Granting: of Vacation Leave

11.03 Both parties agree that although vacation leave credits are earned as a matter of right, the scheduling and granting of such leave must be **authorized** in advance before such leave is taken. - (a) during the first six (6) calendar months of employment only be granted vacation leave up to the amount of earned credits;

HOURS OF WORK

General

16.01 For the purpose of this Article, a week shall consist of seven (7) consecutive days beginning at 00:00 hours Monday morning and ending at 24:00 hours Sunday.

16.02 Nothing in this Agreement shall be construed as guaranteeing minimum or maximum hours of work.

Day Work

16.03 The scheduled work week shall be thirty-seven and one-half (37 ½) hours from Monday to Friday inclusive, and the scheduled work day shall be seven and one half (7 ½) consecutive hours, exclusive of a meal break of not less than thirty (30) minutes.

16.04 Where scheduled hours are to be changed so that they are different from those specified in clause 16.03, the Employer in advance, except in cases of emergency, will consult with the local representative of the Bargaining Agent on such hours of work and in such consultation will establish that such hours are required for an efficient operation.

16.05 An employee whose hours of work are scheduled in accordance with clause 16.03 and whose hours of work are changed to extend before or beyond the hours of 6 a.m. and 6 p.m., and who has not received at least five (5) days' notice in advance of the starting time of such change, shall be paid the first day or shift worked subsequent to such change at the rate of time and one-half (1 ½). Subsequent days or shifts worked on the revised schedule shall be paid at the straight-time rate, subject to the overtime provisions of this agreement.

Variable Hours

- 16.06 (a) Notwithstanding the provisions of clause 16.03, upon request of an employee and the concurrence of the Employer, an employee may complete his weekly hours of employment in a period of other than five (5) full working days provided that over a period of twenty-eight (28) calendar days the employee works an average of thirty-seven and one-half (37 ½) hours per week. As part of the provisions of this clause, attendance reporting shall be mutually agreed between the employee and the Employer. In every twenty-eight (28) day period such an employee shall be granted days of rest on such days as are not scheduled as a normal work day for him.
- (b) Notwithstanding anything to the contrary contained in this Agreement, the implementation of any variation in hours shall not result in any additional overtime work or additional payment by reason only of such variation nor shall it be deemed to prohibit the right of the Employer to schedule any hours of work permitted by the terms of this Agreement.
- (c) Employees covered by this clause shall be subject to the administrative provisions in Article 17.

Shift Work

16.07 When because of operational requirements of the service, hours of work are scheduled for an employee on a rotating or irregular basis, they shall be scheduled so that employees:

16.08 Where an employee's scheduled shift does not commence and end on the same day, such shift shall be considered for all purposes to have been entirely worked:

(a) on the day it commenced where half or more of the hours worked fall on that day,

or

(b) on the day it terminated where more than half of the hours worked fall on that day.

Accordingly, the first day of rest will be considered to start immediately after midnight of the calendar day on which the employee worked or is considered to have worked his last scheduled shift; and the second day of rest will start immediately after midnight of the employee's first day of rest.

16.09 Provided that sufficient advance notice is given and with the approval of the Employer, employees may exchange shifts if ~~there~~ is no increase in cost to the Employer.

16.10 (a) An employee who is required to change his scheduled shift without receiving at least five (5) days notice in advance of the starting time of such change in his scheduled shift, shall be paid for the first shift worked on the revised schedule at the rate of time and one-half (1½). Subsequent shifts worked on the revised schedule shall be paid of the straight time rate, subject to the overtime provisions of this Agreement.

(b) When an employee's shifts are scheduled so that the starting times are less than twenty-four (24) hours apart, the employee shall be paid at the rate of time and one-half (1½) for the shift worked that commences less than twenty-four (24) hours after the scheduled starting time of the previous shift.

16.11 Notwithstanding the provisions of clause 16.07, consultation may be held at the local level with a view to establishing shifts that are in excess of seven and one-half (7½) hours of work. Such consultation will include all aspects of arrangements of the shift schedules. Application of this clause shall provide that the employees work an average of thirty-seven and one-half (37½) hours a week over the life of the schedule, and must meet the operational requirements as determined by the Employer. The maximum life of the schedule shall be six (6) months. Once a mutually acceptable agreement is reached at the local level, the proposed shift schedule will be submitted to the appropriate Component and Employer levels for information purposes only before implementation.

Notwithstanding anything to the contrary contained in this agreement, the implementation of any variation in hours shall not result in any additional overtime work or additional payment by reason only of such variation, nor shall it be deemed to prohibit the right of the Employer to schedule any hours of work permitted by the terms of this Agreement.

Employees covered by this clause shall be subject to the administrative provisions of Article 17.
