Termination of Third Party Funded Contracts

The Parties agree the following forms part of the Agreement:

The Employer and the Union acknowledge that a number of employees are employed as a result of the Employer entering into contracts with other agencies for the provision of services. A circumstance may arise where the funds that the Employer receives under these contracts are less than the Employer's cost of having employees provide these services.

Therefore the Employer and the Union agree:

1. In the event that the Employer is contemplating the termination of a contract with another agency which **will** have the effect of the lay off of one or **more** employees in the Bargaining Unit, the Employer shall provide not less than thirty **(30)** days notice in writing to the Union of the contract that may be terminated, along with the consequences to the employees of the Bargaining Unit if that contract **is** terminated.
2. At the request of either party, the Employer and the Union shall meet within the thirty **(30)** day notice period to discuss alternatives to the termination of the contract. The Employer will grant leave with pay for one (1) employee, who would be affected by the contemplated termination **of** the contract, to attend the meeting on behalf of the Union. If there is **a** meeting, the Employer will provide the Union with a copy of the contract and its rationale for contemplating the termination of the contract.
3. If an agreement is reached between the Employer and the Union with respect to an alternative to the termination of the contract, that agreement shall become a Letter of Understanding, shall be signed by both the Union and the Employer, and shall be incorporated into the Collective Agreement.
4. If the Employer and the Union do not reach an agreement, the Employer may exercise its rights under the Collective Agreement.
5. Nothing in this Letter of Understanding requires the Employer to, or prevents the Employer from, terminating the contract.
6. Notice given to the Union under this Letter of Understanding shall not constitute notice of lay off under Article 31.03.
