ARTICLE 1 - PREAMBLE

1.01 - Preamble

The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Hospital and the employees covered by this Agreement; to provide for ongoing means of communication between the Union and the Hospital and the prompt disposition of grievances and the final settlement of disputes and to establish and maintain mutually satisfactory wages, hours of work and other conditions of employment in accordance with the provisions of this Agreement.

It is recognized that the employees wish to work efficiently together with the Hospital to secure the best possible care and health protection for patients.

1.02 - Feminine/Masculine Pronouns

Wherever the feminine pronoun is used in this Agreement, it includes the masculine pronoun and vice versa where the context so requires.

ARTICLE 2 - DEFINITIONS

2.01 - Temporary Employee

Employees may be hired for a specific term not to exceed six (6) months, to replace an employee who will be on approved leave of absence, absence due to WSIB disability, sick leave, long term disability or to perform a special non-recurring task. This term may be extended a further six (6) months on mutual agreement of the Union, employee and Hospital or by the Hospital on its own up to twelve (12) months where the leave of the person being replaced extends that far. The period of employment of such persons will not exceed the absentee's leave. The release or discharge of such persons shall not be the subject of a grievance or arbitration.

This clause would not preclude such employees from using the job posting provision under the collective agreement and any successful applicant who has completed his probation period will be credited with the appropriate seniority.

The Hospital will outline to employees selected to fill such temporary vacancies and the Union, the circumstances giving rise to the vacancy, and the special conditions relating to such employment.

2.02 - Part-Time Commitment

The Hospital shall not refuse to accept an offer from an employee to make a

written commitment to be available for work on a regular predetermined basis solely for the purpose of utilizing casual employees so as to restrict the numbers of regular part-time employees.

2.03- Regular Part-Time Employee: Casual Employee NS

For the purpose of interpretation and clarification, part-time employees shall mean any employees who regularly work less than five (5) shifts per week, or who temporarily relieves full-time employees for a fixed term or task not to exceed six (6) months.

- (a) A regular part-time employee shall mean those employees who make a written commitment to the Hospital to be available on a predetermined basis, as required and determined by the Hospital and in respect of which there is a predetermined scheduling.
- (b) Casual part-time employees shall mean those employees who are employed on a relief or replacement basis and are available for call-in as circumstances demand.

ARTICLE 3 - RELATIONSHIP

3.01 - No Discrimination

The parties agree that there shall be no discrimination within the meaning of the Ontario Human Rights Code against any employee by the Union or the Hospital by reason of race, creed, colour, age, sex, marital status, nationality, ancestry or place of origin, family status, handicap, sexual orientation, political affiliation or activity, or place of residence. The Hospital and the Union further agree that there will be no intimidation, discrimination, interference, restraint or coercion exercised or practised by either of them or their representatives or members, because of an employee's membership or non-membership in a Union or because of his activity or lack of activity in the Union.

The Union shall be provided a copy of any written notice provided to an employee that he or she may be subject to termination, demotion, transfer, or other adverse impact for innocent absenteeism.

ARTICLE 4 - STRIKES & LOCKOUTS

The Union agrees there shall be no strikes and the Hospital agrees there shall be no lockouts so long as this Agreement continues to operate. The terms "strike" and "lockout" shall bear the meaning given them in the Ontario Labour Relations Act.

ARTICLE 5 - UNION SECURITY

5.01 - T4 Slips

The Hospital will provide each employee with a T-4 supplementary slip showing the dues deducted in the previous year for income tax purposes where such information is available or becomes readily available through the Hospital's payroll system.

5.02 - Notification to Union

The Hospital will provide the union with a list, monthly of all hirings, lay-offs, recalls and terminations within the bargaining unit where such information is available or becomes readily available through the Hospital's payroll system.

5.03 - Employee Interview

A new employee will have the opportunity to meet with a representative of the Union in the employ of the Hospital for a period of up to 15 minutes during the employee's orientation period without loss of regular earnings. The purpose of the meeting will be to acquaint the employee with such representative of the Union and the collective agreement.

Such meetings may be arranged collectively or individually for employees by the Hospital as part of the orientation program.

5.04 - No Other Agreements

No employee shall be required or permitted to make any written or verbal agreement with the Hospital or its representative(s) which conflicts with the terms of this agreement.

No individual employee or group of employees shall undertake to represent the union at meetings with the Hospital without proper authorization from the union.

ARTICLE 6 - UNION REPRESENTATION AND COMMITTEES

6.01 - Union Activity on Premises and/or Access to Premises

The Union agrees that neither it, nor its officers, agents, representatives and members will engage in the solicitation of members, holding of meetings or any other Union activities on Hospital premises or on Hospital time without the prior approval of the Hospital, except as specifically provided for in this Agreement. Such approval will not be unreasonably denied.

6.02 - Labour-Management Committee

- (a) Where the parties mutually agree that there are matters of mutual concern and interest that would be beneficial if discussed at a Labour-Management Committee Meeting during the term of this Agreement, the following shall apply.
- (b) An equal number of representatives of each party as mutually agreed shall meet at a time and place mutually satisfactory. A request for a meeting hereunder will be made in writing prior to the date proposed and accompanied by an agenda of matters proposed to be discussed, which shall not include matters that are properly the subject of grievance or negotiations for the amendment or renewal of this agreement.

Any representative(s) attending such meetings during their regularly scheduled hours of work shall not lose regular earnings as a result of such attendance.

- (c) It is agreed that the topic of a rehabilitation program for drug and alcohol abuse is an appropriate topic for the Labour-Management Committee.

It is also agreed that the topic of the utilization of full-time and part-time staff is an appropriate topic for the Labour-Management Committee. The committee shall have access to work schedules and job postings upon request.

- (d) It is understood that joint meetings with other Labour-Management Committees in the Hospital may be scheduled concerning issues of mutual interest if satisfactory to all concerned.
- (e) Where two or more agreements exist between a Hospital and CUPE the Committee may be a joint one representing employees under both agreements, unless otherwise agreed.

6.03 - Local Bargaining Committee

The Hospital agrees to recognize a negotiating committee comprised of hospital employee representatives of the Union for the purpose of negotiating a renewal agreement (as set out in the Local Provisions Appendix). The Hospital agrees to pay members of the negotiating committee for straight time wages lost from their regularly scheduled working hours spent in direct negotiations for a renewal agreement, up to but not including arbitration. Nothing in this provision is intended to preclude the Union negotiating committee from having the assistance of any representatives of the Canadian Union of Public Employees when negotiating with the Hospital.

When direct negotiations begin or end within ten (10) hours of a negotiating team

member's scheduled shift, the Hospital will endeavour to provide a one day's leave of absence without pay, to provide a sufficient rest break if the employee so requests. Such request shall not be unreasonably denied. Such leave shall be considered leave of absence for union business, but shall not be deducted from the Union entitlement under Article 12.02.

6.04 - Central Bargaining Committee

- (a) In central bargaining between the Canadian Union of Public Employees and the participating hospitals, an employee serving on the Union's Central Negotiating Committee shall be paid for time lost from his normal straight time working hours at his regular rate of pay and without loss of leave credits for attending central negotiating meetings with the Hospitals' Central Negotiating Committee in direct negotiations up to the point of arbitration. In addition, an employee serving on the Union's Central Negotiating Committee shall be paid for time lost from his normal straight time working hours at his regular rate of pay and without loss of leave credits for ~~two~~ (2) days of preparation time for such central negotiating meetings with the Hospital's Central negotiating Committee. Upon reference to arbitration, the Negotiating Committee members shall receive unpaid time off for the purpose of attending arbitration hearings.

It is understood and agreed that the maximum number of Union Central Negotiating Committee members entitled to payment under this provision shall be eight (8), and in no case will more than one employee from a hospital be entitled to such payment.

The Union shall advise the Hospitals' Central Negotiating Committee, before negotiations commence, of those employees to be paid under this provision. The Hospitals' Central Negotiating Committee shall advise the eight (8) Hospitals accordingly.

- (b) Vice-presidents of the Ontario Council of Hospital Unions shall be granted leave of absence by their employers in accordance with (a) above or Article 12.02 as the case may be, in order to fulfil the duties of their position.

6.05 - Union Stewards

- (a) The Hospital agrees to recognize Union stewards to be elected or appointed from amongst employees in the bargaining unit who have completed their probationary period for the purpose of dealing with Union business as provided under this Collective Agreement.
- (b) A Chief Steward or designate may, in the absence of any steward, assist in the presentation of any grievance, or with any steward function.

- (c) The Union shall keep the Hospital notified in writing of the names of Union stewards appointed or selected under this Article as well as the effective date of their respective appointments.
- (d) It is agreed that Union stewards have their regular duties and responsibilities to perform for the Hospital and shall not leave their regular duties without first obtaining permission from their immediate supervisor. If, in the performance of his duties, a Union steward is required to enter an area within the Hospital in which he is not originally employed, he shall report his presence to the supervisor in the area immediately upon entering it. Such permission shall not be unreasonably withheld. When resuming his regular duties and responsibilities, such steward shall again report to his immediate supervisor. A Union steward shall suffer no **loss** of earnings for time spent in performing the above duties during his regular scheduled working hours.
- (e) Nothing in this Article shall preclude full-time stewards from representing part-time employees and vice-versa.
- (9) The number of stewards and the areas which they represent, are to be determined locally.

6.06 - Grievance Committee

The Hospital will recognize a Grievance Committee composed of the Chief Steward and not more than (as set out in Local Provisions Appendix) employees selected by the Union who have completed their probationary period. A general representative of the Union may be present at any meeting of the Committee. The purpose of the Committee is to deal with complaints or grievances as set out in this Collective Agreement.

The Union shall keep the Hospital notified in writing of the names of the members of the Grievance Committee appointed or selected under this Article as well as the effective date of their respective appointments.

A Committee member shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending grievance meetings with the Hospital up to, but not including arbitration. The number of employees on the Grievance Committee shall be determined locally.

ARTICLE 7 - GRIEVANCE AND ARBITRATION PROCEDURE

- 7.01 For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.

- 7.02 At the time formal discipline is imposed or at any stage of the grievance procedure an employee shall have the right upon request to the presence of his/her steward. In the case of suspension or discharge the Hospital shall notify the employee of this right in advance.
- 7.03 It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until he has first given his immediate supervisor the opportunity of adjusting his complaint. The grievor may have the assistance of a union steward if he or she so desires. Such complaint shall be discussed with his immediate supervisor within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee and failing settlement within nine (9) calendar days, it shall then be taken up as a grievance within nine (9) calendar days following advice of his immediate supervisor's decision in the following manner and sequence:

Step No. 1

The employee, who may be accompanied by a steward, may submit a written grievance signed by the employee to (designated by Hospital). The grievance shall identify the nature of the grievance and the remedy sought and should identify the provisions of the Agreement, which are alleged to be violated. The Union and the Hospital may, if they so desire, meet to discuss the grievance at a time and place suitable to both parties. The (designate) will deliver his decision in writing within nine (9) calendar days following the day on which the grievance was presented to him. Failing settlement or response, then:

Step No. 2

Within nine (9) calendar days following the decision in Step No.1, the grievance may be submitted in writing to the (designated by Hospital). A meeting will then be held between the (designate) and the Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 2 unless extended by agreement of the parties. It is understood and agreed that a representative of the Canadian Union of Public Employees and the grievor may be present at the meeting. It is further understood that the (designate) may have such counsel and assistance as he may desire at such meeting. The decision of the Hospital shall be delivered in writing within nine (9) calendar days following the date of such meeting.

- 7.04 A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 2 within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. It is expressly

understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which such employee could himself institute and the regular grievance procedure shall not be thereby bypassed.

- 7.05 Where a number of employees have identical grievances and each employee would be entitled to grieve separately they may present a group grievance in writing identifying each employee who is grieving to the Department Head or his designee within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.
- 7.06 The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration. A claim by an employee who has completed his probationary period that he has been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged by the employee with the Hospital at Step No. 2 within seven (7) calendar days after the date the discharge or suspension is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:
- (a) confirming the Hospital's action in dismissing the employee; or
 - (b) reinstating the employee with or without full compensation for the time lost; or
 - (c) by any other arrangement which may be deemed just and equitable.

Wherever the Hospital deems it necessary to suspend or discharge an employee, the Hospital shall notify the Union of such suspension or discharge in writing. The Hospital agrees that it will not suspend, discharge or otherwise discipline an employee who has completed his probationary period, without just cause.

- 7.07 a) Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within eighteen (18) calendar days after the decision under Step No. 2 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within sixteen (16) calendar days after the decision under Step No.2, it will be deemed to have been received within the time limits.

- b) The parties agree that it is their intent to resolve grievances without recourse to arbitration, wherever possible. Therefore, notwithstanding (a) above, the parties may, upon mutual agreement, engage the services of a mediator in an effort to resolve the grievance and may extend the time limits for the request for arbitration. The parties will share equally the fees and expenses, if any, of the mediator.
- 7.08 All agreements reached under the Grievance Procedure between the representatives of the Hospital and the representatives of the Union will be final and binding upon the Hospital and the Union and the employees.
- 7.09 When either party requests that any matter be submitted to arbitration as provided in the foregoing Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time name a nominee. Within seven (7) calendar days thereafter the other party shall name a nominee, provided, however, that if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking Arbitration Procedure. The ~~two~~ nominees shall attempt to select by agreement a chairman of the Arbitration Board. If they are unable to agree upon such a chairman within a period of fourteen **(14)** calendar days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.
- 7.10 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 7.11 **No** matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.
- 7.12 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 7.13 The proceedings of the Arbitration Board **will** be expedited by the parties hereto and the decision of the majority and, where there is no majority the decision of the chairman will be final and binding upon the parties hereto and the employee or employees concerned.
- 7.14 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chairman of the Arbitration Board.
- 7.15 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the

written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject only to the provisions of Section 48 (16) of The Labour Relations Act.

- 7.16 Wherever Arbitration Board is referred to in the Agreement, the parties may mutually agree in writing to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

ARTICLE 8 - ACCESS TO FILES

8.01 - Access to Personnel File

Each employee shall have reasonable access to his/her personnel file for the purpose of reviewing any evaluations or formal disciplinary notations contained therein, in the presence of the Director of Personnel or designate. An employee has the right to request copies of any evaluations in this file.

8.02 - Clearing of Record

Any letter of reprimand, suspension or any other sanction will be removed from the record of an employee eighteen (18) months following the receipt of such letter, suspension or other sanction provided that such employee's record has been discipline free for one year. All leaves of absence in excess of ten (10) calendar days will not count toward either of the above periods.

ARTICLE 9 - SENIORITY

9.01 - Probationary Period

A new employee will be considered on probation until he has completed forty-five **(45)** days of work (or 337.5 hours of work for employees whose regular hours of work are other than the standard work day), within any twelve (12) calendar months. Upon completion of the probationary period he shall be credited with seniority equal to forty-five **(45)** working days. With the written consent of the Hospital, the probationary employee and the President of the Local Union or designate, such probationary period may be extended. Any extensions agreed to will be in writing and will specify the length of the extension. The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration.

9.02 - Definition of Seniority

Full-time employees will accumulate seniority on the basis of their continuous service in the bargaining unit from the last date of hire, except as otherwise

provided herein.

Part-time employees, including casual employees, will accumulate seniority on the basis of one (1) year's seniority for each 1725 hours worked in the bargaining unit as of the last date of hire, except as otherwise provided herein.

Seniority will operate on a bargaining unit wide basis.

A part-time employee cannot accrue more than one year's seniority in a twelve (12) month period. The twelve (12) month period shall be determined locally.*

9.03 - Loss of Seniority

An employee shall lose all seniority and service and shall be deemed to have terminated if he:

- (a) resigns;
- (b) is discharged and not reinstated through the grievance/arbitration procedure;
- (c) is retired;
- (d) is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Hospital of such absence and providing to the Hospital a satisfactory reason;
- (e) has been laid off for forty-eight (48) months;
- (9) if the employee has been laid off and fails to return to work within seven (7) calendar days after that employee has been notified by the Hospital through registered mail addressed to the last address on the records of the Hospital, subject to any special provisions regarding temporary vacancies noted under the heading of Layoff and Recall.

9.04 Effect of Absence

Unless otherwise provided in the Collective Agreement:

Part-time employees shall accrue seniority for the duration of the absence, if an employee's absence is due to a disability resulting in WSIB benefits.*

Part-time employees shall accrue service for a period of fifteen (15) weeks if absent due to a disability resulting in WSIB benefits, on the basis of what the employee's normal regular hours of work would have been.

*Note: Add the words "or L.T.D. benefits" only in agreements providing L.T.D. benefits.

9.05 - Job Posting NS

- (a) Where a permanent vacancy occurs in a classification within the bargaining unit or a new position within the bargaining unit is established by the Hospital, such vacancy shall be posted for a period of seven (7) consecutive calendar days. Applications for such vacancy shall be made in writing within the seven (7) day period referred to herein.
- (b) The postings shall stipulate the qualifications, classifications, rate of pay, department and shift and a copy shall be provided to the Chief Steward.
- (c) Vacancies created by the filling of an initial permanent vacancy will be posted for a period of three (3) consecutive calendar days, excluding Saturdays, Sundays and Holidays. Applications for such vacancies shall be made in writing within the three (3) day period referred to herein.
- (d) In matters of promotion and staff transfer appointment shall be made of the senior applicant able to meet the normal requirements of the job. Successful employees need not be considered for other vacancies within a six (6) month period unless an opportunity arises which allows the employee to change his or her permanent status.
- (e) The Hospital agrees that it shall post permanent vacant positions within 30 calendar days of the position becoming vacant, unless the Hospital provides the Union notice under Article 9.08 of it's intention to eliminate the position.
- (f) The name of the successful applicant will be posted on the bulletin board for a period of seven (7) calendar days.
- (g) Where there are no successful applicants from within this bargaining unit for vacant positions referred to in this Article, employees in other CUPE bargaining units at the Hospital will be selected in accordance with the criteria for selection above, prior to considering persons who are not members of CUPE bargaining units at the Hospital. The employees eligible for consideration shall be limited to those employees who have applied for the position in accordance with this Article, and selection shall be made in accordance with this Article.

- (h) The successful applicant shall be allowed a trial period of up to thirty (30) days, during which the Hospital will determine if the employee can satisfactorily perform the job. Within this period the employee may voluntarily return, or be returned by the Hospital to the position formerly occupied, without loss of seniority. The vacancy resulting from the posting may be filled on a temporary basis until the trial period is completed.
- (i) A list of vacancies filled in the preceding month under this Article and the names of the successful applicants will be posted, with a copy provided to the union.
- (j) A temporary vacancy in a job classification will be deemed to be temporary while the incumbent is absent due to a leave of absence which will not extend beyond a period of (6) months or longer period than may be agreed to by the parties to this agreement.
- (k) An employee who is not successful in his application for a vacancy or new position in the bargaining unit may inquire through the Department Head or her designate as to the reasons why he was unsuccessful.

9.06 - Transfer and Seniority Outside the Bargaining Unit

- (a) It ~~is~~ understood that an employee shall not be transferred by the Hospital to a position outside the bargaining unit without his consent except in the case of temporary assignments not exceeding six (6) months. Such employees on temporary assignments shall remain members of the bargaining unit.
- (b) An employee who is transferred to a position outside the bargaining unit shall not, subject to (c) below, accumulate seniority. In the event the employee ~~is~~ returned by the Hospital to a position in the bargaining unit within twenty-four **(24)** months of the transfer he or she shall be credited with the seniority held at the time of transfer and resume accumulation from the date of his or her return to the bargaining unit. An employee not returned to the bargaining unit within 24 months shall forfeit bargaining unit seniority.

9.08 - Notice and Redeployment Committee

(a) Notice

In the event of a proposed layoff at the Hospital of a permanent or long-term nature or the elimination of a position within the bargaining unit, the Hospital shall:

- (i) provide the Union with no less than five (5) months' written notice of the proposed layoff or elimination of position; and
- (ii) provide to the affected employee(s), if any, who will be laid off with no less than five (5) months' written notice of layoff, or pay in lieu thereof.

Note: Where a proposed layoff results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided in (i) above shall be considered notice to the Union of any subsequent layoff.

- (b) A layoff shall not include a reassignment of an employee from her or his classification or area of assignment who would otherwise be entitled to notice of layoff provided:

- (I) reassignments will occur in reverse order of seniority;
- (II) the reassignment of the employee is to an appropriate permanent position with the employer having regard to the employee's skills, abilities, qualifications and training or training requirements;
- (III) the reassignment of the employee does not result in a reduction of the employee's wage rate or hours of work;
- (IV) the job to which the employee is reassigned is located at the employee's original work site or at a nearby site in terms of relative accessibility for the employee;
- (V) the job to which the employee is reassigned is on the same or substantially similar shift or shift rotation; and
- (VI) where more than one employee is to be reassigned in accordance with this provision, the reassigned employees shall be entitled to select from the available appropriate vacancies to which they are being reassigned in order of seniority provided no such selection causes or would cause a layoff or bumping.

The Hospital bears the onus of demonstrating that the foregoing conditions have been met in the event of a dispute. The Hospital shall also reasonably accommodate any reassigned employee who may experience a personal hardship arising from being reassigned in accordance with this provision.

- (c) Any vacancy to which an employee is reassigned pursuant to paragraph (b) need not be posted.

(d) Redeployment Committee

At each Hospital a Redeployment Committee will be established not later than two (2) weeks after the notice referred to in 9.08 and will meet thereafter as frequently as is necessary.

- (1) Identify and propose possible alternatives to the proposed layoff(s) or elimination of position(s), including, but not limited to, identifying work which would otherwise be bargaining unit work and is currently work contracted-out by

the Hospital which could be performed by bargaining-unit employees who are or would otherwise be laid off;

- (5) Any dispute relating to the foregoing procedures may be filed as a grievance commencing at Step 2.

(ii) Committee Composition

The Redeployment Committee shall be comprised of equal numbers of representatives of the Hospital and of the Union. The number of representatives will be determined locally. Where for the purposes of HTAP (the Ontario Hospital Training and Adjustment Panel) there is another hospital-wide staffing and redeployment committee created or in existence, Union members of the Redeployment Committee shall serve on any such hospital-wide staffing committee established with the same or similar terms of reference, and the number of Union members on such committee will be proportionate to the number of its bargaining unit members at the particular Hospital in relation to other staff groups.

Meetings of the Redeployment Committee shall be held during normal working hours. Time spent attending such meetings shall be deemed to be work time for which the representative(s) shall be paid by the Hospital at his or her regular or premium rate as may be applicable.

Each party shall appoint a co-chair for the Redeployment

Committee. Co-chairs shall chair alternative meetings of the Committee and will be jointly responsible for establishing the agenda of the Committee meetings, preparing minutes and writing such correspondence as the Committee may direct.

(iii) Disclosure

The Hospital shall provide to the Redeployment Committee all pertinent staffing and financial information.

(iv) Alternatives

The Redeployment Committee, or where there is no consensus, the committee members shall propose alternatives to cutbacks in staffing to the Hospital's Chief Executive Officer and to the Board of Directors.

An employee who chooses to exercise the right to displace another employee with lesser seniority shall advise the Hospital of his or her intention to do so and the position claimed within seven (7) days after receiving the notice of layoff.

For purposes of the operation of clause (d), an identical-paying classification shall include any classification where the straight-time hourly wage rate at the level of service corresponding to that of the laid off employee is within 1% of the laid off employee's straight time hourly wage rate.

- (e) In the event that there are no employees with lesser seniority in the same or a lower or identical-paying classification, as defined in this article, a laid-off employee shall have the right to displace another employee with lesser seniority in a higher-paying classification provided they are able to meet the normal requirements of the job, with orientation but without additional training.
- (f) An employee who is subject to layoff other than a layoff of a permanent or long-term nature including a full time employee whose hours of work are, subject to Article 14.01, reduced, shall have the right to accept the layoff or displace another employee in accordance with (a) and (d) above.

- (j) In determining the ability of an employee to perform the work for the purposes of the paragraphs above, the Hospital shall not act in an arbitrary or unfair manner.
- (k) An employee recalled to work in a different classification from which he or she was laid off shall have the privilege of returning to the position held prior to the layoff should it become vacant within six (6) months of being recalled.
- (l) No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.

- (m) The Hospital shall notify the employee of recall opportunity **by** registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to be received on the second day following the date of mailing). The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his or her proper address being on record with the Hospital.

9.10 - Retraining

(a) Retraining for Positions within the Hospital

Where, with the benefit of retraining of up to six (6) months, an employee who has either accepted the layoff or who is unable to displace any other employee could be redeployed to a hospital position identified by the Redeployment Committee in accordance with Article 9.08(d)(i):

- (i) Opportunities to fill vacant positions identified by the Hospital Redeployment Committee through retraining shall be offered to employees who apply and would qualify for the position with the available retraining in order of their seniority until the list of any such opportunities is exhausted. Opportunities to fill vacancies outside of CUPE bargaining units may be offered by the Hospital in its discretion.
- (ii) The Hospital and the Union will cooperate so that employees who have received notice of permanent layoff and been approved for retraining in order to prevent a layoff will have their work schedules adjusted in order to enable them to participate in the retraining, and scheduling and seniority requirements may by mutual agreement be waived. The Redeployment Committee will seek the assistance of the Hospital Training and Adjustment Panel (HTAP), or any similar plan, to cover the cost of tuition, books and any travel.
- (iii) Apart from any on-the-job training offered by the Hospital, any employee subject to layoff who may require a leave of absence to undertake retraining in accordance with the foregoing shall be granted an unpaid leave of absence which shall not exceed six (6) months.
- (iv) Laid-off employees who are approved for retraining in order to qualify for a vacant position within the Hospital will continue to receive insured benefits.

(b) Placement

Any such claim shall be accompanied by verification of previous related experience. The Hospital shall then evaluate such experience during the probationary period following hiring. Where in the opinion of the Hospital such experience is determined to be relevant, the employee shall be slotted in that step of the wage progression consistent with one (1) year's service for every one (1) year of related experience in the classification upon completion of the employee's probationary period. It is understood and agreed that the foregoing shall not constitute a violation of the wage schedule under the collective agreement.

9.13 - Technological Change

The Hospital undertakes to notify the Union in advance, so far as practicable, of

any technological changes which the Hospital has decided to introduce which will significantly change the status of employees within the bargaining unit.

The Hospital agrees to discuss with the Union the effect of such technological changes on the employment status of employees and to consider practical ways and means of minimizing the adverse affect, if any, upon employees concerned.

Where new or greater skills are required than are already possessed by affected employees under the present methods of operation, such employees shall be given a period of training, with due consideration being given to the employee's age and previous educational background, during which they may perfect or acquire the skills necessitated by the new method of operation. The employer will assume the cost of tuition and travel. There shall be no reduction in wage or salary rates during the training period of any such employee. Training shall be given during the hours of work whenever possible and may extend for up to six months.

Employees with one (1) or more years of continuous service who are subject to lay-off under conditions referred to above, will be given notice of the impending change in employment status at the earliest reasonable time in keeping with the notification to the Union as above set forth and the requirements of the applicable law.

9.14 – Professional-Responsibility– Scope of RPN Practice

The Hospital and the Union shall meet to discuss the issues of RPN scope of practice and skill utilization.

9.15 – Work-Loads

- (a) The parties agree that patient care is enhanced if concerns relating to professional practice, patient acuity, fluctuating Work-Loads and fluctuating staffing are resolved in a timely and effective manner.
- (b) Employees are encouraged to raise their concerns with their immediate supervisor. In the event that the workload concern is not resolved to the employee's satisfaction, the employee, or group of employees, may submit their concerns to either the Joint Health and Safety Committee (as constituted under the collective agreement's local appendix) or the Labour Management Committee (as constituted under Article 6.02) through their union representative in a format to be determined by the respective committee.
- (c) In the event that an employee or group of employees, covered under the

Regulated Health Professions Act (RHPA), are assigned a work-load which is inconsistent with proper patient care, they shall express their concerns to their supervisor. The employee shall complete a "Work-Load Review Form" which shall be provided to the supervisor and to the Union. The Work-Load Review Form will be attached as an Appendix to the collective agreement.

ARTICLE 10 - CONTRACTING OUT

10.01 - Contracting Out

The Hospital shall not contract out any work usually performed by members of the bargaining unit if, as a result of such contracting out, a layoff of any employees other than casual part-time employees results from such contracting out.

10.02 - Contracting Out

Notwithstanding the foregoing, the hospital may contract out work usually performed by members of the bargaining unit without such contracting-out constituting a breach of this provision if the hospital provides in its commercial arrangement contracting out the work that the contractor to whom the work is being contracted, and any subsequent such contractor, agrees:

- (1) to employ the employees thus displaced from the hospital; and
- (2) in doing so to stand, with respect to that work, in the place of the hospital for the purposes of the hospital's collective agreement with the Union, and to execute into an agreement with the Union to that effect.

In order to ensure compliance with this provision, the hospital agrees that it will withdraw the work from any contractor who has failed to meet the aforesaid terms of the contracting-out arrangement.

10.03 - Contracting In

Further to Article 9.08(d)(i)(1) the parties agree that the Redeployment Committee will immediately undertake a review of any existing sub-contract work which would otherwise be bargaining unit work and which may be subject to expiry and open for renegotiation within six (6) months with a view to assessing the practicality and cost-effectiveness of having such work performed within the Hospital by members of the bargaining unit.

ARTICLE 11 - WORK OF THE BARGAINING UNIT

11.01 - Work of the Bargaining Unit

Employees not covered by the terms of this Agreement will not perform duties normally assigned to those employees who are covered by this Agreement, except for the purposes of instruction, experimentation, or in emergencies when regular employees are not readily available.

11.02 - Volunteers

The use of volunteers to perform bargaining unit work, as covered by this agreement, shall not be expanded beyond the extent of existing practice as of June 1, 1986.

The Hospital shall submit to the Union, at three (3) month intervals, the number of volunteers for the current month and the number of hours worked and the duties performed.

ARTICLE 12 - LEAVES OF ABSENCE

12.01 - Personal Leave

Written request for a personal leave of absence without pay will be considered on an individual basis by the Hospital. Such requests are to be submitted to the employee's immediate supervisor at least four (4) weeks in advance, unless not reasonably possible to give such notice, and a written reply will be given within fourteen (14) days except in cases of emergency in which case a reply will be given as soon as possible. Employees needing personal leave days for appointments with medical practitioners may utilize the personal leave language. Such leave shall not be unreasonably withheld.

12.02 - Union Business

- (a) The Hospital shall grant leave of absence without pay to employees to attend Union conventions, seminars, education classes and other Union business in connection with the administration of the collective agreement provided that such leave will not interfere with the efficient operation of the Hospital. Such leave will not be unreasonably denied.

In requesting such leave of absence for an employee or employees, the Union must give at least fourteen (14) days clear notice in writing to the Hospital, unless not reasonably possible to give such notice.

- (b) In addition to the above, a part-time or casual employee who is attending to union business when not regularly scheduled to work shall be deemed to be on union leave and the amount of such leave shall not be deducted from the number of days of absence identified above. Such part-time or casual employee will be credited with seniority for the number of hours of such leave to a maximum of thirty-seven and one-half (37.5) hours per week. The Union will advise the Hospital of the number of such hours.

12.03(a) Full-Time Position with the Union

Upon application by the Union, in writing, the Hospital shall grant leave of absence, without pay, to an employee elected or appointed to full-time Union office. It is understood that no more than one (1) employee in the bargaining unit may be on such leave at the same time. Such leave shall be for a period of one (1) calendar year from the date of appointment unless extended for a further specific period by agreement of the parties.

Seniority and service shall accrue at seven and one-half (7.5) hours per day to a maximum of thirty-seven and one-half (37.5) hours per week during such leave. The employee shall notify the Hospital of his intention to return to work at least four **(4)** weeks prior to the date of such return. The employee shall be returned to his former duties on the same shift in the same department and at the appropriate rate of pay, subject to any changes which would have occurred had the employee not been on leave.

Notwithstanding Article 2.01, the Hospital may fill the vacancy resulting from such leave on a temporary basis.

12.03(b) Leave for OCHU President and Secretary-Treasurer

Upon application in writing by the Union on behalf of the employee to the Hospital, a leave of absence without pay shall be granted to such employee(s)

elected to the positions of the President of the Ontario Council of Hospital Unions or the Secretary-Treasurer of the Ontario Council of Hospital Unions for period(s) of up to two (2) years. It is understood, however, that during such leave the employee(s) shall be deemed to be an employee of the Union.

During such leave of absence seniority and service shall accrue at seven and one-half (7.5) hours per day to a maximum of thirty-seven and one-half (37.5) hours per week. In addition, during such leave of absence, the employee's salary and applicable benefits shall be maintained by the Hospital on the basis of what his normal regular hours of work would have been, provided that the Union reimburses the Hospital in the amount of such salary and applicable benefits within thirty (30) days of billing.

The employee agrees to notify the Hospital of his intention to return to work at least four **(4)** weeks prior to the date of such return. The employee shall be returned to his former duties on the same shift in the same department and at the appropriate rate of pay, subject to any changes which would have occurred had the employee not been on leave.

Notwithstanding Article 2.01, the Hospital may fill the vacancy resulting from such leave on a temporary basis.

12.04 - Bereavement Leave

- (b) presents proof of service requiring the employee's attendance;
- (c) deposits with the Hospital the full amount of compensation received excluding mileage, traveling and meal allowances and an official receipt thereof.

In addition to the foregoing, where a part-time employee is required by subpoena to attend a court of law or coroner's inquest in connection with a case arising from the employee's duties at the Hospital on his regularly scheduled day off, he shall be paid for all hours actually spent at such hearings at his regular straight time hourly rate subject to (a), (b) and (c) above.

pregnancy benefits pursuant to Section 23 of the *Employment Insurance Act*, shall be paid a supplemental unemployment benefit for a period not exceeding fifteen **(15)** weeks. The supplement shall be equivalent to the difference between ninety-three percent (93%) of her normal weekly earnings and the sum of her weekly unemployment insurance benefits and any other earnings. Receipt by the Hospital of the employee's unemployment insurance cheque stubs shall constitute proof that she is in receipt of Employment Insurance pregnancy benefits.

The employee's normal weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours plus any wage increase or salary increment that she would be entitled to receive if she were not on pregnancy leave.

In addition to the foregoing, the Hospital will pay the employee ninety-three percent (93%) of her normal weekly earnings during the first two (2) week period of the leave while waiting to receive Employment Insurance benefits.

The employee does not have any vested right except to receive payments for the covered unemployment period. - (d) An employee who is an adoptive parent shall advise the Hospital as far in advance as possible of having qualified to adopt a child, and shall request the leave of absence, in writing, upon receipt of confirmation of the pending adoption. If, because of late receipt of confirmation of the pending adoption, the employee finds it impossible to request the leave of absence in writing, the request may be made verbally and subsequently verified in writing. An employee shall reconfirm his or her intention to return to work on the date originally approved in subsection (b) above by written notification received by the Hospital at least **two (2)** weeks in advance thereof.

The employee's normal weekly earnings shall be determined by multiplying the employee's regular hourly rate on his or her last day worked prior to the commencement of the leave times the employee's normal weekly hours, plus any wage increase or salary increment that the employee would be entitled to if he or she were not on parental leave.

In addition to the foregoing the Hospital shall pay the employee ninety-three percent (93%) of his or her normal weekly earnings during the first two (2) week period of the leave while waiting to receive Employment Insurance benefits.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payment in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received

under the plan.

- (f) Credits for service and seniority shall accumulate for a period of up to thirty-five (35) weeks after the parental leave began, if the employee also took pregnancy leave, and thirty-seven (37) weeks after the parental leave began otherwise, while the employee is on parental leave on the basis of what the employee's normal regular hours of work would have been.
- (g) The Hospital will continue to pay the percentage in lieu of benefits and its share of the pension contribution for a period of up to ten (10) weeks while the employee is on parental leave. The Hospital will register these benefits with the Unemployment Benefit Plan.

12.09 - Pre-Paid Leave Plan

The Hospital agrees to introduce a pre-paid leave program, funded solely by the employee subject to the following terms and conditions:

- (a) The plan is available to employees wishing to spread four **(4)** years' salary over a five (5) year period, in accordance with Part LXVIII of the Income Tax Regulations, Section 6801, to enable them to take a one (1) year leave of

absence following the four **(4)** years of salary deferral.
