- 42.1 When an employee is required by the Council to substantially perform the duties of a higher classification level in an acting capacity and performs those duties for at least four **(4)** consecutive working days, the employee shall be paid acting pay calculated from the date on which he or she commenced to act as if he or she had been appointed to that higher classification level for the period in which he or she acts.

ARTICLE 44 - PAY ADMINISTRATION

44.1 Except as provided in this article, and in Appendix "A", the terms and conditions governing the application of pay to employees are not affected by this Agreement.

44.2 Entitlement to Pay

44.2.1 Every employee is entitled to be paid for services rendered within the pay ranges specified in Appendix "A" for the classification level to which he/she has been appointed by the Council.

44.2.2 The rates of pay in Appendix "A" shall become effective on the dates specified therein.

44.3 Rates of Pay on Initial Appointment

44.3.1 An employee's rate of pay on initial appointment shall not be less than the minimum nor more than the maximum rate of the range of rates applicable to the classification level to which he/she is appointed by the Council.

44.3.2 An employee who was appointed above the minimum rate during a period where a pay increment becomes retroactive and who is notified in writing at the time of his/her letter of appointment that a negotiated retroactive pay increase would not apply to him/her shall, effective from the date of appointment, have his/her rate of pay on appointment altered to the rate in the new range of rates for his/her classification level which is nearest to but not less than the rate at which he/she was appointed. Changes in the employee's rate of pay which took place during the retroactive period will also be recalculated on the basis set forth in this paragraph.

44.4 Rate of Pay on Promotion

- 44.4.1 When an employee is appointed by the Council to a higher classification level, he/she shall be paid at the nearest rate in the new classification level which gives the employee a salary increase not less than the minimum increment of the higher classification level to which he/she is being appointed by the Council. If there is no such rate the employee shall be paid the maximum rate in his/her new scale.
- 44.4.2 Where an employee who is being paid Acting Pay is promoted to the position for which the employee is receiving Acting Pay, he/she shall be paid in that position at the rate at which the employee was being paid Acting Pay and his/her first pay increment in that position shall become due on the date on which it would have become due as if the employee had been promoted to that position on the date on which he/she was most recently authorized to receive Acting Pay in that position.

44.5 Coincidences of Effective Date

- 44.5.1 Where there is a coincidence of date of appointment by the Council to a higher level in the same group and either a pay increment date or a general salary revision date or both, the employee's rate shall be adjusted in the following sequence as applicable:

- 44.6.2 For the purpose of computing periods of service for pay increments a "month" is a calendar month in which an employee receives pay for at least ten (10) days. Periods of leave without pay in excess of one (1) month in the case of semi-annual increments, and in excess of two (2) months in the case of annual increments will defer an authorized increment by the number of months of leave without pay except as otherwise provided in this agreement. An increment shall not be authorized for any employee during a period of leave of absence without pay except where leave without pay for educational or military purposes or election to a full time municipal office has been authorized by the Council or provided for under this agreement.
- 44.6.3 Where an employee is appointed on promotion, demotion or from outside the Council to a position in the bargaining unit specified in Article 1, the pay increment date shall be the first day of the month which is nearest to the anniversary date of the employee's appointment to his/her classification level. However, for employees in the classification levels in which semi-annual increments may be provided as shown in the Schedule of Pay to this Agreement, the first increment authorized by the Council shall become effective six (6) months from the first day of the month which is nearest to the appointment date of the employee to his/her classification level and at six (6) month intervals thereafter.

- 44.6.4 The Council may deny a pay increment to an employee if it is satisfied the employee is not performing the duties of his/her position satisfactorily. Where the Council intends to deny a pay increment the Council shall give the employee notice in writing of this decision at least two (2) weeks and not more than six (6) weeks prior to the date the pay increment would otherwise have been effective had it been authorized.
- 44.6.5 When an employee appointed to one of the classification levels listed in Appendix A of this Agreement is not granted a pay increment on the anniversary date on which a pay increment could normally have been authorized for him/her, a pay increment may be deferred by the Council to the first day of any month following the month from which the pay increment was deferred, and for subsequent increments in his/her classification level the employee shall retain the increment date that was applicable to him/her immediately prior to the denial referred to in sub-clause 44.6.4.

44.7 Payment Following Death of Employee

- 44.7.1 The salary for the full calendar month in which the death of an employee occurs shall be paid to the employee's estate, provided that, the employee has been continuously employed in the Public Service for at least one year immediately prior to the date of his/her death.

ARTICLE 45 - TECHNOLOGICAL CHANGE AND CONTRACTING OUT

However, travelling time shall include time necessarily spent at each stop-over up to a maximum of three (3) hours at each such stop-over.
- 46.3 Clause 46.1 does not apply to an employee travelling by means of any type of transport in which the employee is required by the Council to perform work. In such circumstances, the employee shall receive the greater of:
