BETWEEN THE KINGSTON POLICE SERVICES BOARD
Hereinafter called the "Board"

OF THE FIRST PART

AND THE KINGSTON CITY POLICE ASSOCIATION INC.
(SWORN MEMBERS)
Hereinafter called the "Association"

OF THE SECOND PART

WITNESSETH THAT:

WHEREAS following negotiations on proposed amendments to the 2012–13 Agreement, it was agreed by both parties that a new agreement should be prepared and executed by the parties hereto, containing the amendments accepted by both parties;

NOW THEREFORE, the parties hereto have agreed as follows.

1. DEFINITIONS

1.1. In this agreement:

- (a) "member" means a person employed in the service of the Board in any of the positions listed in Schedule A to this agreement, provided, however, that "Association member" means a person who holds membership in the Association;
- (b) "Board" shall mean the Kingston Police Services Board (2003 AA);
- (c) "Association" shall mean the Kingston City Police Association Inc. (2003 AA);
and
- (d) wherever applicable in this agreement, the singular shall include the plural and the masculine gender shall include the feminine gender. (2003 AA)

1.2. Seniority of service means:

- (a) the length of service computed from the day the member began service with the Kingston Police; or
- (b) for officers joining the Kingston Police from the Ontario Provincial Police former Kingston Township Detachment under the Kingston Police Services Board's Policy of July 7, 1998, seniority at date of hire shall be determined as that which is recognized by the Ontario Provincial Police as of May 12, 1998, cumulative with any time between May 12, 1998, and the date of hire by the Kingston Police.

If more than one member commences service with the Kingston Police on the same day, seniority shall be determined by badge number, with a lower badge number meaning greater seniority. When a member is promoted to a rank above constable, for the purpose of holiday selection only, that member's seniority shall be computed under either article 1.2(a) or 1.2(b). (2003 AA)

1.3. The probationary period shall be in accordance with the provisions of the *Police Services Act*.

1.4. Extended sick leave provisions shall apply when a member has missed ten (10) consecutive tours of duty or a member is aware, through consultation with a physician, that an illness will in all likelihood cause the member to miss more than ten (10) tours of duty. (2012)

2. BARGAINING UNIT

2.1. This agreement covers all members, regardless of whether they be Association members.

2.2. The Board hereby recognizes the Association as the sole collective bargaining agent for members of the Kingston Police occupying a classification within Schedule A of this agreement, subject to the provisions of the *Police Services Act*. (2003 AA)

3. MEMBERSHIP IN ASSOCIATION

3.1. Any member may be an Association member.

3.2. It shall be a condition of employment that all members, regardless of whether they be Association members, shall pay to the Association an amount equal to the monthly dues payable to maintain membership in the Association, and such amount shall be deducted from the salary cheques of all members and non-members and remitted monthly to the Association, together with a list of names of the members from whom the dues have been deducted. It shall be the responsibility of the Association to notify the Human Resources Department at City Hall, in writing, one (1) month in advance of any changes in dues to be deducted. (1999)

3.3. The Board agrees that there shall be no discrimination, interference, restraint, or coercion exercised or practised by the Board or any of its representatives with respect to any member because of membership in or connection with the Association. Neither the Board nor any of its representatives shall discourage a member from becoming an Association member.

4. MANAGEMENT RIGHTS

4.1. The Association recognizes that, subject to the provisions of the *Police Services Act* and the Regulations made thereunder by the Lieutenant Governor in Council, one of the exclusive functions of the Board is to appoint the members of the municipal police force. The Association also recognizes that:

- (a) the members of the police force, whether they were appointed by the Board or not, are under the Board's jurisdiction;

- (b) the Board may give orders and directions to the Chief of Police but not to other members of the police force, and no individual member of the Board can give orders or directions to any member of the police force; and
- (c) the Board shall not direct the Chief of Police with respect to specific operational decisions or with respect to the day-to-day operation of the police force. (2009)

4.2. It is therefore the function of Management, overseen by the Board in the case of a grievance hearing by the Board, to:

- (a) maintain order, discipline, and efficiency; and
- (b) hire, discharge, direct, classify, transfer, promote, demote, suspend, or otherwise discipline any member. (2009)

4.3. Management agrees that no member will be dealt with adversely without “just cause” and that it will exercise the functions outlined in article 4.2 in a manner consistent with this agreement. (2009)

4.4. If a member claims that Management has exercised any of the functions outlined in article 4.2 in violation of this agreement, then such a claim may be the subject of a grievance under the provisions of the grievance procedure outlined in this agreement or under the arbitration procedure set out in the *Police Services Act*. (2009)

5. ACTING PAY AND PROMOTIONS

5.1. Any member who, with the approval of the Chief of Police or the Chief’s designate, performs the normal responsibilities of a superior above the rank of sergeant for a period in excess of twelve (12) consecutive tours of duty shall be paid while so employed at a rate equal to Grade II of the job performed, and such payment is to be retroactive to the first day of commencing in the acting capacity. It shall be the member’s responsibility to notify the Division Commander and to submit a claim for the payment of this benefit within thirty (30) days of completion of the acting assignment. Call-outs and overtime in any capacity are not counted in the consecutive scheduled tour of duty. (2003 AA)

5.2. Any member who is designated by the Chief of Police or designate to an acting rank for a position covered by this agreement and who performs the normal responsibilities of that rank shall be compensated for all time worked in the higher rank at the rate equal to Grade II of that rank. In the event that the designation under this article is to the rank of inspector, the rate of pay shall be halfway between staff sergeant Grade I and the minimum for an inspector. (2012)

5.3. In all promotions, the following factors shall be considered:

- (a) knowledge, efficiency, and ability to perform the work; and
- (b) length of continuous service, provided that, if leave of absence be granted by the Board, such leave of absence shall not constitute a break in continuous service.

When the factors outlined in article 5.3(a) are relatively equal, the factor outlined in 5.3(b) shall govern. (2014)

5.4. Members below the rank of first-class constable shall be eligible for progression as follows, provided that they have been on active duty for the entire period, their performance has proved satisfactory to the Chief of the Police, and the Chief of Police has recommended their progression. For the purposes of this article, neither vacation leave nor absences on account of injury or illness of one month or less shall constitute a break in active duty:

- (a) from fourth-class constable to third-class constable: fifteen (15) months from the date of hire;
- (b) from third-class constable to second-class constable: at the end of one (1) year from the date of appointment as a third-class constable; and
- (c) from second-class constable to first-class constable: at the end of one (1) year from the date of appointment as a second-class constable. (2014)

5.5. Sergeants and staff sergeants shall be eligible for progression as follows, provided that they have been on active duty for the entire period, their performance has proved satisfactory to the Chief of the Police, and the Chief of Police has recommended their progression. For the purposes of this article, neither vacation leave nor absences on account of injury or illness of one month or less shall constitute a break in active duty:

- (a) from sergeant Grade II to sergeant Grade I at the end of one (1) year from the date of appointment as a sergeant Grade II; and
- (b) from staff sergeant Grade II to staff sergeant Grade I at the end of one (1) year from the date of appointment as a staff sergeant Grade II. (2014)

5.6. In the event that a member of the Kingston Police is deliberately not reclassified within thirty (30) days after the date upon which the member became eligible for reclassification, the member shall be notified in writing by the Chief of Police of the reason thereof. (2003 AA)

5.7. Annually the Chief of Police or designate shall post a list of names of those members eligible to write promotional exams and, in the case of a completed promotional process, the names of those members who are eligible for promotion. Each list will be in alphabetical order. The Chief of Police or the Chief's designate will endeavour to provide exam marks to each candidate in a sealed envelope within five (5) days of their receipt. (2012)

5.8. All posted vacancies for sworn positions shall be posted for no less than fourteen (14) calendar days. A copy of all such vacancies shall be sent to the Association President or delegate. (2003 AA)

5.9. A member who is involuntarily transferred shall be informed in writing of the reasons for the transfer prior to the effective date of the transfer. (2003 AA)

5.10. Members may be assigned at the discretion of the Chief of Police or designate to an acting rank for any rank covered by this collective agreement or to act in a rank that is outside this agreement as long as that member has qualified for promotion and is currently on the promotional list for that rank. In the event that there is no member qualified on the promotional list, or for reasonable operational issues, a member may be assigned to act in the said rank who has not qualified on the promotional list. (2009)

5.11. Members assigned to act in a rank that is outside this agreement shall continue membership within the Association and shall retain all rights and obligations under this agreement, including accrual of sick leave and seniority and the deduction of dues. (2004)

5.12. Members who act in a rank for more than 30 consecutive tours of duty shall have that time recognized for the purposes of article 5.5 as long as they are promoted to that rank within two years from the expiry of their acting position. Each block of acting time of greater than 30 consecutive tours of duty shall be cumulative. (2009)

6. OVERTIME

6.1. For the purpose of this article, overtime shall be deemed to be any approved time spent in the service of the Kingston Police and includes appearances at court in excess of the normal scheduled tour of duty. For clarity, overtime shall not include hours of rest when members are required to travel or perform duties outside the city of Kingston. (2012)

6.2. The word "court" shall include criminal, quasi-criminal, and civil courts; coroner's inquests; and hearings by and before other tribunals, boards, and commissions having the power to enforce attendance of witnesses by subpoena. The word "court" shall not include any arbitrations or other proceedings regarding an existing or proposed agreement between the Board and the Association, nor shall it include any proceedings regarding the grievance procedures referred to in this agreement, nor any disciplinary proceedings pursuant to the *Police Services Act* against a member or members, unless called or subpoenaed as a result of duty reports and/or statements that members were required to write in response to a request from the Chief of Police or designate. It shall also not include any proceedings stemming from a member's previous employment with another police service; however, all reasonable efforts will be made to accommodate such court attendance during a member's regular shift. In addition, the word "court" will not refer to proceedings in which members have been charged criminally for off-duty actions or for on-duty actions not committed in the attempted performance in good faith of their duties as a police officer. (2014)

6.3. When a member is required to be on duty for one-half hour or more in excess of the member's daily tour of duty, the member shall receive overtime pay at the rate of one and one-half (1½) times the member's regular hourly rate of pay for all time worked in excess of the normal scheduled tour of duty. (2004)

6.4. "Callback" shall be defined as the recall of a member to duty after the member's normal tour of duty is completed and before the member's next tour of duty commences, and it shall include the attendance of a member:

- (a) effective January 8, 1999, at courts during off-duty hours as follows:
 - (1) morning and afternoon constitute one first appearance if attendance is continually required. This applies even though a lunch break occurs;
 - (2) the time of the appearance shall be deemed to begin one-half hour before the time indicated on the subpoena or court notice;
 - (3) should a member be subpoenaed for a separate court charge in the afternoon, this shall also constitute a first appearance. This includes occasions when a member attends court on another matter in the morning but is dismissed prior to the time of the afternoon appearance;
 - (4) should morning court continue or resume beyond 4:00 p.m., a separate appearance shall be considered to have taken place, provided the member is required to be in attendance; and
 - (5) a minimum of four (4) hours at one and one-half (1½) times the member's hourly rate shall apply to any first appearance, and a minimum of four (4) hours at one and one-half (1½) times the member's hourly rate shall apply should the court extend to a second appearance as indicated in article 6.4(a)(4); and (1999)
- (b) on an overtime assignment separated by time off from a regular tour of duty.

6.5. A member called back shall receive pay at the rate of one and one-half (1½) times the member's regular hourly rate of pay for all hours worked on such callback, with a minimum of four (4) hours' pay at the rate of one and one-half (1½) times. If a member is on selected annual or statutory leave when called back, in addition to pay at the above rate, the member shall reschedule another day of leave for each day the member was called back while on leave. Members do not receive callback pay in situations where they are called back to duty to complete substantive work that should reasonably have been completed before reporting off duty. (2012)

6.6. The assignment of overtime, a court appearance, or a criminal investigation under article 6.15 within one-half hour of a member's daily tour of duty or immediately following a member's daily tour of duty is not a callback. (1992)

6.7. A member who, during annual vacation or while off on statutory holiday leave, is required to attend court shall be granted two (2) tours of duty of additional vacation or pay at straight time for each day of interruption of such vacation. A tour of duty is defined as the actual number of hours scheduled to work on a single shift. This article shall apply to approved annual vacation, statutory leave, banked annual leave, and to any changes in annual and/or statutory leave when requested by the member and approved by the supervisor and the Court Office, with an indication that no court was scheduled at the time of approval, regardless of the number of

days taken off. This article does not apply to days taken off in conjunction with annual or statutory leave by using banked or lieu time. The decision as to time off or pay under this article shall be at the discretion of the member, and all time accumulated by a member under this article shall be kept in the annual leave bank. (2003 AA)

6.8. A member who is required to work on a statutory holiday shall be paid at the rate of one and one-half (1½) times the regular hourly rate of pay for all hours worked on the statutory holiday during a normally scheduled tour of duty. Should members working on a statutory holiday be required to work in excess of one-half hour beyond their normally scheduled tour of duty, they shall be paid at the rate of two (2) times their regular hourly rate of pay for all time worked on the statutory holiday in excess of their normal tour of duty. This rate will also apply to a callback on a statutory holiday. (1992)

6.9. In the event that a member does not receive notice by 6:00 p.m. the previous day that attendance is not required in court, the member shall receive a credit of four (4) hours at straight time, based on the current hourly rate. Notice is deemed to have been received when the member is notified by voice mail, and members are obliged to check their Kingston Police voice mail at or after 6:00 p.m. the previous day. (2009)

6.10. A member who is required, by the Chief of Police or the Chief's designate, to stand by for duty after the member's normal tour of duty and before the member's next tour of duty, other than under the conditions as set out in article 6.4, shall be paid four (4) hours' straight time for each 24-hour period or portion thereof of stand-by and twelve (12) hours' straight time for each 24-hour period or portion thereof if the stand-by duty is required during a member's annual leave. (2003 AA)

6.11. All overtime, as presently specified, shall be credited to a member's overtime bank, which shall be paid to the member upon request or granted in lieu time, which may be taken as time off from work when requested by the member, subject to the approval of the Chief of Police or the Chief's designate. When a member is approved to take time off from work, the bank shall reduce on an hour-for-hour basis; when a member requests a monetary pay-out, it shall be paid on the basis of the hourly rate when the particular overtime was earned. In all cases, the oldest hours will be utilized first, on a "first in, first out" basis from the bank. (1999)

6.12. A member may bank overtime until the 31st of December each year. All overtime standing to a member's credit as of the 31st of December, each year, will be paid out the following February based on the member's rate of pay at the time the hours accumulated, unless the member wishes to carry an overtime bank not to exceed one hundred (100) hours into the following calendar year and has notified the Chief of Police no later than the 30th of November. (2012)

6.13. Any pay-out of a member's overtime bank shall be based on the member's rate of pay at the time the hours accumulated. (2012)

6.14. All overtime shall be authorized only by the Chief of Police or the Chief's designate.

6.15. Any member who, while off duty, becomes actively involved in a criminal investigation within the city of Kingston shall, on approval by the Chief of Police or designate, receive four (4) hours' pay at the rate of one and one-half (1½) times the member's normal hourly rate of pay.

This provision is not applicable when the investigation commences within one-half hour of the commencement or the end of the member's tour of duty. Normal overtime provisions shall apply in this instance. (2006)

6.16. In addition to the provisions of articles 6.4 and 6.7, any member who is required to attend court outside the city of Kingston while off duty shall be compensated at straight time for all reasonable time required to travel to and from the location of the court. This article will apply only if the member has notified the immediate supervisor of the member's unit as soon as possible after being made aware of such required court attendance. This article does not apply if the member's shift is changed to accommodate the court appearance or if the court location is less than 50 kilometres from Kingston City Hall. (2012)

6.17. When situations warrant and the Chief of Police or the Chief's designate approves that the member must travel to or from court on a day other than the day of court attendance because of distance, weather, or other conditions, the member shall be granted time as in article 6.16 for time spent travelling and further shall be compensated for all other reasonable expenses, i.e., accommodation and food. (1999)

6.18. All witness fees received by a member for attendance in court shall be turned over to the Office of the Chief of Police. (1999)

6.19. When a member is required to attend court while on duty and is prevented from going off duty at the normal time by reason of such attendance at court, the overtime provisions as stated in article 6.3 shall apply. (1999)

6.20. When the Chief of Police or designate approves that a member must fly to another province or country for the purpose of picking up a prisoner, the member shall be granted time at straight time for all time that is spent from departure from Kingston to arrival and back to Kingston, and further shall be compensated for all other reasonable expenses, i.e., accommodation at the single rate and food in accordance with this agreement. (2003 AA)

6.21. When members are within 50 linear kilometres from Kingston Police Headquarters and are required to work overtime in excess of three hours consecutive to the end of their regular scheduled tour of duty, and after each subsequent six-hour period, they are entitled to up to \$10 for the purchase of a meal, provided that receipts are given to support the purchase. A meal can be purchased during the tour of duty or on the way home, and the receipt is to be handed in either the day the meal was purchased or the next regular tour of duty. (2012)

6.22. The Kingston Police shall provide transportation to members performing extra duties that are approved by the Chief of Police or designate. This transportation shall be from the police station to the site of the extra duty and, on completion of the extra duty, back to the station. This transportation shall be at no cost to the members. (2003 AA)

7. HOURS OF WORK

7.1. All sworn members shall work forty (40) hours per week,

- (a) except those members working a compressed work week schedule, as agreed to between the Chief of Police and the Association, or

- (b) those members who require an alternate work arrangement to accommodate special needs. Such arrangements are to be made in consultation with the Association. (1994)

7.2. One (1) hour lunch period. (1969)

8. STATUTORY HOLIDAYS AND ANNUAL VACATION

8.1. “Annual vacation” shall be the member’s annual vacation, including regularly scheduled days off directly after the selected leave. (2003 AA)

8.2. Annual vacations shall be by rank and seniority within each group. As it applies to the Patrol Division, the word “group” recognizes that each platoon will be considered a separate group, but such group may include members of the Kingston Police from other divisions and/or exclude some members of the platoon. (1990)

8.3. Each member coming within this agreement shall be entitled to annual vacation with pay on the following basis: (2003 AA)

- (a) during the first year of service:

- 1 month’s service: 8 hours’ vacation;
- 2 months’ service: 16 hours’ vacation;
- 3 months’ service: 20 hours’ vacation;
- 4 months’ service: 28 hours’ vacation;
- 5 months’ service: 36 hours’ vacation;
- 6 months’ service: 40 hours’ vacation;
- 7 months’ service: 48 hours’ vacation;
- 8 months’ service: 56 hours’ vacation;
- 9 months’ service: 60 hours’ vacation;
- 10 months’ service: 68 hours’ vacation;
- 11 months’ service: 76 hours’ vacation; and
- 12 months’ service: 80 hours’ vacation;

- (b) on completion of one (1) year’s service: 80 hours;

- (c) on completion of three (3) years’ service: 120 hours; (2012)

- (d) on completion of eight (8) years’ service: 160 hours; (2012)

- (e) on completion of fifteen (15) years’ service: 200 hours; (1990)

- (f) on completion of twenty-three (23) years’ service: 240 hours; (2003 AA)

- (g) during the calendar year in which a member completes twenty-five (25) years of continuous service, the member shall be entitled to two hundred and forty-eight (248) hours of vacation with pay at the current prevailing salary and a further eight (8) hours in each subsequent year of continuous service thereafter, to a maximum of two hundred and eighty (280) hours in the calendar year in which the member completes twenty-nine (29) continuous years of service; (2009)

- (h) subject to the approval of the Chief of Police or the Chief's representative designated for this purpose, vacation may be taken during the period 1 January to 31 December; and
- (i) all members who have previous police service with any recognized police agency, including the Military Police, shall be entitled to add that previous service as credited time to their Kingston Police service, with such service to be counted towards their annual vacation entitlement for 1999 and subsequent years. Members who are entitled to any additional vacation time as a result of this article shall select such additional vacation time after all members have selected their annual leave by the appropriate article in 8.3(a) through (g). (2003 AA)

8.4. If a vacancy exists in a scheduled holiday slot within a member's holiday grouping, such member may apply to change holidays from another time slot to the vacant time slot. If the requested change does not conflict with the needs of the Kingston Police, court appearances, or any provisions of this agreement, the request will be approved. (1990)

8.5. Designated Statutory Holidays.

- (a) All members shall be granted one (1) clear working day off duty in lieu of each of the following days that fall during their term of employment each year.

New Year's Day	Labour Day
Good Friday	Thanksgiving Day
Easter Monday	Remembrance Day
Victoria Day	Christmas Day
Canada Day	Boxing Day
Civic Holiday	Floater Day (2009)

- (b) Members may designate in writing to the Chief of Police up to three alternate statutory holidays in lieu of Good Friday and/or Easter Monday and/or Christmas Day that are observed as significant in their faith. If a member designates such days, the overtime and other provisions that normally apply to statutory holidays will not apply to Good Friday and/or Easter Monday and/or Christmas Day for the member but will apply to the days designated. (1999)

8.6. The Chief of Police or the Chief's designate may, with the consent of the member, interrupt the sick leave of a member who is on extended sick leave in order to schedule annual or statutory leave so that all leave may be taken before the end of the calendar year. (1992)

8.7. The annual and statutory leave of a member who, during a calendar year, exhausts sick leave credits and remains off for the remainder of the year shall be prorated for that year in accordance with time on salary. There will be no penalty assessed if a member to whom this article applies had, before exhausting sick leave credits, taken more than the member would have been entitled to under this article. (2012)

8.8. The annual and statutory leave of a member who commences a calendar year on sick leave, with exhausted sick leave credits, and who returns to duty that same calendar year shall be prorated for that year in accordance with time worked after return to duty. For the purpose of

this article, prorating of statutory leave will involve calculating the number of statutory holidays that fell or will fall within the period the member is on salary. (1992)

8.9. Members shall have the option of banking fifty (50) hours, more or less, of their allotted yearly leave. Members shall make all efforts to use these hours as time off during the year in which they are allotted. Any time remaining in this bank as of the 30th of November of each year shall, if practical, be scheduled to be taken during the remainder of the year. Any time not taken or scheduled to be taken on the 1st of December shall be paid at the member's current hourly 1st of December rate on the last pay in January of the following year. (2012)

8.10. At least eighty (80) hours of vacation, or the member's full vacation entitlement if it is less than eighty (80), must be taken in the calendar year in which it is due. Members may apply to carry up to eighty (80) hours of vacation that are over and above the foregoing entitlement into the following calendar year. The request to do so must be submitted in writing to the Chief of Police or designate prior to the 30th of November of the current year. The request will be considered by the Chief or designate, for any carry-over is dependent on operational needs and the Chief's or designate's approval. (2012)

8.11. Members who resign, retire, die, absent themselves from work without pay for periods longer than two (2) weeks (excluding absence due to pregnancy, parental, or adoption leave), or otherwise leave the service of the Kingston Police shall have their vacation prorated in accordance with the time worked in the vacation year(s) of the foregoing event(s). Adjustments shall be made as necessary to the member's final pay cheque, e.g., a member who leaves the service on the 30th of June in a year in which the member is entitled to one hundred and sixty (160) hours of vacation shall be entitled to eighty (80) hours minus any days taken. Any hours owing shall be paid to the member on the final pay; any hours taken above the prorated entitlement shall be deducted from the final pay. For the purpose of this article, prorating of statutory leave will involve calculating the number of statutory holidays that fell or will fall within the period the member is on salary. (2014)

9. BENEFITS

9.1. The amount of and eligibility for benefits referred to in this agreement are subject to the terms and conditions of the policy or policies of the insurer providing such benefits. Any dispute as to entitlement to benefits provided under the policy or policies of insurance is between the member and insurer. The Board agrees to use its best efforts on behalf of the member in the event of such dispute. It is understood that the Board's obligation regarding benefits referred to in this agreement is restricted to the payment of its portion of the premiums necessary to enrol members in the benefit plans described in this agreement. It is also understood that, with the exception of coverage extended to surviving spouses and eligible dependants of police officers who die while in the execution of their duties as outlined in article 9.7, the extended health and dental benefits referred to in this agreement cease upon the death of the member. If allowed by the current insurance carrier, extended health and dental insurance coverage may be extended to surviving spouses and eligible dependants for a period of three months past the date of death. (2012)

9.2. The Board will contribute one hundred percent (100%) of the cost of the monthly premium of an extended health benefit plan, as detailed on Schedule B attached hereto, for all members who are subscribers, their spouses, and all eligible dependants. For the purposes of prescription drugs, generic drugs are to be dispensed if available, unless stipulated otherwise by the physician. (2012)

(1994)

13. TRAINING

13.1. The Board shall pay fifty dollars (\$50) per week, or prorated per day of the course if any one week of the course is less than five (5) days, to cover expenses of members attending police training courses outside the city of Kingston when members are required to reside at the course location. This article does not apply to Basic Constable Training courses provided by the Ontario Police College. (2009)

- (c) the member is in receipt of long-term disability benefits; or
- (d) effective September 11, 2014, the member has been receiving WSIB payments for more than three months.

- (a) The Chief of Police or designate shall have the right to require a member of the Kingston Police, who is absent due to sickness or injury after four (4) consecutive tours of duty, to be examined by and a medical note provided from a qualified physician of the member's choice. A member who is absent for more than one (1) month may be required to furnish an updated physician's certificate on a monthly basis, unless the physician indicates a longer recovery period is required.

 - (3) group life insurance.
- (b) A member who is off work due to illness and has not exhausted sick leave credits after a three-month period may waive the right to continue on sick leave and commence benefits under the Association's LTD plan, provided that the member provides proof to the Chief of Police or Chief's designate that LTD benefits have been approved and the Association makes all reasonable efforts to provide, upon request, proof on a semi-annual basis of continued LTD benefit payments. While

on LTD, but not including any period for which a member has been awarded LTD retroactively, the member shall continue to be eligible for the following benefits:

Such credits shall not exceed eighteen (18) days, shall be non-cumulative, and shall not be considered under the sick leave pay-out provisions. As a member granted a special bank begins to accumulate sick leave credits, the special bank will be reduced by an equal amount. (1992)

19. PREGNANCY, ADOPTION, AND PARENTAL LEAVE

19.1. Pregnancy, adoption, and parental leave shall be granted to a member of the Kingston Police in accordance with the *Employment Standards Act*. At least two (2) weeks' notice, in writing and in advance of the commencement of the leave being requested, must be provided to the Chief of Police.

In order to be eligible for this supplementary maternity benefit, the member shall provide confirmation of her Employment Insurance benefit. (2012)

19.9. The member's coverage for group life insurance, extended health care, and dental care shall be continued by the Board during such pregnancy and/or parental leave.

19.10. If the member fails to return to employment, as provided herein, the Board may recover, in full, premiums paid during such leave as well as any supplementary maternity benefit paid. Recovery will be on a pro-rata basis:

- (a) when the member returns to work for one (1) month, the Board may recover five (5) months of premium payments;
- (b) when the member returns to work for two (2) months, the Board may recover four (4) months of premium payments; and
- (c) this pro-rata recovery plan may be repeated for up to five (5) months of employment following maternity or parental leave.

21.1. Upon commencement of employment with the Kingston Police, every full-time member shall be enrolled in OMERS, with a normal retirement age of 60 for police members. Enrolment and contributions shall be made in accordance with the provisions of the *Ontario Municipal Employees Retirement System Act* and Regulations. In addition, the Board shall provide early retirement without actuarial reduction in benefits within ten (10) years prior to a member's normal retirement date when the member is declared by the employer to be unable to perform the duties of the member's employment because of mental or physical incapacity (partial disability). (2014)

22. LIABILITY INSURANCE AND LEGAL INDEMNIFICATION

22.1. The Board shall assume the cost of liability insurance in a form satisfactory to the City Solicitor to insure members against judgments and costs in civil actions against members arising out of acts or omissions done by them in the performance of their police duties. (2012)

22.2. A member charged with and subsequently acquitted of a criminal or statutory offence arising out of acts committed in the attempted performance in good faith of the member's duties as a police officer shall, upon application to the Board, be indemnified for the necessary and reasonable legal costs incurred in the defence of such charges as set out hereinafter.

22.3. Where members are defenders of their conduct as a police officer in civil or other judicial proceedings arising from acts done in performance in good faith of their duties as a police officer, members shall be indemnified for the necessary and reasonable legal costs incurred in the defence of such proceedings as set out hereinafter.

22.4. A member may apply for indemnification as set out above by applying to the Board for indemnification within thirty (30) days of the charges being laid or proceedings being commenced. The Board must give approval for choice of counsel and must also approve any decision to proceed to a higher level of the judicial system in order for a member to be eligible for indemnification.

22.5. Members shall not be indemnified for costs arising from:

- (a) grievances under the collective agreement;
- (b) actions or omissions of a member acting as a private citizen, unless such actions resulted from the member's status as a police officer; or
- (c) discipline charges under the *Police Services Act* and Regulations thereunder.

22.6. Notwithstanding the provisions of article 22.2, the Board may consider the payment of reasonable legal costs if the member is found guilty, except for a criminal offence. (1990 AA)

22.7. Notwithstanding the provisions of article 22.5(c), the Board shall indemnify an officer or the Association for necessary and reasonable legal costs to a maximum of \$10,000 per officer per incident but not to exceed \$30,000 per year, incurred when the officer is the subject (not a witness) of a hearing under the *Police Services Act* or its Regulations as a result of a decision by the Ontario Civilian Police Commission or the Office of the Independent Police Review

Director, or its successor, to overturn a finding by the Chief of Police or designate of no misconduct. (2012)

22.8. Legal Counsel re Special Investigations Unit. (2004)

- (a) The Board agrees that, through the office of the Chief of Police, legal counsel(s) shall be provided at the Board's expense to any on-duty officers acting in good faith in the performance of their police duties who may be directly or indirectly involved in an incident investigated by the Special Investigations Unit under the provisions of Part VII of the *Police Services Act*.
- (b) An officer to whom the Board is providing legal counsel shall be covered for a period of seventy-two hours or until the Special Investigations Unit designates subject and witness officers, whichever occurs first, to a maximum of \$2,000 per officer or \$2,000 for a group of officers per incident as stated in article 22.8(c).
- (c) A list of lawyers will be selected upon mutual agreement between the Board and the Association Executive. The Board reserves the right, through the Chief of Police or designate, where there is more than one member involved in a given investigation to provide one counsel for all, unless that counsel considers there to be a conflict of interest in acting for more than one officer, in which case individual counsel may be granted by the Board at its sole discretion.
- (d) The provisions of articles 22.8(a), 22.8(b), and 22.8(c) shall not apply unless officers have fulfilled their duty to complete reports and to respond to the Chief or designate regarding the incident in question or to complete such other duties or assignments as may be required by the exigencies of the service.

23. WARRANT CARDS

23.1. The Board will supply warrant cards to all members of the Kingston Police. These cards shall remain the property of the Board and shall be returned to the Board when a member is no longer employed by the Board or as directed by the Chief of Police. The Board will issue suitable folders for these cards. (2012)

24. RETIREMENT

24.1. Retirement shall be compulsory at the end of the calendar year in which members attain their sixtieth (60th) birthday. (1969)

25. GRIEVANCE PROCEDURE

25.1. For the purpose of this article, a "Junior Officer" is defined as including a civilian supervisor or a sworn member of the Kingston Police holding one of the next two ranks above the member filing the grievance, and a "Senior Officer" is defined as being all ranks above the Junior Officer, but neither Junior nor Senior Officer shall include the Chief or Deputy Chief of Police.

25.2. The word "occurrence" means the date that a member is informed of a decision, which the member believes violates the collective agreement.

25.3. The grievance procedure, except for such working conditions as are governed by Regulations made by the Lieutenant Governor in Council under the *Police Services Act*, and amendments thereto, shall be as follows, recognizing that, in some circumstances, Step No. 3 may not be required.

25.4. **Step No. 1.** An aggrieved member shall first present the grievance in writing to a Junior Officer within the member's platoon, unit, or division within five (5) days of the alleged occurrence, stating the article or articles alleged to be violated. The Junior Officer receiving the grievance shall give a decision in writing to the grievor, a Senior Officer within the grievor's unit, division, or branch, and the Chief of Police within five (5) days of receiving the grievance.

25.5. **Step No. 2.**

- (a) If the member or a representative of the Association Grievance Committee wishes to appeal the decision of the Junior Officer, the member or representative shall submit the grievance in writing to a Senior Officer within the member's platoon, unit, division, or branch within five (5) days of the decision of the Junior Officer. The Senior Officer receiving the grievance shall give a decision in writing to the involved parties within four (4) days of receiving the grievance; or
- (b) if the Senior Officer within the grievor's unit, division, or branch wishes to appeal the decision of the Junior Officer, the Senior Officer shall submit the grievance in writing to the Chief of Police no later than five (5) days after the decision of the Junior Officer has been given. The Chief of Police shall either issue a decision or hold a hearing, or direct the Deputy Chief to hold a hearing, and give a decision on the grievance in writing to the involved parties no later than fourteen (14) days after the grievance was presented to the Chief; or
- (c) if the Chief of Police disagrees with the decision of either the Junior Officer or the Senior Officer under articles 25.4 or 25.5(a), the Chief shall have the right to override the decision by notifying the involved parties in writing within fourteen (14) days of the decision of the Junior or Senior Officer. (2012)

25.6. **Step No. 3.**

- (a) If the grievor or a representative of the Association Grievance Committee wishes to appeal the decision of the Senior Officer made under article 25.5(a), that person shall submit the appeal in writing to the Grievance Committee within five (5) days from the date of the decision of the Senior Officer.
- (b) If the Grievance Committee wishes to appeal the decision of the Senior Officer, it shall submit the grievance in writing to the Chief of Police no later than seven (7) days after it has received the grievance.
- (c) The Chief of Police may allow the grievance, or the Chief or the Deputy Chief may have a hearing and give a decision on the grievance in writing no later than fourteen (14) days after the grievance has been presented to the Chief. (2012)

25.7. **Step No. 4.** If a decision of the Chief of Police under articles 25.5(b), 25.5(c), or 25.6(c) or of the Deputy Chief under articles 25.5(b) or 25.6(c) is not satisfactory to the Grievance

Committee, it shall submit the grievance in writing to the Secretary of the Board within fourteen (14) days of receiving the decision of the Chief of Police. The Board shall conduct a hearing and deliver its decision on the grievance in writing within forty-five (45) days of the Board's Secretary receiving the grievance. (2012)

25.8. The time-frames mentioned in all steps of the grievance procedure may be extended by mutual agreement of the parties involved at each step. (2000)

25.9. A grievance arising directly between the Board and the Association, the subject matter of which is of general application across the bargaining unit and which concerns the interpretation, application, administration, or alleged violation of the collective agreement, must be submitted in writing by the Association as a policy grievance to the Chief of Police or designate at Step No. 3 pursuant to article 25.6(b) of the grievance procedure within five (5) days following the circumstances giving rise to the grievance. No policy grievance that has not been processed through all applicable steps of the grievance procedure shall be referred to arbitration. It is expressly understood that the provisions of this article may not be used with respect to a grievance directly affecting a member or members when such members could have instituted the grievance. It is also expressly understood that the Association may not recover damages or other remedies on behalf of individual members pursuant to a policy grievance. (2003 AA)

26. ARBITRATION

26.1. The arbitration provisions of the *Police Services Act*, or the successor thereto, shall apply. (1999)

27. PROTECTION OF EXISTING BENEFITS

27.1. When, during the term of this agreement, any change occurs in the appropriate provincial legislation that would in effect:

- (a) alter the jurisdiction of the Board or substitute a new board, authority, or other entity to govern the police force of the City of Kingston, or
- (b) result in the police force of the City of Kingston becoming a part of any other police force,

the Board shall, to the full extent permissible under the applicable provincial legislation, exert every effort to ensure that the benefits accruing to all members by reason of their seniority and previous employment shall continue to accrue to such members, as a condition of their employment by such board, authority, or entity having a jurisdiction over the police force of the City of Kingston, as a result of such change in legislation. (1969)

28. PERFORMANCE EVALUATION

28.1. Members shall be provided with a completed copy of their Performance Appraisal and Development Plan or any portion thereof and/or a completed copy of their Promotional Assessment Form through the Office of the Chief of Police, upon written request to that office. (1994)

- (a) when three (3) years have elapsed since the end of a suspension and/or the end of any *Police Services Act* discipline administered, provided that there has been no recurrence of a similar and/or other infraction; and
 - (b) when one (1) year has elapsed since the issuance of a letter of reprimand, provided that there has been no recurrence of a similar and/or other infraction. (2004)

29. PYRAMIDING

29.1. The parties agree that no benefits, penalties, or premiums payable shall be pyramided, e.g., employees cannot receive both shift premiums and overtime premiums. Normally, the benefit, penalty, or premium paid will be that which provides the greatest monetary advantage to the employee in question. (1989)

30. LAYOFF AND RECALL

30.1. In the case of a reduction of the Kingston Police or layoff, it shall be in order of reverse seniority, beginning with the last member hired. (2012)

30.2. Members laid off shall be eligible for recall for a period of up to twelve (12) months.

- (a) In the case of recall, the most senior member laid off shall be the first to be recalled, and thereafter in regular order of seniority of those laid off.
- (b) Notice of recall shall be by registered mail to the member's last place of residence known to the Board. If the member fails to report within ten (10) consecutive calendar days after the mailing of such notice, the Board shall be under no obligation to re-employ the member, and the member's name shall be removed from the recall list.

30.3. The Board shall notify every member who is to be laid off at least twenty (20) working days prior to the effective date thereof or award pay in lieu thereof.

30.4. The right of laid-off members to benefits under this agreement shall be limited to the following for a period not exceeding three (3) months from the date of layoff:

- (a) extended health care;
- (b) dental care; and
- (c) group life insurance.

30.5. The seniority and service of laid-off members shall be frozen as of the date of layoff and shall not accumulate during the period of layoff for any purpose.

30.6. The Board shall not hire any new member until those laid off and eligible for recall have been given the opportunity of recall. (1992)

31. TERM OF AGREEMENT

31.1. This agreement shall come into effect as of the 1st day of January 2014 and shall remain in effect until the 31st day of December 2014 and thereafter until replaced by a new agreement, decision, or award, within the meaning of section 129 of the *Police Services Act* aforesaid. (2014)

31.2. Following the signing of this agreement, the Board shall provide copies to the Association for its distribution to each member. (2003 AA)

IN WITNESS WHEREOF the parties hereto have executed this agreement by the hands of their respective proper officers.
