WITNESS - grievance procedure	7.10	8

THIS AGREEMENT made this 30th day of September 1997, authorized by By-law No. 97-333 of the City of St. Catharines.

BETWEEN:

THE CORPORATION OF THE CITY OF ST. CATHARINES

(hereinafter called the "Corporation")

OF THE FIRST PART

- and -

CANADIAN UNION OF PUBLIC EMPLOYEES, CLC, LOCAL 150

(hereinafter called the "Union")

OF THE SECOND PART

ARTICLE 1 - PURPOSE

1.01 - The purpose of this Agreement is to establish and maintain collective bargaining relations between the Corporation and its employees represented by the Union; to establish and maintain rates of pay, hours, and working conditions for the said employees consistent with the maintenance of an efficient civic service; and to provide a procedure for the settlement of grievances. Use of the masculine gender in this Agreement shall be considered to also include the feminine.

ARTICLE 2 - RECOGNITION

2.01 - The Corporation recognizes the Union as the certified exclusive bargaining agent for all employees of the Corporation save and except:

1. foremen and those above the rank of foreman;
2. persons employed for not more than twenty-four (24) hours per week;
3. students employed during the school vacation period, or on a co-operative training programme, provided there shall be not more than one (1) for every twenty-five (25) employees; but this limitation shall not apply to the Recreation & Community Services Department;
4. Employees bound by the Collective Agreement of the Canadian Union of Public Employees, Local 157;

- 5 persons employed by the Recreation & Community Services Department, Fire Services Division, and by any local board as the same is defined in the Department of Municipal Affairs Act:

which shall be referred to in this Agreement as the Bargaining Unit or Unit

2.02 - The word "employee" in this Agreement shall refer to both casual employees and regular employees as defined in Article 10 and whose jobs fall within the Bargaining Unit as defined in Section 2.01:

- (a) who are receiving wages for performing work for the Corporation; or
- (b) who are on leave of absence or sick leave in accordance with the provisions of this Agreement; or
- (c) who are on layoff with seniority rights to recall, to the extent of providing right of recall and right of grievance as set forth in this Agreement.

2.03 - A student will not be used on a job when a regular employee is available and capable of performing such job. Such regular employee shall have preference for overtime over a student employee within the division on any job for which the regular employee is qualified and experienced.

2.04 - Employees hired for seasonal projects under programmes directly funded by the Federal or Provincial Governments specifically to create employment shall not be covered by Articles 10 (Seniority), 15 (Vacations), 16 (Paid Holidays for ninety (90) days from their date of hire), 17 (Compassionate Leave), 22 (Employee Insurance Programme), 23 (Sick Leave Plan), and 28 (Jury Duty).

2.05 - Corporation employees, other than students, who are not covered by this Agreement will not work on jobs which are normally done by employees covered by this Agreement except for purposes of instructing, experimenting, in emergencies, or when a regular qualified employee is not available within a reasonable period of time.

2.06 - No employee shall be required or permitted to make any written or verbal agreement with the Corporation or the Union, or their respective representatives, which conflicts with the terms of this Collective Agreement.

ARTICLE 3 - UNION SECURITY

3.01 - All employees presently members of the Union shall as a condition of continuing employment remain members, in good standing, of the Union. All future

employees shall, as a condition of continued employment, become and remain members, in good standing, of the Union within thirty (30) days of employment.

3.02 - The Corporation agrees to deduct such initiation fees, where applicable, and such regular monthly Union dues as are uniformly levied by the Union in equal portions from each pay of all present employees and of all new employees after thirty (30) days of employment. The total amount of the monthly deduction will be transmitted regularly each month to the Secretary-Treasurer of the Union.

3.03 - These dues will be deducted only after all demands against the pay have been satisfied.

3.04 - The Corporation will use its best endeavours to comply with the provisions of this Article, but it is relieved by the Union of any and all responsibility and/or liability for deducting, or failure to deduct, Union dues.

3.05 - With the first transmission of dues, the Corporation will deliver a list of the employees from whom deductions were made and the amount of the deductions. With subsequent transmissions, the Corporation will show any changes in employees or deductions.

3.06 - The Union will deliver to the Corporation a letter certified by a responsible officer of the Union setting out the amounts of initiation fees and monthly dues mentioned in Section 3.01, and the name and address of the Secretary-Treasurer of the Union.

3.07 - At the same time that Income Tax (T-4) slips are being prepared, the Corporation shall include the amount of Union dues paid by the Union member in the previous year.

ARTICLE 4 - RELATIONSHIP

4.01 - The Union acknowledges that it is the exclusive function of the Corporation, subject only to the express provisions of this Agreement, to

- (a) maintain order, discipline and efficiency;
- (b) hire, layoff, classify, direct, transfer, and promote employees; and to discharge, demote, suspend or otherwise discipline employees for just cause; and
- (c) generally to manage the enterprises in which the Corporation is engaged and, without restricting the generality of the foregoing, to determine the work to be done, methods, schedules of production, kinds, location, and

tools to be used, processes and the control of materials and parts to be incorporated in the work.

4.02 - The Corporation also has the right to make and alter from time to time rules and regulations to be observed by the employees, provided that no change shall be made by the Corporation in such rules and regulations without prior notice to, and discussion with, the Union.

4.03 - The Corporation agrees that these functions will be exercised in a manner consistent with the provisions of this Agreement, and a claim that the Corporation has exercised any of these rights in a manner inconsistent with any of the provisions of this Agreement, may be the subject of a grievance.

ARTICLE 5 - DISCRIMINATION

5.01 - No discrimination, restraint or coercion shall be exercised or practised by the Corporation or by any of its representatives with respect to any employee because of his membership in, or connection with, the Union.

5.02 - Conversely, there shall be no intimidation, restraint or coercion exercised or practised upon the employees by the Union or by any of its representatives or members; neither shall there be any Union solicitation or activity on Corporation premises or job sites, excepting as is provided in this Agreement or mutually agreed upon.

ARTICLE 6 - STEWARDS AND UNION COMMITTEE

6.01 - The Corporation will recognize

- (a) Eleven (11) Stewards, each of whom shall be employed in and represent one (1) of the following groups of employees:

Arena - one (1)

Cemetery - one (1)

Geneva Street Yard - two (2)

Roads Branch - three (3)

Maintenance - one (1)

Utilities Branch - two (2)

and a Chief Steward, who shall be employed in the Unit and represent any small groups not included above.

The number and distribution of Stewards may be altered by agreement from time to time as conditions change, but the ratio shall not exceed one (1) Steward for each twenty (20) regular employees.

- (b) A Grievance Committee of three (3) regular employees of whom one (1) shall be the President of the Local or his representative, a second shall be the Chief Steward, and a third shall be the Steward concerned with the grievance.
- (c) A Union Negotiations Committee of five (5) regular employees, of whom one (1) shall be the President of the Local or his representative, for the purpose of renewing or amending the Collective Agreement, and for the purpose of meetings held under the provisions of Section 6.02.

The Stewards and members of the Committees shall have been placed on the seniority list as a regular employee. The Union shall notify the Corporation in writing of the names of its officers, the Stewards, and members of its Grievance Committee and of its Union Committee.

6.02 - Meetings between the Corporation and Union Committee shall be held at times mutually agreeable to both parties.

6.03 - It is understood that a Steward has his regular work to perform on behalf of the Corporation and that he will not leave his work without obtaining permission from his Foreman. When resuming his regular work, he will report to his Foreman, and will give any reasonable explanation which may be requested with respect to his absence.

It is clearly understood that a Steward will not absent himself from his regular work unreasonably in order to deal with grievances of employees, but that grievances will be serviced as much as possible outside of working hours. In accordance with this understanding, the Corporation agrees to compensate a Steward for his regularly scheduled work time spent in servicing grievances of employees, and also a member of the Grievance Committee or the Union Committee for his regularly scheduled work time spent in attending meetings with the Corporation's representatives to the extent that they will suffer no loss of earnings. The Corporation reserves the right to discontinue payments under this provision should the privileges extended hereby, in the opinion of the Corporation, be abused, **but** before any such action is taken, there will be notice to, and discussion with, the Union.

6.04 - The Corporation recognizes the role of the President and the Chief Steward in the operation of the Agreement, and acknowledges the necessity for the President and the Chief Steward to provide occasional advice or assistance to the stewards, or to confer with management from time to time, during working hours. The Union, on its part, recognizes the responsibility of the President and the Chief Steward to perform his duties, and undertakes that there will be no burden or penalty to the Corporation as a result of such activities on the part of the President and the Chief Steward.

6.05 - The Corporation agrees,

- (a) to provide a printed copy of the Union Agreement to each employee;
- (b) to acquaint each new employee of the requirement of Union membership and the check off with regard to their membership; and
- (c) to ensure that a new employee is introduced to his Steward, who shall have a reasonable opportunity, as work permits, to acquaint the employee with his rights and responsibilities with respect to Union representation,

6.06 - The parties agree to the continuance of a joint Labour/Management Committee. Changes *in* the composition of the Committee, its terms of reference and its procedures may be agreed to by the Union and the Corporation. The Committee shall not have any jurisdiction to alter or interfere with the normal process of the Agreement.

ARTICLE 7 - GRIEVANCE PROCEDURE

7.01 - It is the mutual desire of the parties that complaints of employees shall be adjusted as promptly as possible.

7.02 - STEP I - In the first instance, an employee shall take up any complaint directly with his Foreman within eight (8) days of the event upon which the complaint is based. The Foreman shall, if requested by the employee, arrange for the presence of his Steward. The Foreman will give his decision, in the presence of the Steward if requested, within two (2) days of the lodging of the complaint.

7.03 - STEP II - If not settled in Step I, the grievance may, within three (3) days of the reply in Step I, be submitted in writing to the Division Head or his representative, and signed by the grievor. The Chief Steward, accompanied if he wishes by the appropriate Steward, shall be given an opportunity to discuss the grievance with the Division Head or his representative within three (3) days of submission of the grievance. The Division Head or his representative shall give his decision in writing to the grievor, with a copy to the Chief Steward within three (3) days of the discussion. The grievance shall specify the facts and the Section or Sections claimed to be violated or relied upon, and the remedy sought, and decisions in Steps II and III shall specify the facts and reasons upon which the decision is based.

7.04 - STEP III - If not then settled, the grievance may, within three (3) days of the reply in Step II, be submitted in writing by the Grievance Committee to the Department Head to be dealt with at a meeting under Section 6.02, to be held within

five (5) days of the submission. At Step III and at meetings provided for in Section 6.02, there may be present a representative of the Union if requested by either party. The decision of the Department Head, or of the Grievance Committee in the case of a Corporation grievance, shall be given, in writing to the grievor, with copies to the Chief Steward and the Union President, within five (5) days of the meeting at which it was discussed.

7.05 - STEP IV - If not then settled, the grievance may, within five (5) days of the reply in Step III, be submitted, in writing, by the Grievance Committee to the City Administrator to be dealt with at a meeting under Section 6.02, to be held within ten (10) days of the submission. The decision of the City Administrator shall be given, in writing to the grievor, with copies to the Chief Steward, the Union President and the National Representative, within ten (10) days of the meeting at which it was discussed.

7.06 - STEP V - If not then settled, the grievance may, within twenty (20) days of the reply in Step IV, be referred to arbitration as follows:

Both parties to this Agreement agree that a grievance concerning the interpretation, application, administration or alleged violation of this Agreement, which has been properly carried through all the steps of the Grievance Procedure outlined in Article 7 above, and which has not been settled, shall be referred to a Sole Arbitrator.

If the parties are not able to agree upon such an Arbitrator within ten (10) working days of the Notice of Arbitration, the Minister of Labour for the Province of Ontario shall be requested to appoint an Arbitrator.

Either party may request a Board of Arbitration in which the Nominee of each party shall be appointed within ten (10) working days of the Notice of Arbitration and the Nominee of each party shall select a Chairman of the Board of Arbitration.

The Board of Arbitration, or Sole Arbitrator, shall not have any power to alter or change any of the provisions of this Agreement or to substitute any new provisions for any existing provisions, or to give any decision inconsistent with the terms and provisions of this Agreement.

Each of the parties to this Agreement shall bear the expenses of the Arbitrator appointed by it, and the parties shall jointly bear the expense, if any, of the Chairman or of a Sole Arbitrator.

No person shall be selected as Arbitrator who has been directly involved in attempts to negotiate or settle the grievance.

7.07 - No grievance shall be considered in any step unless it has been properly carried through all previous steps of the grievance procedure required by this Agreement, except that if at any step of this grievance procedure the Corporation or the Union does not give its answer within the allotted time limit, the grievance may be carried to the next step within the appropriate time which shall start to run from the expiration of the allotted time within which the answer should have been given.

7.08 - Within ten (10) days of the event upon which the grievance is based, the Corporation or the Union may submit a grievance in writing to the other alleging a violation of a term of this Agreement. Such a grievance shall set out the facts and the Section or Sections of the Agreement claimed to be violated or relied upon, and the matter shall be dealt with in accordance with Step III and the balance of the grievance procedure. No grievance shall be submitted by the Union under the provisions of Section 7.08 unless it involves a question of general application or a group of employees under more than one supervisor. A group grievance, being a grievance by a group of employees working under one supervisor, shall be instituted at Step I.

7.09 - If at any step of the grievance procedure a grievance is not submitted within the period specified, it shall be deemed to be abandoned. The time limits may be extended by agreement between the parties.

7.10 - At any stage of the grievance procedure, including Arbitration, the conferring parties may have the assistance of the employee or employees concerned and any necessary witnesses, and all reasonable arrangements will be made to permit the conferring parties to have access to the plant and to view disputed operations and to confer with necessary witnesses. A representative of the Corporate Support Services Department may be in attendance at all grievance meetings from Step II on.

7.11 - In this Article, the word "days" shall exclude Saturdays, Sundays, and paid holidays.

7.12 - In this Article, the written reply shall be deemed to have been made on the second day following its mailing by the sender.

ARTICLE 8 - DISCHARGE OR DISCIPLINE CASES

8.01 - A claim by an employee that he has been unjustly discharged or disciplined shall be treated as a grievance if a written statement of such grievance is lodged with the Department Head within three (3) working days after the discharge or discipline, or within three (3) working days after the Union and the Chief Steward have been notified in writing of the discharge or discipline, whichever is the later. Such special grievance shall be dealt with at Step III and the balance of the grievance procedure.

8.02 - The Corporation will notify the Union, the President and the Chief Steward in writing of all discharge or suspension cases as soon as possible but within two (2) working days, and discipline cases within four (4) working days.

8.03 - Such special grievance may be settled by confirming the Corporation's action, or by reinstating the employee with full compensation for time lost, or by any other arrangement which is just and equitable in the opinion of the conferring parties or an Arbitration Board.

8.04

- (a) After twenty-four (24) months, any letter of discipline shall not be used against an employee if there has been no recurrence in that period.
- (b) Each employee shall have access to his personnel file upon reasonable notice for the purpose of reviewing all evaluations or disciplinary notations pertaining to his employment with the Corporation.

8.05 - In this Article, the term "working days" shall exclude Saturdays, Sundays, and paid holidays.

ARTICLE 9 - NO STRIKES OR LOCKOUTS

9.01 - During the life of this Agreement, the Union agrees that there will be no strike or other collective action which will interfere with the Corporation's operations and the Corporation agrees that there will be no lockout. The definitions of the words "strike" and "lockout" shall be those set forth in The Labour Relations Act of the Province of Ontario, as amended from time to time.

ARTICLE 10 - SENIORITY

10.01 - Employees shall be known as:

- (a)(i) Regular Employee- a regular employee being one whom the Corporation expects will work the year round.
- (ii) The use of the word "regular" shall not constitute a guarantee of year round employment.
- (iii) A newly hired regular employee must complete a probationary period of sixty (60) working regular days or four hundred and eighty (480) regular working hours within a period of six (6) consecutive months, and then he will be credited with regular seniority. During the regular probationary period, each employee shall be known as a probationary

employee who may not grieve regarding discharge provided that at the request of the Union, a meeting will be held with the Union to discuss the discharge. Upon satisfactory completion of his probationary period, his seniority date will be his hire date.

- (iv) A casual employee becomes a regular employee by working a total of one hundred and eighty (180) regular days or fourteen hundred and forty (1440) hours within any twelve (12) consecutive months.
- (b)(i) A casual employee is an employee who is not a regular employee.
- (ii) A newly hired casual employee must complete a probationary period of sixty (60) regular working days or four hundred and eighty (480) regular working hours within a period of six (6) consecutive months of which overtime is not included and then he will be credited with casual seniority. During the casual probationary period, the employee may not grieve regarding discharge, provided that, at the request of the Union, a meeting will be held with the Union to discuss the discharge.
- (iii) In no case shall a casual employee exercise seniority against a regular employee, but if a vacancy for a regular employee is not filled by another regular employee, a casual employee who applies shall be considered before a new employee is hired.
- (c) Regular seniority is defined as an employee's length of continuous service with the Corporation since becoming a regular employee, including absences for sick leave, authorized leaves of absence, or as otherwise provided in this Agreement.
- (d) In recognition of the fact that casual employees frequently lose their casual seniority date as a result of lay-offs exceeding six (6) consecutive months, if the Corporation is going to re-call them they will be re-called based upon their original year of hire. Absence during probationary periods will not adversely affect the casuals beyond the original year of hire (i.e.) employee hired first in 1990 could drop to last in 1990 by reason of absences, but would not drop to 1991. Casual employees absent due to a compensable injury shall be credited with seniority for those days they would have been scheduled to work. This clause does not supersede the Corporation's right to a probationary period of thirty (30) working days for casuals. A casual completing his initial sixty (60) day probationary period will then only have to complete a thirty (30) day probationary period in each following year.

The Corporation agrees to meet annually with the Union prior to recall of casuals, to discuss placement of the top ten (10) senior casuals.

- (e) A casual employee who becomes a regular employee shall have seniority only from the date of commencing work as a regular employee, but if such an employee reverts to the status of casual employee, his original casual seniority date shall be restored. No additional probationary period shall be required on transfer from casual to regular status, but any unfilled portion of the probationary period must be completed satisfactorily.
- (f) The Corporation shall prepare two (2) seniority lists, one (1) for regular employees and one (1) for casual employees. These lists shall be brought up to date as at May 15th and October 15th of each year, and copies shall be posted and copies mailed to the Union. At any time during office hours, up-to-date seniority information shall be available to the Union Stewards on application to the Division Head.
- (g) A written complaint must be lodged with the Corporation within thirty (30) days of the posting of the seniority list. The complaint must explain all details relating to the problem. If a complaint is not lodged within thirty (30) days, the date established, shall be deemed correct and reliable, (no complaint will be accepted).

If the vacancy has been posted, such notice shall be given not later than ten (10) days after the end of the posting period.
- (2) If postponement is due to inability to obtain a suitable employee from job posting, the Corporation will consider subsequent applications from employees who did not apply under job posting, but the provisions of job posting shall not apply to such applications.

Dear Joe:

There has recently been some misunderstanding about how to determine years of service for the purpose of calculating vacation under Article 15.

Although the collective agreement is silent on what years of service means, it is the Corporation's understanding that we have a long standing verbal agreement on how we would calculate years of service for vacation purposes.

The understanding was that individuals who started work with the Corporation as casuals and who were then employed as regular employees and who had no break in service would use their start date as a casual for calculating years of service. Employees who were hired as casuals and who were laid off and then recalled would use the date of recall for calculating years of service if they were then hired as regular employees. This implies no break in service from recall date as a casual to their first day of regular employment.

Furthermore, employees hired on through Special Government Programmes are not considered as casual employees for the purpose of calculating vacation, as per Article 2.04.

Yours truly,

eg

James P. Brady
Director of Personnel
