Schedule "E"

PROMOTIONAL PROCEDURE (2015) MEMORANDUM

The opportunity for promotion is a major motivator to many members of this Police Service. Promotion recognizes achievement, fulfills personal and business plan goals and may stimulate new interest. However, the procedure must be viewed as being fair and attainable, and members should have an understanding of the process.

With these thoughts in mind, a promotional procedure must follow a structured format to meet these needs. There must be basic eligibility standards, as well as objective criteria for selecting the best candidates. These standards and criteria must be compatible with the Organization's Vision, Mission Statement and core Values.

Likewise, members must have confidence in the procedure. Members should have knowledge of the various stages in the process and what he or she will be rated on.

The Hamilton Police Service (HPS) has established, through a joint committee composed of members of the Service and the Association, the following procedure which attempts to address these concerns.

Promotions:

- (a) **Level I:** Constable 1st Class to Sergeant 2 or Detective 2; to remain at that rank for one year before advancing to Sergeant 1 or Detective 1.
- (b) **Level II:** Sergeant 1 or Detective 1 to Staff Sergeant or Detective Sergeant.
- (c) **Level III:** Staff Sergeant or Detective Sergeant to Inspector.

PROCEDURE

A. GENERAL

CONSTABLE TO SERGEANT ONLY

The Promotional Process will be divided into two separate and distinct Stages.

- (A) **Stage One** – eligibility only
- (B) **Stage Two** – Divisional Review – 100% of final mark.
 - Competency Tool 100%,

SERGEANT TO STAFF SERGEANT AND STAFF SERGEANT TO INSPECTOR

The Promotional Process will be divided into three separate and distinct Stages.

- (A) **Stage One** – eligibility only
- (B) **Stage Two** – Divisional Review – 70% of total mark.
 - Competency Tool 100%,

The Competency Tool mark will have a total mark of 100% but will only be counted as 0% of the final mark. Education and Continuous Learning is integrated into the Competency Tool.

- (C) **Stage 3** – Panel Interview worth 30% of total mark broken down as follows: (2017)
 - Written Essay – 10%,
 - Presentation on Essay topic – 10%,
 - Interview – 80%

Total Marks: -100%

The total marks are to be multiplied by .30 to equate to 30% of the final mark.

The Divisional Review mark (out of 70%) and the panel interview mark (out of 30%) will then be added together for a total mark out of 100. Members with the highest total marks will make the promotional list, depending on the number of vacancies identified.

Vacancies

On January 31st of each year, the Chief of Police will project the number of vacancies expected for the following 12 months (Jan. 1-Dec. 31). Once the number of vacancies has been established, the vacancies will normally be posted by use of a Notice of Process (see section 3) for the information of all members, by February 28th of each year. Eligible members will be invited to submit a memorandum indicating their intent to compete. Details on timelines and directions for application for promotion will be sent from Human Resources. Applicants will normally be expected to respond within three (3) weeks. (Note: Refer to the actual timelines for the process in each year) Once applications have been submitted, each will be verified for accuracy and eligibility and a list will be prepared.

Notice of Process

A Notice of Process shall be posted by February 28th each year and shall state:

- a) The number of vacancies at each rank;
- b) That the application to compete is to be submitted to the attention of the Commander where the member worked or designate, and that an acknowledgement of receipt of each individual application will be issued; and,
- c) The schedule of relevant dates in the Promotional Process (including acknowledgement dates, interview dates, etc.);
- d) That qualified applicants moving beyond Stage Two, in the Sergeant to Staff Sergeant and the Staff Sergeant to Inspector Promotional Processes, will be expected to complete a memo of one to two pages in length (250 to 350 words) on a contemporary policing issue which will be scored;
- e) That following the completion of the memo, in the Sergeant to Staff Sergeant and Staff Sergeant to Inspector Promotional Processes, an interview will be conducted involving a combination of behavioural and situational questions, based on information supplied in the Notice of Process, the Police Service Business Plan, the Police Service Mission Statement and the Values and Vision of the Hamilton Police Service.

B. STAGE 1 – ELIGIBILITY (All Processes)

To compete in the Promotional Process, a member must be "qualified" for participation at the time of application. Qualification is attained by:

1. Writing the Ontario Police College Selection Examination (OPC Promotional Exam) and obtaining an overall average of at least 70%.

NOTE: If a member should receive a mark of less than 70%, he/she will lose his/her qualification for both promotion and Acting effective immediately. The member shall remain unqualified until he or she has successfully rewritten the OPC Promotional Exam and scored over 70% for qualification in both the Promotional Process and for Acting.

OPC Promotional Exam Eligibility:

Applicants must be qualified for the next rank level by successfully completing this Exam prior to the Promotional Process application deadline. For the 2015 process, members must have achieved a mark of 70% or higher to enter the process.

OPC Promotional Exams will be set annually and officers are encouraged to participate in the examination process. Study materials are provided by the OPC, and our Training Branch conducts tutorials.

Prerequisites:

Constables who are successful at writing the OPC Promotional Exam will remain qualified for a period of five years unless reduced hereunder. If a member's anniversary date falls after the closing date for the Promotional Process applications, that member will not be qualified for that Promotional Process.
- iii. All references to anniversary dates and recognized sworn service in this paragraph are referring to total continuous service with the HPS as a police officer. Members hired from other police services will be permitted to enter the Promotion Process after serving two years with the Hamilton Police Service provided that their total recognized cumulative and continuous unbroken sworn police service is five years or greater. Members hired from other services, who have written the OPC exam at their previous service, may use that OPC mark, provided:
 - a) Proof of exam results must be provided.
 - b) Meet all other HPS OPC Promotional Process Examination requirements.

2. Meeting the following Minimum Discipline Standard:

- i) Disposition without a hearing as provided under the *Police Services Act* (P.S.A.) or as negotiated by the parties – Two or more documented incidents within 24 months of the date the promotion process is posted disqualifies the candidate provided

the appropriate forms have been executed by the Service and the Member, and the combined penalties exceed 40 hours.

- ii) Disposition with a hearing as provided under the *Police Services Act* (P.S.A.) – One conviction within 24 months of the promotion posting disqualifies the candidate provided:
 - (a) the matter has been adjudicated in a hearing under Part V of the *Police Services Act*; and,
 - (b) the penalty exceeds 40 hours loss of pay, time, etc.
 - iii) A combination of any disciplines, where the penalty is greater than 40 hours disqualifies a candidate. (2012)
and;
3. **Meeting Minimum Sick-Time Record.** Minimum standard of no more than 3 occurrences within a total of no more than seven days absent within the 12 months preceding the date of the posting of the promotional process. Any absences above the standard must be justified by medical certification in all cases and must have been provided within 30 days of the original absence. (2005)
and;
4. **Must have a minimum of five (5) years of unbroken, continuous sworn police service with a minimum of two (2) years at the Hamilton Police Service.**

C. STAGE TWO – DIVISIONAL REVIEW

Stage Two is the “Final Stage” for the Constable to Sergeant Process and the “Short Listing Stage” for the Sergeant to Staff Sergeant and the Staff Sergeant to Inspector Processes. Candidates will be rated on competencies in a Divisional Review process.

The candidate “Final List” and “Short List” respectively, will be compiled as follows, based on the number of identified vacancies and the number of qualified candidates, including those found to be qualified after any appeal provided for in this Memorandum.

For 2015 only:
Sergeants:

The 2015 Sergeant promotional list will be capped at the top 10 candidates.

Note: For 2015, where additional vacancies occur up to December 31st, that exceed the original 10 vacancies, for each additional vacancy, one additional promotion will occur up to maximum of 15 total promotions for Sergeant.

Staff Sergeants:

For 2015, the Staff Sergeant process will be run for 2 promotions.

Note: If more than 2 Staff Sergeant vacancies become available in 2015, for each additional vacancy, one promotion will occur, up to a maximum of 4 total Staff Sergeants promotions.

Inspector:

There will no Inspector promotional process held for 2015 at this time.

Minimum interviews of 10 candidates or 4:1 ratio of candidates to identified vacancies, whichever is greater.

The Divisional Review process will normally take place from the beginning of March in each year to the Beginning of April in each year. The results of the Divisional Review process will be distributed in April. (see Timelines)

NOTE: All Short-List numbers are based on an assumption that there are sufficient qualified applicants. If there are insufficient qualified applicants, the number of Short-Listed candidates will be fewer.

Divisional Promotional Review (DPC)

ALL RANKS:

Members in the promotional process will be required to prepare a resume of not more than two pages. Members will also be provided the required competencies prior to the divisional review date. Members will be required to complete a competency assessment consisting of two (2) to five (5) points for each competency, identifying how the member feels they demonstrate the competency. The competency assessment will be no more than two pages in length. The Divisional Promotional Review Committee will rate the member using the competency tool.

CONSTABLE TO SERGEANT AND SERGEANT TO STAFF SERGEANT

The Corporate Services Superintendent and/or a Superintendent agreed to by both parties, will sit in on all reviews in the Constable to Sergeant Process and Sergeant to Staff Sergeant process, to ensure consistent application across Divisions. The Commanding Officer of the member in the process will be the Chairperson for any Divisional Review. The Commanding Officer of the member in the process shall NOT be the Superintendent

designated for consistency purposes. A Deputy Chief, Association Representative and/or Human Resources will sit in on the first few reviews at each Division to ensure consistent application across Divisions. A Deputy Chief, Association Representative and/or Human Resources may attend further reviews if requested. Human Resources will also monitor marks as they are forwarded to Human Resources for consistency. Each candidate will be assessed and marks will be awarded for the Competency Tool.

The Divisional Promotional Committee (DPC) for the Sergeant and Staff Sergeant Process will be comprised of the candidate's Superintendent, Inspector, Staff Sergeant and Supervisor. A supervisor from each area the member worked full time in over the last 18 months will be present in the Divisional Review. The Commander of the area that the member worked in on December 31 of the preceding year will be responsible for setting the dates and times of the Divisional Review and for ensuring attendance of immediate supervisors and Staff Sergeants.

A quorum will be three members for the rank of Constable to Sergeant and Sergeant to Staff Sergeant. There must be at least one Senior Officer present and one direct Supervisor present.

STAFF SERGEANT TO INSPECTOR

The DPC for Inspectors will be comprised of only the candidate's Superintendent and Inspector; however, all members are required for a quorum. It is agreed that the Commanding Officer shall be the Chairperson for all DPC's. A Deputy Chief, Association Representative and/or Human Resources may sit in on all reviews in the Staff Sergeant to Inspector Process, to ensure consistent application across Divisions.

Marking

Unless specifically addressed herein, whole marks only shall be used.

Candidates Identified

CONSTABLE TO SERGEANT

On or about the 12th of April of each year, the factors for evaluation in Stage Two will be completed and forwarded to the Human Resources Manager. The Human Resource Manager will identify the top 10 Candidates in the Constable to Sergeant Process. These candidates will be listed on the "Final Promotional List" alphabetically. Ties will be broken by the member's seniority as defined herein. If a tie still exists after the seniority tie-breaker is used, then the list will be expanded to capture all the final ties. Members are to be promoted from the list based on organizational needs and not based on the ranking of the Divisional Review. The list will remain valid until exhausted. **For 2015, where additional vacancies occur up to December 31st, that exceed the original 10 vacancies, for each additional vacancy,**

one additional promotion will occur up to maximum of 15 total promotions for Sergeant. If promotions are required after the 15 promotions take place, the process will run in 2016 to fill the 2016 vacancies and any 2016 projected vacancies.

SERGEANT TO STAFF SERGEANT AND STAFF SERGEANT TO INSPECTOR

The Human Resource Manager will identify and post the candidates who will move forward to Stage Three in the Sergeant to Staff Sergeant and Staff Sergeant to Inspector Promotional Processes. Candidates will be listed on the Short List alphabetically.

Stage Two Reviews

When the lists are posted, all candidates who do not appear on the lists may request to review their marks with their Divisional Commander when the process is completed. All marks will be kept confidential.

To protect the integrity of the Process, the Promotional Interview Committee will not be apprised of the candidates' marks from Stage Two.

D. STAGE THREE

SERGEANT TO STAFF SERGEANT AND STAFF SERGEANT TO INSPECTOR ONLY

Marking

Pre-interview Memo – 10 marks / Presentation on Report – 10 marks; / Interview – 80 marks. Total of 100 marks multiplied by 30%.

Stage Three consists of:

- A A pre-interview written memo limited to no more than two (2) pages (250 to 350 words) on a contemporary scenario based policing issue that will be scored, (10 marks);
- B A presentation to the interview panel on the written memo. Presentation to be no longer than five minutes in length, (10 marks);
- C An interview comprised of a combination of behavioural and situational based questions based on information supplied in the Notice of Process, the Police Service Business Plan, the Police Service Mission Statement, and the Values and Visions of this Police Service (80 Marks)

The Promotional Committee will weigh and rate A & B separately from the interview itself.

Interview Panel

The interview will be conducted by the Promotional Committee, which shall be comprised of five (5) members above the rank of Staff Sergeant, with the Chief or a Deputy Chief as the Chair. A quorum will be a minimum of four, with the fifth member acting as an alternate.

The persons comprising the Promotional Committee may change at the various interview levels.

The alternate may be present throughout the entire process and will rate candidates where present. However, the rating by the alternate will not be considered unless one of the other Promotional Committee members is absent from a vote or abstains from a particular interview.

Where an obvious conflict situation exists, identified by the Committee or by the candidate, the involved Committee member shall disqualify him or herself. A candidate shall only be entitled to declare a conflict with respect to one Committee member during a Promotional Process. All conflicts must be brought to the attention of the Human Resources Manager prior to the interview.

Interview time and dates will be awarded based on a random draw, once the interview list has been determined as per Stage Two.

Candidates will not be allowed to bring any materials, other than their prepared memo and a personal biography into the interview.

Promotional List

To protect the integrity of the Process, the Promotional Interview Committee will not be apprised of the candidates' marks from Stage Two (2). Members who do not make the list at the Constable to Sergeant Level, will be notified of the group that they fall in (i.e. 21-35, 36-50, 51-65 etc.)

At the conclusion of Stage Three, the scores will be forwarded to the Human Resources Manager or designate for melding with the results of Stage Two.

The aggregate score will establish the final ranking list for promotional purposes. In the event of a tie, ties will be broken by the member's seniority as defined herein, and if still tied, the highest known score on the OPC Promotional Exam will be the deciding factor. The Promotional List will remain active up to and including December 31st of that year.

For the Sergeant to Staff Sergeant and the Staff Sergeant to Inspector Processes, all vacancies identified between January 1st and December 31st

of the Promotional Process year, will be filled from the active List in order of ranking on the list, except for situations where specialists are required (for example: Identification Officers). Promotions will be made for all vacancies that occur up to and including December 31st of the Process year. Only successful candidates will be notified whether they made the promotional list. **For 2015, the Staff Sergeant process will be run for 2 promotions.**

Note: If more than 2 Staff Sergeant vacancies become available in 2015, for each additional vacancy, one promotion will occur, up to a maximum of 4 total Staff Sergeants promotions.

Inspector:

There will no Inspector promotional process held for 2015 at this time.

If the numbers of vacancies exceed the number of candidates on the list **after the four promotions have been made**, the vacancies shall be filled by Acting positions pending the next Promotional Process **in 2016**.

E. SENIORITY

Seniority will be used as a tie breaker, if the final mark of any members are the same at the conclusion of the process.

Seniority will be calculated based on completed years of service as of the deadline for Promotional Process applications, which will normally be the end of February to the middle of March of each year.

Seniority will be calculated as follows:

- a) Total completed years of continuous unbroken service with the HPS from date of hire as at the deadline for applications, which will normally be the end of February to the middle of March each year; and,
- b) Fifty percent of total previous recognized sworn police service. For example, if a member was hired by HPS with 3.5 years of previous service, they will receive a credit of 1.75 years plus they will be credited with any service they have completed with the HPS.

Note: Recognized sworn police service will be defined as previous continuous, unbroken sworn Ontario police service served prior to being hired by the Hamilton Police Service. The member's prior police service must be recognized in Ontario and resulted in the member's hire by HPS without the need to attend the Police College basic new recruit training program.

Miscellaneous

Candidates attending Promotional Interview Panels are advised:

- (i) For officers assigned to plainclothes duties (e.g. C.I.D., Special Services, etc.), the required dress is suitable business attire.
- (ii) For officers assigned to duties requiring uniforms (e.g. Patrol, Records, P.S.O., etc.), the required dress is Number 1 Dress, minus lanyard, white gloves, hat and medals. (See Rules and Regulations for Order of Dress).

Once the Promotional Process is complete and the final List is posted, any candidate wishing a review of his/her individual scores and/or receive an explanation as to how he/she might improve may obtain this information by applying to their Commander or any other member on the interview panel. This is not to be construed as an appeal. Members can provide a written response to the process which will be retained in the candidate's Personnel File and may be utilized for Career Development or for future Promotional Process purposes

 - a) Where the penalty is Forty (40) hours or less, the record shall be expunged if the Member has been discipline-free for five (5) years after the date of disposition has been made. For the purposes of this paragraph, "discipline-free" refers to Dispositions with or without a Hearing, as well as pending charges under the *Police Services Act* where a Notice of Hearing has been served on the Member.
 - b) Where the penalty is greater than Forty (40) hours or a demotion, the Member may apply to the Chief of Police to have the record expunged. CRITERIA TO BE RECOMMENDED BY A JOINT COMMITTEE ESTABLISHED BY THE CHIEF OF POLICE AND THE PRESIDENT OF THE HAMILTON POLICE ASSOCIATION.

3. For greater clarity, the expungement of any record under paragraph 2, above, does not affect the requirement of a Member to comply with the decision of the Supreme Court of Canada in *R. v. MEMORANDUM OF AGREEMENT: JOB SHARE PROGRAM

B E T W E E N :

HAMILTON POLICE SERVICES BOARD

(“The Board”)

- and -

HAMILTON POLICE ASSOCIATION

(“The Association”)

WHEREAS the Board and the Association have agreed to adopt a Job Share Program which permits job share arrangements to be entered into by a limited number of qualified members of the Hamilton Police Service (“the Service”) in accordance with the terms set out below,

NOW THEREFORE the parties agree as follows:

STATEMENT OF PRINCIPLE

1. The purpose of job sharing is to provide full-time members, with special needs, the opportunity to enjoy a better quality and balance in their working life by providing an opportunity, for a temporary time period, for full-time members to apply for a reduction in hours of work to address these needs. It will allow members, both police officers and Civilians, to share equally the

duties and responsibilities of one (1) full time position without reduction in efficiency or productivity nor increase in cost to the Service.

2. Job share partners are to share hours equally, calculated over a bi-weekly period. Partners can negotiate their schedules, provided that equal time is worked by each partner bi-weekly, subject to any limitations specified herein or by the supervisor of the job share partners based upon the bona fide requirements of the position.

DEFINITION

3. "Job sharing" means that two (2) qualified members of the Police Service share one (1) job which they are qualified to perform so that the pay, benefits and hours of duty for that position are shared equally by the two (2) members in the same job classification.

4. Job sharing is a voluntary arrangement between two qualified Association members who are members of the Police Service, who enter into an agreement to share one (1) job equally. During the duration of the job share, the job share partners will share salary and all benefits, such as holidays and sick leave, on a prorated fifty-fifty (50-50) basis, or as otherwise set out in this Agreement.

ELIGIBILITY FOR JOB SHARING

5. Any permanent full-time uniform or Civilian member of the Police Service is eligible for participation in a job share arrangement, provided the member is a

current member of the Association and has completed the required Police Service probationary period.

6. Both job share partners must be capable and qualified to perform the duties of the job they wish to share, with minimal training, once the job share commences. The determination as to whether the training required exceeds "minimal" training shall be determined by the Board. Where a conflict arises with the Board's determination on the issue of "minimal" training, the Job Share Committee will meet to try and resolve the conflict. In the event that a resolution cannot be reached at the Committee level, the decision of the Board will prevail.
7. A Civilian member shall only share with another Civilian member within the same job classification, unless otherwise permitted under this Agreement.
8. Where a Civilian member cannot identify another full-time Civilian member within the same job classification, the Civilian member may look outside of their job classification, either higher or lower, provided that the other Civilian member satisfies the requirements of paragraph 6. In such a case, the salary for the shared job shall be the salary of the position being shared. Where multiple job share partners have been identified, the Board, in its sole discretion, shall select the successful job share partner.
9. A uniform member shall only job share with a member of the same rank.

DURATION/ TERMINATION / VARIATION OF THE AGREEMENT

10. This Agreement shall replace any and all Agreements previously entered into by the parties effective upon the date of the last signatory to this Agreement. This Agreement shall operate for a period of one (1) year, after which it will automatically renew annually unless terminated by the Board or the Association.
11. Should either the Board or the Association wish to terminate this Agreement, the terminating party shall provide the other party with thirty (30) days prior written notice, which shall include the reasons for termination.
12. The Board and the Association agree to review this Agreement, at the request of either party, for the purpose of making recommendations to their respective Boards as to any revisions in form which may be required.
13. The parties agree that should they fail to reach agreement with respect to the terms of continuation of this Agreement, or should either party seek termination of same, such matter will not be considered to be a disagreement between the parties and may not be the subject of a grievance.
14. In the event that this Agreement is terminated, upon expiry of any existing job share arrangements created under this Agreement or its predecessors, the members will revert to their original positions under the current applicable Collective Agreement.

15. If this Agreement is varied by agreement of the parties, such variation shall apply to all job share arrangements created subsequent to the variation. Existing job share arrangements in progress at the time that the variation is agreed to shall continue under their existing conditions until the end of the twelve (12) month term of the job share arrangement. Thereafter, the varied provisions shall be applicable to any job share arrangements continuing or extended under the Program.
16. Should one (1) job share partner leave a job share during the duration of a job share arrangement, the position shall revert back to a full-time position. The remaining partner will be returned to the position occupied by the member prior to the commencement of the job share, and the vacant job share position will be filled in accordance with the Collective Agreement provided it continues to be a position required by the Board.

DURATION AND TERMINATION OF A JOB SHARE ARRANGEMENT

17. Each job share arrangement shall be for twelve (12) months, unless extended in accordance with this Agreement. No job share agreement, inclusive of extensions, shall exceed five (5) years.
18. A job share arrangement shall be extended for a further twelve (12) months provided that:
 - (a) no other members have applied for a job share arrangement; and
 - (b) the Board supports the extension.

19. A job share arrangement may be extended for a further three (3) twelve month periods beyond the extension granted under paragraph 18 provided that, prior to each such extension:
- (a) no other members have applied for a job share arrangement; and
 - (b) The Board and the Association support the extension.
20. A job share arrangement may be terminated by either job share partner, by the Board, or by the Association, at any time during the duration of the arrangement, provided no less than ninety (90) calendar days written notice is provided by the party wishing to terminate the arrangement to the other job share partner, the Board and the Association. This notice requirement shall apply where one (1) job share partner wishes to leave the job share position for any reason, including retirement and/or cessation of employment with the Service.
21. Upon termination of a job share arrangement, either on notice or by automatic termination, job share partners shall return to previously scheduled duties and responsibilities for a minimum duration of one (1) year before becoming eligible to apply for participation in another job share arrangement.
22. For Civilian members and temporary members hired to fill vacancies created as a result of the commencement of a job share arrangement will be dealt with as per Schedule 'E' of the Collective Agreement at the completion of the job share arrangement.

RESTRICTIONS AND TERMS

23. There may be limitations placed on the number of job share arrangements allowed and it may be necessary to identify certain positions which will not be eligible for job sharing. This will be done after a consultation process between the Board and the Association.
24. The number of job share arrangements allowed per department shall be determined by the Board. Participating members will be required to sign individual job share arrangements as well as a joint agreement which will specify their relationship to the job, their hours of work, benefits, job duties, and the process which will be used to monitor the successfulness of the job share arrangement.
25. Temporary members may be utilized to fill Civilian vacancies created as a result of job sharing. The vacancies will be filled by seniority, but will not be posted. Temporary members will be notified at the time of hire that they are filling the position for the term of the job share arrangement only.

29. A job share partner retains the right to apply for any other vacancies posted.
30. A job share partner retains the right to apply for any promotion that may occur.
31. If one job share partner terminates the job share arrangement after giving the required notice, the remaining job share partner may attempt to find a job share partner replacement within the ninety (90) day notice period, provided the remaining job share partner wishes to continue in the job share arrangement.

APPENDIX "B"

HAMILTON POLICE SERVICE CAREER DEVELOPMENT MANUAL 2008

FOR

LINE/SUPPORT PERSONNEL
CHAPTER 1

INTRODUCTION

Several trends and issues evident in the external environment and mirrored within the Hamilton Police Service will have a dramatic impact on 'people development' in the years ahead. Perhaps the most significant shift in recent years is towards the organization that links its ability to succeed in a climate of constant change to the life-long learning and development of its employees. This approach recognizes that people are the foundation for change in the Service, and that it is through the efforts and development of our members that we will achieve our vision of being recognized by our communities and our members as the best and most progressive police service.

Another of these trends is towards organizational restructuring. In our Service, that may mean fewer opportunities for promotion to higher ranks, and a greater emphasis on providing members with lateral opportunities to do interesting and challenging work with greater autonomy.

The resulting cultural shift in our organization is toward employee empowerment to take responsibility for their own development, with managers playing a coaching and facilitating role. The organization's role will be one of providing resources and support.

The Service's Career Development Program had been established jointly by the Service and the Hamilton Police Association (Association) to assist sworn members to take ownership of their careers, to develop knowledge, skills and abilities, while having the opportunity to experience a variety of jobs during the span of those careers.

This Program has four parts: A Selection Process for Sworn Positions, a Career Progression Model, a Position Directory by Division, and a Performance Appraisal and Development Plan. Together, these sections are intended to provide information, guidelines and a mechanism to facilitate individual career planning.

IMPLEMENTATION PLAN

RECOMMENDATIONS:

1. That training for first-line supervisors be completed at the earliest opportunity so that they are familiar with all the components of the Program before the roll-out of the new Performance Appraisal and Development Plan form.
2. That an information package be distributed to Line/Support members to coincide with the roll-out of the new form.
3. That an information package be distributed to the Staff and Detective Sergeants to augment the preliminary information that they received at a recent training session.
4. That initial distribution of a complete manual of information and instructions be made to first line supervisors, so that one copy is available for each Platoon or Branch.
5. That Human Resources evaluate and refit the Program, as necessary, one year and three months after the roll out of the Performance appraisal and development form, and that the evaluation include interviews with members at each affected level.
6. That once adjustments have been made, each Line/Support member receive a personal copy of the manual.
7. That Human Resources be responsible for the ongoing evaluation and maintenance of the Career Development Program and manual. That this include updating any added/deleted positions, and reviewing the Summary of Activities and Essential and Desirable Qualifications with the Divisional Commander when a job is being advertised, to ensure that the information is current.
8. That when the Performance appraisal and Development component of the Program be expanded to include Supervisory/Co-ordinate staff, and Management staff, and that the Qualifications contained in the Position Directory be reviewed to ensure that there is concurrence between them and the Key Competencies.
