**SCHEDULE C**  
**EDUCATIONAL LEAVE PROVISIONS**

- .01 An employee must have completed the probationary period before being considered for educational leave.

## POINTS GUIDE

The following table is intended for use as a guideline in determining the amount of financial assistance received by the employee. The application may be awarded 1, 2 or 3 points under each of the three columns. The points awarded under each column are added to the total number of points for the application. The maximum financial assistance received by the employee is determined by applying the appropriate percentage for the table to the total cost of the proposed training. For example if an application was awarded 2 under each of columns 1, 2 and 3 respectively, this would be a total of 6 points. Applying the percentage guide the employee would be eligible to receive a maximum of 60% of salary and all other expenses to which the department and/or Board of Management may wish to apply the formula. A copy of the completed points guide must be attached to each application for Educational Leave.

Where the application under consideration is for developmental purposes as a result of a career plan for the employee, the criteria in the Points Guide may be interpreted to refer to the proposed job or duties rather than the employee's present job.
