SCHEDULE "A"

APPENDIX OF LOCAL ISSUES

LETTERS OF UNDERSTANDING

ARTICLE 1 - PREAMBLE

1.01 Preamble

The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Hospital and the employees covered by this Agreement; to provide for ongoing means of communication between the Union and the Hospital and the prompt disposition of grievances and the final settlement of disputes and to establish and maintain mutually satisfactory wages, hours of work and other conditions of employment in accordance with the provisions of this Agreement.

It is recognized that the employees wish to work efficiently together with the Hospital to secure the best possible care and health protection for patients.

1.02 Feminine/Masculine Pronouns

Wherever the feminine pronoun is used in this Agreement, it includes the masculine pronoun and vice versa where the context so requires.

ARTICLE 2 - DEFINITIONS

2.01 Temporary Employee

Employees may be hired for a specific term not to exceed six (6) months, to replace an employee who will be on approved leave of absence, absence due to **W.C.B.** disability, sick leave, long term disability or to perform a special non-recurring task. This term may be extended a further six (6) months on mutual agreement of the Union, employee and Hospital. The period of employment of such persons **will** not exceed the absentee's leave. The release or discharge of such persons shall not be the subject of a grievance or arbitration.

This clause would not preclude such employees from using the job posting provision **under** the Collective Agreement **and** any successful applicant who has completed his probation period will be credited the appropriate seniority.

The Hospital will outline to employees selected to fill such temporary vacancies and the Union, the circumstances giving rise to the vacancy, and the special conditions relating to such employment.

2.02 Part-Time Commitment

The Hospital shall not refuse to accept an offer from an employee to make a written commitment to be available for work on a regular predetermined basis solely for the purpose of utilizing casual employees so as to restrict the numbers of regular part-time employees.

2.03 Regular Part-time Employee

Regular part-time employees shall mean those employees who make a written commitment to the Hospital to be available on a predetermined basis as required by the Hospital and in accordance with a predetermined schedule.

2.04 Casual Part-time Employees

Casual part-time employees shall mean those employees who are employed on a relief or replacement basis and are available for call-ins as circumstances demand.

ARTICLE 3 - RELATIONSHIP

3.01 No Discrimination

The parties agree that there shall be no discrimination within the meaning of the Ontario Human Rights Code against any employee by the Union or the Hospital by reason of race, creed, colour, age, sex, marital status, nationality, ancestry or place of origin, family status, handicap, sexual orientation, political affiliation or activity, or place of residence. The Hospital and the Union further agree that there will be no intimidation, discrimination, interference, restraint or coercion exercised or practised by either of them or their representatives or members, because of an employee's membership or non-membership in a Union or because of his activity or lack of activity in the Union.

ARTICLE 4 - STRIKES & LOCKOUTS

4.01 The Union agrees there shall be no strikes and the Hospital agrees there shall be no lockouts so long as this Agreement continues to operate. The terms "strike" and "lockout" shall bear the meaning given them in the Ontario Labour Relations Act.

ARTICLE 5 - UNION SECURITY

5.01 T4 Slips

The Hospital will provide each employee with a T-4 supplementary slip showing the dues deducted in the previous year for income tax purposes where such information is available or becomes readily available through the Hospital's payroll system.

5.02 Notification to Union

The Hospital will provide the Union with a list, monthly of all hirings, lay-offs, recalls and terminations within the bargaining unit where such information is available or becomes readily available through the Hospital's payroll system.

5.03 Employee Interview

A new employee will have the opportunity to meet with a representative of the Union in the employ of the Hospital for a period of up to fifteen (15) minutes during the employee's orientation period without **loss** of regular earnings. The purpose of the meeting will be to acquaint the employee with such representative of the Union and the Collective Agreement.

Such meetings may be arranged collectively or individually for employees by the Hospital as part of the orientation program.

5.04 No Other Agreements

No employee shall be required or permitted to make any written or verbal agreement with the Hospital or its **representative(s)** which conflicts with the terms of this Agreement.

No individual employee or group of employees shall undertake to represent the Union at meetings with the Hospital without proper authorization from the Union.

ARTICLE 6 - UNION REPRESENTATION AND COMMITTEES

6.01 Union Activity on Premises and/or Access to Premises

The Union agrees that neither it, nor its officers, agents, representatives and members will engage in the solicitation of members, holding **of** meetings or any other Union activities on Hospital premises or on Hospital time without the prior approval of the Hospital, except as specifically provided for in this Agreement. Such approval will not be unreasonably denied.

6.02 Labour Management Committee

Where the parties mutually agree that there are matters of mutual concern and interest that would be beneficial if discussed at a Labour Management Committee Meeting during the term of this Agreement, the following shall apply.

An equal number of representatives of each party as mutually agreed shall meet at a time and place mutually satisfactory. A request for a meeting hereunder will be made in writing prior to the date proposed and accompanied by an agenda of matters proposed to be discussed, which shall not include matters that are properly the subject of grievance or negotiations for the amendment or renewal of this Agreement.

Any **representative(s)** attending such meetings during their regularly scheduled hours of work shall not lose regular earnings as a result of such attendance.

It is agreed that the topic of a rehabilitation program for drug and alcohol abuse is an appropriate topic for the Labour Management Committee.

It is understood that joint meetings with other Labour Management Committees in the Hospital may be scheduled concerning issues of mutual interest if satisfactory to all concerned.

Where two or more agreements exist between a Hospital and CUPE the Committee may be a joint one representing employees under both agreements, unless otherwise agreed.

6.03 Local Bargaining Committee

The Hospital agrees to recognize a negotiating committee comprised of Hospital employee representatives of the Union for the purpose of negotiating a renewal agreement (as set out in the Local Provisions Appendix). The Hospital agrees to pay members of the negotiating committee for straight time wages **lost** from their regularly scheduled working hours spent in direct negotiations for a renewal agreement, up to but not including arbitration. Nothing in this provision is intended to preclude the Union negotiating committee from having the assistance of any representatives of the Canadian Union of Public Employees when negotiating with the Hospital.

When direct negotiations begin or end within ten (10) hours of a negotiating team member's scheduled shift, the Hospital will endeavour to provide a one (1) day's leave of absence without pay, to provide a sufficient rest break if the employee so requests. Such request shall not be unreasonably denied. Such leave shall be considered leave of absence for Union business, but shall not be deducted from the Union entitlement under Article 12.02.

6.04 Central Bargaining Committee

In central bargaining between the Canadian Union of Public Employees and the participating Hospitals, an employee serving on the Union's Central Negotiating Committee shall be paid for time lost from his normal straight time working hours at his regular rate of pay and without **loss** of leave credits for attending central negotiating meetings with the Hospitals' Central Negotiating Committee in direct negotiations up to the point of arbitration. Upon reference to arbitration, the negotiating Committee members shall receive unpaid time off for the purpose of attending arbitration hearings.

It is understood and agreed that the maximum number of Union Central Negotiating Committee members entitled to payment under this provision shall be seven (7), and in no case will more than one (1) employee from a Hospital be entitled to such payment.

The Union shall advise the Hospitals' Central negotiating Committee, before negotiations commence, of those employees to be paid under this provision. The Hospitals' Central Negotiating Committee shall advise the seven Hospitals accordingly.

6.05 Union Stewards

The Hospital agrees to recognize Union stewards to be elected or appointed from amongst employees in the bargaining unit who have completed their probationary period for the purpose of dealing with Union business as provided under this Collective Agreement.

A Chief Steward or designate may, in the absence of any steward, assist in the presentation of any grievance, or with any steward function.

The Union shall keep the Hospital notified in writing of the names of Union stewards appointed or selected under this Article as well as the effective date of their respective appointments.

It is agreed that Union stewards have their regular duties and responsibilities to perform for the Hospital and shall not leave their regular duties without first obtaining permission from their immediate supervisor. If, in the performance of his duties, a Union steward is required to enter an area within the Hospital in which he is not originally employed, he shall report his presence to the supervisor in the area immediately upon entering it. Such permission shall not be unreasonably withheld. When resuming his regular duties and responsibilities, such steward shall again report to his immediate supervisor. A Union steward shall suffer no **loss** of earnings for time spent in performing the above duties during his regular scheduled working hours.

Nothing in this Article shall preclude full-time stewards from representing part-time employees and vice-versa.

The number of stewards and the areas which they represent, are to be determined locally.

6.06 Grievance Committee

The Hospital will recognize a Grievance Committee composed of the Chief Steward and not more than (as set out in Local Provisions Appendix) employees selected by the Union who have completed their probationary period. A general representative **of** the Union may be present at any meeting of the Committee. The purpose of the Committee is to deal with complaints or grievances as set out in this Collective Agreement.

The Union shall keep the Hospital notified in writing of the names of the members **of** the Grievance Committee appointed or selected under this Article as well as the effective date of their respective appointments.

A Committee member shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending grievance meetings with the Hospital up to, but not including arbitration. The number of employees on the grievance Committee shall be determined locally.

ARTICLE 7 - GRIEVANCE AND ARBITRATION PROCEDURE

- 7.01 For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the agreement including any question as to whether a matter is arbitrable.

- 7.02 At the time formal discipline is imposed or at any stage of the grievance procedure an employee shall have the right upon request to the presence of his/her steward. In the case of suspension or discharge the Hospital shall notify the employee of this right in advance.
- 7.03 It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until he has first given his immediate supervisor the opportunity of adjusting his complaint. Such complaint shall be discussed with his immediate supervisor within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee and failing settlement within nine (9) calendar days, it shall then be taken up as a grievance within nine (9) calendar days following advice of his immediate supervisor's decision in the following manner and sequence:

Step No. 1

The employee may submit a written grievance signed by the employee to his immediate supervisor. The grievance shall identify the nature of the grievance and the remedy sought and should identify the provisions of the Agreement which are alleged to be violated. The immediate supervisor will deliver his decision in writing within nine (9) calendar days following the day on which the grievance was presented to him. Failing settlement, then:

Step No. 2

Within nine (9) calendar days following the decision under Step No. 1, the employee may submit the written grievance to his Department Head who will deliver his decision in writing within nine (9) calendar days from the date on which the written grievance was presented to him. The parties may, if they so desire, meet to discuss the grievance at a time and place suitable to both parties. This step may be omitted where the employee's immediate supervisor and Department Head are the same person. Failing settlement then:

Step No. 3

Within nine (9) calendar days following the decision in Step No. 2, the grievance may be submitted in writing to the Hospital Administrator or his designee. A meeting will then be held between the Hospital Administrator or his designee and the Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 3 unless extended by agreement of the parties. It is understood and agreed that a representative of the Canadian Union of Public Employees and the grievor may be present at the meeting. It is further understood that the Hospital Administrator or his designee may have such counsel and assistance as he may desire at such meeting. The decision of the Hospital shall be delivered in writing within nine (9) calendar days following the date of such meeting.

- 7.04 A complaint **or** grievance arising directly between the Hospital and the Union concerning the interpretation, application **or** alleged violation of the Agreement shall be originated at Step No. 3 within fourteen (14) calendar days following the circumstances giving rise to the complaint **or** grievance. **It is** expressly understood, however, that the provisions **of** this Article may not be used with respect to a grievance directly affecting an employee which such employee could himself institute and the regular grievance procedure shall not be thereby bypassed.
- 7.05 Where a number of employees have identical grievances and each employee would be entitled to grieve separately they may present **a** group grievance in writing identifying each employee who **is** grieving to the Department Head **or** his designee within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred **or** ought reasonably to have come to the attention **of** the employee(s). The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the processing **of** such grievance.
- 7.06 The release **or** discharge of an employee during the probationary period shall not be the subject of a grievance **or** arbitration. **A** claim by an employee who has completed his probationary period that he has been unjustly discharged **or** suspended shall be treated as a grievance if a written statement of such grievance **is** lodged by the employee with the Hospital at Step No. 3 within seven (7) calendar days after the date the discharge **or** suspension **is** effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:
- (a) confirming the Hospital's action in dismissing the employee; **or**,
 - (b) reinstating the employee with **or** without full compensation for the time lost;
or,
 - (c) by any other arrangement which may be deemed just and equitable.
- Wherever the Hospital deems it necessary to suspend **or** discharge an employee, the Hospital shall notify the Union **of** such suspension or discharge in writing. The Hospital agrees that it will not suspend, discharge **or** otherwise discipline an employee who has completed his probationary period, without just cause.
- 7.07 Failing settlement under the foregoing procedure **of** any grievance between the parties arising from the interpretation, application, administration **or** alleged violation of this Agreement, including any question as to whether a matter **is** arbitrable, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration **is** received within eighteen (18) calendar days after the decision under Step No. 3 **is** given, the grievance shall be deemed to have been abandoned. Where such a written request **is** postmarked within sixteen (16) calendar days after the decision under Step No. 3, it will be deemed to have been received within the time limits.
- 7.08 All agreements reached under the grievance procedure between the representatives **of** the Hospital and the representatives of the Union will be final and binding upon the Hospital and the Union and the employees.

- 7.09 When either party requests that any matter be submitted to arbitration as provided in the foregoing Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time name a nominee. Within seven (7) calendar days thereafter the other party shall name a nominee, provided, however, that if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking arbitration procedure. The two nominees shall attempt to select by agreement a chairman of the Arbitration Board. If they are unable to agree upon such a chairman within a period of fourteen (14) calendar days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.
- 7.10 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate ~~or~~ settle the grievance.
- 7.11 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.
- 7.12 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 7.13 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and, where there is no majority the decision of the chairman will be final and binding upon the parties hereto and the employee or employees concerned.
- 7.14 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chairman of the Arbitration Board.
- 7.15 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject only to the provisions of Section 44 (6) of The Labour Relations Act.
- 7.16 Wherever Arbitration Board is referred to in the Agreement, the parties may mutually agree in writing to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

ARTICLE 8 - ACCESS TO FILES

8.01 Access to Personnel File

Each employee shall have reasonable access to his/her personnel file for the purpose of reviewing any evaluations or formal disciplinary notations contained therein, in the presence of the Director of Personnel or designate. An employee has the right to request copies of any evaluations in this file.

8.02 Clearing of Record

An employee's disciplinary record will be cleared after a period of two (2) calendar years of penalty-free conduct.

ARTICLE 9 - SENIORITY

9.01 Probationary Period

A new employee will be considered on probation until he has completed forty-five (45) days of work (or 337.5 hours of work for employees whose regular hours of work are other than the standard work day), within any twelve (12) calendar months. Upon completion of the probationary period he shall be credited with seniority equal to forty-five (45) working days. With the written consent of the Hospital, the probationary employee and the President of the Local Union or designate, such probationary period may be extended. Any extensions agreed to will be in writing and will specify the length of the extension. The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration.

9.02 Definition of Seniority

Part-time employees, including casual employees, will accumulate seniority on the basis of one (1) year's seniority for each 1725 hours worked in the bargaining unit as of the last date of hire, except as otherwise provided herein.

Seniority will operate on a bargaining unit wide basis.

Notwithstanding the above, employees hired prior to October **10, 1986** will be credited with the seniority they held under the Agreement expiring September **28, 1985** and will thereafter accumulate seniority in accordance with this Article.

9.03 Loss of Seniority

An employee shall lose all seniority and service and shall be deemed to have terminated if he:

- (a) resigns;
- (b) is discharged and not reinstated through the grievance/arbitration procedure;
- (c) is retired;
- (d) is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Hospital of such absence and providing to the Hospital a satisfactory reason;
- (e) has been laid off for twenty-four (24) months;

- (f) if the employee has been laid off and fails to return to work within seven (7) calendar days after that employee has been notified by the Hospital through registered mail addressed to the last address on the records of the Hospital, subject to any special provisions regarding temporary vacancies noted under the heading of Layoff and Recall; or,
- (g) is absent due to illness or disability for a period of thirty (30) calendar months from the time the disability or illness commenced.

9.04 Job Posting

Where a permanent vacancy occurs in a classification within the bargaining unit or a new position within the bargaining unit is established by the Hospital, such vacancy shall be posted for a period of seven (7) consecutive calendar days. Applications for such vacancy shall be made in writing within the seven (7) day period referred to herein.

Vacancies created by the filling of an initial permanent vacancy will be posted for a period of three (3) consecutive calendar days, excluding Saturdays, Sundays and Holidays. Applications for such vacancies shall be made in writing within the three (3) day period referred to herein.

In matters of promotion and staff transfer appointment shall be made of the senior applicant able to meet the normal requirements of the job.

The name of the successful applicant will be posted on the bulletin board for a period of seven (7) calendar days.

Where there are no successful applicants from within this bargaining unit for vacant positions referred to in this Article, employees in other CUPE bargaining units at the Hospital will be considered for such positions prior to considering persons not employed by the Hospital. The employees eligible for consideration shall be limited to those employees who have applied for the position in accordance with this Article, and selection shall be made in accordance with this Article.

The successful applicant shall be allowed a trial period of up to thirty (30) days, during which the Hospital will determine if the employee can satisfactorily perform the **job**. Within this period the employee may voluntarily return, or be returned by the Hospital to the position formerly occupied, without loss of seniority. The vacancy resulting from the posting may be filled on a temporary basis until the trial period is completed.

A list of vacancies filled in the preceding month under this article and the names of the successful applicants will be posted, with a copy provided to the Union.

Each posting will contain the Department, job title, shift(s) involved and rate of pay. Applicants may apply in writing to the Personnel Office. Where there are no successful applicants an employee may be hired from outside the bargaining unit. The Employer shall have the right to fill any **job** opening on a temporary basis.

For clarification it is understood that both full-time and part-time **employees** may apply for vacancies in either bargaining unit and appointment shall be made of the senior applicant able to meet the normal requirements of the job regardless of the bargaining unit from which the individual comes.

9.05 Transfer and Seniority Outside the Bargaining Unit

Effective for employees transferred out of the bargaining unit subsequent to July **18, 1985**:

- (a) It is understood that an employee shall not be transferred by the Hospital to a position outside the bargaining unit without his consent except in the case of temporary assignments not exceeding six (6) months. Such employees on temporary assignments shall remain members of the bargaining unit.
- (b) An employee who is transferred to a position outside the bargaining unit shall not, subject to (c) below, accumulate seniority. In the event the employee is returned by the Hospital to a position in the bargaining unit he shall be credited with the seniority held at the time of transfer and resume accumulation from the date of his return to the bargaining unit.
- (c) In the event an employee transferred out of the bargaining unit under (b) above is returned to the bargaining unit within a period of six (6) calendar months he shall accumulate seniority during the period of time outside the bargaining unit.

Note: Employees outside the bargaining unit as of July **18, 1985** will be credited with whatever seniority they held under the Collective Agreement expiring September **28, 1984** should they be returned to the bargaining unit subsequent to July **18, 1985**.

9.06 Transfer of Seniority and Service

Effective July **18, 1985** and for employees who transfer subsequent to July **18, 1985**:

For application of seniority for purposes of promotion, demotion, transfer, layoff and recall and service for purposes of vacation entitlement and wage progression:

- (i) an employee whose status is changed from full-time to part-time shall receive full credit for his seniority and service.
- (ii) an employee whose status is changed from part-time to full-time shall receive credit for his seniority and service on the basis of one **(1)** year for each **1725** hours worked.

The above-noted employee shall be allowed a trial period of up to thirty (30) days, during which the Hospital will determine if the employee can satisfactorily perform the job. Within this period the employee may voluntarily return, or be returned without **loss** of seniority to his former duties on the same shift in the same department and at the appropriate rate of pay, subject to any changes which would have occurred had he not transferred.

9.07 Notice of Layoff

In the event of a proposed layoff at the Hospital of a permanent or long term nature, the Hospital will:

- a) Provide the Union with no less than thirty (30) calendar days notice of such layoff; and,
- b) meet with the Union through the Labour Management Committee to review the following:
 - i) the reason causing the layoff;
 - ii) the service the Hospital will undertake after the layoff; and,
 - iii) the method of implementation including the areas of cut-back and employees to be laid off.

In the event of a substantial bed cut-back or cut-back in service, the Hospital will provide the Union with reasonable notice. If requested, the Hospital will meet with the Union through the Labour Management Committee to review the reasons and expected duration of the bed cut-back or cut-back in service, any realignment of service or staff and its effect on employees in the bargaining unit.

Any agreement between the Hospital and the Union resulting from the above review concerning the method of implementation will take precedence over other terms of layoff in this Agreement. Notice of layoff shall be in accordance with the provisions of the Employment Standards Act.

9.08 Layoff and Recall

In the event of lay-off, the Hospital shall lay off employees in the reverse order of their seniority within their classification, providing that there remain on the job employees who then have the ability to perform the work.

An employee who is subject to lay-off shall have the right to either:

- a) accept the lay-off; or,
- b) displace an employee who has lesser bargaining unit seniority and who is the least senior employee in a lower or identical paying classification in the bargaining unit if the employee originally subject to lay-off can perform the duties of the lower or identical classification without training other than orientation. Such employee so displaced shall be laid off.

Note: For purposes of the operation of clause (b), an identical paying classification shall include any classification where the straight time hourly wage rate at the level of service corresponding to that of the laid off employee is within one percent (1%) of the laid off employee's straight time hourly wage rate.

An employee shall have opportunity of recall from a lay-off to an available opening, in order of seniority, provided he has the ability to perform the work before such opening is filled on a regular basis under a job posting procedure. The posting procedure in the Collective Agreement shall not apply until the recall process has been complete.

In determining the ability of an employee to perform the work for the purposes of the paragraphs above, the Hospital shall not act in an arbitrary or unfair manner.

An employee recalled to work in a different classification from which he was laid off shall have the privilege of returning to the position he held prior to the layoff should it become vacant within six (6) months of being recalled.

No new employees shall be hired until all those laid off have been given an opportunity to return to work and failed to do so, in accordance with the **loss** of seniority provision, or have been found unable to perform the work available.

The Hospital shall notify the employee of recall opportunity by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to be received on the second day following the date of mailing). The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his proper address being on record with the Hospital.

Employees on **lay-off** shall be given preference for temporary vacancies which are expected to exceed ten (10) working days. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay-off.

No full-time employee within the bargaining unit shall be laid off by reason of his/her duties being assigned to one or more part-time employees.

9.09 Technological Change

The Hospital undertakes to notify the Union in advance, so far as practicable, of any technological changes which the Hospital has decided to introduce which will significantly change the status of employees within the bargaining unit.

The Hospital agrees to discuss with the Union the effect of such technological changes on the employment status of employees and to consider practical ways and means of minimizing the adverse affect, if any, upon employees concerned.

Where new or greater skills are required than are already possessed by affected employees under the present methods of operation, such employees shall be given a period of training, with due consideration being given to the employee's age and previous educational background, during which they may perfect or acquire the skills necessitated by the new method of operation. The Employer will assume the cost of tuition and travel. There shall be no reduction in wage or salary rates during the training period of any such employee. Training shall be given during the hours of work whenever possible and may extend for up to six (6) months.

Employees with one or more years of continuous service who are subject to lay-off under conditions referred to above, will be given notice of the impending change in employment status at the earliest reasonable time in keeping with the notification to the Union as above set forth and the requirements of the applicable law.

ARTICLE 10 - CONTRACTING OUT

- 10.01 The Hospital shall not contract out any work usually performed by members of the bargaining unit if, as a result of such contracting out, a layoff of any employees other than casual part-time employees results from such contracting out. Contracting out to an employer who is organized and who will employ the employees of the bargaining unit who would otherwise be laid off with similar terms and conditions of employment is not a breach of this provision.

ARTICLE 11 - WORK OF THE BARGAINING UNIT

Such requests are to be submitted to the employee's immediate supervisor at least four (4) weeks in advance, unless not reasonably possible to give such notice, and a written reply will be given within fourteen (14) days except in cases of emergency in which case a reply will be given as soon as possible. Such leave shall not be unreasonably withheld.

12.02 Union Business

The Hospital shall grant leave of absence without pay to employees to attend Union conventions, seminars, education classes and other Union business in connection with the administration of the Collective Agreement provided that such leave will not interfere with the efficient operation of the Hospital. The cumulative total leave of absence, the number of employees that may be absent at any one time from any one area, and the number of days of absence shall be negotiated locally and are set out in the Local Provisions Appendix. During such leave of absence, the employee's salary and applicable benefits shall be maintained by the Hospital on the basis of what his normal regular hours of work would have been, provided that the Union reimburses the Hospital in the amount of such salary and applicable benefits within thirty (30) days of billing.

Notwithstanding the above, time spent by the eight (8) Executive Board members of the Ontario Council of Hospital Unions to fulfil the duties of the position shall be in addition to leave for Union Business under this clause.

12.03 (a) Full-Time Position with the Union

Upon application by the Union, in writing, the Hospital shall grant leave of absence, without pay, to an employee elected or appointed to full-time Union office. It is understood that no more than one (1) employee in the bargaining unit may be on such leave at the same time. Such leave shall be for a period of one (1) calendar year from the date of appointment unless extended for a further specific period by agreement of the parties.

Seniority shall accumulate for employees during such leave on the basis of what his normal regular hours of work would have been.

The employee **shall** notify the Hospital of his intention to return to work at least four (4) weeks prior to the date of such return. The employee shall be returned to his former duties on the same shift in the same department and at the appropriate rate of pay, subject to any changes which would have occurred had the employee not been on leave.

Notwithstanding Article 2.01, the Hospital may fill the vacancy resulting from such leave on a temporary basis.

12.03 (b) Leave for OCHU President

Upon application in writing by the Union on behalf of the employee to the Hospital, a leave of absence without pay shall be granted to such employee(s) elected to the position of the President of the Ontario Council of Hospital Unions for period(s) of

up to two (2) years. It is understood, however, that during such leave the employee shall be deemed to be an employee of the Union.

There shall be no **loss** of service or seniority during such leave of absence and the employee shall accumulate service and seniority on the basis of what his normal regular hours of work would have been. During such leave of absence, the employee's salary and applicable benefits shall be maintained by the Hospital on the basis of what his normal regular hours of work would have been, provided that the Union reimburses the Hospital in the amount of such salary and applicable benefits within thirty (30) days of billing.

The employee agrees to notify the Hospital of his intention to return to work at least four (4) weeks prior to the date of such return. The employee shall be returned to his former duties on the same shift in the same department and at the appropriate rate of pay, subject to any changes which would have occurred had the employee not been on leave.

Notwithstanding Article 2.01, the Hospital may fill the vacancy resulting from such leave on a temporary basis.

12.04 Bereavement Leave

The Hospital, in its discretion, may extend such leave with or without pay. Where an employee does not qualify under the above-noted conditions, the Hospital may, nonetheless, grant a paid bereavement leave.

12.05 Jury & Witness Duty

If an employee is required to serve as a juror in any court of law, or is required to attend as a witness in a court proceeding in which the Crown is a party, or is required by subpoena to attend a court of law or coroner's inquest in connection with a case arising from the employee's duties at the Hospital, **the** employee **shall** not lose regular pay because of such attendance provided that the employee:

- (a) notifies the Hospital immediately on the employee's notification that he will be required to attend at court;
- (b) presents proof of service requiring the employee's attendance; and,
- (c) deposits with the Hospital the full amount of compensation received excluding mileage, travelling and meal allowances and an official receipt thereof.

In addition to the foregoing, where a part-time employee is required by subpoena to attend a court of law or coroner's inquest in connection with a case arising from the employee's duties at the Hospital on his regularly scheduled day off, he shall be paid for all hours actually spent at such hearings at his regular straight time hourly rate subject to (a), (b) and (c) above.

An employee on maternity leave as provided under this Agreement who is in receipt of Unemployment Insurance pregnancy benefits pursuant to Section 18 of the Unemployment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between seventy-five per cent (75%) of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits and any other earnings. Such payment shall commence following completion of the two (2) week unemployment insurance waiting period, and receipt by the Hospital of the employee's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment insurance pregnancy benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of fifteen (15) weeks. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours.

The employee has the right to extend the maternity leave to six (6) months in total. Written notice by the employee to extend the maternity leave will be given at least two (2) weeks prior to the termination of the initially approved leave. This notice requirement will be shortened in circumstances where medical complications occur in the two (2) weeks prior to the termination of the initially approved leave.

Effective October 20, 1990 credits for service shall accumulate while an employee is on maternity leave for the initial seventeen (17) weeks from the commencement of the leave on the basis of what the employee's normal regular hours of work would have been.

When a maternity leave is granted by the Hospital, an employee who is granted such leave shall not lose her seniority and shall accumulate seniority on the basis of what her normal regular hours of work would have been.

The employee shall reconfirm her intention to return to work on the date originally provided to the Hospital above by written notification to be received by the Hospital at least two (2) weeks in advance thereof.

Such employee shall advise the Hospital as far in advance as possible of having qualified to adopt a child, and shall request the leave of absence in writing upon receipt of confirmation of the pending adoption. If because of late receipt of confirmation of the pending adoption the employee finds it impossible to request the leave of absence in writing, the request may be made verbally and subsequently verified in writing.

Effective on confirmation by the Unemployment Insurance Commission of the appropriateness of the Hospital's Supplemental Unemployment Benefit (SUB) plan, and effective October 20, 1990 an employee on leave as set out above who is in receipt of Unemployment Insurance adoption benefits pursuant to Section 20 of the Unemployment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between seventy-five per cent (75%) of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits and any other earnings. Such payment shall commence following completion of the two (2) week unemployment insurance waiting period, and receipt by the Hospital of the employee's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance adoption benefits for a maximum period of fifteen (15) weeks. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours.

Effective October 20, 1990, credits for service shall accumulate while an employee is on adoption leave for the initial seventeen (17) weeks from the commencement of the leave on the basis of what the employee's normal regular hours of work would have been.

When an adoption leave is granted by the Hospital, an employee who is granted such leave shall not lose her seniority and shall accumulate seniority on the basis of what her normal regular hours of work would have been.

Subject to any changes to the employee's status which would have occurred had she not been on adoption leave, the employee shall be reinstated to her former duties, on the same shift in the same department, at the same rate of pay.

12.08 Education Leave

If required by the Hospital, an employee shall be entitled to leave of absence with pay and without **loss** of seniority and benefits to write examinations to upgrade his or her employment qualifications.

Where employees are required by the Hospital to take courses to upgrade or acquire new employment qualifications, the Hospital shall pay the full costs associated with the courses.

If the local Union challenges the rate, it shall have the right to request a meeting with the Hospital to endeavour to negotiate a mutually satisfactory rate. Such request will be made within ten (10) days after the receipt of notice from the Hospital of such new occupational classification and rate. Any change mutually agreed to resulting from such meeting shall be retroactive to the date that notice of the new rate was given by the Hospital. If the parties are unable to agree, the dispute concerning the new rate may be submitted to arbitration as provided in the Agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of **such** classification.

An employee who is promoted to a higher rated classification within the bargaining unit will be placed in the range of the higher rated classification so that he shall receive no less an increase in wage rate than the equivalent of one step in the wage rate of his previous classification (provided that he does not exceed the wage rate of the classification to which he has been promoted).

This Agreement shall be binding and continue in effect and shall continue from year to year unless either party gives written notice to the other party of its desire to bargain for amendments within ninety (90) days prior to the termination date of September 28, 1991. Upon receipt of such notice by one party or the other, both parties will meet thereafter for the purpose of bargaining.

21.02 Central Bargaining

Negotiations on central matters shall take place during the period commencing forty-five (45) days prior to the termination date of this Agreement.

It is understood and agreed that "local matters" means, those matters which have been determined by mutual agreement between the central negotiating committees respectively representing each of the parties to this Agreement as being subjects for local bargaining directly between the parties to this Agreement. It is also agreed that local bargaining shall be subject to such procedures that may be determined by mutual agreements between the central negotiating committees referred to above. For such purposes, it is further understood that the central negotiating committees will meet during the sixth (6th) month prior to the month of termination of this Agreement to convey the intentions of their principals as to possible participation in central negotiations, if any, and the conditions for such central bargaining.

A copy of this revised seniority list will be sent to the Union. It is understood that seniority lists which are posted will be deemed to be correct and no further changes will be made to them six (6) months after posting.

Departmental seniority lists will be permanently posted in each department.
