Payment for such overtime shall be paid to the member on a bi-weekly basis.

8 SICK LEAVE

8.1 The provisions of Articles 8.1 to 8.13 inclusive will apply to all members of the Service who commenced their service prior to July 10, 1990. - 8.5 After completing five (5) years of service, each member covered by this Agreement, upon resignation, shall be granted one-half pay at the current rate of pay for the year for the accumulated sick leave then standing to his or her credit, but the pay shall not exceed one-half of the member's current yearly salary in any case.

Scheduling

9.13 Annual vacations and statutory holidays will be granted in accordance with the following provisions of this Article.

9.14 Annual vacations will be scheduled so that all civilian members who are working a normal work week in accordance with Article 4.1 shall have a minimum of two (2) weeks (ten working days) annual vacation during the prime vacation time, if they so desire.

9.15 Civilian members who are working the Compressed Work Week System or the shift system as set out in Article 4.3 may take a minimum of two (2) complete blocks of shifts during the prime vacation time, if they so desire. To accomplish this, personnel with only eight (80) hours annual vacation may apply their statutory holidays for any extra days that may be necessary to give them the two (2) complete blocks of shifts. This is subject to Article 9.16(f) below.

To effect this, the following will apply:

- a. Prime Vacation Time is defined as June, July, August and September and the last two (2) weeks in December.
- b. Members with only eighty (80) hours annual vacation will be allowed to take the two (2) blocks consecutively, or to split the eighty (80) hours only once, at the option of the member.
- c. Statutory holidays, when applicable, and any annual vacation not taken in the prime vacation time, must be taken between January 1 and May 31, or between October 1 and the last two (2) weeks in December.
- d. All statutory holidays and annual vacation must be completed by December 31, in any year, except for any unusual circumstances. If under these unusual or mitigating circumstances, then only with the approval of the Chief of Police.
- e. Supervisors scheduling annual vacation or statutory holidays shall give preference to the request of members on the basis of greater seniority, wherever practicable. Therefore, seniority will permit all members to request two (2) weeks or two (2) complete blocks of shifts off in the first instance. Then this cycle would commence again on the basis of seniority and work from the member with the greatest seniority to the member with the least seniority, until all annual vacation and statutory holidays have been scheduled.

In the event that two or more members of equal seniority apply for the same annual leave time, the District Commander shall attempt to accommodate the request of such member, subject to the exigencies of the Service, and if the issue cannot be resolved to the affected member's satisfaction, the issue shall be resolved by a coin toss.

- f. Once the schedules of annual vacation and statutory holidays have been sent to the Deputy Chief of Police, they may not be changed except with the consent of the Chief of Police.

In the case of transfers and if a change in the statutory or annual vacation is necessary, such change will be made only with the approval of the civilian member concerned.

- g. Statutory holidays and annual vacation schedules must be submitted by the 15th day of December of the previous year.
- h. All of the provisions of Articles 9.14, 9.15 and 9.16 shall be subject to the exigencies of the Service.
- i. The annual leave entitlement of any member, who establishes that he or she has broken service with the Service, shall be calculated by including all NRPS service time, provided that seniority for the purposes of determining the order of vacation picks as set out in this section shall be defined as seniority based on continuous service. It is understood that any additional entitlement that arises as a result of the accumulation of broken time shall be selected after the selection of annual vacation for unbroken service, statutory holidays and float time, where applicable.

j. The annual leave entitlement of any member for the year 2013 and thereafter, who has served full-time in any other police service, shall be calculated by including the full-time years of service with the prior police service, provided that for the purposes of determining the order of vacation picks in accordance with sub-paragraph (e) above shall be defined as seniority with the Niagara Regional Police Service. It will be the responsibility of the member claiming previous service time to provide satisfactory proof to support such claim.

9.17 So as not to impair the efficient operation of the Service, Units of eight personnel or less, are allowed to have only one (1) person off on annual vacation or statutory holidays at any one time.

9.18 Units of nine (9) to sixteen (16) personnel are allowed to have two (2) persons off on annual or statutory holidays at any one time.

9.19 Units of seventeen (17) to twenty-four (24) personnel are allowed to have three (3) persons off on annual or statutory holidays, at any one time.

9.20 Units of twenty-five (25) to thirty-two (32) personnel are allowed to have four (4) persons off on annual or statutory holidays, at any one time. This shall increase by one (1) further person for every increase in unit size of eight (8) persons or multiples thereof above thirty-two (32) personnel.

9.21 But, in any event, no civilian member may take any more than two (2) weeks (ten (10) working days or 2 blocks of shifts of vacation during the prime vacation time, as described in 9.16 above, unless there is sufficient time open to take additional weeks.

9.22 Subject to prior agreement between the Service and the Association regarding a protocol for filling unscheduled absences, commencing the year 2011, the Front Desk Clerks in Districts 1, 2 and 3 on the same alphabetical platoon will pick their annual leave and float time together according to seniority as defined in the Collective Agreement. 22 JOB CLASSIFICATIONS

22.1 If a new position is established or it is believed that an existing position has been substantially changed, it shall be evaluated by the Joint Job Evaluation Team and dealt with in accordance with General Order 159.02, "Civilian Job Classification System" and the Forms adopted for use in evaluating all jobs under the said General Order, and forms part of the Collective Agreement. The said General Order and the Forms may only be amended by agreement of the parties, or failing agreement by interest arbitration, and may be enforced by grievance and arbitration pursuant to the provisions of this Agreement and the Police Services Act.

22.2 The Job Evaluation System set out in the said General Order is the basis for determining and maintaining pay and internal equity and evaluating the job class applicable to any existing or new positions and any positions which have incurred significant increases or decreases in job functions.

23 TEMPORARY AND PART TIME EMPLOYEES

23.1 The Board may employ temporary and part time employees on the following basis:

23.1.1 (a) Temporary "overload", temporary "replacement" and temporary "Special Constable" employees may normally work the standard number of hours per week (i.e. 40 or 48 hours). Temporary "overload" employees must work a minimum of sixteen (16) hours in any given Monday to Sunday work week and are not guaranteed continued weekly work or any set number of hours in any work week other than the 16 hour minimum.

(b) Intelligence Monitors and Intelligence Monitor Leads may be used on an as needed basis.

23.2 Temporary "overload" employees may be utilized when additional staff is required during peak work periods to assist any position identified in Appendix A for a total (and cumulative if more than one employee is performing the overload work pertaining to the position) maximum of 2080 hours. If there is a break of 90 days or more in the performance of the overload work by all employees who are performing such overload work, it is agreed that the calculation of the 2080 hours is to be restarted from 0 hours.

23.3 Temporary "overload", temporary "replacement" temporary "Special Constable" "Intelligence Monitor" and "Intelligence Monitor Lead" employees will be paid at the start rate for the position held as set out in Appendix "A". For greater clarity, the start rate for the position that a temporary overload employee is assisting in or that a temporary "replacement" employee is replacing must match the salary of that same civilian position as referenced in Appendix "B".

23.4 When it becomes clear that a temporary overload position will become permanent or in any event will exceed a period of 2080 hours, the position shall be posted in accordance with Article 24, and full time employees will be given the opportunity to apply in accordance with the procedure before the position is offered as a full time position to temporary employees, part time employees or outside applicants. The

Service will provide the Association with a report regarding its use of temporary employees within ten (10) days following the second monthly pay period, or 11 (eleven) days if a statutory holiday falls within this 10 day period. The report will set out the relevant information, updated and accurate to the date of the report, under the following headings:

- Name of Temporary Employee
- Position/Duties Performed During the Reporting Period
- Unit Assigned
- Pay and Band Rate
- Start Date
- Anticipated End Date
- Actual End Date
- Total Number of Hours in the Position
- Comments

If there are no changes regarding the use of temporary employees from the date of the immediately prior report, the Service will provide the Association with a statement to that effect within the timeframe set out above.

23.4.1 The Board may utilize temporary employees for special projects. When a special project is to be undertaken, the Board shall discuss the project, and proposed pay rate, with the Association in advance and shall provide a list of duties sufficient to enable the Association to determine if the proposed pay rate is appropriate. The Board shall also provide the Association with the anticipated duration of the project which is not to exceed six (6) months. The parties agree that the pay rate for the special project temporary employees can be different from any of the pay rates in Schedule A. In the event that the project is likely to exceed six (6) months, the Board shall discuss the extension with the Association at least one (1) month in advance with a view to reaching an agreement on such extension. It is understood that the project may not be extended without the agreement of the Association. In the event that the Association does not agree with the pay rate assigned to the project, the issue can be grieved and any agreed or awarded pay rate which is higher than that set by the Board will be paid to any temporary project employee for the duration of the time such employee is performing the relevant work. The Board shall notify the Association of substantial changes in job duties being performed by these temporary employees to enable the Association to review the appropriateness of the assigned pay rate.

23.4.2 Special Project work means work performed in relation to a project, undertaken for a defined time period (not to exceed six months, with no limit on the number of hours of work performed in that time period, unless an extension is mutually agreed to by the parties) and purpose. Special Project work may encompass some of the duties performed in the ordinary course by a full-time civilian member in a position identified in Appendix B. but not such that the number or combination of duties assigned to the Special Project amount to the core, essential duties of the full-time position or render that position redundant. For greater certainty, Special Project work is distinguishable from overload work, which includes backlog or additional work, experienced in a unit or position which may arise during peak periods. Special project work does not include work done by Intelligence Monitors.

23.5 INTENTIONALLY DELETED

23.6 The time limits specified in 23.2 and 23.4 may be extended by mutual agreement of the parties.

23.7 Temporary "replacement" employees and temporary "Special Constable" employees may be used to cover full time employee absences due to sick leave, maternity leave, Workplace Safety & Insurance, Annual Leave or other approved leaves of absence.

In addition, Temporary "replacement" employees and temporary "Special Constable" employees may be used to cover staffing shortages during posting processes (subject to the timelines prescribed in section 24.10) and to backfill positions that are temporarily vacant due to the incumbent being accommodated outside of their home position. These temporary employees may also be used to fill vacancies which cannot be filled in a timely manner as a result of a job displacement suspension (subject to the timelines prescribed in section 24.10) if, following a solicitation of interest, there is no full-time member who wants to fill the vacancy. Where a full-time member wants to fill the vacancy, the timelines prescribed in section 24.10 shall not apply until the day following the completion of the job displacement suspension process and a Temporary "replacement" or Temporary "Special Constable" employee may be used to backfill the vacancy created by the full-time member which period of backfill shall also not be subject to the timelines prescribed in section 24.10 until the day following the completion of the job displacement suspension process. The section 24.10 time limits may be extended by mutual agreement of the parties.

23.8 Part time employees will normally work twenty-four (24) hours or less per week.

23.9 Part time employees shall be paid at the Step 1 start rate as set out in Appendix "A".

23.10 Temporary and part time employees shall be entitled to all of the provisions of this Agreement with the exception of Articles 8, 9, 14, 19, 21, 22, 28, 40 and to the extent as provided in this Article 23. The statutory holiday provisions of Article 9 apply to temporary and part-time employees subject to the entitlement provisions of the Employment Standards Act.

23.11 Temporary and part time employees shall be entitled to employee group benefits as set out in Article 12.1 through 12.6 inclusive, after four hundred and eighty (480) hours of service in any continuous twelve (12) month period. If a temporary employee entitled to group benefits ceases to work and recommences work within six (6) months thereafter, entitlement to benefits automatically recommences.

23.12 Temporary and part time employees shall be entitled to the pension provisions of Article 13.2 provided that such employee has worked at least seven hundred (700) hours, excluding overtime hours, during each of the two (2) preceding calendar years, or has earned, including overtime and vacation pay, at least thirty-five percent (35%) of the year's maximum pensionable earnings.

23.13 Temporary or part time employees will not be used to replace full time employees except in accordance with the provisions of this Article.

23.14 The Board agrees that no full time employee shall be laid off or terminated as a direct result of the employment of temporary or part time employees.

Effective for new employees hired after the date of ratification, the probationary period for communicators shall be one year from the date of hire.

24.2 For the purpose of the provisions of this Agreement, seniority shall be defined as the accredited continuous service acquired by an employee of the Niagara Police Board. - 24.12 For the purposes of administering the job posting provisions of this Agreement, the following factors shall be considered:

- 24.15

- 34.3.2 Where the Chief of Police is joined as a party and the Board elects to defend the action, but the solicitor retained on behalf of the Board is of the view that it would be improper for him/her to act for both the Chief of Police and the member in that action. The Board shall decide if additional counsel shall be retained with respect to the indemnification provisions of this Article.
- 34.3.3 A member who is a suspect in a criminal investigation shall be granted legal indemnification on the terms set out in this article beginning at the point in the criminal investigation where a caution is to be given to the member.
- 34.4 A member of the Service who is requested or subpoenaed to appear before an inquiry initiated under Section 25 or Section 26 of *The Police Services Act*, or whose conduct is called into question as a result of a citizen's complaint or in the course of an inquiry under the *Coroner's Act*, *the Public Inquiries Act* or a Royal Commission, because of acts done in the attempted performance in good faith of a member's duties as a Civilian member of the Service, shall be indemnified by the Niagara Police Board for the necessary and reasonable legal costs incurred in representing his/her interests in such an inquiry on the following conditions:

If such conflict exists, the solicitor will notify the Board and the Association forthwith of such concerns and the Board shall consider the advice of their solicitor and decide, acting reasonably, whether to provide indemnification to the Association for the costs to retain additional counsel as may be necessary. In such case, the provisions of 34.4.1 and 34.4.2 shall apply.

34.4.5 A member or members of the Service shall not be indemnified for such legal costs if such indemnification, in the opinion of the Board, would reduce respect for law enforcement in the Regional Municipality of Niagara.

34.5 In the event that a member intends to apply to the Board for indemnification pursuant to the provisions of this Article, the following shall apply:

34.5.1 The member shall, within thirty (30) days of being charged or of receiving notice of other legal proceedings provided for in this article, apply in writing to the Chief of Police or his designee for approval to retain counsel or a paralegal and for the approval of the counsel or paralegal to be so retained.

34.5.2 In the event of any dispute concerning the counsel or paralegal to be retained, the matter shall be resolved by an officer designated by the Chief of Police and a member of the Association Executive designated for that purpose.

34.5.3 The application of the member for indemnification shall include:

- ii. an estimate, where practicable, of the total charges that will be incurred in the matter, and
- iii. the lawyer or paralegal's undertaking to submit monthly statements to the Board showing the time spent and the charges incurred on the file during the month.

If the application is approved, the Board reserves the right to refuse payment of the lawyer or paralegal's account if the counsel or paralegal fails to submit monthly statements in accordance with subparagraph (iii) above, provided that it has given 30 days written notice of its intention to do so to the lawyer or paralegal, with a copy to the Association, and the lawyer or paralegal has not remedied the situation prior to the expiry of the 30 days.

34.5.4 The Board has the right to negotiate fees with the lawyer or paralegal to be retained, and the affected member has the right to be present during the fee negotiations.

- 34.8 For the purpose of this provision, "necessary and reasonable legal costs" shall be based on the account rendered by the solicitor or paralegal performing the work, subject to taxation by an assessment officer of the Supreme Court of Ontario. If the General Counsel for the Association attends at a S.I.U. call outside normal business hours in circumstances where outside counsel is unavailable or there is a conflict that requires more than one counsel, the Association will be reimbursed at the rate of \$150.00 per hour.
- 34.9 In the case of aggravated assault, assault causing bodily harm or the included offence of ordinary assault, the indemnification referred to in clause 34.1 shall be limited to only those fees that would have reasonably been incurred if the matter was tried in Provincial Court unless the member first obtains permission to elect to be tried by any other court. To obtain the said approval of the Board, the member shall make an application in writing to the Chief of Police and the decision shall be at the discretion of the Niagara Regional Police Services Board.
- 34.10 Subject to other provisions of this Article, a member who is the Subject Officer in a Special Investigations Unit (S.I.U.) investigation may make application for legal indemnification subject to and upon the receipt of a final determination or recommendation by S.I.U. that criminal charges or other punitive actions will not be initiated or pursued.
- 34.11 A member who is required as a witness by the Special Investigations Unit (S.I.U.) in the course of an investigation into the conduct of another member shall be indemnified for the necessary legal costs incurred by the member as a witness.

As such, the member(s) shall receive his/her normal remuneration at the rate established by the Association and the Board shall invoice the Association on a monthly basis for all costs, exclusive of sick leave credits. In addition, the member(s) selected by the Association shall be entitled, if he/she has all the qualifications, to write any Departmental Promotional examinations while he/she is on such leave of absence. Any member on leave pursuant to this Article shall be required to take all leaves in accordance with the Collective Agreement, and if such leaves are not taken by December 31st of a given year, the cost of paying the member before such annual leave shall be borne by the Association.

38.2 A member may make application to the Chief of Police for a leave of absence without pay. The Chief's discretion in this regard is unfettered and the decision will be final. Neither the decision or the reasons for such decision shall be subject to the grievance procedure.

- 48.2 EMPLOYMENT STATUS
- 48.2.1 The Board shall employ Cadets on a contract basis subject to the terms and conditions contained within this memorandum for an initial period of twelve (12) months. Such contract will be renewed for an additional period of twelve (12) months if (a) the Cadet member has successfully performed during the initial twelve month period or (b) the Board determines to extend the contract in its discretion, where the Cadet member has not successfully performed during the initial twelve month period. Notwithstanding this provision, the parties agree that, if a need to hire police constables arises when there are Cadets in the pool, but not yet qualified, the Board and the Association shall discuss the issue in good faith and attempt to work out a resolution which allows the Board to hire currently serving members to meet its needs, and which protects the interests of the Association and its Cadet members.

- b. A member wishing to enter into a job sharing arrangement shall make a written application to the Chief through the member's District Commander on or before September 30 of a year for the immediately following calendar year using a prescribed form, and the Chief shall forward copies of the application forthwith to the Manager of Human Resources and the Administrator of the Association, and the application shall include the names of both proposed participants, and the Member shall be notified by October 31st if such application is approved.

- g. The Chief shall not approve any job sharing arrangement which would have the effect of increasing costs to the Service or the Board without the prior agreement of the Board.
- h. The Chief shall not approve any job sharing arrangement involving a proposed participant whose job performance at the time of the application is unsatisfactory in the opinion of the Chief based on advice received from the proposed participant's supervisor.

- n. The provisions of this Agreement supersede the provisions of the NRPA Uniform and Civilian Collective Agreements in the event of a conflict between this Agreement and either or both Collective Agreements.

4. CONDITIONS OF JOB SHARING PROGRAMME

- a. Each participant shall be entitled to one-half of the salary relative to the shared job, and in the event that the salary of the shared job is less than the salary of the participant's vacated position, the participant's entitlement to salary shall be limited to the salary applicable to the shared job during the period that the participant performs the shared job.
- b. Participants shall retain their status as full time employees of the Service except as provided in this Agreement.
- c. Each participant shall share equally the hours of work of the shared job, and the parties acknowledge that it is not the intention of this Agreement that participants be allowed to split shifts as part of the job sharing arrangement.
- d. Each participant shall receive credit for one-half of the seniority that would have been accrued by the participant if the participant were a full time member.
- e. Each participant shall be entitled to receive Worker's Compensation Benefits, if applicable, based on the actual number of hours worked by the participant during the term of the job sharing arrangement.
- f. Each participant shall be entitled to one-half of the benefits relative to the shared job, and in the event that such benefits are less than the benefits of the participant's vacated job, the participant's entitlement to benefits shall be limited to the benefits applicable to the shared job during the period that the member performed the shared job; provided that, where the benefits are paid by the Board on behalf of members, the participant shall contribute fifty percent of the cost of such benefits and the Board shall contribute the remaining fifty percent during the term of this job sharing arrangement.
- g. The employer portion of the OMERS pension contributions relative to a participant shall not exceed one-half of the contributions that would have been owed by the Board if the participant were a full time employee.
- h. Any member working pursuant to a Job Share Agreement shall be entitled to overtime pay at the rate of time and one half his or her regular rate in accordance with the provisions of Article 6.1.

5. VACATED POSITION

- b. The Service shall advise the temporary employee appointed to the vacated position:
 - i. that the employment is temporary;
 - ii. that the employment results from a job sharing arrangement;
 - iii. that the employment is intended to be for a fixed term and the length of that term, and
 - iv. that the employment may be terminated before the end of the intended term if the job sharing arrangement is terminated before the end of its proposed term for any reason.
- c. Each temporary employee appointed to a vacated position shall execute an acknowledgement that he or she has been advised of the facts outlined in subparagraph 5(b) above.
- d. A party who vacates a position to enter into a job sharing arrangement shall have the right to return to the vacated position at any time prior to December 31 of the first term of a job sharing arrangement to which the participant is a party.
- e. In the event that the participant does not return to the vacated position within the time mentioned in 5(b) above, the vacated position shall be posted in accordance with the provisions of the Collective Agreement for civilian members, and shall be filled in accordance with the Board's hiring and promotional policy in effect from time to time in respect of uniform members.

6. LOSS OF PARTICIPANT TO JOB SHARING ARRANGEMENT

In the event that a participant to a job sharing arrangement vacates his or her position for a period of exceeding thirty (30) days for any reason, the following rules shall apply:

- a. The remaining participant to the job sharing arrangement shall be offered the full time position for the period of absence of his or her partner in the arrangement immediately upon the Service being made aware that such absence will exceed thirty days, and the remaining participant shall be given fourteen (14) days to decide whether or not to accept such offer, or
- b. If the remaining participant declines such offer, the Service shall endeavour to find a qualified temporary participant to the job sharing arrangement.
- c. If no qualified temporary participant to the job sharing arrangement can be found within fifteen days of the posting of the position, the remaining participant shall assume the full time position until a qualified participant to the job sharing arrangement can be found, or until the absent participant returns.

7. TERMINATION OF JOB SHARING ARRANGEMENT

A job sharing arrangement may be terminated by any party to this Agreement if one or more of the following events occur:

- i. a participant ceases to be an employee of the Service for any reason;
- ii. a participant obtains a full time position with the Service through a competition pursuant to the Civilian Collective Agreement.
- iii. all parties to this Agreement agree to terminate the arrangement;
- iv. a temporary employee ceases to be available for the vacated job, or
- v. the needs of the Service, in the opinion of the Chief, require termination of the arrangement.

- vi. Costs become payable which exceed the compensation that would have been paid to one member on an ongoing basis but for the job sharing arrangement, in which event the Service shall be entitled to terminate the arrangement effective at the end of the twelve (12) month period for which the arrangement was approved, and notice of such termination shall be given to the Member on or before October 31st, effective December 31st of that year.

8. DECISION OF CHIEF NOT TO BE GRIEVABLE

Neither the Association nor any member shall be entitled to grieve any of the following decisions by the Chief:

10. STAFFING CALCULATION

For the purpose of determining the number of uniform members assigned to the Shift Schedule being worked effected January 1, 2001 by patrol officers, each job share participant working that schedule shall count as one member.

2. The Board hereby withdraws its grievance dated April 10, 2008 regarding medical reports.
 3. The parties agree to the following practices with respect to medical reports and related matters:

	<u>ISSUE</u>	<u>PRACTICE</u>
A	<i>Under what circumstances is the Board entitled to require a member to submit a physician's report.</i>	Physician's reports will be submitted in accordance with Article 11 of Uniform Collective Agreement and Article 8 of the Civilian Collective Agreement.
B	<i>What kind of medical information is the Board entitled to obtain from a member's physician, by virtue of the Board's right to a "report (that) provide(s) a reason for the member's absence and a prognosis for return to work.</i>	<p>The parties are in agreement with the current practice in which the member and/or their supervisor is first contacted to inquire as to the reason for the absence if it has extended beyond ten (10) days. If additional medical documentation is required, the member will be contacted via phone by Human Resources and will be advised of what additional medical documentation will be required, from the member's physician as indicated below. The Association will be advised of any situation where telephone contact with the member is unsuccessful and will be provided with copies of any correspondence sent to the member as a result.</p> <p>The parties agree that the current form (Attending Physician's Statement) does not adequately capture the requested information and may cause members additional concerns, therefore, this form will not be used in future.</p> <p>The parties have agreed in all cases to address the issue of the form in the context of the Arbitrator's comments with respect to the information being requested.</p> <p>The parties have agreed that medical information will be restricted to the following:</p> <ol style="list-style-type: none"> 1. Reason for absence 2. Prognosis for return to work 3. Any restrictions/accommodation requirements <p>The parties further agree that the Employer is entitled to ask the member's physician if the member is taking any medications that could impact upon his/her ability to work safely. The parties agree that the Board is entitled to updates on the member's condition in relation to the above, at reasonable intervals.</p>
C	<i>Under what circumstances is the Board entitled to require a member to be examined by a Board-appointed physician.</i>	The parties agree that the collective agreement provides when the Board may refer a member to a Board physician.

		The parties further agree that where a member's doctor is providing inconsistent information or is being uncooperative, the Board will first pursue clarification or cooperation from the member's doctor prior to a referral to a Board physician. Referrals to a Board physician will not be made arbitrarily, discriminatorily or in bad faith.
D	Is a member entitled to reasonable notice that he/she must report to a Board appointed physician, such that he/she has sufficient time to consult with the Association and his/her own physician before complying with the Board's request?	The parties agree that reasonable requests for delays will be accommodated.
E	What kind of medical information is the Board entitled to obtain from a Board-appointed physician?	<p>Board entitlement to medical information from a Board appointed physician is restricted to the following:</p> <ol style="list-style-type: none"> 1. Reason for absence 2. Prognosis for return to work 3. Any restrictions/accommodation requirements <p>The parties further agree that the Employer is entitled to ask the physician if the member is taking any medications that could impact upon his/her ability to work safely.</p> <p>The parties agree that the physician will be requested to provide only the specific information noted above and this will be outlined in the correspondence requesting the examination.</p> <p>The parties agree to request that the physician provide a copy of the report to the Board, the member and the Association.</p> <p>The parties further agree that the Association and the Board will exchange correspondence which confirms the names and positions of the specific individuals who have care and control of medical reports. Access and any distribution of medical documentation will be in accordance with Article 11.14 and 11.15 of the Uniform Collective Agreement and Article 8.13 of the Civilian Collective Agreement.</p>
F	Under what circumstances is the Board entitled to refer a member for an independent medical examination. What kind of medical information is the Board entitled to obtain from an independent physician referred to in the previous paragraph.	<p>Article 11 of the Uniform Collective Agreement and Article 8 of the Civilian Collective Agreement outline the procedures for a referral to an IME.</p> <p>Entitlement to medical information from an IME is restricted to the following:</p>

		<ol style="list-style-type: none"> 1. Reason for absence 2. Prognosis for return to work 3. Any restrictions/accommodation requirements <p>The parties further agree that the Employer is entitled to ask if the member is taking any medications that could impact upon his/her ability to work safely.</p> <p>The parties agree that the IME will be requested to provide only the specific information noted above and this will be outlined in the correspondence requesting the examination.</p> <p>The parties agree to jointly draft a letter to be provided to the IME in each case.</p>
G	<p>The parties now have an agreed list of six doctors who may conduct independent medical examinations – three selected by the Board and three selected by the Association. The Board has unilaterally developed a practice of selecting the doctor with the first available appointment date from the list. The Association's position is that the member is entitled in consultation with the Association to select one of the six doctors on the list and is not required to attend the first available doctor from the list of six.</p>	<p>The parties agree that the process for administering an independent medical examination is a joint process.</p> <p>The parties agree that the list of doctor's to be used for the independent medical examination will depend on the nature of the illness or injury.</p> <p>Any of the parties (Board, Association or member) may submit names of doctors to be used for the independent medical examination. It is agreed that only doctor's who are able to provide an appointment for the member, within a reasonable period of time, will be submitted for consideration.</p> <p>Once the list of "finalists" has been agreed to, if there is more than one doctor on the list, the Association and the Board will agree on which doctor is to be used.</p> <p>The Board will immediately proceed to schedule the member for the first available appointment, with the agreed upon physician, and will provide reasonable notice to the member of the appointment date.</p>
H	<p>Is Workplace Medical Corporation a "physician" for the purposes of the collective agreement?</p>	<p>"The Board has requested that Workplace Medical Corporation amend its waiver in accordance with the following, and understands that Workplace Medical agrees to this waiver:</p> <p>I understand that my employer has requested and paid for this medical examination, and that I am here</p>

		<p>for this assessment, and not, in any way, for treatment.</p> <p>I further authorize a physician of Workplace Medical Corporation to confer with my Family Physician and/or any medical specialists assisting in my medical evaluation, and that their combined findings with respect to the reason for my absence from work, the prognosis for my return to work, any restrictions/accommodation required upon my return to work and whether I am taking any medication that could impact on my ability to return to work safely, may be included in the report.</p> <p>The report will be provided to Donna Marlow (Employer representative), Sharon Miller (Association representative), and to myself.</p> <p>I have read and understand the above. I have been given an opportunity to ask questions."</p>
I	Is a member entitled to refuse to sign a waiver produced by any physician if that waiver involves a requirement that the physician disclose more than the reason for absence (or continued absence) and prognosis for his/her return to work.	The parties agree that this issue can be addressed through an appropriately worded referral letter. The Board will request a copy of the waiver prior to the appointment and will provide it to the Association. Either party may request reasonable amendments.
J	Is the member entitled to obtain a copy of a waiver he/she has signed directly from the Board-appointed or independent physician.	Physicians will provide a person being examined with a copy of the waiver, if requested. If he/she refuses to do so, the employer will provide the member with a copy once provided by the doctor. Providing that a jointly worded referral letter (for IME's) has been used for the referral and the waiver (for Board and IME reports) has been provided, a member will not refuse an examination on the basis that they have not been provided with a copy of the waiver.
K	Is the member entitled to obtain directly from the Board-appointed or independent physician, a copy of the medical report that will be sent to the Board?	A physician is required to provide a patient with a copy of a medical report, unless it will injure the patient. The referral letter to the physician will ask the doctor to provide the Board, the member and the Association with a copy of the report.
L	If the Board obtains a report containing medical information that exceeds its' entitlement under the collective agreement and which was disclosed to the Board, without the members' consent, is the member entitled to have the report sealed and returned to him/her?	A report which contains more medical information than the Board is entitled to will not be kept in the employee's file. The Board will ask the physician to provide a new report with the offending sections excised. The original report will be returned to the employee.

M	Under what circumstances may the Board require a member to submit either to a psychiatric assessment or psychological assessment?	<p>When a member is absent from work, Article 11 of the Uniform Collective Agreement and Article 8 of the Civilian Agreement will apply.</p> <p>After consultation with the Association, any referral for the purposes of a psychiatric or psychological assessment will be based on a demonstrably, justified concern.</p> <p>The parties acknowledge that this situation may occur when a member is still at work.</p>
N	When the member is required to attend a medical appointment for a Board-appointed physician or for an independent medical assessment, is the member on-duty or on sick leave?	An employee who is required to attend a medical appointment remains on sick pay for pay purposes. However, if a member incurs an injury going directly to, at or returning directly from a doctor's appointment, the Board will support the member's claim that the injury is compensable.
O	May the Board implement changes to administration of the sick leave/sick plan without referring such proposed changes to the joint Board and Association Committee on sick leave and sick plan?	The parties acknowledge the LOU attached to the Collective Agreements and agree that the Sick Leave/Sick Plan Committee will reconvene and work in good faith to resolve any issues with regard to sick leave/sick plan.
	RETURN TO WORK SITUATIONS	
P	When a member who has been off work advises that he/she is fit to return to work, what medical information, if any, is the Board entitled to require the member to provide from his/her own physician?	The parties agree that when there is a real question with regard to a return to work, the Board may require further information from the member's physician. Members will provide the Board with documentation that includes any restrictions and any accommodation requirements.
Q	Under what circumstances, if any, is the Board entitled to require such a member to be examined by a Board-appointed or independent physician?	The parties agree that upon a return to work, any concerns regarding the member's safe return or accommodation will be pursued through the member's physician before any other referral is made. If the member's physician is unable to satisfy or answer concerns, such member may be referred to a Board physician (unless such a referral has already been made), or to an independent physician (in all

		other cases). The agreed upon process will be followed, as set out for referrals to an independent physician.
R	If the Board is entitled to require the member to be examined by a Board-appointed or independent physician, what kind of medical information is the Board entitled to obtain from the physician?	The parties agree that the Board is entitled to know if the employee is fit to return to work and has any ongoing restrictions or accommodation needs and how long such restrictions are likely to last. The parties further agree that the Employer is entitled to ask if the member is taking any medications that could impact upon his/her ability to work safely.
	<u>MEMBERS WORKING IN ACCOMMODATED POSITIONS</u>	
S	When a member is working in an accommodated position, what medical information, if any, is the Board entitled to obtain from the member's own physician?	The parties agree that updated medicals may be requested in situations where the temporary accommodation is continuing beyond what was expected or where the need emerges to determine if the accommodation/restriction is permanent. Every effort will be made to obtain this information from the member's own physician. If information is not provided or the physician is not cooperative, the Board may pursue this information through an agreed upon independent physician.
T	Under what circumstances, if any, is the Board entitled to require such a member to be examined by a Board appointed or independent physician?	The parties agree that if such circumstances occur, the matter will be discussed prior to the Board seeking an updated report from the independent practitioner. Such requests will not be done as a matter of course.
U	If the Board is entitled to require the member to be examined by a Board appointed or independent physician, what kind of medical information is the Board entitled to obtain from the physician.	The parties agree that the Board may obtain information about the member's ongoing restrictions and how long these restrictions are expected to last.
V	Under what circumstances, if any, is the Board entitled to require any medical information not otherwise detailed in this document.	The parties agree that any other issues not otherwise addressed above, will be dealt with on a case by case basis.

W	<p>Under what circumstances, if any, can the Board unilaterally set out a requirement for medical information? (For example General Order 051 outlines an attendance management system. Pursuant to that order members have been requested to complete health review and health practitioners' questionnaires for the purposes of determining whether intermittent absences are the result of a chronic illness or disability.</p>	<p>Article 11.19.5 of the Uniform Collective Agreement and Article 8.17.5 of the Civilian Collective Agreement apply in these circumstances. The parties further agree that there needs to be some consistency in the information required in order for a member to both declare a chronic illness in the initial stage and provide annual updates with respect to the status of the chronic illness. The parties have agreed and have begun to develop a form to be used for members (through their physicians) to declare a chronic condition and provide annual updates pertaining to the declared chronic condition to the Board.</p>
---	--	---

4. The parties agree to the following with respect to the permanent accommodation of disabled members:

The parties acknowledge that the employer has an obligation to permanently accommodate a disabled employee in accordance with the *Ontario Human Rights Act*, and that the employer, the Association and the employee have an obligation to co-operate fully in that accommodation process.

The parties acknowledge that permanent accommodation is to be considered on a case by case basis. The parties acknowledge that permanent accommodation options can include, but are not limited to, and depending on the circumstances of the individual case, reduced hours, ergonomic changes, assignment to another position, bundling of job duties, or other options that may be appropriate in an individual case, and subject to any pay adjustments appropriate in the circumstances.

5. The parties agree that Arbitrator Laura Trachuk will remain seized with any issues relating to the interpretation, implementation and enforcement of this settlement and with any additional/new matters, in relation to medical, sick leave and/or accommodation issues that require resolution.

AWARD

Having reviewed the submissions of the parties, and having received their oral presentations on March 29, 30 and 31, 2017, I award the following:

At the request of both parties I direct that all agreed-to items from their negotiations form part of this award (as set out in the Employer's book of documents).

1. Board Proposal 5 – Overtime

Articles 6.6 (U) and Article 6.7 (C) are amended to increase the payout on retirement from 88 overtime hours to 120 overtime hours effective as at the date of this Award.

2. Board Proposal 8 – Court Allowance

Articles 13.5 and 13.6 (U) and Articles 11.5 and 11.6 (C) are amended to apply only to members who booked leave prior to being notified of a court date. For greater certainty, Articles 13.1 (U) and 11.1 (C) will now apply for members booking leave after receiving notification of a court date.

3. Board Proposal 6 – Leave Choices in 3 and 6 District

Article 5.1.14 (U) is amended to provide that supervisors in 3 District and 6 District are to choose their annual leave with their platoon effective January 1, 2018. The amendments will reflect that 6 District is allowed 1 officer off at any one time and 3 District is allowed 3 officers, including a maximum of 1 supervisor off at any one time and if there is no supervisor off, 3 constables can be off at the same time.

4. Association Proposal 2 – Court Allowance

Articles 13.5 and 13.6 (U) and Articles 11.5 and 11.6 (C) are amended to provide that annual vacation includes the 4 days preceding the member's vacation in place of the present 2 days preceding vacation.

5. Association Issue 22 – Deployment

Article 5.1.12.1(U) is amended to provide clarity to its independent application to read as follows:

Subject hereto, members will not be denied special bank time off if, at the time of the request, their platoon is above minimum strength provided that the request is made 24

hours prior to the commencement of the requested shift. This provision is not intended to apply to the deployment needed in respect of large public events or like circumstances creating a high demand for police resources.

6. Association Issue 21 – Fitness

The Board will contribute to the Association, a one-time payment of \$50,000.00, payable in 4 payments of \$12,500.00, the first payable immediately and thereafter on December 31st in the remaining years of the Agreement, including 2017, for a total contribution of \$50,000.00. The Workout Gyms Letter of Understanding is deleted.

7. Association Issue 5 – Civilian Breaks

Side Letter to be provided by the Board that confirms that during the term of the Agreement the Employer will continue to provide civilian members working the 4X4 (12 hour workers) Shift System 2 X 15 minute rest periods as well as the 2 X 45 minute periods for lunch. The Side Letter will indicate that any discontinuation of this practice subsequent to the term of the Civilian Agreement can be grieved by the Association and that the Side Letter is without prejudice to their right to grieve.

8. Association Proposal 4 – Casino Patrol Unit

The Casino staffing numbers are to be included into section 5.1.10 of the Uniform Agreement indicating that the casino patrol unit is a standalone unit for minimum staffing purposes. The inclusion will be subject to language that provides that in the event the casino patrol unit is amalgamated with 2 District that the minimum staffing numbers for casino patrol and 2 District will be combined and that the leave picks for the new amalgamated unit will be in accordance with the time off provisions in section 5.1.13 and that section 5.1.14 (as it relates to the current composition of 2 District) will be amended accordingly. For greater certainty, the casino staffing numbers to be included are one supervisor and two constables on day shifts and one supervisor and three constables on night shift.
