ARTICLE 1 - PURPOSE

- 1.01 The purpose of this agreement is to establish by mutual agreement an orderly collective bargaining relationship between the Employer and the nurses concerned, and to provide for the prompt disposition of grievances, to establish and maintain satisfactory working conditions, hours of work, and wages for all nurses within the bargaining unit.
- 1.02 It is recognized that the nurses wish to work together with the Employer to secure the best possible nursing care and health protection for residents.

ARTICLE 2 - RECOGNITION

- In accordance with the Certificate issued by the Ontario Labour Relations Board and dated the 12th day of June 1987, the Centre recognizes the Ontario Nurses' Association as the bargaining agent of all registered and graduate nurses, engaged in a nursing capacity, of Brantwood Residential Development Centre, in Brantford, save and except the Director of Residential Services, persons above the rank of Director of Residential Services and persons regularly employed for not more than twenty-four (24) hours per week.
- The Employer recognizes the following categories of nurses:
- (a) A full-time nurse is a nurse who is scheduled to work an average of five (5) tours per week.
 - (b) A part-time nurse is a nurse who works less than the normal full-time hours.
- 2.03 A registered nurse is defined as a person who holds a Certificate of Competence from the College of Nurses of Ontario, in accordance with the Health Disciplines Act, 1974, as amended.
- 2.04 A graduate nurse is defined as a nurse with certification incomplete who is a graduate of a program acceptable to the College of Nurses and is either in the process of being certified by the College of Nurses of Ontario or is completing certification requirements. This certification shall be completed at the earliest opportunity following date of hire. Where a nurse fails to complete such certification requirements, she will be terminated from the employ of the Centre. The nurse shall not be terminated before twenty-four (24) months in the event she fails the examination and has another opportunity to write it.
- 2.05 Whenever the feminine pronoun is used in this agreement, it includes **the** masculine pronoun, where the content so requires. Where **the** singular is used, it may also be deemed to mean **the** plural.

- 2.06 Supervisors and other employees led from the bargaining unit, other than part-timers, shall not perform duties normally performed by nurses in the bargaining unit which shall directly or result in the layoff, loss of seniority or severance or reduction in benefits of nurses in the bargaining unit.

The Centre shall not contract out any work usually performed by members of this bargaining unit if, as a result of such contracting out, a layoff of any employees of the bargaining unit follows. Contracting out to an Employer who is organized and who will employ the nurses of the bargaining unit who would otherwise be laid off is not a breach of this provision. This clause shall not apply to the ad hoc use of agency or registry nurses for single shift coverage of vacancies due to illness or leaves of absence.

ARTICLE 3 - RELATIONSHIP

- 3.01 The Centre and the Association agree that there will be no discrimination, interference, intimidation, restriction or coercion exercised or practised by any of their representatives with respect to any nurse because of her membership or non-membership in the Association or activity or lack of activity on behalf of the Association or by reason of exercising her rights under the Collective Agreement.
- 3.02 The Association agrees there will be no Association activity, solicitation for membership, or collection of Association dues on Centre premises or during working hours except with the written permission of the Centre or as specifically provided for in this Agreement.
- 3.03 It is agreed that there will be no discrimination by either party or by any of the nurses covered by this Agreement on the basis of race, creed, colour, national origin, sex, sexual orientation, marital status, age, religious affiliation or any other factor which is not pertinent to the employment relationship.

ARTICLE 4 - NO STRIKES AND LOCKOUTS

- 4.01 The Association agrees that there will be no strikes, and the Employer agrees that there will be no lockouts in the term of this Agreement. The term "strike" and the term "lockout" shall bear the meaning given them in the Ontario Labour Relations Act, R.S.O. 1980, as amended.

ARTICLE 5 - RESERVATION OF MANAGEMENT RIGHTS

- 5.01 The Association acknowledges that I. the exclusive function of the Employer to:

- (c) make and alter from time to time reasonable rules and regulations to be observed by the nurses;
- (d) generally to manage the Centre and direct the work of the nurses and, without restricting the generality of the foregoing, to determine the number of nurses required and the methods, procedures, and equipment to be used, and other matters concerning the Employer's operation.

5.02 The exercise of management's rights shall not be inconsistent with the provisions of this Agreement.

ARTICLE 6 - ASSOCIATION COMMITTEES AND REPRESENTATION

6.01 Association-Management Committee

There will be an Association-Management Committee composed of an equal number of representatives of the Employer and the Association. Meetings of this Committee shall be held at the request of either party, but at least every other month. The purpose of this Committee shall be to discuss matters of mutual concern. Minutes of meetings shall be maintained and signed by both parties. The role of chairperson shall rotate between the parties.

6.02 The Association may appoint a Grievance Committee which shall be composed of two (2) members of the Association and which shall be responsible for the handling of all grievances in the full-time and part-time bargaining units. The members of the Grievance Committee have their regular work to perform on behalf of the Employer and will not leave their work without obtaining permission from their immediate supervisor and reporting to such supervisor on their return to work. The time spent away from the duties will be without loss of pay. It is further understood that permission to leave regular work will not be unreasonably withheld.

6.03 The Association shall elect a Negotiating Committee composed of up to two (2) Association members, not more than one of whom shall be a nurse covered by the part-time collective agreement. The Negotiating Committee shall negotiate both the full-time and the part-time collective agreements, and shall include as an additional member an Employment Relations Officer.

6.04 The Association will provide the Employer with a list of personnel showing its officers and representatives. This list will be forwarded to the Administrator of the Centre in writing.

- 6.05 It is understood that the members of the Negotiating Committee have their regular work to perform on behalf of the Employer and will not leave work without obtaining permission from their immediate supervisor and reporting to such supervisor on their return to work. The members will not lose pay for all meetings held in direct negotiations with the Employer and in Conciliation. It is further understood that permission to leave regular work will not be unreasonably withheld.
- 6.06 Any of the Association Committees may have the assistance of a representative of the Ontario Nurses' Association from outside the employ of the Employer when negotiating or when meeting with the Employer.
- 6.07 The Employer agrees to provide a Representative of the Association with a reasonable period of time within the Orientation Programme in order to meet with newly hired nurses.
- 6.08 The Employer agrees that when nurses are required by the Employer to serve on committees, the meetings shall be scheduled during the nurses regular working hours, or the nurse shall be paid for all hours spent outside her regular working hours at her regular rate of pay.
- 6.09 Occupational Health & Safety Committee
- (a) The Employer and the Association agree that they mutually desire to maintain standards of health and safety in the Centre, in order to prevent accidents, injury and illness.
 - (b) Recognizing its responsibilities under the applicable legislation, the Employer agrees to accept as a member of its Occupational Health and Safety Committee, one (1) Representative selected or appointed by the Association from the bargaining unit.
 - (c) Such committee shall identify potential dangers and hazards, institute means of improving Health and Safety programmes, and recommend actions to be taken to improve conditions relating to Occupational Health and Safety.
 - (d) The Centre and the Association agree to co-operate reasonably in providing each other the necessary information to enable the Committee to fulfil its functions.
 - (e) All time spent by a member of the Occupational Health and Safety Committee attending meetings of the Committee and carrying out the duties of a member, shall be deemed to be work time for which she shall be paid by the Centre at her regular rate and she shall be entitled to such time from work as is necessary to attend scheduled meetings.

- (f) Meetings shall be held every second month or more frequently at the call of the chair, if required. The Committee shall maintain minutes of all meetings and make the same available for review.
- (g) The Association agrees to endeavour to obtain the full co-operation of its membership in the observation of all safety rules and practices.
- (h) Pregnant nurses may request to be transferred from their current duties, if, in the professional opinion of the employee's physician, the pregnancy may be at risk. If such a transfer is not feasible, the pregnant employee, if she so requests, will be granted an unpaid leave of absence before commencement of the current contractual maternity leave.
- (i) Where the Centre identifies high risk areas where nurses are exposed to infectious or communicable diseases for which there are available protective medications, such medications shall be provided at no cost to the nurses.

ARTICLE 7 - ASSOCIATION SECURITY

The Employer shall deduct from the pay to each nurse who is covered by this Agreement a sum equal to the monthly Association dues of each nurse. The Association shall notify the Employer, in writing, of the amount of such dues from time to time. The Employer will send to the Ontario Nurses' Association monthly, following such deductions, its cheque for the dues so deducted, along with a list of the names and the amount of such deduction for each nurse. The list shall show the social insurance number of each nurse, terminations, new hires, and any unpaid leaves of absence in excess of one month. The initial list shall contain, as well, the address of each nurse. A copy of this list will be sent to the Local Association.

The Employer shall provide each nurse with a T-4 supplementary slip, showing the dues deducted in the previous year for income tax purposes.

- 7.03 The Association shall indemnify and save the Employer harmless with respect to all dues so deducted and remitted.

ARTICLE 8 - GRIEVANCE AND ARBITRATION PROCEDURES

- 8.01 For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.
- 8.02 At the time formal discipline is imposed or at any stage of the grievance procedure, including the complaint

stage, a nurse is entitled to be represented by her nurse representative. In the case of suspension or discharge the Centre shall notify the nurse of his right in advance.

It is the mutual desire of the parties hereto that complaints of nurses shall be adjusted as quickly as possible, and it is understood that a nurse has no grievance until she has first given her immediate supervisor the opportunity of adjusting her complaint. Such complaint shall be discussed with her immediate supervisor within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the nurse and failing settlement within nine (9) calendar days, it shall then be taken up as a grievance within nine (9) calendar days following the date of her immediate supervisor's decision in the following manner and sequence:

8.03

Step No. 1

The nurse may submit a written grievance signed by the nurse to her immediate supervisor. The grievance shall identify the nature of the grievance and the remedy sought and should identify the provisions of the Agreement which are alleged to be violated. The immediate supervisor will deliver his/her decision in writing within nine (9) calendar days following the day on which the grievance was presented to him/her. Failing settlement, then:

Step No. 2

Within nine (9) calendar days following the decision in Step No. 1, the grievance may be submitted in writing to the Centre's Administrator or his designate. A Meeting will then be held between the Administrator or his designate and the Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 2 unless extended by agreement of the parties.

It is understood and agreed that a representative of the Ontario Nurses' Association and the grievor may be present at the meeting. It is further understood that the Centre's Administrator or his designate may have such counsel and assistance as he may desire at such meeting. The decision of the Centre shall be delivered in writing within nine (9) calendar days following the date of such meeting.

8.04

A complaint or grievance arising directly between the Centre and the Association concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 2 within four (4) calendar days following the circumstances giving rise to the complaint or grievance. A grievance by the Centre shall be filed with the Local President or his designate.

8.05

Group Grievance

Where a number of nurses have identical grievances and each nurse would be entitled to grieve separately they may present a group grievance in writing signed by each nurse who is grieving to the Director of Residential Services or his/her designate within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the nurse(s). The grievance shall then be treated as being initiated at Step No.1 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

The release of a probationary nurse shall not be subject to the grievance procedure unless the probationary nurse is released for exercising a right under this Agreement. A claim by a nurse who has completed her probationary period that she has been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged by the nurse with the Centre at Step No. 2 within seven (7) calendar days after the date the discharge or suspension is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:

- (a) confirming the Centre's action in dismissing the nurse; or
- (b) reinstating the nurse with or without loss of seniority and with or without full compensation for the time lost; or
- (c) by any other arrangement which may be deemed just and equitable.

The Centre agrees to provide written reasons within seven (7) calendar days to the affected nurse in the case of discharge or suspension and further agrees that it will not suspend, discharge or otherwise discipline a nurse who has completed her probationary period, without just cause.

8.07

Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within eighteen (18) calendar days after the decision under Step No. 2 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within sixteen (16) calendar days after the decision under Step No. 2 it will be deemed to have been received within the time limits.

8.08

All agreements reached under the grievance procedure between the, representatives of the Centre and the representatives of the Association will be final and

binding upon the Centre and the Association and the nurses.

- 8.09 When either party requests that a matter submitted to arbitration as provided in the foregoing Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time name a nominee. Within seven (7) calendar days thereafter the other party shall name a nominee, provided, however, that if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees shall attempt to select by agreement, a chairman of the Arbitration Board. If they are unable to agree upon such a chairman within a period of fourteen (14) calendar days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.
- 8.10 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 8.11 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure,
- 8.12 The Arbitration Board shall be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 8.13 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and where there is no majority the decision of the chairman will be final and binding upon the parties hereto and the nurse or nurses concerned.
- 8.14 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chairman of the Arbitration Board.
- 8.15 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject only to the provisions of Section 44 (6) of the Labour Relations Act.
- 8.16 Wherever arbitration board is referred to in the Agreement, the parties may mutually agree in writing to substitute a single arbitrator for the arbitration board at the time of reference to arbitration and the other provisions referring to arbitration board shall appropriately apply,

ARTICLE 9 - JOB SECURITY

- 9.01 (a) Newly hired nurses shall be considered to be on probation for a period of sixty (60) tours worked from date of last hire (450 hours of work for nurses whose regular hours of work are other than the standard work day). If retained after the probationary period, the nurse shall be credited with seniority from date of last hire. With the written consent of the Centre, the probationary nurse and the President of the Local Association or her designate, such probationary period may be extended. Where the Centre requests an extension of the probationary period, it will provide notice to the Association at least fourteen (14) calendar days prior to the expected date of expiration of the initial probationary period. It is understood and agreed that any extension to the probationary period will not exceed an additional sixty tours (450 hours) worked and, where requested, the Centre will advise the nurse and the Association of the basis of such extension.
- (b) A nurse who transfers from part-time to full-time status shall not be required to serve a probationary period where she has previously completed one since her date of last hire. Where no such probationary period has been served, the number of tours worked (hours worked for nurses whose regular hours of work are other than the standard work day) during the nine months immediately preceding the transfer, shall be credited towards the probationary period.

9.02 A seniority list shall be established for all full-time nurses covered by this Agreement who have completed their probationary period. For information purposes only, the names of **all full-time** probationary nurses shall be included in the **seniority** lists. A copy of the current seniority list will be filed with the President of the Local Association or her designate on request but not more frequently than once every six (6) months in January and June of each year. A copy of the seniority list shall also be posted at the same time.

A nurse's full seniority and service shall be retained by the nurse in the event that she is transferred from full-time to part-time or vice versa. A nurse whose status is changed from full-time to part-time shall receive credit for her full seniority and service on the basis of fifteen hundred (1500) hours worked for each year of full-time seniority or service. A nurse whose status is changed from part-time to full-time shall receive credit for her full seniority and service on the basis of one year of seniority or service for each fifteen hundred (1500) hours worked. Any time worked in excess of an equivalent shall be pro-rated at the time of the transfer.

9.04 If a nurse's absence without pay from the Centre including absences under Article 12, Leaves of Absence,

exceeds thirty (30) continuous calendar days she will not accumulate seniority or service for purposes under the Collective Agreement for the period of the absence in excess of thirty (30) continuous calendar days unless otherwise provided and the nurse will be responsible for full payment of any subsidized employee benefits during the period of absence. In the case of unpaid approved leaves of absence in excess of thirty (30) continuous calendar days a nurse may arrange with the Centre to prepay the full premium of any applicable subsidized benefits during the period of leave in excess of thirty (30) continuous calendar days to ensure her continuing coverage.

Notwithstanding this provision, seniority shall accrue for a period of one year if a nurse's absence is due to disability resulting in W.C.B. benefits or L.T.D. benefits including the period of the disability program covered by Unemployment Insurance.

9.05 Job Posting

In the case of a permanent vacancy, the Employer will post notice of such vacancy, for five (5) calendar days excluding Saturdays, Sundays and Holidays prior to filling the position, in order that any interested nurse may apply. A copy of such notice shall be sent to the Local Association. If no qualified nurse applies, then the Employer may hire a new nurse from outside of the employ. The name of the successful applicant shall be posted by the Employer.

9.06 Part-time nurses shall be given the first opportunity to fill temporary vacancies. The Employer will outline the conditions and duration of such vacancy. Such temporary vacancy shall not exceed the time required to complete the specific circumstances which gave rise to the temporary vacancy.

On the nurse's return, she will be placed in her former position unless the position has been discontinued in which case she will be given a comparable job.

9.07 A nurse may make a written request for transfer by so advising the Centre, in writing, indicating her requested area of assignment. The request shall become active as of the date it is received, and shall remain so until December 31 following. Such request will be considered as an application for any posted vacancy in the requested area of assignment.

9.08 (a) A nurse who is transferred to a position outside of the bargaining unit shall, subject to (b) below, retain, but not accumulate, her seniority held at the time of transfer. In the event the nurse is returned to a position in the bargaining unit, she

shall be credited with the seniority held at the time of transfer and resume accumulation from the date of her return to the bargaining unit.

- (b) A nurse who is transferred to a position outside of the bargaining unit for a definite term or task not exceeding six (6) months shall not suffer any loss of seniority, service or benefits and shall remain covered by the collective agreement. It is understood and agreed that a nurse may decline such transfer.

The period of time referred to above may be extended by agreement of the parties.

Nurses shall be selected to fill vacancies on the basis of their skill, ability, experience and qualifications. Where these factors are relatively equal among the nurses concerned, seniority shall govern providing the successful applicant, if any, is qualified to perform the available work within an appropriate familiarization period. At the request of the nurse the Centre will discuss with the unsuccessful applicant ways in which the nurse can improve her qualifications for future postings.

9.10

A nurse shall lose all service and seniority and shall be deemed to have terminated if she:

- (a) leaves of her own accord;
- (b) is discharged and the discharge is not reversed through grievance or arbitration procedure;
- (c) has been laid off for the lesser of her length of seniority or twenty-four (24) calendar months;
- (d) refuses to continue to work or return to work during an emergency which seriously affects the Centre's ability to provide adequate resident care, unless satisfactory reason is given to the Centre;
- (e) is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Centre of such absence and providing a satisfactory reason to the Centre;
- (f) fails to return to work (subject to the provisions of 9.10 (e)) upon termination of an authorized leave of absence without satisfactory reason or utilizes a leave of absence for purposes other than that for which the leave was granted;
- (g) fails upon being notified of a recall to signify her intention to return within five (5) calendar days after she has received the notice of recall mailed by registered mail to the last known address according to the records of the Centre and fails to report to work within seven (7) calendar days after she has received the notice of recall or such further period of time as may be agreed upon by the parties.

ARTICLE 10 - LAYOFF AND RECALL

10.01 (a) In the event of a layoff, those nurses with lesser seniority will be the first to be laid off, provided that the nurses who are entitled to remain on the basis of seniority are qualified to perform the available work. Recall of nurses will be in reverse order of the layoff procedure.

Seniority for the purpose of this clause means all seniority earned in the employ of this Employer as a registered or graduate nurse. Therefore, in the event of lay-off, a part-time nurse with more seniority than a full-time nurse would be retained and vice versa.

(b) In the event of a proposed layoff at the Centre of a permanent or long term nature, the Employer will:

(1) provide the Local Association with no less than thirty (30) days notice of such layoff and,

(2) meet with the Local Association to review the following:

(i) the reasons causing the layoff;

(ii) the service which the Centre will undertake after the layoff;

(iii) the method of implementation including the areas of cutback and the nurses to be laid off.

10.02 No new nurse will be hired while there is a nurse on layoff who is qualified to perform the available work, and who accepts the available work.

The nurse shall initial such evaluation as having been read and shall have the opportunity to add her views to such evaluation prior to it being placed in her file. It is understood that such evaluations do not constitute disciplinary action by the Employer against the nurse. Each nurse shall have reasonable access to all her files for the purpose of reviewing their contents in the presence of her supervisor. A copy of the evaluation will be provided to the nurse at her request.

11.02 Any letter of reprimand, suspension or other sanction will be removed from the record of a nurse within eighteen (18) months following the receipt of such letter, suspension or other sanction provided that such nurse's record has been discipline free for one year.

In addition, the nurse's birthday will be recognized as a paid float holiday for that nurse, such day to be taken on the nurse's birthday or within the thirty-day period before or after the nurse's birthday, on the mutual agreement of the nurse and her supervisor.

- (b) Should the Centre be required to observe additional paid holidays as a result of legislation, it is understood that one of the existing holidays recognized by the Centre shall be established as the legislative holiday after discussion with the Union, so that the Centre's obligation to provide for twelve (12) paid holidays remains unchanged.

Holiday pay will be computed on the basis of the nurse's regular straight time hourly rate of pay times the number of hours for a normal daily tour.

13.03

Except as provided in Article 13.01 (iv), a nurse required to work on any of the foregoing holidays, save and except the employee's float day (birthday), shall be paid at the rate of time and one-half (1-1/2) the nurse's regular straight time rate of pay for all hours worked on such holiday. In addition, he/she will receive a lieu day off at regular straight time pay within thirty (30) days following the holiday. Such lieu day off is to be selected by the nurse and his/her supervisor by mutual agreement. Failing such mutual agreement, the lieu day will be scheduled by the immediate supervisor.

13.04

In order to qualify for pay for a holiday, a nurse shall complete a full scheduled shift on each of his/her working days immediately preceding and following the holiday concerned unless the nurse was absent due to:

- (a) verified illness or accident which commenced within a month of the date of the holiday;
- (b) vacation granted by the Centre;
- (c) the nurse's regular scheduled day off.

A nurse entitled to holiday pay hereunder shall not receive sick leave pay to which she may otherwise have been entitled unless she was scheduled to work that day.

13.05

- (a) Where a holiday falls during a nurse's scheduled vacation period, her vacation shall be extended by one (1) day unless the nurse and the Centre agrees to schedule a different day off with pay.
- (b) Where a holiday falls on a nurse's scheduled day off, an additional day off with pay will be scheduled.

13.06

The Employer will endeavour to arrange time off on paid holidays so that it is divided equitably among the nurses.

13.07 For purposes of clarification, if the priority of the hours worked on a regular shift falls on the holiday, the shift shall be deemed to be worked on the holiday for the full period of the shift.

13.08 Where a paid holiday falls on a Monday or a Friday, the Employer will endeavour to schedule so that a nurse who is scheduled off on the Saturday and Sunday in conjunction with the holiday shall be scheduled off on the holiday unless she requests otherwise.

Conversely, if a nurse is scheduled to work on the Saturday and Sunday in conjunction with the holiday, the Employer will endeavour to schedule so that the nurse works on the holiday, unless she requests otherwise.

- (e) Prior to leaving on vacation, nurses shall be notified of the date and time on which to report for work following the vacation.
- (f) The Centre shall schedule a nurse off either the weekend before or the weekend after her approved vacation leave, and shall endeavour to schedule both weekends off.

Scheduling

A nurse will be granted and shall take his/her vacation at such time or times as the Centre determines, consideration in each case being given to the nurse's wishes, seniority and the efficient operation of the Centre. Vacation requests will not be unreasonably denied.

(c) The portion of the nurse's vacation which is deemed to be sick leave under the above provisions will not be counted against the nurse's vacation credits.

14.05 When a nurse's employment is terminated she shall receive full payment for vacation earned but not taken. This notwithstanding, a nurse who terminates his/her employment without giving the Centre at least two (2) weeks' written notice shall receive only such percentage vacation pay as may be due to him/her under The Employment Standards Act.

- 14.06 Vacation pay for full-time nurses be at their
regular straight time rate of pay at time of taking

- 15.01 (i) The following provision designating regular hours
on a daily tour and regular daily tours over the
nursing schedule determined by the Centre shall not
be construed to be a **guarantee** of the hours of work
to be performed on each tour or during each tour
schedule.
- (ii) Effective the beginning of the first pay period
following the date of the Award of the Arbitration
Board, the normal daily tour shall be seven and
one-half (7-1/2) consecutive hours in any twenty-
four (24) hour period exclusive of an unpaid one-
half (1/2) hour meal period, it being understood
that at the change of tour there will normally be
additional time required for reporting which shall
be considered to be part of the normal daily tour

fifteen (15) minutes, however, the entire period

the day (but not including hours on a subsequent
regularly scheduled tour for such nurse), she shall

- 15.05 (a) The tour commencing at or about midnight shall be considered the first tour of each day. A tour shall be deemed to be entirely within the calendar day in which the majority of hours falls regardless of what calendar day the tour commenced.
- (b) There shall be no split tours.
- (c) Time schedules shall be posted four (4) weeks in advance, and will cover a period of four (4) weeks.

- (f) A weekend is defined as being a minimum of fifty-six (56) hours off, commencing on completion of the Nurses's Friday shift.
- (g) Provided the Registered Nurse staffing requirements of the Centre are adequately met, nurses shall be scheduled to receive every second weekend off.

If a nurse is required to work a third consecutive and subsequent weekend, she will receive premium payment of time and one-half (1-1/2) her regular straight time hourly rate for all hours worked on that weekend and on subsequent weekends until a weekend is scheduled off, save and except where:

- (i) Nurses shall continue to be allowed to exchange days off or tour(s) of duty subject to the approval of the Director of Residential Services. Such approval shall not be unreasonably withheld. Such exchange shall not create premium payments.
- 15.06 (a) Where a nurse has worked and accumulated overtime hours (other than overtime hours relating to paid holidays), she shall have the option of selecting compensating time off, at a mutually agreed time, equivalent to the appropriate overtime rate, in lieu of overtime payment. Where no mutual agreement is reached, the nurse will be paid.

She shall be required to perform any nursing duties assigned by the Centre which she is capable of doing, if her regular duties are not available.
- 15.07 The posting of schedules shall be in accordance with Article 15.05(c). It shall be the responsibility of the nurse to consult posted work schedules. The Centre will endeavour to provide as much advance notice as is practicable of a change in the posted schedule. Changes to the posted work schedule shall be brought to the attention of the nurse. Where less than twenty-four (24) hours notice is given personally to a nurse, time and one-half (1-1/2) of the nurse's regular straight time hourly rate will be paid for all hours worked on the first shift of her new schedule.

that such four (4) hour period overlaps or extends into her regularly scheduled shift. In such a case, she will receive time and one-half (1-1/2) her regular straight time hourly rate for actual hours worked up to the commencement of her regular shift.

15.09 Overtime premiums shall not be duplicated or pyramided.

ARTICLE 16 - SICK LEAVE AND LONG-TERM DISABILITY

16.01 The Centre will assume total responsibility for providing and funding a short-term sick leave plan at least equivalent to that described in the 1980 Hospitals of Ontario Disability Income Plan brochure.

The Centre will pay 75% of the billed premium towards coverage of eligible employees under the long-term disability portion of the plan (HOODIP or an equivalent plan). The employee will pay the balance of the billed premium through payroll deduction.

16.02 When a nurse has completed any portion of her regularly scheduled tour prior to going on sick leave benefits or Workers' Compensation benefits, she shall be paid for the balance of the tour at her regular straight time hourly rate. This provision will not disentitle the nurse to a lieu day under Article 13 if she otherwise qualifies.

Nurses returning from work from an illness or injury compensable under Workers' Compensation will be assigned light work as necessary, if available.

16.04 The Centre **further** agrees to pay employees an amount equal to any loss of benefits under HOODIP for the first two days of the fourth and subsequent period of absence in any calendar year.

16.05 Absence due to pregnancy related illness shall be considered as sick leave under the sick leave plan.

16.06 A nurse who is absent from work as a result of an illness or injury sustained at work and who has been awaiting approval of a claim for Workers' Compensation for a period longer than one complete pay period may apply to the Centre for payment equivalent to the lesser of the benefit she would receive from Workers' Compensation if her claim was approved, or the benefit to which she would be entitled under the short-term sick portion of the disability income plan (HOODIP or equivalent plan).

Payment will be provided only if the nurse provides evidence of disability satisfactory to the Centre and a written undertaking satisfactory to the Centre that any payments will be refunded to the Centre following final determination of the claim by the Workers' Compensation Board. If the claim for Workers' Compensation is not approved, the monies paid as an advance will be applied towards the benefits to which the nurse would be entitled under the short-term portion of the disability income

plan. Any payment under this provision shall continue for a maximum of fifteen weeks.

- 16.07 Any dispute which may arise concerning a nurse's entitlement to short-term or long-term benefits under HOODIP may be subject to grievance and arbitration under the provisions of this Agreement.

ARTICLE 17 - PROFESSIONAL RESPONSIBILITY

- (a)
- (i) Complain in writing to the Director of Residential Services within ten (10) calendar days of the alleged improper assignment. The Chairperson of the Association Management Committee shall convene a meeting of the Committee within fourteen (14) calendar days of the filing of the complaint. The Committee shall hear and attempt to resolve the complaint to the satisfaction of both parties.
 - (ii) Failing resolution of the complaint within fourteen (14) calendar days of the meeting of the Association Management Committee, the complaint shall be forwarded to an independent Assessment Committee, composed of three (3) registered nurses; one (1) chosen by the Ontario Nurses' Association, one (1) chosen by the Employer, and one (1) chosen from a panel of four (4) independent registered nurses who are well respected within the profession. The member of the Committee chosen from the panel of independent registered nurses shall act as chairperson.
 - (iii) The Assessment Committee shall set a date to conduct a hearing into the complaint within fourteen (14) calendar days of its appointment, and shall be empowered to investigate as is necessary, and make what findings as are appropriate under the circumstances. panel member is unable to sit within the time limit stipulated, the panel member next scheduled to sit will be appointed by the parties.

ARTICLE 18 - MISCELLANEOUS

20.02 Nurses required by the Employer to attend in-service and education programs at Brantwood Centre, whether during or outside of their normal working hours, shall be paid for time in attendance at their regular hourly rate of pay.

be paid out within three pay periods (approximately six
weeks) of the date of the Award of the Board of
Arbitration.

Any new employees hired since June 17, 1987 shall be
entitled to a pro rata adjustment to their remuneration

shall be effective the first pay period following

the date of presentation of proof of certification as above.

22.04

If requested, the Employer agrees to meet with the Association to review the appropriate rate of pay providing any such meeting shall not delay the

implementation of the new classification. Where the Association challenges the rate established by the Employer and the matter is not resolved following any meeting with the Association, a grievance may be filed at Step #2 of the grievance procedure within seven (7) calendar days following any meeting.
