first given his immediate supervisor the opportunity of adjusting his complaint. The grievor may have the assistance of a union steward if he so desires.

Such complaint shall be discussed with his immediate supervisor within five **(5)** days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee.

Failing settlement within the **five (5)** days, it shall then be taken up as a grievance within five **(5)** days following his immediate **supervisor's decision** in the following **manner and** sequence:

Step 1

The employee shall submit the grievance, in writing, and signed by him, to his immediate supervisor. The employee may be accompanied by a Union Steward. The immediate supervisor will deliver his decision in writing within five **(5)** days following the day on which the written grievance was presented to him. Failing settlement, then:

Step

Within five **(5)** days following the decision under step 1 the employee, accompanied by a union steward, or the union steward shall submit the written grievance to his **Department Head**, who will deliver his decision in writing within five **(5)** days following the day on which the grievance was presented to him.

This step may be omitted where the employee's immediate supervisor and Department Head are the same person. Failing-settlement, then:

Step

Within five **(5)** days following the decision in the immediately preceding step, the grievance shall be submitted in writing to the Chief Executive Officer or the Hospital or the designated Hospital representative.

A meeting will then be held between the Chief Executive Officer or the designated Hospital representative and the designated union representatives who may be accompanied by the general representative of the Union, within five **(5)** days of the submission of the grievance at Step 3, unless extended by mutual agreement of the parties.

The decision of the Hospital shall be delivered in writing within ten **(10)** days following the date of such meeting.

8.05

Policy Grievance

A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall **be** originated at Step 3 within ten **(10)** days following the circumstances giving rise to the grievance.

It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which he could have instituted himself and the regular grievance procedure shall not be thereby by-passed.

Where the grievance is a Hospital grievance it shall be filed with the Grievance Committee.

8.06 Group Grievance

Where a number of employees have identical grievances, and each one would be entitled to grieve separately, they may present a group grievance, in writing identifying each employee who is grieving, to the Department Head, or his designate, within ten (10) days after the circumstances giving rise to the grievance have occurred. The grievance shall then be treated as being initiated at Step 2 and the applicable provisions of this Article shall then apply with respect to the handling of such grievance.

8.07 Discharge Grievance

If an employee, who has completed his probationary period, claims that he has been unjustly discharged, such claim must be submitted by the employee, who may be accompanied by a union steward, or by the union steward at Step 3 of the grievance procedure to the Hospital within five (5) days following the date the discharge is effective,

Such grievance may be settled under the Grievance and Arbitration procedure by:

- (a) confirming the Hospital's action in discharging the employee, of
- (b) reinstating the employee with up to full seniority for time lost and up to full compensation for time lost,
- (c) any other arrangement which may be deemed just and equitable.

8.08 Failing settlement under the foregoing procedure, any grievance may be submitted to arbitration as herein after provided. If no written request for arbitration is received within ten (10) days after the decision under Step 3 is given, the grievance shall be deemed to have been abandoned.

8.09 All agreements reached, under the grievance procedure, between the representatives of the Hospital and representatives of the Union will be final and binding upon the Hospital, the Union and the employee(s).

- 8.10 When either party requests that any matter be submitted to arbitration as provided in this Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time appoint a nominee. Within five (5) days thereafter, the other party shall appoint its nominee, provided however, that if such party fails to appoint its nominee as herein required, the Minister of Labour for the province of Ontario shall have the power to make such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees shall attempt to agree upon a chairman of the Arbitration Board. If they are unsuccessful in agreeing upon such a chairman within a period of ten (10) days of the appointment of the second nominee, they shall then request the Minister of Labour for the Province of Ontario to appoint a Chairman.
- 8.11 No person may be appointed to the Arbitration Board who has been involved in an attempt to negotiate or settle the grievance.
- 8.12 The Arbitration Board shall not be **authorized** to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 8.13 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.
- 8.14 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority, and where there is no majority, the decision of the Chairman, will be final and binding upon the parties hereto and the employee or employees concerned.
- 8.15 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties **will** share equally the fees and expenses, if any, of the Chairman of the Arbitration Board.
- 8.16 Saturdays, Sundays and Holidays are not to be counted in the time limits as set out in this Article.
- 8.17 Wherever Arbitration Board is referred to in the Agreement, the parties hereto may mutually agree in writing, to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

ARTICLE 9 - SENIORITY

9.01 Probationary Period

A new employee will be considered on probation until he has completed three hundred and thirty-seven and one-half (337.5) hours of work within any twelve (12) calendar months. Upon completion of the probationary period he shall be credited with seniority equal to three hundred and thirty-seven and one-half (337.5) worked hours. With the written consent of the Hospital, the probationary employee, and the President of the Local Union or designate, such probationary period may be extended. Any extension agreed to will be in writing and will specify the length of the extension. The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration and is at the sole discretion of the Hospital.

Part-time employees will accumulate seniority on the basis of one (1) year's seniority for each 1725 hours worked in the bargaining unit as of the last date of hire, except as otherwise provided herein.

Seniority will operate on a bargaining unit wide basis.

Notwithstanding the above, employees hired prior to October 10, 1986 will be credited with the seniority they held under the Agreement expiring November 15, 1985 and will thereafter accumulate seniority in accordance with this Article.

For purposes of accumulation of seniority, transfer of seniority and service, progression on the wage grid and progression on the vacation schedule, all part-time employees' service and seniority shall be converted as at October, 1986 on the following basis:

Effective October 10, 1986 and for employees who transfer subsequent to October 10, 1986, an employee whose status is changed from full-time to part-time shall receive credit for his/her full service and seniority.

An employee whose status is changed from part-time to full-time shall receive credit for seniority and service on the basis of one **(1)** year equals 3 725 hours worked, and will be enrolled in the employee benefit plans subject to meeting any waiting period or other requirements of those plans.

Employees hired prior to October 10, 1986 will be credited with the service and seniority they held under the Collective Agreement expiring November 15, 1985.

9.04 Loss of Seniority

An employee shall lose all seniority and shall be deemed terminated if:

- (a) employee quits;
- (b) employee is discharged and the discharge is not reversed through the grievance and arbitration procedure;
- (c) employee is absent from scheduled work for a period of three **(3)** or more consecutive working days without notifying the Hospital of such absence and providing a reason satisfactory to the Hospital;
- (d) employee fails to return to work upon the expiration of a leave of absence or **utilizes** a leave of absence for a purpose other than that for which it was granted;
- (e) employee has been laid off for twenty-four (24) months;
- (f) employee fails upon being notified of a recall to signify his intention to return within five **(5)** working days after he has received the notice of recall, and fails to report to work within ten **(10)** working days after he has received the notice of recall;
- (g) employee is absent due to illness of disability which absence continues for thirty (30) calendar months from the time the 'disability or illness commenced.

Note: This clause shall be interpreted in a manner consistent with the provisions of the Ontario Human Rights Code.

9.05 Effect of Absence

Effective February 28, 1995, part-time employees shall accrue seniority for a period of eighteen (18) months and service for a period of fifteen (15) weeks

if absent due to a disability resulting in **W.S.I.B.** benefits, on the basis of what the employee's normal regular hours of work would have been. •

ARTICLE 10 -JOB SECURITY

10.01 (a) With respect to the development of any operating or restructuring plan which may affect the bargaining unit, the Union shall be involved in the planning process as soon as practicable and, in any event, in advance of such plans or proposals being **finalized** and notices of layoff being issued or other actions taken that would adversely affect the bargaining unit and through to ~~the~~ final phases of the process.

(b) Staff Planing Committee

In addition to that, and to any other planning committee in the Hospital of a more **broadly representational** make-up, there shall be immediately established a Staff Planing Committee for the bargaining unit, which shall meet during the term of this Agreement every three months, unless otherwise mutually agreed by the parties. It shall be the function of the Staff Planning Committee to consider possible ways and means of avoiding or **minimizing** potential adverse effects upon employees in the bargaining unit, including:

- (i) identifying and proposing possible alternatives to any action that the Hospital may propose taking;
- (ii) identifying and seeking ways to address the restraining needs of employees;
- (iii) identifying vacant positions within the Hospital for which surplus members of the bargaining unit might qualify, or such positions which are currently filled but which are expected to become vacant within a twelve (12) month period.

Composition and Meetings

The Committee shall be comprised of equal numbers of representatives of the hospital and from the Union. The number of representatives is to be determined locally, and shall consist of at least two representatives from each party.

Meetings of the Committee shall be held during normal working hours. Representatives attending such meetings during their regularly scheduled hours of work shall not loose regular earnings as a result of

such attendance. The Hospital shall make typing and other such clerical assistance available as required.

Each party shall appoint a co-chair for the Committee. Co-chairs shall chair alternate meetings of the committee and will be jointly responsible for establishing the **agenda** of the committee meetings, preparing minutes and writing such correspondence as the committee may direct.

Disclosure

To allow the Staff Planning Committee to carry out its mandated role under this Article, the Hospital will provide the Committee with pertinent financial and staffing information and with a copy of any **reorganization** plans which impact on the bargaining unit.

Accountability

The Committee shall submit its written recommendations to the Chief Executive Officer of the Hospital and the Board of Trustees. Where there is no consensus within the Committee, the individual members of the Committee shall be entitled to submit their own recommendations. Any agreement between the Hospital and the Union resulting from the above review concerning the method of implementation will take precedence over the other provisions of this Agreement.

10.02 (a) Notice of Layoff

In the event of a proposed layoff at the Hospital of a permanent or long-term nature or the elimination of a position within the bargaining unit, the Hospital shall:

- (i) provide the Union with no less than five **(5)** months' written notice of the proposed layoff or elimination of position; and
- (ii) provide to the affected employee(s), if any, who will be laid off with no less than five **(5)** months' written notice of layoff, or pay in lieu thereof.

Note: Where a proposed layoff results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided in (i) above shall be considered notice to the Union of any subsequent layoff.

- (b) A layoff shall not include a reassignment of an employee from her or his classification or area of assignment who would otherwise be entitled to notice of layoff provided:
- (i) the reassignment of the employee is to an appropriate permanent job with the employer having regard to the employee's skills, abilities, qualification and training or training requirements;
 - (ii) the reassignment of the employee does not result in a reduction of the employee's wage rate or hours of work;
 - (iii) the job to which the employee is reassigned is located at the employees original work site or at a nearby site in terms of relative accessibility for the employee;
 - (iv) the job to which the employee is reassigned is on the same or substantially similar shift or shift rotations; and
 - (v) where more than one employee is to be reassigned in accordance with this provision, the reassigned employees shall be entitled to select from the available appropriate vacancies to which they are being reassigned in order of seniority provided no such selection causes or would causes a layoff or bumping.

The Hospital bears the onus of demonstrating that the foregoing conditions have been met in the event of a dispute. The Hospital shall also reasonably accommodate any reassigned employee who may experience a personal hardship arising from being reassigned in accordance with this provision.

- (c) Any vacancy to which an employee is reassigned pursuant to paragraph (b) need not be posted.

10.03 Severance and Retirement Options

- (a) (i) Where an employee resigns within 30 days after receiving notice of layoff pursuant to Article 10.02 (a) (ii) that his or her position will be eliminated, he or she shall be entitled to a separation allowance of two (2) weeks' salary for each year of continuous service to a maximum of twelve (12) weeks' pay, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of three thousand (\$3,000) dollars.

- (ii) Where an employee resigns later than 30 days after receiving notice pursuant to Article 10.02 (a) (ii) that his or her position will be eliminated, he or she shall be entitled to a separation allowance of four (4) weeks' salary, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of one thousand two hundred and fifty (\$1,250) dollars.
- (b) Prior to issuing notice of layoff pursuant to article 10.02(a) (ii) in any classification(s), the Hospital will offer early-retirement allowance to a sufficient number of employees eligible for early retirement under **HOOPP** within the classification(s) in order of seniority, to the extent that the maximum number of employees within a classification who elect early retirement is equivalent to the number of employees within the classification(s) who would otherwise receive notice of layoff under article 10.02 (a) (ii).

Within thirty (30) days from the date of notice of lay-off, an employee who has received notice of lay-off of a permanent or long-term nature may retire provided that the employee is eligible to retire under the terms of the Hospitals of Ontario Pension Plan. An employee who chooses this option forfeits her right to notice and will receive severance pay on the basis of two (2) week's pay for each year of service with the Hospital to a maximum of twenty-six (26) weeks on the basis of the employees normal weekly earnings. In addition, full-time employees will receive a lump sum payment equal to \$1,000.00 for every year less than age 65, to a maximum of \$5,000.00.

preclude an employee from claiming any greater entitlement which that Act may at some point come to provide.

An employee may elect to defer receipt of this severance payment while his or her recall rights are still in effect. Once an employee does opt to receive the severance payment, he or she shall be deemed to have resigned, and his or her recall right shall be extinguished.

10.04 Regional Staff Planning Committees

The central parties agree to establish Regional Staff Planning Committees to facilitate the redeployment of laid off employees among the Participating Hospitals.

To achieve this objective the Hospital Staff Planning Committee will forward to the Regional Staff Planning Committee a list of the names and addresses of laid off employees who have expressed an interest in working at other Participating Hospitals and who have undertaken skills assessment procedures provided by any government training agency, such as HTAP, that may be in place.

In filling vacancies not filled by bargaining unit members the Hospitals are encouraged to give first consideration to laid off employees who are on the list and who are qualified to perform the work. For benefit-entitlement purposes, it is recognized that Hospitals shall be free to grant to any employees hired through this process full credit for service earned with another hospital.

The size, structure, composition, and activities of each committee will be mutually determined by the parties, and application will be made to any available funding source for the funding of administrative expenses.

10.05 Layoff and Recall

- (a) In the event of lay-off, the Hospital shall layoff employees in the reverse order of their seniority within their classification, providing that there remain on the job employees who then have the ability to perform the work.
- (b) An employee who is subject to lay-off shall have the right to either:
 - (i) accept the lay-off; or
 - (ii) displace an employee who has lesser bargaining-unit seniority and who is the least senior employee in a lower or identical paying

classification in the bargaining unit if the employee originally subject to lay-off can perform the duties of the lower or identical classification without training other than orientation. Such employee so displaced shall be laid off.

Note: An identical paying classification shall include any classification where the straight time hourly wage rate at the level of service corresponding to that of the laid off employee is within 1% of the laid off employee's straight time hourly wage rate.

In the event that there are no employees with lesser seniority in tower or identical paying classifications as defined in this Article, a laid off employee will have the right to displace an employee with lesser seniority, who is the least senior employee in a classification where the straight time hourly rate at the level of service corresponding to that of the laid off employee is within 5% of the laid off employee's straight time hourly rate provided he can perform the duties without training other than orientation. Such employee so displaced shall be laid off.

- (iii) The decision of the employee to-choose (a) or (b) above shall be given in writing to the designated hospital representative within ten (10) working days (excluding Saturday, Sunday and Holidays) following the notification of lay-off. Employees failing to do so will be deemed to have accepted lay-off.
- (c) An employee shall have opportunity of recall from a lay-off to an available opening, in order of seniority, provided he has the ability to perform the work before such opening is filled on a regular basis under a job posting procedure. The posting procedure in the Collective Agreement shall not apply until the recall process has been completed.
- (d) In determining the ability of an employee to perform the work for the purposes of the paragraphs above, the Hospital shall not act in an arbitrary or unfair manner.
- (e) An employee recalled to work in a different classification from which he was laid off shall have the privilege of returning to the position he held prior to the lay-off should it become vacant within six (6) months of being recalled.
- (f) No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance

with the loss of seniority provision, or have been found **unable to perform** the work available.

- (g) It is the sole responsibility of the employee who has been laid off to notify the Hospital of his intention to return to work within five (5) working days (exclusive of Saturdays,, Sundays and paid holidays) after being notified to do so by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to have been received on the second day following the date of mailing) and to return to work within ten (10) working days after being notified. The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his proper address being on record with the Hospital.
- (h) Employees on lay-off or notice of lay-off shall be given preference for temporary vacancies which are expected to exceed ten (10) working days. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay-off.
- (i) No full-time employee within the bargaining unit shall be laid off by reason of his/her duties being assigned to one or more part-time employees.
- (j) In the event that a lay-off commenced on the day immediately following a paid holiday, an employee otherwise qualified for holiday pay shall not be **disentitled** thereto solely because of the day on which the lay-off commenced.
- (k) A laid off employee shall retain the rights of recall for a period of **twenty-four (24)** months from the date of lay-off.

10.06 Benefits on Lay-off

In the event of a lay-off of a full-time employee, the Hospital shall pay its share of insured benefits premium up to three (3) months from the end of the month in which the lay-off occurs or until the laid off employee is employed elsewhere, whichever occurs first.

- 11.05 Vacancies which are not expected to exceed six (6) months will not be posted and may be filled at the discretion of the Hospital. In filling such vacancies consideration shall be given to part-time employees in SEIU service bargaining units who have recorded their interest in writing prior to considering persons not employed by the Hospital. employee proves unsatisfactory during that time, or if the employee feels he is unable to perform the duties of the vacancy to which he is-posted, the employee will be returned to his former position at his **former salary** or rate of pay, as will any other employee in **the Bargaining Unit** who **was promoted** or transferred by reason of such placing. Newly hired employees shall be terminated and such termination shall not be subject to the grievance and arbitration procedure.
