BETWEEN:

THE LONDON POLICE SERVICES BOARD

(hereinafter called the Board)

OF THE FIRST PART

AND

THE LONDON POLICE ASSOCIATION

(hereinafter called the Association)

OF THE SECOND PART

WHEREAS pursuant to Section 119 of The Police Services Act, R.S.O. 1990, the Board and the Association have negotiated in respect to remuneration, working conditions and other matters referred to therein;

AND WHEREAS the parties have now reached agreement pursuant to the provisions of the said Act;

AND WHEREAS in this agreement the term "member" or the term "police personnel" means all employees of the Police Service falling within the positions set out in Schedule "A" hereto;

NOW THEREFORE THIS AGREEMENT WITNESSETH that the parties hereto, in consideration of the premises and the mutual covenants hereinafter contained, AGREE each with the other as follows:

ARTICLE 1 - RECOGNITION AND TERM

- 1:01 The Board hereby recognizes the Association as the sole collective bargaining agent for all police members and cadets of the London Police Service, save and except the Chief of Police and Deputy Chiefs of Police.
- 1:02 The Board agrees that there will be no discrimination, interference, restraint or coercion exercised or practised by the Board with respect to any member of the Police Service because of the member's membership or connection with the Association.
- 1:03 The Association agrees that there will be no discrimination, interference, restraint or coercion exercised or practised upon members of the Police Service by any of its members or representatives.
- 1:04 This agreement, as hereinafter provided, shall accrue to and apply to those Police members and Cadets on the active payroll of the London Police Service on or after January 1, 2002 to December 31, 2003 and such agreement will continue thereafter until replaced by a decision, agreement or award.

Unless otherwise stated amendments to all benefits will take effect on May 16th 2002.

For the purpose of calculating retirement benefits, retirement means the date when a member ceases to be on the payroll.

ARTICLE 2 - ADMINISTRATIVE RIGHTS

- 2:01 The Association acknowledges that, subject to The Police Services Act, R.S.O. 1990, as amended, it is the function of the Board to:
- (a) Establish the complement of the Service, which shall consist of a Chief of Police and such other police officers and such constables, assistants and civilian employees as the Board considers adequate and further to deploy and assign such members of the Service in a manner the Board deems necessary for the effective, efficient and economical carrying out of the operation and administration of the Police Service;
 - (b) Maintain order, discipline and efficiency;

- (c) Hire, discharge, classify, transfer, promote, demote and suspend or otherwise discipline any member of the Service covered by this Agreement, provided that claim of discriminatory promotion, classification, demotion, or transfer, or a claim that any such member of the Service has been discharged or disciplined without just cause, may be the subject of either a grievance or follow the provisions of The Police Services Act and dealt with as provided;
- (d) Generally to manage the operations and undertakings of the Police Service in a manner the Board deems necessary for the efficient and economical carrying out of the operations of the Police Service.

ARTICLE 3 - GRIEVANCE PROCEDURE

- 3:01 Where a difference arises between the parties hereto or those they represent in connection with or relative to the interpretation, application or administration of this agreement, including any question as to whether a matter is arbitrable or any decision or award made subsequent hereto, the procedure outlined in Schedule "B" of this agreement shall apply subject to any mandatory provisions of The Police Services Act and Regulations passed thereunder.

ARTICLE 4 - SENIORITY

- 4:01 Seniority shall be established for the members of the Police Service covered by this agreement and such seniority shall be based upon the member's continuous service with the Board, calculated from the date upon which a member last commenced employment with the Board. Where there is more than one member hired on the same date, seniority shall be decided on alphabetical order.
- 4:02 A seniority list shall be established by the Board for members covered by this agreement and such list shall be revised and posted prior to July first of each year and a copy filed with the Association.
- 4:03 Seniority shall be broken only for the following reasons:
- (a) If the member terminates employment;
 - (b) If the member is discharged and the discharge is not reversed under the provisions of

the agreement or the provisions of The Police Services Act;

- (c) If a member who has been laid off does not report for work within five (5) days of recall, as provided in Item 4:06.

4:04 In determining the length of service for the purpose of seniority, continuity of service shall not be considered interrupted if absence from the Board's service is due to leave of absence granted by the Board.

4:05 Where the Board has made a decision to reduce the complement of the Service and such reduction of personnel cannot be accommodated through attrition, and where such action is not in contravention of The Police Services Act, the lay-off of members shall occur by inverse order of seniority. When a vacancy in the complement of the Service exists, the members on lay-off shall be recalled in order of seniority.

4:06 Members laid off due to a reduction in staff and who fail to return to work within five (5) working days after notice of return to work has been forwarded by registered mail to the last known address of the member, shall have severed their service with the Board and shall forfeit all seniority rights except in the case of sickness or other just cause agreed upon by the Board.

4:07 Insofar as the members covered by this agreement are concerned, seniority provisions are for the purpose of determining entitlement to holidays and vacations, sick leave benefits and the order of lay-off or recall for members.

ARTICLE 5 - SICK LEAVE CREDITS

5:01 Sick leave, as it pertains to members, shall be in accordance with the provisions of Schedule "C" to this agreement.

ARTICLE 6 - BEREAVEMENT LEAVE

stepfather, stepmother, stepbrother or stepsister, such member, if scheduled to work, shall be granted absence from work for not more than four (4) days with pay which shall include the day of the funeral. Traditionally the bereavement days are consecutive but can be non-consecutive provided one of the bereavement leave days is the day of the funeral.

- (b) In the event of the death of the member's grandmother or grandfather or the partner's grandmother or grandfather, such member, if scheduled to work, shall be granted absence from work for not more than two (2) days with pay, which shall include the day of the funeral. Traditionally the bereavement days are consecutive but can be non-consecutive provided one of the bereavement leave days is the day of the funeral.
- (c) In the event of the death of a member's uncle, aunt, first cousin, nephew, niece, sister-in-law or brother-in-law, such member, if scheduled to work, shall be permitted reasonable time off with pay for the purpose of attending the funeral provided the service is in an area of twenty-five (25) miles of the City limits; if such services are beyond twenty-five (25) miles of the City limits, a member, if scheduled to work, shall be permitted absence from work one (1) day with pay.

Surplus hours of relief time earned by members working a compressed work week schedule are programmed in to the schedule on an annual basis. Relief times shall be scheduled by the Service. able to report in accordance with the amended schedule or to complete the shift in accordance with the amended schedule, accumulated overtime or court time will be deducted from such member according to the hours the member was scheduled to work. 10:02 A normal tour of duty will commence and conclude at fifteen (15) minutes to the hour. When a member is required to be on duty for any period in excess of thirty (30) minutes after the member's normal tour of duty, such time shall accumulate and be credited to the member as overtime. When the period of such time is thirty (30) minutes or less, it shall NOT be considered time worked to be compensated through salary nor to be accumulated and credited to the member as overtime.

- 10:03 All overtime shall be computed and credited to a member at the rate of time and one-half of such member's regular rate of pay. Such overtime credits shall be payable to the member within sixty (60) days from the time such credit was earned at the member's current rate of pay.
- 10:04 All overtime earned on a Statutory Holiday shift shall be computed and credited to a member at two (2) times a member's regular rate of pay and shall be payable to the member within sixty (60) days.
- 10:05 Where a member's off-duty hours between shifts is less than ten (10) hours, the provisions of Article 10:06(a) only will apply. Overtime consecutive to the first shift shall be considered to be a part of the minimum time off between consecutive shifts.
- 10:06 (a) If a member is called back to duty from the member's off duty hours or is transferred from a normal scheduled shift (ie day, afternoon or night shift) with less than twenty four (24) hours notice, the member shall be credited with three (3) hours at straight time. All hours worked will be considered part of scheduled shift hours for the subsequently scheduled shift.

The start and/or end time of the subsequent shift will be adjusted, upon mutual agreement of the member and the member's supervisor, to account for scheduled shift hours including all hours worked when the member was called back to duty. The member's shift commences upon notification of a required return to duty.

Where total call back and subsequent shift hours worked are greater than or equal to the scheduled shift, the member shall be entitled to overtime at applicable overtime rates for any hours worked beyond the shift hours originally scheduled.

If the member does not have to attend the locations in section (b) the member will be entitled to one (1) hour at straight time rates.

- (b) If a member is called back to duty on a scheduled day off and has to attend the scene of an investigation, police headquarters or other police facility, the member will receive a call back allowance of three (3) hours at straight time. In addition, the member will be paid at the appropriate overtime rate for all time worked. If the member does not have to attend the aforementioned locations the member will be entitled to one (1) hour at straight time rates.

10:07 When a member is recalled for duty when on annual or statutory holiday leave, the member shall receive sixteen (16) hours pay at straight time rates for the first eight (8) hours of service, time and a half for additional hours worked on the first call back and an additional day off in lieu of the leave lost. 10:08 When a member is recalled to duty while on day off with leave, the member shall receive sixteen (16) hours of pay at straight time rates for the first eight (8) hours of service and time and a half for additional hours worked for that shift.

10:09 Members assigned to stand-by duty between consecutive working days shall remain available for immediate communication and/or return to duty.

For each period of stand-by duty, the member shall receive three (3) hours pay at straight time rates.

If a member on stand-by duty is called back to active duty, the provisions of Item 10:06 shall take effect in addition to the stand-by.

10:10 Effective January 1, 2003 a member may elect to accumulate overtime to be taken as time off at a time mutually agreeable to the member and the member's supervisor. Such election to accumulate overtime must be made at the time overtime is earned and such election is not reversible except on resignation or retirement from the Service. The maximum number of hours a member can accumulate is eighty (80) hours after which the member will be paid at the appropriate overtime rate.

On or about May 15 of each year a member may elect to be paid out accumulated overtime to a maximum of forty (40) hours. The amounts shall be paid prior to June 30th.

Notwithstanding the above, for members with a balance greater than 80 hours as of January 1 2003 all subsequent overtime earned shall be paid until such time as the balance is less than eighty (80) hours. All overtime accumulated in excess of eighty (80) hours is not subject to annual pay downs or a pay out upon resignation or retirement.

10:11 All voluntary hire-ons (shifts) shall be paid at the rate of time and one half the member's normal rate of pay. All overtime beyond the normal scheduled shift hours worked on a statutory holiday, however, will be paid at two (2) times a member's regular rate of pay and shall be payable to the member within sixty (60) days as per item 10:04.

Court time shall not be included in the calculation of overtime and shall be paid at straight time rates. This benefit shall not apply to a defendant in a Police Services Act disciplinary hearing.
- 11:02 When a member is required to attend Court in the member's off-duty hours or on a paid or unpaid leave of absence, the member shall receive in compensation therefore, an allowance of five (5) hours Court time for attendance at each of the forenoon, afternoon and evening sessions of a Court. The provisions of this section do not apply if a member has requested and received approval for a change to day shift.

- 11:07 When a member is required to attend Court on a scheduled day off or on a day off granted in accordance with the provisions of Item 11:14, the member shall receive in compensation therefore eight (8) hours Court time for the first attendance at a session of a Court and for any subsequent attendance at a session of a Court on the same day, the provisions of Item 11:02 shall apply.
- 11:08 When a member whose previous shift was scheduled to end after midnight is required to attend Court the member shall receive in compensation thereof six (6) hours of Court time for the first attendance at a session of Court and for any subsequent attendance at a session of a Court on the same day, the provisions of item 11:02 shall apply.

- 11:11 A member receiving a subpoena to attend Court in another municipality shall forthwith notify the officer in charge of the Field Support Branch of the date, time and place the member's attendance is required, so that the member's regular duties may be adjusted to conform with the requirements of the subpoena and the time required for travel shall be allowed in any such adjustments.
- 11:12 The mode of travel shall be determined by the Chief of Police who, if so requested by the member, may provide such other assistance as required to facilitate the travel arrangements. A member attending Court in another municipality may travel in the member's personal motor vehicle.
- 11:13 When a member attends Court in another municipality as provided in Item 11:09, the member shall collect from the Court all fees and expenses payable pursuant to the regulations passed under The Administration of Justice Act. Where the Service has advanced funds in the form of cash or travel allowance, the member shall provide an accounting of expenditures and reimburse the Service for any surplus funds.

- 11:14 When a member is required to attend Court in another municipality at a time when the member is on annual leave, statutory or paid holiday, every effort will be made by the Field Support Branch to defer the member's attendance. Where such efforts fail, the member shall have entitlement to the provisions of Item 11:04 and, for the purposes of Workplace Safety Insurance Board, shall be considered on duty while travelling to and from the out of town Court appearance.
- 11:15 Members will have the option of accumulating court time hours. A member is not required to accumulate hours in order to be paid out for those hours. Court time payments shall be paid to the member within sixty (60) days from the time such credit was earned at the member's current rate of pay.

- | | |
|--|---------------------|
| Less than 5 years of service | 2 weeks (80 hours) |
| 5 years of service and less than
10 years of service | 3 weeks (120 hours) |
| 10 years of service and less than
15 years of service | 4 weeks (160 hours) |

23 years of service and less than 28 years of service	6 weeks (240 hours)
Effective January 1, 2003 –	
28 years of service or more	7 weeks (280 hours)

Where the anniversary of a member's service with the Service qualifies the member for additional vacation benefits in a given year, then the additional benefits shall apply, for all purposes, to the entire calendar year.

Effective January 1, 2003 for the purpose of Article 23:02, an employee's length of service shall commence from the date on which an employee is sworn in as a police constable and commences a period of full-time service within the Dominion of Canada, including the London Police Service, as a Constable. Each 12 months of continuous service will be the equivalent of one year's seniority.

It is further understood that for the purposes of choosing holiday time, the following practice shall occur:

Initially members will choose their Annual Leave in descending order of seniority according to their entitlement as a result of service with the London Police Service. Members will then choose their Statutory Leave (if applicable) in ascending order of seniority.

Once all other leave is chosen, any members who qualify for Annual leave entitlement as a result of Accredited Police Service, as laid out above, shall choose such entitlement according to descending order of seniority.

It shall be the responsibility of the member to provide proof of previous service in order to qualify for the above vacation entitlements.

- 23:03 When a member leaves the service without qualifying for a full year's vacation entitlement as set down in Item 23:02, the member shall receive such vacation entitlement for the time served on a prorated basis, calculated from January first in the calendar year in which the member leaves the Service.
- 23:04 Effective January 1, 2003 annual vacation shall be taken by all members in each classification in order of seniority. Members working compressed work week shift schedules shall choose annual vacation by hours from shifts scheduled to work by the member's unit. Members

shall choose complete blocks of shifts assigned to work between scheduled days off. Hours remaining where no complete block can be chosen shall be added to the hours of statutory and paid holiday entitlement.

Notwithstanding Article 24:04 where a work unit is comprised of eight (8) or more persons based on the authorized complement for the year when vacation will be taken, no more than two police constables on one unit may be off on annual leave or statutory and paid holiday leave at one time.

23:05 In the calendar year in which a member completes thirty (30) years with the Service, the member shall receive an additional six (6) weeks (240 hours) vacation at full pay. This benefit is conditional on the member combining this vacation entitlement with the benefit provided in Item 23:02 to provide twelve (12) consecutive weeks of vacation.

A member has the option to defer the additional six (6) weeks vacation to a subsequent year. The member must provide a minimum of one year's notice to the date they wish to take the entitlement. The entitlement must be taken by combining it with all other annual leave. If deferred, there will be no cash payouts of this benefit to the member or surviving beneficiary. The additional six (6) weeks will not be blocked off the holiday list that the qualifying member is assigned to. However, the initial six (6) weeks will be blocked off the holiday list of the qualifying member's unit.

Members hired after December 31, 1985 will not be entitled to this benefit.

23:06 If a member is injured or incapacitated due to illness requiring a doctor's care before going on annual leave and such injury or illness continues into any portion of annual leave, the member shall choose annual leave at a later date and use sick leave credits while such illness or injury continues.

23:07 When a member has selected their annual leave prior to October 1st of any given year and is subsequently transferred to another division, section or unit after October 1st, the member shall have the option of maintaining all or part of the selected leave with the mutual consent of the member's supervisor. If mutual consent cannot be attained, then the matter shall be subject to review and final decision by the Chief of Police or a Deputy Chief of Police.

Day, Christmas Day, Boxing Day,

and any other day appointed by proclamation to be observed as a public holiday or as a day of general prayer or mourning or a day of public rejoicing or thanksgiving throughout Canada.

In addition, each member shall have entitlement to an additional paid holiday.

24:02 Members shall be entitled to the provisions of Item 24:01 for such statutory and paid holidays as their service shall warrant during each calendar year.

24:03 A member required to work upon a statutory or paid holiday mentioned in Item 24:01 shall be paid at the rate of time and one half the member's rate of pay, notwithstanding the day off received for working on such day. Any overtime worked on a statutory or paid holiday will be paid at two (2) times the member's rate of pay as provided in Article 10, Item 10:04.

24:04 Subsequent to the selection of annual vacation, members regularly scheduled to work rotating shifts will select two (2) weeks additional leave in lieu of statutory and paid holidays by inverse seniority. Such additional statutory and paid holidays to which a member may have entitlement shall, subject to the requirements of the service, be assigned at a mutually convenient time to the member and the member's supervisor.

Members working compressed work week shift schedules shall choose ninety-six (96) hours of statutory or paid holiday leave in the inverse order of seniority after the completion of the selection of annual vacation. Hours of annual leave remaining shall be added to the hours of statutory and paid holiday leave prior to the selection of statutory and paid holiday leave. Statutory and paid holiday leave shall then be chosen from the shifts scheduled to work by the member's unit during that period. The members shall choose complete blocks of shifts assigned to work between days off. Hours remaining where complete blocks cannot be chosen will be "set aside."

After completing the selection of statutory and paid holiday leave, members of units will choose remaining hours by seniority from shifts designated for leave selection by the Divisional Commander. When using "set aside" hours, accumulated time hours may be used to complete shifts of leave.

24:05 Two (2) officers from each patrol section will be permitted to select annual and statutory leave at the same time on all shifts.

- 24:06 Members not covered by item 24:04 (other than Senior Officers) shall select two (2) weeks statutory leave in the inverse order of seniority following the selection of annual leave, if such members work rotating shift schedules that include Saturdays and/or Sundays.
- 24:07 It is understood that a number of training institutions choose to celebrate statutory holidays on a day other than the day designated by law.
- (a) It is further understood that when the situation described occurs, Article 24:03, as it relates to being reimbursed time and one half for working on statutory holiday, shall not apply.
 - (b) It is further understood that the member will be assigned another day off during the week in which the statutory holiday falls.
 - (c) It is finally understood that when the situation described occurs, there will be no deduction of hours from the member.

1. Each member shall be eligible to a credit of one and one-half (1-1/2) days sick leave (12 hours) for each month of service with the Service, such credit to be cumulative.
2. Each member shall be eligible to receive sick leave, on full salary, for any time lost by illness to the full extent of sick leave credits available to the member at the time of such absence.
3. Except as otherwise herein provided, the number of days a member is absent on account of illness shall be deducted from the member's cumulative sick leave credits.
4. Proof of illness shall, at the discretion of the Commanding Officer, be established by submission of a "Certificate for Sick Leave with Pay".
5. A member who is absent because of illness for thirty (30) calendar days or more shall, on request, provide the Personnel Office with a certificate from a qualified physician certifying as to the member's inability to return to work and on a similar request shall do so at the conclusion of each thirty (30) calendar day period.
6. Effective June 17, 1999 where a member is absent from duty as a result of a new injury arising out of and in the course of duty and is receiving benefits awarded by the Workplace Safety Insurance Board, the member shall continue to receive the same net pay. It is noted there is no deduction for income tax or Canada Pension Premium. The intent of the parties being the injured absent member will be no better or worse off monetarily than if working.

A member absent on a reoccurrence of a Workplace Safety Insurance Board injury that occurred after January 1, 1988, shall receive one hundred percent (100%) of the member's current net take-home pay experienced prior to the absence recognizing that ninety percent (90%) of the net pay as determined by WSIB is not taxable at source. This provision will apply to reoccurrences of absences resulting from claims after January 1, 1988, only and an amount equal to subsequent pension awards arising out of these claims will be deducted at source when an absence results for the same disability for which the pension has been awarded.

7. Where a member transfers from a municipal department within the Corporation of the City of London to the Service, such member's sick leave credits shall be transferable and sick leave pay to which the member is entitled shall be payable by the Service.
8. A member who is, at the time of the member's retirement, actively engaged with the Service or absent on duly authorized leave, shall be entitled to receive a sick leave gratuity on one, but not both of the following basis:
 - (a) On the date of retirement, the member may be granted a sick leave gratuity in cash equal to the member's salary, for one-half (1/2) the number of days (hours) standing to the member's credit and, in any event, not in excess of the amount of one-half (1/2) year's earnings at the rate received by the member immediately prior to termination of employment; or
 - (b) With the consent of the Chief of Police, in lieu of the sick leave gratuity which would otherwise be paid in cash in accordance with the foregoing, such member may be granted retirement leave with full pay for a period equal to one-half (1/2) the number of days (hours) standing to the member's credit and, in any event, not in excess of a period of six (6) months. While on retirement leave the member is not entitled to accrue annual, statutory leave and lieu leave effective January 1, 2003.
9. Any member who, on termination of the member's employment with the Service and, has at least five (5) years of service, or the Estate of a member who dies while in the employ of the Service, having at least five (5) years service, shall be entitled to receive pay for the period equal to one-half (1/2) the number of days (hours) standing to the member's credit and, in any event, not in excess of the amount of one-half (1/2) the year's earnings at the rate received by the member immediately prior to termination of employment.
10. When a member, formerly employed by another municipality or local board which had established a sick leave plan under the provisions of The Police Services Act or any other general or special act, leaves the employ of that municipality or local board and immediately commence employment with the London Police Service without interruption of service with another employer, the Chief of Police, upon the request of the member, shall take such action as may be necessary to place such sick leave credits to the new member's credit in the records of the Service.

11. A member may, at the discretion of the Division Commander, take a leave of absence not to exceed five (5) days on any one occasion due to illness of such member's spouse, child, adopted child, step-child, mother, father, brother and sister. Such leave is to be charged against the member's sick leave credits. Upon the approval of the Division Commander a member may use their sick time for the purposes of attending a personal medical appointment or that of a partner, child, adopted child, step-child, mother, father, brother or sister. This is limited to a maximum of fifty-five (55) days per calendar year.

12. A member making application for disability benefits shall file proper medical documentation to support such application. Such documentation shall be filed directly with the carrier.

PART "B"

1.
 - (a) Effective January 1, 2003, each member shall have entitlement to ten (10) working days sick leave in a given year at full pay and an additional one hundred and twenty-four (124) working days per calendar year at seventy-five per cent (75%) of the member's current salary.
 - (b) Commencing with unused sick leave days for 1989, a member's entitlement shall be carried over to the following year(s) increasing the working days allowed off for sick leave at full pay. Such unused days shall accumulate to a maximum of one hundred and thirty (130) days which could be used at full pay before reducing to the protection provided in paragraph 2. It is understood that there will not be a pay-out of the one hundred and thirty (130) days or any part thereof.
 - (c) A member may utilize annual leave, statutory leave, accumulated court time or overtime benefits to provide one hundred per cent (100%) of salary in the one hundred and twenty-four (124) working days of sickness. The member's entitlement to time off will be reduced accordingly.
2. Where a member is absent due to sickness more than one hundred and thirty (130) working days in a given year, the member shall then be placed on long term disability protection which shall provide seventy (70%) per cent of the salary to a maximum of four thousand (\$4,000) dollars per month received by the member at the commencement of the sick leave. Effective January 1, 2003 this amount is a maximum of five thousand (\$5,000) dollars per month. Where the long term disability protection extends into a consecutive calendar year, the member shall continue that benefit until returned to duty, at which time the provisions of Item #1 shall apply.
3. One hundred per cent (100%) of the cost of the long term income protection plan shall be payable by the Board.
4. A member on sick leave credits or long term income protection plan shall, on request, submit to the Service a certificate from the member's physician certifying that the member is unable to work and the nature of the illness.
5. Effective June 18th, 1999 where a member is absent from duty as a result of a new injury arising out of and in the course of duty and is receiving benefits awarded by the Workplace Safety Insurance Board, the member shall continue receive the same net pay. It is noted there is no deduction for income tax or Canada Pension Premium. The intent of the parties being the injured absent member will be no better or worse off monetarily than if working.

Effective January 1, 1988 a member absent on a reoccurrence of a Workplace Safety Insurance Board injury that occurred after January 1, 1988, shall receive one hundred percent (100%) of the member's current net take-home pay experienced prior to the absence, recognizing that ninety percent (90%) of the net pay, as determined by WCB, is not taxable at source. This provision will apply to reoccurrences of absences resulting from claims after January 1, 1988 only and, an amount equal to subsequent pension awards arising out of these claims will be deducted at source when an absence results for the same disability for which the pension has been awarded.

6. A member may, at the discretion of the Division Commander, take a leave of absence not to exceed five (5) days on any one occasion due to the illness of such member's partner, child, adopted child, step-child, mother, father, brother and sister. Such leave is to be charged against the member's sick leave credits. Upon approval of the Division Commander, a member may use their sick time for the purposes of attending a personal medical appointment or that of a partner, child, adopted child, step-child, mother, father, brother or sister. This is limited to a maximum of fifty-five (55) days per calendar year.
