ARTICLE 1 – RECOGNITION

(FXT, SE, ST, FPT, RPT, GO)

- 1.1 The Ontario Public Service Employees Union (OPSEU) is recognized as the exclusive bargaining agent for a bargaining unit consisting of all employees employed within the two bargaining units (Unified and Correctional) which are the successor units to the six bargaining units as described by the Lieutenant Governor in Council in OIC 243/94 dated February 3, 1994, in the Tripartite Agreement between the Crown, OPSEU and AMAPCEO dated April 21, 1995, plus those employees included in the six bargaining units by the agreement of the Crown and OPSEU from February 3, 1994 to December 31, 2008.
- 1.2 For greater certainty, such employees include regular, fixed-term employees, students, GO Temps and such other employees as may be mutually agreed.
- 1.3 For greater certainty, the Central Collective agreement shall apply to the employees employed in positions in the Bargaining Unit described in Article 1.1 and the Bargaining Unit shall be deemed to be amended in accordance with any agreement of the parties to amend any of the bargaining units listed therein.
- 1.4 Where the Employer establishes a new classification or creates a new position, within an existing class, the Employer shall provide the Union with a copy of the class standard and/or position description, including bargaining unit status (if applicable), at the relevant MERC.

This information shall be provided within 20 working days of the request.
- 1.6 No position or person in the bargaining unit will be reclassified, nor will any other action be taken with respect to such position or person that is tantamount to reclassification, which reclassification or action

tantamount to reclassification would have the effect of moving the position or the person from the OPSEU bargaining unit to another bargaining unit.

- 1.7 Upon written request to the Employer, the Union shall be provided with a copy of any position description (whether inside or outside of the bargaining unit). This information shall be provided within 20 (twenty) working days of the request.
- 1.8 For clarity, the Employer agrees that any new positions or any new classifications of employees not excluded pursuant to Article 1.1, Article UN 1.1 and Article COR 1.1 will be placed in a bargaining unit represented by OPSEU.

ARTICLE 2 – MANAGEMENT RIGHTS

(FXT, SE, ST, FPT, RPT, GO)

- 2.1 For the purpose of this Central Collective Agreement and any other Collective Agreement to which the parties are subject, the right and authority to manage the business and direct the workforce, including the right to hire and lay-off, appoint, assign and direct employees; evaluate and classify positions; discipline, dismiss or suspend employees for just cause; determine organization, staffing levels, work methods, the location of the workplace, the kinds and locations of equipment, the merit system, training and development and appraisal; and make reasonable rules and regulations; shall be vested exclusively in the Employer. It is agreed that these rights are subject only to the provisions of this Central Collective Agreement and any other Collective Agreement to which the parties are subject.

ARTICLE 3 – NO DISCRIMINATION / EMPLOYMENT EQUITY

(FXT, SE, ST, FPT, RPT, GO)

- 3.1 There shall be no discrimination practised by reason of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, age, marital status, family status, or disability, as defined in section 10(1) of the *Ontario Human Rights Code (OHRC)*.
- 3.2 There shall be no discrimination or harassment practised by reason of an employee's membership or activity in the Union.
- 3.3 The Parties are committed to a workplace free from workplace harassment, including bullying, by other employees, supervisors, managers, any other

person working or providing services to the Employer in the workplace, clients or the public, in accordance with the law. Workplace harassment is engaging in a course of vexatious comment or conduct against an employee in the workplace that is known or ought reasonably to be known to be unwelcome.

- 3.4 It is recognized that in accordance with section 14 of the *Ontario Human Rights Code*, the Employer's employment equity program shall not be considered a contravention of this article.

ARTICLE 4 – CHECK-OFF OF UNION DUES

(FXT, SE, ST, FPT, RPT, GO)

- 4.2 The deductions referred to herein shall be remitted to the Ontario Public Service Employees Union.
- 4.3 The Union must advise the Employer in writing of the amount of its regular dues. The amount so advised shall continue to be deducted until changed by a further written notice to the Employer signed by authorized officials of the Union.

- 5.2 The Employer shall make sufficient copies of the Collective Agreements available within the ministries to ensure that all employees have access to the Collective Agreements.

- 5.3 A newly hired fixed-term or seasonal employee shall be informed in writing of the option to join the OPSEU Pension Trust.

ARTICLE 6 – POSTING AND FILLING OF VACANCIES OR NEW POSITIONS

(RPT, FPT)

- 6.1.1 When a vacancy occurs in the Regular Service for a bargaining unit position or a new regular position is created in the bargaining unit, it shall be advertised for at least ten (10) working days prior to the established closing date. Notices of vacancies shall be posted either electronically or on bulletin boards and, upon request, shall be provided in large-sized print or braille where the posting location has the capacity to do so. (FXT, SE)
- 6.1.2 Notwithstanding Article 6.1.1 above, the Employer may hire qualified candidates who previously applied for the same vacancy or new position provided that a competition was held during the previous fourteen (14) months following the closing date of the posting and was within 125 kilometres of the work location of the previously posted position, and provided that the position has cleared surplus. The Employer in these circumstances is not required to post or advertise the vacancy or new position. Where the Employer uses this provision, it shall notify the Local Union President where the vacancy or new position exists, ten (10) working days prior to filling the vacancy or new position. (FXT, SE)
- 6.2 The notice of vacancy shall state, where applicable, the nature and title of position, salary, qualifications required, and the hours of work schedule as set out in Articles UN2 and COR2, (Hours of Work). Where a position is posted within the Ontario Public Service, the internal notice of vacancy shall also state the work location where the position currently exists, that the position is represented by the Union and the particular bargaining unit which contains the position. (FXT)
- 6.3 In filling a vacancy, the Employer shall give primary consideration to qualifications and ability to perform the required duties. Where qualifications and ability are relatively equal, seniority shall be the deciding factor. (FXT, SE)
- 6.4 An applicant who is invited to attend an interview within the Regular service shall be granted time off with no loss of pay and with no loss of credits to attend the interview, provided that the time off does not unduly interfere with operating requirements. (FXT, SE)

- 6.5 Relocation expenses shall be paid in accordance with the provisions of the Employer's policy.
- 6.6.1 With the agreement of the Union, the employee and the Employer, an employee shall be assigned to a vacancy where:
- (a) the vacant position is identical to the position occupied by the employee, and
 - (b) the vacant position is in the same ministry as the position occupied by the employee, and the provisions of Articles 6.1.1, 6.2, 6.3, 6.4 and 6.5 shall not apply.
- 6.6.2 The assignment of an employee to a vacancy in accordance with Articles 7 (Pay Administration), 20 (Employment Stability), 25 (Leave – Special), 42 (Long Term Income Protection) , 50 (Pregnancy Leave) and 51 (Parental Leave) shall have priority over an assignment under Article 6.6.1.
- 6.7 Where the duties of a position are modified to accommodate an employee with a disability, the position shall not be considered a vacancy for the purposes of this article.

ARTICLE 7 – PAY ADMINISTRATION

- 7.1.1 Promotion occurs when the incumbent of a regular position is assigned to another position in a class with a higher maximum salary than the class of his or her former position.
- 7.1.2 An employee who is promoted shall receive that rate of pay in the salary range of the new classification which is the next higher to his or her present rate of pay, except that:
- (a) where such a change results in an increase of less than three percent (3%), he or she shall receive the next higher salary rate again, which amount will be considered as a one-step increase;
 - (b) a promotional increase shall not result in the employee's new salary rate exceeding the maximum of the new salary range except where permitted by salary note.
- 7.1.3 Where an employee:
- (a) at the maximum rate of a salary range is promoted, a new anniversary date is established based upon the date of promotion;

(b) at a rate less than the maximum in the salary range is promoted and receives a promotional increase:

(1) greater than a one-step increase, a new anniversary date based on the date of promotion is established;

(2) of one step or less, the existing anniversary date is retained.

7.2.1 Where the duties of an employee are changed as a result of reorganization or reassignment of duties and the position is reclassified to a class with a lower maximum salary, an employee who occupies the position when the reclassification is made is entitled to salary progression based on merit to the maximum salary of the higher classification including any revision of the maximum salary of the higher classification that takes effect during the salary cycle in which the reclassification takes place.

7.2.2 An employee to whom Article 7.2.1 applies is entitled to be appointed to the first vacant position in his or her former class that occurs in the same administrative district or unit, institution or other work area in the same ministry in which he or she was employed at the time the reclassification was made.

7.3 Where a position is reassessed and is reclassified to a class with a lower maximum salary, any employee who occupies the position at the time of the reclassification shall continue to be entitled to salary progression based on merit to the maximum salary of the higher classification, including any revision of the maximum salary of the higher classification that takes effect during the salary cycle in which the reclassification takes place.

7.4.1 Where, because of the abolition of a position, an employee is assigned:

(a) from one position in a ministry to another position in the same ministry, or

(b) from a position in one ministry to a position in another ministry,

and the position to which he or she is assigned is in a class with a lower maximum salary than the maximum salary for the class of the position from which he or she was assigned, he or she shall continue to be entitled to salary progression based on merit to the maximum salary of the higher classification including any revision of the maximum salary of the higher classification that takes effect during the salary cycle in which the employee starts the new assignment.

- 7.4.2 Article 7.4.1 applies only where there is no position the employee is qualified for, and that he or she may be assigned to, and that is:
- (a) in the same classification that applied to the employee's position before the position was abolished, or
 - (b) in a classification having the same maximum salary rate as the maximum salary rate of the classification that applied to the employee's position before the position was abolished.
- 7.5 Where, for reasons of health, an employee is assigned to a position in a classification having a lower maximum salary, he or she shall not receive any salary progression or salary decrease for a period of six (6) months after his or her assignment, and if at the end of that period, he or she is unable to accept employment in his or her former classification, he or she shall be assigned to a classification consistent with his or her condition.
- 7.6 Except as provided above, an employee who is demoted shall be paid at the rate closest to but less than the rate he or she was receiving at the time of demotion, effective from the date of his or her demotion.
- 7.7 It is understood that where an employee is assigned to a position pursuant to Articles 7.4.1, 7.4.2, 7.5 or 7.6, the provisions of Article 6 (Posting and Filling of Vacancies or New Positions) shall not apply.

CUSTODIAL RESPONSIBILITY ALLOWANCE

- 7.8 See Appendices UN2 or COR2 (Custodial Responsibility Allowance) attached to Bargaining Unit Collective Agreements. This Allowance is also designated as K1 in the General Notes and Allowances of the Bargaining Unit Collective Agreements.

ARTICLE 8 – TEMPORARY ASSIGNMENTS

(FXT, SE, FPT, RPT)

- 8.1.1 Where an employee is assigned temporarily to perform the duties of a position in a classification with a higher salary maximum for a period in excess of five (5) consecutive working days, he or she shall be paid acting pay from the day he or she commenced to perform the duties of the higher classification in accordance with the next higher rate in the higher classification, provided that where such a change results in an increase of less than three percent (3%), he or she shall receive the next higher salary rate again.

- 8.1.2 Notwithstanding Article 8.1.1, acting pay shall not exceed the maximum of the salary range of the higher classification except where permitted by salary note.
- 8.2 When an employee is temporarily assigned to the duties and responsibilities of a position in a classification with a lower salary maximum where there is not work reasonably available for him or her in the position from which he or she was assigned, he or she shall be paid the lower applicable classification rate to which he or she was assigned, after the expiration of ten (10) consecutive working days in such lower classification.
- 8.3 When an employee is temporarily assigned to the duties and responsibilities of a position in a classification with a lower maximum salary where there is work reasonably available for him or her in the position from which he or she was assigned, he or she shall continue to be paid at the rate applicable to the classification from which he or she was assigned.
- 8.4 This article shall not apply to temporary assignments where an employee is temporarily assigned to perform the duties and responsibilities of another employee who is on vacation.
- 8.5.1 Where an employee is temporarily assigned to a position in another bargaining unit for a period of more than thirty (30) days, he or she will on the thirty-first (31st) day commence paying dues and be governed by the terms of the Collective Agreement of the position to which he or she has been assigned except that pensions, insured benefits entitlements, and entitlements under Article 20 (Employment Stability) will continue to be governed by the rules applicable to the employee's position in the OPSEU bargaining unit.
- 8.5.2 When an employee is temporarily assigned to a non-bargaining unit position, he or she shall continue to pay dues to OPSEU and continue to be covered by the Collective Agreements for the entire term of the temporary assignment.
- 8.6.1 Where an employee is assigned temporarily to a position, Article 6 (Posting and Filling of Vacancies or New Positions) shall not apply except where:
- (a) the term of a temporary assignment is greater than six (6) months' duration, and
 - (b) the specific dates of the term are established at least two (2) months in advance of the commencement of the temporary assignment.

- 8.6.2 In no case shall any provision of this Central Collective Agreement with respect to the filling of, assignment or appointment to a vacancy apply to temporary assignments, except as provided in Article 8.6.1.

10.2 **JOB SHARING**

10.2.1 Job sharing can occur where there is agreement between the employees who wish to job share, the Union, and the Employer.

- 10.2.2 It is agreed that job sharing results from two employees sharing a full-time regular position and as such the position shall continue to be identified as a full-time regular position.
- 10.2.3 Employees in a job sharing arrangement must share the same classification and level.
- 10.2.4 The sharing of the hours of work shall be determined by the parties to the sharing agreement but in no case shall one employee work less than fourteen (14) hours per week.
- 10.2.5 (a) Employees in a job sharing arrangement shall be accorded the Working Conditions and Employee Benefits contained in Parts A & B of this Central Collective Agreement and Part A of the Bargaining Unit Collective Agreements. However, where applicable, they shall be pro-rated in accordance with the employee's hours of work.
- (b) Part C of this Central Collective Agreement and Part B of the Bargaining Unit Collective Agreements will be used to provide administrative direction for the applicable pro-rating of the working conditions and benefits, and Article 57.1 (Pay and Benefits Administration) for the purposes of calculating a basic hourly rate.
- 10.2.6 In the event that one employee in the job sharing arrangement leaves that arrangement on a permanent basis for any reason the remaining employee would first be offered the opportunity to assume the position on a full-time basis.
- 10.2.7 If the remaining employee declines the full-time opportunity, the position may be posted and advertised as a job sharing vacancy, subject to the provisions of this Central Collective Agreement.
- 10.2.8 Failing successful filling of the job sharing position, the remaining employee shall be offered a further opportunity to assume the position on a full-time basis.
- 10.2.9 If the remaining employee still declines this opportunity, the position would continue to exist as a full-time position and the Employer may fill the balance of hours through temporary measures, if required.
- 10.2.10 The Employer undertakes to notify the President of the Union of all job sharing arrangements.

10.3 JOB TRADING

10.3.1 The following terms and conditions apply in respect of job trading as indicated in 10.3.2 to 10.3.13.

10.3.2 Regular employees who hold full-time or regular part-time positions are eligible to trade jobs, except for those employees who are on notice of lay-off pursuant to Article 20 (Employment Stability) of the Central Collective Agreement.

10.3.3 An employee can only trade jobs with an employee in the same category (i.e., a full-time employee can only trade jobs with another full-time employee; a regular part-time employee can only trade jobs with another regular part-time employee).

10.3.4 An employee who wishes to trade jobs with another employee must register with his or her ministry's human resources branch and complete the required documentation, which includes the employee portfolio. The employee must also indicate the specific location or locations to which he or she is willing to relocate.

10.3.5 An employee may only trade jobs with another employee who holds a position

- in the same classification; and
- in the same ministry; and

provided he or she is qualified to perform the normal requirements of the position without training.

10.3.6 Notwithstanding seniority, an employee will be considered for job trading prior to other employees registered for job trading if his or her spouse is also employed in the Ontario Public Service and has relocated to continue such employment at a different headquarters location.

10.3.7 If an employee has registered for job trading and he or she has also offered to be declared surplus pursuant to Article 20.7 (Voluntary Exit Option) of the Central Collective Agreement, his or her rights under that article will be exercised before any rights under this job trading agreement.

10.3.8 Relocation expenses incurred by employees who trade jobs will not be reimbursed by the Employer.

10.3.9 In the event more than one (1) employee meets the criteria to trade jobs with another employee, the Employer will choose the best qualified

employee for the job to be traded. Where the qualifications and skills of two (2) or more employees are relatively equal, seniority will be the deciding factor, subject to Article 10.3.5 above.

- 10.3.10 Employees cannot trade jobs unless both of their managers approve of the trade.
- 10.3.11 Job trading is voluntary. Provided an employee has not been matched with another employee's job, he or she may withdraw at any time.
- 10.3.12 A job trade is not final until all four (4) parties to the trade have confirmed their agreement, in writing, i.e., the trading employees and their managers.
- 10.3.13 Should the employment situation or relocation decision of either employee change after sign-off, the job trade agreement remains binding. For example, if an employee receives surplus notice after a job trade is completed, then he or she will be subject to the appropriate procedures for redeployment.

ARTICLE 11 – HEADQUARTERS

- 11.1 This article applies to employees who do not attend at or work at or work from any permanent ministry facility in the course of their duties, but for whom a permanent ministry facility or other place is designated as an employee's "headquarters" for the purposes of the provisions of this Central Collective Agreement and of various allowances which require a headquarters to be specified.

It is not a requirement that the designated headquarters be a facility whose functions are related to the work to be performed by the employee, and the employee's residence may also be designated as his or her headquarters. The Employer will supply to

the Union, by December 30 of each year, a current list of headquarters designations for employees covered by this article.

- 11.5 Where a ministry exercises its right to change the headquarters of an employee otherwise than by mutual agreement with the employee, the following procedure will apply:
- (a) The ministry shall first give notice to the employee of its intent, and shall consult with the employee to determine the employee's interests and the employee's preferences as to the new headquarters location.
 - (b) The ministry shall determine the new headquarters location in a way which is equitable to both the employee and the ministry.
 - (c) The employee shall be given three (3) months' notice of the change in designation of the headquarters.
- 11.6 Where it is necessary to identify which one or more of a group of employees is to be assigned to a new headquarters, the employees to be reassigned shall be identified by considering the qualifications, availability, and current location (home, closest facility and work

location). Where qualifications, availability and location are relatively equal, length of continuous service shall be used to identify the employee to be reassigned.

ARTICLE 18 – SENIORITY (LENGTH OF CONTINUOUS SERVICE) (FXT, RPT)

- 18.1 An employee's length of continuous service will accumulate upon completion of a probationary period of not more than nine (9) months and shall commence:
- (a) from the date of appointment to the Regular Service for those employees with no prior service in the Ontario Public Service; or
 - (b) from the date established by adding the actual number of full-time weeks worked by a full-time fixed-term employee during his or her full-time employment back to the first break in employment which is greater than thirteen (13) weeks; or
 - (c) for a Regular part-time employee, from January 1, 1984 or from the date on which he or she commenced a period of unbroken, part-time employment in the public service, immediately prior to appointment to a regular part-time position in the Regular Service, whichever is later; or (FPT)
 - (d) effective January 1, 1984, from the date established by adding the actual number of full-time weeks worked by a full-time seasonal employee during his or her full-time employment back to the first break in employment which is greater than thirteen (13) weeks.

"Unbroken service" is that which is not interrupted by separation from the public service; "full-time" is continuous employment as set out in the hours of work schedules for the appropriate classifications; and "part-time" is continuous employment in accordance with the hours of work specified in Article 58.1 (Hours of Work).

time regular employee covered by Parts A (Working Conditions) and B (Employee Benefits) of the Central Collective Agreement and Part A of the Bargaining Unit Collective Agreements, any service as a Regular part-time employee which forms part of his or her unbroken service in the Regular Service shall be calculated according to the following formula:

$$\frac{\text{Weekly Hours of Work as a Regular Part-time employee}}{\text{Full-time hours of work for class(weekly)}} \times \text{Years of Continuous Service as a Part-time Regular employee}$$

Changes in the employee's weekly hours of work shall be taken into account.

Example:

- Weekly hours of work as a Regular part-time employee
= 6 years at 20 hours per week, and 2.5 years at 16 hours per week
- Full-time hours of work for class (weekly) = 40
(Schedule 4)
- Seniority (Length of Continuous Service) on becoming a full-time regular employee
= $\frac{(20 \times 6 \text{ years})}{40} + \frac{(16 \times 2.5 \text{ years})}{40}$
= 3 years + 1 year = 4 years

(FPT)

18.3 Where an employee has been released in accordance with Article 20 (Employment Stability) and rehired within two (2) years, the period of absence shall not be computed in determining the length of continuous service. However, periods of continuous service before and after such absence shall be considered continuous and are included in determining the length of continuous service.

18.4 Continuous service shall be deemed to have terminated if:

- (a) an employee resigns or retires; or
- (b) an employee is dismissed unless such dismissal is reversed through the grievance procedure; or
- (c) an employee is absent without leave in excess of ten (10) consecutive working days; or

- (d) an employee is released in accordance with Article 20 (Employment Stability) and remains released for more than two (2) years.

18.5 An OPS-wide seniority list and seniority lists for each ministry, including the employees' names, employee ID number, date of continuous service, ministry, classification, position title and location shall be maintained and provided to OPSEU on a quarterly basis. In addition, the ministry seniority list shall be provided to the MERC Co-Chair upon request to the Employee Relations Division but in no case shall such requests be made more than once per month.

ARTICLE 19 – MULTIPLE LAY-OFFS

(FPT, RPT)

- 19.1 Where a reorganization, closure, transfer, or the divestment, relocation or contracting-out of an operation in whole or in part will result in thirty (30) or more surplus employees in a ministry,
- (a) affected employees shall receive six (6) months notice of lay-off or pay in lieu thereof as provided in Article 20.2 (Notice and Pay in Lieu), and
 - (b) the President of the Union shall be notified of the reorganization, closure, transfer, or the divestment, relocation or contracting-out prior to notification to affected employees, and
 - (c) the Ministry Employee Relations Committee (MERC) shall consult on issues related to lay-off, displacement and recall.

19.2 JOINT EMPLOYMENT STABILITY SUBCOMMITTEE (JESS)

19.2.1 There shall be a subcommittee of the Central Employee Relations Committee (CERC), which shall be known as the Joint Employment Stability Subcommittee of the CERC. It shall be composed, at any one time, of three (3) representatives appointed by each party. At meetings of the subcommittee, one (1) representative from each party from the particular ministry where the issue arose shall be invited to make representations before the subcommittee.

19.2.2 The mandate of the subcommittee shall include the consideration of issues arising out of decisions by the Employer which may affect the continued employment of fifty (50) or more employees within a ministry. Notwithstanding the role of the MERCs, in such circumstances, either

party may table the matter for consideration by the subcommittee, or the subcommittee may make any recommendation that seems appropriate in the circumstances. Such consideration shall be concluded in a timely fashion with disclosure as circumstances warrant.

ARTICLE 20 – EMPLOYMENT STABILITY

20.1 PREAMBLE

20.1.1 Where a lay-off may occur for any reason, the identification of a surplus employee in an administrative district or unit, institution or other such work area and the subsequent redeployment, displacement, lay-off or recall shall be in accordance with seniority subject to the conditions set out in this article.

20.1.2.1 SURPLUS NOTICE ALERT

Where one or more positions in an administrative district or unit, institution or other such work area will be declared surplus, all employees in the work unit will be provided with a written Surplus Notice Alert not less than six (6) working days prior to the issuance of any notice of layoff and which shall not be included in the notice period in Article 20.2. The Surplus Notice Alert will describe the work unit, the job functions to be reduced and the number of positions to be reduced.

20.1.2.2 The Surplus Notice Alert will also:

- (a) Offer the employees, whose positions are specifically identified for surplussing, to exit the OPS with one of the options outlined in Article 20.1.2.3, if they plan to exit the OPS and not seek a targeted direct assignment under Article 20.3 or a displacement under Article 20.4.
- (b) Invite all employees working in the affected job functions to volunteer to exit the OPS with one of the options outlined in Article 20.1.2.3. Volunteers to exit the OPS will be approved on the basis of seniority up to the numbers required. Volunteers not approved may register under Article 20.7.

20.1.2.3 Volunteers under Article 20.1.2.2 must respond to the Employer in writing within five (5) working days of the issuance of the Surplus Notice Alert. The response must indicate which one of the following options the employee selects:

- (a) A pay in lieu option under 20.2.1.3 in which case no other provisions under Article 20.2 shall apply; or
- (b) Immediate retirement if eligible for a permanent pension factor (90, 60/20, Age 65) under the OPSEU Pension Plan; or
- (c) Pension Bridging pursuant to paragraph 2 of Appendix 9 (Employment Stability), if eligible, to the employee's first permanent unreduced pension factor (90, 60/20, Age 65), under the OPSEU Pension Plan

For clarity, termination payments under Article 53 and 78, and enhanced severance under paragraph 4(b) of Appendix 9 (Employment Stability), where eligible, apply to options (a) through (c).

20.1.2.4 The Employer will respond in writing within five (5) days of receipt of an employee's request. An employee's last day at work will be five (5) days from receipt of the Employer's acceptance, or such other period as the employee and the Employer shall agree.

20.1.2.5 For clarity, if an employee does not exit under Article 20.1.2.2, it will not affect or preclude his/her entitlement to any option if the employee subsequently receives a notice of layoff.

20.1.3 ELIGIBILITY FOR EMPLOYMENT INSURANCE

The parties agree that all employees who accept a pay-in-lieu option under Article 20.2 are doing so pursuant to a program of downsizing undertaken by the Employer and in so doing are preventing another employee from being laid off. Accordingly the Employer agrees to take all necessary steps to attempt to ensure that Human Resources and Skills Development Canada recognizes that the entitlement to Employment Insurance of employees who are laid off and who take a pay-in-lieu of notice option qualifies as registered "workforce reduction processes" under the Employment Insurance Act.

20.1.4 EMPLOYEE PORTFOLIO

20.1.4.1 An Employee Portfolio will be deemed to include the qualifications and knowledge as identified in the employee's current position description for the purposes of Article 20.3 (Targeted Direct Assignment), 20.4 (Displacement) and 20.8 (Temporary Vacancies) unless otherwise modified by the employee.

20.1.4.2 All new employees must complete an Employee Portfolio within their probationary period. The Employee Portfolio will be provided in electronic format, such that it can be edited by the employee. The Employee Portfolio will be placed on the employee's personnel file.

Notwithstanding the above, the Employer shall require any employee that it has reasonable grounds to believe may be declared surplus to complete an Employee Portfolio within six (6) days.

20.1.4.3 An employee may advise the Employer in writing at any time of his or her desire to update the employee portion of an Employee Portfolio to reflect the acquisition of new or improved skills, knowledge and abilities, and/or change the geographic parameters. Such changes shall be implemented within five (5) working days of the Employer receiving the updated employee portion of the Employee Portfolio.

20.2 NOTICE AND PAY IN LIEU

20.2.1.1 Employees whose positions have been specifically identified for surplussing in accordance with Article 20.1.2.2 (a) and who do not choose to exit the OPS, and where no volunteer has been identified in accordance with Article 20.1.2.2 (b) shall receive notice of layoff following the expiry of the period set out in Article 20.1.2.1. Following receipt of notice, the employee shall advise the Employer, in writing, within a ten (10) working day period, of his or her decision either:

(a) to exercise rights under Article 20.2;

(b) to remain employed during the six-month notice period for possible redeployment pursuant to Article 20.3.

20.2.1.2 An employee who fails to provide his or her written decision as required by Article 20.2.1.1 above shall be deemed to have decided to remain employed during the notice period.

20.2.1.3 An employee identified as surplus shall receive six (6) months notice of lay-off or, with mutual consent, an employee may resign and receive equivalent pay in lieu of notice. Pay in lieu for the balance of the notice period shall only be granted where the Employer determines that operational requirements permit an employee's exit from the workplace prior to the expiration of six (6) months notice.

20.2.1.4 Pay-in-lieu options under this agreement, where the Employer determines that operational requirements will be met, means either:

- (a) A lump sum of six months' pay, plus severance as provided for in Article 53 or 78 and enhanced severance under Paragraph 4 of Appendix 9, if eligible, payable as soon as possible, in which case all salary and benefit entitlements which would have accrued to the employee from the last day worked to the layoff date are forfeited; or
- (b) Continuance of salary plus benefits (except STSP and LTIP) commencing on the surplus date for the duration of the notice period, plus severance as provided for in Article 53 or 78, and enhanced severance under Paragraph 4 of Appendix 9, if eligible, paid out at the layoff date.

20.2.1.5 Where an employee accepts a pay-in-lieu option pursuant to this Article, the employee's last day at work shall be five (5) working days after the employee advises or is deemed to advise the Employer of the acceptance of a pay-in-lieu option, or such other period as the employee and the Employer shall agree.

20.2.1.6 When an employee is to receive a notice of layoff, the Employer will notify the union of the time and place of the Surplus Notice Alert and notice of layoff meeting.

20.2.2.1 Notwithstanding 20.2.1.3 the notice period will begin when the employee receives official written notice. Copies of all such notices shall be provided to the Employer and to the Union.

20.2.2.2 For clarification, where there is a hiatus in the notice period under this article, all redeployment activities cease during the hiatus.

IMPACT OF LEAVES OF ABSENCE AND TEMPORARY ASSIGNMENTS

20.2.2.3 Where the employee's position is declared surplus while the employee is away on a sick leave (Short Term Sickness Plan (STSP), Long Term Income Protection (LTIP) or Workers Safety Insurance Board (WSIB) claim), the ministry shall notify the employee that his or her position has been declared surplus and that, when the employee returns to full-time work, the surplus notice shall be issued.

20.2.2.4 Where the employee's position is declared surplus while the employee is away on a leave of absence, the ministry shall notify the employee that his or her position has been declared surplus and inform the employee of the option to:

- (a) return early from the leave of absence and receive the surplus notice at that time; or

(b) return at the end of the leave and receive the surplus notice at that time.

20.2.2.5 Where an employee's position is declared surplus while the employee is on a temporary assignment or secondment, the home ministry shall have the option of:

- (a) returning the employee to his or her home position and issuing the surplus notice at that time; or
- (b) giving the employee his/her surplus notice and allowing the employee to remain on temporary assignment until directly assigned into a permanent vacancy or the temporary assignment ends, whichever occurs first.

TREATMENT OF SURPLUS NOTICES ISSUED BEFORE LEAVE OF ABSENCE OR TEMPORARY ASSIGNMENT

20.2.2.6 (a) Where the employee's position is declared surplus before a LTIP or WSIB sick leave of absence begins, the employee's notice shall be put on hiatus for the duration of the leave. When the employee is able to return to work, the balance of the notice period shall continue.

(b) Where the employee's position is declared surplus before a STSP leave of absence, the employee's notice shall be put on hiatus from the beginning of the STSP leave the medical evidence (e.g. stroke) indicates that the leave will be greater than one (1) month. Where the employee is on a sick leave and is expected to return to work within one (1) month (e.g. cold or flu), the surplus notice is not placed on hiatus. However, if after one (1) month on STSP the employee's prognosis for returning to work remains uncertain, the surplus notice is put on hiatus at that point until the employee is able to return to work.

If the employee displaces or is directly assigned to a new position before going on STSP/LTIP/WSIB, the accepting ministry must honour the leave of absence.

20.2.2.7 Where the employee's position is declared surplus before a leave of absence begins, the employee may choose to:

- (a) accept a hiatus in the surplus notice period during the leave of absence, (when the employee returns from the leave of absence the balance of the notice period shall continue); or

- (b) decline a hiatus in the surplus period during the leave of absence; or
- (c) return early from the leave of absence, (when the employee returns from the leave of absence the balance of the notice period shall continue).

If the employee displaces or is directly assigned to a new position before going on the leave of absence, the accepting ministry must honour the leave of absence.

20.2.2.8 Where the employee's position is declared surplus before the beginning of a temporary assignment or secondment within the OPS (and before the employee is eligible for a targeted direct assignment into a temporary assignment under the Agreement), the employee's surplus notice is put on hiatus. This provision only applies where the temporary assignment or secondment is for more than six (6) months and is filled competitively.

20.2.3 Where an employee accepts pay in lieu of notice pursuant to this article, any further entitlements under this Central Collective Agreement are forfeited save and except any rights under Article 53 or 78 (Termination Payments) or paragraph 4 (b) of Appendix 9 (Employment Stability). The employee will be eligible to apply for restricted competitions from the last day of work until twenty-four (24) months from the date on which lay-off would otherwise have occurred. Such an employee shall keep their Designated Human Resources Contact informed of any change of address and/or telephone numbers and/or home e-mail (if any). Such changes must be sent in writing or electronically.

Notwithstanding Article 18.3, where an employee applies for any competition within twenty-four (24) months from the date the lay-off would otherwise have occurred, the employee's continuous service before the absence shall be considered in determining the length of continuous service for the sole purpose of any determination made by the Employer under Article 6.3 (Posting and Filling of Vacancies or New Positions).

20.2.4 Where an employee accepts pay in lieu of notice and is re-appointed to a position in the Ontario Public Service prior to the originally projected lay-off date, the employee will repay to the ministry a sum of money equal to the amount paid for the period between the date of re-appointment and the original projected lay-off date. In addition, the employee will repay to the ministry all monies received under paragraph 4 of Appendix 9 (Employment Stability). The employee's continuous service date, for all purposes except Article 53 or 78 (Termination Payments), shall be deemed to include both service up to the last day of active work and

the accumulation of service after the date of re-appointment. The new service date for purposes of termination pay shall be the date on which the employee recommences work.

20.2.5 Where an employee who accepts a pay in lieu of notice is re-appointed to a position in the Ontario Public Service after the originally projected lay-off date, and prior to the expiration of a further twenty-four (24) months, the employee will repay to the ministry all monies received under paragraph 4 of Appendix 9 (Employment Stability). The employee's continuous service date for all purposes except Article 53 or 78 (Termination Payments), shall be deemed to include both service up to the last day of active work and the accumulation of service after the date of re-appointment. The new service date for purposes of termination pay shall be the date on which the employee recommences work.

20.3 TARGETED DIRECT ASSIGNMENT

20.3.1.1 An employee who has received notice of lay-off in accordance with this article shall be assigned to a position that becomes vacant in his or her ministry or in another ministry during his or her notice period provided that:

- (a) the employee applies for and indicates on his or her application for the vacancy that they have received notice of layoff and are eligible for a targeted direct assignment; and
- (b) he or she meets the entry level qualifications for the position; and
- (c) the vacancy is either:
 - (i) in the same classification, or in the same class series within a range of two classifications below the employee's current home position; or
 - (ii) in the same classification of a position that the employee previously held either on a full-time basis or where the employee performed the full range of job duties on a temporary basis for at least twelve (12) months; and
- (d) there is no other person who is qualified to perform the required duties, who has a greater length of continuous service and who is eligible for assignment to the vacancy either pursuant to Article 20.3 or Article 20.6 (Recall). Where two or more employees with the same continuous service are matched to the same targeted direct assignment, and one of the employees' surplus positions is in the same Ministry where the vacancy is, he or she will be assigned to the vacancy.

- 20.3.1.2 Where an employee eligible for a targeted direct assignment is in a position that is listed in Appendix 50 (Job Trades) and the employee applies for the same position in the same classification, the employee shall be deemed to be qualified for the position and shall be assigned provided there is no other person who is qualified to perform the required duties, who has a greater length of continuous service and who is eligible for assignment to the vacancy either pursuant to Article 20.3 or Article 20.6 (Recall).
- 20.3.2 It is understood that the employee may apply for a position outside of the (40) kilometre radius of his or her headquarters and that relocation expenses will not be paid.
- 20.3.3 Where an employee eligible for a targeted direct assignment applies for a vacancy, the Employer shall advise the employee within ten (10) working days of the competition's closing date as defined in the job posting whether they will be directly assigned to the position. The employee shall be required to inform the Designated Human Resource Contact in writing within five (5) full working days of receiving notification of a targeted direct assignment whether the assignment will be accepted.
- 20.3.4 If, in accordance with Article 20.3.1 or 20.3.2 an employee is offered an assignment, refusal of the job offer will result in lay-off at the end of the notice period.
- 20.4 DISPLACEMENT
- 20.4.1.1 An employee who has completed his or her probationary period, who has received notice of layoff pursuant to Article 20.2 (Notice and Pay in Lieu), who has elected for displacement, and who has not been assigned to a targeted direct assignment by the beginning of the sixth month of the surplus notice period, in accordance with the criteria of Article 20.3 (Targeted Direct Assignment) to another position shall have the right to displace an employee who shall be identified by the Employer in the following manner as set out in Articles 20.4.1.2 to 20.4.1.10. To be eligible to displace, the employee must by the end of the third month, submit the Displacement Election Form which indicates he/she elects to exercise his/her right to displacement pursuant to Article 20.4.
- 20.4.1.2 The Employer will identify the employee with the least seniority in the same classification and the same ministry as the employee's surplus position. If such employee has less seniority than the surplus employee, he or she shall be displaced by the surplus employee provided that:

- (a) such employee's headquarters is located within a forty (40) kilometre radius of the headquarters of the surplus employee; and
- (b) the surplus employee is qualified to perform the work of the identified employee.

20.4.1.3 If the surplus employee is not qualified to perform the work of the least senior employee identified under Article 20.4.1.2 above, the Employer will continue to identify, in reverse order of seniority, employees in the same classification and in the same ministry until a less senior employee is found within forty (40) kilometres of the surplus employee's headquarters whose work the surplus employee is qualified to perform.

20.4.1.4 Failing displacement under Article 20.4.1.2 or 20.4.1.3 above, the Employer will identify, in reverse order of seniority, employees in the classes in the same class series in descending order until an employee with less seniority is found in the same ministry within forty (40) kilometres of the surplus employee's headquarters. The identified employee shall be displaced by the surplus employee provided he or she is qualified to perform the work.

20.4.1.5 Failing displacement under Articles 20.4.1.2 or 20.4.1.3 or 20.4.1.4 above, the Employer will review other classes which the employee held either on a full-time basis, or who performed the full range of job duties on a temporary basis for at least twelve (12) months in the same ministry within forty (40) kilometres of the surplus employee's headquarters. The Employer will identify, in reverse order of seniority, a less senior employee in the class with the maximum salary closest to but not greater than the maximum salary of the surplus employee's current classification. The identified employee shall be displaced by the surplus employee provided he or she is qualified to perform the work.

20.4.1.6 Failing displacement under Articles 20.4.1.2, 20.4.1.3, 20.4.1.4 or 20.4.1.5 above, if the employee requests, the Employer will repeat the steps specified in Articles 20.4.1.2, 20.4.1.3, 20.4.1.4 and 20.4.1.5 with respect to positions beyond a forty (40) kilometre radius of his or her headquarters. No relocation expenses will be paid.

20.4.1.7 Failing displacement under Article 20.4.1.2, 20.4.1.3, 20.4.1.4, 20.4.1.5 or 20.4.1.6 above, the Employer will identify, in reverse order of seniority, a less senior employee who is:

- (a) in another ministry; and
- (b) whose headquarters is within a forty (40) kilometre radius of the displacing employee's headquarters; and

- (c) whose position the displacing employee previously held either on a full-time basis, or who performed the full range of job duties on a temporary basis for at least twelve (12) months in that ministry; and
- (d) if the employee previously held more than one position in that ministry, the position with a maximum salary closest to but not greater than the maximum salary of the displacing employee's current classification.

The identified employee shall be displaced provided the displacing employee is qualified to perform the work.

- 20.4.1.8 Upon the completion of five (5) months following commencement of the notice period, the Employer will advise the surplus employee of the position into which he or she is eligible to displace.
- 20.4.1.9 The surplus employee must indicate in writing to the Employer his or her intention to displace the employee identified pursuant to Articles 20.4.1.2, 20.4.1.3, 20.4.1.4, 20.4.1.5, 20.4.1.6, or 20.4.1.7 above, as applicable. Written intention to displace must be received by the Designated Human Resource Contact no later than one (1) week following the date the surplus employee received advice that he or she was eligible to displace an employee pursuant to Article 20.4.1.8 above.
- 20.4.1.10 An employee who does not indicate in writing to the Employer his or her intention to displace within the time period stipulated by Article 20.4.1.9 above shall be deemed to have given up his or her right to displace and opted for redeployment under Article 20.3 (Targeted Direct Assignment).
- 20.4.2 The first employee who is displaced by an employee exercising his or her right to displace under Article 20.4.1 will have displacement rights. The employee displaced by the first displaced employee will also have displacement rights but the employee he or she subsequently displaces will not have any such right.
- 20.4.3 An employee who is displaced by an employee who exercises his or her displacement right under Article 20.4 shall receive notice of lay-off or salary continuance, at the Employer's discretion. The displaced employee's notice period or salary continuance shall be for a six (6) month period.
- 20.4.4 Article 7.4 (Pay Administration) shall not apply where an employee displaces a less senior employee pursuant to Articles 20.4.1.4, 20.4.1.5, 20.4.1.6 or 20.4.1.7 above, save and except that Article 7.4 (Pay Administration) shall apply for the balance of the employee's notice period only.

20.4.5 Except as provided in Article 20.4, employees who are displaced will have full access to the provisions of Article 20.

20.5 TUITION REIMBURSEMENT

20.5.1 On production of receipts from an approved educational program within twelve (12) months of layoff, an employee shall be reimbursed for tuition fees up to a maximum of three thousand dollars (\$3,000.00).

20.5.2 Where an employee takes a program or course with the approval of the Employer, for the purpose of upgrading his or her employment-related skills, the Employer shall defray all or part of the tuition in accordance with the Employer's normal policy.

20.6 RECALL

20.6.1 A person who has been laid off is entitled to be assigned to a position that becomes vacant within twenty-four (24) months after his or her lay-off provided that:

- (a) he or she identifies in writing to the Designated Human Resources Contact on or before the closing date of the competition, the vacant position he or she should be recalled to under this Article; and
- (b) the vacant position is in the same classification and ministry as his or her former position; and
- (c) he or she is qualified to perform the required duties; and
- (d) there is no other person who is qualified to perform the required duties, who has a greater length of continuous service and who is eligible for assignment to the vacancy either pursuant to Article 20.6 or Article 20.3 (Targeted Direct Assignment).

20.6.2 Where a person who has been laid off is re-appointed under Article 20.6, he or she shall be re-appointed at a rate within the position's salary range equivalent to the rate at which he or she was paid immediately prior to lay-off.

20.6.3 Employees who are laid off and subject to recall shall keep the Designated Human Resources Contact informed of any change of address and/or telephone numbers, and/or home email (if any). Such changes must be sent in writing or electronically.

20.6.4 Where a person who has been laid off is re-appointed to a position under Article 20.6, the Employer shall serve written notice of such re-

appointment to the person to the last address filed with the Employer. Written notice of re-appointment shall be sent by certified mail or another means whereby receipt of such notice is confirmed by the deliverer. Laid off employees re-appointed under Article 20.6 must accept the notice of recall and report for duty within the time limits stipulated below:

- (a) the employee must accept the recall, in writing, within seven (7) days of receipt of written notice;
- (b) an employee accepting recall shall report for duty within two (2) weeks of receiving written notice thereof, or on such other date specified in the notice.

20.6.5 A person shall lose his or her rights to recall pursuant to Article 20.6 upon the earlier of:

- (a) the date he or she takes termination pay pursuant to Article 53 or 78 (Termination Payments) of this Agreement; or
- (b) the date he or she does not attend a recall interview when requested by the Employer; or
- (c) having accepted an appointment in accordance with Article 20.6.1, he or she fails to report for duty on the date specified in Article 20.6.4(b); or
- (d) the date he or she does not accept an appointment in accordance with Article 20.6.1; or
- (e) twenty-four (24) months after the date of his or her lay-off.

20.6.6 A laid off employee who applies for a vacancy advertised in accordance with Article 6 (Posting and Filling of Vacancies or New Positions) and who is subsequently appointed to that position shall lose his or her rights to recall pursuant to Article 20.6.

20.7 VOLUNTARY EXIT OPTION

20.7.1 Subject to the conditions outlined in Article 20.7, an employee who has not received notice of lay-off may offer to be declared surplus and give up his or her job for possible redeployment of an employee who has received notice of lay-off provided the position meets the criteria set out in Article 20.3. No relocation expenses will be paid.

20.7.2 An employee shall advise the Designated Human Resources Contact, in writing, of his or her desire to make an offer referred to in Article 20.7.1.

- 20.7.3 The position of an employee making an offer under Article 20.7.1 will be considered to be a vacancy for the targeted direct assignment of a surplus employee pursuant to Article 20.3 (Targeted Direct Assignment), provided the Employer determines the position will continue to be filled. All other considerations being equal, a surplus employee will be matched to the position of the voluntary exit option employee over assignment to a vacancy.
- 20.7.4 A non-surplus employee's offer to be declared surplus will not be acted upon by the Employer until such time as a surplus employee is assigned to his or her position in accordance with Article 20.3 (Targeted Direct Assignment).
- 20.7.5 For purposes of Article 20.7, a surplus employee will be assigned to the non-surplus employee's position only if he or she applies for and indicates on his or her application for the Voluntary Exit Option opportunity that they have received notice of layoff and are eligible for a targeted direct assignment, and provided he or she is able to perform the normal requirements of the position without training.
- 20.7.6 Voluntary Exit Option and Absence Due to Illness/Injury
- (a) Where a non-surplus employee is absent on STSP and has applied for the voluntary exit option under Article 20.7 or wishes to apply for it, the employee's job will be considered for matching to a surplus employee throughout the period of absence. The volunteer's employment and STSP benefits will be terminated and he/she will be eligible for voluntary exit payments on the date when a surplus employee has reported for duty after being assigned to the volunteer's job.
 - (b) Where a non-surplus employee has applied or wishes to apply for the voluntary exit option and is absent on LTIP or WSIB, his/her application shall be considered "inactive" until such time as he/she is able to return to work. A voluntary exit job will not be considered for matching to a surplus employee while its incumbent is absent on LTIP or WSIB.
- 20.7.7 Voluntary Exit Option and Absence Due to Leave of Absence
- Where a non-surplus employee is away on an approved leave of absence other than due to illness/injury, he/she may apply for the voluntary exit option. The employee's job will be considered for matching to a surplus employee while on an approved leave. If a surplus employee is assigned to

the volunteer's job, the volunteer's employment and leave of absence will be terminated on the date the surplus employee reports for duty and the volunteer will be eligible for voluntary exit payments.

20.7.8 Voluntary Exit Option and Absence Due to Temporary Assignment

Where a non-surplus employee is on a temporary assignment, he/she may apply for the voluntary exit option. The volunteer's home job will be considered for matching to a surplus employee while on the temporary assignment. If a surplus employee is assigned to the volunteer's job while he/she is on a temporary assignment, the manager of that temporary assignment will decide whether the volunteer will exit immediately or complete the temporary assignment before exiting with voluntary exit payments.

20.7.9 Notwithstanding anything in any other provision of Article 20, the rights specified in Article 20.7 shall be exercised before any displacement or redeployment rights.

20.8 TEMPORARY VACANCIES

20.8.1 Surplus employees shall be eligible for assignment into temporary assignments of at least six (6) months in their own ministry that are posted for recruitment in accordance with Article 8 in the last two (2) months of their notice provided that:

- (a) the employee applies for and indicates on his or her application for the vacancy that they have received notice of layoff and are eligible for a temporary assignment; and
- (b) he or she meets the entry level qualifications for the position.

Such assignments are meant to provide additional employment opportunities for surplus employees prior to lay-off. Where more than one surplus employee matches the temporary assignment, the employee with greater seniority shall be offered the temporary assignment. It is understood that such assignment of a surplus employee to a temporary vacancy has priority over Article 8 (Temporary Assignments).

20.8.2 A surplus employee shall retain his or her status in the Regular Service and current salary entitlements while placed in a temporary assignment. Placement in a temporary assignment will not constitute a promotion for pay purposes. Subject to Article 20.8.1, for placement into temporary assignments, the employer shall use the same criteria and rules as

for assignment into vacancies under Article 20.3 (Targeted Direct Assignment).

- 20.8.3 An offer of a temporary assignment to a surplus employee must be in writing and must specify the duration of the temporary assignment. The surplus employee shall have five (5) working days in which to accept or reject the offer of a temporary assignment.

- 22.16.2 The mediator/arbitrator shall endeavour to assist the parties to settle the grievance by mediation. If the parties are unable to settle the grievance by mediation, the mediator/arbitrator shall determine the grievance by arbitration. Attendance credits may be used for protection purposes only in the event that an employee is unable to attend to his or her official duties by reason of illness or injury. However, accumulated attendance credits earned prior to April 1, 1978 may be transferred to the Regular Service when the appointment to the Regular Service is made from continuous, unbroken, full-time fixed-term Service.

For clarity, where a fixed-term employee uses an attendance credit the hours covered by that credit will be counted as 'attendance' for the purposes of this Article.

31A.8.2 After five (5) days' absence caused by sickness, no leave with pay shall be allowed unless a certificate of a legally qualified medical practitioner is forwarded to the employee's manager, certifying that the employee is unable to attend to his or her official duties.

31A.8.3 Notwithstanding Article 31A.8.2, where it is suspected that there may be an abuse of sick leave, the employee's manager may require an employee

31A.11 HEALTH AND SAFETY

31A.11.1 The Employer shall continue to make reasonable provisions for the safety and health of its employees during the hours of their employment. It is agreed that both the Employer and the Union shall co-operate to the fullest extent possible in the prevention of accidents and in the reasonable promotion of safety and health of all employees.

31A.12 TERMINATION OF EMPLOYMENT

31A.12.1 Employment may be terminated by the Employer at any time with two (2) weeks' notice, or pay in lieu thereof.

31A.13 APPOINTMENT TO THE REGULAR SERVICE

31A.13.1 Where an employee is appointed to the Regular Service and has worked more than twenty-four (24) hours per week on a continuous basis immediately prior to appointment to the Regular Service, the time he or she actually worked within the previous year may be considered to be part of his or her probationary period to a maximum of six (6) months.

31A.13.2 Notwithstanding Article 31A.13.1, where an employee is appointed to the Regular Service as a Regular part-time employee and has worked at least the minimum hours specified in Article 58.1 (Hours of Work) on a continuous basis immediately prior to appointment to the Regular Service, the time he or she actually worked within the previous year may be considered to be part of his or her probationary period to a maximum of six (6) months.

31A.14 UNION DUES

31A.14.1 Union dues shall be deducted from an employee covered by Article 31A. These dues shall be remitted to the Union quarterly, accompanied by the name, employee ID number, ministry and where applicable, the regular service classification used to establish the wage rate of the employee on whose behalf the deductions have been made. See Appendix 1 (Data File on Union Dues) attached.

31A.14.2 The Union must advise the Employer in writing of the amount of its dues for employees covered by Article 31A. The amount so advised shall continue to be deducted until changed by a further written notice to the Employer signed by authorized officials of the Union.

31A.14.3 The Union agrees to indemnify and save the Employer harmless from any liability arising out of the operation of Article 31A.14.

31A.15 CONVERSION OF FIXED-TERM POSITIONS TO POSITIONS IN THE REGULAR SERVICE

31A.15.1.1 Where the same work has been performed by an employee in the Fixed-Term Service for a period of at least eighteen (18) consecutive months, except for situations where the fixed-term employee is replacing a regular employee on a leave of absence authorized by the Employer or as provided for under the Central Collective Agreement, and where the ministry has determined that there is a continuing need for that work to be performed on a full-time basis, the ministry shall establish a position within the Regular Service to perform that work.

31A.15.1.2 Where the ministry has determined that it will convert a position in accordance with Article 31A.15.1.1, the status of the incumbent in the position will be converted from fixed-term to regular, provided that the incumbent has been in the position in question for at least eighteen (18) months and provided the position has been cleared through surplus.

31A.15.1.3 For the purpose of Article 31A.15, "full-time" shall mean a minimum of one thousand seven hundred and twenty-five and a half (1,725.50)

straight-time hours or one thousand nine hundred and four (1,904) straight-time hours in each year, as applicable, including authorized leaves of absence. However, all hours worked by a fixed-term employee while he or she is replacing a regular employee who is on an authorized leave of absence shall not be included in computing the annual hours worked by the fixed-term employee.

31A.16 OTHER APPLICABLE ARTICLES

31A.16.1 The following articles of the Central Collective Agreement shall also apply to fixed-term employees other than seasonal, student and GO Temp employees: 1, 2, 3, 4, 5, 6.1, 6.2, 6.3, 6.4, 8, 9, 10.1, 13, 14, 15, 16, 18, 21, 22, 23, 24, 26, 27, 28, 29, 45, 48.3, 49, and 80.

31A.17 SENIORITY ACCUMULATION FOR FIXED-TERM EMPLOYEES FOR THE PURPOSE OF FILLING VACANCIES OR NEW POSITIONS

31A.17.1 Notwithstanding Article 18.1(b), a fixed-term employee shall be entitled to have their service counted towards the accumulation of seniority on the same basis under Article 18.1 and Article 18.4 before he or she is appointed to the Regular Service for the sole purpose of any determination made by the Employer under Article 6.3 (Posting and Filling of Vacancies or New Positions), if applicable. For this specified purpose, fixed-term employees shall be entitled to have their service counted towards the accumulation of seniority based upon one thousand seven hundred and twenty-five and a half (1,725.50) straight time hours or one thousand nine hundred and four (1,904) hours, as appropriate, counting as equivalent to one year's service, or pro-rated to the equivalent of less than one year as appropriate.

31A.17.2 No fixed-term employee shall have his or her name added to the OPS-wide seniority list and Article 18.5 has no application.

ARTICLE 32 – SEASONAL EMPLOYEES (SE)

32.1 Articles 32.2 to 32.21 apply only to seasonal employees.

32.2 DEFINITION

32.2.1 A seasonal employee is an employee appointed for a period of at least eight (8) consecutive weeks to an annually recurring full-time position

in the Fixed-Term Service in a ministry. For purposes of this definition full-time means a minimum of thirty-six and one-quarter (36¼) or forty (40) hours per week, as applicable.

32.2.2 For the purposes of Article 32.2, same position is defined as the position in the same classification, in the same organizational or administrative unit and work location which the employee held prior to the seasonal break.

32.3 PROBATIONARY PERIOD

32.3.1 The probationary period for a seasonal employee shall be two (2) full periods of seasonal employment of at least eight (8) consecutive weeks each, worked in consecutive years in the same position in the same ministry.

32.4 SENIORITY

32.4.1 A seasonal employee's seniority within a ministry will accumulate upon completion of his or her probationary period and shall include:

- (a) all hours worked as a seasonal employee at the straight-time rate;
- (b) periods of authorized paid leave in accordance with Article 32.16 (Attendance Credits and Sick Leave).

32.4.2.1 A seasonal employee will lose his or her seniority when:

- (a) he or she voluntarily terminates his or her employment,
- (b) he or she is dismissed (unless such dismissal is reversed through the grievance procedure),
- (c) he or she is absent without leave in excess of ten (10) consecutive working days,
- (d) he or she is unavailable for or declines an offer for re-employment as provided in Article 32.5 (Employment Stability), or
- (e) he or she ceases to be in the employ of the ministry for a period of more than twelve (12) months.

32.4.2.2 Notwithstanding Article 32.4.2.1(d) and (e), a seasonal employee shall not lose his or her seniority, where he or she is unavailable for or declines an offer for re-employment for the reason that:

- (a) she is pregnant and is expected to give birth on a date which falls within the contract period for which she is offered re-employment, or up to seventeen (17) weeks before the commencement of the contract period for which the employee is offered re-employment, or
- (b) the employee or the employee's spouse has given birth or adopted a child and the employee is on a parental leave, within thirty-seven (37) weeks of the commencement of the contract period for which the employee is offered re-employment,
- (c) and the employee submits a certificate from a legally qualified medical practitioner verifying the anticipated or actual date of birth, or documentation establishing the date of placement of a child in the employee's home, as applicable.

32.4.2.3 Notwithstanding Article 32.4.2.1(d) and (e), a seasonal employee shall not lose his or her seniority where he or she is unavailable for or declines an offer of re-employment if the employee is injured or suffering an occupational disease and is receiving an award under the *Workplace Safety and Insurance Act*.

32.4.3 During the period the employee is on a leave described in Articles 32.4.2.2 (a) and (b) and 32.4.2.3 above, his or her seniority and benefits (as described in Article 32.8.4 (Seasonal Employee Benefits – General)) shall continue for the period of time the employee would otherwise have been recalled.

32.5 EMPLOYMENT STABILITY

32.5.1.1 Seasonal employees who have completed their probationary period shall only be offered employment in the same position in the following season on the basis of seniority.

32.5.1.2 If the same position is no longer available, the Employer may offer the employee another position within forty (40) kilometres.

32.5.2 Where the Employer reduces the number of seasonal employees prior to the expiry date of employment specified in the contracts of employment, seasonal employees in the same position shall be laid off in reverse order of seniority.

32.5.3 A seasonal employee is responsible for advising his or her ministry, in the manner established by his or her ministry, of his or her current phone number and address and is responsible for the accuracy and completeness of the information provided.

32.6 WAGES

32.6.1 The rate of the equivalent regular service classification shall apply. If there is no equivalent classification, the rate shall be set by the ministry and the Union shall have the right to negotiate the rate during the appropriate salary negotiations.

32.6.2 Seasonal employees shall be entitled to the same provisions regarding retroactivity of salary revisions as those agreed upon for the Bargaining Unit to which they correspond.

32.6.3 Seasonal employees shall be eligible, based upon merit, to progress through the salary range at the start of each period of seasonal employment in the same position in the same ministry after they have completed their probationary period.

32.7 OVERTIME

32.7.1 The overtime rate shall be one and one-half (1½) times the employee's basic hourly rate.

32.7.2 In Article 32.7, "overtime" means an authorized period of work calculated to the nearest half-hour and performed on a scheduled working day in addition to the regular working period or performed on a scheduled day(s) off.

32.7.3 Overtime shall be paid within two (2) months of the pay period within which the overtime was actually worked.

32.7.4 Employees who are in positions whose corresponding classifications are assigned to Schedule 6 shall not qualify for overtime on a normal working day. When required to work on a day off they shall receive equivalent time off.

32.7.5 Notwithstanding Article 32.7.4, seasonal employees who are in positions whose corresponding classifications are assigned to Schedule 6 and who are assigned to forest fire fighting or related duties shall be paid one and one-half (1½) times the employee's basic hourly rate, to be calculated on the basis of thirty-six and one-quarter (36¼) hours per week, for all such work after eight (8) hours in a twenty-four (24) hour period.

- 32.8.2 Coverage for Basic Life, Supplementary Health and Hospital (including Vision Care and Hearing Aid benefits), and Dental Plan benefits shall commence on the first of the month coinciding with or immediately following two (2) months of continuous employment, except that on subsequent consecutive periods of seasonal employment which qualify the employee for these benefits, coverage shall commence on the first of the month coinciding with or immediately following the start of the period of employment.
- 32.8.3 All coverage under the Basic Life Insurance Plan, the Supplementary Health and Hospital Plan (including Vision Care and Hearing Aid benefits) and the Dental Plan will cease at the end of the month in which the contract of employment terminates, except that an employee may continue the coverage at his or her own expense during the periods between seasonal employment by arranging to pay the full premiums at least one (1) week in advance of the first of the month in which the coverage is to take effect through his or her ministry personnel or payroll branch. Failure by the employee to pay the full premiums as specified will disentitle the employee to any further benefits under Article 32.8.3. There is a thirty-one (31) day grace period following the month in which employment terminates during which the Basic Life insurance remains in force.
- 32.8.4 During leaves of absence without pay during periods of seasonal employment, employees may continue participating in Basic Life, Supplementary Health and Hospital (including Vision Care and Hearing Aid benefits), and the Dental Plan by arranging to pay full premiums at least one (1) week in advance of the first of the month in which coverage is to take effect through their ministry personnel or payroll branch.
- 32.8.5 Notwithstanding Article 32.8.3, all benefits coverage under any of the provisions of this article shall cease at the end of the month in which a seasonal employee's employment terminates:
- (a) for any of the reasons set out in Article 32.4.2 (Seniority), whether or not the employee has completed his or her probationary period, or
 - (b) as a result of termination of employment under Article 32.18 (Termination of Employment).
- 32.9 BASIC LIFE
- 32.9.1 The Employer shall pay one hundred percent (100%) of the monthly premium of the Basic Life plan.

32.9.2 The Basic Life Insurance Plan shall provide:

- (a) coverage of five thousand dollars (\$5,000) during the period of employment,
- (b) a conversion option on termination of insurance coverage may be exercised without evidence of insurability and providing coverage up to the amount for which the employee was insured prior to termination (less the amount of coverage provided by the Employer in the case of retirement). The premium of such policy shall be at the current rates of the insuring company. Application must be made within thirty-one (31) days of the date of termination of insurance. The Employer will advise terminating employees of this conversion privilege. The minimum amount that may be converted is two thousand dollars (\$2,000).

The conversion options shall be:

1. Any standard life or endowment plans (without disability or double-indemnity benefits) issued by the insurance carrier.
2. A one (1) year term insurance plan which is convertible to the standard life or endowment plans referred to in option 1, above.
3. A term to age sixty-five (65) insurance plan.

32.10 SUPPLEMENTARY HEALTH AND HOSPITAL (INCLUDING VISION CARE AND HEARING AID)

32.10.1 The Employer shall pay one hundred percent (100%) of the monthly premium of the Supplementary Health and Hospital plan. Effective June 1, 2002, the Employer agrees to pay eighty percent (80%) of the monthly premiums for vision care and sixty percent (60%) of the monthly premiums for hearing aid coverage, under the Supplementary Health and Hospital Plan, with the balance of the monthly premiums being paid by the employee through payroll deduction.

32.10.2 Benefits provided under the Supplementary Health and Hospital plan, including Vision Care and Hearing Aid benefits, shall be the same as those provided for full-time regular employees and described in Article 39 (Supplementary Health and Hospital Insurance).

32.11 DENTAL PLAN

32.11.1 The Employer shall pay one hundred percent (100%) of the monthly premium for the Dental Plan.

- 32.11.2 Benefits provided under the Dental Plan shall be the same as those provided for full-time regular employees and described in Article 40 (Dental Plan), except that there shall be a limit of one thousand dollars (\$1,000) in benefits payable for expenses incurred in a calendar year, unless the employee maintains coverage during the whole period between seasonal employment, pursuant to Article 32.8.3 (Seasonal Employee Benefits – General), in which case there shall be no limit on benefits payable in a calendar year.
- 32.12 COMPRESSED WORK WEEK
- 32.12.1 It is understood that other arrangements regarding hours of work and overtime may be entered into between the parties on a local or ministry level with respect to variable work days or variable work weeks.
- 32.13 VACATION PAY
- 32.13.1 Five and three-quarters percent (5.75%) of gross pay shall be added to the employee's regular pay in lieu of vacation leave with pay.
- 32.13.2 The entitlements under 32.14.1 and 32.13.1 shall not be compounded.
- 32.14 HOLIDAYS
- 32.14.1 Four and six tenths percent (4.6%) of gross pay, not including vacation pay, shall be added to the employee's regular pay to compensate for the holidays as defined in Article 47 (Holidays). When the employee is required to work on any of these holidays, he or she shall be paid two (2) times his or her basic hourly rate for all hours worked in addition to the four and six tenths percent (4.6%). However, where the employee's equivalent regular service classification is in Schedule 6, the employee shall receive his or her regular day's pay when required to work on such a holiday in addition to the four and six tenths percent (4.6%).
- 32.15 BEREAVEMENT LEAVE
- 32.15.1 A seasonal employee who would otherwise have been at work shall be allowed up to three (3) days leave of absence with pay in the event of the death of his or her spouse, mother, father, mother-in-law, father-in-law, son, daughter, brother, sister, son-in-law, daughter-in-law, sister-in-law, brother-in-law, grandparent, grandchild, ward, guardian, stepson, step-daughter, stepmother, stepfather, step-grandparent, step-grandchild or same-sex spouse.
- 32.15.2 In addition to the foregoing, an employee shall be allowed up to two (2) days' leave of absence without pay to attend the funeral of a relative listed

in Articles 48.1 and 48.2 if the location of the funeral is greater than eight hundred kilometres (800 km) from the employee's residence.

32.16 ATTENDANCE CREDITS AND SICK LEAVE

32.16.1.1 A seasonal employee shall earn attendance credits of one and one-quarter (1¼) days for each calendar month of full attendance or for each calendar month of leave of absence granted under Article 32.19 (Pregnancy and Parental Leave). Attendance credits may only be used for income protection purposes in the event that an employee is unable to attend to his or her duties by reason of illness or injury.

For clarity, where a seasonal employee uses an attendance credit the hours covered by that credit will be counted as 'attendance' for the purposes of this Article.

32.16.1.2 Effective June 15, 1990, an employee shall accumulate unused attendance credits earned from period to period of seasonal employment within the same ministry.

32.16.1.3 Attendance credits earned and accumulated by an employee pursuant to Article 32.16.1.1 may be used only during the employee's periods of seasonal employment within a ministry.

32.16.1.4 An employee shall lose his or her accumulated attendance credits where:

- (a) the employee loses his or her seniority for any reason set out in Article 32.4.2 (Seniority);

32.16.3 Notwithstanding Article 32.16.2, the employee's manager may, at his or her discretion, require an employee to submit a medical certificate for a period of absence of less than five (5) days.

32.17 HEALTH AND SAFETY

70.2.2 The L.T.I.P. benefit to which an employee is entitled under Article 70.2.1 shall be reduced by the total of other disability or retirement benefits payable under any other plan toward which the Employer makes a contribution except for Workplace Safety and Insurance benefits paid for an unrelated disability, and such benefits are payable until the earliest of recovery, death or the end of the month in which the employee reaches age sixty-five (65).

70.2.3 The L.T.I.P. benefits commence after a qualification period of six (6) months from the date the employee becomes totally disabled, unless the employee elects to continue to use accumulated attendance credits on a day-to-day basis after the six (6) month period.

70.2.4 Total disability means the continuous inability as the result of illness, mental disorder, or injury of the insured employee to perform the essential duties of his or her normal occupation during the qualification period, and during the first twenty-four (24) months of the benefit period; and thereafter during the balance of the benefit period, the inability of the employee to perform the essential duties of any gainful occupation for which he or she is reasonably fitted by education, training or experience.

70.3 The Employer will continue to make pension contributions as well as the normal portion of premium payments for the Dental Plan and for Supplementary Health and Hospital on behalf of the employee while the employee receives or is qualified to receive L.T.I.P. benefits under the plan, unless the employee is supplementing a Workplace Safety and Insurance award. 70.4 A record of employment, if required in order to claim Employment Insurance sickness and disability benefits, will be granted to an employee and this document shall not be considered as termination of employment.

70.5 The L.T.I.P. coverage will terminate at the end of the calendar month in which an employee ceases to be a regular employee. If the employee is

totally disabled on the date his or her insurance terminates, he or she shall continue to be insured for that disability.

70.6 If, within three (3) months after benefits from the L.T.I.P. plan have ceased, an employee has a recurrence of a disability due to the same or a related cause, the L.T.I.P. benefit approved for the original disability will be reinstated immediately.

70.7 If an employee who is in receipt of L.T.I.P. benefits is resuming employment on a gradual basis (less than the regularly scheduled hours of work of that employee) during recovery, partial benefits shall be continued during rehabilitative employment.

“Rehabilitative employment” means remunerative employment while not yet fully recovered, following directly after the period of total disability for which benefits were received. When considering rehabilitative employment benefits, L.T.I.P. will take into account the employee’s training, education and experience. - 78.6 An employee, when he or she ceases to be an employee, shall have any accrued severance pay entitlements from his or her service when covered under Part B – Employee Benefits of the Central Collective Agreement calculated on the basis of his or her salary as though he or she was employed full-time.
- 78.7 In a case where an employee leaves employment with the Employer and acquires a job with a Crown Agency, the Employer may pay out the termination pay immediately or, by arrangement with the Crown Agency, transfer liability for the termination pay to the Crown Agency, in which case such liability will be assumed by the Crown Agency and the Employer will be relieved from any further obligation in this regard, save and except that where the Crown Agency does not satisfy its obligation, the Employer shall do so.

Re: Union Dues Data File

Dear Mr. Baxter,

This letter will confirm the understanding reached regarding the provision of union dues data for all bargaining unit employees and replaces the previous Appendix 1 and Appendix 2. This letter describes the parties' administration of Union dues check-off for all bargaining unit employees.

The Employer shall provide the Union with a monthly data file on Union dues. The data file shall contain the following information fields:

Ministry, Employee Name, Employee ID Number, Employment Status (i.e., active, leave with pay, leave without pay, terminated), Continuous Service Date, LTIP Reason (i.e., pending, approved, rehabilitation, reoccurrence), Full/Part Time Indicator, Employee Class (i.e., Regular, fixed-term), Sex, Geographic Work Location, Benefit Base Salary, Job Classification Code, Title and Category/Module, Payrate Amount and Code, Scheduled Hours, Class Schedule, Job Dues/Fees Code, Total Dues Deducted, Total Earnings, Home Position Indicator, Union Group, Change Indicator, and Reason Code.

Currently SIN numbers are being used in the place of the Employee ID number. The parties agree that the SIN number will be replaced by the Employee ID number within one year of ratification, during which time the parties will coordinate their electronic databases to facilitate this change.

Re: Recognition Clause in Article 1 of Collective Agreement

Dear Mr. Baxter:

The parties have agreed to incorporate the language of OIC 243/94, dated February 24, 1994, into the current collective agreement. The parties recognize that the addition of this language is a confirmation of the scope of the bargaining unit as it existed prior to the expiration of the collective agreement on December 31, 2004 and that it should not be interpreted as limiting or expanding the scope of the OPSEU bargaining unit outside of what existed on December 31, 2004.

This letter of understanding forms part of the collective agreement.

Elizabeth McKnight
Director, OPSEU Negotiations

JOINT INSURANCE BENEFITS REVIEW COMMITTEE

Joint Insurance Benefits Review Committee

(1) Name of Committee

The Committee shall be referred to as the Joint Insurance Benefits Review Committee.

(2) Purpose of Committee

The purpose of this Committee is to facilitate communications between the Employer and the OPSEU on the subject of Group Insurance, including Basic Life Insurance, Supplementary Life Insurance, Extended Health Insurance, Long Term Income Protection Insurance, and such other negotiated benefits as may, from time to time, be included in the Group Insurance Plan.

It is understood that the Group Insurance benefits to be provided to employees and the cost sharing arrangements between the Employer and its employees shall be as set out in any applicable collective agreement or arbitration award, and the matters for consideration by this Committee shall be only as set out in these terms of reference.

(3) Composition of Committee

The Committee shall be composed of an equal number of representatives from the Employer and from the OPSEU, with not more than eight (8) representatives in total. At meetings of the Committee, each party may be accompanied by an Actuary to provide technical advice and counsel.

(4) Duties of Committee

The duties of the Committee shall consist of the following:

- (i) Development of the specifications for the public tendering of any negotiated benefits which may be included in the Group Insurance Plan (to cover the bargaining unit only);
- (ii) Determination of the manner in which the specifications will be made available for public tendering;
- (iii) Consideration and examination of all tenders submitted in response to the specifications for tender and preparation of a report thereon;

- (iv) Recommendation to the Government of Ontario on the selection of the insurance carrier or carriers to underwrite the Group Insurance Plans;
- (v) Review of the semi-annual financial reports on the Group Insurance Plan; and
- (vi) Review of contentious claims and recommendations thereon, when such claim problems have not been resolved through the existing administrative procedures.

The specifications for tender will describe the benefits to be provided, the cost sharing arrangement between the Employer and its employees, the past financial history of the insurance plans, the employee data, the format for the retention illustration for each coverage and the financial reporting requirements. Tenders shall be entertained by the Committee from any individual insurance carrier acting solely on its own behalf. This shall not preclude such carrier from arranging reinsurance as may be necessary.

The basis for recommendation of an insurance carrier(s) will include the ability of the carrier(s) to underwrite the plan, compliance of the carrier's quotation with the specifications for tender, the carrier's service capabilities and the expected long term net cost of the benefits to be provided.

(5) Experience Review

The Committee will also meet every six (6) months to review the financial experience under these coverages. The specifications for tender will describe the information to be included in the semi-annual financial statements to be prepared by the insurance carrier(s). These statements will include paid premiums, paid claims, changes in reserve requirements for open and for unreported claims, incurred claims, the retention elements of commissions, taxes, administrative expenses, contingency reserve charges and interest credits on claim and other reserves. The insurance carrier(s) will also be required to report on the level and method of administering the Employer's and employees' deposit accounts.

The Committee shall request the insurance carrier(s) to provide such additional information for the Committee's consideration as may be required by either the Employer or the OPSEU.

If the Joint Insurance Benefits Review Committee fails to agree on a recommendation to the Government of Ontario on the selection of the insurance carrier(s) to underwrite the group insurance plan, the members of the said Committee nominated by the Employer and the OPSEU may each

make a recommendation in writing to the Government of Ontario on the selection of the insurance carrier(s) supported by reasons for their respective recommendations.

It is understood that the Government at all times retains the right to select whatever carrier(s) (to underwrite the Group Insurance Plan) it may consider would best serve the “public interest” and, in so doing, is under no obligation to select a carrier(s) that may be recommended by the Joint Insurance Benefits Review Committee.

(6) Claims Review Subcommittee

- (a) There shall be a subcommittee whose mandate is to review, and make decisions on, complaints or differences involving the denial of insured benefits under the Central Collective Agreement, when such issues have not been resolved through the existing administrative procedures, save and except a complaint or difference arising under Article 22.9.1 (Insured Benefits Grievance) of the Central Collective Agreement. The subcommittee shall be composed of two (2) representatives selected by the Employer, two (2) representatives selected by OPSEU, and an independent third party who is agreed to by both parties.
- (b) Appropriate impartial medical consultants shall be available to the subcommittee in an advisory capacity to provide information on the nature of specific illnesses or disabilities.
- (c) Membership on the subcommittee shall be for a one (1) year period, and is renewable at the discretion of the nominating party, or parties in the case of the renewal of the term of the independent third party.
- (d) Decisions of the subcommittee are final and binding.
- (e) The fees and expenses of the medical consultants referred to in clause (b), and the independent third party referred to in clause (a), shall be divided equally between the Employer and the Union.

IN THE MATTER OF Article 22.12 and Appendix 7

This will confirm certain understandings reached regarding the operation of the Joint System Subcommittee (JSSC).

It is acknowledged that there is a perception that the JSSC has not worked effectively. It is the desire of both parties that the JSSC be an effective consultation forum, and that classification matters be dealt with.

It is agreed that, within thirty (30) days of the date of ratification, the parties will appoint two senior persons from each side to examine the workings of the JSSC, and make recommendations to improve its operation.

The matters to be examined by the parties will include:

- (1) methods to ensure that members of the JSSC are empowered to make decisions on classification matters;
- (2) means to ensure the prompt disposition of classification disputes;
- (3) criteria by which the JSSC is to make decisions;
- (4) such other matters regarding classifications as the parties may agree upon.

EMPLOYMENT STABILITY

Mr. Andrew Todd
Chief Negotiator
Ontario Public Service Employees Union
100 Lesmill Road
NORTH YORK, Ontario

Dear Mr. Todd:

Re: Employment Stability

The Government is aware that its restructuring initiatives over the next two fiscal years (1996/97, 1997/98) could have a significant effect on employees, some of whom have served for a lengthy period. Accordingly, commencing with the ratification of the collective agreement and ending on December 31, 2014, the Employer undertakes the following:

1. (a) The Employer will make reasonable efforts to ensure that, where there is a disposition or any other transfer of bargaining unit functions or jobs to the private or broader public sectors, employees in the bargaining unit are offered positions with the new employer on terms and conditions that are as close as possible to the then existing terms and conditions of employment of the employees in the bargaining unit, and, where less than the full complement of employees is offered positions, to ensure that offers are made on the basis of seniority. When an employee has been transferred to a new employer he or she will be deemed to have resigned and no other provisions of the Collective Agreement will apply except for Article 53 or 78 (Termination Pay).
- (b) Where the salary of the job offered by the new employer is less than eighty-five percent (85%) of the employee's current salary, or if the employee's service or seniority are not carried over to the new employer, the employee may decline the offer. In such a case, the employee may exercise the rights prescribed by Article 20 (Employment Stability) and/or paragraphs 2 to 5 of this Appendix. The employee must elect whether or not to accept employment with the new employer within three (3) days of receiving an offer. In default of election, the employee shall be deemed to have accepted the offer.

2. (a) Employees who have been declared surplus may continue to accrue pension credits for the period represented by their Article 53 or 78 termination payment subject to the appropriate contributions by the Employer and the employee. This arrangement meets the requirements of the OPSEU Pension Plan including compliance with legislation governing the OPSEU Pension Plan. This arrangement is contingent on Revenue Canada approval. This paragraph will not apply to employees described in paragraph 1 who are transferred to a new employer or, subject to 1(b), who decline a transfer to a new employer.

- or -

- (b) In the alternative, employees who have been declared surplus may take a pension bridging option as a leave of absence without pay but with the continued accrual of pension credits, if the sum of:
- (i) the six (6) month notice period;
 - (ii) the number of weeks of paid leave of absence that the employee's termination payments can be converted into under the current provisions of Articles 53 or 78 (excluding attendance credits); plus
 - (iii) a maximum of two (2) years leave of absence without pay, but with continued accrual of pension credits,

would bring the employee to the next earliest date on which he or she could exercise an actuarially unreduced pension option under the OPSEU Pension Plan.

For any specific individual, the maximum amount of leave that can be taken for the pension bridging option shall be calculated as follows:

- (A1) determine the total amount of time from the date on which the employee receives the surplus notice that is needed for the individual to reach the next earliest of his or her actuarially unreduced pension options and, from that amount, subtract:
 - (i) the employee's six (6) month notice period; and
 - (ii) the number of weeks of paid leave of absence that the employee's termination payments can be converted into under the existing provisions of Article 53 or 78 (excluding attendance credits).
- (B1) the remainder to the extent that it is no more than two (2) years, shall be available as a leave of absence without pay but with continued accrual of pension credits. During the leave without pay, employees may choose to purchase all benefits coverage with the exception of the Short Term Sickness Plan and the Long Term Income Protection plan.

The leaves of absence shall commence before the conclusion of the employee's six (6) month notice period and shall be taken as follows:

- (A2) the unpaid leave of absence, the maximum of which is determined in accordance with (B1) above, shall be taken first. During this leave of absence, in lieu of the employee's pension contributions being made directly from the employee, the employee's right to enhanced severance under paragraph 4 of this letter shall be reduced by an equivalent amount, which the Employer shall pay into the pension plan and the Employer contributions shall also be paid into the pension plan;
- (B2) the leave of absence with pay equal to the employee's number of weeks of Article 53 or 78 termination payments shall be taken after the leave without pay in (A2) above. During this leave of absence the employee's pension contributions shall be deducted from the employee's bi-weekly payments;
- (C2) at the conclusion of the leave of absence with pay the employee shall return to complete whatever portion of the six (6) month notice period remains. For greater certainty, the requirement to return may be satisfied by the use of vacation credits. At the end of this period, the employee:
 - (i) shall retire;
 - (ii) shall receive the enhanced severance, reduced by an amount equivalent to his or her pension contributions for the unpaid leave of absence; and
 - (iii) shall be entitled to exercise his or her right to an actuarially unreduced pension.

This arrangement meets the requirements of the OPSEU Pension Plan including compliance with legislation governing the OPSEU Pension Plan. This arrangement is contingent on Revenue Canada approval.

This paragraph will not apply to employees described in paragraph 1 who are transferred to a new employer or, subject to 1(b), who decline a transfer to a new employer.

Surplus employees who choose any of these pension bridging options in (2) shall waive all rights to displacement, redeployment, pay in lieu and recall.

3. An employee who has reached Factor 80 on or before March 31, 1996, and did not retire within his or her Factor 80 window, shall, if declared surplus,

be eligible to re-qualify under the Factor 80 program, provided he or she so elects in writing within thirty (30) days of receipt of notice of lay-off, and, where he or she so elects, the employee shall retire within the thirty (30) day period and all other rights under this agreement are forfeited, save and except Article 53 or 78 (Termination Pay). For the sake of clarity, it is agreed that an employee who is given an offer to accept employment with a new employer pursuant to paragraph 1, who is otherwise eligible to re-qualify under the Factor 80 program, shall be considered eligible to re-qualify as prescribed herein. The Plan Sponsors agree to take steps to amend the OPSEU Pension Plan in an expeditious manner to provide for the re-opening of the Factor 80 window for those employees described herein. This arrangement meets the requirements of the OPSEU Pension Plan including compliance with legislation governing the OPSEU Pension Plan. This arrangement is contingent on Revenue Canada approval.

4. (a) Receipt of surplus notice on or before December 31, 2005:

Employees who are laid off or who have resigned and received their pay in lieu of notice pursuant to Article 20A.2 (Notice and Pay in Lieu) will receive, in addition to their Article 53 or 78 termination payments, a further severance package of one (1) week's salary for every completed year of continuous service. This paragraph will not apply to employees who are eligible to retire and receive an actuarially unreduced pension or, as a result of the application of paragraph 2 (a), will become entitled to receive an actuarially unreduced pension. Employees who are entitled to the amounts specified in Article 20A.3 (Separation Allowance) shall receive the greater of those amounts or the amount specified in this paragraph. (For the sake of clarity, it is understood that a person who resigns pursuant to Article 20A.3 (Separation Allowance) shall be considered to be laid off for the purpose of this paragraph.) This paragraph will not apply to employees described in paragraph 1 who are transferred to a new employer or, subject to 1(b), who decline a transfer to a new employer.

(b) Receipt of surplus notice on or after January 1, 2006:

Employees who are laid off or who have resigned and received their pay in lieu of notice pursuant to Article 20.2 (Notice and Pay in Lieu) will receive, in addition to their Article 53 or 78 termination payments, a further severance package of one (1) week's salary for every completed year of continuous service. This paragraph will not apply to employees who are eligible to retire and receive an actuarially unreduced pension or, as a result of the application of paragraph 2 (a), will become entitled to receive an actuarially unreduced pension. This paragraph will not apply to employees described in paragraph

1 who are transferred to a new employer or, subject to 1(b), who decline a transfer to a new employer.

5. Where an operation or part thereof is being disposed of, and the Employer has determined that an opportunity for tendering or bidding is warranted, employees shall be given the opportunity to submit a tender or bid on the same basis as others.

Yours truly,
Kevin Wilson

1. This Memorandum of Agreement is based on negotiations held pursuant to Appendix 12 of the Collective Agreement between the parties, expiring December 31, 2014, and is subject to the definitions, principles and terms set out in the Collective Agreement.
2. This Memorandum of Agreement will become effective upon being signed by the parties. As per Appendix 12 of the Collective Agreement, this agreement will be presented to the CERC so that recommendations can be appended into the Collective Agreement and implemented for the remaining period of the collective agreement.
3. The provisions of this Memorandum of Agreement will ensure that student wage rates are standardized across the Ontario Public Service for those covered by the Collective Agreement between the parties.
4. Students in post secondary Co-operative Programs will be paid a percentage of the entry level of the appropriate classification specified in the Collective Agreement, as follows:

Work Term	Percentage
1	60%
2	64
3	68
4	72
5	76
6	80

5. Students in Special Employment Programs shall be paid as follows:

January 1, 2009	\$ 8.75
March 31, 2009	\$ 9.50
March 31, 2010	\$10.25

6. Students in the Ontario/Quebec Summer Student Job Exchange Program shall be paid the rate negotiated with OPSEU prior to negotiations between the Ontario and Quebec Governments as follows:

For the Employer:

Appendix – A

Framework for Students Wage Rates

1. This framework will be submitted to the Joint System Sub-Committee for its use in developing a Student Job Evaluation System for all student positions to present to CERC for agreement in accordance with Appendix 12 of the Collective Agreement expiring on December 31, 2014.
2. The primary factors underpinning the Student Job Evaluation System are Complexity, Skills/Knowledge and Supervision.

The Employer shall be guided by the factors prescribed by the *Pay Equity Act* in the development of the job evaluation system and shall adhere to all legislative requirements.

The provisions will also recognize the different skills levels required and types of employment opportunities for students in their employment within the Ontario Public Service.

LEVEL 1

Jobs under classification Level 1 will reflect work which is routine and limited in complexity. These jobs may require additional supervision (e.g., team lead) and do not require a special skill level.

LEVEL 2

Jobs classified at Level 2 will involve work that is more varied and complex in nature. The jobs typically require knowledge from a related area of study and an increased level of skills. These jobs require limited supervision as students are required to work independently. If the job requires a license or certificate (e.g., first aid certificate, equipment operator's license/certificate), it is automatically assigned to classification level 2.

3. Rates for these two levels are:

January 1, 2009

Level 1 \$ 9.17

Level 2 \$11.10

March 31, 2009

Level 1 \$ 9.50

Level 2 \$11.10

March 31, 2010

Level 1 \$10.25

Level 2 \$11.10

4. It is understood that the job evaluation system and accompanying pay rates are not arbitrable, pursuant to the *Crown Employees Collective Bargaining Act*.

FIXED-TERM EMPLOYEES

Letter of Understanding

Mr. Brian Gould, Chief Negotiator
Ontario Public Service Employees Union
100 Lesmill Road
North York, Ontario

Re: Fixed-Term Category of Employee

Dear Mr. Gould,

The Parties agree that it is mutually beneficial to promote a workplace that provides work stability, opportunity and a commitment to deliver quality public services. With this in mind, it is in our common interest to address labour relations issues in a manner that places the emphasis on creative problem solving that leads to mutually beneficial solutions. Given that the use of a temporary workforce is an issue of importance to the union and the parties have recently worked together to improve opportunities for temporary workers in the OPS, it is in our mutual best interest to continue constructive dialogues on this matter.

The Parties also agree on the importance of retaining and promoting a skilled and adaptable workforce. It is therefore agreed that individual MERCs will work cooperatively to explore opportunities that will reduce the use of fixed-term workers or transition fixed-term employees to the Regular Service. This will be achieved through a regular review of fixed-term usage and meaningful discussion that is aimed at identifying prospects for reducing the size of the fixed-term workforce.

In such a case, the employee may exercise the rights prescribed by Article 20 (Employment Stability) and/or paragraphs 2 to 5 of Appendix 9. Upon receipt of surplus notice, employees who elected not to be included in the RFP will not be entitled to any other benefits or rights under the collective agreement or this agreement, effective the date they exit the OPS. Notwithstanding the generality of the foregoing, upon receipt of surplus notice, these employees will have no other rights under Article 20, except for Article 20.14, and Article 20.18. Employees electing in advance to not be included in the RFP will also receive a sum equal to five hundred (\$500.00) for the purpose of obtaining resume writing and career transition services.

- 6C.3.1 For employees electing to be included in the RFP, the Employer shall include, in the RFP, the mandatory requirement that proponents must commit in their proposal to make job offers to the identified OPSEU regular employees for 100% of the positions, in the receiving employer's workplace, which are created as a result of the RFP.

- 6C.3.2 If less employees elect to be included in the RFP than the full complement of positions created, the proponent must make job offers to all employees electing to be included in the RFP.

- 6C.3.3 If more employees elect to be included in the RFP, in accordance with Article 6C.1, than the full complement of positions created by the RFP, the proponent must make job offers on the basis of seniority. Employees may decline job offers in descending order of seniority until the number of persons who have declined job offers is equal to the difference between

the number of employees in the RFP and the number of positions created by the RFP. These employees will be entitled to all rights and entitlements in Article 6C.2.

- 6C.3.3.1 Other employees who decline job offers to the extent that the full complement of positions created cannot be filled, will be deemed to have resigned and no other provisions of the Collective Agreement will apply except for Article 53 or 78 (Termination Pay).
- 6C.3.4 Such job offers shall be at a salary of at least eighty-five percent (85%) of the respective employee's weekly salary at the time of the issuance of the RFP and shall recognize the service and seniority in the Ontario Public Service (OPS) of each employee for the purpose of qualification for vacation, benefits (except pension), layoff, job competition, severance and termination payments to the extent that they are provided in the proponent's workplace.
- 6C.3.5 Any payments made under article 53 or 78 of the Collective Agreement shall be set off against any calculation of severance pay under a collective agreement or term of employment with the receiving employer in respect of OPS service. Such payments under articles 53 and 78 may be set off against severance payments under the *Employment Standards Act* in accordance with that Act.
- 6C.4 The parties agree the Employer will not be required to undertake HRIF negotiations with, or to provide any additional incentive funds to the receiving Employer or to include any HR Factor as a rated requirement in the evaluation of proposals for the purpose of improving the job offers made by the receiving Employer.
- 6C.5 Employees included in the RFP and who do not accept a job offer under this provision, with the exception of employees covered by Article 6C.3.3, will be deemed to have resigned and no other provisions of the Collective Agreement will apply except for Article 53 or 78 (Termination Pay).
- 6C.6 Employees who accept a job offer in accordance with Article 6C.3.4 with a receiving employer will be deemed to have resigned effective the date they commence employment with the new employer, and no other provisions of the Collective Agreement will apply except for Article 53 or 78 (Termination Pay).
- 6C.7 The parties agree that the Employer's compliance with the provisions of Article 6C.0 meets its obligations under Appendix 9 paragraphs 1, 4 and 5 for the Schedule C transfers.

7.0 Schedule D Transfers (Transfers not Included in Schedule A , B and C)

- 7.1 In respect to all other dispositions or transfers of bargaining unit jobs or functions involving transfers not included in Schedule A, B and C, occurring during the term of this Agreement, affected employees will be surplus as a result of the transfer or disposition subject to the terms of the collective agreement. The date of the issuance of the surplus notice will be determined by the Employer.
- 7.2 The parties agree that the employer's compliance with the provisions of Article 7.0 meets all obligations under Appendix 9 paragraphs 1,4 and 5 for the transfers not listed in Schedule A, B, or C.

8.0 Agreement and RFP Review

- 8.1 All disputes arising out of Article 5.0, 6.0 or 6C.0 must be determined pursuant to Article 8.0. Any other grievances under this agreement will go through the dispute resolution process in Article 4.2
- 8.2 When the Employer releases a tender under Schedule A or C, the Employer agrees that OPSEU will be provided with a copy of the RFP that the Ministry has released. If OPSEU believes that the tender is not in compliance with either Article 5.0 or Article 6C.0 as appropriate, OPSEU may refer the matter to mediation/arbitration and the matter must be resolved fifteen (15) days prior to the closing of the tender.
- 8.3 When the employer signs a transfer agreement with a hospital, municipality or other employer in respect to transfers under Schedule B, the employer agrees that OPSEU will be provided with a copy of the transfer agreement that the employer has signed with the municipality, hospital or other receiving employer. If OPSEU believes that the transfer agreement is not in compliance with Article 6.0, OPSEU may refer the matter to mediation/arbitration within a seven (7) calendar day time period and the matter must be resolved within that time period.

8.4 Arbitration – Placement of a transfer on a schedule

- 8.4.1 The Parties agree that the determination of the method and/or manner, and the quantity and timing of the transfer of any service to a service provider other than the Crown is at the discretion of the Employer and shall be deemed to be in accordance with Article 2.1 of the collective agreement.
- 8.4.2 The Parties agree that before the Employer places a transfer on Schedule D (Other Transfers), it will notify the Union of its intentions. If OPSEU

disputes the placement of the transfer on Schedule D, then the following procedure will apply:

- (i) OPSEU will have seven calendar (7) days after being notified to grieve and fully resolve the placement of the transfer on Schedule D (Other Transfers);
- (ii) The sole criterion for placing a transfer of a function or work, from a specific program area, in Schedule D is whether, in the judgement of the Ministry based on operational needs, a single receiving employer would create less than eleven (11) full-time bargaining unit related jobs. The jobs must be created in the single receiving employer's workplace, as a result of the transfer of the function or work, in the thirty (30) calendar day time period immediately following the transfer of the work. All of a receiving employer's worksites within a single municipality shall be considered one workplace in Article 8.4.2 ii.
- (iii) Where it is determined that the transfer should not have been placed on Schedule D, the employer can only be required to remove the transfer from Schedule D. The determination of which of the schedules (A, B, or C) the transfer will be moved to, will be made in accordance with paragraphs 8.4.1.

9.0 Remedy

The parties agree that in the event of an alleged violation of this agreement that the issue(s) in dispute shall be resolved through binding arbitration as defined elsewhere in this agreement. The parties agree that Arbitrator(s) deciding grievances related to paragraphs 1, 4 and 5 of Appendix 9 filed prior to this agreement should consider in addition to any other considerations, the interpretations of the employer's obligations under paragraphs 1,4 and 5 Appendix 9 provided by this agreement.

10.0 Term

The terms of this memorandum of agreement and the reasonable efforts obligations in Appendix 9 will continue until such time as the terms of the next collective agreement cease to apply.

11.0 Psychiatric Hospitals

- 11.1 In order to ensure there are votes in appropriate circumstances and that OPSEU is on the ballot, the Employer will recommend to Cabinet that

a regulation be passed by January 22, 1999 which will apply the *Public Sector Labour Relations Transition Act 1997* pursuant to S.10 of that Act, when all or a substantial part of the work of the psychiatric hospital is transferred from the Crown to a public hospital where the employees doing that work would fall within the scope of a preexisting bargaining unit at the receiving hospital. The regulation will specify the transfer date as the changeover date and the public hospital and the Crown as predecessor employers.

- 11.2 If the aforementioned regulation is not passed by January 22, 1999, or an agreed extension, then this agreement is voidable at the union's option.

Dated and signed at TORONTO, Ontario, this 20th day of January 1999.

ONTARIO INTERNSHIP PROGRAM**

MEMORANDUM OF AGREEMENT

between

**THE CROWN IN RIGHT OF ONTARIO
(MANAGEMENT BOARD OF CABINET)**

and

ONTARIO PUBLIC SERVICE EMPLOYEES UNION

Preamble:

The Province of Ontario has introduced a Corporate Internship Program to support the goals of the *Human Resource Strategy for the Ontario Public Service (OPS)*.

Each year, based on the needs of the organization, the Ministry of Government Services (MGS) will review and identify key skill areas where recruitment should be focused. Positions will be assigned to a specific occupational group where there is an identified skill shortage.

The internship program will provide each successful candidate with structured work experiences and learning opportunities through rotational assignments.

The internship program is not intended to adversely affect promotional, training and developmental opportunities of employees in the OPSEU bargaining unit.

The parties hereby agree as follows:

1. This agreement is intended to facilitate the implementation of the Corporate Internship Program within the OPS.
2. For the duration of this agreement the Crown will recruit for the Ontario Internship Program in total, up to one hundred and fifty (150) (with no obligation to reach this number) post secondary graduates each fiscal year. The nature of the work performed in the individual rotational assignment will determine whether the intern falls within the scope of OPSEU, AMAPCEO or Management/Excluded.

3. Interns will be hired by MGS on fixed-term contracts for a period of up to two (2) years. Compensation will begin at the appropriate entry level rate for interns and reflect the developmental and training nature of the rotational assignments. However, where the selected candidate is in the Regular Service, they may be assigned on a temporary assignment basis for a period of up to two (2) years while continuing to retain their Regular employment status. Despite any other articles related to temporary assignments and/or pay administration in the collective agreement, compensation for the intern temporary assignment will begin at the appropriate entry level rate for interns and reflect the developmental and training nature of the rotational assignments.
4. As training opportunities, the internship appointments will not be considered as vacant or new positions which otherwise require posting in accordance with the collective agreement.
5. The Parties agree that Article 31A.15 of the Collective Agreement does not apply to the internship assignments or interns.
6. Interns will be entitled to apply to restricted competitions for twelve (12) months after the expiry of their final contract with the Ontario Internship Program. It is understood that the positions posted will have previously cleared surplus.
7. Each year, the Employer will advise OPSEU of the internship assignments that the Employer has identified as being excluded from the bargaining unit. Where new assignments are considered, the Employer will advise OPSEU in a timely manner.
8. The Employer agrees to report the total number of interns to the Central Employee Relations Committee (CERC) quarterly.
9. The Employer agrees to consult with OPSEU through the Central Employee Relations Committee on issues which arise through the operation of the Corporate Internship Program.
10. Internship assignments will not:
 1. Include the non-trivial work of an OPSEU employee in the work unit who has been designated surplus or an OPSEU position that has been abolished in a work unit within the preceding 24 months.
 2. Be in work units under pre-notice of layoff under Article 20. When a pre-notice occurs within the work unit, any intern in the work unit will be reassigned.

3. Substitute for the recruitment of an OPSEU position.
 4. Adversely affect direct assignment/recall opportunities of employees in the bargaining unit.
- 11.1 Disputes that arise respecting this agreement and the exclusion of internship assignments shall be resolved by mediation/arbitration in an expeditious and informal manner without prejudice. The mediator/arbitrator shall have all powers of an arbitrator under the Crown Employees Collective Bargaining Act.
 - 11.2 The parties shall appoint a mediator / arbitrator from the following list:
 - Ken Petryshyn
 - Loretta Mikus
 - Deborah Leighton
 - 11.2.1 If the parties are unable to settle the dispute in mediation, the mediator/arbitrator shall endeavour to assist the parties to agree upon the material facts in dispute and then shall determine the dispute by arbitration.
 - 11.2.2 When determining the dispute, the mediator/arbitrator may limit the nature and the extent of evidence and submissions and may impose such conditions that he or she considers appropriate.
 - 11.2.3 The mediator/arbitrator shall be requested to make a decision within five days, but no later than ten (10) days after completing proceedings on the dispute submitted to arbitration.
 - 11.3 The fees and expenses of the mediator/arbitrator shall be divided equally among the parties.
 12. The term of this agreement shall continue from the date of signing until the expiry of the OPSEU Collective Agreement.

Signed at Toronto, Ontario this 24th day of January, 2013.

9. The parties agree to discuss broad issues relating to the application of this Agreement at the Central Employee Relations Committee.
10. This Memorandum expires on the expiry of the Collective Agreement.

INNOVATION FUND

OPSEU

Dear Ms Casselman:

Re: Innovation Fund

It is widely recognized that fostering a climate of innovation within an organization contributes to organizational health and can make for more rewarding careers for employees. In addition, employee experience is a significant resource for promoting better business solutions that respond to public need.

In recognition of this, I can confirm our advice during negotiations that the Employer will establish a program to foster innovation across the Ontario Public Service and to support, recognize and reward the effort of employees in the development of innovative solutions to the wide variety of operational issues and problems facing the OPS. To support the program, the employer will establish a fund to reward employees for matters such as:

- a) the initiation, development and/or implementation of innovative workplace solutions that are of significant value to the Ontario Public Service;
- b) the creation and advancement of workplace procedures and best practices that are of significant value to the Ontario Public Service;
- c) other innovative developments of a similar nature.

As part of the program, a system of cash awards will be set up for this purpose, and it is understood that these will be available to employees throughout the OPS, including OPSEU-represented employees. It is agreed that the Employer will review the criteria for distributing the awards to OPSEU-represented employees with the Central Employee Relations Committee (CERC), prior to implementation.

Where service delivery crosses more than one ministry, the affected MERCs will form a working group to resolve workload issues.

The committee may refer to the CERC items that have been discussed at this level but remain unresolved.

The committee will establish a timeframe within which to respond to an agenda issue discussed at a meeting. In determining a timeframe the parties shall consider the complexity of the issue and allow sufficient time to investigate and respond. In the event that the parties cannot determine a timeframe, a response must be given within thirty (30) working days from the date of the meeting at which the issue was discussed.

An agenda as developed by the Co-Chairs shall be circulated to the members of the committee at least three (3) working days in advance of the date of the meeting.

At the conclusion of the meeting the Co-Chairs shall ensure that draft minutes of the meeting are prepared and circulated to the members of the committee within ten (10) working days from the date of the meeting. These minutes shall be signed by the Co-Chairs who authorize them for distribution. The signed minutes will be posted on the Ministry's intranet and on the Union's website.

MEMORANDUM OF AGREEMENT

between

**THE CROWN IN RIGHT OF ONTARIO
(represented Ministry of Government Services)
(hereinafter referred to as "the Employer")**

- and -

**ONTARIO PUBLIC SERVICE EMPLOYEES UNION
(hereinafter referred to as "the Union")**

Re: Flexible Part-time staff

WHEREAS:

The parties recognize that the majority of irregularly scheduled court support staff employed by the Ministry of Attorney General are not Regular part-time employees (RPT) as defined in the Collective Agreement, and,

The parties recognize and value the service and contribution of the court support staff, and,

The parties have a mutual interest in maintaining flexible part-time (FPT) regular positions in order to better attract and retain skilled, trained and experienced employees, and,

The parties have engaged in joint efforts to facilitate the establishment of this new flexible, part-time model which confers regular status and overall, the key stakeholders including managers, employees and the Ministry Employee Relations Committee, are supportive of the initiative,

NOW THEREFORE, without prejudice or precedent to any other matter, the parties agree to the following:

1. APPLICATION

This Memorandum of Agreement (hereinafter referred to as the "Agreement") applies to irregularly scheduled regular court support staff (hereinafter referred to

as “employees” or “courtroom staff”) employed by the Court Services Division of the Ministry of the Attorney General. These employees include Court Clerks, Court Registrars, Court Monitors, Court Reporters, Court Service Officers, Court Service Specialists and Court Interpreters.

2. PRINCIPLES

The parties agree that:

- a) Employees will be assigned work as follows:
 - i) The employer recognizes that the primary work of courtroom staff will be working in the courtroom as described in their job specifications.
 - ii) In accordance with Article 2 of the Collective Agreement recognizing management’s right to assign work, the employer will assign work to courtroom staff that supports the overall administration of the courts. This work will be both inside and outside the courtroom as needed. Such assignment of work will have no adverse impact on full-time regular court office staff.
- b) Subject only to the specific provisions in the Collective Agreement, the Ministry may continue to hire and use fixed-term employees in the courts as required in accordance with operational need. The parties further agree that the contents of this Memorandum are not in any way intended to alter the commitments in the Collective Agreement with respect to the reduction of the fixed-term workforce. Further, the Employer agrees that the contents of this Memorandum are not intended to result in increased usage of fixed-term employees nor to reduce the work of regular employees.

3. HOURS CATEGORIES AND ASSOCIATED PAYMENT PROVISIONS

- a) Flexible Part-time (FPT) employees shall be assigned to one of two minimum annual hours categories as follows:
 - Category 1: a minimum of 1000 hours per annum;
 - Category 2: a minimum of 1500 hours per annum;
- b) The employer maintains the right to schedule employees beyond the minimum hours for category 1 and 2 above.
- c) For each annual hours category, each FPT employee will receive consistent bi-weekly pay based on the minimum weekly hours for their category. In addition, pay for hours worked in excess of the minimum weekly hours up to 36.25 hours per week will be paid on the bi-weekly pay at the regular hourly rate. For clarity, all hours worked by employees regardless of pay rate, shall be counted as hours worked towards the accrual of minimum category hours.

- d) All authorized hours worked by flexible part-time employees in excess of 36 ¼ hours per week will be paid at the time and one half (1 ½) rate within two months of the pay period within which the overtime was actually worked.
- e) In addition to the minimum number of hours provided in an employee's assigned annual hours category, any authorized hours worked up to ten percent (10%) above the employee's assigned annual hours category ("overtime hours") will be paid at straight time rates. FPT employees will receive additional compensation at one-half (1/2) the Employee's straight time rate for authorized hours worked in excess of the assigned annual hours category plus 10 percent (10%) overage, less any hours already paid at the overtime rate per paragraph 3(d) above. For clarification, calculations for the purpose of determining additional compensation in accordance with this section will be based on the calendar year the hours were worked and be done at the end of the averaging period. For example:
- 1000 hour category FPT employee works a total of 1300 hours in a year;
 - Of those 1300 hours, 100 (or 10% of 1000) are overage hours and therefore will have been paid at straight time rate;
 - Of the remaining 200 hours, 70 were already paid at the overtime rates as they were hours worked in excess of 36 ¼ hours in a week per 3(d) above;
 - Of the remaining 130 hours which were already paid at the straight time rate, the employee would receive an additional 50% of their hourly rate for those 130 hours.
- f) Where an employee reports for work at his or her scheduled starting time and work is not available, or the work is less than two (2) hours, he or she shall receive two (2) hours' credit towards his or her annual assigned hours.

This shall not apply where the employee has been notified, at least two (2) hours prior to his or her scheduled starting time, not to report for work.

Where the employee has been directed to return to work on the same day and there is no work or less than two (2) hours of work, he or she shall receive an additional two (2) hours' credit towards his or her annual assigned hours.

Where the Employer is unable to post work schedules for the following week by Friday at noon, then the Employer shall notify employees of their work schedule as soon as practical. For clarity, for the purposes of this article, a week is defined as Monday through Sunday.

- g) The employer will make reasonable efforts subject to operational feasibility to ensure employees are scheduled to work the minimum annual hours for their category. Where an employee does not work his/her minimum annual hours threshold, his/her deficit hours will be carried over to the next calendar year for recovery. Deficit hours will be recovered from any hours worked above

the employee's weekly threshold and before any hours in excess of the weekly minimum hours are paid.

- b) The parties further agree that these terms are independent of any entitlements individuals may have under Article 73 – Holiday Payment of the Collective Agreement.

4. APPLICABLE COLLECTIVE AGREEMENT PROVISIONS

- a) The following terms of the Collective Agreement apply to Flexible Part-time courtroom staff of the Ministry of the Attorney General: Articles 1, 2, 3, 4, 5, 6, 8, 13, 14, 15, 16, 17, 18.1(c), 18.2, 19, 21, 22, 23, 24, 25, 26, 27, 28, 29, 45, 56.4, 60, 64, 65, 66, 67, 68, 69, 72, 74, 75, 76, 77, 78, 79, 80, UN6, UN7, UN9, UN11, UN15 and Appendices 9, 13 and 18.

CLASSIFICATION SYSTEM

Letter of Understanding

Mr. Terry Baxter, Chief Negotiator
Ontario Public Service Employees Union
100 Lesmill Road
North York, Ontario
M3B 3P8

Re: Classification System

Dear Mr. Baxter,

This will confirm certain understandings reached during collective bargaining regarding the classification system.

Both parties recognize that the current classification system is outdated and requires revision. Previous attempts to design a new system have been unsuccessful, and it is recognized that any such undertaking, because of its size and complexity, must be addressed with a large measure of care, deliberation and commitment.

Both parties recognize that the OPS Pay Equity Plan must be maintained, and that all work should be valued on the basis of skill, effort, responsibility and working conditions.

With these principles in mind, the parties agree to the following:

Development and Testing

1. As soon as possible and not less than four months after ratification, the Employer shall retain a consultant to advise and assist in developing a work plan for the design, development and implementation of a gender-neutral new classification system for each bargaining unit, and develop two pay equity plans, one for each bargaining unit. Provided that the Union agrees to abide by the Employer's procurement rules, the Union shall be entitled to have input into the selection of the Consultant. The parties shall attempt to come to consensus regarding the selection of the Consultant, failing which the Employer shall make the selection.

Joint Working Group (JWG)

2. Within one month of ratification, the parties will establish a Joint Working Group, consisting of three (3) persons appointed by each party, to:
 - a. Provide input and recommendations into the design of the job evaluation systems (JES) and workplan;
 - b. Review and identify job classes with a view to the definition of job class in the Pay Equity Act. The JWG shall make every effort to complete this work within four months of ratification;
 - c. Identify benchmark jobs and develop a testing process with the Consultant;
 - d. Review and provide input into job descriptions for the benchmark jobs prepared by the Employer;
 - e. Review and test the systems recommended by the Consultant;
 - f. Provide input into the customization of the systems based on the testing results;
 - g. Assess methods of ensuring pay equity compliance, including a pay equity maintenance process.
3. It is understood that the joint working group shall not deal with any salary issues.
4. The parties shall attempt to reach consensus on the final design of the JES, and will make every effort to complete the development and testing of the new systems within eight months of hiring the consultant.
5. The parties may agree to use a facilitator to assist the Joint Working Group in identifying, reviewing and addressing various issues.
6. Should the parties not reach consensus, either party may proceed with whatever steps are required to ensure compliance with the *Pay Equity Act*.
7. The Employer agrees to release two (2) employees in the bargaining unit for a period of up to twelve (12) months, with no loss of regular pay or credits, for the purpose of participation on the Joint Working Group. This period may be extended by mutual consent.

Job Information Gathering and Job Evaluation

8. After testing and customization of the systems, the Employer will prepare generic job descriptions from input gathered from a sample group of incumbents in benchmark job classes, to cover the work of each job class, and shall initiate the evaluation of jobs and job classes based on the new systems.
9. The Employer undertakes to make every effort to complete the development and evaluation of generic job descriptions for all job classes in the two bargaining units within the term of the Collective Agreement.
10. The parties shall first address pay equity requirements, and shall then proceed to discuss the application of the JES to all job classes in the two bargaining units.

General

11. The following Pay Administration rule pertains only to employees moving from the current job classification system into the new job evaluation/ classification system
 - An employee whose current salary is above the maximum of the new salary range for his/her position shall maintain his/her current salary until the maximum of the new salary range exceeds their salary, at which time he or she is entitled to salary progression. For clarity the employee will not be entitled to receive across the board increases, if any, while his/her salary is above the new maximum of the new salary range.
12. Nothing in this agreement should be interpreted as management waiving its rights to manage the classification system. Similarly, nothing in this agreement should be interpreted as waiving the legal rights of the Union and employees.

Joint System Subcommittee – JSSC

13. To assist in addressing the current backlog of classification grievances, the Employer will agree to release two (2) employees in the bargaining unit for a period of twelve (12) months, with no loss of regular pay or credits, for the purpose of assisting in having the current backlog dealt with by the JSSC. The parties undertake to expedite the consideration of all outstanding classification grievances by the JSSC as soon as possible, and will cooperate to ensure that this is done.

To this end the committee will:

- a. first review and finalize a list of all grievances received by the Employer up to the date of ratification, and group similar grievances together;
 - b. ensure grievances reviewed by the committee are valid classification grievances; grievances requiring changes to class standards or the job evaluation system as a remedy will be referred to the Joint Working Group of the Job Evaluation project and as such will be considered closed;
 - c. establish within thirty (30) days of the first meeting, a schedule for the review of all classification grievances for the finalized list for the backlog; to be reviewed within twelve months of the first meeting.
14. The parties agree to the appointment of Gerry Lee as a mediator to assist in expediting consideration of the outstanding disputes and in resolving them.
 15. The parties agree to a moratorium on any new classification grievances or complaints during the term of the collective agreement.

Yours truly,

Elizabeth McKnight
Director, OPSEU Negotiations
Centre for Leadership and Human Resource Management

8. The parties agree to implement the terms found in Appendix A IT Source Resource Pool and I&IT Enterprise Recruitment.

Appendix A

IT Source Resource Pool and I&IT Enterprise Recruitment

The Employer will be engaging in a substantial amount of recruitment for I and IT professionals within the I&IT enterprise;

Therefore, the parties consider the following terms to be appropriate for the establishment and operation of IT Source and the recruitment of I and IT professionals within the I&IT enterprise, which includes the Office of the Chief Information and Information Technology Officer and the IT clusters reporting to it, but does not include the program areas of the Ministries:

headquarters under Article 11; temporary positions or assignments pursuant to article 20.3 or 20.8; or a relocation of a position under Appendix 13.

- (c) Notwithstanding paragraph (b), if an assignment is of a sufficient duration, the Employer may determine if a change in headquarters is appropriate in the particular circumstances.

3. Managerial Direction

- (a) I and IT professionals employed in IT Source will report to a Manager within IT Source.
- (b) It is understood that the deployment to different projects and assignments may require the employee to receive direction regarding the project or assignment from a manager other than the employee's manager within IT Source and that such manager may provide input into any performance evaluation for the employee.

4. Travel

- (a) It is understood that it will be a condition of employment for all I and IT professionals employed in IT Source that they may be deployed to projects or assignments throughout Ontario.
- (b) The parties agree that the Employer's *Travel, Meal and Hospitality Expenses Directive* will apply to any travel required as a result of the deployment of the employee.

5. Mandatory Enhanced Security Clearance

It is understood that an enhanced security clearance may be required as a condition of employment for I and IT professionals employed in IT Source.

6. Posting and Filling vacant positions

It is agreed that all vacancies for positions within the I&IT enterprise, including IT Source, will be posted and filled in accordance with the provisions of Article 6, subject to the following:

The Employer shall have identified on the original posting that it may be used to fill positions in the job family that may occur over the 18 month time period, following the closing of the posting. The posting period will be for at least ten days prior to the established closing date. This closing date may be extended should the employer determine that there is an insufficient number of potential qualified candidates.

- (c) If the Employer posts in accordance with paragraph (b), it will establish an eligibility list of qualified candidates for each classification level within each job family based on the results of a competitive process. The parties agree that the development of eligibility lists will be accordance with Articles 6.3.
- (d) The Employer shall advise candidates of their individual rank order upon the completion of the competitive process under paragraph (b).

- (f) The Employer shall obtain a valid surplus clearance number prior to filling a position under paragraph (e).

LETTER OF UNDERSTANDING

Flexible hours of work arrangements are defined as when the start and/or stop times for the employee are outside of a designated core period. Telework is an alternate work arrangement in which work that is traditionally conducted in the employee's headquarters is performed at an alternate location which may include the employee's home.

Whereas the parties agree that flexible hours of work arrangements and telework arrangements can be an effective method of assisting employees to balance work and personal responsibilities as well as achieving organizational objectives, the parties agree to the following:

- 1) Hours of work shall be arranged to best serve the convenience of the public and the achievement of operational needs.
- 2) The parties recognize that there may be instances where flexible hours of work arrangements and telework arrangements may not be a viable method of arranging schedules or work locations to meet operational requirements. Further, the parties agree that it is critical to, at a minimum, adhere to common service standards.
- 3) Local Employee Relations Committees may enter into a review process on the feasibility of incorporating flexible hours of work arrangements and/or telework arrangements in the workplace.
- 4) Should the workplace not have a Local Employee Relations Committee, the Ministry Employee Relations Committee may review the feasibility of incorporating a flexible hours of work arrangement and/or telework arrangements in the workplace.
- 5) When the employer cancels or amends a flexible hours of work arrangement or telework arrangement, they shall provide notice to the affected employee(s) in writing at least one (1) month prior to the cancellation or amendment.
- 6) The parties recognize that the Employer has the right to deny, alter or cancel flexible hours of work arrangements and telework arrangements. The Employer's exercise of discretion pursuant to this letter shall not be grievable.

- 7) The model agreements with respect to flexible hours of work arrangements (Appendix A), group flexible hours of work arrangements (Appendix B), variable hours of work arrangements (Appendix C) and telework (Appendix D) are set out in the Appendices.

5. An employee who exits from employment under the TEI will only be entitled to the following:
 - i. A lump sum of six (6) months' pay, plus one (1) week pay per year of continuous service; or
 - ii. Continuance of salary plus benefits (except STSP and LTIP) for six (6) months commencing on the date set out in Paragraph 6, plus one (1) week pay per year of continuous service or its equivalent period of further salary continuance plus benefits (except STSP and LTIP). For clarity, during the salary continuance period, employee and Employer pension contributions and vacation and pension credits will continue to accrue. Notwithstanding the above, the further salary continuance period shall not be greater than the length of time between the commencement of the salary continuance and the end of the month in which the employee will attain sixty-five (65) years of age. Any remaining balance will be paid forthwith to the employee as a lump-sum.
 - iii. Where the employee does not choose a specific pay-in-lieu option, the employee shall be deemed to have chosen the lump sum option under 5(i).
6. Where an employee is exiting under the TEI, his or her last day at work shall be five (5) working days after the notice of Employer approval to exit is received, or such other period as the employee and the Employer shall agree.
7. The payment under Paragraph 5 and any payout of unused vacation or compensating leave credits are payable as soon as possible, but not later than three (3) pay periods following the employee's exit under the TEI.
8. Employees exiting under the TEI shall have the entitlements in Paragraph 5 in lieu of the entitlements in Article 53 or 78 (Termination Payments) and paragraph 4 (b) of Appendix 9 (Employment Stability) of the Collective Agreement.
9. The parties agree that all employees exiting under the TEI are doing so pursuant to a program of downsizing undertaken by the Employer and in so doing are preventing another employee from being laid off. Accordingly the Employer agrees to take all necessary steps to attempt to ensure that

the Human Resources and Skills Development Canada recognizes that the entitlement to Employment Insurance of employees who are laid off and who take a pay-in-lieu of notice option qualifies as registered 'workforce reduction processes' under the Employment Insurance Act.

10. The parties agree that at no time will the number of employees exiting under the TEI exceed the number of positions identified by the Employer to be reduced in the bargaining unit.
11. This MOA forms part of the collective agreement.

 - (e) all employees employed at the Ontario Police College (as the organization's functions exist as of January 1, 2009); and

For clarity, the Unified Bargaining Unit is the successor unit to the five (5) named bargaining units, being the Administrative Bargaining Unit, the Institutional and Health Care Bargaining Unit, the Office Administration Bargaining Unit, the Operation and Maintenance Bargaining Unit, and the Technical Bargaining Unit as described by the Lieutenant Governor in Council in OIC 243/94 dated February 3, 1994, attached hereto as Appendix 2, in the Tripartite Agreement between the Crown, OPSEU and AMAPCEO dated April 21, 1995, plus those employees included in these five bargaining units by the agreement of the Crown and OPSEU from February 3, 1994 to December 31, 2008, and such description is deemed to be incorporated in this collective agreement.

- UN 1.2 For greater certainty, such employees include regular, fixed term employees, students, GO Temps, and such other employees as may be mutually agreed.
- UN 1.3 For greater certainty, this Agreement shall apply to the employees in the Unified Bargaining Unit and the bargaining unit shall be deemed to

ARTICLE UN 2 – HOURS OF WORK

UN 2.1 SCHEDULE 3 and 3.7

The normal hours of work for employees on these schedules shall be thirty-six and one quarter ($36\frac{1}{4}$) hours per week and seven and one quarter ($7\frac{1}{4}$) hours per day.

UN 2.2 SCHEDULE 4 and 4.7

The normal hours of work for employees on these schedules shall be forty (40) hours per week and eight (8) hours per day.

UN 2.3 SCHEDULE 6

The normal hours of work for employees on this schedule shall be a minimum of thirty-six and one-quarter ($36\frac{1}{4}$) hours per week.

UN 2.4 SCHEDULE A

UN 2.6 Where the Employer intends to transfer employees or an employee from one schedule to another schedule, the Employer will discuss the transfer with the Union prior to such transfer. When the transfer occurs, the employee's weekly salary based on his or her basic hourly rate shall be adjusted accordingly.

ARTICLE UN 3 – DAYS OFF

UN 3.1 There shall be two (2) consecutive days off which shall be referred to as scheduled days off, except that days off may be non-consecutive if agreed upon between the employee and the ministry.

UN 5.1 Shift schedules shall be posted not less than fifteen (15) days in advance and there shall be no change in the schedule after it has been posted unless notice is given to the employee ninety-six (96) hours in advance of the starting time of the shift as originally scheduled. If the employee concerned is not notified ninety-six (96) hours in advance he or she shall be paid time and one half (1½) for the first eight (8) hours worked on the changed shift provided that no premium shall be paid where the change of schedule is caused by events beyond the ministry's control.

UN 5.2 Every reasonable effort shall be made to avoid scheduling the commencement of a shift within twelve (12) hours of the completion of the employee's previous shift provided however, that if an employee is required to work before twelve (12) hours have elapsed he or she shall be paid time and one-half (1½) for those hours that fall within the twelve (12) hour period. It is understood that the term "shift" does not include any period of time in respect of which an employee is entitled to overtime payments or compensating leave in accordance with Article UN 8 (Overtime) or Article UN 9 (Call Back).

UN 5.3 A shift may be changed without any premium or penalty if agreed upon between the employee and the ministry.

UN 5.4 It is the intent of the parties that there shall be no split shifts provided however, that in circumstances where split shifts are currently in existence reasonable efforts should be made to eliminate the split shifts.

UN 5.5 The current practice of giving notice of shift schedules in advance under existing agreements where notice is in excess of fifteen (15) days shall be maintained.

ARTICLE UN 6 – SHIFT PREMIUM (FXT, SE, FPT, RPT)

UN 6.1 Effective on May 5, 2002, an employee shall receive a shift premium of seventy-eight cents (78¢) per hour for all hours worked between 5:00 p.m.

- UN 6.2 Notwithstanding Article 6.1 where an employee's hours of work normally fall within 7:00 a.m. and 5:00 p.m., the employee shall not be entitled to receive a shift premium for hours worked between 5:00 p.m. and 7:00 a.m.
- UN 6.3 Shift premiums shall not be considered as part of an employee's basic hourly rate.
- UN 6.4 Shift premium shall not be paid to an employee who for mutually agreed upon reasons works a shift for which he or she would otherwise be entitled to a shift premium.

ARTICLE UN 7 – REST PERIODS

Failing agreement, the ministry shall reasonably determine the time of the compensating leave.
- UN 8.5 Where there is mutual agreement, employees may receive compensating leave in lieu of pay at the overtime rate or may receive pay at the overtime rate in lieu of compensating leave.
- UN 8.6 Compensating leave accumulated in a calendar year which is not used before March 31 of the following year, shall be paid at the rate it was earned. The March 31 date may be extended by agreement at the local or ministry level.
- UN 8.7.1 Effective August 15, 2005 employees in Schedule 6 who perform authorized work in excess of 7.25 hours on a regularly scheduled work day shall receive:

- UN 8.7.2 Notwithstanding UN 8.6, where at the end of the calendar year an employee has remaining accumulated compensating leave under

UN 8.7.1, the employee and Employer shall endeavour to agree on the scheduling of such compensating leave in an effort to utilize the compensating leave by June 30, and neither the Employer nor employee will unreasonably withhold agreement. Failing agreement, the Employer shall reasonably determine the time of the compensating leave.

UN 8.7.3 Notwithstanding UN 8.6, compensating leave accumulated under UN 8.7.1 in a calendar year which is not used before June 30 of the following year, shall be paid on a lump sum basis, at the rate it was earned. An employee may be paid, on a lump sum basis, for compensating leave prior to June 30, where the employee and Employer agree. On termination of employment, or on an employee assuming a permanent position outside the bargaining unit, an employee who has not used all of his or her compensating leave earned under UN 8.7.1 shall be paid, on a lump sum basis, for all remaining compensating leave hours.

UN 9.2 Where an employee is contacted by the Employer outside the workplace prior to the starting time of his or her next scheduled shift, in circumstances where such contact is considered to be a “call back to work” but the employee is not required to physically attend at the workplace, the employee shall be paid a minimum of four (4) hours’ of pay at one and one-half (1½) times his or her basic hourly rate. The initial call and any subsequent calls during that same four-hour period, will be treated as a single “call back to work” for pay purposes.

These employees should, if they are submitting a claim for the same trip, indicate any meals covered in another employee's claim. They must not claim the cost again.

UN 12.7 Costs of meals will not be allowed in cases where meals are made available by the Employer at no cost to the employee, except in circumstances where an employee is required to follow a particular diet which has been medically prescribed or is mandated by the employee's religion and the Employer does not provide meals which meet the requirements of that diet.

PART D – APPENDICES

APPENDIX UN 1

SCHEDULE A AVERAGING HOURS OF WORK

Schedule A Averaging of Hours of Work

The number of hours of work per week prescribed shall be computed as a weekly average over one (1) year, where the duties of a regular employee require:

- a) that he or she work more than the number of hours per week prescribed at regularly recurring times of the year, or
- b) that the number of hours per week be normally irregular.

Averaging Period:

The averaging period for each class and/or position:

- a) will conform to the twelve (12) month calendar period which reflects the work cycle of that class and/or position, and
- b) will be reported to the bargaining agent.

Prorating:

Periods of employment of less than twelve (12) months in an averaging period (e.g., due to appointment, transfer, separation, etc.) will be prorated.

Hours per Averaging Period:

The hours of work required shall correspond to a thirty-six and one quarter ($36\frac{1}{4}$) hour week or a forty (40) hour week averaged over the twelve (12) month calendar period.

Changes to Hours per Averaging Period:

If at any time, a ministry requires a different hours base for a class or for a position within a class (e.g., equivalent of forty (40) hours per week instead of thirty-six and one-quarter ($36\frac{1}{4}$) hours per week), the ministry must:

- a) alter the affected employees' salaries proportionately, and

- b) notify the Corporate Labour Relations/Negotiations Secretariat, Ministry of Government Services, and the Union of any such changes.

Record of Hours Worked:

A record will be maintained for each employee affected showing a running total of hours worked:

- a) on his or her regular working days, and
- b) during the averaging period.

Excessive Buildup of Hours Worked:

When an employee's buildup of hours worked is becoming excessive, he or she:

- a) may be required to take time off on an hour-for-hour basis, in order to bring his or her hours accumulation into line with the hours requirement for the averaging period, and
- b) will be given reasonable notice, where circumstances permit, of any such time off.

Calculation of Hourly Rate:

In all cases, the basic hourly rate of pay for employees on averaging is to be determined by dividing the weekly rate of the class by thirty-six and one-quarter (36¼) or forty (40) as applicable, unless the basic hourly rate of pay already exists.

Hours Worked Over Annual Requirement:

At the end of the averaging period, any excess hours standing to the employee's credit over and above the annual hour's requirement will be considered as overtime.

Normally, the employee shall be paid for his or her overtime credits. Such payment shall be based on the basic hourly rate he or she was receiving on the last day of the averaging period. Compensating time off may be substituted for payment of overtime credits as follows:

- (a) Where there is insufficient work for an employee to the extent that his or her presence is not required for a period of time, in which case:
 - a ministry has the authority to direct that the employee take time off rather than receive pay for the overtime credits, and
 - such time off must be taken commencing during the first month of the next averaging period;

or

- (b) In circumstances other than the above and where the employee and his or her supervisor mutually agree to compensating leave, in which case the time off will commence:
 - within the first month of the next averaging period, or
 - at an otherwise mutually satisfactory time.

Hours Worked on Holidays or Other Than Regular Workdays:

- a) All hours worked on a holiday included under Article 47 (Holidays) of the Central Collective Agreement shall be paid at the rate of two (2) times the basic hourly rate that the employee was receiving when the holiday was worked.

All hours worked on a day that is not a regular working day for the employee will be treated as overtime and based on the rate he or she was receiving when the overtime was worked.

Regarding
Compressed Work Week Agreements**

- 1) The parties agree that Compressed Work Week Agreements (CWWA) can be a viable method of arranging work schedules.

PART D – APPENDICES

APPENDIX COR1

SCHEDULE A – AVERAGING OF HOURS OF WORK

Schedule A Averaging Of Hours Of Work

The number of hours of work per week prescribed shall be computed as a weekly average over one (1) year, where the duties of a regular employee require:

- that he or she work more than the number of hours per week prescribed at regularly recurring times of the year, or
- that the number of hours per week be normally irregular.

Averaging Period:

The averaging period for each class and/or position:

- will conform to the twelve (12) month calendar period which reflects the work cycle of that class and/or position, and
- will be reported to the bargaining agent.

Prorating:

Periods of employment of less than twelve (12) months in an averaging period (e.g., due to appointment, transfer, separation, etc.) will be prorated.

Hours Per Averaging Period:

The hours of work required shall correspond to a thirty-six and one-quarter (36¼) hour week or a forty (40) hour week averaged over the twelve (12) month calendar period.

Changes to Hours Per Averaging Period:

If at any time, a ministry requires a different hours base for a class or for a position within a class (e.g., equivalent of forty (40) hours per week instead of thirty-six and one-quarter (36¼) hours per week), the ministry must:

- alter the affected employees' salaries proportionately, and
- notify the Corporate Labour Relations/Negotiations Secretariat, Ministry of Government Services, and the Union of any such changes.

Record of Hours Worked:

A record will be maintained for each employee affected showing a running total of hours worked:

- on his or her regular working days, and
- during the averaging period.

Excessive Buildup of Hours Worked:

When an employee's buildup of hours worked is becoming excessive, he or she:

- may be required to take time off on an hour-for-hour basis, in order to bring his or her hours accumulation into line with the hours requirement for the averaging period, and
- will be given reasonable notice, where circumstances permit, of any such time off.

Calculation of Hourly Rate:

In all cases, the basic hourly rate of pay for employees on averaging is to be determined by dividing the weekly rate of the class by thirty-six and one-quarter (36¼) or forty (40) as applicable, unless the basic hourly rate of pay already exists.

Hours Worked Over Annual Requirement:

At the end of the averaging period, any excess hours standing to the employee's credit over and above the annual hours requirement will be considered as overtime.

Normally, the employee shall be paid for his or her overtime credits. Such payment shall be based on the basic hourly rate he or she was receiving on the last day of the averaging period. Compensating time off may be substituted for payment of overtime credits as follows:

- (a) Where there is insufficient work for an employee to the extent that his or her presence is not required for a period of time, in which case:
 - a ministry has the authority to direct that the employee take time off rather than receive pay for the overtime credits, and
 - such time off must be taken commencing during the first month of the next averaging period;

or

- (b) In circumstances other than the above and where the employee and his or her supervisor mutually agree to compensating leave, in which case the time off will commence:
 - within the first month of the next averaging period, or
 - at an otherwise mutually satisfactory time.

Hours Worked on Holidays or Other Than Regular Workdays:

- a) All hours worked on a holiday included under Article 47 (Holidays) of the Central Agreement shall be paid at the rate of two (2) times the basic hourly rate that the employee was receiving when the holiday was worked.
- b) All hours worked on a day that is not a regular working day for the employee will be treated as overtime and based on the rate he or she was receiving when the overtime was worked.

Correctional Bargaining Unit

Ontario Public Service Employees Union

Dear Mr. Gould:

Re: Probation Officers' Allowance

This will confirm that in recognition of the additional and flexible hours worked by Probation Officers within the Ministry of Community Safety and Correctional Services, and the Ministry of Children and Youth Services, the parties hereby agree to the following terms for Probation Officers Allowance, effective the date of ratification of this agreement:

Probation Officers in the Correctional Bargaining Unit will be entitled to a minimum of seven (7) days off with pay and no loss of credits in a calendar year.

This allowance will be prorated for periods of active employment of less than one (1) year and may be advanced to the employee on January 1st of each year.

An employee may accumulate their allowance to a maximum of twenty-one (21) days, but an employee's allowance shall be reduced to a maximum of fourteen (14) days not later than the thirty-first (31st) day of December in each year.

Additional time off with pay and with no loss of credits may be granted at the discretion of the manager of the employee concerned.

All time off under this allowance shall be granted in a manner so as not to interfere with operational requirements.

It is understood by the parties that this agreement will supersede any other pre-existing agreements on this subject; however, any time credits earned under a pre-

existing agreement will be carried over to this agreement on a prorated basis, and be treated in accordance with the terms of this agreement.

ARTICLE 4 – MINISTRY EMPLOYEE RELATIONS COMMITTEE (MERC)

4.1 Composition

- 4.1.1 The Deputy Minister will nominate one (1) senior ministry official to represent the Ministry, and that person may nominate not more than four (4) other senior staff to assist him/her. The Union will designate not more

than five (5) bargaining unit members who are ministry employees (one of whom shall be a Probation and Parole Officer representative), or not more than four (4) bargaining unit members who are ministry employees (one of whom shall be a Probation and Parole Officer representative) plus one (1) Union staff representative, to represent the Union.

- 4.1.3 Both sides will make every reasonable effort to ensure that their representatives reflect the major occupational groups of the Ministry.
- 4.1.4 With the prior agreement of both parties, either party may be accompanied by one or more persons to provide expertise and advice on specific items, or to act as observers or trainees.
- 4.1.5 On the Union side, for education purposes a local Union president or highest ranking local member other than and in addition to the Union team, may, by selection of the Union team, be in attendance at meetings.

- 4.2.2 Notwithstanding Section 4.2.1, additional meetings may be requested in writing by either party, and held upon mutual consent.

4.3 Agenda and Minutes

- 4.3.1 Annotated agendas of reasonable length detailing issues in a clear and concise fashion will be exchanged by the parties at least two weeks prior to the scheduled date of the meeting. Agenda items should be of general concern to the parties as opposed to personal concerns of individual employees.
- 4.3.2 With mutual consent additional items may be added prior to, or at the meeting.
- 4.3.3 One set of minutes will be produced by the Ministry within fourteen days of each meeting. The minutes will reflect matters discussed and any agreement or disagreement on solutions proposed. Where a matter is deferred, the minutes will reflect which party is responsible for follow-up.
- 4.3.4 The minutes will be signed by a responsible representative of each party authorizing them for distribution.

- 4.3.5 Issues resolved informally by the parties between formal ERC meetings may, subject to mutual agreement, be reflected in the subsequent set of minutes of employee relations committee meetings.
- 4.3.6 The minutes are not binding on either party nor are they subject to the grievance procedure.
- 4.4 Referral of Unresolved Matters
- 4.4.1 Matters, which are not resolved at the MERC, may be referred to the Deputy Minister in accordance with Article 16.3 of the Central Collective Agreement.
- 4.4.2 Matters not resolved under Article 16.3 of the Central Collective Agreement may be referred to the Central Employee Relations Committee.

ARTICLE 5 – LOCAL EMPLOYEE RELATIONS COMMITTEES (LERCs) AND REGIONAL EMPLOYEE RELATIONS COMMITTEES (RERCS)

- 5.1 Upon mutual consent, the parties will establish a LERC and/or RERC.
- 5.1.2 The Deputy Minister will nominate one (1) official of the ministry to represent management, and that person may nominate not more than two (2) others to assist him/her. A Human Resources staff official may attend as well to assist the designated official. The Union will designate not more than three (3) bargaining unit members who are ministry employees within the appropriate Local or unit. A Union staff representative may attend as well to assist the bargaining unit members.
- 5.1.3 With the prior agreement of both parties, either party may be accompanied by one or more persons to provide expertise and advice on specific items, or to act as observers or trainees.
- 5.1.4 Notwithstanding the reference to “Local or Unit” in 6.1.2, in probation and parole services the union will designate bargaining unit members who are ministry employees in the appropriate Region of the Ministry.
- 5.2 Meetings
- 5.2.1 LERC/RERC meetings may be held not more frequently than once every two (2) months at a mutually agreed upon time and place.

- 5.3.1 Annotated agendas of reasonable length detailing issues in a clear and concise fashion will be exchanged by the parties at least ten (10) working days prior to the scheduled date of the meeting. - 5.4.2 Notwithstanding Section 5.4.1, it is agreed that informal consultation at the regional level may prove beneficial in resolving matters that have not been resolved at the LERC level. Consequently, the parties agree that one management and one Union representative from LERC or currently constituted RERC will undertake to jointly consult with the appropriate regional administration on matters that have been resolved at a LERC/RERC meeting, where the Regional Director or his/her designee was not present at the meeting. The purpose of this joint consultation is to attempt to resolve matters in dispute so that they will not have to be referred to the MERC. Nothing in this section precludes the direct referral of an unresolved local issue to the MERC where local Union representatives

and regional administrators are unable to consult within twenty (20) working days of the LERC/RERC meeting at which the issue in dispute was discussed.

- 5.4.3 Where a LERC/RERC does not exist for the relevant Local or work unit, matters may be referred directly to the MERC.

ARTICLE 6 – ADMINISTRATION

- 6.4 Travel and other expenses for LERC/RERC as the result of leaves granted above shall be borne by the Union.
- 6.5 Any Minutes of Understanding created as a result of the agreement of the parties in the MERC, LERCs and RERCs shall be given effect by the signature of responsible officials of both parties, but no agreement shall be binding upon the Union without approval by the President of the Ontario Public Service Employees Union or his/her designee, and no agreement shall be binding upon the Ministry without approval by the Deputy Minister or his/her designee.

Re: Letter of Understanding
Fixed-Term Rollovers of Correctional Officers and Youth Services
Officers in MCSCS/MCYS

This will confirm that the parties will roll over a minimum of fifteen (15) fixed-term Youth Services Officers and a minimum of two hundred (200) fixed-term Correctional Officers to the Regular Service, to commence within ninety (90) days of ratification of the Collective Agreement. The rollovers will be reasonably distributed over the life of the Collective Agreement.

The location and utilization of these fifteen (15) fixed-term Youth Services Officers rollovers will be referred to the first MCYS MERC meeting following the ratification of the Collective Agreement for the purpose of implementation and allocation.

The process that will be utilized to allocate these two hundred (200) fixed-term Correctional Officers will be referred to the first meeting of the MERC Transition Sub-committee following the ratification of the Collective Agreement for the purpose of implementation and allocation.

Once the allocation to each institution has been determined by MCYS and MCSCS MERC, rollovers will be conducted in the following manner:

- Step 1 An “Expression of Interest” will be posted in the institutions as determined by MERC.
- Step 2 Fixed-term employees who indicate their interest in a rollover position, will have their hours calculated and will be rolled over into the Regular Service in accordance with Appendix COR19.

Any Fixed-Term who declines a Regular position will continue with their Fixed-Term contract.

Failing agreement between the parties at either MCYS MERC or MCSCS MERC in reference to allocation, the Employer retains their rights under Article 2 of the Collective Agreement.

In consideration of this Letter of Understanding, OPSEU agrees to withdraw all “Rollover” grievances effective the date of ratification.

It is understood and recognized that this agreement does not supersede or interfere with any diversity initiatives.

**Re: Letter of Understanding
Provincial Joint Health and Safety Committees for MCSCS and Youth
Justice Division of MCYS**

Preamble

The Employer and the Union recognize the importance of emphasizing Occupational Health and Safety (OH&S) issues in the workplace. With this in mind, the Employer and the Union agree to the establishment of a two (2) Provincial Joint Health and Safety Committees on Occupational Health & Safety to address safety throughout the MCSCS (Correctional Services Division) and MCYS (Youth Justice Division).

This document sets forth the terms of reference for those committees. The Employer and Union representatives recognize that terms of reference are necessary to guide the operation of the Committees and the issues they may be required to review.

1. Mandate

The purpose of the Provincial Joint Health & Safety Committees (the "Committees") is to review health and safety issues with Ministry-wide applications and make recommendations to the Deputy Minister that may lead to resolution of such issues and assist with implementation.

The Committees also function per the provisions of the guidelines as originally established pursuant to the Memorandum of Settlement signed between the parties on September 21, 1990 (MCS), the MOL Order dated November 13, 1990 (MCS) the Agreement agreed between the parties dated March 07, 1991 (MCS), the Right to Refuse Unsafe Work Protocol dated October 04, 1991 (MCS), and the Agreement dated October 19, 2006 (MCYS).

The parties agree to establish two Ministry-level Committees – one for Ministry of Children and Youth Services (Youth Justice Division) and one for Ministry of Community Safety and Correctional Services (Correctional Services Division).

Ministry Level Committees

Functions of and matters appropriate for consideration of the committees include:

- 1.1 The purpose of the Ministry level committees is to review health and safety issues with ministry-wide application and to act as a forum where potential areas of concern can be discussed and recommendations for action made. Functions of and matters appropriate for consideration by the committee include:
- a) receive and review accident occupational illnesses statistics;
 - b) discussing issues which have ministry-wide application and have been identified by the Union or the Employer;
 - c) reviewing Ministry and/or Union health and safety training initiatives;
 - d) reviewing occupational health and safety and WSIB investigation reports of all fatal work-related accidents and critical injuries. The Employer will notify the Union Provincial Health and Safety Co-chair as soon as reasonably possible when a critical injury occurs, and shall provide report(s) directly related to the critical injury for review;
 - e) receiving and reviewing all newly issued health and safety directives and procedures issued by the Employer at the Ministry/Divisional level;
 - f) acting as a resource to local workplace committees/representatives;
 - g) reviewing unresolved issues from the local level that have been referred to the Ministry level committees. The issues will be reviewed by a worker representative selected by and from the worker representatives of the ministry-level committee and an Employer representative of the ministry-level committee, with the objective of resolving the issue. This joint review will be undertaken prior to the unresolved issue being placed on the agenda for subsequent ministry-level committee meetings, or in the alternative the resolution of the issue will be reflected in the subsequent set of minutes.
 - h) To promote conducting safety inspections on a regular basis through consultation with local OH&S committees or worker representatives.
 - i) To review issues and minutes of local health and safety committees/representatives which have been raised at the local and have been jointly referred to PJH&S Committees.

- j) To inspect specific sites when there is appropriate justification for doing so as agreed upon by the Committee(s) for matters referred in accordance with the previous paragraph.

2. Membership

- 2.1.1 Each of the Committees shall be composed of four (4) Employer nominees chosen by the Employer and four (4) worker nominees chosen by the Union. The Union and the Ministry may each provide staff resources to the Committees as necessary.
- 2.1.2
 - (a) Two (2) of the members of each of the committees shall be selected as co-chairs, one of whom shall be selected by the members who represent the Union and the other of whom shall be selected by the members who exercise managerial functions.
 - (b) MCSCS Committee Union co-chair will have approved half-time off and the Union Community Representative will have approved half-time off. MCYS Committee will continue with its current practice in accordance with the Employer's past practice to conduct the Committees' business. This time off will be a leave of absence without loss of pay or credits and considered a duty assignment and the time off will be paid by the Employer. Expenses incurred by the Committees' Union co-chair will be paid for by the Union.
- 2.1.3 The Employer co-chair of the MERC may, and the Union co-chair of the MERC will, sit as ex-officio members of these committees.
- 2.2.1 Union members of the Committees shall be permitted to take time from work to attend meetings of the Committees, unless such leave unduly interferes with the operating requirements of the workplace. Permission will not be unreasonably denied.
- 2.2.2 All time spent attending the committee meetings shall be considered as work time and paid at the regular or premium rate, as may be proper, for members who are Ministry employees.
- 2.3.3 Preparation time will be provided and approved by the Employer to Union members of one (1) day prior to scheduled committee meetings, to allow for total travel and caucus time.
- 2.3.4 Expenses related to travel for Union members of the Committees shall be paid for every second meeting in accordance with the government's and Ministry guidelines.

Scheduling Meetings

- 3.1 Meetings of the Committees shall be scheduled quarterly or otherwise at the mutual agreement of the parties.

Local Workplace Committees/ Representatives

- 4.1 The parties agree that all Ministry workplaces as defined by the Occupational Health and Safety Act will abide by the provisions established by the Occupational Health & Safety Act.
- 4.2 The Ministry and the Union agree to establish joint Occupational Health and Safety committees at each workplace as defined by the Occupational Health and Safety Act. Such workplace committees shall function in accordance with the provisions for joint Occupational Health and Safety committees.
- 4.3 It is the policy of the Ministry and the Union to encourage the active participation of all workers in the prevention of accidents and in the promotion of health and safety in the workplace.
- 4.4 The parties acknowledge that the joint Occupational Health and Safety system can only be successful where the representatives of the Employer and the workers are committed to these responsibilities. Therefore, the parties undertake to cooperate in ensuring that these provisions will be carried out by their respective organizations.
- 4.5 The parties have adopted these provisions in good faith and agree to promote occupational health and safety in the workplace, and assist joint Occupational Health and Safety committees, committee members and workplace representatives, by providing such information and assistance as may reasonably be required for the purpose of carrying out their responsibilities.
- 4.6 The purpose of these provisions is to detail the formation, function, composition and administrative processes for the joint Occupational Health and Safety committee system which is being adopted by the Union and the Ministry for workers throughout the Ministry.
- 4.7 The parties jointly encourage the resolution of all occupational health and safety complaints in accordance with these provisions. It is further recommended that workers and supervisors are to endeavour to jointly resolve occupational health and safety issues and complaints in their own workplace through the local joint committee process. It is the expectation

of the parties to resolve outstanding issues and complaints jointly prior to the initiation of grievances under the Collective Agreement on Working Conditions and Employee Benefits. At the same time, these principles are not intended to abridge the right of the Union or a worker to inform the Ministry of Labour when it is felt that a health and safety complaint has not been satisfactorily resolved.

- 4.8 The Occupational Health and Safety committee structure may accept for discussion and resolution, items pertaining to the occupational health and safety except issues relating to staffing (including complement, deployment, scheduling, assignments, posts, etc.) overcapacity and security (both static and dynamic).
