SECTION 29 - LEGAL INDEMNIFICATION

- 29-01 Subject to the other provisions of this Article, a member charged with and finally acquitted of a criminal or statutory offence, because of acts done in an attempted performance in good faith of his/her duties as a police officer shall be indemnified for the necessary and reasonable legal costs incurred in the defence of such charges.
- 29-02 Notwithstanding clause 29-01, the Board may authorize payment of necessary and reasonable legal costs of a member pleading or being found guilty of an offence described in clause 29-01, where the court, instead of convicting the accused, grants him/her absolute discharge, provided that the Board accepts the recommendation of the Chief of Police, or an officer designated by him/her to make such a recommendation, that the member's actions as a police officer in the course of performing his/her duties were motivated by an intent to do his/her lawful duty, that such actions do not constitute any of

the actions described in clause 29-01 hereof, and that such indemnification will not in the opinion of the Board reduce respect for law enforcement in the City of Windsor.

29-03 Notwithstanding clause 29-01, the Board may refuse payment otherwise authorized under clause 29-01 where the actions of the officer from which the charges arose amounted to a gross dereliction of duty or deliberate abuse of his/her powers as a police officer.

29-04 Where a member is a defendant in a civil action for damages because of acts done in an attempted performance in good faith of his/her duties as a police officer, he/she shall be indemnified for the necessary and reasonable legal costs incurred in the defence of such an action in the following circumstances only:

- (a) Where the Board is not joined in the action as a party pursuant to Section 50 (1) of the Police Services Act, and the Board does not defend the action on behalf of itself and of the member as joint tortfeasers at the Board's sole expense;
- (b) Where the Board and/or Chief of Police is joined as a party or elects to defend the action, but the solicitor retained on behalf of the Board and/or Chief of Police and the member is of the view that it would be improper for him/her to act for both the Board and/or Chief of Police and the member in that action.

29-05 A member whose conduct is called into question in the course of an inquiry under the Coroners Act because of actions done in the attempted performance in good faith of his/her duties as a police officer, shall be indemnified for the necessary and reasonable legal costs incurred in representing his/her interest in any such inquest in the following circumstances only:

- (a) Where the Chief of Police and/or the Board does not provide counsel to represent the member at the inquest at the Board's expenses; or,
- (b) Where the counsel provided by the Chief of Police or the Board to represent either or both of them along with the member is of the opinion that it would be improper for him/her to act for both the Chief of Police or the Board and the member in that action.

29-06 Where a member is the subject of a hearing before the Ontario Civilian Commission on Police Services as a result of a hearing held pursuant to section 70 (1) (2) (3) or (4) of the Police Services Act R.S.O. 1990 and the decision of the Commission is the misconduct was not proved, the member shall be indemnified for any necessary and reasonable legal costs arising directly from the defence of the complaint being heard by the Commission. **(revised 1999)**

29-07 S.I.U. INDEMNIFICATION

Members shall be indemnified for the legal costs incurred in relation to Special Investigation Unit investigations subject to the conditions set out below.

- (a) This provision shall apply to all members who are or appear to be considered subject officers in relation to the S.I.U. investigation.
- (b) Where more than one member appears to be or is deemed to be the subject officer in relation to the same incident, one counsel shall represent all members so involved unless the circumstances indicate separate counsel should be retained.
- (c) In the event that members of the S.I.U. intend to interview members, the President of the Association and the Chief of Police, or their designates, shall be notified and they shall

make any determination required in respect to the number of counsel as outlined in subsection (b).

- (d) The member or members shall be indemnified for all legal costs incurred until the member is finally cleared of any wrongdoing or until such time as the member(s) is charged with a criminal or statutory offence at which time Section 32 and the provisions therein outlined will apply. **(new and renumbered 1999)**

29-08 Where a member intends to apply to the Board for indemnification hereunder, the member shall, within thirty (30) days of being charged or receiving notice of other legal proceedings covered herein, or receiving notice that he/she will not be represented by counsel retained by the Chief of Police and/or the Board, apply in writing to the Chief of Police or to the officer designated by the Chief of Police to deal with such applications for approval to retain counsel and approval of the counsel to be so retained. In the event of any dispute concerning the counsel to be retained, the matter shall be resolved by an officer designated by the Chief and a member of the Association Executive designated for that purpose. The term counsel herein shall be restricted to counsel whose practice is located in the County of Essex. **(renumbered 1999)**

29-09 Where the Chief of Police, pursuant to Board policy, elects to provide legal counsel to defend a member in any legal proceeding covered by this provision, the cost of such counsel is the Board's responsibility irrespective of the outcome of the proceedings and neither the member nor the Board may rely upon the other provisions of this policy. This sub-section shall not be deemed to apply to criminal prosecutions. **(renumbered 1999)**

29-10 Members shall not be indemnified for legal costs arising from:

1. grievances or complaints under the collective agreement between the Board and the Association or under the Police Services Act;
2. the actions or omissions of members acting in their capacity as private citizens;
3. discipline charges under the Police Services Act and regulations thereunder, except as set out in section 29-06.

(revised & renumbered 1999)

29-11 For the purpose of this provision, a member shall not be deemed to be "finally acquitted" if as a result of charges laid, he/she is subsequently found guilty of, or pleads guilty to, other charges arising out of the same incident or incidents, but nothing in this clause will disentitle the member to consideration under clause 29-02 hereof. **(renumbered 1999)**

29-12 For the purpose of this provision, "necessary and reasonable legal costs" shall be based on the account rendered by the solicitor performing the work, subject initially to the approval of the Board and, in the case of dispute between the solicitor doing the work and the Board, assessment on a solicitor and client basis by the Assessment Officer. **(renumbered 1999)**

29-13 In the cases of aggravated assault, assault causing bodily harm, or the included offence of ordinary assault, the indemnification referred to in clause 29-01 shall be limited to only those fees that would have reasonably been incurred if the matter was tried in Provincial Judges' Court unless the officer first obtains permission to elect to be tried by any other court. To obtain said permission, the officer shall make an application, in writing, to the President of the Windsor Police Association. The decision to give said permission shall be made by the President of the Windsor Police Association and the Chair of the Windsor

Police Services Board. **(renumbered 1999)**

- 29-14 In the event that a dispute arises with regards to the interpretation or application of Section 29, the matter may be referred to an arbitrator as hereinafter named. Notice, in writing, shall be given to the other party and the arbitrator within ten (10) calendar days of the decision of matter complained of. The arbitrator's decision shall be final and binding on the parties. The arbitrator shall be selected on a rotational basis, subject to availability from the panel of arbitrators:

SECTION 30 - WORKERS' COMPENSATION

- 30-01 If a member is absent from work as the result of a compensable injury for which the employee is granted an award by the Workplace Safety Insurance Board for a period of temporary total disability, the Board shall pay the difference between the amount paid pursuant to the Workplace Safety and Insurance Act and his/her normal net average salary or wages. When either amount paid under this provision is exempt from income tax, the total amount paid to the member for the pay period shall not be more than his/her normal salary or wages less the amount of income tax. The intent of the parties being that an officer on Workplace Safety and Insurance Benefits will be no better or worse off than an officer who is working. It is therefore agreed that no income tax, Employment Insurance or Canada Pension Plan payments shall be forwarded to Revenue Canada upon the member's behalf for the subject period for the amount attributable to Workplace Safety and Insurance Benefits only. **(revised 1999)**
- 30-02 Members required to attend court while off work on Workplace Safety and Insurance benefits shall be entitled to court overtime as stipulated in Section 14 as if the member was actually working their assigned shift for that period. **(new 1999)**
- 30-03 Members who have made application for benefits from W.S.I.B. shall continue to receive all advances of salary or wages until such time as a decision is made by the W.S.I.B. to a maximum of ninety (90) calendar days. **A BY-LAW TO ESTABLISH A PLAN OF SICK LEAVE CREDIT
GRATUITIES FOR EMPLOYEES OF THE CORPORATION**

Passed the 1st day of April, 1952

WHEREAS it is deemed expedient to establish a plan of sick leave credit gratuities for the employees of the Corporation of the City of Windsor:

THEREFORE the Municipal Council of the Corporation of the City of Windsor enacts as follows:

1. In this By-Law,
 - (a) **“Employee”** means any salaried officer, clerk, workman, servant or other person in the employ of the Corporation of the City of Windsor, and unless otherwise provided herein, shall include a temporary employee who has been employed continuously on a full-time basis for not less than six (6) months. If such temporary employee has submitted a medical examination report satisfactory to the Corporation. (added B/L 2294)
 - (b) **“Month”** shall mean a calendar month.
 - (c) **“Regular attendance”** means for any month the attendance of an employee at his duties on the days during the hours for which his attendance is required during that month, according to the terms of his employment, subject to the proviso that no credit shall be given to an employee in any month who, in that month, was absent from duty without leave, or who is absent for more than six (6) days for any reason other than vacation leave of absence or attendance with the permission of Council, at any meeting or convention of any organization or association with which any Union which has a collective agreement with the Corporation is affiliated. (amended - B/L 1913)
 - (d) **“Sick leave certificate”** means a certificate, Form “A” attached to and forming part of this By-Law, verifying a claim for sick leave.
 - (e) **“Sick leave absence”** means absence from regular attendance by sickness or other physical incapacity.
 - (f) **“Sick leave credit”** means an allowance as provided by this By-Law for sick leave absence with pay.
 - (g) **“Council”** means the Council of the Corporation of the City of Windsor.
2.
 - (a) A plan of sick leave credit gratuities is hereby established for every employee and, subject to the control of Council, the conduct and management of the plan shall be vested in the Treasurer, or such other employee of the Corporation as the Council by resolution may designate, from time to time.
 - (b) The Treasurer shall perform all things necessary or incidental to the due carrying on of the sick leave credit gratuities plan, including the power to allow or disallow any sick leave credit or sick leave absence for any employee provided, however, that the disallowance by the Treasurer of any sick leave credit or sick leave absence shall be subject to appeal as hereinafter set forth.

- (c) The Treasurer shall provide and keep a register in which all sick leave credits shall be recorded so that the register will show the net sick leave credit of every employee which remains after all his sick leave absences have been deducted from his accumulated sick leave credit.
3. (a) Each employee shall be entitled, for every month of regular attendance, to a sick leave credit at the rate of not more than 1 ½ days per month, and the sick leave credit of an employee shall be cumulative.
- (b) Where an employee has been employed for more than three years he may, subject to the approval of the City Manager, be allowed sick leave absence for not more than thirty (30) days at any time in excess of his accumulated sick leave credit, as recorded in the register provided that, such excess allowance shall be chargeable to and debited in the register against future sick leave credits to which the employee may become entitled. The decision of the City Manager disallowing an application for extension of sick leave absence as foresaid, may be appealed to the Council. This paragraph shall not apply to a temporary employee. (amended - B/L 4053)
 - (c) Where an employee is absent due to an accident and is in receipt of Workman's Compensation and the municipality makes up the twenty-five percent (25%) difference between such compensation allowance and his total salary or wage, his sick leave credit shall not be debited with one-quarter day for each such day's absence. (amended B/L 1913)
 - (d) Where an employee is absent due to attendance at a military hospital for observation, examination or treatment in connection with any disability sustained by such employee as a result of military service, and the Municipality makes up the difference between the employee's normal salary or wages for such period of absence and any allowance or gratuity, other than for transportation and meals, received by the employee from the Department of Veterans Affairs while attending at such hospital, his sick leave credit, if any, shall be debited with the period of time determined by the ratio that the Municipality's supplemental payment bears to the employee's normal salary or wages for the period of absence. This paragraph shall not apply to a temporary employee. (B/L's 1165 & 2294)
 - (e) If an employee is absent from work for any period of time during which he is entitled to receive sick leave payments or is awarded compensation under the Workman's Compensation Act, his normal accumulation of sick leave shall not be interrupted by reason of such absence. (added - B/L 4053)
4. (a) An employee shall report his illness to his immediate superior during the first day on which such employee is absent from his work, and within two hours of the time at which he would normally commence his duties.
- (b) Upon the return to work of an employee or during his absence if requested, the sick leave certificate, as set out in Form "A" which forms part of this By-Law must be filed with the Treasurer, and where the absence has been in excess of three (3) days at one time the physician's portion of the certificate must also be completed as soon as practicable.
 - (c) The sick leave certificate, supported by a physician's certificate or other satisfactory evidence of illness, shall be required if requested by the City Treasurer. (By-Law 2030)
5. (a) Whenever the Treasurer disallows any application for sick leave credit, or sick leave absence for any employee, or does not make an entry in regard to such employee's sick

leave credit, in accordance with the terms of this By-Law, such employee may appeal against the decision or action of the Treasurer by filing with the City Manager a written notice of appeal within seven (7) days of the date of mailing or delivery to him of notice of the decision or action of the Treasurer. (B/L 3501)

- (b) The City Manager shall be and is hereby empowered to hear such appeal and the City Manager, upon notice to all interested parties, may fix the time and place of the hearing of such appeal and may adopt such rules of procedure and practice as he in his sole discretion may determine. (B/L 3501)
 - (c) All notices of hearing of any such appeal shall be mailed or delivered to all parties concerned, not less than three (3) days prior to the date set by the City Manager for hearing any such appeal.
 - (d) The decision of the City Manager in respect to any such appeal shall be reported to the Treasurer, and the Treasurer shall record the decision of the City Manager in the register, and act upon it. (By-Law 2030) (amended by By-Law 2007)
6. The Treasurer shall report monthly to the City Manager of the said Corporation all sick leave absences. (By-Law 2030)
7. (a) Where an employee has heretofore accumulated sick leave credits under any plan established by the Corporation, the employee shall be entitled to credits equal in number to the sick leave credits so accumulated, in addition to any credits to which he may become entitled under the provisions of this By-Law. (amended B/L 4053)
- (b) Upon the application of an employee who immediately prior to his employment by the Corporation was employed by another municipality or local board which has established a sick leave plan under The Municipal Act of any other general or special Act, the total sick leave credits standing to the credit of such employee in the plan of such municipality or local board shall be placed to the credit of such employee in the plan of the Corporation, provided that, such total credits shall not exceed the amount of the credits which could have been earned by such employee under the plan of the Corporation for the same term of employment. (B/L 4578)
8. Subject to Section 9 hereof, when an employee, having more than five (5) years service, ceases to be employed by the Municipality or when an employee having less than five (5) years service dies, there shall be paid to him or his personal representatives as the case may be, or failing a personal representative, to such other person as the Council may determine, an amount computed on the basis of his pay at the date of his cessation of employment with the Municipality, for a period equal to fifty percent (50%) of the value of his credits or fraction thereof, but the amount shall not exceed six (6) months pay, and any such employee shall be entitled to be paid such amount in a lump sum, or in regular, consecutive monthly payments of not less than fifty dollars (\$50.00), and the balance remaining at any given time after all previous payments have been deducted shall be paid to the employee upon his request. This section shall not apply to a temporary employee. Interest at a rate of one percent below the average prime lending rate charged by the chartered banks in the preceding calendar year shall be paid upon the monthly balance of sick leave credits left on deposit with the Corporation from time to time, and such interest shall be payable thereof to be made within thirty (30) days after the final withdrawal of such credits. (amended by B/L's 1437, 2294, 4053, and 4959)
9. Any employee discharged by Council for cause shall lose or forfeit all benefits under this By-

Law.

10. By-Law Number 960, passed the fifth day of February 1952, is hereby repealed.
11. This By-Law shall come into force on the 1st day of January 1952.

APPENDIX 6

SICK LEAVE GRATUITY - SECTION 11

1. Sick Leave gratuity shall be eliminated for all employees effective August 1st, 1989.
2. All employees shall have their **accumulation** entitlement calculated as of August 1st, 1989.
3. Employees entitled to gratuity as of August 1st, 1989 shall be paid their total gratuity as follows:
 - 1/3 of the gratuity value on August 15th, 1989 at the employee's then current rate of pay;
 - 1/3 of the gratuity value on January 15th, 1990 at the employee's then current rate of pay;
 - 1/3 of the gratuity value on January 15th, 1991 at the employee's then current rate of pay.

If the employee's entitlement under the foregoing pay-out proviso is not at least equal to twenty (20) days, then the employee shall receive twenty (20) days pay subject, of course, to the amount in the gratuity as of August 1st, 1989.

Example:

Employee **entitlement** - August 1st, 1989 - 40 days.

Under the formula, the employee would be entitled to 13 1/3 days on each of the three dates. The proviso will provide, however, that on August 15th, 1989 the employee will receive 20 days on January 15th, 1990, will receive 20 days, and no payment on January 15th, 1991. This will ensure that the employees who are entitled will receive at least 20 days on the relevant dates, subject to the total gratuity.

4. Employees will suffer a reduction from their banked sick leave of the days represented in the gratuity as of August 1st, 1989. The reduction shall take place at that date.
5. The Sick Leave By-Law will continue to run in all other aspects of the banking of days, etc. but there shall be no gratuity. The gratuity shall be eliminated completely from the civilian employees.
6. It is agreed that employees may, at the sole discretion of the Chief, not be paid the one-third (1/3) gratuity on the relevant dates in order that the employee suffers no reduction in their sick leave bank.
7. It is agreed that three (3) employees whose names will be supplied shall be allowed to leave their gratuity until their retirement and those employees shall be paid their gratuity based on their rate of pay at retirement.

APPENDIX 7

Effective August 1st, 1989, a temporary employee after six (6) months of continuous full-time employment shall earn for every month of regular attendance a sick leave credit at the rate of three-quarters (3/4) of a day per month. Such sick leave credit shall be cumulative to a maximum of eighteen (18) days.
2.
 - (a) An employee shall report his/her illness to his/her supervisor during the first day of absence from work and within two hours of his/her normal starting time.
 - (b) Upon the return to work of an employee or during his/her absence if required, a standard Sick Leave Certificate must be filed with the Commissioner of Finance and where the absence has been in excess of three (3) days at one time the physician's portion of the certificate must also be completed as soon as practical.
 - (c) The Sick Leave Certificate supported by a physician's certificate or other satisfactory evidence of illness shall be required if requested by the Commissioner of Finance.
 - (d) Whenever the Commissioner of Finance disallows an application, the employee may appeal against the decision by filing with the City Administrator a written notice of Appeal within seven (7) days of delivery to him/her the decision of the Commissioner of Finance.
3. The City Administrator shall fix the time and place of the hearing and advise all interested parties no less than three (3) days prior to the hearing.
4. It is agreed that the foregoing sick leave plan is completely independent of the sick leave plan for permanent employees established by By-Law 980 (with subsequent amendments) and the provision of this article shall be the only provision applicable to temporary employees in the matter of sick leave credits.
5. Any temporary employee having been employed full-time continuously for six (6) months or more shall retain any earned sick leave credits as per Section 1 and upon subsequent full-time temporary employment shall continue to earn and accumulate said credits immediately.

In situations where members have identical scores, the promotion or change to another grade will be decided by seniority within the Police Service.

(c) Mutual Agreement

In the event that the Chief of Police and the Windsor Police Association cannot come to a mutual agreement on members to sit on the Interview Panel, the Windsor Police Services Board will make the determination.

(d) Evaluators/Interviewers

(i) Where more than one person is evaluating or interviewing, the scores will be averaged to arrive at the final score.

(ii) Each member of the panel will arrive at his/her assessment independently. The individual scores will be forwarded to the Director of Human Resources or designate. The Director of Human Resources or designate shall be responsible for calculating the candidate's final score.

(iii) If the member has worked in a Division for less than three (3) months, the former Division shall complete the appraisal unless otherwise agreed upon by the member and the immediate Supervisor(s) affected.

8. APPEAL

(a) Any candidate may request to meet with the Human Resources Director to review and discuss their scores and/or process.

(b) Any candidate who wishes to appeal their final mark may do so by giving written notice to the Human Resources Director within five (5) days of receiving their overall score. Appeals will be heard by the Chief of Police, the Deputy Chief of Police and the Supervisor(s) in charge of the candidate's Division.

CIVILIAN PROMOTIONAL POLICY

GUIDE TO THE INTERVIEW PANEL

The duties of the interview panel will be to interview each candidate for promotion as set out in the promotional system.

THE PANEL

The interview panel shall consist of three individuals: the Director of Human Resources or designate and two other members of the Police Service appointed by the Chief of Police and mutually agreed upon by the Windsor Police Association.

DESIGNING THE INTERVIEW QUESTIONS

After the requirements of the job have been analyzed by the Supervisor and the Director of Human Resources, a structured interview should be developed with questions that are strictly based on the results of the job analysis.

Questions should be open-ended in that they do not allow for a yes or no response. There are various types of questions which can be developed.

Job Experience Questions - examine past job experience related to position applying for

Motivation Questions - determine why they are interested in the position

Situational Questions simulate the job applied for and how they would respond in a given situation

Past Behaviour Questions - job-related situations that may predict success in the position applied for

SCORING

Each member of the interview panel will assign a score to the interview. This score is not to exceed 25 points. Each member of the panel will arrive at his/her assessment independently and when all three assessments are completed, will forward such to the Director of Human Resources or designate. The Director of Human Resources or designate will add together the scores and divide by the number of panel members to arrive at an average score.

INTERVIEW PROCESS

Three interview panel members will reduce interviewer bias. The interview panel shall meet prior to the interview to discuss the interview questions and what constitutes positive versus negative responses. These responses should be documented for each question prior to beginning an interview. A scoring system for each question will be developed prior to commencing the interview.

The same questions shall be asked in the same manner to each candidate. The same interview panel shall be utilized in a competition for each candidate. There should be no discussion until all the applicants have been interviewed and independently scored.

The Director of Human Resources or designate will facilitate the interview. It shall be determined prior to the interview the responsibility of each panel member.
