**39.24 Meal Allowance**

39.24.1 Except on days of rest and on designated holidays, an employee who works three (3) or more hours of overtime,

39.24.1.1 immediately before his/her scheduled hours of work and who has not been notified of the requirement prior to the end of his/her last scheduled work period,

provided that the period of time worked by the employee is not contiguous to his/her scheduled shift.

- 40.2 Call-back pay is not to be construed as different from or additional to overtime compensation or compensation for work on a designated holiday, but shall be construed so as to establish a minimum of overtime compensation to be paid.

- 42.1.1.2 when a supervisory employee is substituting for a supervisor, to whom the supervisory differential percentages apply, a differential of 4.0% will be added to his/her supervisory differential. (eg. supervisory differential 11% + 4% = 15%)
- 42.1.1.3 when a non-supervisory or supervisory employee is substituting for a Zone Supervisor the employee shall receive 95% of the Zone Supervisor rate of pay.
- 42.1.1.4 when a non-supervisory employee is substituting for a position to whom Schedule 9 of the non-supervisory pay schedules applies, the employee shall be paid at the minimum rate of pay in the Schedule 9 scale of rates, except that in any case an employee who is entitled under the provisions of this clause to receive acting pay shall receive acting pay at the rate not less than one increment of his/her normal grade higher than the rate of pay he/she was receiving immediately prior to the date he/she was required to perform the duties of the higher position. When a supervisory employee is substituting for a position to whom Schedule 9 of the non-supervisory pay schedules applies, the employee shall be paid at a rate in the Schedule 9 scale of rates which is nearest to but not less than the rate of pay he/she was receiving immediately prior to the date he/she was required to perform the duties of the higher position.

#### ARTICLE 43 - RESERVED

#### ARTICLE 44 - PAY ADMINISTRATION

##### 44.1 Entitlement to Pay

44.1.1 Every employee is entitled to be paid for services rendered at one of the rates of pay specified in Schedules 1 to 7 (Supervisory) and 1 to 9 (Non-supervisory) for the classification level to which he/she has been appointed by the Council;

44.1.2 the rates of pay in Schedules 1 to 7 (Supervisory) and 1 to 9 (Non-supervisory) shall be implemented as indicated therein.

**44.2 Rates of Pay on Initial Appointment**

44.2.1 An employee's rate of pay on initial appointment shall not be less than the minimum nor more than the maximum rate of the range of rates applicable to the classification level in the group to which he/she is appointed by the Council.

44.2.2 An employee who was appointed above the minimum rate during a period where a pay increase becomes retroactive and who is notified in writing at the time of his/her letter of appointment that a negotiated retroactive pay increase would not apply to him/her shall, effective from the date of his/her appointment, have his/her rate of pay on appointment altered to the rate in the new scale of rates for his/her classification level which is nearest to but not less than the rate at which he/she was appointed. Changes in the employee's rate of pay which took place during the retroactive period will also be recalculated on the basis set forth in this paragraph.

**44.3 Rate of Pay on Promotion**

44.3.1 Employees to whom schedule 1 (Supervisory) of the pay schedules apply shall, on promotion to a higher classification level in the sub-group, be paid at the rate of pay for the higher level.

44.3.2 This sub-clause does not apply to employees occupying Apprentice positions to whom schedule 1 of the Non-supervisory pay scales apply.

44.3.2.1 When an employee to whom Schedules 2 to 7 (Supervisory) and 1 to 9 (Non-supervisory) of the pay

schedules apply is appointed by the Council to a higher classification level in the same group, he/she shall be paid at the nearest rate in the new classification level which gives the employee a salary increase not less than the minimum increment of the higher classification level to which he/she is being appointed by the Council. If there is no such rate the employee shall be paid the maximum rate in the new scale.

- 44.3.3 Where an employee who is being paid Acting Pay is promoted to the position for which he/she is receiving Acting Pay, the employee shall be paid in that position at the rate at which the employee was being paid Acting Pay and the employee's first pay increment in that position shall become due on the date on which it would have become due as if the employee had been promoted to that position on the date on which he/she was most recently authorized to receive Acting Pay in that position.

#### **44.4 Coincidences of Effective Date**

- 44.4.1 Where there is a coincidence of date of appointment by the Council to a higher level in the same group and either a pay increment date or a general salary revision date or both, the employee's rate shall be adjusted in the following sequence as applicable:
  - 44.4.1.1 the employee shall receive his/her pay increment:
  - 44.4.1.2 the employee's rate of pay shall be revised in accordance with the general salary revision;

44.4.1.3 the employee's rate of pay on appointment shall be established in the new classification level in accordance with the provisions of sub-clauses 44.3.1 and 44.3.2.

#### **44.5 Pay Increments**

44.5.1 Except as provided in paragraphs 44.5.4 and 44.5.5 of this clause an employee holding an appointment at one of the classification levels listed in Schedules 2 to 7 (Supervisory) and 1 to 9 (Non-supervisory) of this Agreement shall be granted pay increments on completion of the applicable pay increment period until he/she reaches the maximum rate in the scale of rates for the classification level to which he/she is appointed.

44.5.2 For the purpose of computing periods of service for pay increments a "month" is a calendar month in which an employee receives pay for at least ten (10) days. Periods of leave without pay in excess of one (1) month in the case of semi-annual increments, and in excess of two (2) months in the case of annual increments will defer an authorized increment by the number of months of leave without pay except as otherwise provided in this agreement. An increment shall not be authorized for any employee during a period of leave of absence without pay except where leave without pay for educational or military purposes or election to a full time municipal office has been authorized by the Council.

44.5.3 The pay increment date for an employee appointed to a position in the bargaining unit on promotion, demotion or from outside the Council after the date of signing of this Agreement, shall be the first day of the month which is nearest to the anniversary date of the employee's

appointment to his/her classification level except that **for** employees in the classification levels in which semi-annual increments may be provided as shown in the Schedule of Pay to this Agreement, the first increment authorized by the Council shall become effective six (6) months from the first day of the month which is nearest to the appointment date of the employee to his/her classification level and at six (6) month intervals thereafter.

44.5.4 The Council may deny a pay increment to an employee if it is satisfied the employee is not performing the duties of his/her position satisfactorily. Where the Council intends to deny a pay increment the Council shall give the employee notice in writing of this decision at least two (2) weeks and not more than six (6) weeks prior to the date the pay increment would otherwise have been effective had it been authorized.

44.5.5 When an employee appointed to one of the classification levels listed in Schedules 2 to 7 (Supervisory) and 1 to 9 (Non-supervisory) of this Agreement is not granted a pay increment on the anniversary date on which a pay increment could normally have been authorized for him/her, a pay increment may be deferred by the Council to the first day of any month following the month from which the pay increment was deferred, and for subsequent increments in his/her classification level the employee shall retain the increment date that was applicable to him/her immediately prior to the denial referred to in sub-clause 44.5.4.

**44.6 Payment Following Death of Employee**

44.6.1 When an employee dies the Council shall pay to the estate of that employee the amount of pay he/she would have received but for his/her death for the period from the date of his/her death to the end of the month in which his/her death occurred,

provided that the employee has been continuously employed in the Public Service for one year.

44.6.2 Any previous overpayment of salary to the deceased employee or any debt owing by him/her to the Council may be recovered from this payment.

44.7 A new employee shall be issued his/her first pay through direct deposit as soon as practical.

44.8 If an employee signs and submits to the Council an affidavit stating that he/she has lost or inadvertently mutilated his/her pay cheque, the Council shall make arrangements with the Department of Public Works and Government Services, to issue a duplicate cheque as soon as possible.

44.9 An employee shall receive cheques or cash for pay supplements such as call-back pay, designated holiday pay, and overtime pay, where practicable in the pay period following that in which the pay supplements are earned.

44.10 Overtime pay which has been paid to an employee during the period covered by the retroactive general salary revisions (All schedules in this Agreement), and will be recomputed and the difference between the amount paid on the old salary scales and the amount payable on the new salary scales will be paid to the employee.

44.11 If during the life of this Agreement the Council should establish and implement a new classification standard applicable to employees covered by this Agreement, the Council and the Association shall, before rates of pay are applied to new classification levels resulting from the application of the standard, negotiate new rates of pay if applicable and shall also negotiate rules affecting the pay of employees on their movement to the new classification levels.

**ARTICLE 45 - TECHNOLOGICAL CHANGE AND CONTRACTING OUT**

- 45.1 The Council will continue past practice in giving all reasonable consideration to continued service in the Council to employees whose services to the Council would otherwise become redundant because of technological change, or because work is contracted out or because of lack of work or a discontinuance of a function by the Council, in whole or in part.
- 45.2 The need for retraining caused by technological change shall be a topic of joint consultation between the Association and the Council.

**ARTICLE 46 - TRAVELLING**

- 46.1 Where an employee is required by the Council to travel on Council business to or from his/her headquarters area as normally defined by the Council, the method of travel shall be determined by the Council and the employee shall be compensated in the following manner:
- 46.1.1 On a normal working day on which the employee travels but does not work, the employee shall receive his/her regular pay for the day.
- 46.1.2 On a normal working day on which the employee travels and works, the employee shall be paid:
- 46.1.2.1 his/her regular pay for the day for a combined period of travel and work not exceeding the employee's normal hours of work (eight (8) or seven and one-half (7 1/2) hours as the case may be), and

- 46.1.2.2 at the applicable overtime rate for additional travel time in excess of an eight (8) or a seven and one-half (7 1/2) hour period of work, as the case may be, and travel, with a maximum payment for such additional travel time not to exceed twelve (12) hours' pay at the straight-time rate in any day.
- 46.1.3 On his/her day of rest or on a designated paid holiday on which the employee travels, the employee shall be paid at the applicable premium rate for hours travelled to a maximum of twelve (12) hours' pay, at the straight-time rate.
- 46.2 Clause 46.1 does not apply to an employee travelling by means of any type of transport in which the employee is required by the Council to perform work. In such circumstances, the employee shall receive the greater of:
  - 46.2.1 on his/her normal working day, his/her regular pay for the day, or
  - 46.2.2 pay for actual hours worked in accordance with the Designated Holidays, Hours of Work and Overtime articles of this Agreement.
- 46.3 Where an employee is required by an authorized officer of the Council to travel on his/her days of rest or on a designated holiday to attend a course, conference or seminar, the provisions of clause 46.1 shall apply.
- 46.4 Where an employee is permitted, but not required, by an authorized officer of the Council to attend a course, conference or seminar, the provisions of sub-clause 46.1 shall not apply, and no compensation shall be payable to the employee for time the employee travels outside his/her normal hours of work.

**ARTICLE 47 - CLEAN-UP TIME**

47.1 An employee, whose regular duties are such that in the Council's opinion there is a clear-cut need for him/her to wash-up before the end of his/her regular work period, shall be allowed wash-up time totalling in all not less than ten (10) and not more than twenty (20) minutes each day.

**ARTICLE 48 - POWER TOOLS**
