All other part-time nurses shall be considered casual nurses. The predetermined basis upon which the commitment to be available is made shall be determined in local negotiations.

The definitions shall not have the effect of changing the composition of any existing bargaining units. ARTICLE 7 - GRIEVANCEPROCEDURE

7.01 For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.

7.02 At the time formal discipline is imposed or at any stage of the grievance procedure, including the complaint stage, a nurse is entitled to be represented by her nurse representative. In the case of suspension or discharge, the Hospital shall notify the nurse of this right in advance.

7.03 It is the mutual desire of the parties hereto that complaints of nurses shall be adjusted as quickly as possible, and it is understood that a nurse has no grievance until she has first given her immediate supervisor the opportunity of adjusting her complaint. Such complaint shall be discussed with her immediate supervisor within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the nurse and failing settlement within nine (9) calendar days, it shall then be taken up as a grievance within nine (9) calendar days following advice of her immediate supervisor's decision in the following matter and sequence:

Step No. 1

The nurse may submit a written grievance, signed by the nurse, to her immediate supervisor. The grievance shall be on a form referred to in Article 7.09 and shall identify the nature of the grievance and remedy sought and should identify the provisions of the Agreement which are alleged to be violated. The immediate supervisor will deliver her decision in writing within nine (9) calendar days following the day on which the grievance was presented to her. Failing settlement, then:

Step No. 2

Within nine (9) calendar days following the decision under Step No. 1, the nurse may submit the written grievance to the Director of Nursing or her designate who will deliver her decision in writing within nine (9) calendar days from the date on which the written grievance was presented to her. The parties may, if they so desire, meet to discuss the grievance at a time and place suitable to both parties. Failing settlement, then:

Step No. 3

Within nine (9) calendar days following the decision in Step No. 2, the grievance may be submitted in writing to the Hospital Administrator or her designate. A meeting will then be held between the Hospital Administrator or her designate and the Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 3 unless extended by Agreement of the parties. It is understood and agreed that a representative of the Ontario Nurses' Association and the **grievor** may be present at the meeting. It is further understood that the Hospital Administrator or her designate may have such counsel and assistance as she may desire at such meeting. The decision of the Hospital shall be delivered in writing within nine (9) calendar days following the date of such meeting. A copy of the third step grievance reply will be provided to the Employment Relations Officer.

- 7.04 A complaint or grievance arising directly between the Hospital and the Association concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 3 within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. A grievance by the Hospital shall be filed with the Local President or her designate.
- 7.05 Where a number of nurses have identical grievances and each nurse would be entitled to grieve separately they may present a group grievance in writing signed by each nurse who is grieving to the Director of Nursing or her designate within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the nurse(s). The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.
- 7.06 The release of a probationary nurse shall not be subject to the grievance procedure unless the probationary nurse is released for exercising a right under this Agreement. A claim by a nurse who has completed her probationary period that she has been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged by the nurse with the Hospital at Step No. 3 within seven (7) calendar days after the date the discharge or suspension is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:
- (a) confirming the Hospital's action in dismissing the nurse; or
 - (b) reinstating the nurse with or without loss of seniority and with or without full compensation for the time lost; or
 - (c) by any other arrangement which may be deemed just and equitable.

The Hospital agrees to provide written reasons within seven (7) calendar days to the affected nurse in the case of discharge or suspension and further agrees that it will not suspend, discharge or otherwise discipline a nurse who has completed her probationary period, without just cause.

- 7.07 Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged **violation** of this Agreement, including any question as to whether a matter is **arbitrable**, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within eighteen (18) calendar days after the decision under Set No. 3 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within sixteen (16) calendar days after the decision under Step No. 3, it will be deemed to have been received within the time limits.
- 7.08 All agreements reached under the grievance procedure between the representatives of the Hospital and the representatives of the Association will be final and binding upon the Hospital and the Association and the nurses.
- 7.09 Association grievances shall be on the form set out in Appendix 1.
- 7.10 When either party requests that any matter be submitted to **arbitration** as provided in the foregoing Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time name a nominee. Within seven (7) calendar days thereafter the other party shall name a nominee, provided, however, that if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees shall attempt to select by agreement a chairman of the Arbitration Board. If they are unable to agree upon such a chairman within a period of fourteen (14) calendar days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.
- 7.11 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 7.12 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure,
- 7.13 The Arbitration Board shall not be **authorized** to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.

- 7.14 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and where there is no majority the decision of the chairman will be final and binding upon the parties hereto and the nurse or nurses concerned.
- 7.15 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will **share** equally the fees and expenses, if any, of the chairman of the Arbitration Board.
- 7.16 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject only to the provisions of Section 44 (6) of The Labour Relations Act.
- 7.17 Wherever the Arbitration Board is referred to in the Agreement, the parties may mutually agree in writing to substitute a single Arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to the Arbitration Board shall appropriately apply.

Subsequent vacancies created by the filling of a posted vacancy are to be posted for three (3) consecutive calendar days.

- (b) A nurse may make a written request for transfer by advising the Hospital and filing a Request for Transfer form indicating her name, qualifications, experience, present area of assignment, seniority and requested area of assignment. A Request for Transfer shall become active as of the date it is received by the Hospital and shall remain so until December 31 following. Such requests will be considered as applications for posted vacancies and subsequent vacancies created by the filling of a posted vacancy.

A list of vacancies filled in the preceding month under Article 10.05 (a) and (b), and the names of the successful applicants, will be posted, with a copy provided to the Association. Unsuccessful applicants will be notified.

At the request of the nurse, the Hospital will discuss with unsuccessful applicants ways in which they can improve their qualifications for future postings.

- (c) Nurses shall be selected for positions under either 10.05 (a) or (b) on the basis of their skill, ability, experience and qualifications. Where these factors are relatively equal amongst the nurses considered, seniority shall govern providing the successful applicant, if any, is qualified to perform the available work within an appropriate **familiarization** period. Where seniority governs, the most senior applicant, regardless of her **ONA** bargaining unit, will be selected. Where the applicant has been selected in accordance with this Article and it is subsequently determined that she cannot satisfactorily perform the job to which she was promoted, the Hospital will attempt, during the first thirty (30) tours (225 hours for nurses whose regular hours of work are other than the standard work day) worked from the date on which the nurse was first assigned to the vacancy, to return her to her former job, and the filling of the subsequent vacancies will likewise be reversed.
- (d) Vacancies which are not expected to exceed sixty (60) calendar days and vacancies caused due to illness, accident, leaves of absence (including maternity) may be filled at the discretion of the Hospital. In filling such vacancies, consideration shall be given to regular part-time nurses in the bargaining unit on the basis of seniority who are qualified to perform the work in question prior to **utilizing** non-bargaining unit nurses supplied by an agency or registry. It is understood, however, that where such vacancies occur on short notice, failure to offer part-time nurses such work shall not result in any claim for pay for time not worked while proper arrangements are made to fill the vacancy. Where part-time nurses fill temporary, full-time vacancies, such nurses shall be considered regular part-time and shall be covered by the terms of the part-time Collective Agreement. Upon completion

of the temporary vacancy, such nurse shall be reinstated to her former position unless the position has been discontinued, in which case she shall be given a comparable job.

- (e) The Hospital shall have the right to fill any permanent vacancy on a temporary basis until the posting procedure or the Request for Transfer procedure provided herein has been complied with and arrangements have been made to permit the nurse selected to fill the vacancy to be assigned to the job.
- (f) A nurse selected as a result of a posted vacancy or a Request for Transfer need not be considered for a further permanent vacancy for a period of up to six (6) months from the date of her selection.

10.06

- (a) A layoff of regular part-time nurses shall be made on the basis of seniority provided that the regular part-time nurses who are entitled to remain on the basis of seniority are qualified to perform the available work. Subject to the foregoing, probationary nurses shall be the first laid off.

Regular part-time nurses shall be recalled in the order of seniority, unless otherwise agreed between the Hospital and local Association, provided that the nurse is qualified to perform the available work.

- (b) Where a vacancy occurs in a position following a layoff hereunder as a result of which a regular part-time nurse had been transferred to another position, the affected nurse will be offered the opportunity to return to her former position providing such vacancy occurs within six (6) months of the date of layoff. Where the nurse returns to her former position, there shall be no obligation to consider the vacancy under Article 10.05. Where the nurse refuses the opportunity to return to her former position, she shall advise the Hospital in writing.
- (c) No reduction in the hours of work shall take place to prevent or reduce the impact of a layoff without the consent of the Association.
- (d) All regular part-time and full-time nurses represented by the Association who are on layoff will be given a job opportunity in the full-time and regular part-time categories before any new nurse is hired into either category.

10.07

In the event of a proposed layoff at the Hospital of a permanent or long-term nature affecting regular part-time nurses, the Hospital will:

- (a) provide the local Association with no less than thirty (30) calendar days' notice of such layoff and

- (b) meet with the local Association to review the following:
 - (i) the reasons causing the layoff;
 - (ii) the service which the Hospital will undertake after the layoff;
 - (iii) the method of implementation including the areas of cut-back and the nurses to be laid off.

In the event of a proposed layoff at the Hospital which is not of a permanent or long-term nature or bed cut-back or a cut-back in service which will result in displacement of staff, the Hospital will provide the local Association with reasonable notice. If requested, the Hospital will meet with the local Association to review the reasons and expected duration of the bed cut-back or cut-back in service, realignments of service or staff and its effect on nurses in the bargaining unit.

Any agreement between the Hospital and the local Association resulting from the review above concerning the method of implementation will take precedence over the terms of this Article. Notice of layoff shall be in accordance with the provisions of the Employment Standards Act.

- 10.08 (a) A regular part-time nurse who is transferred to a position outside of the bargaining unit shall, subject to (b) below, retain, but not accumulate, her seniority held at the time of the transfer. In the event that the part-time nurse is returned to a position in the bargaining unit, she shall be credited with the seniority held at the time of transfer and resume accumulation from the date of her return to the bargaining unit.
- (b) In the event that a regular part-time nurse is transferred out of the bargaining unit under (a) above for a specific term or task which does not exceed a period of six (6) months or an academic year and is returned to a position in the bargaining unit, she shall not suffer any loss of seniority, service or benefits. It is understood and agreed that a part-time nurse may decline such offer to transfer and that the period of time referred to above may be extended by agreement of the parties.
- 10.09 (a) Head Nurses and Supervisors excluded from the bargaining unit shall not perform duties normally performed by regular part-time nurses in the bargaining unit which shall directly cause or result in the layoff, loss of seniority or service or reduction in benefits to regular part-time nurses in the bargaining unit.

(b) The Hospital shall not contract out any work usually performed by members of this bargaining unit if, as a result of such contracting out, a layoff of any employees other than casual part-time employees follows. Contracting out to an Employer who is **organized** and who will employ the employees of the bargaining unit who would otherwise be laid off is not a breach of this provision. This clause will not apply to the ad hoc use of agency or registry nurses for single shift coverage of vacancies due to illness or leaves of absence.

NOTE 1: In bargaining units where full-time and part-nurses are both **employed, seniority** lists and layoff and recall rights of part-time nurses shall be separate from full-time nurses.

NOTE 2: The seniority list referred to in Article 10.02 shall include any other information that is currently provided to the Association.

ARTICLE 11 - LEAVES OF ABSENCE

11.01 Written requests for a personal leave of absence without pay will be considered on an individual basis by the Director of Nursing or her designate. Such requests are to be given as far in advance as possible and a written reply will be given within fourteen (14) days; except in cases of emergency in which case a reply will be given as soon as possible. Such leave shall not be unreasonably withheld.

The cumulative total leave of absence, the amount of notice, the number of nurses that may be absent at any one time and from any one area and the number of days is set out in the Appendix of Local Provisions. During such leave of absence, the nurse's salary and percentage in lieu of fringe benefits shall be maintained by the Hospital and the local Association agrees to reimburse the Hospital in the amount of the full cost of such salary and percentage in lieu of fringe benefits except for Provincial Committee meetings which will be reimbursed by the Association. Reasonable notice - sufficient to adequately allow the Hospital to minimize disruption of its service shall be given to the Hospital for such leave of absence. There shall be no loss of seniority or service during such leave of absence. Leave of absence under this provision shall be in addition to the Association leave provided in Article 11.02 above. During such leave of absence, the nurse's salary and applicable benefits shall be maintained by the Hospital and the Association agrees to reimburse the Hospital in the amount of the full cost of such salary and applicable benefits.

11.04 Leave, President, O.N.A.

Upon application in writing by the Association on behalf of the nurse to the Hospital, a leave of absence shall be granted to such nurse elected to the office of President of the Ontario Nurses' Association for a period of up to two (2) consecutive years. There shall be no loss of service or seniority during such leave of absence. During such leave of absence, the nurse's salary and applicable benefits shall be maintained by the Hospital and the Association agrees to reimburse the Hospital in the amount of the full cost of such salary and applicable benefits. It is understood, however, that during such leave the nurse shall be deemed to be an employee of the Ontario Nurses' Association. The nurse agrees to notify the Hospital of her intention to return to work at least two (2) weeks prior to date of such return.

11.05 Bereavement Leave

A regular part-time nurse who notifies the Hospital as soon as possible following a bereavement shall be granted three (3) consecutive working days off without loss of her regular pay for her scheduled hours, in conjunction with the day of the funeral of a member of her immediate family. "Immediate family" means parent, brother, sister, spouse, son, daughter, son-in-law, daughter-in-law, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparent or grandchild. The Hospital, in its discretion, may extend such leave with or without pay.

- (a) notifies the Hospital immediately on the nurse's notification that she will be required to attend court;
- (b) presents proof of service requiring the nurse's attendance;

- (c) The nurse shall reconfirm her intention to return to work on the date **originally** approved in subsection (b) above by written notification received by the Hospital at least four (4) weeks in advance thereof. The nurse shall be reinstated to her former position unless the position has been discontinued in which case she shall be given a comparable job.
- (d) Nurses **newly** hired to replace nurses who are on approved pregnancy leave may be released and such release shall not be the subject of a grievance or arbitration. If retained by the Hospital, in a permanent position, the nurse shall be credited with seniority from date of hire subject to successfully completing her probationary period. The nurse shall be credited with tours worked (hours worked for nurses whose regular hours of work are other than the standard work day) towards the probationary period provided in Article 10.01 (a) to a maximum of 30 tours (225 hours for nurses whose regular hours of work are other than the standard work day).

The Hospital will outline to nurses hired to fill such temporary vacancies the circumstances giving rise to the vacancy and the special conditions relating to such employment ,

- (e) The Hospital may request a nurse to commence pregnancy leave at such time as the duties of her position cannot reasonably be performed by a pregnant woman or the performance or non-performance of her work is materially affected by the pregnancy.
- (f) Effective April 1, 1988 on confirmation by the Unemployment Insurance Commission of the appropriateness of the Hospital's Supplemental Unemployment Benefit (SUB) Plan, a nurse who is on pregnancy leave as provided under this Agreement who has applied for and is in receipt of Unemployment Insurance pregnancy benefits pursuant to Section 18 of the Unemployment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between seventy-five percent (75%) of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits and any other earnings. Such payment shall commence following completion of the two week Unemployment Insurance waiting period, and receipt by the Hospital of the nurse's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance pregnancy benefits, and shall continue while the nurse is in receipt of such benefits for a maximum period of fifteen (15) weeks. The nurse's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

A nurse who is eligible for a parental leave who is the natural father or is an adoptive parent may extend the parental leave for a period of up to six (6) months duration, consideration

being given to any requirements of adoption authorities. In cases of adoption, the nurse shall advise the Hospital as far in advance as possible with respect to a prospective adoption and shall request the leave of absence, in writing, upon receipt of confirmation of the pending adoption. If, because of late receipt of confirmation of the pending adoption, the nurse finds it impossible to request the leave of absence in writing the request may be made verbally and subsequently verified in writing.

- (c) The nurse shall be reinstated to her former position, unless her former position has been discontinued, in which case she shall be given a comparable job.

for a maximum period of ten (10) weeks. The nurse's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

11.09 Education Leave

11.10 Professional leave with pay will be granted to regular part-time nurses who are elected to the College of Nurses to attend regularly scheduled meetings of the College of Nurses.

Any employee who is on an **authorized** leave of absence as of October 23, 1981, shall be entitled to continue the leave in accordance with the terms thereof.

11.11 Pre-paid Leave Plan

Effective April 1, 1989, the Hospital agrees to introduce a **pre-paid** leave program, funded solely by the nurse, subject to the following terms and conditions:

- (a) The plan is available to nurses wishing to spread four (4) years' salary over a five (5) year period, in accordance with Part LXVIII of the Income Tax Regulations, Section 6801, to enable them to take a one (1) year leave of absence following the four (4) years of salary deferral.

- (b) The nurse must make written application to the Director of Nursing at least six (6) months prior to the intended commencement date of the program (i.e., the salary deferral portion), stating the intended purpose of the leave.
- (c) The number of nurses that may be absent at any one time shall be determined by local negotiations. The year for purposes of the program shall be September 1 of one year to August 31 the following year or such other twelve (12) month period as may be agreed upon by the nurse, the local Association and the Hospital.
- (d) Written applications will be reviewed by the Director of Nursing or her designate. Leaves requested for the purpose of pursuing further formal nursing education will be given priority. Application for leaves requested for other purposes will be given the next level of priority on the basis of seniority.
- (e) During the four (4) years of salary deferral, 20% of the nurse's gross annual earnings will be deducted and held for the nurse and will not be accessible to her until the year of the leave or upon withdrawal from the plan.
- (f) The manner in which the deferred salary is held shall be at the discretion of the Hospital.
- (g) All deferred salary, plus accrued interest, if any, shall be paid to the nurse at the commencement of the leave or in accordance with such other payment schedule as may be agreed upon between the Hospital and the nurse.
- (h) All benefits shall be kept whole during the four (4) years of salary deferral. During the year of the leave, seniority will accumulate. Service for the purpose of vacation and salary progression and other benefits will be retained but will not accumulate during the period of leave.
- (i) A nurse may withdraw from the plan at any time during the deferral portion provided three (3) months notice is given to the Director of Nursing. Deferred salary, plus accrued interest, if any, will be returned to the nurse, within a reasonable period of time.
- (j) If the nurse terminates employment, the deferred salary held by the Hospital plus accrued interest, if any, will be returned to the nurse within a reasonable period of time. In case of the nurse's death, the funds will be paid to the nurse's estate.
- (k) The Hospital will endeavour to find a temporary replacement for the nurse as far in advance as practicable. If the Hospital is unable to find a suitable replacement, it may

postpone the leave. The Hospital will give the nurse as much notice as is reasonably possible. The nurse will have the option of remaining in the Plan and rearranging the leave at a mutually agreeable time or of withdrawing from the Plan and having the deferred salary, plus accrued interest, if any, paid out to her within a reasonable period of time.

- (1) The nurse will be reinstated to her former position unless the position has been discontinued, in which case she shall be given a comparable job.
- (m) Final approval for entry into the **pre-paid** leave program will be subject to the nurse entering into a formal agreement with the Hospital in order to **authorize** the Hospital to make the appropriate deduction from the nurse's pay. Such agreement will include:
 - (a) A statement that the nurse is entering the **pre-paid** leave program in accordance with Article 11.11 of the Collective Agreement.
 - (b) The period of salary deferral and the period for which the leave is requested.
 - (c) The manner in which the deferred salary is to be held.

The letter of application from the nurse to the Hospital to enter the **pre-paid** leave program will be appended to and form part of the written agreement.

ARTICLE 12 - SICK LEAVE AND LONG TERM DISABILITY

- 12.01 Part-time nurses returning to work from an illness or injury compensable under Workers' Compensation will be assigned light work as necessary, if available.
- 12.02 A nurse who transfers from full-time to part-time may elect to retain her accumulated sick leave credits to be **utilized** during part-time or subsequent full-time employment as provided under the sick leave plan in which she participates as of October 23, 1981.

ARTICLE 13 - HOURS OF WORK

- 13.01 The following provision designating regular hours on a daily tour and regular daily tours over the nursing schedule determined by the Hospital shall not be construed to be a guarantee of the hours of work to be performed on each tour or during each tour schedule.

Subject to Article 13.02 below:

- (a) The normal daily tour shall be seven and one-half (7 1/2) consecutive hours in any twenty-four (24) hour period exclusive of an unpaid one-half (1/2) hour meal period, it being understood that at the change of tour there will normally be additional time required for reporting which shall be considered to be part of the normal daily tour, for a period of up to fifteen (15) minutes duration. Should the reporting time extend beyond fifteen (15) minutes, however, the entire period shall be considered overtime for the purposes of payment under Article 14.
- (b) Nurses shall be entitled, subject to the exigencies of patient care, to relief periods during the tour on the basis of fifteen (15) minutes for each half tour. The scheduling of meal periods and relief periods shall be determined by local negotiations.
- (c) Where a nurse notifies her supervisor that she has been or will be **unable** to take the normal lunch break due to the requirement of providing patient care, such nurse shall be paid time and one half (1 1/2) her regular straight time hourly rate for all time worked in excess of her normal daily hours.

13.02 Where nurses are now working a longer daily tour, the provisions set out in this article governing the regular hours of work on a daily tour shall be adjusted accordingly.

The normal daily extended tour shall be 11.25 consecutive hours in any 24-hour period, exclusive of a total of forty-five (45) minutes of unpaid meal time,

Nurses shall be entitled, subject to the exigencies of patient care, to relief periods during the tour of a total of forty-five (45) minutes,

The scheduling of meal and relief periods shall be determined by local negotiations.

The introduction or discontinuance of longer daily tours shall be determined by local negotiations.

NOTE : Hospitals that have extended tours that are presently different than the above, shall maintain those conditions.

ARTICLE 14 - PREMIUM PAYMENT

14.01 If a part-time nurse is **authorized** to work in excess of the hours referred to in Article 13.01 (a), she shall receive overtime premium of one and one-half (1 1/2) her regular straight time hourly rate. A part-time nurse (including casual nurses but not including **part-**

time nurses who are filling temporary full-time vacancies) who works in excess of seventy-five (75) hours in a two (2) week period shall receive time and one-half (1 1/2) her regular straight time hourly rate for all hours worked in excess of seventy-five (75). A **part-time** nurse who is filling a temporary full-time vacancy shall receive time and one-half (1 1/2) her regular straight time hourly rate for all hours worked in excess of an average of 37 1/2 hours per week over the full-time nursing schedule determined by the Hospital. Such averaging will commence at the conclusion of the two week period following the nurse's transfer to the temporary full-time position and will end at the conclusion of the two week period prior to her return to her former position. Notwithstanding the foregoing, no overtime premium shall be paid for a period of less than fifteen (15) minutes of overtime work where the nurse is engaged in reporting functions at the end of her normal daily tour. If **authorized** overtime amounts to fifteen (15) minutes or more, overtime premium shall be paid for the total period in excess of the normal daily tour. Overtime premium will not be duplicated for the same hours worked under Article 13.01 (a) nor shall there be any pyramiding with respect to any other premiums payable under the provisions of this Collective Agreement. Nothing herein will **disentitle** the nurse to payment of the normal tour differential provided herein. The Hospital agrees that if the Collective Agreement provided a greater premium for overtime work immediately prior to this Agreement, the Hospital will continue to pay such greater overtime premium. This is not intended to entitle the nurse to be paid for work performed while engaged in the reporting functions as provided herein.

- 14.02 Notwithstanding the foregoing, overtime will not be paid for additional hours worked during a twenty-four (24) hour period either as a result of change in tour on the request of a nurse or a change-over to daylight saving from standard time or vice versa or an exchange of tours by two nurses.
- 14.03 Work scheduled by the Hospital to which a premium is attached under scheduling regulations contained in the Collective Agreement and set out in the Appendix of Local Provisions shall be paid at one and one-half (1 1/2) times the nurse's regular straight time hourly rate or as otherwise provided,
- 14.04 Where a nurse is required to work on a paid holiday or on an overtime tour or on a tour that is paid at the rate of time and one-half (1 1/2) her regular straight time hourly rate as a result of 14.03 above and she is required to work additional hours following her full tour on that day (but not including hours on a subsequent regularly scheduled tour for such nurse) she shall receive two (2) times her regular straight time hourly rate for such additional hours worked.
- 14.05 A part-time nurse who reports for work as scheduled, unless otherwise notified by the Hospital, shall receive a minimum of four

(4) hours' pay at her regular straight time hourly rate. She shall be required to perform any nursing duties assigned by the Hospital which she is capable of doing, if her regular duties are not available.

14.06 Where a regular part-time nurse has completed her regularly scheduled tour and left the hospital and is called in to work outside her regularly scheduled working hours, or where a nurse is called back from standby, she shall receive time and one-half (1 1/2) her regular straight time hourly rate for all hours worked with a minimum guarantee of four (4) hours' pay at time and one-half (1 1/2) her regular straight time hourly rate except to the extent that such four (4) hour period overlaps or extends into her regularly scheduled shift. In such a case, she will receive time and one-half (1 1/2) her regular straight time hourly rate for actual hours worked up to the commencement of her regular shift.

14.07 A nurse who is required to remain available for duty on standby outside her regularly scheduled working hours shall receive standby pay in the amount of two dollars and fifty cents (\$2.50) per hour for the period of standby scheduled by the Hospital. Where such standby duty falls on a paid holiday, as set out in the Appendix of Local Provisions, the nurse shall receive standby pay in the amount of three dollars (\$3.00) per hour. Standby pay shall, however, cease where the nurse is called in to work under Article 14.06 above and works during the period of standby.

14.08 The regular straight time hourly rate will be the hourly rate in the wage schedule set forth in Article 18.01 (a).

14.09 A nurse shall be paid a shift premium of one dollar (\$1.00) per hour for each hour worked which falls within the hours defined as an evening shift and one dollar and twenty-five cents (\$1.25) for each hour worked which falls within the hours defined as a night shift provided that such hours exceed two (2) hours if worked in conjunction with the day shift. Tour differential will not form part of the nurse's straight time hourly rate. For purposes of this provision, the night shift and the evening shift each consist of 7.5 hours. The defined hours of a night and evening shift shall be a matter for local negotiation.

14.10 Ambulance Escort

Where a nurse is assigned to provide patient care for a patient in transit, the following provisions shall apply:

(a) Where the nurse performs such duties during an assigned shift, she shall be paid her regular rate of pay. Where the nurse continues to perform such duties in excess of her assigned shift, she shall be paid the appropriate overtime rate.

(b) Where such duties extend beyond her regular shift, the

Hospital will not require a nurse to return to regular duties at the Hospital without at least eight (8) hours of time off. Where such time off extends into her next regularly scheduled shift she will maintain her regular earnings for that full shift.

- (c) Hours spent between the time the nurse is relieved of patient care responsibilities and the time the nurse returns to the hospital or to such other location agreed upon between the Hospital and the nurse will be paid at straight time or at appropriate overtime rates, if applicable under Article 14.01. It is understood that the nurse shall return to the hospital or to such other location agreed upon between the Hospital and the nurse at the earliest opportunity. Prior to the nurse's departure on escort duty, or at such other time as may be mutually agreed upon between the Hospital and the nurse, the Hospital will establish with the nurse arrangements for return travel.
- (d) The nurse shall be reimbursed for reasonable out of pocket expenses including room, board and return transportation and consideration will be given to any special circumstances not dealt with under the foregoing provisions.

NOTE: The Hospital agrees to continue to pay any greater monetary benefit for ambulance escort duty if such greater benefit was paid by the Hospital under a Collective Agreement immediately prior to this Agreement. This note applies at Hospitals where this superior condition exists as of December 14, 1987.

- 14.11 (a) The posting of work schedules for regular part-time nurses shall be determined by local negotiations. It shall be the responsibility of the regular part-time nurse to consult posted work schedules. The Hospital will endeavour to provide as much advance notice as is practicable of a change in the posted schedule and shall be brought to the attention of the regular part-time nurse.
- (b) Where less than twenty-four (24) hours' notice is given personally to the regular part-time nurse, time and one-half (1 1/2) of the nurse's regular straight time hourly rate will be paid for all hours worked on the first shift of her new scheduled. Such changes shall not be considered a lay-off.
- (c) Where a nurse is called in to work a regular shift less than two (2) hours prior to the commencement of the shift, and arrives within one (1) hour of the commencement, then she will be paid for a full tour provided that she works until the normal completion of the tour.

(d) Casual part-time nurses whose work schedule has been **pre-scheduled** and whose schedule is changed with less than twenty-four (24) hours notice then paragraph (b) - shall apply to casual part-time nurses.

14.12 When a nurse is required to travel to the hospital or to return to her home as a result of reporting to or off work between the hours of 2400 - 0600 hours, or at any time while on standby, the Hospital will pay transportation costs either by taxi or by her own vehicle at the rate of thirty-five cents (35¢) per mile (to a maximum of fourteen dollars (\$14.00)) or such greater amount as the Hospital may in its discretion determine for each trip between the aforementioned hours. The nurse will provide to the Hospital satisfactory proof of payment of such taxi fare.

14.13 A nurse who works a second consecutive full tour shall be entitled to the normal rest periods and meal period for the second tour and shall be provided at the time of the meal period with a hot meal or four dollars (\$4.00) if the Hospital is unable to provide the hot meal. Other nurses required to work more than two (2) hours overtime on the same day they have worked a full tour shall, after the two (2) hours, receive a one-half (1/2) hour paid meal period and shall be provided with a hot meal or four dollars (\$4.00) if the Hospital is unable to provide the hot meal.

14.14 A nurse shall be paid a weekend premium of one dollar and thirty-five cents (\$1.35) per hour for each hour worked between 2400 hours Friday and 2400 hours Sunday, or such other 48 hour period as the local parties may agree upon. If a nurse is receiving premium pay under Article 14.03, pursuant to a local scheduling regulation with respect to consecutive weekends worked, she will not receive weekend premium under this provision.

ARTICLE 15 - PAID HOLIDAYS

15.01 If a regular part-time nurse works on any of the holidays listed in Article 15.01 of the full-time Agreement, she shall be paid at the rate of time and one-half (1 1/2) her regular straight time hourly rate (as set out in the Wage Schedule) for all hours worked on such holiday, subject to the application of Article 14.04 regarding hours worked in addition to her full tour.

NOTE: Where existing Collective Agreements contain provisions relating to payment to nurses for holidays, whether worked or not, that exceed any payment required under the Employment Standards Act, such provisions shall be continued. Payment of holiday pay under this Note applies only to nurses presently enjoying such payment. Nurses presently enjoying holiday pay pursuant to this Note or otherwise as of **December 14, 1987** will continue to enjoy such payment until they cease to be employed at the Hospital or until they transfer to a status to which this superior condition does not apply, whichever first occurs.

ARTICLE 16 - VACATIONS

16.01 All regular part-time nurses shall be entitled to vacation pay based upon the applicable percentage provided in accordance with the vacation entitlement of full-time nurses, of their gross earnings in the preceding year. If a nurse works or receives paid leave for less than 1100 hours in the vacation year she will receive vacation pay based on a percentage of her gross salary for work performed on the following basis:

3 week entitlement	-	6%
4 week entitlement	-	8%
5 week entitlement	-	10%
6 week entitlement	-	12%

Equivalent years of service, calculated pursuant to the formula set out in Article 16.03, shall be used to determine vacation entitlement.

Casual part-time nurses will be paid vacation pay in accordance with the above entitlement on gross earnings or on gross salary for work performed, as applicable. Such vacation pay will be paid on monies earned on or after April 1, 1988. Equivalent years of service will be based on the casual part-time nurse's seniority established under Article 10.02 and will be calculated on the basis that 1500 hours of part-time service shall equal one (1) year of full-time service and vice-versa.

16.02 A part-time nurse who leaves the employ of the Hospital for any reason shall be entitled to receive any unpaid vacation pay which has accrued to her to the date of her separation, it being understood and agreed that the nurse will provide at least two (2) weeks' notice or termination.

16.03 For the purpose of vacation entitlement, service for those nurses whose status is changed, on or after October 23, 1981, from part-time to full-time or vice-versa, shall mean the combined service as a part-time and full-time nurse employed by the Hospital and accumulated on a continuous basis. For the purpose of this Article, 1500 hours of part-time service shall equal one (1) year of full-time service and vice-versa.

16.04 Scheduling of vacations shall be in accordance with the schedule of local provisions.

NOTE : Part-time nurses (including casual nurses) who presently enjoy better vacation pay benefits under the provisions of a Collective Agreement immediately prior to this Agreement, shall continue to receive better benefits while employed by the Hospital.

Applicable straight time hour rate t 13%.

- (c) The hourly salary rates payable to a regular or casual part-time nurse include compensation in lieu of all fringe benefits which are paid to full-time nurses except those specifically provided to part-time nurses in this Agreement. It is understood and agreed that holiday pay is included within the percentage in lieu of fringe benefits. It is further understood and agreed that pension is included within the percentage in lieu of fringe benefits. Notwithstanding the foregoing, all part-time nurses may, on a voluntary basis, enroll in the Hospital's Pension Plan when eligible in accordance with its terms and conditions. For part-time nurses who are members of the Pension Plan, the percentage in lieu of fringe benefits is nine percent (9%).

It is understood and agreed that the part-time nurse's hourly rate (or straight time hourly rate) in this Agreement does not include the additional 9% or 13%, as applicable, which is paid in lieu of fringe benefits and accordingly the 9% or 13%, as applicable, add on payment in lieu of fringe benefits will not be included for the purpose of computing any premium or overtime payments.

Reinstatement to the status of Registered Nurse shall be effective the first pay period following the date of presentation of proof of certification as above.

18.04 (a) A regular part-time nurse who is promoted to a higher rated classification within the bargaining unit will be placed on the level of the salary schedule of the higher rated classification so that she shall receive no less an increase in salary than the equivalent of one step in the salary range of the previous classification (provided that it does not

exceed the salary range of the classification to which she has been promoted) and she shall retain her service review date for purposes of wage progression. For the purpose of this Article, promotion shall be defined as a move from one classification to another classification with a higher salary grid and shall not include a change of status from Graduate to Registered Nurse. A nurse who is moved to a lower rated classification will be placed at the level on the grid, if any, which most closely **recognizes** her experience level on the other grid.

- (b) Where the Hospital temporarily assigns a Registered Staff Nurse to carry out the assigned responsibilities of a higher classification (whether or not such classification is included in the bargaining unit) for a period of one (1) full tour or more, at times when the incumbent in any such classification would otherwise be working, she shall be paid a premium of one dollar and twenty cents (\$1.20) per hour for such duty in addition to her regular salary. The Hospital agrees that it will not make work assignments which will violate the purpose and intent of this provision.

Having established the recent related clinical experience, the Hospital will credit a new part-time nurse with one (1) annual service increment for each year of experience (calculated pursuant to the formula set out in Article 16.03) up to a maximum of Level 6 (i.e., 5th year increment). If a period of more than two (2) years has elapsed since the nurse has occupied a full-time or a part-time nursing position, then the number of increments to be paid, if any, shall be at the discretion of the hospital.

Currently employed nurses who were eligible to claim credit under the formula of one increment for every two years of experience may make a claim under the present provision and will have their position on the salary grid adjusted, effective April 1, 1991, to a maximum of Level 6 (5th year increment).

- (b) Where a casual nurse hired between October 1, 1987 and March 31, 1988 transfers to regular part-time, she may make a claim under (a) above at the time of the transfer, provided the transfer occurs within six (6) months of the nurse's date of hire.

- 18.07
- A part-time nurse whose status is altered to full-time will assume her same level on the full-time grid. A full-time nurse whose status is altered to part-time will assume her same level on the part-time grid. In addition, a nurse who is so transferred will be given credit for service accumulated since the date of her last advancement.
- 18.08
- (a) When a new classification in the bargaining unit is established by the Hospital or the Hospital makes a substantial change in the job content of an existing classification which in reality causes such classification to become a new classification, the Hospital shall advise the Association of such new or changed classification and the rate of pay established. If requested, the Hospital agrees to meet with the Association to permit it to make representations with respect to the appropriate rate of pay providing any such meeting shall not delay the implementation of the new classification. Where the Association challenges the rate established by the Hospital and the matter is not resolved following any meeting with the Association, a grievance may be filed at Step No. 3 of the Grievance Procedure within seven

(7) calendar days following any meeting. If the matter is not resolved in the Grievance Procedure, it may be referred to Arbitration in accordance with Article 7, it being understood that any Arbitration Board shall be limited to establishing an appropriate rate based on the relationship existing amongst other nursing classifications within the Hospital and duties and responsibilities involved.

Any change in the rate established by the Hospital either through meetings with the Association or by a Board of Arbitration shall be made retroactive to the time at which the new or changed classification was first filled.

- (b) If a nurse becomes disabled with the result that she is unable to carry out the regular functions of her position, the Hospital may establish a special classification and salary with the hope of providing an opportunity for continued employment.

18.09 Education Allowance

Provisions in existing Collective Agreements providing for educational allowances shall be continued in effect.

ARTICLE 19 - JOB SHARING

- 19.01 Job sharing is defined as an arrangement whereby two or more nurses share the hours of work of what would otherwise be one full-time position.

If the Hospital agrees to a job sharing arrangement, the introduction or discontinuance of such job sharing arrangements will be determined locally.

Once the Hospital has determined that a vacancy exists and has agreed to a job sharing arrangement, the vacancy or vacancies to be posted will be determined locally and will be filled in accordance with Article 10.06 of the Full-time Collective Agreement or Article 10.05 of the Part-time Collective Agreement.

The nurses involved in a job sharing arrangement will be classified as regular part-time and will be covered by the provisions of the Part-time Collective Agreement.
