### 44.1 Entitlement to **Pay**

- 44.1.1 Every employee is entitled to be paid for services rendered at one of the rates of pay specified in Schedule 1 for the classification level to which he/she has been appointed by the Council;

- 44.1.2 the rates of pay in Schedule 1 shall be implemented as indicated therein.

### 44.2 Rate of **Pay** on Initial Appointment

- 44.2.1 An employee's rate of pay on initial appointment shall not be less than the minimum nor more than the maximum rate of the range of rates applicable to the classification level in the group to which he/she is appointed by the Council.

- 44.2.2 An employee who was appointed above the minimum rate during a period where a pay increase becomes retroactive and who is notified in writing at the time of his/her letter of appointment that a negotiated retroactive pay increase would not apply to him/her shall, effective from the date of his/her appointment, have his/her rate of pay on appointment altered to the rate in the new scale of rates for his/her classification level which is nearest to but not less than the rate at which he/she was appointed. Changes in the employee's rate of pay which took place during the

retroactive period will also be recalculated on the basis set forth in this paragraph.

#### **44.3 Rate of Pay on Promotion**

**44.3.1** When an employee is appointed by the Council to a higher classification level in the same group, he/she shall be paid at the nearest rate in the new classification level which gives the employee a salary increase not less than the minimum increment of the higher classification level to which he/she is being appointed by the Council. If there is no such rate the employee shall be paid the maximum rate in his/her new scale.

**44.3.2** Where an employee who is being paid Acting Pay is promoted to the position for which the employee is receiving Acting Pay, he/she shall be paid in that position at the rate at which the employee was being paid Acting Pay and the employee's first pay increment in that position shall become due on the date on which it would have become due as if the employee had been promoted to that position on the date on which he/she was most recently authorized to receive Acting Pay in that position.

#### **44.4 Coincidences of Effective Date**

**44.4.1** Where there is a coincidence of date of appointment by the Council to a higher level in the same group and either a pay increment date or a general salary revision date or both, the employee's rate shall be adjusted in the following sequence as applicable:

**44.4.1.2** his/her rate of pay shall be revised in accordance with the general salary revision;

- 44.5.1 Except as provided in sub-clauses 44.5.4 and 44.5.5 of clause 44.5 an employee holding an appointment at one of the classification levels listed in Schedule 1 of this Agreement shall be granted pay increments on completion of the applicable pay increment period until he/she reaches the maximum rate in the scale of rates for the classification level to which he/she is appointed.
- 44.5.2 For the purpose of computing periods of service for pay increments a "month" is a calendar month in which an employee receives pay for at least ten (10) days. Periods of leave without pay in excess of one (1) month in the case of semi-annual increments, and in excess of two (2) months in the case of annual increments will defer an authorized increment by the number of months of leave without pay except as otherwise provided in this agreement. An increment shall not be authorized for any employee during a period of leave of absence without pay except where leave without pay for educational or military purposes or election to a full time municipal office has been authorized by the Council or provided for under this agreement.
- 44.5.3 The pay increment date for an employee appointed to a position in the bargaining unit on promotion, demotion or from outside the Council after the date of signing of this Agreement, shall be the first day of the month which is nearest to the anniversary date of the employee's

appointment to his/her classification level except that for employees in the classification levels in which semi-annual increments may be provided as shown in the Schedule of Pay to this Agreement, the first increment authorized by the Council shall become effective six (6) months from the first day of the month which is nearest to the appointment date of the employee to his/her classification level and at six (6) month intervals thereafter.

**44.5.4** The Council may deny a pay increment to an employee if it is satisfied the employee is not performing the duties of his/her position satisfactorily. Where the Council intends to deny a pay increment the Council shall give the employee notice in writing of this decision at least two (2) weeks and not more than six (6) weeks prior to the date the pay increment would otherwise have been effective had it been authorized.

**44.5.5** When an employee appointed to one of the classification levels listed in Schedule 1 of this Agreement is not granted a pay increment on the anniversary date on which a pay increment could normally have been authorized for him/her, a pay increment may be deferred by the Council to the first day of any month following the month from which the pay increment was deferred, and for subsequent increments in his/her classification level the employee shall retain the increment date that was applicable to him/her immediately prior to the denial referred to in sub-clause **44.5.4**.

#### **44.6 Payment Following Death of Employee**

**44.6.1** When an employee dies the Council shall pay to the estate of that employee the amount of pay he/she would have received but for his/her death for the period from the date of his/her death to the end of the month in which his/her death occurred,

provided that the employee has been continuously employed in the Public Service for one year.

- 44.6.2 Any previous overpayment of salary to the deceased employee or any debt owing by him/her to the Council may be recovered from this payment.
- 44.7 A new employee shall be issued his/her first pay through direct deposit as soon as practical.
- 44.8 If an employee signs and submits to the Council an affidavit stating that he/she has lost or inadvertently mutilated his/her pay cheque, the Council shall make arrangements with the Department of Public Works and Government Services, to issue a duplicate cheque as soon as possible.
- 44.9 An employee shall receive cheques or cash for pay supplements such as call-back pay, designated holiday pay, and overtime pay, where practicable in the pay period following that in which the pay supplements are earned.
- 44.10 Overtime pay which has been paid to an employee during the period covered by the retroactive general salary revisions (Schedule 1 of this Agreement), will be recomputed and the difference between the amount paid on the old salary scales and the amount payable on the new salary scales (1 May 1999) will be paid to the employee.
- 44.11 If during the life of this Agreement the Council should establish and implement a new classification standard applicable to employees covered by this Agreement, the Council and the Association shall, before rates of pay are applied to new classification levels resulting from the application of the standard, negotiate new rates of pay if applicable and shall also negotiate rules affecting the pay of employees on their movement to the new classification levels. •

## **ARTICLE 45 - TECHNOLOGICAL CHANGE AND CONTRACTING OUT**

- 45.1 The Council will continue past practice in giving all reasonable consideration to continued service in the Council to employees whose services to the Council would otherwise become redundant because of technological change, or because work is contracted out or because of lack of work or a discontinuance of a function by the Council, in whole or in part.
- 45.2 The need for retraining caused by technological change shall be a topic of joint consultation between the Association and the Council.

## **ARTICLE 46 - TRAVELLING**

- 46.1 Where an employee is required by the Council to travel on Council business to or from his/her headquarters area as normally defined by the Council, the method of travel shall be determined by the Council and the employee shall be compensated in the following manner:
- 46.1.1 On a normal working day on which the employee travels but does not work, the employee shall receive his/her regular pay for the day.
- 46.1.2 On a normal working day on which the employee travels and works, the employee shall be paid:
- 46.1.2.1 his/her regular pay for the day for a combined period of travel and work not exceeding eight (8) hours, and
- 46.1.2.2 at the applicable overtime rate for additional travel time in excess of an eight (8) hour period of work and travel, with a maximum payment for such additional travel time not to exceed twelve (12) hours' pay at the straight-time rate in any day.

- 46.1.3 On his/her day of rest or on a designated paid holiday on which the employee travels, the employee shall be paid at the applicable premium rate for hours travelled to a maximum of twelve (12) hours' pay at the straight-time rate.
- 46.2 Clause 46.1 shall not apply to any period in excess of the normal work day during which the employee is resident in any accommodation for which the Council or its agent absorbs the cost. However, travelling time shall include time necessarily spent at each stopover **up** to a maximum of three (3) hours at each such stopover.
- 46.2.1 An employee may, subject to the approval of the Council, make an irrevocable election to receive leave with pay in lieu of the compensation provided under sub-clauses 46.1.2.2 and 46.1.3.
- 46.2.2 Consistent with operational requirements and subject to adequate advance notice by the employee, the Council shall grant compensatory leave at times which are mutually acceptable to the employee and the Council.
- 46.2.3 Compensatory leave credits earned but not granted by the last day of each fiscal year will be liquidated by means of compensation by cheque to the employee on the basis of one (1) hour's pay at the straight-time rate for each hour of compensatory leave so liquidated.
- 46.3 Clause 46.1 does not apply to an employee travelling by means of any type of transport in which the employee is required by the Council to perform work. In such circumstances, the employee shall receive the greater of:
- 46.3.1 on a normal working day, his regular pay for the day, or

46.3.2 pay for actual hours worked in accordance with the Designated Holidays, Hours of Work and Overtime articles of this Agreement.

46.4 Where an employee is required by an authorized officer of the Council to travel on his/her days of rest or on a designated holiday to attend a course, conference or seminar, the provisions of clause 46.1 shall apply.

46.5 Where an employee is permitted, but not required, by an authorized officer of the Council to attend a course, conference or seminar, the provisions of clause 46.1 shall not apply, and no compensation shall be payable to the employee for time he/she travels outside his/her normal hours of work.

50.3 Notwithstanding clause 50.2, at the request of the employee and at the discretion of the Council, time off with pay may be granted to the employee in order to fulfill his or her religious obligations. The number of hours with pay so granted must be made up hour for hour within a period of six (6) months, at times agreed to by the Council. Hours worked as a result of time off granted under this clause shall not be compensated nor should they result in any additional payments by the Council.

50.4 An employee who intends to request leave or time off under this Article must give notice to the Council as far in advance as possible but not later than four **(4)** weeks before the requested period of absence.

#### ARTICLE 51 - NO DISCRIMINATION

***Memorandum of Agreement  
Between the  
National Research Council  
and the  
Research Council Employees' Association  
With Respect to  
Hours of Work  
for the  
Computer Systems Administration Group***

This will confirm the understanding reached by the parties with respect to Hours of Work for certain employees.

The parties to this agreement recognize that in order to provide efficient service to its clients, certain NRC Branches and Institutes require flexibility in scheduling hours of work.

Consequently, the parties agree that notwithstanding the Hours of Work article of this agreement, the scheduled work week for employees employed by the Canada Institute for Scientific and Technical Information (CISTI) and the Information Management Services Branch (IMSB), shall be thirty-seven and one-half (37½) hours from Monday to Friday inclusive, and the scheduled work day shall be seven and one-half (7½) consecutive hours, exclusive of a lunch period, between 06:00 hours and 22:00 hours daily with Saturdays and Sundays as days of rest.

The Council agrees to consult in advance with the Association on such hours of work. Consultation will address, but not be limited to, the reasons for the requirement to alter the hours of work, the specific sections and employees to be affected, the selection and scheduling of employees to work the altered hours, and the distribution of altered hours.

An employee whose hours of work are changed in accordance with this Appendix and who has not received at least seven (7) days' notice in advance of the starting time of such change, shall be paid for the first day worked subsequent to such change at the rate of time and one-half (1 1/2) for the first seven and one-half (7 1/2) hours and double time thereafter. Subsequent days worked on the revised hours shall be paid for at straight time, subject to Article 39, Overtime.

The parties agree that the issue of compensation for amended hours will be addressed during the next round of collective bargaining.

Signed at Ottawa on this 17<sup>th</sup> day of the month of December 1999.

With Respect to  
Carry-Over of Vacation Leave Credits  
for the  
Computer Systems Administration Group**

This will confirm the understanding reached by the parties with respect to the grandfathering of vacation leave credits for certain employees.

Specifically, employees who on March 31, 1998 have in excess of 30 days of unused vacation leave credits, shall, for purposes of carrying-over vacation leave credits, be grandfathered at the number of days credits in their bank at that time. Should this level decrease at any time, the new lower number of vacation leave credits will replace the number established on 31 March, 1998 until such time as the employee is within the 30 day maximum referred to in the Carry-Over provision of this agreement.

*Memorandum of Agreement  
Between  
The National Research Council Of Canada  
and the  
Research Council Employees' Association  
Concerning  
Compressed Work Week  
Schedule for the  
Computer Systems Administration Group*

**INTRODUCTION**

- (1) The National Research Council of Canada and the Research Council Employees' Association hereby agree that employees may work on a compressed work week schedule subject to the provisions of this Memorandum of Agreement.

**PRINCIPLES**

- (2) The implementation of compressed work week schedule will require the mutual agreement of the Council and the employee(s) in the workplace affected.
- (3) Where there is no mutual agreement to implement a compressed work week schedule, hours of work will be scheduled in accordance with the collective agreement.
- (4) The implementation of a compressed work week schedule shall not result in any additional overtime work or additional payment by reason only of such variation in hours.
- (5) All operational requirements identified by management will be met.

- (6) The implementation of a compressed work week shall not be deemed to prohibit the right of the Council to schedule any hours of work permitted by the terms of the collective agreement.
- (7) Compensation for overtime and travelling time shall only be applicable on a normal work day for hours in excess of the employee's scheduled daily hours of work. On a normal working day, double (2) time compensation will only apply where an employee has worked the same number of hours at time and one-half (1 1/2) that the employee would have worked had he/she not been on a compressed work week. Double (2) time compensation for work on a second day of rest will only apply on days that would be second days of rest if the employee were not on a compressed work week.
- (8) Where a period of vacation, sick, special (except Bereavement Leave) or other leave is granted, it will be granted on an hourly basis with the hours debited for each day of leave being the same as the hours the employee would normally have been scheduled to work on that day. For the purpose of Bereavement Leave With Pay, a "day" will be a twenty-four (24) hour period.
- (9) This Memorandum of Agreement may be terminated on one month's notice by either party.
