**THIS AGREEMENT made this *17th day of June*, in the year of Our Lord one thousand nine hundred and ninety-*nine*.**

**BETWEEN:**

**THE LONDON POLICE SERVICES BOARD  
(hereinafter called the Board)**

**OF THE FIRST PART**

**AND**

**THE LONDON POLICE ASSOCIATION  
(hereinafter called the Association)**

**OF THE SECOND PART**

**WHEREAS pursuant to Section 119 of The Police Services Act, R.S.O. 1990, the Board and the Association have negotiated in respect to remuneration, working conditions and other matters referred to therein;**

**AND WHEREAS the parties have now reached agreement pursuant to the provisions of the said Act;**

**AND WHEREAS in this agreement the term "member" or the term "police personnel" means all employees of the Police Service falling within the positions set out in Schedule "A" hereto;**

**NOW THEREFORE THIS AGREEMENT WITNESSETH that the parties hereto, in consideration of the premises and the mutual covenants hereinafter contained, AGREE each with the other as follows:**

**ARTICLE 1 - RECOGNITION AND TERM**

- 1:01** The Board hereby recognizes the Association as the sole collective bargaining agent for all police members and cadets of the London Police Service, save and except the Chief of Police and Deputy Chiefs of Police.
- 1:02** The Board agrees that there will be no discrimination, interference, restraint or coercion exercised or practised by the Board with respect to any member of the Police Service because of the member's membership or connection with the Association.
- 1:03** The Association agrees that there will be no discrimination, interference, restraint or coercion exercised or practised upon members of the Police Service by any of its members or representatives.
- 1:04** This agreement, as hereinafter provided, shall accrue to and apply to those Police members and Cadets on the active payroll of the London Police Service on or after January 1, 1999 to December 31, 2001 and such agreement will continue thereafter until replaced by a decision, agreement or award.

Unless otherwise stated amendments to all benefits will take effect on the 1<sup>st</sup> day of September 1999.

For the purpose of calculating retirement benefits, retirement means the date when a member ceases to be on the payroll.

## **ARTICLE 2 ADMINISTRATIVE RIGHTS**

- 2:01** The Association acknowledges that, subject to The Police Services Act, R.S.O. 1990, as amended, it is the function of the Board to:
- (a)** Establish the complement of the Service, which shall consist of a Chief of Police and such other police officers and such constables, assistants and civilian employees as the Board considers adequate and further to deploy and assign such members of the Service in a manner the Board deems necessary for the effective, efficient and economical carrying out of the operation and administration of the Police Service;
  - (b)** Maintain order, discipline and efficiency;

- 2:01 (c) Hire, discharge, classify, transfer, promote, demote and suspend or otherwise discipline any member of the Service covered by this Agreement, provided that claim of discriminatory promotion, classification, demotion, or transfer, or a claim that any such member of the Service has been discharged or disciplined without just cause, may be the subject of either a grievance or follow the provisions of The Police Services Act and dealt with as provided;
- (d) Generally to manage the operations and undertakings of the Police Service in a manner the Board deems necessary for the efficient and economical carrying out of the operations of the Police Service.

### **ARTICLE 3 GRIEVANCE PROCEDURE**

- 3:01 Where a difference arises between the parties hereto or those they represent in connection with or relative to the interpretation, application or administration of this agreement, including any question as to whether a matter is arbitrable, or any decision or award made subsequent hereto, the procedure outlined in Schedule "B" of this agreement shall apply subject to any mandatory provisions of The Police Services Act and Regulations passed thereunder.

### **ARTICLE 4 - SENIORITY**

- 4:01 Seniority shall be established for the members of the Police Service covered by this agreement and such seniority shall be based upon the member's continuous service with the Board, calculated from the date upon which a member last commenced employment with the Board.
- 4:02 A seniority list shall be established by the Board for members covered by this agreement and such list shall be revised and posted prior to July first of each year and a copy filed with the Association.

- 4:03 Seniority shall be broken only for the following reasons:**
- (a) If the member terminates employment;**
  - (b) If the member is discharged and the discharge is not reversed under the provisions of the agreement or the provisions of The Police Services Act;**
  - (c) If a member who has been laid off does not report for work within five (5) days of recall, as provided in Item 4:06.**
- 4:04 In determining the length of service for the purpose of seniority, continuity of service shall not be considered interrupted if absence from the Board's service is due to leave of absence granted by the Board.**
- 4:05 Where the Board has made a decision to reduce the complement of the Service and such reduction of personnel cannot be accommodated through attrition, and where such action is not in contravention of The Police Services Act, the lay-off of members shall occur by inverse order of seniority. When a vacancy in the complement of the Service exists, the members on lay-off shall be recalled in order of seniority.**
- 4:06 Members laid off due to a reduction in staff and who fail to return to work within five (5) working days after notice of return to work has been forwarded by registered mail to the last known address of the member, shall have severed their service with the Board and shall forfeit all seniority rights except in the case of sickness or other just cause agreed upon by the Board.**

In the event a member is not able to report in accordance with the amended schedule or to complete the shift in accordance with the amended schedule, accumulated overtime or court time will be deducted from such member according to the hours the member was scheduled to work. The deduction of hours shall not apply to a member granted bereavement leave under Article 6 or to a member who has been approved leave in relation to Workers' Compensation benefits. All such changes will be completed "with no accounting necessary."

When a member is required to be on duty for any period in excess of thirty (30) minutes after the member's normal tour of duty, such time shall accumulate and be credited to the member as overtime. When the period of such time is thirty (30) minutes or less, it shall NOT be considered time worked to be compensated through salary nor to be accumulated and credited to the member as overtime.**

**10:03 All overtime shall be computed and credited to a member at the rate of time and one-half of such member's regular rate of pay. Such overtime credits shall be payable to the member within sixty (60) days from the time such credit was earned at the member's current rate of pay.**

**Overtime consecutive to the first shift shall be considered to be a part of the minimum time off between consecutive shifts.**

- 10:06** (a) If a member is called back to duty from the member's off-duty hours, the member shall be credited with a minimum of three (3) hours of overtime at overtime rates and one (1) hour of overtime at overtime rates for each subsequent hour in excess of three (3). If the member does not have to attend the locations in section (b), the member will be entitled to one (1) hour at straight time rates.
- (b) If a member is called back to duty on a scheduled day off and has to attend the scene of an investigation, police headquarters or other police facility, the member will receive a call back allowance of three (3) hours at straight time. In addition, the member will be paid at the appropriate overtime rate for all time worked. If the member does not have to attend the aforementioned locations the member will be entitled to one (1) hour at straight time rates.
- (c) In the event a member is called back to duty within two (2) hours of the member's scheduled reporting time because of an emergency, the provisions of 10:06 (a) will not apply. The shift will commence at the time such call back occurs.

**10:07** When a member is recalled for duty when on annual or statutory holiday leave, the member shall receive, for the first call back, sixteen (16) hours' pay at straight time rates for the first eight (8) hours of service and for any additional hours on the first call back, time and one-half the normal pay rate. If the member's services are required for additional days during such annual or statutory holiday leave, the member shall be paid at straight time rates, but shall receive additional days off in lieu of such leave days lost.

**10:08** If a member of the Police Service is transferred from the member's normal or scheduled shift (i.e. day shift, afternoon shift or night shift) without at least twenty-four (24) hours notice, the member shall be credited for each such transfer with two (2) hours of time at straight rates which shall not be deemed to be overtime.

**10:09** Members assigned to stand-by duty between consecutive working days shall remain available for immediate communication and/or return to duty.

For each period of stand-by duty, the member shall receive three (3) hours pay at straight time rates.

If a member on stand-by duty is called back to active duty, the

**provisions of Item 10:06 shall take effect in addition to the stand-by.**

**10:10** A member may elect to accumulate overtime to be taken as time off at a time mutually agreeable to the member and the member's supervisor. Such election to accumulate overtime must be made at the time overtime is earned and such election is not reversible except on resignation or retirement from the Service. When such time cannot be taken off, the Board will pay down the accumulated overtime to forty (40) hours during the first complete pay period in December of each year. All overtime accumulated in excess of eighty (80) hours is not subject to annual pay-downs or a pay-out upon resignation or retirement.

**10:11** All voluntary hire-ons (shifts) shall be paid at the rate of time and one half the member's normal rate of pay. All overtime beyond the normal scheduled shift hours worked on a statutory holiday, however, will be paid at two (2) times a member's regular rate of pay and shall be payable to the member within sixty (60) days as per item 10:04.

Court time shall not be included in the calculation of overtime and shall be paid at straight time rates. This benefit shall not apply to a defendant in a Police Services Act disciplinary hearing.

**11:02** When a member is required to attend Court in the member's off-duty hours or on a paid or unpaid leave of absence, the member shall receive in compensation therefore, an allowance of four and one-half (4-1/2) hours Court time for attendance at each of the forenoon, afternoon and evening sessions of a Court.

**11:03** When a member, when on duty, is required to attend Court and is prevented from going off duty at the member's normal time by reason of such attendance at Court, overtime provisions as outlined in Article 10 shall apply.

- 11:04 (a) When a member is required to attend Court on any occasion during the member's annual vacation, statutory/paid holidays or on a day off that is connected to annual/statutory leave, the member shall receive in compensation therefore, an allowance of sixteen (16) hours Court time for each day or portion thereof spent in Court.**
- (b) A member who has received personal notification to stand-by for Court into and during an accumulated statutory or annual vacation leave period or a day off that is connected to annual/statutory leave and is subsequently cancelled for court prior to the actual appearance, the member shall be entitled to sixteen (16) hours Court time.**
- 11:05 Personnel of the Field Support Branch shall make every reasonable effort to defer a member's attendance at Court while such member is on annual leave, statutory or paid holiday.**
- 11:06 When a member attends a morning session of the Court subsequent to hours worked on a shift ending at 0300 hours or later of the day of the attendance and the member is required in attendance until 1430 hours or later for an afternoon appearance, the member shall be entitled to Court time credits as provided in Item 11:02 or, at the option of the member, the time spent in Court shall be considered as time worked for that day in lieu of Court time credits.**
- 11:07 When a member is required to attend Court on a scheduled day off or on a day off granted in accordance with the provisions of Item 11:14, the member shall receive in compensation therefore eight (8) hours Court time for the first attendance at a session of a Court and for any subsequent attendance at a session of a Court on the same day, the provisions of Item 11:02 shall apply.**
- 11:08 When a member is required to attend Court who's previous shift was scheduled to end after mid-night, the member shall receive in compensation there of five and one half (5 ½) hours of Court time for the first attendance at a session of Court and for any subsequent attendance at a session of a Court on the same day, the provisions of item 11:02 shall apply.**
- 11:09 When a member, by virtue of the member's duties or in response to a subpoena to attend Court is required to travel to another municipality, such member shall be on duty.**

- 11:10** A member shall not attend Court in another municipality without first having received a subpoena. In urgent circumstances where a subpoena cannot be conveniently served, a member may be directed by a senior officer of this Service to attend Court in answer to a CPIC message from a senior officer of the Service responsible for the Court case.
- 11:11** A member receiving a subpoena to attend Court in another municipality shall forthwith notify the officer in charge of the Field Support Branch of the date, time and place the member's attendance is required, so that the member's regular duties may be adjusted to conform with the requirements of the subpoena and the time required for travel shall be allowed in any such adjustments.
- 11:12** The mode of travel shall be determined by the Chief of Police, who, if so requested by the member, may provide such other assistance as required to facilitate the travel arrangements. A member attending Court in another municipality may travel in the member's personal motor vehicle.
- 11:13** When a member attends Court in another municipality as provided in Item 11:09, the member shall collect from the Court all fees and expenses payable pursuant to the regulations passed under The Administration of Justice Act. Where the Service has advanced funds in the form of cash or travel allowance, the member shall provide an accounting of expenditures and reimburse the Service for any surplus funds.
- 11:14** When a member is required to attend Court in another municipality at a time when the member is on annual leave, statutory or paid holiday, every effort will be made by the Field Support Branch to defer the member's attendance. Where such efforts fail, the member shall have entitlement to the provisions of Item 11:04 and, for the purposes of Workplace Safety Insurance Board, shall be considered on duty while travelling to and from the out of town Court appearance.
- 11:15** A member who accumulates over forty (40) hours of accumulated court time, shall have the option of accumulating further hours or to elect to be paid for hours of Court time in excess of forty (40) hours. Subject to the requirements of service, accumulated Court time credits may be granted as time off at a member's request. Court time credit payments shall be paid to the member within sixty (60) days from the time such credit was earned at the member's current rate of pay.

**(11:15 Con't)**

**On or about November 1st of each year, a notice shall be posted advising members that an election can be made to be paid out for accumulated time, down to a minimum accumulation of twenty (20) hours. All accumulated time in excess of eighty (80) must be taken as time off and will not be subject to any annual pay downs or any pay out upon resignation or retirement. Any such election to be paid shall be made before December 1st of the same year. Such payment shall then be paid by the Board before January 30th of the following year at the salary being paid at the time of the pay out.**

**11:16 Members required to attend Court during their off duty hours shall appear neat and clean in appearance and shall wear conservative business attire.**

**11:17 Where time is credited pursuant to the terms of this Article, it shall not be deemed to be time worked as part of the normal period of work as provided in Article 8.**

**11:18 A member that has retired on pension shall be entitled to four (4) hours pay for attending the morning session of Court as a police witness and a further four (4) hours pay for an afternoon attendance, at straight time rates at the current rate of a First Class Constable when the member retired, less the prevailing witness fee payable under the provisions of the Administration of Justice Act Regulations, for each day the member is required to attend Court to give evidence on a matter arising out of the member's duties as a Police Officer.**
