ARTICLE 8 - SALARIES

- 8.1 The Board agrees that, in accordance with this Agreement, the annual salary of each member shall be as set forth hereto in Schedule “C” and made part of this Agreement. In calculating Length of Service, it is agreed and understood that service with the York Regional Police shall include all time spent as a cadet, sworn officer, or civilian. In calculating Length of Service for those members hired on or before January 1, 2007 only, it is agreed and understood that service shall also include “outside service”, defined as time spent as a cadet while at Ontario Police College or sworn officer of any recognized Canadian police service, including military police. It will be the member’s responsibility to provide proof of Outside Service, which shall consist of a signed letter from an authorized representative of a recognized Canadian police service confirming start and end dates of employment as well as positions held.
- 8.2 The salaries of the members shall be paid by the Board through the Finance Department of the Regional Municipality of York and shall be paid at bi-weekly intervals.
- 8.3 A cadet who has successfully completed all components of recruit training at Ontario Police College shall as soon as possible be appointed as a Fourth Class Constable. Such appointment shall be made no later than 30 days after notice of successful completion of training is received by York Regional Police.

ARTICLE 9 - HOURS OF WORK AND PREMIUM PAY

- 9.1 (A) The normal weekly period of work for members assigned to an eight (8) hour shift shall be of five (5) days duration and each daily tour of duty shall consist of eight (8) consecutive hours to constitute a work week of forty (40) hours. Such members shall be allowed sixty (60) minutes for lunch. If required, a member shall spend fifteen (15) minutes of his lunch hour writing reports, completing investigations, case preparations, or any other similar requirements relating to the member’s duties before resuming his detail. If a member does not receive at least one-half (1/2) of an hour lunch, he shall be compensated for any lost time at straight time rates.
- (B) The normal weekly period of work for members assigned to a ten (10) hour shift shall be forty (40) hours per week, consisting of ten (10) consecutive hours per

day, determined by averaging the hours of work. Such members shall be allowed seventy-five (75) minutes for lunch. If required, a member shall spend fifteen (15) minutes of his lunch hour writing reports, completing investigations, case preparations, or any other similar requirements relating to the member's duties before resuming his detail. If a member does not receive at least 35 minutes for lunch, he shall be compensated for any lost time at straight time rates.

- (C) The normal weekly period of work for members assigned to a Compressed Work Week ("CWW") shall be set out in Schedule D of this Agreement.

9.2 The Board agrees that subject to the exigencies of the service, as determined by the Chief of Police, a member's days off in each week shall be consecutive and that such days off shall rotate so that each member receives approximately the same number of weekends during the calendar year.

9.3 (A) "Call-back" means the calling back of a member to duty after he has reported off duty and before his next following period of duty, but does not include call-back to face disciplinary action or call-back not more than one hour prior to a member's regular period of duty where the member is given compensating time off therefore at the end of such period of duty, nor shall it include any additional duty which has been previously posted or where a member has received at least seventy-two (72) hours notice, in writing or verbally, provided that such time is confirmed on the posted duty roster that such additional duty has to be performed.

- (B) Call back compensation will be calculated based on the time members physically report for duty at the building to which they are normally assigned or the location to which they are called out.

- (C) Call back compensation will be calculated based on the time the call back is received for members assigned to the following units only: Child Abuse; Sexual assault; Hold up; Special Services; Drugs and Vice Auto/Cargo Recovery; Intelligence; Homicide; Forensic Identification; Emergency Response Unit; Air Support; Canine; Incident Response (Public Order and Search and Rescue); Marine/Underwater Recovery; Traffic Collision Reconstruction; Professional Standards; Corporate Communications; High Risk Offender Unit; and Information Technology."

In certain circumstances, and with the prior approval of a Senior Officer, members of the units listed in 9.3(C) above, may complete the call back requirements without the member physically reporting for duty at the building to which he is normally assigned or the location to which he is called out, as required in 9.3(B). In the event that the member appropriately completes a call back without physically attending at the

location to which he is normally assigned or called out, a Senior Officer must sign off on the completion of the call back.

- (D) The member shall be credited with three (3) hours at time and one half for the first hour or part thereof of each call-back. The member shall be credited for overtime, in accordance with Article 10.2, upon the completion of the first hour of each call-back.

9.4 The Board agrees that the days and hours of work of each member shall at all times be decided by the Chief of Police and except in a case of an emergency, he shall give consideration to the following:

- (a) No member shall be required to work a shift of less than eight (8) hours;
- (b) There shall be at least eight (8) hours off duty between shifts;
- (c) Members assigned to rotating shifts shall, subject to the exigencies of the service, regularly rotate from one shift to another so that an equal amount of time will be spent by a member on each shift, provided, however, that by mutual consent between a member and the Unit Commander of his District, a member may spend more time on one shift than any other.

9.5 Deleted

9.6 Each member's daily duty roster shall be posted six (6) weeks in advance of each shift but such daily duty roster shall be subject to change depending upon the exigencies of the service as determined by the Chief of Police whose discretion in this regard shall be exercised reasonably.

9.7 (A) If a member works a full calendar year on a three (3) shift rotation he shall receive \$200.00 per annum shift premium pay.

(B) If a member works a full calendar year on a two (2) shift rotation he shall receive \$100.00 per annum shift premium pay.

(C) If a member works less than a full calendar year on either a three (3) or a two (2) shift rotation he shall receive a pro rata amount for the actual amount of time worked on the applicable shift rotation.

(D) Any shift premium pay owing to a member, in accordance with subsections (A), (B) or (C) of Article 9.7 shall be paid to the member by December 31st of each calendar year.

- (E) The payment of any shift premium pay shall be in addition to a member's salary but shall not be included for the purpose of calculating overtime pay rates.

9.8 Members who are required to be on “stand-by” – defined as those occasions where a member is directed or scheduled by a Senior Officer to be personally available to report for work and capable of performing duties without impairment of any kind – shall be provided with two (2) hours in their overtime bank for every day that they are so directed and scheduled.

Members on stand-by must be 1) immediately accessible by telephone or pager, 2) must report for duty within one (1) hour and fifteen (15) minutes of notification, barring exceptional and uncontrollable circumstances, 3) must be capable of performing duties without impairment of any kind at all times and 4) may not refuse the call-out. It is understood and agreed that answering telephone calls without being directed or scheduled as on stand-by by a Senior Officer is not compensable as stand-by duty.

In the event that a member on stand-by is required to attend at work the member shall also be compensated in accordance with the call-back provision in addition to any other applicable provisions of this agreement.

ARTICLE 10 - OVERTIME

10.1 (A) "Overtime" means time continuously spent on duty of at least thirty (30) minutes duration over a member's normal hours of duty on any shift.

(B) "Year" means calendar year.

10.2 Overtime worked on any shift shall be calculated to the nearest hour or half hour, as the case may be.

10.3 Overtime, subject to the provisions of Articles 10.6, 11.4 (A), 11.4 (B) and 11.5, shall accumulate and shall be recorded at the rate of one and one-half (1-1/2) hours for each additional hour of overtime worked, or pro rata.

10.4 A member may elect to take time off in lieu of payment in cash for any or all of the recorded overtime accumulated to the credit of the member. When payment is requested it shall be processed in a timely fashion.

If a member elects to have time off in lieu of any or all of his recorded overtime, such time off in lieu shall be subject to the exigencies of the service and approval of the Chief of Police or his or her designate. The time off so approved shall be deducted from the member's recorded overtime balance.

In any event, all recorded overtime standing to the credit of the member on December 31st of each calendar year shall be paid, at the member's then hourly rate of pay, on or before January 31st of the next calendar year.

A member may elect to carry over a portion of his overtime, not to exceed forty (40) hours (48 hours in the case of members working a Compressed Work Week as outlined in Schedule D), to the following year for the purpose of taking time off in lieu of payment in cash. In order to take advantage of this option, each member must advise the Chief of Police, in writing, of his or her intention to do so by November 30 of the calendar year in which the overtime was earned and must commit to taking the time in lieu.

Such time off must be taken prior to the end of the next calendar year or, if appropriate, it will be paid out to the member at the base rate applicable at December 31 in the year in which it was earned. Such overtime carried over must not be taken in peak times, defined as June 15th through September 15th and December 15th through January 2nd, and is subject to the exigencies of the Service and approval of the Chief of Police or his designate. It is further understood and agreed that the scheduling of any carried over overtime will not result in any member's scheduled vacation being cancelled or bumped, regardless of seniority.

10.5 An accurate record shall be kept in which all overtime is properly credited to the member.

10.6 When a member is required to stand by at any designated location during his normal off duty time, he shall be entitled to a minimum of three (3) hours pay at straight time to be paid in accordance with Article 10.4.

ARTICLE 11 - COURT TIME

11.1 "Court" includes a commission of inquiry, including a Departmental trial or hearing and a statutory tribunal.

11.2 (A) "Court time" means time spent by a member during his off duty hours in attendance before any court under subpoena or court appearance notice or as otherwise authorized by the member's supervisor where the member attends court in his capacity as a police officer. Court time shall not include time spent in court for personal reasons.

(B) No member shall be entitled to call-back time, court time or overtime by reason only of his appearance before any tribunal as a person charged under the provisions of the Police Services Act of Ontario or any Regulations made pursuant thereto.

- 11.3 "Court sessions" for the purpose of this section shall mean either: (1) a sitting of the court commencing with its opening in the morning and terminating in its adjournment for lunch; or (2) a sitting commencing after lunch and adjourning for the evening or for an evening meal; or (3) a sitting commencing in the evening as a night court or after an evening meal until its adjournment. Any of the three (3) aforementioned sittings or part thereof shall, for the purpose of calculating court time, each constitute a separate court session.
- 11.4 (A) Subject to the provisions of Section 11.4 (B), 11.5, 11.6 and 11.8, for the purposes of recording and calculating compensation, court time shall be treated as overtime with a minimum of four (4) hours for each separate court session thereof and shall be paid in accordance with Section 10.4.
- (B) When a member is required to attend a morning court session as defined in Section 11.3 (1), after he has worked a posted midnight shift that ends at 6 a.m., 7 a.m. or 8 a.m., the member's accumulated overtime record shall be credited, at straight time, from the later of 7 a.m. and the actual time between the completion of the member's tour of duty, which shall include any regular overtime worked by the member after the end of his shift, to the commencement time of the morning court session. Any time worked by a member after his or her regular tour of duty shall be paid at overtime rates. Any time credited to the member's accumulated overtime record in accordance with this provision shall be paid in accordance with Section 10.4 (A).
- 11.5 When a member, through no fault of his/her own, is required to attend at court on any occasion during his annual vacation the member shall be granted three (3) days extra leave in compensation for the first day or part thereof and thereafter a day of extra leave for each day or part day in court, in addition to court time in accordance with Article 11.4. Such extra leave shall be consecutive days. The member shall also be paid any reasonable expenses incurred by him/her as a result of his/her return from vacation. For the purposes of clarity, the member's vacation days shall not be restored to his/her bank in the event of return from vacation pursuant to this article.
- 11.6 Where the court before which the member attends is located outside the Regional area, he shall be credited with three (3) hours for traveling at straight time and paid in accordance with Article 10.4.
- 11.7 (A) When a member is entitled to the payment of a fee and/or expenses from a Court, the member shall be responsible for the collection of such monies from the Court. Upon receipt of such monies from the member, his Unit Commander shall pay the member his allowance in accordance with the provisions of this Agreement. If the member is not entitled to the payment of a fee and/or expenses

from a Court, his Unit Commander shall pay the member his allowances, in accordance with the provisions of this Agreement, upon request by the member after his attendance at Court.

- (B) When a member who is not scheduled for duty is required by summons or directed by a supervisor to attend Court outside The Regional Municipality of York boundaries, he shall be entitled to the payment of a mileage allowance for the actual kilometres he travels, in his own vehicle, from his place of departure being either his normal District Detachment or his home, to the place of the Court and return. Such payment is to be equated at the going rate set by The Regional Municipality of York in effect at that time. **(Amended effective July 2, 2009)**

Mileage for members attending court on a day they are scheduled for duty is covered by Article 21.

11.8 When a member is required to attend court during his normal tour of duty and is prevented from going off duty at his normal time, such additional time that is spent in the service of the York Regional Police shall be credited to the member's accumulated overtime record in accordance with Section 10.3.

11.9 With the consent of the Chief of Police and by mutual consent of a member and the Unit Commander of his District, a member may be excused from duty on the next following midnight shift if he has made two (2) or more appearances in court following a tour of duty on the preceding midnight shift. Such time off shall be deducted from any overtime to which the member may then be or thereafter entitled.

11.10 When a member who has retired and is in receipt of an OMERS pension is required to attend court resulting from his/her duties as a member of York Regional Police, he/she shall be compensated for such attendance at the rate of \$75.00 per day.

ARTICLE 12 - ANNUAL VACATION

12.1 Each member of the bargaining unit shall be entitled to vacation with full pay on the following basis:

A member shall become entitled to increased vacation after the first day of January in the year in which the anniversary of the requisite period of service falls, unless the member resigns prior to the anniversary date. For purposes of calculating vacation entitlement under Article 12.1 only, it is agreed and understood that service with the York Regional Police or as a member of one of the police forces of the former municipalities of the County of York shall include all time spent as a cadet, sworn officer or civilian. Service shall also include

“outside service”, defined as time spent as a cadet, sworn officer or civilian member of any recognized Canadian police service, including military police. It will be the member’s responsibility to provide proof of Outside Service, which shall consist of a signed letter from an authorized representative of a recognized Canadian police service, including military police, confirming start and end dates of employment as well as positions held.

- (a) Less than one (1) year of service one (1) working day (8 hours) for each full month of service in the year first employed up to a maximum of ten (10) working days (80 hours).
- (b) One (1) year of service and less than five (5) years of service fifteen (15) working days (120 hours).
- (c) Five (5) years of service and less than ten (10) years of service eighteen (18) working days (144 hours).
- (d) Ten (10) years of service and less than fifteen (15) years of service twenty (20) working days (160 hours).
- (e) Fifteen (15) years of service and less than twenty (20) years of service twenty-five (25) working days (200 hours).
- (f) Twenty (20) years of service and less than twenty-five (25) years of service thirty (30) working days (240 hours).
- (g) Twenty-five (25) years of service and less than thirty (30) years of service thirty-five (35) working days (280 hours).
- (h) Thirty (30) years of service and more, thirty-five (35) working days (280 hours), plus one (1) additional working day of vacation (8 hours) for each additional year of service. **(Amended effective January 1, 2009)**

12.2 A member may make application to the Board through the Chief of Police for permission to take his full vacation period consecutively any time during the year.

12.3 Where in any year a member leaves the York Regional Police prior to receiving his annual vacation in that year he shall be given a proportionate number of days of his normal vacation ordinarily due him before the member's name is removed from the pay sheet or before his resignation becomes effective. A member who leaves the York Regional Police after receiving his annual

vacation and prior to the completion of that year, shall have a proportionate number of days salary deducted from any salary due him.

12.4 Where in any year a member dies prior to receiving his annual vacation in that year, there shall be paid to his estate an amount equal to the salary that would have been paid to him on account of normal vacation.

12.5 Annual vacation shall be taken by members as approved by the Chief of Police.

12.6 For the purposes of this Article seniority in the rank of Constable shall be defined as length of service from the date of being sworn in as a Police Officer with the York Regional Police.

In allocating dates for annual vacations seniority in rank shall prevail, subject to the approval of the Chief of Police and the exigencies of the Service.

Selection of annual vacation for vacation days to which members are entitled as a result of service as a member of York Regional Police must be submitted no later than October 15th of the preceding year. Modification shall be allowed subject to the approval of the Chief or his designate.

Additional vacation time to which members are entitled as a result of Outside Service shall be submitted in a second round of vacation selection no later than November 15th of the preceding year. Modification shall be allowed subject to the approval of the Chief or his designate.

On December 1, the Board shall provide members with written notice indicating any time left in the member's vacation bank that remains unscheduled for the upcoming year. The member shall have until December 15 to schedule any remaining unscheduled vacation hours failing which the remaining hours may be assigned by the Chief or his designate in consultation with the member.
(Amended effective January 1, 2009)

12.7 A member who is medically unfit for duty at the time of the commencement of his/her scheduled vacation as a result of an injury or illness 1) compensable under the Workplace Safety and Insurance Act and in receipt of benefits from the Workplace Safety and Insurance Board or 2) for which medical documentation has been provided and which has resulted in an approved medical leave or being unfit for regular duties each for 30 days or more, shall be entitled to reschedule his vacation, provided the vacation as rescheduled is taken before December 15th of the calendar year in which the injury occurred, or December 31st of that year if approved by the Chief of Police, such approval not to be unreasonably withheld. If the member remains medically unfit for duty such that

the rescheduled time is not taken by December 31st as aforesaid, the member shall be entitled to choose to either (1) receive in the first pay period of the following calendar year an amount equal to the salary he would normally receive in respect of the vacation time not taken or (2) carry over the vacation to the following year, to be scheduled as approved by the Chief or his designate. In the event that the member chooses to carry over the vacation to the following year, the time must be taken prior to the end of the following calendar year.

In the event that the carried-over time is not taken prior to the end of the following calendar year, the member shall receive a payout at the salary rate applicable when the vacation time was earned. It is further understood and agreed that regardless of seniority, no scheduling of any carried over vacation time will result in any member's scheduled vacation being cancelled or bumped.

A member who is on suspension, either paid or unpaid, at the time of the commencement of his scheduled vacation, shall not be required to report in for the period of his scheduled vacation. A member who is on suspension, either paid or unpaid, and who has not scheduled his vacation for the year shall do so as soon as requested and, once such vacation time is approved, shall not be required to report in during the scheduled vacation time.

- 12.8 When the exigencies of the service prevent properly scheduled or assigned vacation entitlement from being taken by December 31st in any one (1) calendar year, the member shall receive in January of the following calendar year, an amount equal to the salary he would normally receive in respect of the unused entitlement. **(Amended effective January 1, 2009)**

ARTICLE 13 - COMPASSIONATE OR SPECIAL LEAVE

Where in the opinion of the Chief of Police, after having considered all possible candidates, a qualified member does not exist within the York Regional Police to fill a vacancy in any rank above that of an Inspector up to and including the rank of Staff Superintendent the Chief of Police shall submit a report to the Board to that effect.
- 25.12 The Promotion Selection Committee shall, before making its recommendation for promotion to the Chief of Police, and the Chief of Police shall, before making his recommendation to the Board, give consideration to the qualifying member's health, length of service, seniority in present rank, results of the qualifying examination, work record, any evaluation and all other pertinent information which is available to them at that time.
- 25.13 For the purposes of promotion seniority in all cases shall be considered as seniority in the present rank except when in the case of two (2) or more officers with identical seniority in the rank, seniority shall be considered as seniority in the previous rank held. Where two (2) or more officers have identical seniority in the present rank and in the previous rank held, seniority shall be considered as seniority in the police service.

25.14 In making promotions to any vacancy which may exist, the Board may request additional information from the Chief of Police and may conduct a personal interview with the member recommended by the Chief of Police to fill that vacancy.

- (a) the date the member attains age 65 or such benefits are provided by the government of the Province of Ontario; or
- (b) the member has been in receipt of these benefits for 15 years from the date of retirement.

If the member dies while in receipt of these benefits, the coverage shall continue for the member's spouse until the member's spouse attains age 65 or obtains comparable coverage elsewhere or the member and spouse will have been in receipt of these benefits for 15 years, whichever occurs first.

For members who retired after January 1, 2003

After a member's benefits under paragraph 26.1 and 26.2 end, the member shall be eligible for a Health Care Spending Account in the amount of \$3,000.00 per year (which cannot be carried over from one year to the next). The Account shall be available to reimburse the member for medical and dental expenses which are deemed as allowable deductible medical and dental expenses by Revenue Canada. The member may claim eligible medical or dental expenses of his/her spouse/dependants against his/her Account. The member must submit original receipts in order to receive reimbursement from the Account. For members who retire on or after January 1, 2006

For the purposes of legal costs, it shall include those costs of an Association approved para-legal service.

(B) Members shall not be indemnified for legal costs arising from the actions or omissions of members acting in their capacity as private citizens.

For the purpose of Clause 30.1 (A) a Member:

shall be deemed to have been "Finally Acquitted", where charges are withdrawn or where he is discharged following a preliminary inquiry; and shall be deemed not to have been "Finally Acquitted" where the member is given an absolute or conditional discharge or where, if as a result of charges laid he is subsequently found guilty of, or pleads guilty to, other charges arising out of the same incident or incidents.

30.2 When a member is a defendant in a civil action for damages because of acts done in the course of his employment or duties as a police officer he shall be indemnified for the necessary and reasonable legal costs incurred in the defence of such an action in the following circumstances only:

(a) Where the Board is not joined in the action as a party pursuant to s. 50 of the Police Services Act, and the Board does not defend the action on behalf of itself and the member as joint tortfeasors at the Board's sole expense.

(b) Where the Board is joined as a party or elects to defend the action, but the Solicitor retained on behalf of the Board and the member is of the view

that it would be improper for him to act for both the Board and the member in that action.

30.3

(a) Where during an inquest under the Coroner's Act a member's conduct is called into question because of acts done in the performance of his duties as a police officer, the member shall be indemnified for any necessary and reasonable legal costs directly arising from the protection of the member's interest at such inquiry, but only if:

(i) the Chief of Police or the Board does not provide counsel to represent the York Regional Police, at the Board's expense; or

(ii) in the opinion of counsel retained by the Chief of Police or the Board to represent the York Regional Police, it would be improper for him to represent the member and the Chief and/or the Board before that inquiry.

(b) Where a review is commenced under Section 91 of the Police Services Act and it appears to the Chief of Police that officers of the York Regional Police require legal counsel in responding to the review by the Police Complaints Commissioner, the Chief of Police may arrange for legal counsel to such officers in connection with the review on such terms as the Chief considers appropriate.

(c) Where a member is the subject of a hearing before a Board of Inquiry established under Part VI of the Police Services Act, 1990 as a result of a decision by the Police Complaints Commission pursuant to s. 91 of the Act, and the decision of the Board of Inquiry is that misconduct was not proved, the member shall be indemnified for any necessary and reasonable legal costs arising directly from the defence of the complaint being heard. This provision does not apply to a hearing pursuant to sections 90 or 92 of the Act, or to a decision which subsequently is altered or reversed by the Ontario Court.

30.4

To qualify for financial assistance under 30.1, 30.2 or 30.3, the member shall obtain the Board's approval of counsel to be retained by the member by application to the Board through the Chief. The Board's approval of counsel shall not be withheld unreasonably.

30.5

The Board will not consider any application for financial assistance which relates to the legal representation of a member in connection with a grievance or complaint made under the provisions of the Police Services Act, 1990 of this Collective Agreement or for the legal defence of a member resulting from a discipline charge made under the Police Services Act, 1990, Regulations made under that Act and all amendments thereto.

- 30.6 Where an investigation is commenced under Part VII of the Police Services Act and it appears to the Chief of Police that officers of the York Regional Police require legal counsel in responding to the investigation, the Chief of Police may arrange for legal counsel to provide counsel to such officers in connection with the investigation of such terms as the Chief considers appropriate. As soon as practicable, the Chief shall bring his action and his recommendation to the attention of the Board who may approve or alter the terms of retention of such legal counsel or the Chief's recommendation in respect thereof. Neither the Board nor the Chief shall provide legal counsel after the completion of the investigation of the laying of information(s), as Article 30 of the Uniform Collective Agreement is intended to govern such matters.
- 30.7 All sections under Article 30 (Legal Indemnification) are subject to review and re-negotiation by either the Board or the Association when the Regulations or the Police Services Act are proclaimed in force. If changes cannot be negotiated then either party reserves the right to submit the terms of this Article to arbitration.
- 30.8 A member who becomes involved in a matter which may entitle him to legal indemnification under this clause is entitled to receive funds from the Board for a retainer and/or for interim payment of legal costs as reasonably requested by the member's counsel to a maximum of \$5,000.00 provided the member undertakes to indemnify the Board for such funds advanced to him if the member is finally determined not to be eligible for indemnification in accordance with this Agreement.
- 30.9 (A) Where a member who has been previously cleared by the Chief of Police is subsequently the subject of a hearing directed by the Ontario Civilian Commission on Police Services pursuant to its powers under Section 72(8) of Part V of the Police Services Act R.S.O. 1990, c. P.15, such member shall be indemnified for the necessary and reasonable legal costs incurred for representation at such hearing.
- (B) In the event that Section 72 of the Police Services Act is amended the parties agree to meet and discuss indemnification for legal representation for directed hearings within 30 days of such amendment receiving royal assent. Failing agreement either party may refer such matter to final and binding interest arbitration while using the procedures under the agreement and/or Police Services Act for rights arbitration. In such circumstances the parties agree that the arbitrator agreed or appointed shall have the jurisdiction to issue such award as he or she considers appropriate.

ARTICLE 31 - LAY-OFF PROTECTION

- 31.1 Where the Board has made a decision to reduce the complement of the York

Regional Police and such reduction in personnel cannot be accommodated through attrition and where such action is not in contravention of the Police Services Act, layoffs of members shall be in reverse order of seniority with the York Regional Police, and recall of members shall be in order of seniority with the York Regional Police. Members shall retain seniority rights for recall purposes for a period of eighteen (18) months.

Prior to a full-time member being laid off, all part-time, temporary members or summer students shall be laid off, provided that the full-time member who will replace them has the requisite skill and ability to perform the job in question.

31.2 In the event of a reduction in the Service, the members affected shall be given forty-five (45) calendar days notice by either personal notification or by notice being sent to the last address known to the Board.

31.3 In the event of any lay-off, the Board shall provide the Association with written documentation advising of the reason for such lay-off.

ARTICLE 32 - LOCKER SEARCHES

32.1 A member or his chosen representative must be present during any inspection/search of that member's locker that is carried out without a search warrant.

ARTICLE 33 - DISCIPLINE

33.1 The parties agree that discipline is intended to be corrective.

When management intends to take written disciplinary action against a member, management will provide the member and Association with a minimum of 72 hours notice before such action is to be taken. If the member is off work, the time period shall not run until the member returns to duty. Failure to provide notice will not affect the validity of any discipline.

A member has the right to be represented by the Association throughout the discipline process. Once the member chooses to be so represented, management will thereafter provide copies of all disciplinary documents to the Association.

33.2 (A) A member subjected to informal discipline is entitled to have the record of that informal discipline expunged from his/her personnel file once the member is discipline-free for a total of two (2) clear years from the date the informal discipline was received or, where applicable, the date any conditions of the informal discipline were satisfied, whichever is later. In the event informal discipline is expunged, it shall not be used against the member at any time or for any purpose.

- (B) (i) Convictions under the Police Services Act (“PSA”) where the penalty imposed has been forfeiture of less than 40 hours shall be expunged from the member’s personnel file once the member is discipline-free for three (3) clear years from the date the penalty was satisfied or all appeal procedures were exhausted, whichever is later. In the event such convictions are expunged, they shall not be used against the member at any time or for any purpose.
- (ii) Convictions under the Police Services Act where the penalty imposed has been forfeiture of 40 or more hours shall be expunged from the member’s personnel file once the member is discipline-free for five (5) clear years from the date the penalty was satisfied or the date all appeal procedures were exhausted, whichever is later. In the event such convictions are expunged, they shall not be used against the member at any time or for any purpose.
- (C) For purposes of clarity:

“Discipline-free” refers to and includes informal discipline as well as conviction and pending charges under the PSA.

“Clear years” excludes absences from duty in excess of six (6) continuous months. For the purposes of this article absences shall not include periods of secondment.

The terms and conditions of this Agreement, unless otherwise specified herein, shall be effective January 1st, 2009 and shall remain in full force and effect until December 31st, 2009 and thereafter until replaced by a new Agreement, decision or award.

If either party to this Agreement shall desire to amend or otherwise alter or revise any section, they shall so indicate to the other party, in writing, not more than sixty (60) days and not less than thirty (30) days prior to the expiry date of this Agreement, their intention to amend, alter or revise the Agreement.

This Agreement shall enure to and be binding upon the parties hereto and their respective successors and assigns.

IN WITNESS WHEREOF this Agreement has been executed by the parties hereto under the hands and seals of their proper officers respectively, this 2nd day of June, 2009.

3. Where the complaint or grievance involves the application or interpretation of this Agreement, the grievance procedure may, at the option of the member involved, commence at clause (a) of Section 2 set out in this Schedule, and the provisions of clauses (b), (c), (d), (e), (f) and (g) shall apply.

SCHEDULE "B"

ARTICLE 6 - SICK LEAVE GRATUITIES

6.1 The parties hereto adopt the Sick Leave Plan as set out in Schedule "B" at the end of the "Compressed Work Week" Schedule ("D").

6.2 (a) Management may request that a member who is absent from duty by reason of illness for more than five (5) eight hour consecutive days or four (4) 12 hour consecutive days submit a medical certificate to the Chief of Police.

(b) Management will not request information from a medical practitioner without obtaining appropriate consent from the member. The member agrees to provide consent.

(c) Any costs incurred by a member in order to comply with this Article shall be paid by the Board.

(d) The parties recognize the confidentiality of health and medical information of a member shall not be divulged to a third party without the member's explicit and informed consent or as otherwise required by law.

6.3 Each member shall contribute eight (8) hours of his accumulated sick leave to a Central Sick Leave Bank and shall give additional eight (8) hour periods as required. A member who continues to be medically unfit for duty after he has exhausted his sick leave credits may draw from this Central Sick Leave Bank. Before any member is allowed to draw from the Central Sick Leave Bank he must submit a medical report from his physician for consideration by the Association who will determine the member's eligibility to draw from the Central Sick Leave Bank. The decision of the Association with respect to the member's eligibility to draw from the said Bank shall be subject to the approval of the Board.

ARTICLE 9 - HOURS OF WORK AND PREMIUM PAY

9.1 The normal period of work which a member is required to perform in a period of eight (8) consecutive days shall be four (4) twelve (12) hour tours of duty. A member who performs his duties in one (1) period of twelve (12) consecutive hours shall, where the requirements of the service permit, be allowed two forty-five (45) minute lunch breaks.

One forty-five (45) minute break during the first six (6) hours of the tour of duty and one forty-five (45) minute break during the second six (6) hours of the tour of duty. Where a member is unable to take the first forty-five (45) minute break due to the exigencies of the service he shall receive one and one-half (1-1/2) hour during the second six (6) hours of his tour of duty subject to the exigencies of the service. If required, a member shall spend fifteen (15) minutes of his lunch hour writing reports, completing investigations, case preparations or any other similar requirements relating to the member's duties before resuming his detail. If a member does not receive at least one (1) hour for lunch during his twelve (12) hour tour of duty, he shall be compensated for any lost time at straight time rates.

- 9.1 (A) A member shall be credited with accrued time to a maximum of 104 hours per annum calculated on the basis of the actual time spent working a compressed work week. Members shall receive this time in two blocks with each block being not more than 52 hours. The first block to be credited on January 1st, the second to be credited on July 1st, during the calendar year of this Agreement.
- (B) Accrued time shall be taken off in time only by Agreement between the member and his Unit Commander subject to the exigencies of the service. If the member has any accrued time remaining to his credit six (6) weeks prior to the end of each six (6) month period, the York Regional Police shall assign such remaining time, subject to the exigencies of the service and;
- (1) time shall be assigned in minimum blocks of four (4) hours;
 - (2) a member shall receive at least twenty-four (24) hours notice for any time assigned to the member that exceeds four (4) hours;

If the time is not taken by December 31, as aforesaid, the member shall be credited with any remaining time on January 1st of the following calendar year.
- 9.2 The Board agrees that subject to the exigencies of the service, as determined by the Chief of Police, a member's days off in each week shall be consecutive and that such days off shall rotate so that each member receives approximately the same number of weekends during the calendar year.
- 9.3 (A) "Call-back" means the calling back of a member to duty after he has reported off duty and before his next following period of duty, but does not

include call-back to face disciplinary action or call-back not more than one hour prior to a member's regular period of duty where the member is given compensating time off therefore at the end of such period of duty, nor shall it include any additional duty which has been previously posted or where a member has received at least seventy-two (72) hours notice, in writing or verbally, provided that such time is confirmed on the posted duty roster that such additional duty has to be performed.

- (B) Call back compensation will be calculated based on the time members physically report for duty at the building to which they are normally assigned or the location to which they are called out.
- (C) Call back compensation will be calculated based on the time the call back is received for members assigned to the following units only: Child Abuse; Sexual assault; Hold up; Special Services; Drugs and Vice Auto/Cargo Recovery; Intelligence; Homicide; Forensic Identification; Emergency Response Unit; Air Support; Canine; Incident Response (Public Order and Search and Rescue); Marine/Underwater Recovery; Traffic Collision Reconstruction; Professional Standards; Corporate Communications; High Risk Offender Unit; and Information Technology."

In the event that the member appropriately completes a call back without physically attending at the location to which he is normally assigned or called out, a Senior Officer must sign off on the completion of the call back.

- (D) The member shall be credited with three (3) hours at time and one half for the first hour or part thereof of each call-back. The member shall be credited for overtime, in accordance with Article 10.2, upon the completion of the first hour of each call-back.

9.4

of time will be spent by a member on each shift, provided, however, that by mutual consent between a member and the Unit Commander of his District, a member may spend more time on one shift than any other.

9.5 Deleted

9.6 Each member's daily duty roster shall be posted six (6) weeks in advance of each shift but such daily duty roster shall be subject to change depending on the exigencies of the service as determined by the Chief of Police whose discretion in this regard shall be exercised reasonably.

9.7 (A) If a member works a full calendar year on a three (3) shift rotation he shall receive \$200.00 per annum shift premium pay.

(E) The payment of any shift premium pay shall be in addition to a member's salary but shall not be included for the purpose of calculating overtime pay rates.

9.8 Members who are required to be on "stand-by" – defined as those occasions where a member is directed or scheduled by a Senior Officer to be personally available to report for work and capable of performing duties without impairment of any kind – shall be provided with two (2) hours in their overtime bank for every day that they are so directed and scheduled.

Members on stand-by must be 1) immediately accessible by telephone or pager, 2) must report for duty within one (1) hour and fifteen (15) minutes of notification, barring exceptional and uncontrollable circumstances, 3) must be capable of performing duties without impairment of any kind at all times and 4) may not refuse the call-out. It is understood and agreed that answering telephone calls without being directed or scheduled as on stand-by by a Senior Officer is not compensable as stand-by duty.

Any time worked by a member after his or her regular tour of duty shall be paid at overtime rates. Any time credited to the member's accumulated overtime record in accordance with this provision shall be paid in accordance with Section 10.4 (A).
- 11.5 When a member, through no fault of his/her own, is required to attend at court on any occasion during his annual vacation the member shall be granted twenty-four (24) hours extra leave in compensation for the first day or part thereof and thereafter eight (8) hours of extra leave for each day or part day in court, in addition to court time in accordance with Article 11.4. Such extra leave shall be consecutive days. The member shall also be paid any reasonable expenses

If the member remains medically unfit for duty such that the rescheduled time is not taken by December 31st as aforesaid, the member shall be entitled to choose to either (1) receive in the first pay period of the following calendar year an amount equal to the salary he would normally receive in respect of the vacation time not taken or (2) carry over the vacation to the following year, to be scheduled as approved by the Chief or his designate. In the event that the member chooses to carry over the vacation to the following year, the time must be taken prior to the end of the following calendar year.

In the event that the carried-over time is not taken prior to the end of the following calendar year, the member shall receive a payout at the salary rate applicable when the vacation time was earned. A member who is on suspension, either paid or unpaid, at the time of the commencement of his scheduled vacation, shall not be required to report in for the period of his scheduled vacation. A member who is on suspension, either paid or unpaid, and who has not scheduled his vacation for the year shall do so as soon as requested and, once such vacation time is approved, shall not be required to report in during the scheduled vacation time.

3. Annual vacation dates shall be selected in blocks of four (4) consecutive tours of duty equaling forty-eight (48) hours, eight (8) hours of which shall be deducted from the member's accrued time. **SCHEDULE “E”
UNIFORM WORKING AGREEMENT**

1. Background

- 1.1 The purpose of job sharing is to accommodate the personal needs of a member. The goal of this agreement is to permit job sharing to occur with minimal impact on efficiency or productivity by allowing two uniform members to share equally the duties and responsibilities of one full-time position.
- 1.2 The provisions of Schedule "E" take precedence over the other provisions of Uniform Working Agreement where there is a conflict.

2. Definitions

- 2.1 "Job Share" means that two members occupy one complement position, the duties of which they are both fully qualified to perform, so that they equally share the responsibilities, remuneration and benefits of that position;
- 2.2 "Participant" means a member who is participating in a Job Share.

3. Eligibility

- 3.1 To participate in a Job Share, an individual must be a member of the York Regional Police having attained at least the rank of First Class Constable, unless otherwise agreed to and approved by the Job Share Committee. Further, only the individuals in the following positions are eligible to apply to participate in a job share: front-line policing duties (including Community Orientated Response), Community Resources Centre, Crime Stoppers, Mental Health Support, Personal Safety, Victim Assistance, Senior Liaison and Recruiting. If any of the positions identified above are designated as staff development positions, the job share participant(s) must meet all requirements of the staff development procedure in order to be eligible to participate in the job share.

4. Commencement of a Job Share

- 4.1 A Job Share Committee shall be established, comprised of an equal number of representatives from the Association and Board.
- 4.2 The Job Share Committee shall maintain a list of members who may be interested in participating in a Job Share.
- 4.3 A member interested in participating in a Job Share shall submit a written application to the Job Share Committee, specifying the proposed terms of the Job Share. The interested member shall provide as much notice as possible. It is generally expected that it will take at least a minimum of three months between application date and the commencement

date of any Job Share. The parties recognize that some applications may take significantly longer and likewise agree to process applications as quickly as possible when there is urgency.

- 4.4 Where only one member makes application to participate in job sharing, the Board shall attempt to determine the interest of other members in participating in a Job Share arrangement through a posting procedure. Where more than one member applies to participate in the Job Share, the senior qualified candidate shall be selected. Subject to paragraph 4.7, where no qualified member applies, the job sharing application shall still be reviewed and considered by the Job Share Committee and the Board as set forth in paragraphs 4.5 and 4.6 below.
- 4.5 At the completion of the posting process, the Job Share Committee shall review the proposed Job Share arrangement and make a recommendation to the Board within 30 days, taking into consideration the needs of York Regional Police and the needs of the member(s).
- 4.6 The Board shall not reject a member's application unreasonably and the member shall have the right to grieve any such decision by the Board. The parties acknowledge that Job Share arrangements must take into account the needs of the Service. This may result in the need to limit the number of Job Share arrangements that may be in place at one time. The parties will meet on a regular basis to monitor this agreement and to make whatever amendments or agreements are necessary to balance the accommodation of the personal needs of the members and the legitimate needs of the Service.
- 4.7 The parties agree that no more than one member may participate in a job share arrangement without a partner at any one time. The Board may, in its sole discretion, allow additional job share arrangements to continue without a partner, such discretion to be exercised reasonably taking into account the needs of the Service.
- 4.8 If the Board approves a member's application for job sharing, the Participant(s) and the Board shall execute a Job Share agreement setting out all the terms of the Job Share. Such agreement shall be in a form agreed to by the parties and attached hereto as Appendix 1.
- 4.9 Subject to early termination, the duration of the Job Share agreement shall be one year, and may be renewed, depending on the Service's needs, upon the request of the Participant(s) and the approval of the Job Share Committee. Thereafter, all Job Share arrangements are to be reviewed on at least an annual basis. Members shall have the right to grieve a decision by the Board to refuse the renewal of a job share agreement.

5. Salary and Benefits

- 5.1 A participant's salary shall be calculated at 50% of the applicable salary as set out in Schedule "C". For clarity, any entitlement to Regional Policing Allowance and premiums under 17.12 through 17.16 (if not specifically dealt with below) shall be calculated based on 50% of a 1st Class Constable salary.
- 5.1.1 A participant's entitlement to:
- (a) annual vacation;
 - (b) service pay;
 - (c) sick leave;
 - (d) paid holidays;
 - (e) plainclothes allowance;
 - (f) cleaning allowance;
 - (g) accrued time;
 - (h) shift premium;
 - (i) Premiums for Breathalyzer Technicians, Intoxalyzer Technician and Scenes of Crimes Officers; and
 - (j) special leave
- shall be calculated at 50% of entitlement.
- 5.2 A Participant's entitlement to the allowances under Section 17.1, 17.2, 17.3, 17.7 and 17.9 of the Working Agreement is unaffected by the Job Share.
- 5.3 The Association shall determine its requirements for membership. Dues shall be as set by the Association from time to time for all members of the bargaining unit. The Association shall notify the Board in writing of its Dues structure and any changes thereto.
- 5.4 Participants are eligible for coverage under the insured benefits plan provided under Article 18 of the Uniform Working Agreement. The Board agrees to pay the full cost of premiums for group life and accidental death and dismemberment insurance, and long term disability insurance. A Participant may elect to participate in the extended health and dental plans, and if the Participant so elects he/she shall pay 50% of the premiums. The Board agrees to pay the balance of the premiums.
- 5.5 Pension contributions and credits will be adjusted in accordance with the OMERS regulations.
- 5.6 A Participant's service accumulates on a pro rata basis according to hours worked.
- 5.7 Members shall receive 100% of their Regional Policing Allowance entitlement earned prior to commencing a job share. During the period when a member is participating in a job share, service for the purposes of entitlement to the Regional Policing Allowance shall accumulate at a rate of 50%.

6. Hours Worked

6.1 A Job Share agreement will specify the shift schedule for each Participant.

6.2 Participants may only change the schedules in the Job Share agreement by,

- (a) obtaining Shift Supervisor's approval; and
- (b) obtaining approval of the Manager, Human Resources; and
- (c) requesting changes in schedules no less than ten days before the changes are to commence, unless otherwise approved by the Manager, Human Resources.

NOTE: The provisions of this section are not intended to impact on individuals who may make changes to their shifts with the approval of their supervisor.

7. Termination of a Job Share

7.1 Either participant in a job share agreement may apply to terminate the agreement prior to its expiry upon not less than three (3) months' written notice. The Job Share Committee shall make a recommendation to the Board regarding the application and the Board shall consider extenuating circumstances in determining whether to approve the application. Any approval shall address the return of the participants to their full-time positions.

7.2 If a Job Share agreement is terminated early for any reason except pursuant to paragraph 7.1 and if one Participant so requests, the Job Share Committee shall assist the Participant to locate another member who may be interested in participating in a Job Share.

7.3 The Job Share Committee shall continue to provide assistance to such member for a period of no less than 30 days.

7.4 While the Job Share Committee is providing assistance to the member, the provisions of the Job Share agreement continue to apply to that member. If a Job Share partner is not found through the procedures set out in paragraph 4.4 above, the Job Share will be terminated subject to paragraphs 4.7.

8. Return to Work

8.1 When a Job Share agreement expires, the Participants shall return immediately to their full time position, unless the Participant enters into a new Job Share arrangement.

9. Term of this Provision

9.1 The parties agree that Uniform job sharing is still being evaluated and that Schedule "E" shall be in effect until December 31, 2011.
