(2) An incumbent who has left the Employer's services shall be entitled to retroactive payment, as a result of challenge, for the affected period during which he/she was employed by the Employer.

27:08 Hiring Rates

In hiring a new employee from outside the Employer to a job covered by the Job Evaluation Plan, there is sometimes inadequate evidence as to appropriate experience or other qualifications. In such cases a hiring rate less than the salary range for the job may apply. Such hiring rates shall be selected from the Salary Range immediately below the salary range for the job for which the person is hired. Unless it is clearly evident that a person being hired does not possess the experience or qualifications required, the hiring rate shall not be applied.

A hiring rate may apply for a maximum of six (6) months. However, in no case shall an employee be paid a hiring rate after the date on which permanent status has been granted. When the hiring rate ceases to be applicable the employee shall be paid the first step of the Salary Group for the job for which he/she was hired. In determining the employee's increment date, the period of time during which he/she was paid a hiring rate, shall be counted.

27:09 Downgrading

This provision shall apply to incumbents whose jobs are covered by the Job Evaluation Plan.

Should the job which an incumbent is performing be changed, but the basic function and significant duties of the job remain unchanged, and should the job then fall into a lower Salary Group, the following shall apply:

- (1) The incumbent's salary dollars (rate) shall be held constant, except for increases referred to in (5) below, commencing on the date of issue of the Advice of Rating Form issued by the Employer.
- (2) An incumbent who is advised between July 1st and December 31st inclusive of his/her job being restructured by receipt of an Advice of Rating, shall have his/her rate reduced by one step on the Salary Schedule on the following July 1st. An incumbent who is advised between January 1st and June 30th inclusive of his/her job being

restructured by receipt of an Advice of Rating, shall have his/her rate reduced by one increment step on the Salary Schedule on the following January 1st.

- (3) Annually thereafter, on July 1st or January 1st, the incumbent shall have his/her rate reduced in the same manner.
- (4) The above process shall continue until the maximum dollars in the Salary Range for the restructured job are reached.
- (5) In the foregoing process of reduction, current Salary Schedule dollars shall be used. This includes general negotiated increases.
- (6) When an employee becomes subject to this procedure every effort will be made to transfer the employee to a suitable position which will re-establish the employee in the employee's original salary range.

2. The MWP Team will undertake a review of the worker's pre-accident job to determine if he/she is capable of performing the essential duties of the job. If not, the committee will evaluate the available accommodation options based on the following steps: -
 - (a) Accommodated Pre-accident Job - Consider whether the job can be permanently modified to accommodate the worker and allow her to perform the essential duties of the job.
 - (b) Alternative Comparable Job Within the Department - Consider alternative comparable jobs in which the worker is medically capable of performing the essential duties, with or without accommodation (see definition of Comparable Work).
 - (c) Alternative Comparable Job Outside the Department but Within the Bargaining Unit - Consideration will be given to comparable jobs in different divisions but still within the pre-accident bargaining unit.
 - (d) Suitable Job Within the Pre-Accident Department but within the Bargaining Unit - The MWP Team will review and consider all available jobs in which the worker is physically capable of performing the essential duties, with or without accommodation. These jobs will not be comparable (in nature and responsibility) to the pre-accident job; however, the worker will be paid the wage rate of the new job.
 - (e) Suitable Job Outside the Department but Within the Bargaining Unit
 - (f) Alternative Comparable Job Outside the Bargaining Unit
 - (g) Suitable Job Outside the Bargaining Group
3. Once an appropriate available job has been located and agreed to by the MWP Team, a Vocational Rehabilitation Plan will be developed in conjunction with the WSIB caseworker, if involved.
4. In order for the injured worker to be considered for the job, he/she must possess or be willing to acquire the required qualifications.

PERMANENT MODIFIED WORK continued

5. A regular follow-up schedule with designated MWP Team members will be developed to monitor the worker's physical condition and ability to perform the job.
6. Any changes to the job duties or the extent of the accommodation must be approved by all members of the MWP Team.
7. The worker will be paid at the wage rate assigned to that particular job.
8. In all cases the injured worker will continue to accumulate seniority at the normal pre-accident rate.
9. Workers required to transfer from their pre-accident Local Union and Bargaining Unit to another Local Union and / or Bargaining Unit as a result of Permanent Modified Work, shall carry with them all accrued seniority and service credits.
